

Acknowledging the Eternal Creator Takes No Faith It is Scientific Fact

[July 2, 2013 at 3:14am](#)

Comment from an atheist: "I don't hate God. I just don't believe He exists."

<https://www.facebook.com/notes/michael-swenson/god/719346771477618> - making such a statement shows those of us who know better that you have nearly lost your senses and ability to reason altogether as the evidence of GOD is overwhelming.

<http://www.silverweapon.com/atheismdestroyed.html> - **there is no knowledge without a Thinker, no word without a Speaker/Author, no student without a Teacher, no deed done without a Doer, no law without a Lawgiver; no structure without a Builder, no breath without a Breather and no life/creation without a Creator.**

I wish atheists weren't so blind to their own insanity or so mentally challenged that they can't comprehend science has proven the existence of an Invisible Eternal Creator. By the Law of Causality we know something must exist to act upon anything else. By the Law of Non-contradiction we know the universe did not create itself for it would have had to effect causal force upon itself before it existed to do so. By both these scientific laws we KNOW for ANYTHING to exist there MUST be an ETERNAL CREATOR. (For those who get hung up on these laws, Aristotle stated that without these laws (the very foundation of logic, reason and knowledge, we couldn't know anything - <http://plato.stanford.edu/entries/aristotle-noncontradiction/>)

Furthermore, we know by the 2nd law of thermo-dynamics that all things visible are passing away; just as our Creator tells us in the Holy Bible. By these scientific laws we KNOW the universe exists by the Power of an Invisible, Eternal, Creator just like He tells us...http://biblehub.com/1_timothy/1-17.htm I find it necessary to expound a bit further at this point; because of how many atheists who then respond to this but why GOD? I find it amazing that the spiritual deception that holds these persons in a state of seeming willful ignorance impairs their logic so severely that while attempting to acknowledge that the Universe did not bring itself into existence; they are then troubled in comprehension about the scientific laws just mentioned! the Law of Cause and Effect of which scientists like Newton further expounded aspects of that Law with such notions and phrases as "for every action there is an equal and opposite reaction".

<http://www.physicsclassroom.com/class/newtlaws/u2l4a.cfm>

In other words, scientifically speaking, an ETERNAL, INVISIBLE POWER, FORCE, ENERGY sufficient to bring the entire Universe; ALL it contains of visible and invisible reality; exists! The sheer MAGNITUDE of that AWESOME POWER is sufficient to refer to it as GOD! But to further elaborate by those same logical precepts; by implication; for intelligence to exist INTELLIGENCE must NECESSARILY ETERNALLY EXIST in that CREATIVE POWER; enough and GREATER INTELLIGENCE than ALL COMBINED INTELLIGENCE IN THE UNIVERSE! (to fail to acknowledge this is to deny artificial intelligence of computers and robots, genetic modification, etc. that mankind has brought into existence and filled with data and in some cases are beginning to impart to AI the ability to learn from it's surroundings; giving such smart computers and robots artificial perceptive abilities and means to store data it perceives in artificial memory banks.) In other words, rational minds are making no leaps of faith or belief at all in acknowledging that the Existence that brought the entire Universe into being by scientific laws MUST BE ETERNAL, INVISIBLE, AWESOMELY POWERFUL AND AWESOMELY INTELLIGENT! To refer to such entity as GOD is truly so simple and so obvious a child can understand it and the only reason every one doesn't is as Christ stated.

John 3:15-21

King James Version (KJV)

15 That whosoever believeth in him should not perish, but have eternal life.

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.

19 And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

20 For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved.

21 But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.

on <https://www.facebook.com/groups/185084261699925/permalink/286171711591179/> "Why are there no sound arguments for the existence of God? Adding a link, tired of repeating it: <http://www.iep.utm.edu/val-snd/>"

To which I aptly replied, "The only people claiming there are no sound arguments for the existence of God, are made by those who do not possess a sound mind." and then included the link:

<http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> But like most people who factually do not possess a sound mind, Mark, refused to look at that evidence; in order to maintain his deceitful and ludicrous proposition and completely false premise. (as he so stated in the above quote) So let's put this in terms Mark and anyone with eyes can see as fits the presumed formula for a sound argument.

The universe exists. (observably true)

The universe did not create itself. (also observably true; to think otherwise violates the Laws of KNOWLEDGE, epistemology as previous stated above)

Something therefore brought the universe into existence or it has always existed. (sound conclusion, valid and sound argument; by definition)

That something exists.

That something did not create itself.

Something therefore brought that something into existence or it has always existed.

You can regress infinitely in this manner or you can bring other observable facts to bear (more true premises).

If the universe always existed, without beginning or end, then we must throw away all the modern cosmology that states otherwise; all the laws of science that proves otherwise. Therefore, by observation, accumulated knowledge to date, the universe is NOT eternal.

<https://www.youtube.com/watch?v=8DXs3B9uEuI> (the universe had a beginning) SOMETHING caused that beginning. (something cannot come from nothing as it violates the Law of Non-contradiction and Causality)

So that something either had a cause or that something exists eternally (exists without cause, has always existed).

Do we have ANYTHING in ALL that has been observed to date that made a claim of eternal existence? The answer is a RESOUNDING YES! And the Being who made that claim is ALIVE and can answer personally ANYONE who doubts His existence. What can be more sound?

Suppose we all deny the existence of Mark Wittgruber; but Mark shows up and says HERE I AM. It would make our premise false and our conclusion false as well. Likewise, for all those claiming there are no sound arguments for the existence of GOD; GOD has stated plainly, I AM!
<http://biblehub.com/interlinear/john/8-58.htm> GOD daily declares Himself to all creation, in everything He has made, and even verbally by billions of souls who tell you plainly, we KNOW and have met and converse with GOD!

So then all that is left for a rational and logical mind; is to determine whether or not the CLAIM of GOD, that He exists eternally and that He is who He says He is: <https://www.facebook.com/notes/michael-swenson/god/719346771477618> is true or not. (Either Yahoshuah was lying or He was telling the Truth). Since HE IS ALIVE anyone can ask Him and find out! Those of us who have, met GOD ALMIGHTY personally and we testify of that Truth to the whole world. (2 billion plus souls telling all the rest of you that you can personally meet and communicate with God Almighty; that you and **anyone can KNOW the One True God, Eternal Creator; beyond all doubt!**) That Gospel Message (GOD-spoken GOOD NEWS) is broadcast worldwide 24/7. His Annunciation, Incarnation, Supernatural Deeds, and Claims of Divinity (Eternal GOD) and Promises to us all are published and translated worldwide!

When you believe something that has been proven false, that is evidence you have been deceived or are self-deluded. (mass brainwashing through public indoctrination and media is a fact, not only did the global powers research HOW to do so, they practice it on the general population all over the world! -

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=brainwashing%20through%20public%20education%20mass%20brainwashing%20by%20governments

The Law of Biogenesis - "Life only comes from Life" violates immediately anyone who claims the insanity of "the universe came from nothing" and "the first life form came from inorganic (non-living) matter".

Likewise laws exist because there is a lawgiver(s). (Observing natural laws governing the universe and then still claiming there is no Lawgiver violates not only the scientific principles already discussed but what we observe UBIQUITOUSLY!) Knowledge comes from knowledge! No computer ever assembled itself without engineers and many applied sciences (combined knowledge) AND all the knowledge stored in them was input by a programmer or AI teacher. (Someone assembled and then instructed the computer not only how to operate, but programmed/conveyed "knowledge" into the hard drives). So when you have a brain that can store terabytes of information and each cell in that brain has a programming language telling it how to operate (https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=dna%20is%20a%20programming%20language), you SEE plainly that you were

ENGINEERED/INTELLIGENTLY DESIGNED, like a highly complex computer, and furthermore what you consider "knowledge" was programmed into you through public indoctrination and media primarily, but also environmental, regional, cultural conditions you exist in. (Other people and sources of knowledge like books, multi-media, the rest of creation in general (GOD our Creator is in it all -

<http://biblehub.com/colossians/1-17.htm>) taught you everything you "know".) Knowledge comes from knowledge. Life comes from life. Existence comes from EXISTENCE.

<https://www.facebook.com/notes/michael-swenson/creation-v-evolution-please-use-your-intelligence-to-recognize-intelligence/566154943463469> It is what we plainly observe! It took a far greater and

more complex engineered system (our own minds; to put together a far less complex system - the modern computer and robotics; none of those advances appeared randomly all on their own!) When you or anyone willingly dismisses the laws of the sciences, everything we observe in the universe to maintain an insupportable belief or set of beliefs; that is WILLFUL IGNORANCE otherwise known as <https://www.facebook.com/notes/michael-swenson/stupidity/527894057289558>; but to REFUSE to face those facts or to violently defend the indefensible is evidence of factual

<https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>. To believe the nonsense of atheism and evolutionary theory one not only has to set aside the sciences, but all of

history, the most published and translated Book in the Whole world, documenting the Incarnation of our Creator, and How He Created all there is and came to save us from such hideous ignorance (like atheism) but from all manner of deceptions, delusions, and vices that bring inherently with them death and destruction! <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-1/633571873388442> They set aside God's Written Record and denigrate it without even reading it themselves: <https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493> or if they read it, willfully misinterpret its passages due to the present state of their dark souls and the lies, deceptions and delusions they presently idolize in order to go on sinning without repentance. <https://www.facebook.com/notes/michael-swenson/i-am-deeply-concerned-for-all-souls/511111612301136> They set aside the hundreds of millions who were tortured and died <http://www.homecomers.org/mirror/> to bring them the knowledge that GOD is, and WHO He is, and that He LOVED them enough to take the death (they are presently in, dead to Truth, because they wallow in sin and vices), and to save and deliver them not only from the just confinement for all evil doers in the hell to come; but from the present hell of not being sure of anything, the present hell of "might makes right" mentalities; to give them the Sure Foundation of the Eternal Power, Authority and Virtues of TRUTH. TRUTH that SAVES SOULS and SETS THEM FREE! <http://biblehub.com/john/14-6.htm> and <http://biblehub.com/john/8-36.htm> and they set aside (due to willful ignorance by not reading the Holy Bible all the thousands of prophecies coming to pass in front of their very eyes! - <https://www.facebook.com/notes/michael-swenson/end-times-verse-by-verse/625795230832773> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> But they even set aside the BILLIONS OF US telling them plainly they can KNOW GOD ALMIGHTY BEYOND ALL DOUBT! <http://biblehub.com/jeremiah/31-34.htm> Thus, atheism and the theory of evolution DEFIES what we all plainly observe ubiquitously in all the universe; not only in their foundational premises, but in virtually every step along the way to their most irrational conclusions!

<https://www.youtube.com/watch?v=GjvuwneORrE>

So as I replied, "the only people claiming there are no sound arguments for the existence of God, are made by those who don't possess a sound mind." This is a sound conclusion based on true and valid arguments as stated. (A sound mind can follow the sound arguments, an unsound one cannot.) - all according to prophecy: <http://biblehub.com/romans/1-28.htm>

The truth is the Eternal Creator, the ONE TRUE <https://www.facebook.com/notes/michael-swenson/god/719346771477618>, has made Himself known to His Creation so plainly that no one has an excuse.

<http://biblehub.com/romans/1-20.htm>

God's Wrath against Sin...¹⁹because that which is known about God is evident within them; for God made it evident to them.²⁰For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse. ²¹For even though they knew God, they did not honor Him as God or give thanks, but they became futile in their speculations, and their foolish heart was darkened....

A response to an atheist and a treatise on Faith... And I'm pointing out that to acknowledge the existence of our Creator takes NO FAITH; it is scientific proven fact! what takes Faith is to believe in irrational worldviews despite everything your senses perceive... like atheism. Our Faith in our Creator is not that He exists but that His Word is Truth; we can trust Him; despite the fact that anyone and everyone we have ever met or known has violated our trust in some form or fashion. It is a unique aspect of our Creator that He is Truth and does not lie; alone trustworthy in all the Universe; the reason that takes Faith is that the creatures He has made in His own image after His own likeness with their free will have chosen at some point in the journey of their incarnation to be deceptive in some form or fashion. So it takes Faith to believe that the Eternal Creator is Truth fundamentally. Our Creator understands therefore our skepticism and so provides ample evidence in all creation that He alone is trustworthy as in His Word the Holy Bible there are testable results throughout (methods given for rewards and consequences); some of which I have briefly addressed here:<http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>, here<https://www.facebook.com/notes/michael-swenson/observable-divine-judgments/732720553473573> and here: <http://www.facebook.com/notes/michael-swenson/prophecies-show-divine-inspiration-of-the-holy-bible/520171808061783>. It is also why we look to the declaration of the Incarnation of the Messiah, YAHOSHUAH, aka Jesus Christ who showed us the character of our Creator; who never lied; who only spoke Truth; who did no evil though great evil was done to Him; who having all Power and Authority; did not use it against even His enemies but only pled with them to repent and choose to do righteously; who could've prevented His death and suffering but embraced it for the Love of all of us fallen ones; and proving He was in fact the Resurrection and the Life raised his mortal flesh from the grave and transfigured it into an immortal glorious body and is ALIVE to this day and forevermore to

answer any and all who call upon Him and PROVE to them He is the embodiment of the Eternal Word, the Truth and Power that Created the Universe and all therein. **It takes Faith for a mortal creature to dare approach and call upon such Great Power; such Superior Intelligence; but it does not take faith to acknowledge His* existence. That only takes a rational mind.**

Try not to get upset with me for showing that atheism is an illogical and irrational worldview. Instead take a look at all the factual <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and current observable events linked to what is plainly declared in God's Written Record to mankind (the Holy Bible): <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> and <https://www.facebook.com/notes/michael-swenson/end-times-verse-by-verse/625795230832773> and realize all that information was intentionally suppressed in your public education; which is nothing more than mass <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>. You can find out who brainwashed you and why; left you thinking most irrationally; to bring you to a state of atheism by reading <https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079>.

Don't just glance at the notes, READ them, click the references! READ the citations/links! WATCH the documentaries! An entire lifetime of information that pertains to matters of life and death and even ever-lasting destinies is in them! When I say things like, "I wish atheists weren't so blind to their own insanity or so mentally challenged that they can't comprehend science has proven the existence of an Invisible Eternal Creator." I am intentionally provoking such persons to get angry enough to REALLY THINK HARD AND THOROUGHLY ABOUT what you "believe" as "knowledge". (because I went through public indoctrination also and once also proclaimed myself to be an "atheist", but I had events transpire in my life that shook all that I thought I knew to the core! -

<https://www.youtube.com/watch?v=AimvzvFnM0E>) My stern and strong attempts are given with the best and serious intention to save others from such hard lessons as I have endured.

Dear atheist,
Christians don't believe in a "sky-fairy", whatever that might be, and if you believe that is what theism entails it's no wonder you're an atheist. We just simply don't believe that human minds capable of rational thought and aesthetic and ethical judgement are simply random collocations of molecules existing in a Universe randomly thrown out into time and space going nowhere, meaning nothing, and slowly succumbing to entropic heat death.

[Joshua Allison](#) Great post. If anything science and faith are becoming one, if only people could get past the notion that any one way of thinking is correct. Everything has something to offer in my opinion. So very often we see things that call what we have learned from the Bible into question when we should see them as miracles and God's word expanded and as a human illumination on the beauty of God's love. We are expressly forbidden from tempting God to prove himself, but it seems to me the proof was here all along and we just hadn't reached the point where we could prove it to each other.

[Michael Swenson](#) if you are basing your beliefs on anyone or anything but the One True GOD, KNOWING GOD ALMIGHTY THE ETERNAL CREATOR PERSONALLY, then your beliefs are in vain opinions, subjective reasoning and will fail and fall over time. The Holy Bible exists to lead each and every soul to our Creator, if you read it and do not call upon the Risen Lord to reveal Himself to you, then you read it in vain, because you have failed to grasp its fundamental purpose. <https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493> and that is for each and every soul to be reconciled and commune with our Eternal Creator, Lord and Savior, Yahoshuah. <https://www.facebook.com/notes/michael-swenson/god-made-salvation-easy/737032859709009>

[Joshua Allison](#) I wrote this today while in the grips of a flu riddled delirium. I refuse to proof read it and was struggling to keep on the subject I intended. I apologize for any ideas that are hard to understand. But I know the idea in my minds eye was a good one so read if ya want:

I like the idea that God may have put everything in motion from the beginning knowing that life would either tend to celebrate life or tend to destroy it and sense then has been basically sitting inside everyone one seeing and feeling what they go, looking through each of us at himself in another form but with no desire to influence either way. He provided all the influence necessary by giving us freewill and knew we would find him in our hearts and try to bring him to life.

I believe if God is feeling and seeing what we all see simultaneously we can connect with him and draw strength from the gifts he provided in the beginning.

I think people are able to intuitively tap into God's desires through collective conscious and more often unbiased good judgment and even more often misconstruing others attempts to describe/define a creator. But within this idea I see so much truth (as long as you pick and choose) within all theology

(or religion or whatever you want to call it). But I see beauty in science, I see a truly mind bending pattern of design. Design with THIS moment here and now intentionally given to each of us for us to do the best we can with it. Having high hopes we each make a series of benign enough choices to continue on to the next moment. Now mind you when I say no desire influence I mean: parting waters, walking out of whales mouths but I do see a God willing enough to start something in motion eons ago, to then watch for thousands of years as his creation struggled to evolve enough to have any hope of love and joy being the dominating feelings coursing through the world because he wants to have a relationship with us, he will listen and will never judge because he is each of us and just wants to be loved for his creation. This is why my favorite part of Revelations is about the world being united in song. I don't envision a hands across America sing song of all humans but more a moment one day where instead of the pulsating commotion of pain and hate God feels looking through our eyes I see this moment when we are all singing our favorite song or dancing or something just as long as we do it like no one is watching just a moment where God hears a song. a song we created not for any other reason than we were glad to be given this gift of life. this gift of a relationship with the energy that created us that through hope and love God hedged his bets we would find our way, and love each other by letting others make mistakes and grow. so relationships could blossom and we could just let go of control.
