War isn't always bombs and tanks. Modern warfare is ongoing in the form of covert operations ("black ops"), espionage, infiltration, demoralization (brainwashing with evil ideologies by control of public education and media), and in many other ways touched on in <https://www.facebook.com/notes/michael-swenson/conspiracy-theories-or-plain-truth/662377083841254> and <https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079> - once they control national currencies, public media, education, police and militant powers; it is easy to instigate <https://www.facebook.com/notes/michael-swenson/false-flags-lies-deceptions-terrorist-attacks-to-engage-desired-public-respons/616178701794426>, inciting revolutions, bribing existing officials, etc. etc.

People need to understand that the "freedom of religion" DOES NOT sanction coercion or proselytization for inherently criminal behavior! (all members of such religions like satanism and islam can and should be arrested on the grounds that their literature proves conspiracy to commit one to NUMEROUS felony offenses) <https://www.facebook.com/notes/michael-swenson/original-intent-of-the-religious-clause-of-the-first-amendment/553723191373311> If we had sane, decent persons in power, all satanists would be properly under arrest! (and any "satanic" churches razed to the ground!) <https://www.facebook.com/notes/michael-swenson/satanism-fools-who-want-to-burn-forever-represent-a-threat-to-themselves-and-all/554580804620883> and <https://www.facebook.com/notes/michael-swenson/islam-is-evil-and-any-worldview-that-calls-for-genocides-and-extreme-violence-to/560337004045263> If decent Americans don't wake up to the fact that our nation; its foundation, is actively under attack, then America will crumble and fall into ruin and sooner or later violence, bloodshed, cities burning and in rubble heaps. We must stand up against such wickedness and perversion, such evil intent to demoralize/criminalize innocent children and destroy our nation!

<http://www.blastthetrumpet.org/PublicLetters/AAUUpdatedPublicAlertsMattersofLifeandDeath/THE%20PLANNED%20DEMORALIZATION%20OF%20AMERICA.pdf>

Infiltration occurs when enemies invade a nation on many levels politically, through education, media, and just presence; as they attempt to gain positions of influence to bring about their conspiratorial agendas. America's enemies have successfully infiltrated on MANY levels and are threatening not only the financial collapse of our nation, but widespread dissonance leading to massive bloodshed!

<https://www.youtube.com/watch?v=p6mYvFAC5As> - I hope Americans and the rest of the world would stop choosing to be self-destructive by attempting to defend islam/muslims in any way. ISLAM IS FUNDAMENTALLY EVIL! <https://www.facebook.com/notes/michael-swenson/islam-is-evil-part-3/698932663519029> As far as I'm concerned, muslims are either deceptively or openly politically subversive and in favor of human rights violations worldwide and as such can and SHOULD BE UNDER ARREST BY ALL THE REST OF HUMANITY! It is LONG overdue to be INTERNATIONALLY BANNED! For those thinking, I am prejudicial or bigoted, LOOK AT THE EVIDENCE! (and thereby stop presenting yourself as such an incredible ignoramus in defending the indefensible evil of islam!)

<http://www.jewsnews.co.il/2014/01/11/muslim-leader-says-they-are-above-law-of-land-in-america/> - anyone allowing muslims to immigrate into their nations are TRAITORS! They are KNOWINGLY allowing a subversive and evil worldview to infiltrate and destroy that nation as it exists to turn it into this kind of horror:

These are SO CLEARLY not the actions of a government planning for civility or peace at home. Not by a long shot. Why is that? I can rattle off one of
ten things that could cause the unrest, but its clear the D.H.S. is not hear to help us."

But we don't just have islamic infiltration, we have communists, satanists, and national foreign interests buying up media, ports, real estate,
businesses, and more! These foreign interests are taking over our nation and if the American people don't realize that it is a threat not just to their
freedoms, but to their lives, they will continue to destroy America as it was founded to be and bring our nation to utter ruin!

The communists realized our national Christian heritage built a strong work ethic of motivated godly persons and so planned demoralization became the cold war agenda. IT HAS BEEN SUCCESSFUL! READ THE ABOVE NOTE "THE PLANNED DEMORALIZATION OF AMERICA" and watch the documentaries to see how communists infiltrated our universities, our judges and lawyers, ACLU and such to PURPOSEFULLY ATTACK AND DESTROY AMERICA'S CHRISTIAN HERITAGE thereby creating the ignorance and apathy and wickedness that is destroying our nation pervasively.

Anyone can look at verse by verse examples and see America is becoming increasingly cursed as a result of the people in our nation becoming more wicked, corrupt, perverse, blasphemous, abominable and even openly satanic! <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> Every terrible thing occurring against us now is specifically listed in the curses (just read the note and look at the verse by verse evidence). THIS IS HOW THE IRAQ WAR HAPPENED

THE LIAR

I will lie about the weapons of mass destruction. War means the price of crude oil will spike from \$25 to \$100 making us very rich.

HALLIBURTON CEO

Halliburton will get the \$40 billion dollar contract (no bid required) and secretly deposit our huge commission checks in our foreign bank accounts.

SAUDI PRINCE BROMANCE

The King will support the war because if the price of crude oil goes up to \$100 he will be the richest man on earth. He will help get all the other Arabs on board.

THE IDIOT CHEERLEADER

I'm for war, any kind of war so I will endorse the war immediately on every TV show. I will overlook Bush & Cheney are profiting from the war.

THE MEDIA MANIPULATORS AND OWNERS OF FOX NEWS

Since Fox News is partially owned by the Saudi Prince and Saudi Arabia, Fox News will be the stage to endorse, promote and cheer the war for profit. We will replay every video that will create fear and scare Americans that if they don't go to war they will die. We co-own Fox News and our goal is to manipulate Muslims and Christians in the name of profit.

THE THIEVES

For as long as Cheney is the VP we will bill the United States billions and billions for shady expenses and nobody will ever do the accounting to see we are scamming the U.S. government. Cheney gave us a blank check.

Beware of Disinformation

Sound about right?

Anything missing from this version of events?

HITLER'S ENABLING ACT and the OBAMACARE ACT were both signed MARCH 23... NOW THE FINAL SOLUTION BEGINS!!!

Over the last few days I have seen a number of reports about Obama planning to bring in Foreigners with Ebola symptoms to get treated in the USA. So this is an alarming report, but I have held off to share it because it did not seem to be confirmed... it seemed like a far stretch, til now.

Then just now, as I was checking my news feed, I saw 2 ARTICLES within minutes of each other, confirming this report.

The first article came across THE DRUDGE REPORT... REPORT: Obama plans to bring non-citizens to USA for Ebola treatment...

This took me to this article, by FOX News:

Lawmaker claims plans may be in pipeline to bring non-citizens to US for Ebola treatment.

As soon as I started writing this, I rechecked this link, and the title has now been changed to...

Administration denies plan to bring non-citizens to US for Ebola treatment

But minutes later, I saw this report by Jan Markell's Olive Tree Ministries:

House Judiciary Chair: 'Increasing Evidence' Foreign Ebola Patients Coming to US

House Judiciary Committee chairman Rep. Bob Goodlatte (R-VA) reported there is "increasing evidence" that the Obama administration is planning to bring foreign Ebola patients into the US for treatment on Monday's "The Kelly File" on the Fox News Channel.

When asked about the prospect of the U.S. bringing in non-U.S. citizens with Ebola from abroad for treatment, Goodlatte responded, "Well, there's increasing evidence that they're making those plans, the media, members of the media, my office have received confidential communications saying that those plans are being developed and that's why I wrote to the administration last week to Secretary Kerry and to Secretary Johnson asking them to confirm or deny it and to produce any documents related to that. And that he had "received information from within the administration" indicating that plans were being made.

He added that his written requests for information "have not received any response from the administration...."

Breitbart also shared the following article under the same title. Both the Breitbart link and the Fox link have videos of this disturbing interview.

BORDER CRISIS CONNECTION TO THESE EBOLA PLANS?

Remember the Border Crisis that everyone has now forgotten about since ISIS and Ebola have taken front stage?

Back on July 7 I started documenting about the Border crisis, and how illegals were being shipped all over the country. Detention centers were being opened everywhere to house them. I can't remember how many there were when I started documenting, but when I was done I had listed 27 DETENTION CENTERS FOR ILLEGALS that had been opened because of the Border Crisis.

27 DETENTION CENTERS FOR ILLEGALS!!!

ALL NEWLY OPENED BECAUSE OF THE BORDER CRISIS!!!

Detention Facilities are already operating in all these locations, each city is a link to the articles documenting these facts.

"What does the Bible say about protecting and sheltering our children. I get criticized for sheltering my children. I feel its biblically wise to. Thoughts?? Thanks!" Josh Tiffany Destefano

The ungodly think we live in a monastic bubble, and their counsel to us is that we can't hide our children from the real world. However, the Bible tells us that we are "blessed" if we don't listen to what they say (see Psalm One).

The Scriptures tell us that we (including Christian children) are to be innocent to that which is evil. Romans 16:19: "... I would have you wise unto that which is good, and innocent concerning evil."

After meeting thousands of teens who have been home schooled (I've spoken at many home school conventions) I can say that they are educated, confident, well-adjusted, refreshingly polite, and have more knowledge of this world than the combined intellect of a dozen of the average teens who have been under-educated by the drug infested, bullying, potty-mouthed, sex-soaked secular education system of this godless world.

Michael Swenson slavery did NOT build America and all those so brainwashed they are denigrating our own heritage need to educate themselves! this nation in its short history abolished slavery that still continues among the satanic worldviews all over the world. native americans took sides in the war for independence from the then corrupt ruling powers. Christians through prayer, Divine Acts of Deliverance and bravery and courage broke free from the satanic families of their day in order to found a nation based on the Freedoms found in the Holy Bible. <https://www.facebook.com/notes/michael-swenson/americans-and-citizens-of-the-world-freedom-and-life-comes-from-god/748905988521696> and most today denigrating such miraculous event as the victory that founded the Bill of Rights the freedom to worship the One True God without persecution <https://www.youtube.com/watch?v=YaxGNQE5ZLA> have been listening to people who have infiltrated American universities INTENTIONALLY to destroy our nation by attacking its true history and foundational Christian Godly Heritage. <https://www.facebook.com/notes/michael-swenson/america-is-under-attack/699844766761152> and actually believing their <http://www.blastthetrumpet.org/.../THE%20PLANNED...> are attacking the precepts and persons that keep our nation Free from such evil oppression. <https://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948> and through such intentional evil attempt to destroy our foundations, are making progress at destroying our nation while people that should be grateful for our Christian heritage and freedoms instead join the bandwagon of ignorance that is leading to more suffering, less prosperity, more oppression and evil in our midst. <https://www.facebook.com/notes/michael-swenson/original-intent-of-the-religious-clause-of-the-first-amendment/553723191373311> our founders knew our freedom comes from knowing our Creator <https://www.facebook.com/notes/michael-swenson/some-quotes-and-thoughts-how-precious-is-freedom/519180841494213> and so it is something that enrages my soul to hear people regurgitate the utter lies and nonsense in attacking our heritage in their ignorance. slavery was practiced by very few in this nation until it was abolished altogether. <http://www.wallbuilders.com/libissues/articles.asp?id=122> and in the millenniums of human exist America abolished slavery rapidly whereas it is still in practice in various nations to this day. furthermore, the native americans that went to war against Americans and were defeated are often portrayed by enemies of our nation and heritage as innocent victims of genocides but history shows far different accounts. <http://www.historywiz.com/nativesrevolution.html> and http://en.wikipedia.org/wiki/American_Indian_Wars ask yourselves what would you do if fleeing for your own survival you risked death in oceanic travel only to land far away and suffer attacks at your landing sight while trying only to survive? would you just lay down and die? It is often depicted by those who attack American history as if the settlers showed up and just started slaughtering native americans but that is not the case at all. Not all settlers were well received and hostilities led to war; a war that native americans lost. So if you want to denigrate American heritage you go right ahead, but I tend to look at the fact that Divine miracles occurred in founding our great nation and say that if America wants to remain free, prosperous and a great nation the people who live in her borders have to stop allowing themselves to be manipulated into slandering and libeling the brave men and women who founded our nation and instead regain patriotic pride that is deserving of our

true history and Christian heritage. Christians need to stop allowing themselves to be bullied by such tactics as they try and remove <https://www.facebook.com/notes/michael-swenson/the-ten-commandments-part-1/733691096709852> and all other foundational precepts that made America great and instead stand up and speak out against these attacks on our history, on our nation, and on the brave souls that have bled and died over the centuries in the cause of her liberties and lives within her borders.

**MUSLIMS:
Attacking America
since 1801**

John Proteus

PATRIOTS READ AND SHARE REAL HISTORY:
A LITTLE HISTORY THE PROGRESSIVES AND ISLAMISTS WILL NOT TEACH YOU!!
Obama lies about the great relationship between Islam and America!!
READ UP AND SHARE!!

Here is a little history. Including how the term 'Leatherneck' came to be . . .

Most Americans are unaware of the fact that over two hundred years ago, the United States had declared war on Islam, and Thomas Jefferson led the charge!

At the height of the eighteenth century, Muslim pirates were the terror of the Mediterranean and a large area of the North Atlantic. They attacked every ship in sight, and held the crews for exorbitant ransoms. Those taken hostage were subjected to barbaric treatment and wrote heart breaking letters home, begging their government and family members to pay whatever their Mohammedan captors demanded.

These extortionists of the high seas represented the Islamic nations of Tripoli, Tunis, Morocco, and Algiers – collectively referred to as the Barbary Coast – and presented a dangerous and unprovoked threat to the new American Republic.

Before the Revolutionary War, U.S. merchant ships had been under the protection of Great Britain. When the U.S. declared its independence and entered into war, the ships of the United States were protected by France. However, once the war was won, America had to protect its own fleets. Thus, the birth of the U.S. Navy.

Beginning in 1784, seventeen years before he would become president, Thomas Jefferson became America's Minister to France. That same year, the U.S. Congress sought to appease its Muslim adversaries by following in the footsteps of European nations who paid bribes to the Barbary States, rather than engaging them in war.

In July of 1785, Algerian pirates captured American ships, and the Dey of Algiers demanded an unheard-of ransom of \$60,000. It was a plain and simple case of extortion, and Thomas Jefferson was vehemently opposed to any further payments. Instead, he proposed to Congress the formation of a coalition of allied nations who together could force the Islamic states into peace. A disinterested Congress decided to pay the ransom.

In 1786, Thomas Jefferson and John Adams met with Tripoli's ambassador to Great Britain to ask by what right his nation attacked American ships and enslaved American citizens, and why Muslims held so much hostility towards America, a nation with which they had no previous contacts.

The two future presidents reported that Ambassador Sidi Haji Abdul Rahman Adja had answered that Islam "was founded on the Laws of their Prophet, that it was written in their Quran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as Prisoners, and that every Musselman (Muslim) who should be slain in Battle was sure to go to Paradise."

Despite of this stunning admission of premeditated violence on non-Muslim nations, as well as the objections of many notable American leaders, including George Washington, who warned that caving in was both wrong and would only further embolden the enemy, for the following fifteen years, the American government paid the Muslims millions of dollars for the safe passage of American ships or the return of American hostages. The payments in ransom and tribute amounted to over twenty percent of the United States government annual revenues in 1800.

Jefferson was disgusted. Shortly after his being sworn in as the third President of the United States in 1801, the Pasha of Tripoli sent him a note demanding the immediate payment of \$225,000 plus \$25,000 a year for every year forthcoming. That changed everything.

Jefferson let the Pasha know, in no uncertain terms, what he could do with his demand. The Pasha responded by cutting down the flagpole at the American consulate and declared war on the United States. Tunis, Morocco, and Algiers immediately followed suit. Jefferson, until now, had been against America raising a naval force for anything beyond coastal defense, but having watched his nation be cowed by Islamic tuggery for long enough, decided that it was finally time to meet force with force.

He dispatched a squadron of frigates to the Mediterranean and taught the Muslim nations of the Barbary Coast a lesson he hoped they would never forget. Congress authorized Jefferson to empower U.S. ships to seize all vessels and goods of the Pasha of Tripoli and to "cause to be done all other acts of precaution or hostility as the state of war would justify".

When Algiers and Tunis, who were both accustomed to American cowardice and acquiescence, saw the newly independent United States had both the will and the might' to strike back, they quickly abandoned their allegiance to Tripoli. The war with Tripoli lasted for four more years, and raged up again in 1815. The bravery of the U.S. Marine Corps in these wars led to the line "to the shores of Tripoli" in the Marine Hymn. They would forever be known as "leathernecks" for the leather collars of their uniforms, designed to prevent their heads from being cut off by the Muslim scimitars when boarding enemy ships.

Islam, and what its Barbary followers justified doing in the name of their prophet and their god, disturbed Jefferson quite deeply. America had a tradition of religious tolerance, the fact that Jefferson, himself, had co-authored the Virginia Statute for Religious Freedom, but fundamentalist Islam was like no other religion the world had ever seen. A religion based on supremacism, whose holy book not only condoned but mandated violence against unbelievers was unacceptable to him. His greatest fear was that someday this brand of Islam would return and pose an even greater threat to the United States.

This should bother every American. That the Islam's have brought about women-only classes and swimming times at taxpayer-funded universities and public pools; that Christians, Jews, and Hindus have been banned from serving on juries where Muslim defendants are being judged, Piggy banks and Porky Pig tissue dispensers have been banned from workplaces because they offend Islamist sensibilities. Ice cream has been discontinued at certain Burger King locations because the picture on the wrapper looks similar to the Arabic script for Allah, public schools are pulling pork from their menus, on and on in the news papers....

It's death by a thousand cuts, or inch-by-inch as some refer to it, and most Americans have no idea that this battle is being waged every day across America. By not fighting back, by allowing groups to obfuscate what is really happening, and not insisting that the Islamists adapt to our own culture, the United States is cutting its own throat with a politically correct knife, and helping to further the Islamist agenda. Sadly, it appears that today's America would rather be politically correct than victorious.

Any doubts, just Google Thomas Jefferson vs the Muslim World

MORE INFO:

The First American Military Warriors Who Fought Against Islamic Terrorists From 1801-1805

"From the Halls of Montezuma, to the shores of Tripoli, we fight our country's battles, in the air, on land, and sea." - Official Hymn of the U.S. Marine Corps. Have you ever wondered what is Tripoli doing in our Marines' official hymn? On this memorial day, let us remember those who gave their lives that we might be free from muslim terror!

Ambassador Thomas Jefferson had a wake up call the day he met with muslim leaders. Thomas Jefferson asked why are muslims attacking American ships when we are doing nothing to incite any form of violence. To his shock, he recorded the following words spoken by the muslim ambassador Abd Al-Rahman: "it was written in the Qur'an, that all Nations who should not have acknowledged the authority of mohammad were sinners, that it was the right and duty of every muslim to make war upon nonmuslims they could find and to make Slaves of all they could take as prisoners, and that every Muslim who should be slain in battle was believed to go to Paradise."

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

To the surprise of many in our modern liberal and libertarian false worlds, our nation formed its first national Navy and united beyond individual States to a national force, due to muslim terrorist attacks at the foundational years of our nation. The founders of our nation believed that we needed to be united against the threat of islamic terrorism or we would fall as divided States. Muslims were terrorizing Americans by forcefully boarding American ships and beheading our men and enslaving our women and children. Americans were being sold in the open muslim market.

When they offered America an option to pay a nonmuslim tax of up to 1 million dollars per year so they would "allow" us to sail without their attacks on our ships, sadly, John Adams agreed to pay the bribe according to the European model of that day. At one point, up to 20% of our national budget was dedicated to paying off muslim terrorists. Thomas Jefferson argued that the more you pay a terrorist, the more he'll demand. When he became President, he called on our brave Marines and Navy to go overseas and kick the butt of those muslim terrorists who were ruthlessly attacking our American citizens. (Jefferson used the common colloquialism of his day for this.)

Muslims made the grave mistake of believing that a small nation just formed would not have the power to fight the muslim powers overseas. By the Grace of God, The LORD granted our Marines and Navy great victories and the muslim powers were forced to return several hundred American women children and men. Unfortunately, our first treaty sadly stipulated that America would agree to pay \$60,000.00 for these "slaves". President Jefferson tried to call it "tribute" instead of "ransom", but rightly, William Eaton remained strongly opposed to the State Department diplomat Tobias Lear on this important matter. By 1807, Muslims began to attack American ships once again and terrorize our citizens abroad. In 1815, Commodores William Bainbridge and Stephen Decatur led our military victories to force muslims to sign ending all "nonmuslim" tax payments by the United States to faithful muslims and that finally put a stop to the muslim attacks on our citizens for a long time.

However, Thomas Jefferson knew the danger of islam was not over. He secured the great Naval Hero rear Admiral John Paul Jones to try to fight off the muslims in Constantinople and return Constantinople to the Christians who had been attacked by muslim ottoman forces and overtaken after several hundred years of failed attempts by previous muslim rulers to attack the peaceful Christians
Many of our brave men and women have sacrificed their lives fighting off muslim terrorists.

Remember this battle did not begin by us, but it started in the last 1700s against our nation. Prior to that it had started in the beginning of islam by mohammad the false prophet of islam. It has continued for over 1388 years.

I sincerely hope that our generation be the final generation that allow the terror of islam to be passed on to the next generation!

TIME TO PICK THE FIGHT.. NOT WAIT FOR THEM TO WAGE IT!!

THE TRUTH ABOUT THE CRUSADES

ISLAM IS NOT A RELIGION OF PEACE

The First Crusade began in 1095
 460 years after the first Christian city was overrun by Muslim armies.
 457 years after Jerusalem was conquered by Muslim armies.
 453 years after Egypt was taken by Muslim armies.
 443 after Muslims first plundered Italy.
 427 years after Muslim armies first laid siege to the Christian capital of Constantinople.
 380 years after Spain was conquered by Muslim armies.
 363 years after France was first attacked by Muslim armies.
 249 years after the capital of the Christian world, Rome itself, was sacked by a Muslim army, and only after centuries of church burnings, killings, enslavement and forced conversions of Christians.
 By the time the Crusades finally began, Muslim armies had conquered two-thirds of the Christian world.
 So much for being the victim

Michelle Obama received golden earrings, a necklace and a ring all valued at over \$70,000 according to the State Department.

These gifts came from the queen of Brunei in 2013.

Brunei is an oil-rich sovereign state located on the north coast of the island of Borneo in Southeast Asia.

For years, Hassanal Bolkiah, the head of Brunei, has forced Islamic Sharia law in the country and stoned all those against his dominion.

In a time where the Obama administration continues to mock our allies in Israel, it seems to be a bit of a slight to maintain such relationship with Islamic radical leaders.

Michael Swenson the lies of obama and muslims are so nauseating and ridiculous that he should have been declared unfit for office even after his illegal infiltration into it. from a fb post reflecting his absurd claim:

"Muslims My Ass...

I want to shake the guy's hand that wrote this...

Have you ever seen a Muslim hospital?

Have you heard a Muslim orchestra?

Have you seen a Muslim band march in a parade?

Have you witnessed a Muslim charity?

Have you shaken hands with a Muslim Girl Scout?

Have you seen a Muslim Candy Striper?

The answer is no, you have not. Just ask yourself WHY ???

Barack Obama, during his Cairo speech, said: "I know, too, that Islam has always been a part of America 's history."

AN AMERICAN CITIZEN'S RESPONSE

Dear Mr. Obama:

Were those Muslims that were in America when the Pilgrims first landed? Funny, I thought they were Native American Indians.

Were those Muslims that celebrated the first Thanksgiving day? Sorry again, those were Pilgrims and Native American Indians.

Can you show me one Muslim signature on the: United States Constitution?

Declaration of Independence ?

Bill of Rights?

Didn't think so.

Did Muslims fight for this country's freedom from England ? No.

Did Muslims fight during the Civil War to free the slaves in America ? No, they did not.

In fact, Muslims to this day are still the largest traffickers in human slavery. Your own half-brother, a devout Muslim, still advocates slavery himself, even though Muslims of Arabic descent refer to black Muslims as "pug nosed slaves." Says a lot of what the Muslim world really thinks of your family's "rich Islamic heritage," doesn't it Mr. Obama?

Where were Muslims during the Civil Rights era of this country?

Not present.

There are no pictures or media accounts of Muslims walking side by side with Martin Luther King, Jr. or helping to advance the cause of Civil Rights.

Where were Muslims during this country's Woman's Suffrage era?

Again, not present. In fact, devout Muslims demand that women are subservient to men in the Islamic culture. So much so, that often they are beaten for not wearing the 'hajib' or for talking to a man who is not a direct family member or their husband. Yep, the Muslims are all for women's rights, aren't they?

Where were Muslims during World War II?

They were aligned with Adolf Hitler. The Muslim grand mufti himself met with Adolf Hitler, reviewed the troops and accepted support from the Nazi's in killing Jews.

Finally, Mr. Obama, where were Muslims on Sept. 11th, 2001?

If they weren't flying planes into the World Trade Center , the Pentagon or a field in Pennsylvania killing nearly 3,000 people on our own soil, they were rejoicing in the Middle East . No one can dispute the pictures shown from all parts of the Muslim world celebrating on CNN, Fox News, MSNBC and other cable news network's that day. Strangely, the very "moderate" Muslims who's asses you bent over backwards to kiss in Cairo , Egypt on June 4th were stone cold silent post 9-11. To many Americans, their silence has meant approval for the acts of that day.

And THAT, Mr. Obama, is the "rich heritage" Muslims have here in America

Oh, I'm sorry, I forgot to mention the Barbary Pirates. They were Muslims.

And now we can add November 5, 2009 - the slaughter of American soldiers at Fort Hood by a Muslim major who is a doctor and a psychiatrist who was supposed to be counseling soldiers returning from battle in Iraq and Afghanistan .

Also, don't forget the Boston Marathon bombing on April 15,2013 was done by 2 Muslim Brothers. That, Mr. Obama is the "Muslim heritage" in America

EVERY AMERICAN AND CANADIAN MUST READ THIS !!

Be sure to SEND IT TO ALL.

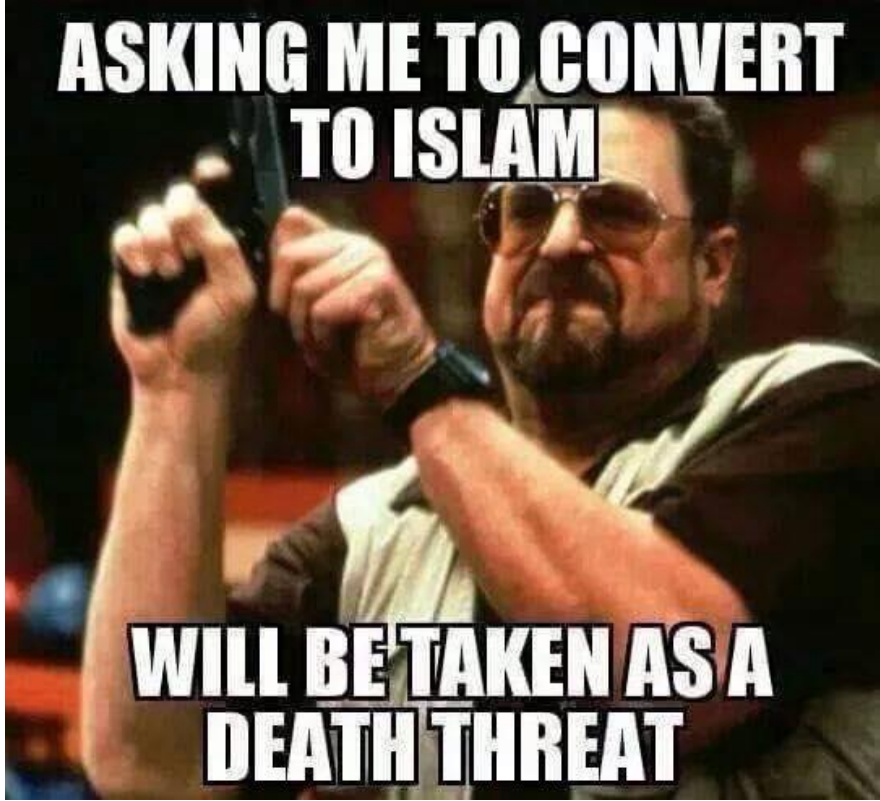

Muslim Heritage, my ass.

And if you don't share this message,you are part of the problem!"

Michael Swenson per हिन्दुस्तान आन्दोलन "The problem is Saudis treat Black Africans very badly so badly that they are considered 3 degrees below a slave. They call them HABSHTIS - derived from Abasynnians and in literally every third saudi home they have a black woman or man used as a slave without any salary or life and this is not new but going on since 13 centuries and yet they are fooling Black Africa for past 13 centuries, sold them as slaves and still control most west africa hinterland with slave masters. 99% of Afro Americans ancestors were sold by ARAB traders who treated them like cattle. YET some Black Americans have been sold the idea of Islam. A few generations ago Saudis literally bought a wrestler and converted him into Islam which propagated Islam in Americas. African origin people need to be told that islam will not change their destiny but push them to slavery. "

Walter Mark Whiteman Awaken the public!!! its time for Obama To be exposed

So much stuff about Barack Obama becomes staggering to contemplate. How can a man with so many questions about him become the leader of the free world? I have felt many times things I learned just could not be true. But the truth gets worse the more I learn of BHO. To be sure there have been a lot of spurious things about him. One of those had to do with Jean Paul Ludwig and a social security number, which was a hoax email

-BUT-

042-68-4425 is Barack Obama's SSN. It was revealed on his 2010 tax return. It is a number issued from Connecticut while Obama was living in Hawaii. The social security administration has never recycled an SSN. What has been verified is Barack H. Obama, President of the United States of America, is unable to pass E-verify. The result: POTUS does not qualify to hold a job in the United States. Obama does not qualify to flip burgers!
<http://www.dcclothesline.com/.../homeland-security-bombshell.../>

Linda Jordan is the woman that actually ran the number through E-verify. Hear her story here: <https://www.youtube.com/watch?v=aoHpg602-MA>
https://www.youtube.com/watch?v=pMNzupPe_Fo

The SSN has also been tagged with a person named Harrison J. Bounel. Discrepancies show up in database searches done by several private investigators. Some would say the discrepancy is just a mistake in a database, but it was not just one search, several were done by different people. At least three investigators found discrepancies Albert Hendershot, Susan Daniels, and Neil Sankey (you can Google them as well). <http://www.wnd.com/2011/08/336889/> "Barack Hussein Obama and Harrison J. Bounel"

To be fair to Obama, he has never used this SSN posing as anybody other than Barack Hussein Obama. There is no known record of his using the name Harrison J. Bounel for himself.

-BUT-

Barack Hussein Obama, President of the United States of America could not pass E-verify.

Our president does not legally qualify to flip burgers or be a janitor in the White House, he would not pass a security clearance. Do you think for one second the national leaders of nations around the globe do not know this? What does this tell them about the apathy OR gullibility of the American public?

Is it any wonder people say our allies do not trust us, and our enemies do not fear us?

Michael Swenson <http://sonsoflibertymedia.com/2015/01/gay-marriage-evil/>... when any nation becomes so perverse that it demands the right to have sex with anyone or anything, that nation is on the brink of total annihilation. such perverse departure from our Creator and His Instructions to Live By come with dire warnings. People say who they have sex with affects no one else but that is delusional. Already some are in jail over the insanity, some have lost businesses and livelihoods thereby. and all to coddle the most perverse and vile among us. when criminals rule, the righteous suffer. it is time Christians stopped shirking their duties and put the foot down on demonic insanity in their midst. it is time we returned to God and the laws that founded our nation. It is time the righteous realized their liberties are only maintained by standing up forcefully for them. (the wicked who belong in jail are changing laws to favor their perversions at the suffering of the righteous).

I am a Iranian by birth and of my Islamic faith. I am also an American Citizen and I seek to help change America to be a more Islamic country. My faith guides me and I feel like it is going well in the transition of using freedom of religion in America against itself.

John Proteus

PATRIOTS READ AND SHARE REAL HISTORY:
A LITTLE HISTORY THE PROGRESSIVES AND ISLAMISTS WILL NOT TEACH YOU!!
Obama lies about the great relationship between Islam and America!!
READ UP AND SHARE!!

Here is a little history. Including how the term 'Leatherneck' came to be . . .

Most Americans are unaware of the fact that over two hundred years ago, the United States had declared war on Islam, and Thomas Jefferson led the charge!

At the height of the eighteenth century, Muslim pirates were the terror of the Mediterranean and a large area of the North Atlantic. They attacked every ship in sight, and held the crews for exorbitant ransoms. Those taken hostage were subjected to barbaric treatment and wrote heart breaking letters home, begging their government and family members to pay whatever their Mohammedan captors demanded.

These extortionists of the high seas represented the Islamic nations of Tripoli, Tunis, Morocco, and Algiers – collectively referred to as the Barbary Coast – and presented a dangerous and unprovoked threat to the new American Republic.

Before the Revolutionary War, U.S. merchant ships had been under the protection of Great Britain. When the U.S. declared its independence and entered into war, the ships of the United States were protected by France. However, once the war was won, America had to protect its own fleets. Thus, the birth of the U.S. Navy.

Beginning in 1784, seventeen years before he would become president, Thomas Jefferson became America's Minister to France. That same year, the U.S. Congress sought to appease its Muslim adversaries by following in the footsteps of European nations who paid bribes to the Barbary States, rather than engaging them in war.

In July of 1785, Algerian pirates captured American ships, and the Dey of Algiers demanded an unheard-of ransom of \$60,000. It was a plain and simple case of extortion, and Thomas Jefferson was vehemently opposed to any further payments. Instead, he proposed to Congress the formation of a coalition of allied nations who together could force the Islamic states into peace. A disinterested Congress decided to pay the ransom.

In 1786, Thomas Jefferson and John Adams met with Tripoli's ambassador to Great Britain to ask by what right his nation attacked American ships and enslaved American citizens, and why Muslims held so much hostility towards America, a nation with which they had no previous contacts.

The two future presidents reported that Ambassador Sidi Haji Abdul Rahman Adja had answered that Islam "was founded on the Laws of their Prophet, that it was written in their Quran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as Prisoners, and that every Musselman (Muslim) who should be slain in Battle was sure to go to Paradise."

Despite of this stunning admission of premeditated violence on non-Muslim nations, as well as the objections of many notable American leaders, including George Washington, who warned that caving in was both wrong and would only further embolden the enemy, for the following fifteen years, the American government paid the Muslims millions of dollars for the safe passage of American ships or the return of American hostages. The payments in ransom and tribute amounted to over twenty percent of the United States government annual revenues in 1800.

Jefferson was disgusted. Shortly after his being sworn in as the third President of the United States in 1801, the Pasha of Tripoli sent him a note demanding the immediate payment of \$225,000 plus \$25,000 a year for every year forthcoming. That changed everything.

Jefferson let the Pasha know, in no uncertain terms, what he could do with his demand. The Pasha responded by cutting down the flagpole at the American consulate and declared war on the United States. Tunis, Morocco, and Algiers immediately followed suit. Jefferson, until now, had been against America raising a naval force for anything beyond coastal defense, but having watched his nation be cowed by Islamic thuggery for long enough, decided that it was finally time to meet force with force.

He dispatched a squadron of frigates to the Mediterranean and taught the Muslim nations of the Barbary Coast a lesson he hoped they would never forget. Congress authorized Jefferson to empower U.S. ships to seize all vessels and goods of the Pasha of Tripoli and to "cause to be done all other acts of precaution or hostility as the state of war would justify".

When Algiers and Tunis, who were both accustomed to American cowardice and acquiescence, saw the newly independent United States had both the will and the might' to strike back, they quickly abandoned their allegiance to Tripoli. The war with Tripoli lasted for four more years, and raged up again in 1815. The bravery of the U.S. Marine Corps in these wars led to the line "to the shores of Tripoli" in the Marine Hymn. They would forever be known as "leathernecks" for the leather collars of their uniforms, designed to prevent their heads from being cut off by the Muslim scimitars when boarding enemy ships.

Islam, and what its Barbary followers justified doing in the name of their prophet and their god, disturbed Jefferson quite deeply. America had a tradition of religious tolerance, the fact that Jefferson, himself, had co-authored the Virginia Statute for Religious Freedom, but fundamentalist Islam was like no other religion the world had ever seen. A religion based on supremacism, whose holy book not only condoned but mandated violence against unbelievers was unacceptable to him. His greatest fear was that someday this brand of Islam would return and pose an even greater threat to the United States.

This should bother every American. That the Islam's have brought about women-only classes and swimming times at taxpayer-funded universities and public pools; that Christians, Jews, and Hindus have been banned from serving on juries where Muslim defendants are being judged, Piggy banks and Porky Pig tissue dispensers have been banned from workplaces because they offend Islamist sensibilities. Ice cream has been discontinued at certain Burger King locations because the picture on the wrapper looks similar to the Arabic script for Allah, public schools are pulling pork from their menus, on and on in the news papers....

It's death by a thousand cuts, or inch-by-inch as some refer to it, and most Americans have no idea that this battle is being waged every day across America. By not fighting back, by allowing groups to obfuscate what is really happening, and not insisting that the Islamists adapt to our own culture, the United States is cutting its own throat with a politically correct knife, and helping to further the Islamist agenda. Sadly, it appears that today's America would rather be politically correct than victorious.

Any doubts, just Google Thomas Jefferson vs the Muslim World

The First American Military Warriors Who Fought Against Islamic Terrorists From 1801-1805

"From the Halls of Montezuma, to the shores of Tripoli, we fight our country's battles, in the air, on land, and sea."- Official Hymn of the U.S. Marine Corps. Have you ever wondered what is Tripoli doing in our Marines' official hymn? On this memorial day, let us remember those who gave their lives that we might be free from muslim terror!

Ambassador Thomas Jefferson had a wake up call the day he met with muslim leaders. Thomas Jefferson asked why are muslims attacking American ships when we are doing nothing to incite any form of violence. To his shock, he recorded the following words spoken by the muslim ambassador Abd Al-Rahman: "it was written in the Qur'an, that all Nations who should not have acknowledged the authority of mohammad were sinners, that it was the right and duty of every muslim to make war upon nonmuslims they could find and to make Slaves of all they could take as prisoners, and that every Muslim who should be slain in battle was believed to go to Paradise."

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

To the surprise of many in our modern liberal and libertarian false worlds, our nation formed its first national Navy and united beyond individual States to a national force, due to muslim terrorist attacks at the foundational years of our nation. The founders of our nation believed that we needed to be united against the threat of islamic terrorism or we would fall as divided States. Muslims were terrorizing Americans by forcefully boarding American ships and beheading our men and enslaving our women and children. Americans were being sold in the open muslim market.

When they offered America an option to pay a nonmuslim tax of up to 1 million dollars per year so they would "allow" us to sail without their attacks on our ships, sadly, John Adams agreed to pay the bribe according to the European model of that day. At one point, up to 20% of our national budget was dedicated to paying off muslim terrorists. Thomas Jefferson argued that the more you pay a terrorist, the more he'll demand. When he became President, he called on our brave Marines and Navy to go overseas and kick the butt of those muslim terrorists who were ruthlessly attacking our American citizens. {Jefferson used the common colloquialism of his day for this.}

Muslims made the grave mistake of believing that a small nation just formed would not have the power to fight the muslim powers overseas. By the Grace of God, The LORD granted our Marines and Navy great victories and the muslim powers were forced to return several hundred American women children and men. Unfortunately, our first treaty sadly stipulated that America would agree to pay \$60,000.00 for these "slaves". President Jefferson tried to call it "tribute" instead of "ransom", but rightly, William Eaton remained strongly opposed to the State Department diplomat Tobias Lear on this important matter. By 1807, Muslims began to attack American ships once again and terrorize our citizens abroad. In 1815, Commodores William Bainbridge and Stephen Decatur led our military victories to force muslims to sign ending all "nonmuslim" tax payments by the United States to faithful muslims and that finally put a stop to the muslim attacks on our citizens for a long time.

However, Thomas Jefferson knew the danger of islam was not over. He secured the great Naval Hero rear Admiral John Paul Jones to try to fight off the muslims in Constantinople and return Constantinople to the Christians who had been attacked by muslim ottoman forces and overtaken after several hundred years of failed attempts by previous muslim rulers to attack the peaceful Christians
Many of our brave men and women have sacrificed their lives fighting off muslim terrorists.

Remember this battle did not begin by us, but it started in the last 1700s against our nation. Prior to that it had started in the beginning of islam by mohammad the false prophet of islam. It has continued for over 1388 years.

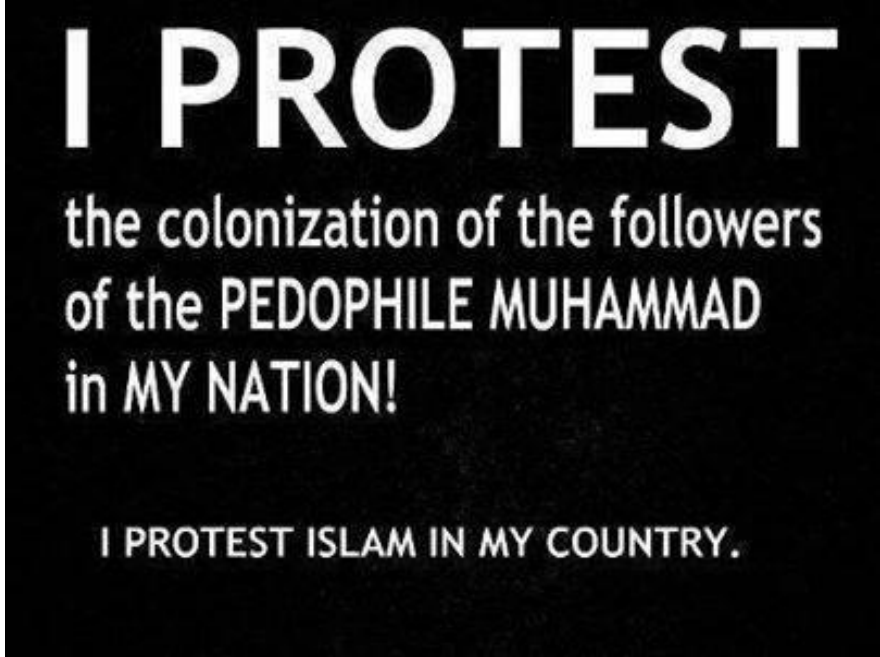

I sincerely hope that our generation be the final generation that allow the terror of islam to be passed on to the next generation!

TIME TO PICK THE FIGHT.. NOT WAIT FOR THEM TO WAGE IT!!

American Lives Matter! Death to Islam!

Roger Mowery THE VOICE OF THE AMERICAN INFIDELS.

I'd really like to know why I have to hate or like Muslims? It wasn't long ago I never gave them a thought. Live and let live. Accept the cultural differences and enjoy the best of both worlds.

But now, I have to worry about every frikin' one of them. I have to spend time wondering about the guy in the Ali Baba clothes at Home Town Buffet or the Garbage Bagged Ghost in the Grocery store.

Is "this" the way I am supposed to live the rest of my life in my own free country, because of Muslims and some radical barbaric religion?

I think not.

I am quite sure I will revolt and start exercising my right to defend my country from these people and let me tell you why.

Because they are "terrorists".

Every stinking one of them that runs around flaunting their religion in my face. Knowing it is against our laws and morals to cull them as we should. They take pride in instilling fear in the innocent.

I find them to be invaders, insurgents, trying to overthrow our government and oppress our people.

This is what Muslims are; this is what Islam brings.

The true definition of a Terrorist is:

ter-ror-ist

'terərəst/

noun

"a person who uses terrorism in the pursuit of political aims".

and the true definition of Terrorism is:

ter-ror-ism

'terə,rizəm/Submit

noun

"the use of violence and intimidation in the pursuit of political aims".

Now I would have no difficulty exemplifying how CAIR is trying to bring Shariah Law into the United States and place it as the only legal governance and Islam as the only political body.

So once again I ask, Why do I have to hate or like Muslims? The answer is, I don't have to hate them. I want to. I have no interest in liking Muslims. I see everyday what Islam brings to the world. And anyone that tries to convince me that not all Muslims are bad are nothing more than ignorant traitors to our country. They have fallen to the lies of Islam and can not separate the facts that Islam is Islam, there are no factions.

No, I'm done holding my tongue for the sake of offending. I'm through making believe it doesn't bother me that Muslims are doing whatever they want and blaming me for their misery.

I'm tired of paying for their Non-Assimilation into the American culture!

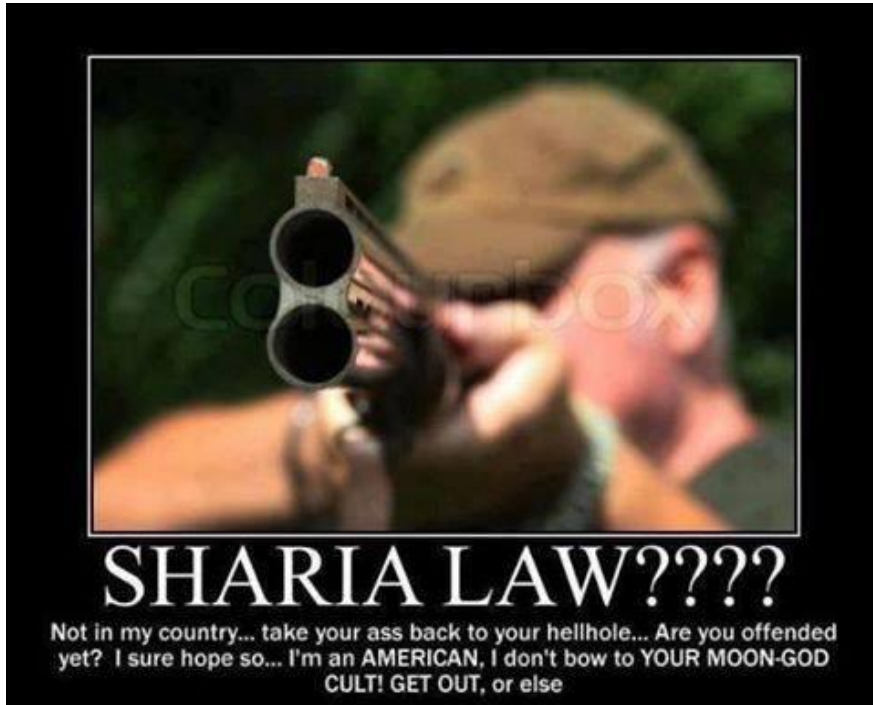

I'm tired of Muslims getting away with Murder of Americans!

And I'm really tired of our elected politicians pretending there is a disease that is spreading throughout our country named Islam.

islam - bringing hell to earth!

delusionary and/or deceitful muslims like to CLAIM all the islamic terrorists attacks and islamic atrocities and human rights violations are not representative of isalm BUT: 1) muhammad did such atrocities 2) his followers did such atrocities 3) 1400 years of such atrocities all done by muslims 4) quran, suras, hadiths teach such atrocities 5) muslims are taught to lie to non-muslims 6) muslims are taught to murder non-muslims 7) the leader of islam taught and did such evil, the followers of islam throughout history to this very day also teach and do such evil THEREFORE:
conclusion! from the foundation of islam to this day it is clearly provably evil and satanic.<https://www.facebook.com/notes/michael-swenson/islam-provably-satanic/747974835281478>
