What has happened to America (and various nations all over the world)?

<https://www.facebook.com/photo.php?fbid=10152325231355993&set=a.10150420220355993.415957.681255992&type=1&theater>

<https://www.facebook.com/notes/michael-swenson/america-is-under-attack/699844766761152>

[https://www.google.com/search?q=UN+armed+troops+in+america&rlz=1C1GIGM\\_enUS535US535&oq=UN+armed+troops+in+america&aqs=chrome..69i57.7791j0j8&sourceid=chrome&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=UN+armed+troops+in+america&rlz=1C1GIGM_enUS535US535&oq=UN+armed+troops+in+america&aqs=chrome..69i57.7791j0j8&sourceid=chrome&es_sm=93&ie=UTF-8)

several reasons this is occurring 1) <https://www.facebook.com/notes/michael-swenson/the-planned-demoralization-of-america/632305113515118> 2) It is part of the Divine Consequences against a nation that departs from our Creator <https://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> 3) from their perspective (in the minds of the satanic NWO) America is being dissolved by steps like what NAFTA worked/works on economically; where North America (Mexico, US and Canada all fall under one section of the NWO) since American troops wouldn't fire on American citizens (when asked under the Bush Sr. presidency) they have been purging the military and replacing them with

foreigners <http://www.examiner.com/article/obama-asking-military-leaders-to-fire-on-americans-says-nobel-prize-nominee> and <http://www.military.com/daily-news/2014/01/16/bills-open-military-to-some-illegal-immigrants.html> the move to grant such jobs to illegals is to take monetary resources away from Americans who can see this is going on (making them less resourceful is a deliberate act to weaken patriots that would resist seeing America and our Constitution dissolved to be replaced by the NWO.

Bringing foreigners in is a way also to distract from any political moves by engendering civil unrest that is just sufficient to tighten the NWO real agenda of martial law and depopulation. Unless enough Americans unite and stop these treasonous acts from continuing (depose the corrupt persons in D.C. and the world bank (those funding the satanic NWO enslavement and depopulation agendas (Rockefeller and Rothschild predominantly together with all their political puppets (most of the UN at present

[http://www.fourwinds10.net/siterun\\_data/government/new\\_world\\_order/news.php?q=1205528935](http://www.fourwinds10.net/siterun_data/government/new_world_order/news.php?q=1205528935) ). then this plan will continue to undermine and erode until America erupts in bloodshed while the satanic NWO masterminds sit back and wait for the dust to settle after who knows how many deaths and ruination over their evil plans. INSTEAD WE CAN UNITE AND ARREST THEM ALL AND SAY NO! to the world banksters and their agenda to reshape the whole the world according to their dictates and irrespective of the wishes of mass billions of citizens on earth!

<https://www.youtube.com/watch?v=Fuinalm-kd4> and [https://www.youtube.com/watch?v=DNAtQ\\_N-e0Y](https://www.youtube.com/watch?v=DNAtQ_N-e0Y)

NAFTA shows the NWO agenda to unite Canada, USA, Mexico under one world governance. At this point our politicians are only pretending that the USA and the Constitution are still binding upon them while doing everything they can to dissolve our nation and merge under the NWO. Their complete disregard for boundaries, Constitution and US laws is overt treason in front of everyone and yet, Americans are still allowing it to happen. If I were healthy, it would be a call to arms, I would gladly participate in arresting our politicians that are subverting our nation, its heritage, and are showing allegiance to the NWO. <https://www.youtube.com/watch?v=Qyvy1D3gPTQ> and <http://thecommonsenseshow.com/2014/02/10/the-bilderberg-plan-to-obliterate-humanity/>

<https://www.facebook.com/photo.php?fbid=562365140544406&set=a.133964610051130.26443.129184427195815&type=1> - for anyone to call themselves a muslim or associate with the evil that is islam in anyway other than to openly call for an end of that evil political system globally and an international ban on the satanic koran means they either have not read it all and are in total ignorance of its history and atrocities to this day, OR THEY ARE SO EVIL THEY SHOULD BE UNDER IMMEDIATE ARREST! <https://www.facebook.com/notes/michael-swenson/islam-is-evil-and-any-worldview-that-calls-for-genocides-and-extreme-violence-to/560337004045263> IF YOUR POLITICAL LEADERS ARE LETTING THIS SPREAD, INVITING IT INTO YOUR NATION, DEPOSE THEM AT ONCE! BECAUSE IT CLEARLY MEANS THEY ARE EITHER TOO IGNORANT TO LEAD OR TOO EVIL TO BE LOOSE IN THE WORLD ANYWHERE!

<https://www.facebook.com/notes/michael-swenson/end-times-verse-by-verse/625795230832773>

We have sodomites marching in our streets freely on the loose and proud of their perversions and so estranged from God, ethics and morals that they are even perverting children unrestrained in our public schools! <https://www.youtube.com/watch?v=j7XR9yH2ETk> We warned everyone that the perverted homosexual agenda would follow with pedophiles <https://www.youtube.com/watch?v=qDo8khXqUh8> and those practicing bestiality as well demanding their "rights" to have sex with whoever or whatever they want. [https://www.youtube.com/results?search\\_query=gay%20manifesto&sm=3](https://www.youtube.com/results?search_query=gay%20manifesto&sm=3) And so our nation and others are embracing the evil, violent, anti-christian, political system of islam that condones all this wickedness and practices these evils and worse since its inception to this day.

The evidence:

<http://www.wnd.com/2014/03/breaking-judge-rules-on-obama-eligibility/> - unbelievable! typical government bureaucracy! passing the buck! it's not OUR responsibility; it's yours... Here they have proof and EVEN ACKNOWLEDGE IT that we have an INELIGIBLE INFILTRATOR in the highest office of the land; BUT they render the decision was the responsibility of some state to have noticed INSTEAD OF JUST SAYING YES! WE HAVE AN ILLEGAL INFILTRATOR IN OUR HIGHEST MOST POWERFUL POSITION OF GOVERNMENT! GET HIM OUT AT ONCE!

As you can read, we are witnessing the united effort of sodomites and islamic infiltrators who are systematically destroying our nation and threatening to sodomize and pervert innocent children by indoctrinating them in our public schools and through music and other media!

The Nazis used head shrinks the same way. I cannot emphasize enough the danger of allowing this to continue. ALREADY head shrinks bypass our GOD given and Constitutional Rights in that they can slander and libel anyone at will; get them indefinitely confined without any crimes having been committed. Psycho-quacks have this power when fascist tyranny gives it to them; and it is now evident in America. So you say so what? Imagine as a dissenter of this evil, you find yourself in the hands of sadistic psycho-quacks like the ones who did human torture experimentation in Nazi Germany (and have been doing it here in America all along) or force fed toxic medications so poisonous it causes permanent brain damage and turns you into a gibbering vegetable that drools and eliminates all over yourself the rest of your natural life. If you don't think this is ALREADY occurring here in America; you have not looked into the dark places the media is forbidden to shine

light on [www.blastthetrumpet.org](http://www.blastthetrumpet.org) and [https://www.google.com/search?q=psychologists+in+America+human+experimentation&rlz=1C1GIGM\\_enUS535US535&oq=psychologists+in+America+human+experimentation&aqs=chrome..69i57.10461j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=psychologists+in+America+human+experimentation&rlz=1C1GIGM_enUS535US535&oq=psychologists+in+America+human+experimentation&aqs=chrome..69i57.10461j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8)

The danger is REAL; both the sodomites (<http://freedomoutpost.com/2014/01/intolerance-homosexual-agenda/#BJ1SFXgQv5B7dwW4.01> in their *Gay Manifesto*) and muslims have stated open violent agendas against Christians and anyone possessing proper values, ethics and morals. <http://www.youtube.com/watch?v=ErzOz3Dzv8&feature=youtu.be> and [https://www.youtube.com/watch?feature=player\\_embedded&v=jjnrLt3VuSM](https://www.youtube.com/watch?feature=player_embedded&v=jjnrLt3VuSM) ANYONE CALLING THE EVIL DICTATES IN THE QURAN "holy" IS EITHER COMPLETELY IGNORANT OF THE CONTENTS AND THE RESULTS OF THOSE WHO READ AND FOLLOW THE WICKED TEACHINGS IN IT OR AS EVIL AS THAT BOOK IS THEMSELVES!!!!!!! The quran calls for genocides against all unbelievers; especially Christians, and while they deny Christ crucified the book and it's followers by the evil anti-christ spirit in them are STILL crucifying CHRIST themselves! (everytime they crucify Christians worldwide) When our Christian nation has leaders embracing this supreme satanic wickedness on earth; there is only one sane response for all other citizens left; especially Christians and that is to arm yourselves at once and arrest all those openly stating their genocidal and horrific intentions against you and your children by daring to call the evil that is the quran "holy" and be so evil as to burn what actually is - "The Holy Bible". Arrest these persons who have stated they want you and your children to be as evil from

birth <http://www.youtube.com/watch?v=TliLEw0e8AI> and <https://www.facebook.com/photo.php?fbid=540373696058338&set=a.420389738056735.1073741826.420385901390452&type=1&theater> (read and watch the history and current events of the results of the evil quran to this day in the following notes) There is absolutely no greater threat and real danger to your lives and Christians worldwide than when a government controlling the largest arsenal of weapons of mass destruction on earth is saying they want the contents of the quran taught and followed. That satanic piece of literature (quran) is SO evil; the correct response should be an international ban on publishing it and distributing it; arrests of all who do and incineration of that evil book whenever and wherever it is found! <http://www.facebook.com/notes/michael-swenson/islam-is-evil-and-any-worldview-that-calls-for-genocides-and-extreme-violence-to/560337004045263>

<http://shoebat.com/2014/05/06/islamic-infiltration-christian-churches-america/> - it's not just our churches, but our schools, even universities, our government, and even law enforcement, we MUST STOP this enemy infiltration IMMEDIATELY! Militia Patriots of America, our nation is under attack! This is what the 2nd Amendment is for! When we have muslim infiltrators like Mahmood Mamdani lying to young students (practicing taqiyya and jihad) with quotes like this:

<http://imsuchanafroholic.com/tag/mahmood-mamdani/> to denigrate the United States and its factual history; then we have evidence that <https://www.facebook.com/notes/michael-swenson/the-planned-demoralization-of-america/632305113515118> has been successfully implemented. Especially when Americans, obviously ignorant of their own factual history, give AWARDS to this slanderous and libelous enemy infiltrator attacking the true American heritage and factual history as he so obviously has. Sadly, Americans don't RISE UP and DEMAND such persons be arrested for subversion and treason (IF they are even citizens)! This LIAR knows full well, colonists were attacked by the native americans FIRST and the result was a WAR! He also knows full well, that slavery was LONG in Africa before it came to the Americas! AND THAT OUR NATION in its brief history ABOLISHED slavery; while it still continues to this day in Africa, predominantly perpetrated by people of HIS worldview (islamic). But amazingly, persons in our own nation give awards to this lying enemy, and embrace him as a so called educated intellectual! <http://polisci.columbia.edu/people/profile/96> DESPICABLE! And he's just one of many

enemy infiltrators that have slithered into our public education system intentionally perverting young minds with outright lies, subterfuge, manipulation and deceit (otherwise known as):

<https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>

The wicked rulers of the world are accomplishing this evil agenda against all decent persons who cherish freedom, life and our American Christian heritage in the following ways (and as already shown above):

I encounter people constantly who are living in such a strong sense of psychological denial that they won't even look at facts; because worldwide public indoctrination systems have brainwashed them now for several decades, and their brainwashing is consistently reinforced through media. I explain who is responsible and why it was done to mass millions of people all over the world in these notes:

The information in the following links contain absolute proof of why there is an increase in sicknesses, wars, and open policies and procedures of death now worldwide (the obvious ones of abortion and the not so obvious ones of genocides in local hospitals as millions of innocent citizens are murdered each year worldwide and even in America and hacked up for their organs) As a rare survivor of hospital homicides, I consider it my duty to warn the unsuspecting public of the horrors I personally encountered by trying to get the mass murdering doctors and nurses arrested. The adversity from sex offending cops and federal agents, threats, harassment, messages like this one on my answering service: <http://www.blastthetrumpet.org/iTestifytheTRUTH/popman.wav> In my effort to save your lives and that of your children, I not only contacted all branches of our government from the lowest to the highest levels, I filed a ten trillion dollar class action lawsuit to document the results for public benefit. Through hellish agony few can imagine over what they did to me to try and murder me, I compiled PROOFS AND EVIDENCES THAT YOU AND YOUR CHILDRENS LIVES ARE ALREADY UNDER ATTACK IN THE FOLLOWING WAYS! YOU CAN EITHER CHOOSE TO REMAIN BLIND TO THESE FACTS AND SUFFER AND DIE IN YOUR IGNORANCE OR YOU CAN READ THIS LIFE SAVING INFORMATION PROVIDED YOU BY WHISTLEBLOWERS WHO ARE PUTTING THEIR OWN LIVES ON THE LINE TO SAVE YOURS! THESE NOTES EXPOSE WHY THE EVENTS ARE TAKING PLACE NOW AROUND THE WORLD! THEY EXPOSE WHO IS BEHIND THEM! THEY OFFER SUGGESTIONS OF WHAT NEEDS TO BE DONE BEFORE YOU'RE ALL EITHER TOO SICK, TOO POOR, OR TOO ENSLAVED TO DO ANYTHING ABOUT THEM!

The global elites look at their slave minions who work in buildings like this [https://www.google.com/search?q=nsa+headquarters&rlz=1C1GIGM\\_enUS535US535&espv=210&es\\_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=L8AMU\\_yeLcb4yAGr5YDQDA&ved=0CckQsAQ&biw=1067&bih=702](https://www.google.com/search?q=nsa+headquarters&rlz=1C1GIGM_enUS535US535&espv=210&es_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=L8AMU_yeLcb4yAGr5YDQDA&ved=0CckQsAQ&biw=1067&bih=702) just as expendable as the rest of humanity and all life on the planet. The evidence is in that the global elites are not just a threat to your lives and that of your children (already under attack) but all life on the planet in their selfish, greedy, arrogant insanity. The people of the world need to FIGHT BACK while you still can and ignore the foolish dissenters that are either the lackeys of the scum of the world who sit in those buildings and fight against whistleblowers like myself trying to save your lives and arrest them all for their crimes against humanity; or are the successful results of mass brainwashing that has been so successful people won't even take a little of their time to look at the facts even when their own lives and that of their children and loved ones depends on it.

And everyone who does not want to see this nation reduced to rubble; needs to return to GOD; demand our public education returns to GOD AND demand the arrests of sodomites (anyone who announces it is their intent to rape/murder little children, which includes all who call themselves muslims, all who affiliate with satanism, all who affiliate with such organization like CAIR, Nambla, Planned Slaughterood ("planned parenthood" and anyone calling for the murder of innocent babes) etc. These persons must not remain free so long as it is the stated agenda in their books and policies to do violent crimes to all the rest of us; especially innocent little children and Christians! accuse me of insulting you and your family when I have NEVER done so is the epitome of the problem; it's called willful ignorance. As Christ put they reject the truth because they love doing what is evil:

<http://www.biblegateway.com/passage/?search=John+3%3A15-21&version=AMP> If you are insulted by facts and truth; then it is only by your own choice to perceive it as such. Just because my child(ren) may steal or commit a crime; does not mean I would love them any less; but to tell them it is okay to do so; would not be loving them at all. In the same way, you THINK you have this feeling of love for your child; but I have shown you factual evidence not just in the WORD of GOD but worldwide statistical evidence that those who engage in such behavior have shortened lifespans and are more prone to STDs and other consequences great and small for such behavior

It appears only knowledge that allows you to remain in your own chosen confirmation bias; while insulting anyone presenting facts contrary to it. It is obvious that wicked people and righteous people will NEVER peacefully coexist: <http://shoebat.com/2014/04/02/homosexuals-throw-human-excrement-christians-wipe-anuses-pages-bible/> GOD destroyed the sodomites of old and He will destroy them all over the world again. You can either be a nation that embraces these evils and will lie in ashen ruins as a result; or you can arrest evil doers throughout the land; put them behind bars like the animals they are and raise the children in righteousness. Every nation on earth that embraces evil doers, makes laws to condone or protect wickedness is about to be not only Judged by Almighty GOD; but about to experience Divine Wrath worldwide.

REPENT!!!!!!! Christians, ARM YOURSELVES!!!!!!!!!!!!!! We must go through our nation and purge this rising evil or America and all nations that let this level of evil go on unrestrained will lie in ruins!!!!!!!

the satanic NWO must be deposed!

**The public needs to realize that buying saudi/arab emirates oil has enabled the funding of islamic terrorism and infiltration by buying off corrupt politicians. they further need to realize that the media is afraid of exposing this corruption. 1) ALL NATIONS MUST STOP BUYING OIL FROM islamic nations 2) ALL NATIONS MUST BAN islam 3) ALL CITIZENS MUST FORCEFULLY DEPOSE ALL TREASONOUS POLITICAL OFFICIALS KOWTOWING TO islam <https://www.facebook.com/notes/michael-swenson/islam-provably-satanic/747974835281478>**

I am too poor (I don't own a vehicle of any kind because of what was done to me - [www.blastthetrumpet.org](http://www.blastthetrumpet.org)) and too ill; but if no one else will go, give me some body armor, weapon and plenty of ammution and the means to take the battle to the head of the snake; I'll go send me! We MUST place these wicked persons under arrest and try them all for their crimes against humanity! (And in the case of the obama administration and all political and financial backers that includes TREASON)!

Seriously, review the information all cited plainly above and unite to get our nation and our liberties back as soon as possible or in the near future you very well may find yourself facing an actual genocidal holocaust right here in America and WWIII because we did not stop this evil presence in our nation when we could easily do so!

**[Michael Swenson](#)** I can't believe people are still talking about unarmed protests! YOUR LIVES AND THAT OF YOUR CHILDREN ARE UNDER ATTACK!!!!!!!!!! UNLESS YOU PLAN ON A NATIONWIDE SHUT DOWN OF ALL SERVICES (MAKING GOVERNMENT COMPLETELY INEFFECTIVE UNTIL THOSE WITH THE GUNS ARREST THE INFILTRATORS) THEN AN UNARMED PROTEST IS USELESS! TREASONOUS POLITICIANS IN THE EXECUTIVE, LEGISLATIVE, AND JUDICIAL BRANCHES NEED TO FIND THEMSELVES UNDER CITIZENS ARREST! (TO BE DEPOSED) AND AN UNARMED DEMONSTRATION ISN'T GOING TO CUT IT! THE TIME IS PAST GENTLEMEN, WAR HAS BEEN DECLARED AGAINST US AND OUR NATION! OUR ENEMIES NEED TO SEE MASS MILLIONS WHO LOOK LIKE THIS: <http://i50.tinypic.com/o5yp9v.gif>

In his memoirs after the war, The Grand Mufti of Jerusalem, Haj Amin Al-Husseini noted that "Our fundamental condition for cooperating with Germany was a free hand to eradicate every last Jew from Palestine and the Arab world. I asked Hitler for an explicit undertaking to allow us to solve the Jewish problem in a manner befitting our national and racial aspirations and according to the scientific methods innovated by Germany in the handling of its Jews."

What is F.E.M.A. ? “Federal Emergency Management Agency”

What is the Federal Emergency Management Agency? Simply put, it is the “secret government”. This agency has powers and authority that go well beyond any other agency in the nation. What can FEMA do? It can suspend laws. It can move entire populations. It can arrest and detain citizens without a warrant and can hold them without a trial. It can seize property, food supplies, and transportation systems. And it can even suspend the Constitution of the United States.

When the first concept had been presented, its original mission was to assure the survivability of the United States Government in the event of a nuclear attack. It’s secondary function was to be a Federal coordinating body during times of domestic disasters. These disasters consisted of earthquakes, floods, and hurricanes.

The “secret” black helicopters that are reported throughout the US, mainly in the West California, Washington, Arizona, New Mexico, Texas, and Colorado areas are flown by FEMA personnel. It has been given the responsibility for many new national disasters such as forest fires, home heating emergencies, refugee situations, riots, and emergency planning for nuclear and toxic incidents. It works together with the Sixth Army in the West.

A series of Executive Orders (EO) was used to create FEMA. It does not matter whether an EO is Constitutional or not, it becomes a law simply by being published in the Federal Registry. These orders go around Congress.

There over 800 prison camps in the United States, all fully operational and ready to receive prisoners. They are all staffed and even surrounded by full-time guards, but they are all empty. These camps are to be operated by FEMA (Federal Emergency Management Agency) should Martial Law need to be implemented in the United States and all it would take is a presidential signature on a proclamation and the attorney general's signature on a warrant to which a list of names is attached. Ask yourself if you really want to be on Ashcroft's list.

The Rex 84 Program was established on the reasoning that if a "mass exodus" of illegal aliens crossed the Mexican/US border, they would be quickly rounded up and detained in detention centers by FEMA. Rex 84 allowed many military bases to be closed down and to be turned into prisons.

Operation Cable Splicer and Garden Plot are the two sub programs which will be implemented once the Rex 84 program is initiated for its proper purpose. Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government. FEMA is the executive arm of the coming police state and thus will head up all operations. The Presidential Executive Orders already listed on the Federal Register also are part of the legal framework for this operation.

**"The young Obama was a garden variety Marxist-Leninist. He and Boss and his sophomore year roommate, Hasan Chandoo, believed that social forces were creating an inevitable Communist revolution in the U.S. and that it was important to have a highly trained elite of educated leaders guide this revolutionary process and oversee it once the revolution took place. Remember, this was at the height of the Cold War in 1980. Ronald Reagan had just been elected president and the USSR was still our mortal enemy."**

**CONCENTRATION CAMPS IN AMERICA?**  
YES IT'S TRUE! There are over 800 prison camps in the United States. All fully operational and ready to receive prisoners. These camps are to be operated by **Politifake.org** FEMA should Martial Law need to be implemented.

### [Illuminati Decoded](#)

What is F.E.M.A. ? “Federal Emergency Management Agency”

What is the Federal Emergency Management Agency? Simply put, it is the “secret government”. This agency has powers and authority that go well beyond any other agency in the nation. What can FEMA do? It can suspend laws. It can move entire populations. It can arrest and detain citizens without a warrant and can hold them without a trial. It can seize property, food supplies, and transportation systems. And it can even suspend the Constitution of the United States.

When the first concept had been presented, its original mission was to assure the survivability of the United States Government in the event of a nuclear attack. It's secondary function was to be a Federal coordinating body during times of domestic disasters. These disasters consisted of earthquakes, floods, and hurricanes.

The "secret" black helicopters that are reported throughout the US, mainly in the West California, Washington, Arizona, New Mexico, Texas, and Colorado areas are flown by FEMA personnel. It has been given the responsibility for many new national disasters such as forest fires, home heating emergencies, refugee situations, riots, and emergency planning for nuclear and toxic incidents. It works together with the Sixth Army in the West.

A series of Executive Orders (EO) was used to create FEMA. It does not matter whether an EO is Constitutional or not, it becomes a law simply by being published in the Federal Registry. These orders go around Congress.

There over 800 prison camps in the United States, all fully operational and ready to receive prisoners. They are all staffed and even surrounded by full-time guards, but they are all empty. These camps are to be operated by FEMA (Federal Emergency Management Agency) should Martial Law need to be implemented in the United States and all it would take is a presidential signature on a proclamation and the attorney general's signature on a warrant to which a list of names is attached. Ask yourself if you really want to be on Ashcroft's list.

The Rex 84 Program was established on the reasoning that if a "mass exodus" of illegal aliens crossed the Mexican/US border, they would be quickly rounded up and detained in detention centers by FEMA. Rex 84 allowed many military bases to be closed down and to be turned into prisons.

Operation Cable Splicer and Garden Plot are the two sub programs which will be implemented once the Rex 84 program is initiated for its proper purpose. Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government. FEMA is the executive arm of the coming police state and thus will head up all operations. The Presidential Executive Orders already listed on the Federal Register also are part of the legal framework for this operation

The show 'Johnny Bravo' is one of my favourite cartoon shows from childhood, but upon watching a certain episode named 'Chain Gang Johnny', I noticed a particular picture in the background:

It may be coincidental, but that burning building in the background struck me as a tad odd. Of course, my thoughts went to September 11th 2001. I did a little research on it and this particular episode aired on April 27th, 2001. Roughly 4 months before September 11th. The words "Coming Soon" shook me.

## Michael Garbanewski

Agreed STAND !

You will be hated by everyone because of me, but the one who stands firm to the end will be saved. (Matthew 10:22 NIV)

through whom we have gained access by faith into this grace in which we now stand. And we boast in the hope of the glory of God. (Romans 5:2 NIV)

So be subject to God. Resist the devil [stand firm against him], and he will flee from you. (James 4:7 AMP)

So, if you think you are standing firm, be careful that you don't fall! No temptation has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it. (1 Corinthians 10:12, 13 NIV)

Be on your guard; stand firm in the faith; be courageous; be strong. (1 Corinthians 16:13 NIV)

Whatever happens, conduct yourselves in a manner worthy of the gospel of Christ. Then, whether I come and see you or only hear about you in my absence, I will know that you stand firm in the one Spirit, striving together as one for the faith of the gospel without being frightened in any way by those who oppose you. This is a sign to them that they will be destroyed, but that you will be saved—and that by God. For it has been granted to you on behalf of Christ not only to believe in him, but also to suffer for him, (Philippians 1:27-29 NIV)

You too, be patient and stand firm, because the Lord's coming is near. Brothers and sisters, as an example of patience in the face of suffering, take the prophets who spoke in the name of the Lord. (James 5:8, 10 NIV)

Consider it wholly joyful, my brethren, whenever you are enveloped in or encounter trials of any sort or fall into various temptations. Be assured and understand that the trial and proving of your faith bring out endurance and steadfastness and patience. But let endurance and steadfastness and patience have full play and do a thorough work, so that you may be [people] perfectly and fully developed [with no defects], lacking in nothing. If any of you is deficient in wisdom, let him ask of the giving God [Who gives] to everyone liberally and ungrudgingly, without reproaching or faultfinding, and it will be given him. Only it must be in faith that he asks with no wavering (no hesitating, no doubting). For the one who wavers (hesitates, doubts) is like the billowing surge out at sea that is blown hither and thither and tossed by the wind. For truly, let not such a person imagine that he will receive anything [he asks for] from the Lord, [For being as he is] a man of two minds (hesitating, dubious, irresolute), [he is] unstable and unreliable and uncertain about everything [he thinks, feels, decides]. (James 1:2-8 AMP)

The works of His hands are [absolute] truth and justice [faithful and right]; and all His decrees and precepts are sure (fixed, established, and trustworthy). They stand fast and are established forever and ever and are done in [absolute] truth and uprightness. (Psalm 111:7, 8 AMP)

The wicked plot against the [uncompromisingly] righteous (the upright in right standing with God); they gnash at them with their teeth. (Psalm 37:12 AMP)

The wicked are overthrown and are not, but the house of the [uncompromisingly] righteous shall stand. (Proverbs 12:7 AMP)

My soul yearns for You [O Lord] in the night, yes, my spirit within me seeks You earnestly; for [only] when Your judgments are in the earth will the inhabitants of the world learn righteousness (uprightness and right standing with God). (Isaiah 26:9 AMP)

Who can stand before His indignation? And who can stand up and endure the fierceness of His anger? His wrath is poured out like fire, and the rocks are broken asunder by Him. (Nahum 1:6 AMP)

And when He comes, He will convict and convince the world and bring demonstration to it about sin and about righteousness (uprightness of heart and right standing with God) and about judgment: (John 16:8 AMP)

Establishing and strengthening the souls and the hearts of the disciples, urging and warning and encouraging them to stand firm in the faith, and [telling them] that it is through many hardships and tribulations we must enter the kingdom of God. (Acts 14:22 AMP)

Namely, the righteousness of God which comes by believing with personal trust and confident reliance on Jesus Christ (the Messiah). [And it is meant] for all who believe. For there is no distinction, Since all have sinned and are falling short of the honor and glory which God bestows and receives. [All] are justified and made upright and in right standing with God, freely and gratuitously by His grace (His unmerited favor and mercy), through the redemption which is [provided] in Christ Jesus, (Romans 3:22-24 AMP)

THEREFORE, SINCE we are justified (acquitted, declared righteous, and given a right standing with God) through faith, let us [grasp the fact that we] have [the peace of reconciliation to hold and to enjoy] peace with God through our Lord Jesus Christ (the Messiah, the Anointed One). Through Him also we have [our] access (entrance, introduction) by faith into this grace (state of God's favor) in which we [firmly and safely] stand. And let us rejoice and exult in our hope of experiencing and enjoying the glory of God. Moreover [let us also be full of joy now!] let us exult and triumph in our troubles and rejoice in our sufferings, knowing that pressure and affliction and hardship produce patient and unswerving endurance. And endurance (fortitude) develops maturity of character (approved faith and tried integrity). And character [of this sort] produces [the habit of] joyful and confident hope of eternal salvation. Such hope never disappoints or deludes or shames us, for God's love has been poured out in our hearts through the Holy Spirit Who has been given to us. While we were yet in weakness [powerless to help ourselves], at the fitting time Christ died for (in behalf of) the ungodly. Now it is an extraordinary thing for one to give his life even for an upright man, though perhaps for a noble and lovable and generous benefactor someone might even dare to die. But God shows and clearly proves His [own] love for us by the fact that while we were still sinners, Christ (the Messiah, the Anointed One) died for us. Therefore, since we are now justified (acquitted, made righteous, and brought into right relationship with God) by Christ's blood, how much more [certain is it that] we shall be saved by Him from the indignation and wrath of God. For if while we were enemies we were reconciled to God through the death of His Son, it is much more [certain], now that we are reconciled, that we shall be saved (daily delivered from sin's dominion) through His [resurrection] life. Not only so, but we also rejoice and exultingly glory in God [in His love and perfection] through our Lord Jesus Christ, through Whom we have now received and enjoy [our] reconciliation. [Jer. 9:24.] Therefore, as sin came into the world through one man, and death as the result of sin, so death spread to all men, [no one being able to stop it or to escape its power] because all men sinned. [To be sure] sin was in the world before ever the Law was given, but sin is not charged to men's account where there is no law [to transgress]. Yet death held

sway from Adam to Moses [the Lawgiver], even over those who did not themselves transgress [a positive command] as Adam did. Adam was a type (prefigure) of the One Who was to come [in reverse, the former destructive, the Latter saving]. [Gen. 5:5; 7:22; Deut. 34:5.] But God's free gift is not at all to be compared to the trespass [His grace is out of all proportion to the fall of man]. For if many died through one man's falling away (his lapse, his offense), much more profusely did God's grace and the free gift [that comes] through the undeserved favor of the one Man Jesus Christ abound and overflow to and for [the benefit of] many. Nor is the free gift at all to be compared to the effect of that one [man's] sin. For the sentence [following the trespass] of one [man] brought condemnation, whereas the free gift [following] many transgressions brings justification (an act of righteousness). For if because of one man's trespass (lapse, offense) death reigned through that one, much more surely will those who receive [God's] overflowing grace (unmerited favor) and the free gift of righteousness [putting them into right standing with Himself] reign as kings in life through the one Man Jesus Christ (the Messiah, the Anointed One). Well then, as one man's trespass [one man's false step and falling away led] to condemnation for all men, so one Man's act of righteousness [leads] to acquittal and right standing with God and life for all men. For just as by one man's disobedience (failing to hear, heedlessness, and carelessness) the many were constituted sinners, so by one Man's obedience the many will be constituted righteous (made acceptable to God, brought into right standing with Him). But then Law came in, [only] to expand and increase the trespass [making it more apparent and exciting opposition]. But where sin increased and abounded, grace (God's unmerited favor) has surpassed it and increased the more and superabounded, So that, [just] as sin has reigned in death, [so] grace (His unearned and undeserved favor) might reign also through righteousness (right standing with God) which issues in eternal life through Jesus Christ (the Messiah, the Anointed One) our Lord. (Romans 5:1-21 AMP)

Now it is evident that no person is justified (declared righteous and brought into right standing with God) through the Law, for the Scripture says, The man in right standing with God [the just, the righteous] shall live by and out of faith and he who through and by faith is declared righteous and in right standing with God shall live. [Hab. 2:4.] (Galatians 3:11 AMP)

Put on God's whole armor [the armor of a heavy-armed soldier which God supplies], that you may be able successfully to stand up against [all] the strategies and the deceits of the devil. For we are not wrestling with flesh and blood [contending only with physical opponents], but against the despoticisms, against the powers, against [the master spirits who are] the world rulers of this present darkness, against the spirit forces of wickedness in the heavenly (supernatural) sphere. Therefore put on God's complete armor, that you may be able to resist and stand your ground on the evil day [of danger], and, having done all [the crisis demands], to stand [firmly in your place]. Stand therefore [hold your ground], having tightened the belt of truth around your loins and having put on the breastplate of integrity and of moral rectitude and right standing with God, And having shod your feet in preparation [to face the enemy with the firm-footed stability, the promptness, and the readiness produced by the good news] of the Gospel of peace. [Isa. 52:7.] Lift up over all the [covering] shield of saving faith, upon which you can quench all the flaming missiles of the wicked [one]. And take the helmet of salvation and the sword that the Spirit wields, which is the Word of God. Pray at all times (on every occasion, in every season) in the Spirit, with all [manner of] prayer and entreaty. To that end keep alert and watch with strong purpose and perseverance, interceding in behalf of all the saints (God's consecrated people). Peace be to the brethren, and love joined with faith, from God the Father and the Lord Jesus Christ (the Messiah, the

Anointed One). Grace (God's undeserved favor) be with all who love our Lord Jesus Christ with undying and incorruptible [love]. Amen (so let it be). (Ephesians 6:11-18, 23, 24 AMP)

So be subject to God. Resist the devil [stand firm against him], and he will flee from you. (James 4:7 AMP)

SO YOU, my son, be strong (strengthened inwardly) in the grace (spiritual blessing) that is [to be found only] in Christ Jesus. And the [instructions] which you have heard from me along with many witnesses, transmit and entrust [as a deposit] to reliable and faithful men who will be competent and qualified to teach others also. Take [with me] your share of the hardships and suffering [which you are called to endure] as a good (first-class) soldier of Christ Jesus. No soldier when in service gets entangled in the enterprises of [civilian] life; his aim is to satisfy and please the one who enlisted him. And if anyone enters competitive games, he is not crowned unless he competes lawfully (fairly, according to the rules laid down). [It is] the hard-working farmer [who labors to produce] who must be the first partaker of the fruits. Think over these things I am saying [understand them and grasp their application], for the Lord will grant you full insight and understanding in everything. Constantly keep in mind Jesus Christ (the Messiah) [as] risen from the dead, [as the prophesied King] descended from David, according to the good news (the Gospel) that I preach. [Ps. 16:10.] For that [Gospel] I am suffering affliction and even wearing chains like a criminal. But the Word of God is not chained or imprisoned! Therefore I [am ready to] persevere and stand my ground with patience and endure everything for the sake of the elect [God's chosen], so that they too may obtain [the] salvation which is in Christ Jesus, with [the reward of] eternal glory. The saying is sure and worthy of confidence: If we have died with Him, we shall also live with Him. If we endure, we shall also reign with Him. If we deny and disown and reject Him, He will also deny and disown and reject us. If we are faithless [do not believe and are untrue to Him], He remains true (faithful to His Word and His righteous character), for He cannot deny Himself. Remind [the people] of these facts and [solemnly] charge them in the presence of the Lord to avoid petty controversy over words, which does no good but upsets and undermines the faith of the hearers. Study and be eager and do your utmost to present yourself to God approved (tested by trial), a workman who has no cause to be ashamed, correctly analyzing and accurately dividing [rightly handling and skillfully teaching] the Word of Truth. But avoid all empty (vain, useless, idle) talk, for it will lead people into more and more ungodliness. And their teaching [will devour; it] will eat its way like cancer or spread like gangrene. So it is with Hymenaeus and Philetus, Who have missed the mark and swerved from the truth by arguing that the resurrection has already taken place. They are undermining the faith of some. But the firm foundation of (laid by) God stands, sure and unshaken, bearing this seal (inscription): The Lord knows those who are His, and, Let everyone who names [himself by] the name of the Lord give up all iniquity and stand aloof from it. [Num. 16:5; Isa. 26:13.] But in a great house there are not only vessels of gold and silver, but also [utensils] of wood and earthenware, and some for honorable and noble [use] and some for menial and ignoble [use]. So whoever cleanses himself [from what is ignoble and unclean, who separates himself from contact with contaminating and corrupting influences] will [then himself] be a vessel set apart and useful for honorable and noble purposes, consecrated and profitable to the Master, fit and ready for any good work. Shun youthful lusts and flee from them, and aim at and pursue righteousness (all that is virtuous and good, right living, conformity to the will of God in thought, word, and deed); [and aim at and pursue] faith, love, [and] peace (harmony and concord with others) in

fellowship with all [Christians], who call upon the Lord out of a pure heart. But refuse (shut your mind against, have nothing to do with) trifling (ill-informed, unedifying, stupid) controversies over ignorant questionings, for you know that they foster strife and breed quarrels. And the servant of the Lord must not be quarrelsome (fighting and contending). Instead, he must be kindly to everyone and mild-tempered [preserving the bond of peace]; he must be a skilled and suitable teacher, patient and forbearing and willing to suffer wrong. He must correct his opponents with courtesy and gentleness, in the hope that God may grant that they will repent and come to know the Truth [that they will perceive and recognize and become accurately acquainted with and acknowledge it], And that they may come to their senses [and] escape out of the snare of the devil, having been held captive by him, [henceforth] to do His [God's] will. (2 Timothy 2:1-26 AMP)

Lesson: The Real Facts of the Holocaust (SAR)

What many people do not realize are the twists to history that are being taught to our children through an enforcement of repetition, and penalty/ failure when not repeated as taught. A prime example of this would be the Holocaust. Several Americans live under the illusion that six million Jews were killed by Jewish hating German Nazis. What most people do not know, is that is a huge twist on historical events. Hitler himself was a Khazar Jew, and the grandson to the top elitist Rothschild. His mission was to rid the elitist Khazar Jews of the innocent "real" Jews, who were causing financial and political burden to the elitist movement. This was not at all a matter of "white supremacy," it was a matter of "elitist supremacy." Lionel Nathan Rothschild (22 Nov 1808- 3 Jan 1879) had an illegitimate son with a servant at the Rothschild mansion. This child was named Alois Hitler (7 June 1837-3 January 1903). Alois Schueckelgruber married Clara Poltzi. Alois officially changed his last name with the Austrian ministry to

Hitler. Hitler was his mother in laws maiden name, making him known to be illegitimate. They had three sons, Gustav, Adolf (Adolf Hitler), and Paula. Evelyn De Rothschild, owner of the US Fed is the great grandson of Lionel Nathan Rothschild. He is the man who controls the politicians today. This leaves us with an Elitest Khazar Jew descendant of Hitler running and operating the mechanics of the world, and mainly our own country. This of course leads to false interpretations of the Holocaust to be taught to our children the same as all historical government corrupted events. It has been statistically proven that the real number of Jews killed during the Holocaust is between 500,000 and 1 million. Thomas Dalton PhD Describes how the six million figure is not plausible when the war ran for 5.5 years, roughly 2000 days from Sept 1939 – April 1945. This means there was a needed death count of 3000 people per day every day and must have burned, buried, or disposed of these bodies as well. Camps, shootings, and ghettos are said to be the three main causes of death to the proclaimed 6 million Jews. There are no records to show how these numbers would be made possible that totals 6 million. The number 6 million is symbolic and predates WW2, used frequently to talk about Jews in distress. Several impossible harsh terms are spread about the deaths of the Jews. One theory was that they would fit up to 2000 Jews in a closed room, some underground and dumped cyanide pellets on them. This is senseless, the rooms had neither windows or ventilation to vent that poisonous gas, the pellets would also generate the poison for hours, killing anyone who went inside, and it would also be impossible to clear the number of bodies generated in a timely manner. Some camps have a single gas chamber with 2 metal chambers for the gas pellets but just 2 meters away are 5 delousing rooms for clothing and bed linens each with a well engineered cyanide gas circulation machine. It makes no sense to use such a method to kill people when a proper one existed in the very same building. And for that, cyanide gas killed only about 1 million Jews all at Auschwitz, by contrast 2 million were killed by exhaust from diesel engines. Not only is this even less possible than workable pellets but it is not reasonable to kill anyone in any reasonable amount of time with exhaust. There is not enough carbon monoxide in it. Some say there were gasoline engines with higher monoxide levels in it but this does not solve the amount of practical problems of inefficiencies of pumping engine exhaust of any kind into a sealed room. Killing thousands a day is one problem, but disposing of the bodies is another. The crematoriums were all designed with individual person ovens. Each takes about an hour to burn one body. All of Auschwitz had only 50 ovens. 50 times 20 hours equals only 1000 bodies per day, and that is at the largest camp. Some camps had 0 ovens hence all of the bodies we are told were burned in open air. But this is also impossible. They would have to burn 6,500 bodies per day. With this much smoke, it would be visible from aerial view. Out of all of the photos of the holocaust only one photo shows even a single smoking crematory chimney. Four photos show small fires burning from one very small corner of the camp. Evidence of mass burning is strikingly absolute. It is true that there are witnesses who viewed several deaths all over the around them, but this rate would be reasonable to also equal the 500,000- 1 million Jew death count. This is a perfect example of how media has become so corrupted that the current school systems are creating permanent history out of complete propaganda. It is very rare to find an American who knows the real numbers involved with the Holocaust. This same method is being used in countless pinpointed areas of history all over the world. This is also a clever tactic used to turn societies against each other, as well as guide a mentality of a mason generated mass culture in the future.

### **Fema Trains Pastors to Prep for Martial Law: Confiscation and Forced Relocations Reportedly on the Horizon**

---

#### **National Liberty Federation**

Two pastors have come forward and blown the whistle on a nationwide attempt by FEMA to train up religious leaders as secret police enforcers who teach their congregations to “obey the government” in event of martial law, natural disasters, or a flu pandemic.

FEMA warned the pastors that citizens would stand up for their second amendment rights and to be prepared for rebuttal. In return they were promised to be of the first vaccinated in event of an outbreak and were given assurances that they would be covered by full compensation in the event of problems.

Furthermore they encouraged the pastors to preach from Romans 13 – a chapter devoted to solely to ‘government submission.’

Pastor Revere outlined the plan to carry out mass vaccination and enforced drugging programs in times of crisis such as a bird flu outbreak.

“In the event of an outbreak or a bio-terrorist attack, there’d be a mass vaccination....they have a program nationwide ‘Pills in People’s Palm In 48 Hours’,” said the Pastor who was told that Wal-Mart had been designated as the central outlet of this procedure.

Which roads to close off after martial law was declared had also already been mapped out.

Local FEMA’s are gathering Ministers (Pastors) to help in the event of a “declaration of Martial Law or like police action following a declared emergency or quarantine due to an act of bioterrorism.

FEMA and other Disaster Agencies (NVOAD in particular: [www.nvoad.org](http://www.nvoad.org)) are training volunteers in a “Peer to Peer” program. That program trains people to assist FEMA in a neighborhood setting– teams reach out to neighbors in a declared emergency and “get their neighbors to obey authorities”. According to our spokesman, Ministers will be especially helpful because “you guys and gals can use Romans 13”.

## DID YOU NOTICE WHO OBAMA THREATENED?

*It's incredible that 42% of Americans think that this unqualified, incompetent, dishonorable, ego-driven fraud is doing a good job. Take a moment. Admit it to yourself. You know who his supporters are. They are the people that YOU support -- financially.*

*When he wasn't getting his way on raising the debt ceiling? He threatened to not pay: SOCIAL SECURITY RETIREES, MILITARY RETIREES, SOCIAL SECURITY, DISABILITY, and FEDERAL RETIREES.*

**NOW LET THIS SINK IN REALLY GOOD...**

1. He did not threaten to stop payments to illegal aliens.
2. He did not threaten to take frivolous benefits such as Internet access away from violent inmates.
3. He did not offer to fire some of the thousands of unnecessary federal employees that he hired.
4. He did not offer to cut down on his or his wife's frivolous gallivanting around. \$40 Million already spent on family vacations. (One Million on a FL golf outing). All our money...why not?
5. He did not threaten to not pay the senators and representatives or any of their staff.
6. He did not threaten to take benefits away from welfare recipients or to stop the free cell phones they get.
7. He did not threaten the food stamp programs.
8. He did not threaten to reduce payments in foreign aid to 156 countries (154 who openly don't like the USA).
9. He did not threaten to cut back on anything that involves his base voters.
10. The list could go on and on. He is in full political mode!

## Obama Has Turned the Government into a Weapon, and is Turning that Weapon Against America

In what can be described as stunning *coup d'état* before our very eyes, the most powerful nation on earth has turned its sights on its own citizens.

[Michael Swenson](#) I'm not for anarchy. If government has righteous people in it; then government will serve public interests; if government has unrighteous or even wicked people in it; it will not serve the public interests and may declare outright war against citizens (as has happened numerous times in history). So the link is provided to expose the detrimental effects of working for a corrupt or criminal government: <http://www.theanarchistalternative.info/QuitGov/>

But yes, I'm sorry but I repeat: to work for government is fundamentally dishonest, and I'll prove it.

This will make your head spin. What's the odds?

Any one of these 'coincidences' when taken singularly appear to not mean much, but when taken as a whole, a computer would blow a main circuit if you asked it to calculate the odds that they have occurred by chance alone.

Sit back, get a favorite beverage, and then read and ponder the Obama-related 'coincidences' ... then super-impose the bigger picture of most recent events i.e. Fast and furious, Benghazi, the IRS scandal and the NSA revelations ... then pray for our country.

Obama just happened to know 60's far-left radical revolutionary William Ayers, whose father just happened to be Thomas Ayers, who just happened to be a close friend of Obama's communist mentor Frank Marshall Davis, who just happened to work at the communist-sympathizing Chicago Defender

with Vernon Jarrett, who just happened to later become the father-in-law of Iranian-born leftist Valerie Jarrett, who Obama just happened to choose as his closest White House advisor, and who just happened to have been CEO of Habitat Company, which just happened to manage public housing in Chicago, which just happened to get millions of dollars from the Illinois state legislature, and which just happened not to properly maintain the housing—which eventually just happened to require demolition.

Valerie Jarrett also just happened to work for the city of Chicago, and just happened to hire Michelle LA Vaughan Robinson (later Mrs. Obama), who just happened to have worked at the Sidley Austin law firm, where former fugitive from the FBI Bernardino Dohrn also just happened to work, and where Barack Obama just happened to get a summer job.

Bernardine Dohrn just happened to be married to William Ayers, with whom she just happened to have hidden from the FBI at a San Francisco marina, along with Donald Warden, who just happened to change his name to Khalid al-Mansour, and Warden/al-Mansour just happened to be a mentor of Black Panther Party founders Huey Newton and Bobby Seale and a close associate of Nation of Islam leader Louis Farrakhan, and al-Mansour just happened to be financial adviser to a Saudi Prince, who just happened to donate cash to Harvard, for which Obama just happened to get a critical letter of recommendation from Percy Sutton, who just happened to have been the attorney for Malcolm X, who just happened to know Kenyan politician Tom Mboya, who just happened to be a close friend of Barack Hussein Obama, Sr., who just happened to meet Malcolm X when he traveled to Kenya.

Obama, Sr. just happened to have his education at the University of Hawaii paid for by the Laubach Literacy Institute, which just happened to have been supported by Elizabeth Mooney Kirk, who just happened to be a friend of Malcolm X, who just happened to have been associated with the Nation of Islam, which was later headed by Louis Farrakhan, who just happens to live very close to Obama's Chicago mansion, which also just happens to be located very close to the residence of William Ayers and Bernardine Dohrn, who just happen to have been occasional baby-sitters for Malia and Sasha Obama, whose parents just happened to have no concern exposing their daughters to bomb-making communists

After attending Occidental College and Columbia University, where he just happened to have foreign Muslim roommates, Obama moved to Chicago to work for the Industrial Areas Foundation, an organization that just happened to have been founded by Marxist and radical agitator Saul "the Red" Alinsky, author of Rules for Radicals, who just happened to be the topic of Hillary Rodham Clinton's thesis at Wellesley College, and Obama's \$25,000 salary at IAF just happened to be funded by a grant from the Woods Fund, which was founded by the Woods family, whose Sahara Coal company just happened to provide coal to Commonwealth Edison, whose CEO just happened to be Thomas Ayers, whose son William Ayers just happened to serve on the board of the Woods Fund, along with Obama.

Obama also worked on voter registration drives in Chicago in the 1980s and just happened to work with leftist political groups like the Democratic Socialists of America (DSA) and Socialist International (SI), through which Obama met Carl Davidson, who just happened to travel to Cuba during the Vietnam War to sabotage the U.S. war effort, and who just happened to be a former member of the SDS and a member of the Committees of Correspondence for Democracy and Socialism, which just happened to

sponsor a 2002 anti-war rally at which Obama spoke, and which just happened to have been organized by Marilyn Katz, a former SDS activist and later public relations consultant who just happened to be a long-time friend of Obama's political hatchet man, David Axelrod.

Obama joined Trinity United Church of Christ (TUCC), whose pastor was Reverend Jeremiah Wright, a fiery orator who just happened to preach Marxism and Black Liberation Theology and who delivered anti-white, anti-Jew, and anti-American sermons, which Obama just happened never to hear because he just happened to miss church only on the days when Wright was at his "most enthusiastic," and Obama just happened never to notice that Oprah Winfrey left the church because it was too radical, and just happened never to notice that the church gave the vile anti-Semitic Nation of Islam leader Louis Farrakhan a lifetime achievement award.

Although no one had ever heard of him at the time, Obama just happened to receive an impossible-to-believe \$125,000 advance to write a book about race relations, which he just happened to fail to write while using the cash to vacation in Bali with his wife Michelle, and despite his record of non-writing he just happened to receive a second advance, for \$40,000, from another publisher, and he eventually completed a manuscript called *Dreams From My Father*, which just happened to strongly reflect the writing style of William Ayers, who just happened to trample on an American flag for the cover photograph of the popular Chicago magazine, which Obama just happened never to see even though it appeared on newsstands throughout the city.

Obama was hired by the law firm Miner, Banhill and Galland, which just happened to specialize in negotiating state government contracts to develop low-income housing, and which just happened to deal with now-imprisoned Tony Rezko and his firm Rezar, and with slumlord Valerie Jarrett, and the law firm's Judson Miner just happened to have been a classmate of Bernardine Dohrn, wife of William Ayers. In 1994 Obama represented ACORN and another plaintiff in a lawsuit against Citibank for denying mortgages to blacks (*Buycks-Roberson v. Citibank Federal Savings Bank*), and the lawsuit just happened to result in banks being blackmailed into approving subprime loans for poor credit risks, a trend which just happened to spread nationwide, and which just happened to lead to the collapse of the housing bubble, which just happened to help Obama defeat John McCain in the 2008 presidential election.

In 1996 Obama ran for the Illinois State Senate and joined the "New Party," which just happened to promote Marxism, and Obama was supported by Dr. Quentin Yong, a socialist who just happened to support a government takeover of the health care system.

In late 1999 Obama purportedly engaged in homosexual activities and cocaine-snorting in the back of a limousine with a man named Larry Sinclair, who claims he was contacted in late 2007 by Donald Young, who just happened to be the gay choir director of Obama's Chicago church and who shared information with Sinclair about Obama, and Young just happened to be murdered on December 23, 2007, just weeks after Larry Bland, another gay member of the church, just happened to be murdered, and both murders just happened to have never been solved. In 2008 Sinclair held a press conference to discuss his claims, and just happened to be arrested immediately after the event, based on a warrant issued by Delaware Attorney General Beau Biden, who just happens to be the son of Joe Biden.

In 2003 Obama and his wife attended a dinner in honor of Rashid Khalidi, who just happened to be a former PLO operative, harsh critic of Israel, and advocate of Palestinian rights, and who Obama claims he does not know, even though the Obamas just happened to have dined more than once at the home of Khalidi and his wife, Mona, and just happened to have used them as occasional baby-sitters. Obama reportedly praised Khalidi at the decidedly anti-Semitic event, which William Ayers just happened to also attend, and the event Obama pretends he never attended was sponsored by the Arab American Action Network, to which Obama just happened to have funneled cash while serving on the board of the Woods Fund with William Ayers, and one speaker at the dinner remarked that if Palestinians cannot secure a return of their land, Israel “will never see a day of peace,” and entertainment at the dinner included a Muslim children’s dance whose performances just happened to include simulated beheadings with fake swords, and stomping on American, Israeli, and British flags, and Obama allegedly told the audience that “Israel has no God-given right to occupy Palestine” and there has been “genocide against the Palestinian people by (the) Israelis,” and the Los Angeles Times has a videotape of the event but just happens to refuse to make it public.

In the 2004 Illinois Democrat primary race for the U.S. Senate, front-runner Blair Hull just happened to be forced out of the race after David Axelrod just happened to manage to get Hull’s sealed divorce records unsealed, which just happened to enable Obama to win the primary, so he could face popular Republican Jack Ryan, whose sealed child custody records from his divorce just happened to become unsealed, forcing Ryan to withdraw from the race, which just happened to enable the unqualified Obama to waltz into the U.S. Senate, where, after a mere 143 days of work, he just happened to decide he was qualified to run for President of the United States.

Need I go on?

[We The People Stand Here](#)

Is he Barack Obama or Barry Soetoro?

Complex issues certainly seem to haunt the President of the United States. After years of Americans questioning his birthplace and birth certificate, the Whitehouse finally uploaded a copy of Obama's Hawaiian birth certificate onto their website.

Maricopa County Sheriff Joe Arpaio hired forensic experts who proved that the birth certificate was a fraud and actually was created on a MAC laptop, not written in 1961. To my knowledge, no one has proven the validity of the birth certificate. However, Republicans as well as Democrats are afraid to confront the birth certificate issue for fear of being ridiculed by the media.

Then there's the issue of Obama's name. Is his real name Barack Hussein Obama or his adopted name, Barry Soetoro? When Barack's assumed mother, Ann Dunham, married Lolo Soetoro, an Indonesian, Lolo adopted Barack. His name given to him at the time was Soebarkah or Soe Bar Kah.

Soe signifies the adoptive father as Lolo Soetoro. Bar is obvious, as in Barack, but also links to the Islamic Aramic in bar meaning SON. The Kah is interesting in Indonesian, KAH translates as WAS. In names, KAH is added as a suffix to form a question of "Who?" Soe Bar Kah means literally Who is this, but the son of Soetoro. Our president, while being raised in Indonesia was known simply as Barry Soetoro.

The investigative journalist Wayne Madsen points out that Indonesian law explicitly states that dual citizenship is not permitted and, according to a 1958 Indonesian law, only Indonesian citizens could be enrolled in either of the two schools Barry attended in Jakarta, St. Fransiskus Assisi Catholic School and Menteng Elementary.

Investigative reporter Aaron Klein, in World Net Daily, points out that a 2007 Associated Press photograph taken by Tatan Syuflana, an Indonesian AP reporter and photographer, surfaced on the [www.Daylife.com](http://www.Daylife.com) photographic website showing an image of Obama's registration card at Indonesia's Fransiskus Assisi school. In the picture, Obama is registered under the name Barry Soetoro by his stepfather, Lolo Soetoro. The school card lists Barry Soetoro as a Indonesian citizen born Aug. 4, 1961, in Honolulu, Hawaii. His religion is listed as Muslim

Madsen admits that Obama's adoption was formal and carried out pursuant to Indonesian law. Soebarkah may be Obama's given Indonesian name: a legal requirement in his formal adoption process to become an Indonesian citizen.

President Barack Obama, while growing up in Indonesia was an Indonesian Muslim known as Barry Soetoro. When did he change his name, renounce Islam and regain U.S. citizenship?

**[Michael Swenson](#)** Ray Lanfear-- Islam and Sharia law will come to America in one generation by the stealth invasion equivalent to a modern version of the "Trojan Horse", by Muslim immigration. Unless good men and woman speak up now.

Abraham Lincoln said, "To sin by silence when they should protest makes cowards of men". When our mainstream news will not inform you of one of the main issues of the 21st Century, due to political correctness, then it's time not to be silent anymore.

Muslim refugees from Somalia and other "warzones" to the tune of 500,000 being relocated to America is the issue. Forget about being labeled a racist, bigot or being politically correct, silence won't turn back the tide. This immigration is a real and growing and is a threatening danger to America. Just look at Europe today folks. 60 million Muslims immigrated to Europe and 80% are on some sort of public assistance, bankrupting the towns, cities and countries. Due to Muslim immigration France is now bankrupt and a welfare State. Is America next?

The time has come to speak up and take a stand folk, for America. Awareness is the issue as most families are simply far too busy, working two jobs, raising their children and do not have a clue or the time to research the issue. Islamic forces are destroying Europe; they're in a fight for survival. The root

cause is the inevitable consequences of multiculturalism and immigration plus the alarming birthrate of Muslims now an average of 8.1 children in each Muslim family. Europe has literally been invaded.

Europe will become an Islamic state due to the immigration and sheer birthrate of Muslims.

I have done that for you, if you Google "TheProjectMuslimBrotherhood" you will find that this is their doctrine to destroy America and West from within by stealth jihad, and lies. Guess what, the doctrine is over 20 years old, and they are making substantial progress. We are now approaching 2400 Mosques along with approximately 2.7 million Muslims here in America.

"We will conquer Europe! (They are almost there) We will conquer America! Not through the sword but through Dawa (proselytizing) Yosuf-alQarawi, Muslim Brotherhood."

"We love death more than you love life." Quoted from the Fort Hood massacre killer. Islamists seek civilization Jihad and will stop as they literally follow the Quran. Although you can find peaceful passages, the Quran speaks violence throughout it. It is no Bible.

Massive immigration and multiculturalism is literally destroying most of Europe today. There are over 700 "Islamic No Go Zones", within France, England and Germany, where police cannot enter. Take a look around you Dearborn, Michigan, Maine, Tennessee, Minnesota, (has the majority of Somalia refugees and a Senator who took his oath and placed his hand on the Quran refused the Bible.) New York, California, Colorado for examples of the immigration resettlement program, and very soon coming to your State. Over 90% of them are illiterate and in need of public assistance. Have you been to Paris or Sweden recently? Immigration is bankrupting much of Europe.

I have no problem with the "peaceful Muslims" that wants to integrate into our culture and follow our laws. The problem lies in that the militant Muslims dominate the peaceful ones and eventually wants to force Islam and Sharia law upon us all. They agitate and campaign to dominate the rest. Why should America be forced into adapting to their culture? They must adapt to our culture. The Boston bombers were motivated by extreme militant Islamic beliefs. Our mainstream news is in denial of the danger of understating the issue of the Muslim/Islam problem in America today. Many of the Mosques are breeding grounds for home grown terrorists. Today in our prisons over 18% of the prison population are being converted to Islam by recruitment by extremists. Islam berg, in New York is a breeding ground for over 30 militant training compounds in America today.

The media has yet to uncover the truth. For the truth is that there are no so called "moderate" Muslims. "Islam is one religion following Koran and Sunna" I have also read the Koran cover to cover. It is not a peaceful religion as they would have you believe.

Sad to say, they are making inroads into every facet of our lives and trying to change our culture, under the guise of the first amendment. Already, they are changing our schools, universities, cities, towns and even our own government has been infiltrated. They want Sharia law and will stop at nothing to see that it happens. School textbooks are being changed to put Islam in a more favorable light. Have you been to a school board meeting recently? Food menus are being changed to accommodate all of them.

The Saudis "oil money" contributes to schools, universities and politicians so they can put Islam in a more favorable light in America. Their intent is to destroy us from within, not by "war" but rather by stealth jihad and intentional deception and front organizations like "CAIR" who support Hamas. They are gradually succeeding folks. There are now over 50 Islamic organizations within our own borders.

Concessions made to Muslims are growing everyday in America. You are just not aware or do not care. Recently, in a Catholic University, a group of Muslims is suing for discriminating against them for not

allowing them to “pray” in a room without a crucifixion, how absurd, let them go elsewhere. When Jews, Christians, Priests, Infidels are being slaughtered and murdered, and churches are being burned down did you ever wonder why the so called peaceful moderate Muslims, never speak out against these atrocities? Europe is losing the battle and America in less than a generation will be next. Where is the condemnation from the nearly 3 Million Muslims that are here, have you heard a word from them? Their silence speaks volumes on their real intent to destroy us from within and have no intention of ever living within our culture. They want Sharia law in America today folks, and they will not rest until they achieve that goal.. They want to wage war against freedom and democracy and have America continue to make concessions for them. You give them “one inch” and they will take a mile in support of their goals to establish Islam as the dominate religion in America and for the eventual mandate for Sharia law to take over our court system.

Sharia law is a real threat to America’s freedom folks. They just accomplished that fact, in England this week. We can learn a lot from just watching what is taking place in London.

Islam is a political ideology; it is the antithesis of a free society. One generation of silence on the issue due to political correctness is all it takes. What you do today and tomorrow will affect your children and grandchildren and future generations of America, yet unborn, you have a responsibility toward them.. Stand up and be counted to defeat this real threat from within. Voice your opinion, let your congressmen, senators and school boards know how you feel on the issue. Our freedom and liberty is at stake, be part of the solution folks.

Forget about being labeled and simply do what is right for America. We need a permanent solution, time is running out. Let us not become the next Europe. As for me I refuse to be silent on the issue. One person can make a difference, but think if were united, what a difference we can make to turn back the tide and doctrine of the Muslim Brotherhood. Enough is enough folks, if you do just one thing today, Google “TheProjectMuslimBrotherhood” and see for yourself their intent to destroy America from within. Thank you, and please forward this to millions. Let me know your opinions.

OK... I LIED about ObamaCare and a bunch of other things. I have no idea how to improve the economy, so you can forget about finding a better job. But I need you all to cover my ass again in November, otherwise, they'll change the Senate and it will really hit the fan for me. The IRS, the NSA, Benghazi, illegal arms deals, corrupt Atty General Eric Holder, my DHS releasing 68,000 illegal immigrants, and a lot of other stuff I don't want investigated. They might even take away my pen and my phone. Just remember, no matter what I do, if you don't support me, you're a racist.

# Cognitive Dissonance

“Sometimes people hold a core belief that is very strong.

When they are presented with evidence that works against that belief, the new evidence cannot be accepted.

It would create a feeling that is extremely uncomfortable, called cognitive dissonance.

And because it is so important to protect the core belief, they will rationalize, ignore and even deny anything that doesn't fit in with the core belief.”

[Michael Swenson http://pamelageller.com/.../taliban-prisoner-exchange.../](http://pamelageller.com/.../taliban-prisoner-exchange.../) - peace is not the plan; subjugation of America and the world to the satanic NWO is (muslims are a tool being wielded by them at present to bring about the desired unrest (WWIII) and depopulation goals that they plan to arise from in global domination and enslavement of whoever survives. (the megalomaniacs of the world suffer from extreme delusions of grandeur). I know this may be difficult for Americans and the rest of the world to grasp; but at the highest levels (those who own the mints, manufacture national currencies) they are experimenting with everyone else's lives! They sit back and test persons and cultures and nations, by instigating false flags, racism, civil unrest, ANYTHING to get the poor masses to kill themselves off, while they observe human nature, and continue to torture humanity with their insanity. the sick head shrinks in america and nazi germany that experimented on humans did so not just because they themselves are demented and depraved, but the satanists that fund and empower them are such! IF YOU REALLY WANT TO ADDRESS THE EVIL IN THE WORLD, YOU HAVE TO NOT ONLY DEPOSE TRAITORS LIKE obummer, BUT THOSE WHO OWN THE MINTS and implement/instigate all the brainwashing, riots, wars, etc. CHRISTIANS, and GODLY CITIZENS ALL OVER THE WORLD, either you can control the currencies, the governments, the weapons, or very evil, wicked persons will. FIGHT BACK! <https://www.facebook.com/notes/michael-swenson/the-weapons-of-our-warfare/578505248895105> but instead of FIGHTING each other, FIGHT THEM! fight those at the highest levels who are responsible for all this evil on earth; perverting little children to be as evil or more evil than themselves! TAKE BACK MEDIA, SCHOOLS, GOVERNMENT, FINANCE and NEVER EVER EVER let satanists slither into such positions EVER again!!!!!!!

**Michael Swenson** our nation has been infiltrated, rothschild, rockefeller, fund the UN, the UN factually had meetings and decided the world is overpopulated. They KNOW the quran teaches muslims to kill Christians. They want wars and violence as one of the depopulation measures; so they have purposely been flying in muslim terrorists into America and funding jihad; knowing this will ultimately lead to violent conflict in europe and America. they have positioned military vehicles for martial law because they are anticipating such a conflict that they are instigating on purpose. they have rail cars fitted with shackles here in america just like nazi germany had. they have camps ready to be filled and have recently become fully operational. the fema centers do not answer to the US government even though they are on US soil. If Americans and europeans want to stop their plans BEFORE a holocaust or wars ensue they need to unite, and they need to depose their current corrupt leaders loyal to the satanic NWO. it will not be enough just to arrest obama, we have to depose most of the existing politicians, but more importantly we have to shut down the NWO agenda by shutting down the satanic bloodlines that own the mints (world bank) and re-establishing national currencies; with godly persons in power (Christians)! Otherwise, we all need to prepare for the coming war, anarchy, martial law, empty grocery stores etc. <https://www.google.com/search...> If you are not aware of such things check out the references in: <https://www.facebook.com/notes/michael-swenson/warning-weve-been-invaded-and-infiltrated-our-nation-is-under-attack/566322743446689> or research for yourself any topic mentioned

More outrageous treatment of our military. Army 1LT Clint Lorance from Celeste Texas, a 28 year old ground combat platoon leader in the 82d Airborne Division was just sentenced to 20 years in Ft. Leavenworth on two counts of murder. In July 2012, 1LT Lorance ordered the engagement of two Taliban scouts who were tracking his platoon's movements while on a patrol in Kandahar province, a platoon that had recently experienced losses, including the previous Platoon Leader. According to our ridiculous Rules of Engagement, soldiers in a combat zone are told to hold their fire unless there is evidence of hostile action or direct hostile intent. I spent two and a half years in southern Afghanistan, and we all knew the Taliban utilized fighters on motorcycles and cell phones as scout/trackers. If there are enemy combatants reporting your patrol movements in order to facilitate an attack, how is that not hostile intent? CPT William Miller, the government prosecutor, said 1LT Lorance "used his rank and position to harass, intimidate, threaten, and murder Afghans." What an incredible dilemma for our men and women in combat: fight and kill the enemy and be sent to prison. Or be killed by the enemy and be denied your death gratuity benefits. This is utter BS and I implore true Americans, and veterans, to melt down the White House, DoD, and Department of the Army phone lines and email.

[Watch] Islamic Sharia Law will now be practiced in the state of Texas, YES, Texas!

Eric Muhammad is a registered member of the Nation of Islam and spoke at the Texas Muslim Capitol day in Austin, TX on 1/31/13

An Islamic Tribunal using Sharia law in Texas has been confirmed by Breitbart Texas. The tribunal is operating as a non-profit organization in Dallas. One of the attorneys for the tribunal said participation and acceptance of the tribunal's decisions are "voluntary."

Breitbart Texas spoke with one of the "judges," Dr. Taher El-badawi. He said the tribunal operates under Sharia law as a form of "non-binding dispute resolution." El-badawi said their organization is "a tribunal, not arbitration." A tribunal is defined by Meriam-Webster's Dictionary as "a court or forum of justice." The four Islamic attorneys call themselves "judges" not "arbitrators."

El-badawi said the tribunal follows Sharia law to resolve civil disputes in family and business matters. He said they also resolve workplace disputes.

In matters of divorce, El-badawi said that "while participation in the tribunal is voluntary, a married couple cannot be considered divorced by the Islamic community unless it is granted by the tribunal." He compared their divorce, known as "Talaq," as something similar to the Catholic practice of annulment in that the church does not recognize civil divorce proceedings as ending a marriage.

He also said there is a difference between how a man and a woman can request a divorce under their system. "The husband can request the divorce directly from the tribunal," El-badawi stated. "The wife must go to an Imam who will request the divorce for her." He called it "two paths to the same result." The practice of Khula is the process where a wife can initiate a divorce proceeding and where the husband can agree to the divorce in exchange for a financial compensation. It appears the wife must agree to give up any claim to the "dower" that was not already paid or to return it if it has already been paid. Once the financial issues are resolved the husband can then proclaim the Talaq (divorce).

El-badawi said they follow Texas family law when it comes to child support, visitation, and custody. He said that in most cases, custody of children is awarded to the mother.

Breitbart Texas asked what happens when there is a conflict between Sharia law and Texas law. El-badawi said most of the time, the laws are in agreement. When pushed further he admitted that, "we follow Sharia law." However, he explained, "If the parties are not satisfied with the tribunal's decision, they do not have to accept it and they can take the matter to Texas civil courts." He did not say what the social ramifications of rejecting the "judge's" decision would be.

The website for the Islamic Tribunal states, "The courts of the United States of America are costly and consist of ineffective lawyers. Discontent with the legal system leads many Muslims in America to postpone justice in this world and opt for an audience on the Day of Judgment."

It goes on to state, "It is with this issue that Muslims here in America are obligated to find a way to solve conflicts and disputes according to the principles of Islamic Law and its legal heritage of fairness and justice in a manner that is reasonable and cost effective."

In explaining Sharia law, the website states, “Stoning adulterers, cutting of the hands, polyandry and the like (all can be traced in the relevant literature and can be explained in their Islamic legal mentality and rational context in fairness and justice), are mainly a part of Islamic Criminal Law. In fact criminal law within Islam only makes up a fraction of the Shari’ah. It is unscholarly and unfair to generalize that type of understanding that is Criminal Law, to compromise the whole of Islamic law if we stick to speaking in technical terms.”

The website lists four “judges:” Imam Yusuf Z.Kavakci, Imam Moujahed Bakhach, Imam Zia ul Haque Sheikh and Dr. El-badawi. It states the Islamic Tribunal resolves business disputes, divorce (Talaq) cases, community problems, serious family problems, and Khula.

El-badawi restated several times that participation in the tribunal is voluntary. However, he would not discuss what happens to someone who did not follow their rulings.

457 years after Jerusalem was

453 years after Egypt was taken

443 after Muslims first plundered Italy.  
427 years after Muslim armies first laid  
siege to the Christian capital of Constantinople.  
380 years after Spain was conquered  
by Muslim armies.  
363 years after France was first attacked  
by Muslim armies.  
249 years after the capital of the Christian world,  
Rome itself, was sacked by a Muslim army,

David Crowley had been the lead screenwriter for the movie "Gray State," which depicts a violent police state in post-crisis America, including scenes of US military patrolling American streets, cameras in private homes, the introduction of mandatory RFID chips used for identification. His death comes as a "strange coincidence," given that our current police state is not very far removed from his film.

“I struggle with homosexuality also. I fight it as best I can but I'm not always so strong. I know it's a sin and I do love Jesus. I'm confused and need prayers of deliverance please. Thank you.” Sam Owens

There's no need to be confused about this issue. But to clear the confusion we have to back up a little and see what the Bible says about homosexuality. It aligns it with sexual sins such as adultery and fornication (see 1 Corinthians 6:9-10). According to God's Word, homosexuality is not unfortunate. It's not a sickness. It's not a problem with genes. It is a sin, just like adultery and fornication.

That means you can deal with it in the same way a man deals with his past sins of adultery and fornication. As a Christian he isn't immune to lust. In fact, if he's normal, almost every woman will become a potential object of his sexual desires. We are tempted “on every side” by the power of lust from without (this godless world), and from within (our sinful imagination). So how does a Christian deal with temptation? He resists it like the plague. He guards his heart “with all diligence.”

Certainly you need prayer, as does every Christian. But more than likely you don't need deliverance. You just need to forget that which is behind, trust minute by minute in the Holy Spirit to help you in your weakness. Then feed on the Word daily (without fail), which will give you strength, and walk in a fear of God. Do these things and you will never fail. You have God's Word on it.

## **MUSLIMS: Attacking America since 1801**

### [John Proteus](#)

PATRIOTS READ AND SHARE REAL HISTORY:

A LITTLE HISTORY THE PROGRESSIVES AND ISLAMISTS WILL NOT TEACH YOU!!

Obama lies about the great relationship between Islam and America!!

READ UP AND SHARE!!

Here is a little history. Including how the term 'Leatherneck' came to be . . .

Most Americans are unaware of the fact that over two hundred years ago, the United States had declared war on Islam, and Thomas Jefferson led the charge!

At the height of the eighteenth century, Muslim pirates were the terror of the Mediterranean and a large area of the North Atlantic. They attacked every ship in sight, and held the crews for exorbitant ransoms. Those taken hostage were subjected to barbaric treatment and wrote heart breaking letters home, begging their government and family members to pay whatever their Mohammedan captors demanded.

These extortionists of the high seas represented the Islamic nations of Tripoli, Tunis, Morocco, and Algiers – collectively referred to as the Barbary Coast – and presented a dangerous and unprovoked threat to the new American Republic.

Before the Revolutionary War, U.S. merchant ships had been under the protection of Great Britain. When the U.S. declared its independence and entered into war, the ships of the United States were protected by France. However, once the war was won, America had to protect its own fleets. Thus, the birth of the U.S. Navy.

Beginning in 1784, seventeen years before he would become president, Thomas Jefferson became America's Minister to France. That same year, the U.S. Congress sought to appease its Muslim adversaries by following in the footsteps of European nations who paid bribes to the Barbary States, rather than engaging them in war.

In July of 1785, Algerian pirates captured American ships, and the Dey of Algiers demanded an unheard-of ransom of \$60,000. It was a plain and simple case of extortion, and Thomas Jefferson was vehemently opposed to any further payments. Instead, he proposed to Congress the formation of a coalition of allied nations who together could force the Islamic states into peace. A disinterested Congress decided to pay the ransom.

In 1786, Thomas Jefferson and John Adams met with Tripoli's ambassador to Great Britain to ask by what right his nation attacked American ships and enslaved American citizens, and why Muslims held so much hostility towards America, a nation with which they had no previous contacts.

The two future presidents reported that Ambassador Sidi Haji Abdul Rahman Adja had answered that Islam "was founded on the Laws of their Prophet, that it was written in their Quran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as Prisoners, and that every Musselman (Muslim) who should be slain in Battle was sure to go to Paradise."

Despite of this stunning admission of premeditated violence on non-Muslim nations, as well as the objections of many notable American leaders, including George Washington, who warned that caving in was both wrong and would only further embolden the enemy, for the following fifteen years, the American government paid the Muslims millions of dollars for the safe passage of American ships or the return of American hostages. The payments in ransom and tribute amounted to over twenty percent of the United States government annual revenues in 1800.

Jefferson was disgusted. Shortly after his being sworn in as the third President of the United States in 1801, the Pasha of Tripoli sent him a note demanding the immediate payment of \$225,000 plus \$25,000 a year for every year forthcoming. That changed everything.

Jefferson let the Pasha know, in no uncertain terms, what he could do with his demand. The Pasha responded by cutting down the flagpole at the American consulate and declared war on the United States. Tunis, Morocco, and Algiers immediately followed suit. Jefferson, until now, had been against America raising a naval force for anything beyond coastal defense, but having watched his nation be cowed by Islamic thuggery for long enough, decided that it was finally time to meet force with force.

He dispatched a squadron of frigates to the Mediterranean and taught the Muslim nations of the Barbary Coast a lesson he hoped they would never forget. Congress authorized Jefferson to empower U.S. ships to seize all vessels and goods of the Pasha of Tripoli and to “cause to be done all other acts of precaution or hostility as the state of war would justify”.

When Algiers and Tunis, who were both accustomed to American cowardice and acquiescence, saw the newly independent United States had both the will and the might’ to strike back, they quickly abandoned their allegiance to Tripoli. The war with Tripoli lasted for four more years, and raged up again in 1815. The bravery of the U.S. Marine Corps in these wars led to the line “to the shores of Tripoli” in the Marine Hymn, They would forever be known as “leathernecks” for the leather collars of their uniforms, designed to prevent their heads from being cut off by the Muslim scimitars when boarding enemy ships.

Islam, and what its Barbary followers justified doing in the name of their prophet and their god, disturbed Jefferson quite deeply. America had a tradition of religious tolerance, the fact that Jefferson, himself, had co-authored the Virginia Statute for Religious Freedom, but fundamentalist Islam was like no other religion the world had ever seen. A religion based on supremacism, whose holy book not only condoned but mandated violence against unbelievers was unacceptable to him. His greatest fear was that someday this brand of Islam would return and pose an even greater threat to the United States.

This should bother every American. That the Islam’s have brought about women-only classes and swimming times at taxpayer-funded universities and public pools; that Christians, Jews, and Hindus have been banned from serving on juries where Muslim defendants are being judged, Piggy banks and Porky Pig tissue dispensers have been banned from workplaces because they offend Islamist sensibilities. Ice cream has been discontinued at certain Burger King locations because the picture on the wrapper looks similar to the Arabic script for Allah, public schools are pulling pork from their menus, on and on in the news papers....

It’s death by a thousand cuts, or inch-by-inch as some refer to it, and most Americans have no idea that this battle is being waged every day across America. By not fighting back, by allowing groups to obfuscate what is really happening, and not insisting that the Islamists adapt to our own culture, the United States is cutting its own throat with a politically correct knife, and helping to further the Islamist agenda. Sadly, it appears that today’s America would rather be politically correct than victorious.

Any doubts, just Google Thomas Jefferson vs the Muslim World

The First American Military Warriors Who Fought Against Islamic Terrorists From 1801-1805

“From the Halls of Montezuma, to the shores of Tripoli, we fight our country’s battles, in the air, on land, and sea.” - Official Hymn of the U.S. Marine Corps. Have you ever wondered what is Tripoli doing in our Marines’ official hymn? On this memorial day, let us remember those who gave their lives that we might be free from muslim terror!

Ambassador Thomas Jefferson had a wake up call the day he met with muslim leaders. Thomas Jefferson asked why are muslims attacking American ships when we are doing nothing to incite any form of violence. To his shock, he recorded the following words spoken by the muslim ambassador Abd Al-Rahman: "it was written in the Qur'an, that all Nations who should not have acknowledged the authority of mohammad were sinners, that it was the right and duty of every muslim to make war upon nonmuslims they could find and to make Slaves of all they could take as prisoners, and that every Muslim who should be slain in battle was believed to go to Paradise."

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

To the surprise of many in our modern liberal and libertarian false worlds, our nation formed its first national Navy and united beyond individual States to a national force, due to muslim terrorist attacks at the foundational years of our nation. The founders of our nation believed that we needed to be united against the threat of islamic terrorism or we would fall as divided States. Muslims were terrorizing Americans by forcefully boarding American ships and beheading our men and enslaving our women and children. Americans were being sold in the open muslim market.

When they offered America an option to pay a nonmuslim tax of up to 1 million dollars per year so they would "allow" us to sail without their attacks on our ships, sadly, John Adams agreed to pay the bribe according to the European model of that day. At one point, up to 20% of our national budget was dedicated to paying off muslim terrorists. Thomas Jefferson argued that the more you pay a terrorist, the more he'll demand. When he became President, he called on our brave Marines and Navy to go overseas and kick the butt of those muslim terrorists who were ruthlessly attacking our American citizens. {Jefferson used the common colloquialism of his day for this.}

Muslims made the grave mistake of believing that a small nation just formed would not have the power to fight the muslim powers overseas. By the Grace of God, The LORD granted our Marines and Navy great victories and the muslim powers were forced to return several hundred American women children and men. Unfortunately, our first treaty sadly stipulated that America would agree to pay \$60,000.00 for these "slaves". President Jefferson tried to call it "tribute" instead of "ransom", but rightly, William Eaton remained strongly opposed to the State Department diplomat Tobias Lear on this important matter. By 1807, Muslims began to attack American ships once again and terrorize our citizens abroad. In 1815, Commodores William Bainbridge and Stephen Decatur led our military victories to force muslims to sign ending all "nonmuslim" tax payments by the United States to faithful muslims and that finally put a stop to the muslim attacks on our citizens for a long time.

However, Thomas Jefferson knew the danger of islam was not over. He secured the great Naval Hero rear Admiral John Paul Jones to try to fight off the muslims in Constantinople and return Constantinople to the Christians who had been attacked by muslim ottoman forces and overtaken after several hundred years of failed attempts by previous muslim rulers to attack the peaceful Christians  
Many of our brave men and women have sacrificed their lives fighting off muslim terrorists.

Remember this battle did not begin by us, but it started in the last 1700s against our nation. Prior to that it had started in the beginning of islam by mohammad the false prophet of islam. It has continued for over 1388 years.

I sincerely hope that our generation be the final generation that allow the terror of islam to be passed on to the next generation!

TIME TO PICK THE FIGHT.. NOT WAIT FOR THEM TO WAGE IT!!

Ayman Al-Zawahiri, now head of Al-Qaida, is a surgeon. In June of 2007 eight doctors in England were arrested plotting to blow up people in car bombs some of them driving their luxury cars into the same hospitals in which they practiced.

**Father, You are the God of the USA. We Recognize Your Supreme Authority**  
and Just Government in all the affairs of men and of nations. We seek You  
and obey the Holy Bible with all our heart and soul. Jesus is our King.  
Americans repent from sin. We pray for government, schools, courts and

- Fear You • Be honest • Hate covetousness • Serve Americans, and
- Demand our God-given unalienable rights, including Christian

As You say, we cry out for Christians to immediatley replace those in sin.

**Michael Swenson** I want people to understand in these end times even though we war against evil imaginations, when people refuse to repent and knowingly reject God in order to worship themselves or other devils, they eventually become hardened, wicked and depraved. It then falls to Christians who KNOW GOD to unite and arrest such persons, regardless of what offices they may hold on earth. The growing ignorance and wickedness in America and the world has increased rapidly due to state indoctrination otherwise known as <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>. Ultimately, is funded at the highest levels by antichrists, satanists, very arrogant, perverse and wicked people who also control issuance of national currencies <https://www.facebook.com/notes/michael-swenson/conspiracy-theories-or-plain-truth/662377083841254>, and as such they generate <https://www.facebook.com/notes/michael-swenson/propaganda/528691883876442> in their <https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079> as <https://www.facebook.com/notes/michael-swenson/the-planned-demoralization-of-america/632305113515118> is in their interests.

The arrogant ruling elite govern/control the way the public thinks by taking over these areas in order to create slaves according to their desires and people too ignorant and apathetic to depose them. Because the Holy Bible exposes them and their wicked ways of <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> and enslavement against the masses, they intentionally steer the children away from <https://www.facebook.com/notes/michael-swenson/god/719346771477618> and <https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493> for the reasons exposed and cited in those notes some of which are:

- 1) they are sexually perverse, wicked persons who worship the devil and rape even children and babies, some are so wicked they sacrifice babies to devils <https://www.facebook.com/notes/michael-swenson/the-worlds-most-wanted-criminals-part-3/674607209284908>
- 2) once the state controls the thinking of the public, they effectively control the public
- 3) planned demoralization leads to suffering, violence and deaths and the arrogant elite want to reduce the global population by billions and have been implementing policies of enslavement, and genocides openly in many ways (also exposed in the cited notes) For those who are tempted to think these are theories, there are hundreds of citations in the notes and comments sections including the global elite own documents and words caught on film proving these allegations. (The fact is the reason we have crappy education or brainwashing, crappy programming to reinforce that brainwashing, is because the people in control of the issuance of national currencies who rule the world behind the scenes of their public puppets are truly crappy themselves; otherwise known as the satanic NWO). <https://www.facebook.com/notes/michael-swenson/satanism-fools-who-want-to-burn-forever-represent-a-threat-to-themselves-and-all/554580804620883>

These devils know that only true Christians have power against them, and as such have been attacking our Christian heritage in the many ways exposed in the notes cited. Instead, it is my hope that people will break through all their deceptions, including the evil of teaching little kids that they're nothing more than animals rather than the Divinely Created Beings that they are; each with their own skills, talents, gifts, abilities to fulfill and rejoice in their Divine Purpose. <https://www.facebook.com/notes/michael-swenson/the-religion-of-evolution-versus-the-science-of-creation/729829070429388>

If you get through that information and the many thousands of hours of research cited in them, you will have detailed truthful answers to your questions and understand thoroughly why these wicked souls are leading us away from what our founding fathers clearly

understood. <https://www.facebook.com/notes/michael-swenson/americans-and-citizens-of-the-world-freedom-and-life-comes-from-god/748905988521696> because the goals of these arrogant would be rulers of the world isn't freedom for us, but rather enslavement and extermination. <https://www.youtube.com/watch?v=Fuinalm-kd4>

I have devoted the past decade of my life full time to compiling the information in these notes to do my best to save lives and prevent their wicked policies from continuing and getting worse. I hope people will take the time to read them and should they find merit in them download and share them as much as possible so we can unite together to leave behind the evil

oppressive <https://www.facebook.com/notes/michael-swenson/police-state-prison-big-business-modern-slavery-by-design/619672408111722> and all the many ways <https://www.facebook.com/notes/michael-swenson/america-is-under->

[attack/699844766761152](https://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948) in order to <https://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948>

[Michael Swenson](#) some questioned how my post relates to free speech. some questioned the claims of muhammad being a baby-raping mass murderer and some of his followers even more perverse, disgusting and vile than himself. but islam is the number one threat worldwide against free speech, freedom in general and your lives. If people had taken a look at the references cited they would have seen that 1400 years of bloody jihad is STILL ongoing to this day, genocides and invasions all over the world! but currently in the Middle East, North and Central Africa, Indonesia and beginning in the southern islands of the Philippines. The recent incursion into europe and the Americas is already heating up. [https://www.youtube.com/watch?v=ERou\\_Q5I9Gw](https://www.youtube.com/watch?v=ERou_Q5I9Gw) this summation is accurate. Had those rushing

in to defend the evil that is islam looked at my references in the OP they would have seen I was being polite as to just how wicked and perverse downright evil muhammad really was and thereby be properly concerned that a billion people on earth actually reverence that horrific scum. In this first note you will find a list of his crimes and perversions as well as just how islam has spread over its history to this day of hundreds of international terrorist groups; most of which committing atrocities so disgusting, they're revolting to even relate, yet a billion people STILL associate themselves with this evil nonetheless.

islam is so evil that terrorism from muslims upon the rest of the world is a daily tragedy! TENS of THOUSANDS of terrorist attacks in the past decade! hundreds of islamic terrorist groups!<http://www.trackingterrorism.org/groups/list> all loose on earth wrecking havoc, death and destruction, yet the rest of the world STILL fails to act and INTERNATIONALLY BAN islam!!!!!!!

<https://www.facebook.com/photo.php?fbid=1012783898735451&set=gm.869462293076348&type=1&theater> if this was uncommon in islam, we could say that it is only a deranged madman; but not

arresting islam and banning it worldwide is like leaving a psychotic mass murderer loose who tells you he intends and is going to go on doing all these wicked things and more:

islam - bringing hell to earth!

delusionary and/or deceitful muslims like to CLAIM all the islamic terrorists attacks and islamic atrocities and human rights violations are not representative of islam BUT: 1) muhammad did such atrocities 2) his followers did such atrocities 3) 1400 years of such atrocities all done by muslims 4) quran, suras, hadiths teach such atrocities 5) muslims are taught to lie to non-muslims 6) muslims are taught to murder non-muslims 7) the leader of islam taught and did such evil, the followers of islam throughout history to this very day also teach and do such evil THEREFORE:

conclusion! from the foundation of islam to this day it is clearly provably evil and satanic. muhammad and his followers didn't just rape babies, young children, prepubescents or force their conquered victims to "marry" them in order to pretend it wasn't ongoing rape, they advocated sexual perversions of the worst

kind! <https://www.youtube.com/watch?v=2TkV5clbokQ> and <https://www.youtube.com/watch?v=ms9NrdiJHRA> the reason I posted this, is America is currently under the infiltration and invasion stages in which ALREADY children in our schools are being indoctrinated with this evil that will destroy civilization as we know it and lead to global bloodshed if not stopped

immediately. <https://www.facebook.com/notes/michael-swenson/warning-weve-been-invaded-and-infiltrated-our-nation-is-under-attack/566322743446689> when islamic, satanic scum are in the highest offices of our land, the time to stand up and speak out is come, this is "red alert!" in our nation and the world. Don't you get it? rapists, murderers, pedophiles are looking at YOUR children as free game if you don't!

**THE TRUTH ABOUT THE CRUSADES**

**ISLAM IS NOT A RELIGION OF PEACE**

**The First Crusade began in 1095**  
460 years after the first Christian city was overrun by Muslim armies.  
457 years after Jerusalem was conquered by Muslim armies.  
453 years after Egypt was taken by Muslim armies.  
443 after Muslims first plundered Italy.  
427 years after Muslim armies first laid siege to the Christian capital of Constantinople.  
380 years after Spain was conquered by Muslim armies.  
363 years after France was first attacked by Muslim armies.  
249 years after the capital of the Christian world, Rome itself, was sacked by a Muslim army, and only after centuries of church burnings, killings, enslavement and forced conversions of Christians.  
By the time the Crusades finally began, Muslim armies had conquered two-thirds of the Christian world.  
So much for being the victim

According to the water company in Gardena, California this water is SAFE to DRINK. It meets or exceeds all Safe Drinking Water Act Standards. Black water is caused by Manganese; 0.05 mg/L is the secondary standard. Primary drinking water standards are mandatory regulations. Secondary standards are voluntary regulations. Manganese contamination makes water appear black to brown color; black staining; bitter metallic taste. Manganese is an essential trace nutrient that is potentially toxic at high levels of exposure.

SAFE? Might this be at a "high level"? Drink up.
