

## The Modern Evolutionary Paradigm is NOT SCIENCE, it isn't even good Science Fiction part 3 of 5

continued from <https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/747466865332275>

I stated that the Word of GOD covers ALL of Creation, seen and unseen, all matter and energy, the physical realm (covered in my notes as cited throughout my written defenses of Truth (the bulk of my notes - <http://www.blastthetrumpet.org/PublicLetters/>): Primarily they are written to lead every soul that reads them into understanding that they can and should have a direct and personal relationship with our Creator, the One True GOD; now and forever and to help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> . I also stated that the Words of our Creator, as recorded in the Holy Bible, covers the spiritual realm supporting and presenting the manifestation of the physical properties of the universe. (If you are only interested in the PHYSICAL EVIDENCE and not all the other EVIDENCE supporting not only the existence of our Creator but showing who He is; then you are showing a pre-disposition to ignoring some of the most recent "scientific discoveries" and conclusions stating that there is in fact an unseen cause for what is seen and that unseen cause is VERY INTELLIGENT!) :

Here is a quote from the father of quantum physics, Max Plank, a theoretical physicist who originated quantum theory, which won him the Nobel Prize in Physics in 1918.

Quote: "As a man who has devoted his whole life to the most clear headed science, to the study of matter, I can tell you as a result of my research about atoms this much:

There is no matter as such.

All matter originates and exists only by virtue of a force which brings the particle of an atom to vibration and holds this most minute solar system of the atom together.

We must assume behind this force the existence of a conscious and intelligent mind.

This mind is the matrix of all matter." end quote - <http://howtogetamiracle.com/chapter-5-quantum-physics-the-window-into-the-unseen-realm/> - that quote is scientific phraseology for what has been written and known by all reasonable persons for millenniums. <http://biblehub.com/hebrews/11-3.htm> and <http://biblehub.com/colossians/1-16.htm> and <http://biblehub.com/colossians/1-17.htm>

Understand "faith" is NOT blind belief; faith is actually creative energy that brings and presents imaginations into tangible reality! FAITH is the UNDERLYING ENERGY THAT HOLDS AND PRESENTS THE REALITY OF THE PHYSICAL UNIVERSE; SPECIFICALLY it is the FAITH (CREATIVE ENERGY/CREATIVE POWER) of our INTELLIGENT CREATOR! FAITH(ENERGY) presents (brings into existence and holds together) VISIBLE CREATION ! FAITH is NOT synonymous with "belief"! FAITH IS THAT CREATIVE FORCE; ALL THAT THOUGHT, PLANNING HOW YOU WILL CONSTRUCT AND MANIFEST YOUR IDEAS! FAITH is ACTIVE ENERGY; not mere "belief". The final manifestation of FAITH (INTELLIGENTLY DIRECTED CREATIVE FORCE) IS PHYSICAL REALITY - <http://biblehub.com/interlinear/hebrews/11-1.htm> (energy is necessary to bring mass and matter into existence, energy is absolutely necessary to present mass/matter. Conversely, energy is in NO WAY dependent upon mass/matter. - Einstein's Theory of Special Relativity is so ludicrous and can be falsified scientifically in SO MANY WAYS that had I incarnated at the same time, I would have encouraged him in the strongest terms NOT to humiliate himself by presenting such incredibly foolish, insupportable notions! (BEFORE YOU think "but everybody knows..." LOOK AT THE EVIDENCE! - <https://www.facebook.com/notes/michael-swenson/how-to-know-truth-in-a-world-of-lies/622590531153243> and <https://www.facebook.com/notes/michael-swenson/too-many-are-turning-science-into-a-religion/711197568959205>)

The REALITY of the spiritual realm has been documented scientifically (NDEs, paranormal activities, ghosts, poltergeists, they have all kinds of names, but people have devoted decades of study, observations of these subjects now - MAKING AND RECORDING ACCURATE OBSERVATIONS is the first criterion of science and for establishing the scientific method! - keep in mind what is being taught in the name of science, regarding the entire evolutionary paradigm, HAS NOT EVEN BEEN OBSERVED! (doesn't even meet the first criterion of actual science!) So for those who dismiss these findings, the rest of us know you are in favor of not supporting science or reason; but only on continuing to cling to chosen deceptions and delusions religiously. (evolutionists and atheists are the ones whose worldviews are FACTUALLY built upon "blind faith"; NOT the creationists).

When ancient civilizations all over the world clearly mention the existence of the spiritual realm, gods, spirits, angels, demons, devils, etc. [https://www.google.com/search?q=ANCIENT+CIVILIZATIONS+CLAIM+KNOWLEDGE+FROM+GOD&rlz=1C1G1GM\\_enUS535US535&oq=ANCIENT+CIVILIZATIONS+CLAIM+KNOWLEDGE+FROM+GOD&aqs=chrome..69i57&sourceid=chrome&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=ANCIENT+CIVILIZATIONS+CLAIM+KNOWLEDGE+FROM+GOD&rlz=1C1G1GM_enUS535US535&oq=ANCIENT+CIVILIZATIONS+CLAIM+KNOWLEDGE+FROM+GOD&aqs=chrome..69i57&sourceid=chrome&es_sm=93&ie=UTF-8) AND the most accurate Reference Book on the entire globe throughout all recorded history (the Holy Bible); it makes ANYONE who denies the existence of the spiritual realm look EXTREMELY ignorant; lacking massive bodies of knowledge <http://biblehub.com/hosea/4-6.htm> (knows next to nothing about the pervasive many scientific disciplines and how ALL of them combined OVERWHELMINGLY lead to our Creator, the One True GOD; from who all Truth and Knowledge (Science) comes! <http://biblehub.com/colossians/2-3.htm>); they are not only seriously lacking vast amounts of knowledge about world history, but of observable reality. Just because you may not comprehend these things, does NOT entitle you to claim there is no evidence - <http://biblehub.com/matthew/13-15.htm>; when anyone who looks into these subjects, even briefly, can see so much evidence as to make ANYONE look totally foolish who would deny such.

So the following touches on just a few topics of How the Word of GOD is speaking SIMULTANEOUSLY about BOTH the physical reality in which we exist AND the spiritual reality in which we exist (the ACTUAL Intelligently Designed universe/CREATION in which we exist).

**B)** <http://biblehub.com/interlinear/genesis/1-2.htm> - Here we see all modern evolutionary constructs of the many versions of the "big bang theory" are ALL false! While I have not heard and read about all the millions of imaginations regarding this supposedly scientific theory, I have encountered dozens of them; including as cited from university professors with post graduate degrees and ALL of them err with respect to this fact declared in the Holy Bible. They all claim that space and time "expanded" into existence from what amounts to nothing and then ridicule and denigrate anyone who asks for the cause of this most miraculous event.

But here our Creator tells us things that EXPLAIN what we observe! He tells us that PRIOR to His Creation of Light that there existed empty space. Understand that in His Creation of the "heavens and the earth" He plainly tells us that He brought Light into the existence of Space (He created **formless** earth, water and Space when He created "the heavens and the earth"; PRIOR to Light). He also tells us earth (which if you look at the root of that word is basically telling us that is matter/mass) in the darkness HAD NO FORM, HAD NOT BEEN SHAPED yet! These are KEYS of Knowledge about WHY the current "big bang" theories are flawed! We have Divine Instruction telling us that the void is actually empty space and in that empty space or void it was dark. So by Define Definition darkness is related to a correct understanding of space! Space, darkness, void, and FORMLESS MATTER (earth and water) existed PRIOR to Created Light! This is a VERY IMPORTANT topic to grasp as to WHY we are able to have both observable Light and darkness presently! (And also to understanding that space, darkness, void is NOT "nothing" but rather an emptiness of unspecified region; in which

energy and matter was brought into perceivable existence.) I make this distinction because the big bang theories say that "nothing" existed and that space is a something created in the void of nothing when our Creator tells us void and space are essentially identical terms (an empty region of unspecified dimension of no mass or energy) and He further tells us that in the void of space earth and water was formless (mass, liquids, solids; the elements had not been shaped as yet to be perceived) Our Creator is telling us how He conceived to bring the forms of energy and mass into existence in the void of space. So here He tells us formless mass (what scientists are speculating on concerning "dark matter" and "dark energy" - I am NOT talking about their wild imaginations, I am attempting to bring them back to REALITY and Truth by telling everyone that "dark matter" is all mass in the universe that does not emit light, is NOT a source of light, regardless of size) existed prior to His Creation of Light. Space and Void is a region of emptiness in which everything else about our Created Universe was brought into existence! The presence of formless matter in space is one of the reasons, despite all the stars and galaxies, that we do not see constant visible light but can discern both day and night, light and darkness. THIS IS A KEY PRESENT DAY OBSERVATION THAT CONFIRMS YET AGAIN THE BIBLICAL ACCOUNT; and does NOT support the current evolutionary constructs like the many constantly morphing theories and connotations of the "big bang".

[http://education.jlab.org/glossary/abund\\_uni.html](http://education.jlab.org/glossary/abund_uni.html) - look at what WE OBSERVE the most abundant elements in space are formless earth and water! (in other words, what we see FORMED exists in the midst of what is unseen (not visible to the naked eye) elements that comprise primarily water!)

**" For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water: " - [http://biblehub.com/2\\_peter/3-5.htm](http://biblehub.com/2_peter/3-5.htm)**

Do you REALIZE THE SIGNIFICANCE?! FOR MILLENNIUMS, Our CREATOR HAS TOLD US EXACTLY HOW HE CREATED THE UNIVERSE! LONG, LONG, LONG before we scientifically observed what He has plainly told us; for all the world to read!

Let's examine the Biblical Account further: "Let there be Light!" <http://biblehub.com/genesis/1-3.htm> - what scientific confirmation do we OBSERVE as EVIDENCE for the Biblical Account? [https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=cosmic%20background%20radiation%20is%20the%20oldest%20light](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=cosmic%20background%20radiation%20is%20the%20oldest%20light) NOTICE scientists call it the "oldest light"! Notice this is EMPIRICAL EVIDENCE for what has been written plainly for millenniums; FURTHER NOTE it was a recent discovery EVEN THOUGH the Word of GOD as recorded in the Holy Bible has told us all this plainly THOUSANDS OF YEARS BEFORE we even had the means of ascertaining it!

**Light separate from the darkness.** <http://biblehub.com/genesis/1-4.htm> - The universe most definitely had a beginning and according to rational scientists, they give reasons why that is true. While they claim that it is old, it cannot be so old that it overcomes their perplexity as to why we are able to perceive both light and darkness.

From what appears to be an astrophysics professor from Berkley (Remember Stephen Hawking made a similar statement in the previous citation above):

"\* In spite of many, many stars and galaxies, the night sky is dark

We do not know whether the Universe is infinite in size, but observations (the CMB, for instance) clearly indicate that it has a finite age, which the Big Bang theory and associated calculations set at 13.7 billion years. As a result, we can only see objects within 13.7 billion light years of us: the distance light could have traveled since the Big Bang. If the Universe were infinite in size and age, we would expect every line of sight to encounter the surface of a star, and the night sky to therefore be bright." -

But here again our Creator tells us that the reason for WHAT WE OBSERVE is that He has deliberately separated Light and darkness!

***The First Day: Light*** ...3Then God said, "Let there be light"; and there was light. **4God saw that the light was good; and God separated the light from the darkness.** 5God called the light day, and the darkness He called night. And there was evening and there was morning, one day.

If He had not done this and designed our eyes to see only visible light as opposed to the entire Electromagnetic Spectrum, then we would not be able to distinguish colors or objects, but would be blinded by the inundation of all the pervasive cosmic background radiation and all the properties of Light that came into existence when He said, "Let there be Light!" This separation of Light and darkness; our ability to distinguish this separation, is rationally explained in the Biblical Account; while it baffles current evolutionary cosmologists the world over. Our Creator tells us that the reasons are: 1) formless mass (elements of earth and water) existed prior to the creation of Light in the void of space and 2) He intentionally separated Light from darkness and 3) He gave us perceptive abilities to discern as much (as we discover not only by our present observations but also by continuing to read our Creator's explanation about His Creation as found in the Holy Bible.)

5God called the light day, and the darkness He called night. And there was evening and there was morning, one day.

DIVINE DEFINITIONS are very important to note; because they help us understand not only what is written in the Holy Bible; but in acquiring truthful knowledge about all of His Creation. God not only separates(ed) Light and darkness, but calls all forms of Light, Day, (physical and spiritual aspects of Light is called Day) and likewise, physical and spiritual aspects of darkness He calls night. He further defines the distinction between Day and night as morning and evening. This is WHY ALL generations, ALL He has made is all but ONE GREAT DAY before our Creator. (One Epoch in which all His Creative Thought about His Creation is made visible and He tells us about this in His Word, the Holy Bible, that covers all matters of great importance past, present and future). So PRIOR to Christ, ignorance and darkness was upon the waters (people - <http://biblehub.com/revelation/17-15.htm>) and then the Day Star Arose - [http://biblehub.com/2\\_peter/1-19.htm](http://biblehub.com/2_peter/1-19.htm), Christ, the Sun of Righteousness - <http://biblehub.com/malachi/4-2.htm>, the Bright Morning Star - <http://biblehub.com/revelation/22-16.htm> DAWNED (Morning, Day, Light came to humanity, evening, night, darkness is fading away!) So from the BEGINNING of visible Creation; until it is transformed from being temporal and made eternal is one EVENING of ignorance in which the vast amount of humanity did not KNOW our Creator, then His

Incarnation, began to shine Light on earth in which the darkness of ignorance is fading away and leads ultimately to the enlightenment of every man, woman and child on earth! (no more darkness or night on earth whatsoever) - <http://biblehub.com/jeremiah/31-34.htm> and <http://biblehub.com/revelation/22-5.htm>

***The Destroyers of Jerusalem Destroyed*** ...5You will flee by the valley of My mountains, for the valley of the mountains will reach to Azel; yes, you will flee just as you fled before the earthquake in the days of Uzziah king of Judah. **Then the LORD, my God, will come, and all the holy ones with Him! 6In that day there will be no light; the luminaries will dwindle. 7For it will be a unique day which is known to the LORD, neither day nor night, but it will come about that at evening time there will be light....**

Ultimately, it is His Presence and that of all the starry host with Him (angels, the Redeemed) that does away with all darkness, once and for all upon His Glorious Return!

[http://biblehub.com/2\\_thessalonians/1-8.htm](http://biblehub.com/2_thessalonians/1-8.htm)

***Christ's Coming*** ...7and to give relief to you who are afflicted and to us as well when the Lord Jesus will be revealed from heaven with His mighty angels in flaming fire, 8dealing out retribution to those who do not know God and to those who do not obey the gospel of our Lord Jesus.9These will pay the penalty of eternal destruction, away from the presence of the Lord and from the glory of His power,...

[http://biblehub.com/2\\_peter/3-10.htm](http://biblehub.com/2_peter/3-10.htm)

***The Day of the Lord*** 10But the day of the Lord will come like a thief, in which the heavens will pass away with a roar and the elements will be destroyed with intense heat, and the earth and its works will be burned up. 11Since all these things are to be destroyed in this way, what sort of people ought you to be in holy conduct and godliness,...

This is why all the generations of incarnate life on earth is referred to as ONE DAY. (a time of ignorance, followed by a time of enlightenment) -

<http://biblehub.com/acts/17-30.htm>

***Paul Before the Areopagus*** ...29"Being then the children of God, we ought not to think that the Divine Nature is like gold or silver or stone, an image formed by the art and thought of man.30"**Therefore**

**having overlooked the times of ignorance, God is now declaring to men that all people everywhere should repent,**<sup>31</sup>because He has fixed a day in which He will judge the world in righteousness through a Man whom He has appointed, having furnished proof to all men by raising Him from the dead."...

When those who would search out the mysteries contained in the Scriptures realize that our Creator SIMULTANEOUSLY is TEACHING us all not just about VISIBLE CREATION (the physical universe with the "natural laws" and properties) but also about His INVISIBLE CREATION (that the physical universe is presented by the supernatural spiritual realm) THEN the reader begins to see the meanings of the Dreams, Visions, Revelations and Prophecies within the Scriptures more clearly and better grasps the Reality in which we all exist is NOT just physical matter and "natural laws" but spiritual ones; supernatural presence, existing apart from and yet within and all around what is visible and observable.

As such GOD is SIMULTANEOUSLY telling us how to define not only the 24 hour periods or evenings and mornings people think of as days on earth, but how to recognize the various epochs on earth. Thus in one part of the Scriptures we understand that there is ONE GREAT DAY in which all of Genesis through Revelation is fulfilled, but we also understand that from the time Christ Incarnated to His Glorious Return is another Great Day. And we further understand dark empires on earth each signified times of night or evening on earth, etc. such that then the prophecies and visions correlate directly with observed history as I point out in this timeline below and in previously cited notes regarding the spiritual connotations and fulfillment of the Words of our Creator.

<https://www.facebook.com/notes/michael-swenson/christ-is-the-fulfillment-of-the-law-torah-and-prophets/579365918809038>

<http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/MansChronologicaIExistenceExplained.pdf> - this explains the SEVEN GREAT DAYS and the Seven Days within the SEVENTH GREAT DAY. <http://biblehub.com/isaiah/30-26.htm>

<https://www.youtube.com/watch?v=ZV0hUldrYp4> - cycles of sevens and other cycles not just in the BIBLE but in CREATION is ONE OF MANY "SIGNATURES of GOD" our Eternal Creator: the presence of accurate calendars, that fit Biblical time frames, the construction of constellations and our solar system, fitting the Biblical Account precisely corresponding not only to the distant past but recorded history AND even encrypted messages WITHIN the accurate history and prophecies recorded in the HOLY BIBLE, ALL COMBINED ARE OVERWHELMING, IRREFUTABLE EVIDENCE of the DIVINE INSPIRATION of the HOLY BIBLE.

I point this correlation out between the Biblical Account and the recorded history of mankind; that the Biblical account of Creation is supported by the sciences, including world history to this present day as these cited expositions mention. In supporting the Biblical Account, I mention them also because they falsify the nonsense of evolutionary constructs as forced on children in public education today. (not only does the physical universe falsify what evolutionists and atheists believe, but all of history does as well!) Conversely, the sciences and history directly correlate with the Biblical Account! (Creationists base their worldview on science and reason; NOT the evolutionists and atheists!)

I find it astonishing that anyone would question the Biblical Account of the Creation in which we all exist, particularly when even unbelieving scientists acknowledge mankind (physical attributes are common to soil, dirt, dust, earth) - <https://www.youtube.com/watch?v=5xVHzM08JG0>. Notice the presenter is honest enough to admit he doesn't know our Creator. Understand that if you do NOT KNOW our CREATOR, you CANNOT be CERTAIN, absolutely CERTAIN, of ANYTHING! What are you to judge it against? popular opinion? someone else's confirmation? someone you esteem as more intelligent? WHO OR WHAT CONFIRMS WHAT YOU THINK YOU KNOW AS CERTAIN FACT?! If you say the sky is blue, how do you know? how do you know it isn't really red? I have in other notes cited above pointed out that we all perceive "reality" in very subjective and even radically different ways! (examples are [https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=synthesia+and+savants](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=synthesia+and+savants), color blind, blind, deaf, or many other persons who do not or cannot perceive reality as do many of us) None of us can KNOW for certain what "blue" is to others (their connotations in their mind); likewise EVERYTHING you have been taught is SUBJECTED to NOT ONLY YOUR METHOD OF PERCEPTION(s); BUT THOSE WHO

PASSED ON THEIR OPINIONS TO YOU. (Everything you THINK you know is HIGHLY SUBJECTIVE) and if you do NOT KNOW our CREATOR, you have NO ABSOLUTE AUTHORITY (THERE IS NO PERFECT AND CERTAIN TRUTH WITHOUT GOD) to run those HIGHLY SUBJECTIVE perceptions and opinions by. So instead "scientists" run their subjective perceptions and opinions by other equally highly subjective and fallible persons.

So ANYTHING someone who does NOT KNOW GOD espouses is MORE THAN LIKELY FALSE. For example, looking at a variety of bones of different species and then thinking "dinosaurs 'evolved' into birds", as opposed to just realizing those are distinct species. For example, we have ostrich, emus, chickens, swans, eagles, all birds with different sizes and abilities, including some that fly and some that don't. Likewise, we have fish, amphibians, reptiles, and if all those were dead today RIGHT NOW, evolutionists would dig up their bones and try to claim that EVEN THOUGH THEY LIVED AND DIED AT THE EXACT SAME TIME, that those DIFFERENT species morphed or "evolved" from either legs to no legs or vice versa. THEY DO THIS ALL THE TIME WITH BURIED BONES THEY DIG UP! (Starting with an impossible assumed paradigm of fictional/imaginary constructs, they dig up bones and then purposefully place the bones of different species in a desired order in a vain attempt to CLAIM that one kind of species macro-evolved into another.) IT ISN'T TRUE TODAY, and it isn't true in the past! Notice that those who DO KNOW GOD (not those who CLAIM to Know, but those who PROVABLY KNOW the ONE TRUE GOD), universally confirm the Biblical Account! So someone who admits he does not know is attempting to debate someone who does. As such, the one who admits he does not know SHOULD learn from the one who does, but the reason he does not do so is that he THINKS other people do not KNOW our Creator, (chooses to think ALL those claiming so are LYING). But I cited the presentation because he is a biologist who can see Creation must be Engineered and Designed only he then thinks that it was only done so INITIALLY, instead of pervasively and continuously. I find it astonishing he can see programming, engineering, and yet still somehow be in doubt as to the existence of the Engineer!

<http://biblehub.com/genesis/1-6.htm> - 6Then God said, "Let there be an expanse in the midst of the waters, and let it separate the waters from the waters."

Creationists and others present ideas about the expanse or firmament. <https://www.youtube.com/watch?v=sZeDai1mPDM> and Dr. Carl Baugh has conducted an experiment in an attempt to offer supporting evidence of his theory. <http://www.keelynet.com/biology/baugh.htm>

The LORD taught me personally more about the spiritual connotations of His Word, than the physical; so my comments about how the physical evidence in observable creation, the visible universe and how it

relates to the Biblical Narrative, is how I personally comprehend what I am reading. Also I tend to recall the dream I had where I saw the Lord take all the elements, matter, mass in the universe and combine them as an enormous superheated sphere and then spin it. I noted that the globules that went flying off the giant mass would stretch like lava and yet while exploding would form spherical droplets and dissipate into smaller and smaller particulates; began immediately after it was all set in motion. All the superheated elements began cooling and breaking down as soon as the mass started moving through the darkness in the void of space. So we have observed cosmic background radiation and rather formless water as elements like pervasive hydrogen in space; but if the Lord had not set boundaries or made the expanse then entropy would result in all mass reaching a state of equilibrium (dissipation down to quarks ubiquitously at an alarming rate.) In the void of space there are forms of energy that we have observed and even though scientists call them "natural" all forms of energy and matter are anything but "natural" in their fundamental essence. (not just the origin and initial cause but even the principles that define forms of energy are supernatural) As such, scientists are trying to define what they call "dark energy" that seems enigmatic to them. Based on my reading of the text and what I saw in dreams and visions, I am persuaded at present that the "expanse" is one of the factors that causes the liquids, solids, and gases to hold together and form lakes of fire in space; stones of fire in space; otherwise known as stars and planets. In other words, I am convinced that it is MORE than just "gravity" that is responsible for the formation of stars and planets, galaxies, but that GOD our Creator has made something in the void of space that He calls the expanse or "firmament". Based on my comprehension of what I read that it is more than just our atmosphere, and more than just layers in the mantle of the earth that separates subterranean oceans [https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=subterranean%20ocean%20discovered](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=subterranean%20ocean%20discovered) from surface water and water in our air. But that there is an energy that actually fights against the tendency of mass and matter to break apart an energy that is not the gravity within mass and matter but is all around visible mass and matter keeping it from disintegrating. And that "expanse" or "firmament" is part of what is holding stellar bodies (and all visible matter) as an observable form rather than completely and rapidly dissipating into the void of space altogether.

So, as I read the Biblical Account, I see that there were formless elements pervasive in the void of space and God added to those formless elements, which were mostly what comprises water molecules, energy in the form of light and the vibrations of His Spoken Word through it all sound frequencies. So space was filled with formless matter elements, energy, and vibrations that initiated all that we presently behold. And in the process He began to form the mass and matter by forcefully separating the pervasive formless elements such that it was all no longer pervasive invisible formless mass and energy all vibrating in the void of space, but began to separate and concentrate (started to take form).

Let us consider examples of how gravity cannot be the sole explanation for planetary and stellar formations, or the sole explanation for why they have not virtually instantaneously disintegrated into

invisible particulates and indistinguishable forms of energy. Consider the plant fibers that make up paper. Look at the process. <https://www.youtube.com/watch?v=E4C3X26dxbM> and the archaic method that anyone can do. <https://www.youtube.com/watch?v=Ulx87tvei7c>

Particularly note how that saw dust that would just blow away in the wind and further decompose and disintegrate <http://westernpulp.com/sustainability/westerns-containers> and <http://www.gardening.cornell.edu/factsheets/orgmatter/> and <http://www.motherearthnews.com/organic-gardening/building-garden-soil-wood-mulch-zmaz10onzraw.aspx#axzz3HwRGz7gg> and <http://ohioline.osu.edu/hyg-fact/1000/1083.html> There are ways to hasten the "natural" process, but as you can see wood and plant fibers break down into soil in very short time spans depending on the environmental conditions. Compare all that to what is necessary to forcefully hold those fibers together in order to prevent rapid decomposition and entropy from continuing. Applied chemical, heat and mechanical energy and massive amounts of it! Ultimately PRESSURE, APPLIED EXTERNAL PRESSURE, compacts the fibers together. It is NOT their "gravitational attraction" due to their mass holding them together at all! Likewise, dissimilar materials (matter/mass/elements) all over our planet are formed or held together by EXTERNAL PRESSURE primarily, NOT "gravity", exclusively, or even as the predominant cause! Look at sand under a microscope: [https://www.google.com/search?q=sand+under+microscope+snopes&rlz=1C1GIGM\\_enUS535US535&espv=2&biw=1066&bih=702&tbm=isch&tbo=u&source=univ&sa=X&ei=XIpWVLnaKNavyATCnoGAAG&ved=0CC8QsAQ&dpr=1.5](https://www.google.com/search?q=sand+under+microscope+snopes&rlz=1C1GIGM_enUS535US535&espv=2&biw=1066&bih=702&tbm=isch&tbo=u&source=univ&sa=X&ei=XIpWVLnaKNavyATCnoGAAG&ved=0CC8QsAQ&dpr=1.5) :D makes you want to grab a handful and shout "I'm rich!" doesn't it. But I want you to notice how dissimilar all the particulates are and further notice how those grains of sand are NOT pulling themselves together by "gravity" within them; one grain to another are not fusing themselves together in your hand but rather friction and other causes of entropy further erodes them down into smaller and smaller particles. Yet WITH pressure, sedimentary and even metamorphic rock is formed from such dissimilar particles. Some would claim that pressure is primarily due to the gravitational attraction of a very dense core as opposed to the presence of layers of mass and sediment pushing against lower buried layers of particles and "atmospheric pressure". [https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=atmospheric%20pressure](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=atmospheric%20pressure) Many would STILL attribute even "atmospheric pressure" to "gravity". But again, I ask those proposing and attributing to "gravity" as the cause, to not only consider the many examples that it takes EXTERNAL PRESSURE to fuse mass and matter together (even modern fusion reactions - [https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=modern+theoretical+fusion+reactor+models+achieve+fusion+by+applying+external+energy](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=modern+theoretical+fusion+reactor+models+achieve+fusion+by+applying+external+energy)) And then ask yourselves IF GRAVITY in MASS is the sole force holding mass and matter together; then what is causing universal expansion? What is causing the galaxies and stars within galaxies to drift further and further apart? (why aren't ALL galaxies collapsing upon themselves as gravity pulls all the mass and matter together?) Furthermore, what keeps the mass and matter within each star and planet from continuing to draw the matter all around it closer and closer together due to gravity until it becomes a

tiny dense particle? [https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=All%20mass%20and%20matter%20is%20more%20than%2098%20percent%20space](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=All%20mass%20and%20matter%20is%20more%20than%2098%20percent%20space) each atom that comprises each element that comprises all the visible mass and matter in the universe has huge amounts of space between even the quarks. So what APPEARS to be solid is mostly nebulous space with tiny amounts of particulates (just look at the pile of ash that is left after cremation). Apart from APPLIED EXTERNAL ENERGY mass, all matter, disintegrates until it is so small and so indistinguishable from the void of space that it becomes virtually imperceptible; apart from EXTERNAL APPLIED ENERGY all mass and matter goes through entropy and DOES SO RAPIDLY! (Especially, when viewed from concepts of infinity and eternity) So when we look up at the night sky and can distinguish Light from darkness; concentrations of mass and matter that coincide with historic events on earth - <https://www.youtube.com/watch?v=BJ6szvfApNM> and <https://www.youtube.com/watch?v=uGu-QmfNNSQ&list=PLv7j4CHggW52D06EDjeAzP6qc2AHFzW0u> and [https://www.youtube.com/results?search\\_query=blood+moons+decoding+the+imminent+heavenly+signs](https://www.youtube.com/results?search_query=blood+moons+decoding+the+imminent+heavenly+signs) and <http://www.bethlehemstar.net/>, AND then consider that WHAT WE OBSERVE about forms of "natural" energy and mass; the universe, ALL OF CREATION MUST BE CAREFULLY CONTROLLED AND BALANCED or we get disasters like TOO MUCH PRESSURE would cause collapses of atomic structures and galaxies, stars, planets wouldn't even be able to exist or TOO LITTLE PRESSURE and it all would fly apart in virtually instantaneous entropy, disintegrating into the void of space into a state of equilibrium where all energy and mass would be indistinguishable and indifferent. So NOT ONLY MUST the "expanse", the "firmament" exist aiding in the formation of mass and matter, BUT it MUST be INTELLIGENTLY CONTROLLED! Such balances in our universe are what are commonly known as "fine tuning" arguments for Intelligent Design. <http://www.reasons.org/articles/fine-tuning-for-life-in-the-universe> (In other words, what we observe IRREFUTABLY PROVES THAT GOD IS NOT ONLY IN ALL THINGS HOLDING THEM TOGETHER AND PRESENTING IT ALL TO US AS OBSERVABLE "REALITY"; BUT THAT HE IS ALL AROUND VISIBLE CREATION EXTERNALLY AS WELL! <http://biblehub.com/ephesians/4-6.htm> and <http://biblehub.com/colossians/1-17.htm> So GOD, and His Intelligent Creative Power, PROVABLY has brought EVERYTHING into existence, BY HIS WORD, but not only MUST our Intelligent Eternal Creator, be the CAUSE and Initiator of EVERYTHING we observe in the entire universe; BUT HE MUST BE CONSTANTLY PRESENT WITHIN ALL THINGS AND SURROUNDING ALL THINGS in order for ANY of it to exist at all!!!!!!!

God made the expanse, and separated the waters which were below the expanse from the waters which were above the expanse; and it was so. <sup>8</sup>God called the expanse heaven. And there was evening and there was morning, a second day.

Again, the Divine Revelations I received dealt more with how His Word applies to the separation of those who choose to do evil from those who choose to do good throughout the written record of the canonized Holy Bible and that Genesis is the Introduction of that Process and Revelation is the Emphatic Recap of that Separation Process. <https://www.facebook.com/notes/michael-swenson/commentary-on-genesis-ch-1-part-4/625387197540243> But BASED ON MY READING COMPREHENSION of the text that what is commonly referred to as "outer space" or "celestial" as opposed to "terrestrial" our Creator refers to that space above in which the stars exist as heaven.

On a side note, there are many connotations of the word "heaven"; in the physical and spiritual categories of that word. Some think of "heaven" as being "paradise",

<http://biblehub.com/luke/23-43.htm>

**Paul's Revelation** <sup>1</sup>Boasting is necessary, though it is not profitable; but I will go on to visions and revelations of the Lord.<sup>2</sup>I know a man in Christ who fourteen years ago-- whether in the body I do not know, or out of the body I do not know, God knows-- such a man was caught **up to the third heaven**. <sup>3</sup>And I know how such a man-- whether in the body or apart from the body I do not know, God

knows-- 4was **caught up into Paradise** and heard inexpressible words, which a man is not permitted to speak.

others think of heaven as a celestial supernatural city

<http://biblehub.com/revelation/21-1.htm>

***A New Heaven and a New Earth*** 1Then I saw a new heaven and a new earth; for the first heaven and the first earth passed away, and there is no longer any sea. 2And I saw the holy city, new Jerusalem, coming down out of heaven from God, made ready as a bride adorned for her husband....

others think of heaven in more mundane terms, such as everything outside of earth; beyond earth's atmosphere. However, if there is anything I have learned from our Creator is that His WORD affects and pertains to ALL His Creation, all things visible and invisible, all things physical and spiritual! And as such all of these connotations combined are like the tiny neurons in our brains that work together to give us a much larger picture of our perception of "reality". The scriptures are of no private interpretation [http://biblehub.com/2\\_peter/1-20.htm](http://biblehub.com/2_peter/1-20.htm) from any of us but are IN DEPTH DIVINE REVELATIONS of layers upon layers of DIVINE Wisdom, Knowledge and Understanding! <http://biblehub.com/hebrews/4-12.htm> and <http://biblehub.com/romans/11-33.htm> and <https://www.facebook.com/notes/michael-swenson/the-omniscience-of-our-creator/603749679703995> And each one of us offering our perceptions on them, if so we are in Christ and have received Him within our souls, are but one aspect or like one tiny neuron in the Mind of GOD! <https://www.facebook.com/notes/michael-swenson/you-must-be-born-again-of-the-holy-spirit-of-god/533516303394000> And each of those views and perceptions COMBINED bring us closer to TRUTH and a right Understanding of both our Creator and His Creation. (Please stop fighting, debating and bickering among yourselves on who is correct or incorrect in their interpretations, IF YOU ARE ALL STANDING ON THE COMMON GROUND OF SALVATION IN CHRIST ALONE! -

[http://biblehub.com/2\\_timothy/2-23.htm](http://biblehub.com/2_timothy/2-23.htm); most of the debates I have witnessed are arguments of ignorance to a greater or lesser extent. **Some people choose to talk about and argue about things they really know nothing or very little about (even if they THINK otherwise); rather than just focusing on what is MOST IMPORTANT and that is that EVERYONE NEEDS TO KNOW THAT THEY CAN KNOW AND COMMUNICATE WITH OUR ETERNAL CREATOR PERSONALLY HERE AND NOW AND FOREVER!!!!!!!!!!)** PLEASE look to all the souls still in darkness, who still do not personally KNOW our CREATOR! **Unity in the Body** 11And He gave some as apostles, and some as prophets, and some as evangelists, and some as pastors and teachers,<sup>12</sup>for the equipping of the saints for the work of service, to the building up of the body of Christ;<sup>13</sup>until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ.<sup>14</sup>As a result, we are no longer to be children, tossed here and there by waves and carried about by every wind of doctrine, by the trickery of men, by craftiness in deceitful scheming;...

What we presently observe clearly verifies the Biblical account of Creation, word for word; both regarding the physical reality of our universe and the spiritual. So let us continue.

<http://biblehub.com/genesis/1-9.htm>

**The Third Day: Dry Ground** 9Then God said, "Let the waters below the heavens be gathered into one place, and let the dry land appear"; and it was so. 10God called the dry land earth, and the gathering of the waters He called seas; and God saw that it was good. 11Then God said, "Let the earth sprout vegetation: plants yielding seed, and fruit trees on the earth bearing fruit after their kind with seed in them"; and it was so.<sup>12</sup>The earth brought forth vegetation, plants yielding seed after their kind, and trees bearing fruit with seed in them, after their kind; and God saw that it was good. 13There was evening and there was morning, a third day.

What I saw regarding the "days" of Creation was not like anything I have ever heard from anyone else or read anywhere else; but was an entirely different connotation. That all the "days" of creation are similar to the imaginations in your own mind when you set about any extensive project. Again, I will refer to building a house. In the process, one imagines what kind of house they will build, dimensions, size, colors, and then goes about refining the details of the overall vision as to what materials, what structural elements in each of the aspects or parts of the whole house. Detailed plans are drafted BEFORE even laying the foundation! Materials are gathered and then step by step ordered processes occur to

MANIFEST or MAKE VISIBLE what was CREATED and IMAGINED in your mind! Creation is no different. Our CREATOR CREATED or IMAGINED EVERYTHING that is MADE MANIFEST in the universe over what we think of as the passage of time. So there is no contradiction as some would claim in the CREATION account and the then following details of HOW what our CREATOR IMAGINED was then MADE MANIFEST.

<http://biblehub.com/genesis/2-5.htm>

<http://biblehub.com/interlinear/genesis/2-5.htm> and <http://biblehub.com/interlinear/genesis/2-1.htm> - notice that our Creator Imagined or Thought of ALL of CREATION; BEFORE making it VISIBLE or MANIFEST!

### ***The Creation of Man***

1Thus the heavens and the earth were completed, and all their hosts.2By the seventh day God completed His work which He had done, and He rested on the seventh day from all His work which He had done. 3Then God blessed the seventh day and sanctified it, because in it He rested from all His work which God had created and made.4This is the account of the heavens and the earth when they were created, in the day that the LORD God made earth and heaven. 5Now no shrub of the field was yet in the earth, and no plant of the field had yet sprouted, for the LORD God had not sent rain upon the earth, and there was no man to cultivate the ground. 6But a mist used to rise from the earth and water the whole surface of the ground....

So in the Revelations I had, The Seven Days were Divided into Categories that HOUSED THE ASPECTS of EACH OF "Days of Creation". And OVER OUR CONCEPT of TIME, bits of EACH OF THE SEVEN DAYS would be MADE MANIFEST. So to grasp what "till ALL is FULFILLED" means <http://biblehub.com/luke/24-44.htm> one has to LOOK AT ALL OF CREATION, ALL OF HISTORY, and SEE each plant coming into existence, each person, each animal as ALL part of the seven days of Creation. (Genesis Ch. 1 is like a Table of Contents for ALL that we observe about the entire universe, about our CREATOR and His Creation that has been MADE over "time".) Likewise, understanding the Book of Revelation. Since the Beginning, how many souls have strayed away from our Creator? How many have fallen? How many have become darkened? How many have thereby made themselves shipwrecked in the Sea of Humanity? [http://biblehub.com/1\\_timothy/1-19.htm](http://biblehub.com/1_timothy/1-19.htm) and <http://biblehub.com/revelation/17-15.htm> and thus trees that should have been for life <http://biblehub.com/luke/6-44.htm>; instead by receiving knowledge of how to do evil things from the wicked imaginations of the devil, the spirit of error, the spirit of antichrist, became dead and only fit to be burned <http://biblehub.com/jude/1-12.htm> and <http://biblehub.com/matthew/7-19.htm> When one considers all the forest fires that have ever occurred AND how many have by choosing to do evil deeds instead of repenting made their lives nothing but what should be destroyed (those who insist on raping, robbing, murdering others, rather than working peacefully together with all for what makes for life, and happy existence), are what the

Book of Revelation and Jude is describing as the fallen ones, dark spirits, angels who willfully chose not to keep their estate with our Creator, stars in heaven that were extinguished, ships that became wrecked due to their own wicked and perverse ways, trees burned with fire, these are all WAYS OF SAYING that one third of His Creation by their own free will REFUSED/REFUSES to live righteously and peacefully with one another and instead chooses to harm one another and our Creator is then clear that those who do so wickedly without repentance must be SEPARATED FROM the rest of His Creation, CONFINED and DESTROYED. That is what all the separation between light and darkness, clean and unclean, etc. is about; spiritually speaking, BUT HE MAKES HIS PHYSICAL UNIVERSE DEMONSTRATE spiritual TRUTH so that we can learn from Him not just by reading the Holy Bible but by making accurate observations (science and applying the scientific method) to His Creation!!!!!!! When we listen to our Creator "trees in the Garden of Eden" are metaphors for living conscious beings that impart to us wisdom, knowledge and understanding. <http://biblehub.com/ezekiel/31-18.htm> and <http://biblehub.com/proverbs/11-30.htm> When GOD, the TREE OF LIFE, is within a person, they think His Thoughts, Speak His Words, Do His Deeds, and so they become a tree planted in His Garden, a tree of life, watered by the Wisdom of His Holy Spirit. <http://biblehub.com/jeremiah/17-8.htm> and <http://biblehub.com/psalms/1-3.htm> So what the Scriptures Reveal to Us All was that it was NECESSARY for our CREATOR to INCARNATE and DIE <http://biblehub.com/john/12-24.htm> here on earth; so that HE could PLANT HIMSELF <http://biblehub.com/john/15-5.htm>, the ONE TRUE TREE OF LIFE, and take ROOT <http://biblehub.com/revelation/22-16.htm> in the earth and GROW such that the whole world could partake! As we come to the TREE of LIFE and partake of His Words of Life, we UNITE with GOD! <http://biblehub.com/john/17-21.htm> and so becoming branches on the TREE OF LIFE the words of GOD that flow from us in Truth HEAL the nations! <http://biblehub.com/revelation/22-2.htm> and <http://biblehub.com/john/15-5.htm> (Divine Revelations (the Book of Revelation) are about REALITY, images that REPRESENT OBSERVABLE TRUTH; BUT by stating this truth, I am NOT discounting Paradise, trees in Paradise, rivers in Paradise, etc. I am stating GOD's WORD is ALL encompassing about spiritual and physical things, general pervasive and detailed specific things ALL AT ONCE simultaneously expressed; covering ALL aspects of HIS Creation from individual cells, individual souls, to towns, cities, nations, the world and even the whole universe!) And by ABIDING IN OUR CREATOR AND HE IN US, others partake of this WATER OF LIFE that FLOWS from HE WHO INHABITS ETERNITY and HEAVEN ABOVE, yet REVEALED HIMSELF in EARTH BELOW, among the waters, the sea of Humanity, the CREATOR WALKING AND TALKING IN THE MIDST OF HIS GARDEN, HIS CREATION! <http://biblehub.com/john/1-10.htm> and <https://www.facebook.com/notes/michael-swenson/god/719346771477618> So just as GOD, our CREATOR, is the TREE of LIFE, the VINE of LIFE, the ROOT of LIFE, the SOURCE of TRUTH, WISDOM, KNOWLEDGE, UNDESTANDING AND ALL VIRTUES, the first to conceive of doing wickedly, satanic, is the tree of the knowledge of good and evil. (devils know the difference between righteousness and wickedness, but they willfully choose to do wickedly) GOD chooses to declare only TRUTH, but lies and deceptions came from the first to imagine or conceive of them, satanic. When Eve or ANYONE listens to any consciousness, spirit, that tells them a lie or deception, and acts upon that lie or deception, they are eating from the tree of the knowledge of evil, they are choosing to partake of and be like the devil! ignorant, deceptive, wicked, rebellious, arrogant, murderous, etc. THIS IS WHY OUR CREATOR TOLD US PLAINLY WE COULD DISTINGUISH BETWEEN THE TRUE AND THE FALSE BY WHAT THEY DO! (their fruits, the results of listening to them are SHOWN plainly for all to observe) -

I mention all these things because I want people to understand our Creator is revealing FAR MORE to us in the Creation account than just physical observations.

I also want to interject here about how many scoffers and mockers these days laugh at the notion of Intelligent Design or claim if that if design is true, then it is not so clever and begin to point at all the many things in our present day existence that are wicked, evil, or corrupted in nature. WHAT I HAVE NEVER HEARD ANY CREATIONIST TELL THESE MOCKERS IS THAT PRESENT DAY CREATION IS WHAT WE OBSERVE AS A RESULT OF THE FALL! Death, decay, even our bodies growing old and frail is all designed as the intentional consequences of departing from the TREE of LIFE; in order to partake of the tree of the knowledge of evil! (the whole world lies in darkness - <http://biblehub.com/ephesians/2-2.htm> and [http://biblehub.com/1\\_john/5-19.htm](http://biblehub.com/1_john/5-19.htm) and ALL have sinned -<http://biblehub.com/romans/3-23.htm>) and the earth became cursed! (suffering and hard labor and many other consequences, poisonous plants, unclean animals, thorns and weeds, briars and awful things entered present day earth such that the DESIGN PRESENTLY OBSERVED is NOT THE INTENDED FINISHING WORK OF GOD, but reflects Blessings and cursings, Good and evil, Life and death in all the world)! All their usual examples of "poor design" that I have ever heard any of them state are the direct results of disobedience, sins, crimes and evil deeds, and some even mistakenly think GOD is to blame for those who are PURPOSEFULLY corrupting His Creation through genetically modified organisms! <https://www.facebook.com/notes/michael-swenson/why-so-much-suffering/735857516493210> and <https://www.facebook.com/notes/michael-swenson/crimes-against-humanity-part-1/571080836304213> and <https://www.facebook.com/notes/michael-swenson/the-ten-commandments-part-1/733691096709852> As such, presently, mankind is given TEMPORAL bodies INTENTIONALLY; such that their days are numbered on earth PURPOSEFULLY; so that those CHOOSING TO DO WICKEDLY are unable to do so perpetually; while the RIGHTEOUS will be given the PROPER and INTENDED DESIGNS of our CREATOR of IMMORTAL and GLORIFIED BODIES that defy even what we can currently imagine! <https://www.facebook.com/notes/michael-swenson/the-difference-between-spirit-has-no-mass-and-glorified-immortal-body-indestruct/723036164442012> So don't pay attention to mockers, who can't even make one protein of a living cell from known components, let alone the entire universe and yet still have the audacity to critique our Creator.

So the entire first chapter of Genesis, the Biblical Creation Account is describing Creative Thought concerning EVERYTHING that GOD intended to MAKE MANIFEST. And tells how in the void of space,

mass, matter, energy, living things were all brought into existence over what we think of as "time". So the seven days are related more to categories of creation (light, darkness, water, earth, space, void, energy, mass, matter formed, plants, animals, mankind, work, rest, days, nights, evenings, mornings, time, stars, heaven, signs in the heavens, signs in the earth, etc.), CREATIVE THOUGHT BEING MADE MANIFEST OVER TIME, than all things that happened all at once thousands of years ago or longer. Every newborn male or female child and all newborn land animals are part of the sixth day, every tree, plant and herb that springs from the ground is part of the third day, every newborn fish or bird into our midst part of the fifth day, and so on each day has categories of aspects about all Creation and so the days or generations or hosts of heaven and earth are all fulfilled OVER THE PASSAGE OF TIME! Likewise, the Blessings and Cursings, the Judgments, in the Book of Revelation that over time ALL THOSE THINGS COME TO PASS.

I meet futurists constantly who, even though the Book of Revelation was written almost 2000 years ago, STILL think it is ONLY talking about future events; when it is VERY CLEAR that the Revelations are about things past, present and future FROM THE MOMENT they were shown the Revelator and recorded as such! <http://biblehub.com/revelation/1-19.htm> and <http://biblehub.com/revelation/17-10.htm> clearly the topics in the Book are Revelations about ALL OF HISTORY concerning ALL OF CREATION. Likewise Genesis is also about ALL of CREATION; not just events long ago. In fact, the Words of our Creator permeate His Creation (reveal to us "reality" concerning ALL things, past, present and future). <http://biblehub.com/hebrews/1-3.htm> and [http://biblehub.com/1\\_corinthians/2-10.htm](http://biblehub.com/1_corinthians/2-10.htm) and <http://biblehub.com/hebrews/11-3.htm>:

<http://biblehub.com/hebrews/1-3.htm>

***The Supremacy of the Son*** ...<sup>2</sup>In these last days has spoken to us in His Son, whom He appointed heir of all things, through whom also He made the world.<sup>3</sup>And He is the radiance of His glory and the exact representation of His nature, and **upholds all things by the word of His power**. When He had made purification of sins, He sat down at the right hand of the Majesty on high, <sup>4</sup>having become as much better than the angels, as He has inherited a more excellent name than they....

<http://biblehub.com/john/1-1.htm>

***The Beginning*** <sup>1</sup>In the beginning was the Word, and the Word was with God, and the Word was God. <sup>2</sup>He was in the beginning with God. <sup>3</sup>All things came into being through Him, and apart from Him nothing came into being that has come into being....

But getting back to the Third Day and what we observe. <http://biblehub.com/genesis/1-9.htm> Take a look at properties of water in the space station: <https://www.youtube.com/watch?v=KFPvdNbftOY> and the bubble inside the honey <https://www.youtube.com/watch?v=2vio09T-8qA> and how the water forms spheres when not attached to solids <https://www.youtube.com/watch?v=RmV90BmMNMg> So liquids in space (superheated elements in a liquid state) forms spheres; <https://www.youtube.com/watch?v=LIFc351sCzI> (stars are lakes of fire in space or stones of fire in space). <https://www.youtube.com/watch?v=ntQ7qGilqZE> and [https://www.youtube.com/watch?v=DKxAs\\_f1SP8](https://www.youtube.com/watch?v=DKxAs_f1SP8) With myriads of such lakes of fire, it is ridiculous to doubt the existence of the Lake of Fire in the Biblical Account; in the Book of Revelation. <http://biblehub.com/revelation/21-8.htm> Also note that water adheres to solids and forms or flows over odd shaped structures (so water on earth apart from other forces or forms of energy, should cover the entire surface of our planet). We know therefore that the mass or matter of earth that is "solid" is therefore spherical in shape and that, MORE THAN LIKELY, suggests the entire earth was at one time in a liquid state in space. (probably superheated matter that has cooled over time) But my point in showing the space station experiments in relation to the separation of water and dry land; is to show that there are forces governing our earth that are more than just physical properties. More than just dark matter, dark energy, gravity, molecular adhesion, etc. But that our CREATOR is CONSTANTLY PRESENT defining boundaries.

"I have faith in history books. I rely on that information in my conversations and my writing." Danny O'Brien.

Napoleon wisely said that mankind will believe anything as long as it's not in the Bible.

Your faith is in history books, but what they say can't be completely relied upon. It can only be believed. Can you give empirical proof that anything happened before 1800 (something we don't have to receive by blind faith)?

The Bible is unique in that the Author promises to reveal Himself to all who obey its words (see John 14:21) and guide them through its pages (see John 16:13). He personally confirms the truth of His Word.

## Burning bush **THE BURNING BUSH?**

The Real Deal

To my surprise and delight I did find one plant that is actually capable of burning without being harmed. It's called (of course) the Burning Bush or the Gasplant (*Dictamnus albus*). These plants are herbaceous and produce beautiful white flowers in late spring or early summer. A lemony scent is emitted from the flowers as well as flammable gas which is responsible for its pyrotechnics. The oils produced by the leaves are also combustible and can be a skin irritant for some. I came across only 3 varieties or cultivars: *D. albus caucasicus*, *D. albus 'Purpurea'*, and *D. albus 'Rubra'*. Sinai Peninsula plant

**THE SINAI  
GASPLANT....  
GO FIGURE**

### Luke Lefebvre Human evolution is a FAIRY TALE STORY!

I've had so many atheists and evolutionist see the story of the Burningbush is ridiculous and cannot be proven by science. Then I demonstrate the gas plant in the Sinai Peninsula. It loses oil ignites on fire but the bushes not consumed. I don't know if it's the burning bush but if that happens in the natural you can imagine God will make it greater in the supernatural. Remember the gas plant

**POSITIVE ATHEISM???**

*“Dear religious people, don't worry, **when atheists become the majority** (and it will happen sooner than you think) we will treat you far better than you have historically treated us when you were the majority.”*

*–Famous atheist claims (atheist myth)*

**Historical fact:**  
More than 12 million Christians were killed due to atheists' policies in USSR **when atheists were the majority!**

WHEN ATHEISTS WERE THE MAJORITY!

An extremely sad historical fact!

It is estimated that in the past 100 years, atheist governments have caused the death of somewhere between 40,472,000 to 259,432,000 human lives.

For instance, Joseph Stalin was a famous atheist, leader of the Soviet Union from the mid-1920s until his death in 1953.

The total number of Christian victims of Soviet state atheist policies, has been estimated to range between 12-20 millions.

The Soviet policy toward religion was based on the ideology of Marxism-Leninism, which made ATHEISM the official doctrine of the Soviet Union. Marxism-Leninism has consistently advocated the control, suppression, and the elimination of religion.

From 1932 to 1937 Joseph Stalin declared the 'five-year plans of atheism' and the League of Militant Atheists was charged with completely eliminating all religious expression in the country. Many of these same methods and terror tactics were also imposed against others that the regime considered to be its ideological enemies.

The Soviet state was committed to the destruction of religion, and destroyed churches, mosques and temples, ridiculed, harassed, tortured and executed religious people; flooded the schools and media with atheistic teachings, and generally promoted atheism as the truth that society had to accept by force.
