

Did you Know?

April 6, 2011 at 8:38pm

Public

I want all souls to know they can KNOW and communicate with GOD ALMIGHTY Creator of the Universe, HERE and NOW! (Jeremiah 29:11-13 <http://www.biblegateway.com/passage/?search=Jeremiah+29%3A11-13&version=KJV>; 31:31-34 <http://www.biblegateway.com/passage/?search=Jeremiah%2031:31-34&version=KJV>; John 14:26 <http://biblehub.com/john/14-26.htm>; 1John 2:27 http://biblehub.com/1_john/2-27.htm) All you have to do is obey His Instruction! (Acts 2:38,39 <http://www.biblegateway.com/passage/?search=Acts+2%3A38-39&version=KJV>) and ask! (Luke 11:13 <http://biblehub.com/luke/11-13.htm>).

THERE IS NOTHING MORE IMPORTANT THAN PERSONALLY KNOWING AND COMMUNICATING WITH (WHICH INCLUDES HEARING FROM- <http://biblehub.com/john/16-13.htm>) THE CREATOR OF THE UNIVERSE! MAKE IT YOUR TOP PRIORITY UNTIL YOU DO!!!!!!!

I also am conducting a public awareness campaign about a genetic trait that at least 10% of the global population has and is wrongly thought of as rare. The trait is wrongly called/known as "Wilson's Disease" and "Hereditary Hemochromatosis". If people only knew whether or not they had this trait they could take care of themselves easily and inexpensively lifelong and prevent early deaths of all known serious to terminal medical conditions. But the public is kept in ignorance of this because it results in billions of dollars of profits for the pharmaceutical and medical industries. The two most common early warning signs (high blood pressure and high cholesterol) are treated by big Pharma as their highest grossers by far; because the trait is that common. (the only other reason these industries would have for not telling the world of this significant factor which is currently the number one genetic trait linked to all known serious to terminal ailments (it also has many positive aspects; the only reason for the link to all the ailments is that such people are more sensitive to environmental toxins/heavy metals and like fish in an aquarium start developing chemical sensitivities and such before others to show the world it is headed for extinction events as a warning); as I was saying the only other reason this isn't known worldwide, is that they are ignorant of that fact; which was revealed to me by our Creator and through many years of diligent research. Either way people need to educate themselves and really take care of themselves and stop putting so much faith in fallible "doctors", other people in general and a lot more faith in our Perfect Creator, knowledge, wisdom and understanding.) In addition, persons who have WD/HH would have living wills created to never be given O negative blood (even though this type is considered universal donor) because an incompatible blood transfusion to persons who have this trait can lead to one of the slowest most excruciating deaths known to mankind. I am also conducting a public awareness campaign that governments including ours are increasing practices of "population management" including policies of death in letting mass murdering doctors and nurses go free who slaughter more than a million innocent americans every year in local hospitals, harvest their organs for profit, and lie about the real cause of death if there are any inquiries. Illegal organ harvesting is a global epidemic now.

Eugenicists have placed death squads in hospitals not just murdering infants on demand; but unsuspecting adult patients by the millions (www.blastthetrumpet.org). When I tried to get the mass murdering doctors and nurses arrested; after contacting the US attorney general's office this was the message on my system the following day: <http://www.blastthetrumpet.org/iTestifytheTRUTH/popman.wav>
