- **Bradley Stephens and Adelia Kimsey like this.**

Adelia Kimsey Steve Whitman - here's another one - hope everything possible about this woman & Planned Parenthood gets shared a billion times!

Steve Whitman I have seen this before. Her wicked ways are multiple. Untold numbers of innocent children have died under her 'experiment'... May God have mercy on her...

Adelia Kimsey Oh my gosh! Have to read more later when I have time. What a monster!!!!

Scott Graham I take it that none of y'all practice safe sex or any kind of birth control. If y'all do or have than get in line to be stoned. This women helped save more lives than the babies that were aborted. Planned Parenthood is a lot more than a place to kill babies. It serves to educate women not to get to the point of having to make a decision whether or not to have an abortion. What a lot of folks don't understand is that abortions will never go away. They have been used as a way of not having a baby since the beginning of time. The only thing Ms. Sanger did was to start a program to help women learn about sex education and get abortions out of the so call 'alleys' and into a place that if it was to happen she might not die as a result of the abortion. Whether we agree or not on abortions, it makes more since to save at least one life then it does to end two.

Adelia Kimsey Scott Graham - I do not believe her choices saved more lives than her actions took. I still maintain that she is a monster of a human being.

Scott Graham Following your belief. You had a mother and child, before Ms. Sanger, finding unsafe abortion were a significant cause of maternal mortality and morbidity in the world. Most unsafe abortions occur where abortion is illegal, or in developing countries where affordable well-trained medical practitioners are not readily available, or where modern contraceptives are unavailable. About one in eight pregnancy-related deaths worldwide is associated with unsafe abortion. Like I said, instead of losing 2 lives, we lose one. That's 50% more lives are saved because of Ms. Sanger. That's just counting the ones that were not educated in birth control and choose to abort.

Adelia Kimsey There have been 43 MILLION Lives lost since abortion was made legal. "I" attribute over half (& that's being nice) to Planned Parenthood. Unacceptable. If you had spoken with many women post-abortion that have so many regrets & unforgiveness towards themselves as I have then maybe you could see them as the victims they really are. And, fyi - the God I serve forgives abortion. I pray for the day Planned Parenthood is shut down for good!

Scott Graham While you pray for Planned Parenthood to be shutdown, please pray for women to find a place to get: Pap Smears: Can't afford a cervical cancer screening? Planned Parenthood has your back. Pregnancy Testing and Services: The organization helps women who are pregnant or are thinking about becoming pregnant get prenatal care. Diabetes Screening: Depending on location, you can get general health care services like diabetes screening, flu vaccines, or anemia testing at Planned Parenthood. Breast Cancer Screening: The organization provides valuable breast exams and helps women find services they might need. STD Testing, Treatment, and Prevention: Planned Parenthood provides free condoms, HPV vaccines, and STD testing and treatment. Male Infertility Screening and Referral: The organization offers a variety of male sexual health services, like infertility screening, testicular cancer screening, and erectile dysfunction services. Are the congressmen aware of this? Menopause Help: It might not make headlines like abortion services, but Planned Parenthood's health centers offer midlife services to help women deal with menopause.

Adelia Kimsey How about a compromise Scott - if you're open to it, that is. Let's pray for PP to S T O P doing abortions?! Or are u just totally for abortion aka, don't make me say it please. So, whatda ya say? Compromise?

Adelia Kimsey Ut oh, now where do you work Scott?!?

Scott Graham I'm retired, Adelia, from the Fire Department. As far as abortions, my personnel feeling on the subject do not enter into the discussion. I look at it as what is better for the public as a whole. Having them available to those that need or want them in a safe, sterile environment or done by themselves or some hack in the so called 'back-alley'. This is a procedure that will always be around no matter of our beliefs and feelings on the matter.

Adelia Kimsey Oh well, I tried.

Scott Graham Tried what, Adelia? Tried to convince yourself that if we take abortions out of PP that it would end abortions all together? If you can tell me a better alternative than out is being done now, then I will listen. Discuss this subject without your personnel feeling or beliefs in coming up with a solution. That is the hardest part.

Michael Swenson <http://www.numberofabortions.com/> and <http://www.facebook.com/notes/michael-swenson/solutions/516489485096682> It is due to eugenic fascism that generations have been indoctrinated into a way of life, that is not sustainable, and not in keeping with the Instructions for Life contained in the Holy Bible. Rather than deal with wise solutions, the global elite have decided instead to depopulate the world. I encounter these people constantly because worldwide public indoctrination systems have brainwashed them now for several decades, and their brainwashing is consistently reinforced through media. I explain who is responsible and why it was done to mass millions of people all over the world in these notes: The information in the following links contain absolute proof of why there is an increase in sicknesses, wars, and open policies and procedures of death now worldwide (the obvious ones of abortion and the not so obvious ones of genocides in local hospitals as millions of innocent citizens are murdered each year worldwide and even in America and hacked up for their organs) As a rare survivor of hospital homicides, I consider it my duty to warn the unsuspecting public of the horrors I personally encountered by trying to get the mass murdering doctors and nurses arrested. The adversity from sex offending cops and federal agents, threats, harassment, messages like this one on my answering service: <http://www.blastthetrumpet.org/iTestifytheTRUTH/popman.wav> In my effort to save your lives and that of your children, I not only contacted all branches of our government from the lowest to the highest levels, I filed a ten trillion dollar class action lawsuit to document the results for public benefit. Through hellish agony few can imagine over what they did to me to try and murder me, I compiled PROOFS AND EVIDENCES THAT YOU AND YOUR CHILDRENS LIVES ARE ALREADY UNDER ATTACK IN THE FOLLOWING WAYS! YOU CAN EITHER CHOOSE TO REMAIN BLIND TO THESE FACTS AND SUFFER AND DIE IN YOUR IGNORANCE OR YOU CAN READ THIS LIFE SAVING INFORMATION PROVIDED YOU BY WHISTLEBLOWERS WHO ARE PUTTING THEIR OWN LIVES ON THE LINE TO SAVE YOURS! THESE NOTES EXPOSE WHY THE EVENTS ARE TAKING PLACE NOW AROUND THE WORLD! THEY EXPOSE WHO IS BEHIND THEM! THEY OFFER SUGGESTIONS OF WHAT NEEDS TO BE DONE BEFORE YOU'RE ALL EITHER TOO SICK, TOO POOR, OR TOO ENSLAVED TO DO ANYTHING ABOUT THEM! because

The global elites look at their slave minions who work in buildings like this <https://www.google.com/search?q=nsa%20headquarters...> just as expendable as the rest of humanity and all life on the planet. The evidence is in that the global elites are not just a threat to your lives and that of your children (already under attack) but all life on the planet in their selfish, greedy, arrogant insanity. The people of the world need to FIGHT BACK while you still can and ignore the foolish

dissenters that are either the lackeys of the scum of the world who sit in those buildings and fight against whistleblowers like myself trying to save your lives and arrest them all for their crimes against humanity; or are the successful results of mass brainwashing that has been so successful people won't even take a little of their time to look at the facts even when their own lives and that of their children and loved ones depends on it. The denigration of human life and the inestimable value of each soul, is putting everyone on earth at risk from these arrogant genocidal maniacs and tendencies to fall in line with their attitudes due to brainwashing in schools and media. This world can sustain considerably more souls when calculations are made against the now inhabited regions and with proper stewardship of the planetary resources and wise implementations of tiered farming, terraforming, and aquaculture advances; versus the presently uninhabited regions. Lack of proper waste management is poisoning vital resources on land and in the seas. Essentially, due to very poor leadership, mankind is polluting the world, and causing extinction events that are becoming increasingly widespread. In the "solutions" notes, I address these issues and more; but it inherently has to do with attitudes and perspectives of each individual. If people are in anyway approving of murdering their own children, they won't blink at genocides of strangers (if they think they themselves will escape). it is these core attitudes that must change if mankind is going to stop its rushing trend toward global annihilation. The only way I have found for people to pass from attitudes of death and destruction, toward life, hope, peace, prosperity, productivity, is for them to personally encounter our Creator; and by meeting Him see the value of their own life and others as they should; and also see the value of properly stewarding the earth; so mankind can move onto colonization of the many worlds in this universe. When solutions come from attitudes of LIFE and not DEATH, then the hell we see erupting on earth, will be replaced with streams of Wisdom, Knowledge and Understanding from Heaven; granting innovations that will well provide for good quality of life for all souls.

Jacqui Noor Keogh How about we stop trying to stop abortions, and focus on stopping women from getting pregnant in the first place? I think chasing after women at the abortion clinic is like shutting the barn door after the horse got out. The time to make them think about their choices is BEFORE they have to make the choice and stop them from having to make that choice at all.

Scott Graham Michael Swenson you just did what I asked of Adelia not to do. You talk about this subject with your belief and heart using the Bible as your platform. None of which will stop abortions. Jacqui stated it correctly in giving a logical answer. I don't care how many abortions have or have not taken place. It doesn't matter in finding a way to control or end abortions. Just as in any killings, you can state stats, beliefs, or causes of the killings. It doesn't solve the realization that a killing will take place. We kill

people before they are born, during all phases and ages during their life, and we kill those who kill others. Except, during war, protest, uprisings, under cover CIA operations, etc....Why are we so upset with just abortions? You can make them illegal. It works so well in all the other illegal killings that happen. BTW, have you seen those numbers since 1973? Hint: It doesn't matter.

Jacqui Noor Keogh Scott, as a Christian, I am appalled at the numbers of abortions, especially in the poorer communities. The numbers do mean something, they represent a life taken before it could come to fullness of its life. My approach is a practical one, and one I wish we would focus more on. Through love of oneself, embracing good, core values, and appreciating life, instead of thinking of it as disposable, maybe if we begin with abortions we can come up with answers to the rest. Killing during war, as an adult, is making a choice, and embracing a belief. Killing an unborn child in the womb serves no one, not even the mother. The long term affects of having an abortion go way deep into your very soul. It is being done way too frequently, and without any thought or care by the majority, and to me, that in itself is a crime.

Michael Swenson And to summarize my own point. Until we change the way people think, we will not change the way they act. For example, Scott, your complete lack of comprehension in that regard; makes you oblivious to the gist of my presentation; and that is the way people think is being fundamentally controlled through public indoctrination and media; such that they think even the mention of our Creator is synonymous with religious belief; rather than just the reality in which we all exist. Furthermore, that a departure from His Instructions; which include teaching children and throughout every day of our lives, His Instructions to Live By, is causing the evil erupting on the face of the planet; including mass abortions. <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> and as any can see in the verse by verse links to current events, the many problems our nation (and the world) is now facing as a result. So I am not talking of pie in the sky, fantasies, but what is involved in actually changing the way people think and it involves taking control of public education and media and putting them back in the hands of the Church instead of the satanists, deceivers that took it over for the evil purposes we now see happening. Education, science and media needs to be grounded in objective Truth; the only way for that to happen is to bring people to a personal knowledge of our Creator; not religious beliefs - reality. Mankind may not then instantly be rid of all faults; but they will be insignificant compared to the hell unleashed on earth at present. When Christians, those who don't just believe in God, but persons who KNOW HIM personally, are in charge, wickedness, including murderers are arrested. Children are taught fundamental truth, such as the obvious wrongs in sexual relations outside of holy matrimony instead of the evil perversities now being taught them by the satanic

SoH8 and http://www.youtube.com/watch?v=P_7GlyqQuhw and <http://www.youtube.com/watch?v=fSN>
U-jlHkDs the social engineering going on allows mass murder and genocides to take place. The heart of the issue is summed up in a quote: "Let me control the textbooks, and I will control the state." Adolph

Hitler the satanists infiltrated and took over education and media as I show plainly in the above notes. It doesn't matter if you are in ignorance of the prophecies in the Scriptures; your opinion that any mention of these Truths is non-descript or inappropriate does not change the reality in which we exist. If we are to change actions, we must change the character and conduct of people, beginning with children. If we are to succeed in maintaining proper character and conduct; that can only be accomplished when each and every soul knows our Creator. (not a religion, or intellectual "belief"; but a factual unity with the One who brought all things into existence and holds all things together.) As long as people make excuses in ignorance and push that One who is the Source of All Virtues away; then all vices will remain. Reality and Truth; not religion.

Scott Graham There is no way I would put the trust of mankind in the hands of the church. It's been done before. It didn't work. We are doomed to repeat history if we do not learn form it. Sadly, we are repeating everyday.

Michael Swenson You're looking at manmade religions and obviously not the history of public education in America which led to one of the most prosperous nations in the history of the world. Elementary school primers in America once looked like college level seminary books of today. Our education through the Church, (all of our oldest colleges and universities) for nearly 150 years had the Holy Bible as the primary text book and mandatory reading such as the once second most published and translated book in the world, Pilgrim's Progress. You are looking at the history that was rewritten by the deceivers to get you to think our nation under Christian precepts and public instruction was not successful; when it most obviously was! <http://shop.wallbuilders.com/the-american-heritage-series>... that DVD set might help deprogram you in that regard. You speak of learning from history and yet, sodomites, slaughter of infants and such evils now in our nation has brought about the rather dramatic downfalls of all such people as delved into these dark and wicked things in the past and even the not so distant past. <http://www.lifenews.com/.../planned-parenthood-51-of-its.../> on a separate topic of trying to defend Planned Slaughterhood. The number one revenue maker BY FAR of this organization is murdering babies; and because of that they play a part in public indoctrination for them with quotas and goals to have teens and even pre-teens murder their own babies before they are out of public indoctrination. The statistics plainly show increases in abortions as a result of their successful brainwashing of children. <http://www.youtube.com/watch?v=j7XR9yH2ETk> murder for profit, blood soaked bills, IF they have done anything at all commendable, it is dramatically overshadowed completely by their sinister bloodthirsty greed. <http://www.youtube.com/watch?v=8ZjrBH1mA2Y>

Scott Graham Try and stay on point. Give me a honest solution other than Planned Parenthood to do about abortions. They will happen there or somewhere else.

Michael Swenson WRONG! If the people rationally declare it to be the premeditated murder that it is; then anyone performing such things will find themselves properly under arrest! Furthermore, I am beginning to think you are brain damaged; (as you fail to comprehend how all previous content is "on point"); not just brainwashed. people will stop even thinking in such a way if properly educated. It is a matter of historic fact. Wickedness, including murder and blood sacrifices have always had origins in the occult, and righteousness, right living, godly living has always had direct links to knowing our Creator.

Jacqui Noor Keogh Scott, would it not be wonderful to do away with them all together? The only way to do away with abortions is to (1) Make people realize how harmful they are, to the mind, body and soul (2) stop them before they happen (3) stop lying to everyone in saying it is "just" a clinical procedure. Being honest and not politically correct would be a start.

Scott Graham I'm a realist. Nether brainwashed with propaganda by politics, the devil, the church, science, or Bible. I am not foolish enough to think abortions will ever go away. They will always be done, somewhere, somehow, by someone. Even by taking the teaching approach and saying we could reach every single person to think it was bad, it would take 3 to 4 generations to rid abortions from the Earth. That is "if" you could reach every single person on Earth. There aren't a lot of things that are impossible but, the "if" is about as close as you can get. Throwing folks into prison has worked so well in keeping all illegal things from happening.

Michael Swenson As a realist, you might consider all these nations who have banned abortions: <http://www.whichcountry.co/countries-where-abortion-is-illegal/> I'm a realist also, there is a huge difference in acknowledging that until Christ returns in Glory, we will have evil doers on earth; and arresting such wicked persons; as opposed to condoning or attempting to legalize murder in any way. As a realist, I look at the facts of Divine Intervention past, present and future and see clearly that if mankind adopts an attitude like yours; that it is inevitable that mankind will always be so bloodthirsty and depraved that they will not only commit the worst atrocities like tearing innocence limb from limb in epic murderous madness; but that the rest of humanity will tolerate and condone such insanity to run loose on the planet. I see the Divine Intervention of nearly wiping the whole of humanity off the face of the earth; if such incredible evil continues. Mankind will either execute righteousness and righteous

judgment on earth or GOD will; and if mankind FAILS to execute His Commandments; then all FAILING to do so are as guilty as those committing such vile atrocities! Anyone remaining silent against this madness, anyone not advocating the arrests of all such murderers, anyone defending or participating by intent or apathy, will find themselves swept away in the Divine Justice and Wrath destined to incinerate all such wickedness now and forever! (I noticed your intentional dismissal of all prior content; in order to suggest that prison exclusively is the suggestion of the solution to the problem). Yes, proper education takes effort and time; but it is obvious improper education has wrought damage in just a few decades and so a reversal of that damage might take a little time; but it is certain that nothing will improve if we continue to allow the decline of all decency without even a small effort to challenge that decline.<http://www.whatyouknowmightnotbeso.com/graphs.html> Many people today want an answer; ANY answer, other than GOD, our Creator, and yet, that is the answer, the only answer that actually is the real and viable solution to all our problems; including widespread sexual immorality and human denigration so severe that infanticide is an accepted norm.

I wager "a life for a life" would serve as a serious deterrent to infanticide. If abortion providers were executed, there might be SOME who would take the black market approach, but more than likely, two things would result: LESS MURDERED BABIES, and MORE PEOPLE THINKING SERIOUSLY ABOUT THEIR SEXUAL CONDUCT. Sanger saved lives, rubbish! If people understood from primary education on that if you murder a baby; including your own, you will be facing the death penalty; then either humanity would find a way to make certain they did not have babies (sterilization) if they wanted to be sexually promiscuous; or the practice would cease by attrition. You are assuming ALL those defenseless, slaughtered infants would have been slaughtered regardless; evidence is against such a false assumption, historically and statistically.

Every person and nation that devalues life to the point where mothers are capable of ripping their own babies limb from limb or paying someone to do it for them; is a person capable of any and all wickedness. When a person and nation departs from their Creator and a proper perspective of Life to such a degree, that person and nation is ripe for destruction. So all the plagues and pestilences come upon them, droughts and famines, and as you all become depraved, sick and dying from your cold, hard hearts and blood-thirsty ways, hell on earth breaks out in all its ugly and terrible forms. If people will not put an end to abortion, it is certain such societies and people will die in blood-shed also. If the people won't repent when they see the Divine Judgments coming upon them obviously: <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> ; then it is most certain, their nation will descend further into manifest darkness, depravity and insanity to the point where their cities will burn with the foul stench of hell, and the people murder each other in cannibalistic hunger that came upon them due to their own wicked ways.

Mankind has a choice to make Follow God our Creator and His Instructions for Life or continue to think you all know better and can do whatever evil crosses your minds (in the delusion that there will be no consequences for doing so). I am a realist and also an optimist, I tend to think that if enough people see the evidence and finally make the correlations I show plainly in verse by verse links that for their own sakes and that of their nation; they will put an end to this great wickedness. Some might say the death penalty? I say, ABSOLUTELY! Anyone so cold blooded that they can pay to have their own babies torn limb from limb, and all those actually doing so horrifically deserves the death penalty; like the most heinous and evil of all criminals that they are! We have a person as you can see in this note who thinks this crime will be with us regardless and I hope my point in reply is obvious. That may be true that we will have cold-blooded murderers on planet earth until Christ returns and confines every last one of them in the Lake of Fire; but if you and your nation doesn't want to suffer and burn even prior to that moment; you will NOT condone and legalize perhaps the most horrific thing anyone can do to another soul! You will properly arrest and execute anyone participating in such obvious atrocities; if you in any way desire to see good in your own existence and for your nation. Otherwise, every bloody nation on earth that continues to do so wickedly prepare for the Divine Wrath that is coming upon you all!

<http://sfglobe.com/?id=685> - Hey Mooooooommmmm! Lemme outta here! I need to stretch my legs! :D

There is no doubt where our Creator stands on the issue of abortion; He calls for justice against even those who ACCIDENTALLY cause injury or death to babies in the womb; let alone those who do so with wicked premeditated intent! <http://www.biblegateway.com/passage/?search=Exodus+21:22-25> and there are many other verses showing His favor, His Grace, His Design and Intent regarding those still in the womb. <http://www.abortionfacts.com/bible-verses-proving-that-life-begins-before-birth> and <http://www.priestsforlife.org/brochures/thebible.html> and <http://www.godandscience.org/doctrine/prolife.html> and <http://www.focusonthefamily.com/lifechallenges/love-and-sex/abortion/what-the-bible-says-about-the-beginning-of-life.aspx> and whoever thinks those so <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> that they take verses out of context to commit <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> against our Creator (like those claiming God and the Holy Bible advocates evil; when talking about the JUSTICE that comes upon all those doing such things as murdering their own

babies) are to be found among those who are fulfilling such prophecies as <http://biblehub.com/isaiah/5-20.htm> and if they fail to repent; no doubt there will be rejoicing when these wicked deceivers perish!

This is the question all who are for the bloody slaughter of their own infants must ask themselves. If you hold such disregard for your own progeny; if you value the life of your own babies so little that you participate in their cruel murders, and choose to live among a people that apathetic to lives of the most innocent among us, a culture that with premeditation extinguishes such lives by the millions and billions worldwide; if you actually do not care about the lives of your own children, how do you expect anyone to care about yours?

http://sonsoflibertymedia.com/2015/01/authors-culture-allows-abortion-one-leads-genocide-ethnic-cleansing-democide/?utm_content=buffer30adf&utm_medium=social&utm_source=facebook.com&utm_campaign=buffer - if people will not value the lives of defenseless babes, how can they expect anyone to value to their own life?

The reality we live in today is horrific; in the extreme, and yet people act like its no big deal, party, live it up; though the world we live in today is covered in horrors and bloodshed that should never be thought of; let alone done.

<https://www.facebook.com/notes/michael-swenson/how-to-discern-good-god-from-evil-devil/793806584031636>

Understand this clearly, righteousness and wickedness cannot co-exist, they oppose each other. Every soul must decide to be for or against our Creator. He gives life, murderers attempt to destroy it. There is no harmony or concord between the God of All Creation and devils. You will either Repent and learn to live righteously or you will perish as the enemies of the Lord and find yourselves properly confined in the Lake of Fire; where you will never harm anyone else again with your wicked ways. Choose wisely everyone; not just your present condition on earth hangs in the balance; but your everlasting destinies.

Michael Swenson Currently, our nation does not look so well, but it has had it's shining moments. For years it's prosperity, culture and education was the envy of the civilized world. Bible Believing charities have contributed worldwide aid to a degree unmatched by any other in history. It is tragic that the greedy wealthy criminals have worn that cloak and exploited it in every way. America has a bloody history, but so does most every nation on earth. As with each and every soul our nation is complex, because it has within her borders those doing both evil and good. I mean to advocate for the good.

Vincent Williams I am scared of what He brings his wrath on His creation. I have a child on the way. I didn't think God was going to give me a child, I thought I wasn't going to have to worry about going through these tribulations with a child. I was wrong. I guess I am a bit jealous that I can't have a normal life with family like everybody else since Adam and Eve.

Michael Swenson Don't worry Vincent, God loves you and your children even more than you do. All sane citizens just want to raise their children in happiness with peace and prosperity, since the Beginning, the only way to stop rampant wickedness has been for decent citizens to unite against it. Sometimes we are called away from our loved ones and what we would rather be doing; to defend them from growing danger and harm; confident that even if we go Home; very soon we will see them again. Don't worry about tomorrow or things that may never come; instead today, spread the Word and hope that one soul at a time becomes enlightened to stop the growing darkness. One day none of us will have to face the wicked; because they all will be properly confined; but for now do your best to change the way people think by leading them to Christ; in so doing we may be not only saving souls; but preventing harm from coming to us otherwise.

Caring about LIFE is a LIFELONG process of moment by moment good intent and actions. Many who don't want to accept the responsibility of their own actions; think murdering their own baby is an acceptable way to be free from the consequence of their own decision to engage in sex. Then in a vain attempt to exonerate themselves from the responsibility of raising their child; they look at society to do so. (hence propaganda like this as noted above in this comment). Society rightly says, you are responsible for your actions, you engaged in sex, you got pregnant, now raise your child responsibly. HOWEVER, what society is not looking at is that ANYONE so irresponsible as to WANT

to even TRY to murder their own baby is IN NO CONDITION to raise their child! So then the meme from that perspective speaks appropriately; JUST WHO WILL RAISE THE CHILDREN IN LOVE AND AFFECTION, WISELY AND RESPONSIBLY WHEN WE HAVE A WHOLE NATION WHO DOESN'T KNOW GOD BECAUSE WE ALLOWED LIES TO BE TAUGHT THEM IN PUBLIC EDUCATION; INSTEAD OF TRUTH! help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> the meme points out the core issue of why we see ALL KINDS OF EVIL in this world; including abortion and it's because people are not being taught from the time they are children the INSTRUCTIONS FOR LIFE; the INSTRUCTIONS TO LIVE BY!<https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493> Like once was the practice in our once Christian nation.
