<https://www.facebook.com/photo.php?v=10203600667151109> - extreme abuse of authority has the effect of legalizing criminal behavior and has sadly become far too prevalent today (threatening to plunge our nation; city by city into violent anarchy and bloodshed). We have to return to our foundational laws, rights, and Christian heritage AS SOON AS POSSIBLE!

About half the people incarcerated (the current American prison population) are in with lengthy sentences for non-violent "crimes". It is modern slavery due to corrupt corporate/government plutarchy.

The worst criminals these days are the ones abusing public trust and authority. It is due to personal greed and corruption at the highest levels, authorities who think they are above the law and exists primarily due to a populace that only finds out about these things the hard way. (kept in ignorance)

Social Engineering <https://www.youtube.com/watch?v=VllwRgSECcw> and <https://www.youtube.com/watch?v=vQnH4waAXGc> is responsible for conditions on the earth (especially in so called modern "civilized societies"). People are not free; by any stretch of the imagination. Read <http://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> very carefully. Then if you still aren't convinced look into the information in these notes; showing the mass brainwashing; forced indoctrination modern societies are made of:

<http://www.facebook.com/notes/michael-swenson/propaganda/528691883876442> and <http://www.facebook.com/notes/michael-swenson/treatise-on-greed-and-corruption/517410181671279> and <http://www.facebook.com/notes/michael-swenson/satanism-fools-who-want-to-burn-forever-represent-a-threat-to-themselves-and-all/554580804620883> that brings about <http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558> and <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> for the purpose of <http://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> and the only remedy is <http://www.facebook.com/notes/michael-swenson/why-we-all-need-instructions-from-our-creator-to-live-by/533444303401200> to be taught everywhere; especially to the children; so they mature into such persons of integrity; necessary for a peaceful, strong, stable, prosperous society; as I propose: <http://www.facebook.com/notes/michael-swenson/solutions/516489485096682> and until then all who love freedom and especially all who love

GOD need to <http://www.facebook.com/notes/michael-swenson/there-is-no-pre-tribulation-rapture-prepare-for-war/533858466693117> and <http://www.facebook.com/notes/michael-swenson/the-weapons-of-our-warfare/578505248895105>; help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>

America is (I said is because if Americans don't stand up soon; there may as well be prison wire around the whole nation) the number one prison population on the planet!

https://www.google.com/search?q=America+number+one+prison+population&rlz=1C1GIGM_enUS535US535&oq=America+number+one+prison+population&aqs=chrome..69i57.9520j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 and it is just one of the eugenic fascist measures to reduce population growth and enslave the masses. It is social engineering designed to institutionalize and create state (satanic nwo) slaves out of the general populace. It is designed to selectively reduce breeding (the reason for the ongoing sterilization, extermination procedures in poisoning our food, water, air, cosmetics, medicines, etc.) The system is set up to channel the poor into work camps (prisons) so they are not breeding and so they can slave for the ultra wealthy.

https://www.google.com/search?q=prisons+are+big+business&rlz=1C1GIGM_enUS535US535&oq=prisons+are+big+business&aqs=chrome..69i57j0.6487j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8

cops can defend themselves with lethal force and without question! but if you defend yourself with lethal force more than likely will get arrested. the ONLY class of people in the united states that have any true rights any longer are the wealthy, the cops, the politicians. the rest of us are held to a different standard from the ruling class and their mercenaries. if a cop shoots a citizen, they're not arrested, EVEN FOR PROVEN MURDER they RARELY are punished or if punished only lightly

(<https://www.facebook.com/notes/michael-swenson/bad-cops/616245898454373> - just look at all the examples in that note and comments section!); but if citizens use lethal force to protect themselves and their families, they often face arrests trials and even unjust convictions and wrongful imprisonment! and if they use lethal force to protect themselves against bad cops

(<https://www.facebook.com/notes/michael-swenson/what-happened-to-me/546254465453517>); so if citizens like myself were to try and arrest the mass murdering doctors and nurses and sex offending cops, chances are other cops will try and murder them or frame them; rather than do their duty to arrest the scum in their own ranks. the situation in America is UNACCEPTABLE and only by citizens uniting and arming themselves and placing a president in office that will go through our nation and make it a priority to imprison all criminals; especially those in uniform will we possibly see a chance to regain the freedoms we have lost. <https://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948>

Yes, there are violent offenders who should be locked up and rehabilitated (not warehoused, enslaved, maltreated to the point they are even worse in the end than when they went in) but over half the prison population is enslaved for non-violent offenses. Others are doing huge sentences for absolutely ridiculous crimes. Some do eight years or more because they "stole" a bicycle which was a desperate act of poor man who was late for work; who planned on returning it when he finished work later that day. Some do such sentences for having a pocket knife on their person or shop lifting. Some SHOOT someone and only do five years or less. Some are "three time losers" doing 25 to life because they were at a party where illegal drugs were; even if they didn't have any in their possession. Some are given the "three time loser" sentence for one incident as prosecutors convince the judge that the one incident involved numerous offenses, which they then sentence people for to run consecutively. (years, followed by years for each offense in the one time event; even if the person had no priors) Regularly, the discriminating factor as to whether you have a HUGE sentence or a small one or none at all is MONEY; whether or not you have enough to bribe the judge, bribe the law, bribe the lawyers, the prosecutors; if so, then you could be like the guy busted with a truckload of heroin who does six months or less in minimum security; or if not, you could be the guy doing 25 to life for being at a party where someone was smoking a joint or doing lines of coke. This is reality in America, it is not a JUSTICE system; it is a socially engineered system that enslaves poor people who cannot afford attorneys and who do not know their rights and even if they did, have no rights, as long as they are so poor, no one else speaks up for them. MILLIONS of men and women in prison are oversentenced; their real crime BEING POOR AND MISERABLE and self-medicating with substances deemed "illegal". These people need treatment, encouragement, not SLAVERY! and forced to live in institutions with some very violent; very wicked offenders. (many of whom never make it out of the institutionalization process as a result). The media tells the world poor indigent citizens get a "public defender" but these state paid lawyers/interns sit in the same offices as prosecutors and bargain people's lives away for career advancements and personal likes or dislikes of those they supposedly "represent" there is NO CONFIDENTIALITY between public pretenders and state prosecutors; you may as well be telling the prosecutor in your case all your crimes and offenses if you talk to a court appointed public pretender. (poor people are actually prosecuted by TWO state paid attorneys, one who ACTS as their defense and one who knows EVERYTHING the poor fool told their public pretender) But if you're rich! you BUY "justice" in America. Criminals/"king pins"/"cartels" are so used to that form of "justice"; they are actually surprised when arrested. http://www.celebritynetworth.com/articles/entertainment-articles/20-richest-drug-dealers-time/#!/8-carlos-lehder-net-worth-2-7-billion_1076/ most all these guys, amassed their wealth by paying off governing officials, federal agents, anyone who had more militant might than they did. It is a well known fact. But the poor user doing a line of all these "illegal" drugs that are smuggled in by the so called "ruling elite" https://www.google.com/search?q=presidents+involved+in+cocaine+smuggling&rlz=1C1GIGM_enUS535US535&ogq=presidents+involved+in+cocaine+smuggling&aqs=chrome..69i57.10406j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 end up working in their modern slave camps for far less offenses than the criminals ruining the world. Excessive sentencing if you are poor and especially if you lack knowledge. Slap on the wrist, or no sentencing at all, depending how wealthy you are. The drug

war at the highest levels is just one criminal cartel flexing their mercenary armies at another for failing to pay the demanded cut or extortion fee to operate in their territories/countries/nations.

The world in which we exist has been ruled by corrupt criminals, greedy, bloody, satanists, far too long. The days of their wicked oppressive rule are quickly coming to an end! One of my agendas as president would be to order the re-examination of all confined citizens in our nation. Non-violent offenders, rehabilitated persons, (especially those doing long sentences for marijuana possession) would be sent to newly created treatment retreats open to the public, addicts, but mandatory for all whose drug abuse caused them to commit theft or other non-violent crimes. The retreats designed to address why people self-medicate and to help ween them from ABUSE to intelligent medicinal use and ultimately complete sobriety for those choosing not to spend the rest of their lives and their earnings addicted to anything. In addition, instead of releasing institutionalized criminals, there would be much longer mandatory reintegration centers, teaching responsible money management, (not probation) but rather formal training about how to function in society responsibly, as they progressively work toward complete re-integration. Right now people are released after having spent so many years in prison the world is almost completely different and even frightening to them. (shawshank redemption - institutionalization is a reality for many incarcerated persons and can take hold in a very short time)

https://www.google.com/search?q=shawshank+redemption&rlz=1C1GIGM_enUS535US535&oq=shawshank+&aqs=chrome.1.69i57j0l5.4553j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8#q=shawshank+redemption&tbm=vid About 50% of those in prisons today really don't belong there.

It is up to the public to decide if you really want things to continue as they are; because if so, soon the so called "ruling elite" will have successfully enslaved you all.

I encounter people constantly who are living in such a strong sense of psychological denial that they won't even look at facts; because worldwide public indoctrination systems have brainwashed them now for several decades, and their brainwashing is consistently reinforced through media. I explain who is responsible and why it was done to mass millions of people all over the world in these notes:

The information in the following links contain absolute proof of why there is an increase in sicknesses, wars, and open policies and procedures of death now worldwide (the obvious ones of abortion and the not so obvious ones of genocides in local hospitals as millions of innocent citizens are murdered each year worldwide and even in America and hacked up for their organs) As a rare survivor of hospital homicides, I consider it my duty to warn the unsuspecting public of the horrors I personally encountered by trying to get the mass murdering doctors and nurses arrested. The adversity from sex offending cops and federal agents, threats, harassment, messages like this one on my answering service: <http://www.blastthetrumpet.org/iTestifytheTRUTH/popman.wav> In my effort to save your lives and that of your children, I not only contacted all branches of our government from the lowest to the highest levels, I filed a ten trillion dollar class action lawsuit to document the results for public benefit. Through hellish agony few can imagine over what they did to me to try and murder me, I compiled PROOFS AND EVIDENCES THAT YOU AND YOUR CHILDRENS LIVES ARE ALREADY UNDER ATTACK IN THE FOLLOWING WAYS! YOU CAN EITHER CHOOSE TO REMAIN BLIND TO THESE FACTS AND SUFFER AND DIE IN YOUR IGNORANCE OR YOU CAN READ THIS LIFE SAVING INFORMATION PROVIDED YOU BY WHISTLEBLOWERS WHO ARE PUTTING THEIR OWN LIVES ON THE LINE TO SAVE YOURS! THESE NOTES EXPOSE WHY THE EVENTS ARE TAKING PLACE NOW AROUND THE WORLD! THEY EXPOSE WHO IS BEHIND THEM! THEY OFFER SUGGESTIONS OF WHAT NEEDS TO BE DONE BEFORE YOU'RE ALL EITHER TOO SICK, TOO POOR, OR TOO ENSLAVED TO DO ANYTHING ABOUT THEM!

The global elites look at their slave minions who work in buildings like this https://www.google.com/search?q=nsa+headquarters&rlz=1C1G1GM_enUS535US535&espv=210&es_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=L8AMU_yeLcb4yAGr5YDQDA&ved=0CckQsAQ&biw=1067&bih=702 just as expendable as the rest of humanity and all life on the planet. The evidence is in that the global elites are not just a threat to your lives and that of your children (already under attack) but all life on the planet in their selfish, greedy, arrogant insanity. The people of the world need to FIGHT BACK while you still can and ignore the foolish dissenters that are either the lackeys of the scum of the world who sit in those buildings and fight against whistleblowers like myself trying to save your lives and arrest them all for their crimes against humanity; or are the successful results of mass brainwashing that has been so successful people won't even take a little of their time to look at the facts even when their own lives and that of their children and loved ones depends on it. asset forfeiture is a clever way of turning governing officials into armed robbers.

Decriminalization will impact budget

One of the real downers for law enforcement agencies with respect to the runaway freight train that is marijuana decriminalization/legalization is the fact that some agencies stand to lose forfeiture funds.

There aren't any standards in place to speak of as far as forfeiture rules, so some agencies stand to lose little and others stand to lose big.

According to National Public Radio: "The decriminalization of 'pot' stands to remove a funding source for police: *property forfeitures from drug dealers.*"

The NPR report suggested that of the \$6.5 billion in asset forfeitures in drug cases from 2002-2012, marijuana accounted for \$1 billion.

According to the *Wall*

Street Journal, the 10 states that had the highest amounts of asset forfeitures processed by the U.S. government in that 10-year period stand to lose the most money from marijuana-related forfeitures. The *Wall Street Journal* estimates are below:

California — \$181.4 million

New York — \$101.3 million

Florida — \$80.5 million

Texas — \$64.3 million

Ohio — \$39.2 million

Arizona — \$36.8 million

Michigan — \$36 million

N. Carolina — \$34.9 million

Georgia — \$26.2 million

Wisconsin — \$24.7 million

[Texas NORML](#) with [Jamie Pawkett](#) and [3 others](#)

Why do law enforcement agencies oppose legalizing marijuana? One big reason is the forfeiture laws. According to the Wall Street Journal, Texas law enforcement agencies would lose over \$60 million if marijuana was legalized in our state.

Still think the Bundy ranch is about a desert tortoise?

Meet Rusty Hill, a Nevada land broker of 20 years in the Bundy ranch area:

"It is not about turtles, it is about water. There are developers working for military contractors that want that land and water for mining weapons grade minerals for industry...They want to sell the land by the highway for real estate development because it's close to I-15 and the Bundy's have been refusing to sell what they actually own directly for over 20 years.

Many buyers sent me out there with crazy offers for that land for many years. It is prime real estate, not worthless desert. There is a natural gas pipeline going through there and lots of water underground too. Somebody connected to a military corporation is using political power and the BLM to muscle those people out."

US Government Continues to Steal Land from Indigenous Peoples

Slowly, the Navajo families left Wupatki National Monument, too, either voluntarily or under pressure by the National Park Service, which sought to eliminate private use of the public land it managed. Only one Navajo woman remains. When 89-year-old Stella Peshlakai Smith dies, her residency permit dies

with her, ending forever the Navajo presence at Wupatki.

3 CITIES ~ 3 RULERS ~ and a few men ...

Have a close look at the picture attached, and read the summary below....

London:

London is the real financial capital of the planet. The final calls on global finance are made here. British and European bankers form 80% (or more) of the board, and control the US Federal Reserve AND the IRS. It has an inner part called "the two square mile". This is the actual "City of London". The rest is called greater London. This area is a sovereign state in own right (just like the Vatican). All its borders are marked by a statue of a dragon, also called "the gates". The palaces and other significant institutions are

found in this area. The palaces stretch between 7 and 22 storeys underground, and host all kinds of laboratories, tunnels and "beings" not found on the nation's national registry. (This is actually on record). Surrounding Buckingham palace all heads of state own property as signs of submission to the throne of Great Britain. Britain means "covenant", which refers to GB as the land of "The Great Covenant". But "which" covenant...and with "whom"? There is only one power above the Queen...and that is the power that holds "her" ransom...the House of Rothschild. Why so? The Rothschild family financed/finances the Bank of England which controls the rest of Britain's banks. Rothschild is also regarded as the biblical "king of the north" as he controls every central bank on the planet except Cuba, North Korea and Iran...for now. The queen also, of course, bows to the pope/Vatican. When meeting with "his filthiness"...clothed in white, the head of state HAS to wear black.

Washington D.C.

This little town is also a very interesting place...behind all the "white" and the obvious. The term "America" in its purist and original source means "land of the big fat snake". Washington's land, White House, Capitol Hill etc., does not belong to the United States. Its ownership goes back as far as the Virgin Company...belonging to the British Royal Family. Most of the US Presidents are related to the British Royal family. The US government's core is therefore also a sovereign power in own right, and it is NOT part of America. It is the financier of the global elite's global army. Bush Jnr has himself signed over the military to the UN. The CIA and FBI and NASA are all used as global espionage facilities and space war authority for the global elite. From the White House and Pentagon there runs a network of tunnels across America. The latest and most famous are the underground speed highways between CIA HQ in Langley, and Denver Airport with its underground city already exposed for hosting "alien" beings...amongst other things. The US also possesses aircraft travelling at Mach 2.4 to transport selected individuals to several countries on the planet in one single day!

Vatican:

By now most know the Vatican to also be a sovereign nation within Italy. Few know WHY the pope is the global spiritual leader through the catholic church, the biblical "whore who rules over many waters". The Vatican controls a great portion of the planet's cash. The Vatican also established Islam, which in the end time is destined to be the SWORD of the Vatican, and has the primary purpose of conquering the Middle East and destroy Yisra'El...land of ELOhim. Then there are the issues of the false prophet, the long expected Petrus Romanus as end-time pope, the anti-Messiah, and the Muslim 12th Imam/messiah expected to rise to power between 2012 and 2015. There is much to more say about this...but summaries are meant to be short.

A few men:

Illuminati means "the enlightened ones". So...what light do they have? Satan worshipers believe that Eve had the wisdom and insight to perceive that Lucifer..the reptilian..had more wisdom than ELOhim. She believed him and...well the rest is history. I just read the other day in the scriptures that Yah (God/ELOhim) actually states that Lucifer deceived man by giving him a bit of scattered/incomplete information wherewith he could not do much. It is basically the same as eavesdropping and sending out

info that only the author knows what to do with. These men believe Lucifer has more wisdom than Yah and actually deserves to rule the planet. Interesting enough that in these days they replace many prime political positions with female rulers... They are also part of the bloodline of the daughters of men who have been impregnated by the fallen angels of the book of genesis. They are the 13 royal families ruling the planet and sold out to the luceferian agenda. It is well documented that their blood-type is genetically different...amongst other things.

The illuminists rule the planet with a "shadow" pyramid concept. This means that politics, finance, military and religion all have a visible front for the people (sheeple) to believe in, behold, and follow. Behind all of these hide the real agenda done in secret and busy with a set-up to control them all in the end...which is nearly ready and in place. Lucifer is in the cap-stone of the pyramid, while the group of 3, 30, 100, 300 and so forth complete the ranks...to cut it very short.

Let's wake up and smell the roses!

Michael Swenson <https://www.youtube.com/watch?v=II96QkZaz1E> - secular psychiatry just another arm of the satanic NWO (they use that field to study brainwashing, mass control, human experimentation, etc.) ultimately, they are brainwashing the masses getting them to believe head shrinks are "doctors" and "experts" in order to have yet another means of confining and controlling political dissidents. (they work with courts to indefinitely confine and torture innocent people, enemies of state) and in connection with public indoctrination and chemical lobotomizers have the means to enslave the masses, sterilize the masses, dumb down the masses, etc. <https://www.facebook.com/notes/michael-swenson/our-creator-told-us-in-the-holy-bible-all-nations-would-be-deceived-by-pharmaceu/511466405598990> and <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886> interrogation techniques are developed, intimidation techniques, tortures are all part of CIA black ops activities for controlling and enslaving the masses: <https://www.google.com/webhp?sourceid=chrome-instant...> by this evil field and human experimentation they discovered that not just drugs in our water, chemicals in our food, hygiene and medication, but even low level frequencies through television could be used to brainwash and control the masses. <https://www.youtube.com/watch?v=VllwRgSECcw>

• [Michael Swenson](#) our nation has been infiltrated, rothschild, rockefeller, fund the UN, the UN factually had meetings and decided the world is overpopulated. They KNOW the quran teaches muslims to kill Christians. They want wars and violence as one of the depopulation measures; so they have purposely been flying in muslim terrorists into America and funding jihad; knowing this will ultimately lead to violent conflict in europe and America. they have positioned military vehicles for martial law because they are anticipating such a conflict that they are instigating on purpose. they have rail cars fitted with shackles here in america just like nazi germany had. they have camps ready to be filled and have recently become fully operational. the fema centers do not answer to the US government even though they are on US soil. If Americans and europeans want to stop their plans BEFORE a holocaust or wars ensue they need to unite, and they need to depose their current corrupt leaders loyal to the satanic NWO. it will not be enough just to arrest obama, we have to depose most of the existing politicians, but more importantly we have to shut down the NWO agenda by shutting down the satanic bloodlines that own the mints (world bank) and re-establishing national currencies; with godly persons in power (Christians)! Otherwise, we all need to prepare for the coming war, anarchy, martial law, empty grocery stores etc. <https://www.google.com/search...> If you are not aware of such things check out the references in: <https://www.facebook.com/notes/michael-swenson/warning-weve-been-invaded-and-infiltrated-our-nation-is-under-attack/566322743446689> or research for yourself any topic mentioned like the rail cars fitted with shackles: <https://www.google.com/webhp?sourceid=chrome-instant...> and <https://www.google.com/webhp?sourceid=chrome-instant...> and <https://www.google.com/webhp?sourceid=chrome-instant...>

**The FBI & ATF killed more
Children at Waco than were
killed at Sandy Hook**

Where was the outrage then ?

[The People's Voice](#)

Did you ever hear of Isaiah Martinez? Crystal Martinez? What about Mayanah Schneider? No? Serenity Jones then?

Ok. They were children under 5 years old who were murdered by their government at Waco, Texas on April 19th 1993. In all, 76 men, women and children were killed when the ATF and the FBI launched an assault on the Branch Davidian compound to end a siege that had lasted 51 days.

Seven years later in 2000, the US government concluded, controversially, that the Davidians had effectively set themselves on fire. This was laughable then and it's laughable now. The Branch Davidians were murdered by those sworn to protect them. Never forget it.

[Michael Swenson](#) "Citizens may resist unlawful arrest to the point of taking an arresting officer's life if necessary." *Plummer v. State*, 136 Ind. 306. This premise was upheld by the Supreme Court of the United States in the case: *John Bad Elk v. U.S.*, 177 U.S. 529. The Court stated: "Where the officer is killed in the course of the disorder which naturally accompanies an attempted arrest that is resisted, the law looks with very different eyes upon the transaction, when the officer had the right to make the arrest, from what it does if the officer had no right. What may be murder in the first case might be nothing more than manslaughter in the other, or the facts might show that no offense had been committed."

"An arrest made with a defective warrant, or one issued without affidavit, or one that fails to allege a crime is within jurisdiction, and one who is being arrested, may resist arrest and break away. If the arresting officer is killed by one who is so resisting, the killing will be no more than an involuntary manslaughter." *Housh v. People*, 75 111. 491; reaffirmed and quoted in *State v. Leach*, 7 Conn. 452; *State v. Gleason*, 32 Kan. 245; *Ballard v. State*, 43 Ohio 349; *State v. Rousseau*, 241 P. 2d 447; *State v. Spaulding*, 34 Minn. 3621.

"When a person, being without fault, is in a place where he has a right to be, is violently assaulted, he may, without retreating, repel by force, and if, in the reasonable exercise of his right of self defense, his assailant is killed, he is justified." *Runyan v. State*, 57 Ind. 80; *Miller v. State*, 74 Ind. 1.

"These principles apply as well to an officer attempting to make an arrest, who abuses his authority and transcends the bounds thereof by the use of unnecessary force and violence, as they do to a private individual who unlawfully uses such force and violence." *Jones v. State*, 26 Tex. App. 1; *Beaverts v. State*, 4 Tex. App. 1 75; *Skidmore v. State*, 43 Tex. 93, 903.

"An illegal arrest is an assault and battery. The person so attempted to be restrained of his liberty has the same right to use force in defending himself as he would in repelling any other assault and battery." (*State v. Robinson*, 145 ME. 77, 72 ATL. 260).

"Each person has the right to resist an unlawful arrest. In such a case, the person attempting the arrest stands in the position of a wrongdoer and may be resisted by the use of force, as in self- defense." (*State v. Mobley*, 240 N.C. 476, 83 S.E. 2d 100).

"One may come to the aid of another being unlawfully arrested, just as he may where one is being assaulted, molested, raped or kidnapped. Thus it is not an offense to liberate one from the unlawful custody of an officer, even though he may have submitted to such custody, without resistance." (*Adams v. State*, 121 Ga. 16, 48 S.E. 910).

“Story affirmed the right of self-defense by persons held illegally. In his own writings, he had admitted that ‘a situation could arise in which the checks-and-balances principle ceased to work and the various branches of government concurred in a gross usurpation.’ There would be no usual remedy by changing the law or passing an amendment to the Constitution, should the oppressed party be a minority. Story concluded, ‘If there be any remedy at all ... it is a remedy never provided for by human institutions.’ That was the ‘ultimate right of all human beings in extreme cases to resist oppression, and to apply force against ruinous injustice.’” (From Mutiny on the Amistad by Howard Jones, Oxford University Press, 1987, an account of the reading of the decision in the case by Justice Joseph Story of the Supreme Court. As for grounds for arrest: “The carrying of arms in a quiet, peaceable, and orderly manner, concealed on or about the person, is not a breach of the peace. Nor does such an act of itself, lead to a breach of the peace.” (Wharton’s Criminal and Civil Procedure, 12th Ed., Vol.2: Judy v. Lashley, 5 W. **AMERICA'S DIRTY
LITTLE SECRET:**
Louisiana is the prison
capital of the world.

It imprisons 1,619 people per 100,000 —
more than any nation in the world including
Russia (525), Iran (333), and China (122).

It costs taxpayers \$663 million a year.
\$182 million of that goes to for-profit
prisons.

David Crowley had been the lead screenwriter for the movie "Gray State," which depicts a violent police state in post-crisis America, including scenes of US military patrolling American streets, cameras in private homes, the introduction of mandatory RFID chips used for identification. His death comes as a "strange coincidence," given that our current police state is not very far removed from his film.

**This question was asked of me:
"Why do you have so little respect for cops".**

There is a court ruling that cops can lie. So they Lie for a living and I am paying.

They have no responsibility to protect anyone but themselves.

They kill when they become afraid of anything.

They are not held to a higher standard.

They take steroids and act like thugs.

Heavily armed and too many drama queens.

Ticket Quotas. Police Unions.

And I have to tell them I am carrying a fire arm. (This will make them instantly afraid)

They do not look, act or think like anything I remember as a kid.

They are not Peace Officers but Law Enforcement.

Too many Laws are wrong.

I don't feel "safe" around them.

Any Questions???
