SOLUTIONS

Politicians and everyone NEED TO CONCENTRATE ON LIFE, LIBERTY AND CONSTRUCTION instead of the satanic NWO agenda of death, enslavement and destruction! America needs to rebuild our infrastructure and crossover into clean 21st century technologies nationwide. That process would employ every able bodied person in our nation with liveable wages immediately!

I am for a rapid return to the foundational principles this country was established on.

<https://www.facebook.com/SonsOfLibertyRadio/photos/a.210934395644997.51021.118893408182430/671473912924374/?type=1&theater>

The ultimate reasons our quality of life is suffering is due to the religious worldviews of those ruling/ruining the planet and all life on it. The theory of evolution and resulting atheism are factually linked to eugenic fascism, abortion, etc. <https://www.youtube.com/watch?v=qMWGgY6wT30&list=PL7F9B57EBDCCEECF8> and it is these religions that are allowing people, in the minds of the so called "ruling elite", to become so greedy, blood thirsty and cruel that all the rest of us are losing our freedoms, rights, and our lives.

The demoralization (destruction of our Christian Heritage and Godly Values) of America was planned; the solution is obviously to return to our Creator immediately; that the masses were intentionally deceived and led away from. <https://www.facebook.com/notes/michael-swenson/the-planned-demoralization-of-america/632305113515118>

THE BILL OF RIGHTS

1. First Amendment issues – Congress shall make no law respecting the establishment or prohibition of religion
 1. It is therefore the absolute right of every citizen to practice the religion of their choice, to hold their beliefs, to speak their mind on any and all topics so long as practicing their religion is not murdering other people or otherwise raping, pillaging and plundering crimes of violence to persons or property
 2. In the educational setting it is the right of all persons, students and teachers to practice their faith openly without embarrassment or harassment; so long as the course curriculum and educational standard is not interrupted thereby for undue periods beyond a reminder to all present that it is a constitutionally protected right
 3. In government or the work place, it is the absolute right of all persons, political or otherwise to practice their faith openly without shame or repercussions
 4. In the residence or workplace, if such a location is inherently of one religious belief that specifically tells them to have no fellowship with persons committing acts such as adultery, fornication, homosexuality, it is the absolute right of that location to fire or prohibit such persons from seeking employment in that location. GET IT STRAIGHT PEOPLE, WHO YOU HAVE SEX WITH IS A CHOICE, AN ACT, not a protected attribute of existence, people have the right to “discriminate” against offensive actions to their faith if the inherent organization is all about that faith! COMMON SENSE PEOPLE, the Boy Scouts has the absolute RIGHT and DUTY NOT to hire pedophiles and homosexuals! Frankly, if we held the wicked judges accountable for going against such common sense in protecting children from openly professing predators; by making any of them ruling in such a way that allows such predation to occur to be held accountable for the crimes perpetrated by such homosexuals and pedophiles they encouraged to enter into such godly establishments; I do not think there would be such perversions of justice and improper conduct occurring from their benches any longer; despite what bribes were thrown their way to destroy this nation and it's godly heritage.
 5. Any all male organization of a Judeo-Christian foundation, has the absolute right to excommunicate, ban from employment, persons such as openly practice and profess a lifestyle CLEARLY PROHIBITED by their religion- THIS MOST DEFINITELY INCLUDES HOMOSEXUALITY! (Lev 19; Rom 1:26-32) The First Amendment protects moral activities

it does NOT protect satanism or islam or any worldview that calls for the murder of other citizens, or encourages rape, robbery, or other evil and lawless actions! teach the Truth! <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-1/633571873388442> and <https://www.facebook.com/notes/michael-swenson/satanism-fools-who-want-to-burn-forever-represent-a-threat-to-themselves-and-all/554580804620883> enough of the LIES! <http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> and <http://www.facebook.com/notes/michael-swenson/you-will-know-truth-truth-will-set-and-keep-you-free/551134041632226> and <http://www.facebook.com/notes/michael-swenson/islam-is-evil/560337004045263> and <http://www.facebook.com/notes/michael-swenson/the-dangers-of-remaining-ignorant-about-the-times-we-are-living-in/557410497671247> and <http://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948>

6. Because sodomites are bringing the wrath of God upon themselves and the nation that embraces such behavior <http://www.pinkoski.com/sodom-a-gomorrah.html>, <https://www.youtube.com/watch?v=lf9yzHwOeUc> ; I propose marriage be legally defined and recognized as strictly between a man and woman, that no state recognizes “same sex unions”, which is morally reprehensible behavior and a shame to any society. It is unbelievably SAD that this even needs to be addressed!
<https://www.facebook.com/notes/michael-swenson/the-planned-demoralization-of-america/632305113515118>
7. The right to bear arms! <https://www.facebook.com/notes/michael-swenson/the-weapons-of-our-warfare/578505248895105>
 1. ALL citizens have the absolute right to bear arms! ALL means ALL!
 2. I encourage the open ability to bear on your person at all times the weapon of your choosing either in plain view or concealed.
 3. I would like to see mandated (with an opt out parental consent) as part of course curriculum as soon as children are strong enough to wield a weapon without injuring themselves, trained in the proper use; so that by the time they are 18, they can openly possess a weapon of their choosing and be proficient in it's use.
 4. The greatest crimes against humanity have always been governments that possess too much power over the people and the only way to keep this in check is to tell citizens openly they have the absolute right to defend themselves and

their loved ones with lethal force if necessary. I would make it publicly known “make my day” laws are clearly enforceable; that each citizen can defend their person and their family; especially in their homes from home invasions by anyone INCLUDING government! (NO MORE IRS MOB-LIKE BREAKING AND ENTERING YOUR HOME AND RESIDENCE WITH WEAPONS FOR NOT PAYING THE CRIMINALS IN CHARGE (CORRUPT GOVERNMENT, DRUNK WITH EXCESSIVE POWER) “PROTECTION”, “TRIBUTE”, “TAXES”! The government like all the rest of us should have to obtain a judgment for any and all money they claim is due and AT MOST have the ability to garnish wages IF AND ONLY IF, what remains is sufficient to live on! FRANKLY, ALL taxes upon citizens (not tariffs or trade taxation of foreigners or foreign made products) but ALL taxes by elected officials upon the electorate (resident citizens they SUPPOSEDLY represent) is a form of oppression and tyranny! In the United States and around the world COMPLETELY UNNECESSARY!

1.
 - i. My proposal – make all taxes permanently ILLEGAL! NEVER AGAIN TO BE PLACED UPON THE SHOULDERS OF CITIZENS!
2.
 - ii. NEVER ALLOW THE GOVERNMENT TO SELL TREASURY BILLS OR BORROW MONEY FROM ANYONE OR ANY ENTITY BECAUSE IT IS COMPLETELY UNNECESSARY! (and, as far as I’m concerned, TREASONOUS)
3.
 - iii. Make the Federal Reserve and all associated mints once again directly controlled by the US government in behalf of the people and restore the right to mint currency as necessary for the nation’s solvency
4.
 - iv. Inherent national natural resources “pay” for quality education, healthcare, firefighters, police powers, military, disability insurance, “welfare”, retirement pensions and other agreed social services!
5.
 - v. The IRS employees instead of being charged with monitoring the public would be in charge of monitoring government spending and giving the public accountability of our elected officials! (They would process the revenues of the natural resources and allocate funds to the various social services of government and NEVER again be breaking your doors down threatening your lives and that of your loved ones and to steal your home or business out from under you)! That is absolutely identical to criminal

mob-like behavior and is NOT to be tolerated by any civilized and sane society!

6. RE-ESTABLISH AMERICA AS IT WAS FOUNDED TO BE!

<https://www.facebook.com/notes/michael-swenson/original-intent-of-the-religious-clause-of-the-first-amendment/553723191373311>

1. Do away with Wallstreet, publicly traded stocks and options!

<https://www.facebook.com/notes/michael-swenson/treatise-on-greed-and-corruption/517410181671279>

1.
 - i. Multi-national entities have become so large and influential as to corrupt political officials to the suffering of billions of souls on the planet
 - ii. No way to hold the multi-nationals accountable behind armies of attorneys and personal anonymity
 - iii. No more price setting and fluctuation of commodities that form the foundation of economies like food and transportation costs (oil)
 - iv. In order to make money citizens have to provide products or services; keeping the public employed locally and nationally! Wallstreet allows the rich to simply loan money to multinationals taking jobs overseas and paying slave wages making living conditions worse for the vast majority of humanity but small businesses with conspicuous owners and managers are more easily held accountable civilly and criminally and morally to providing the people that work for them LIVING WAGES! (Doing away with the excessive greed of CEOs making billions and tens of millions while they layoff employees)
5. Essentially dissolve and ban by law all the criminal activities of the satanic NWO!

[attack/566322743446689](https://www.facebook.com/notes/michael-swenson/566322743446689) ARREST/DEPOSE THE TRAITORS AND TERRORISTS AT ONCE! and stop the planned agenda of global enslavement and depopulation IMMEDIATELY!

<https://www.facebook.com/notes/michael-swenson/police-state-prison-big-business-modern-slavery-by-design/619672408111722>

2. Create consumer watch advocacy entities, like the FTC should be, only this would be a conglomerate of attorneys of all kinds of specializations that represent the poor and oppressed to fight the wealthy entities until there is once again a balance between consumers and manufacturers or service providers. SPECIFICALLY to fight corruption in:
 1.
 - i. Medical malpractice and especially hospital homicides
 2.
 - ii. Insurance frauds where insurers deny claims of the chronically or terminally ill because they know the person will be dead or is too sick to fight them
 3.
 - iii. Insurance frauds (life insurance) that don't seek out beneficiaries of policies but make it the responsibility of claimants when the policy was paid for already
 4.
 - iv. Billing frauds like Verizons' and other phone companies mystery charges, duplicate billing, duplicate collections etc. they've been busted for ONLY instead of paying government fines, they have to PAY the victims (consumers)
 5.
 - v. Collections frauds where a consumer disputes a debt only to have another collection agency tack on more fees and continue as if it wasn't disputed in the first place would be held criminally and civilly liable
 6.
 - vi. I would like to make it mandatory that no credit reporting agency can report a derogatory claim without verifying with the consumer FIRST, and any disputed CLAIM forced into immediate arbitration provided as part of this social service to protect consumers from the wealthy oppressors of today. (James 2:1-6-9)
 7. DEPROGRAMMING - our entire society is suffering from intentional <https://www.facebook.com/notes/michael-swenson/566322743446689>

[swenson/brainwashing/643617432383886](https://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551) because the FACTS proving who the One True GOD has been INTENTIONALLY SUPPRESSED! help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth!<http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>

1. It is necessary for all souls to realize whether they like it or not the GOD of the HOLY BIBLE is in fact the Creator and Ruler of His Universe. He has given us CLEAR INSTRUCTIONS for all aspects of life!

<https://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756>

1.
 - i. As such when you are suffering, you must be honest with yourself and ask if your nation and the people all around you and perhaps even yourself has departed from following those instructions to your own detriment (Deut 28). If so, then REPENT and RETURN to GOD and following His Instructions and you will return to a state of blessedness. ALWAYS BE THANKFUL! DO NOT FORGET AND BECOME IDOLATERS!
 - ii. If you and the general populace are honest, willing to work, following God's Instructions and you are suffering then it is definitely because greedy and corrupt persons are in places of public trust and are wickedly oppressing you either in their incompetence, ignorance and negligence or by evil intent. GET RID OF CORRUPT AUTHORITIES AND MAKE SURE ONLY PERSONS FULL OF THE HOLY GHOST ARE IN POSITIONS OF MANIFEST PUBLIC TRUST, POWER AND AUTHORITY!

3. NEVER AGAIN ALLOW YOURSELF TO BE BRAINWASHED INTO A SLAVE MENTALITY! - <https://www.facebook.com/notes/michael-swenson/the-planned-demoralization-of-america/632305113515118> (<http://www.blastthetrumpet.org/PublicLetters/AAAUpdatedPublicAlertsMattersofLifeandDeath/THE%20PLANNED%20DEMORALIZATION%20OF%20AMERICA.pdf>) and <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101>

1.
 - i. Paying taxes is a form of tribute to greedy, elite oppressors; anyone asking you to pay them tribute is saying you are subject to them; they are superior to and rule over rather than serve you

losing our entire life's savings in the process. Make it fundamental law that the poorest among you set the prices of basic dietary staples and the factors that affect overall costs of goods (such as transportation – oil)! Crossover by mandate from archaic, polluting, petrol burning engines, to quite, non-polluting hydro-electric and or solar powered motors for transit; instead.

1. Conversely, this means elected, intelligent officials must show proof that the poorest citizens are NOT starving homeless in the streets, NOT being euthanized, NOT being imprisoned, BUT
2. ALL citizens that are able to work, willing to work have enough of a LIVING WAGE to provide food, clothes and shelter for themselves!
3. Medical disabilities might not be TOTAL disabilities; as such more proactive assistance for such citizens needs to be implemented so those who still want to contribute and be productive are allowed to
4. the poor and demographics of a region should produce commensurate developments, improvements, when the poor are driven off like chaff before the wind to make way for the wealthy we have left off being a sane, representative society into caste oppression, enslavement, and human rights violations leading to outright oppression and eventually euthanization of any members of society perceived as having little or no worth by such persons as think such is acceptable behavior being adopted more and more worldwide. This mentality is fundamentally flawed as ANYONE can become ill, disabled, and reduced to poverty EASILY, so just because the sun is shining on you today doesn't mean you won't have a storm tomorrow; IN OTHER WORDS HUMAN WORTH IS FUNDAMENTALLY EQUAL! The moment any individual is considered less valuable than another in thinking and practice, we are headed to VERY DANGEROUS and even LIFE THREATENING trends! Therefore NO MORE RULERS (except GOD), only PUBLIC SERVANTS! Accountable to the public and treating even the poorest citizens with absolute respect as an equal human being!
<https://www.facebook.com/notes/michael-swenson/end-abortion-fund-life-and-wellness-not-death-and-destruction/611604255585204>
5.
 - viii. We must make equal opportunity education for ALL citizens by making it a right and public service of the nation to obtain at least an employable trade school degree. Higher education is the right of all citizens that show the aptitude (grades) and attitude (desire), thus we get passionate (and competent) persons pursuing higher degrees for more technical and responsible positions (such as doctors) rather than just those who can afford it! (In my opinion, all med students should be REQUIRED to obtain only B grades or above, any C should result in review as to why and possible dismissal!

(doctors are dealing with people lives! Incompetence can result in lifelong torture or death! They should be held to the highest standards; NOT becoming such just to become rich! And NOT going to med school just because mommy and daddy are wealthy enough to send them) In addition, our current system engenders corruption, nepotism and such in politics and law, by making law school excessively expensive and thereby omitting such persons as would have a natural inclination to sympathize with the poor and oppressed, the enslaved and imprisoned citizens of our society. Thus the greedy elite employ armies of attorneys further strengthening their oppression upon consumers, citizens causing rampant fraudulent billing, slanderous and libelous credit reporting, increasing impoverished citizens which are losing their rights and voice and even admittance to courts by these measures.

6. ix. No jobs – FIRE government officials! The only reason there are no jobs is by willful intent! (in connection with all the aforementioned) However, REGARDLESS, of greed, corruption, multinational enslavement of impoverished citizens worldwide, wallstreet (people thinking its okay to make money by laying off other people, reducing their wages, reducing their benefits, so they can make higher dividends without a conscience; rather than providing a product or service which is the fundamental foundation of a strong, working economy), yes, REGARDLESS of these major contributing factors, when there are no jobs of living wages IT IS THE ABSOLUTE FAULT OF POLITICIANS! All of history shows that politicians can create MORE THAN ENOUGH JOBS to employ the whole world! ONLY when authorities turn corrupt and selfish, caring about their personal bank accounts more than others, do such conditions occur! I list dozens of jobs that need doing around the world that could employ every able soul thrice over worldwide! Just the infrastructure needs in America could employ all persons now unemployed; so if there are no jobs, it is for the reasons people don't want to face:

<https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101>

7.
 1. Population management- proven fact birth rates go down and death rates go up during economic crises
 2. Economic crises (depressions and recessions are INTENTIONALLY CAUSED) – this is extremely simple to do; those who own the mints and control banking processes like the feds, cause depressions/recessions just like they did repeatedly as often as desired by loose lending followed by a hangman's noose:

1. Step one – inflate real property values by giving 100-110% LTV (loan to value) to individual homeowners
2. Step two – provide plastic the same way casinos give people chips; so they detach from the concept that they are spending real money
3. Step three – provide legal ways to charge loan shark values like 35\$ fees for a 1\$ over draft or increasing the compounded interest rates after seducing a victim and entrapping them with a low introduction rate
4. Step four – inundate society with shows, advertisements, and other materialistic values to drive consumer spending above their means
5. Step five- AFTER giving plastic cards (inherently worthless), loose loans (100-110%LTV; again inherently worthless), loose paper money (again inherently worthless), they then get together with their rich buddies, laugh it up as they reduce wages, lay off jobs, withdraw loans, increase interest rates on all the worthless credit they gave to all the suckers that were created by the above steps, and after the poor, slave, suckers, poured their entire life's energy and savings into their homes, drive them off with foreclosures and thus the wealthy elite increase their REAL VALUE NET WORTH by getting YOUR REAL PROPERTY when all they actually provided was WORTHLESS credit of NO INTRINSIC VALUE WHATSOEVER! That all the manipulated masses spent on their advertised products and services and thus were completely scammed out of their houses and years of their hard work by these controlled and obvious measures, tried and proven historically AND currently.
6. In this manner, recessions and depressions, are used to control population rates, kill off the poor, sick, elderly and oppressed, and increase the ruling elite's real property holdings and net worth at the expense of the masses that they have so easily manipulated by these measures
7. Practice money management the way GOD tells you to and don't borrow from others; save instead for all you wish to purchase, if you borrow; you are choosing to be a slave. (Prov 22:7)

1. If you are a Christian or of the Jewish faith you know it is against God's commandments to loan with usury to anyone of the faith, but many are doing just that by participating in wallstreet, note buying, and even direct hard money loans (Ex 22:5, Lev 25:36,37; Deut 23:19, 20)
2. Christian landlords COULD show compassion to your tenants under such oppressive circumstances that exist at present and reduce your rents thereby potentially alleviating brothers and sisters in the faith and having mercy upon the poor and needy
3. If you DON'T give generously to those in need when you have abundance it is most certain that one day you will be in need and yet no one will help you! (Gal 6:7) conversely, Christ promises great blessings to the cheerful giver (Lk 6:35-38)
4. Some ministries' methods of taking "pledges" is setting up something almost as solemn as a vow; rather than just accepting contributions, they use a "pledge" method to make a person feel guilty if they are unwilling or unable to continue contributing to such ministries using this method which borders on Christ's warnings not to make promises, or swear, or talk of the future as if it is certain without mentioning God's will. (Jas 4:13-17; Mt 5:34-36) It's acceptable to accept offerings and tithes, it is not acceptable to falsely accuse benefactors, contributors or partners of making a pledge in the process. (I mention this because it is linked to the problem of Christianity adopting too much materialism and greedy practices of the worldly persons cleverly manipulating citizens) It's not as bad as citizens being defrauded by our government out of billions through the illegal income tax (16th amendment never ratified - <http://www.youtube.com/watch?v=O6ayb02bwp0>), but all attempts to enslave and obligate another person into indefinite donations is practicing distasteful manipulation rather than honest charity. POINT- Christians need to transform the world for the better; not be transformed by the world for the worse!

5. Jobs can be created incessantly by national projects and vision of proper stewardship of the earth; by public servants (government) auctioning publicly on local, state and national levels whatever tasks that need doing (like the dozens I list on blastthetrumpet.org). (unfortunately, now due to political corruption, often government contracts are not made public at all but sold to their rich, corrupt, greedy buddies in business (of profiteering at the expense of all the rest of us). The criminals in politics and business partnerships that now exist simply embezzle all the funds such as the massive missing funds annually in the Pentagon, military/industrial complex, Halliburton so called rebuilding of IRAQ that was clearly just blown on luxurious partying<https://www.google.com/#q=halliburton+missing+billions+that+were+supposed+to+rebuild+iraq> and <https://www.google.com/#q=halliburton+employees+caught+blowing+millions+that+was+to+rebuild+iraq> by many corrupt persons all well documented but NO ONE is holding all these criminals accountable! Citizens MUST unite and realize the true POWER is in sheer numbers of unified protests by MILLIONS nationwide; not a few thousand here and there)! That way government down sizes from being a direct employer and funds the free competitive market. Where does the money come from? (aforementioned, natural resources, national products and services, people (elected officials/public servants) mint currency as necessary for national solvency/productivity – YES! IT REALLY IS THAT SIMPLE!)
6. RECAP –to avoid suffering and be blessed
 1. Teach all children the truth that they were created by God with careful thought and intent (1Pet5:7; Is 44:2; Jer 1:5; Jer 29:11-13)
 2. Teach all children the instructions for life as found in the Holy Bible (Deut 4:1-14; 6:1-7)

3. Then you will have enlightened citizens in all walks of life (including politics, law enforcement and healthcare)
4. When suffering read Deut 28 publicly and objectively observe to see if you are cursed or blessed thereby; if you and your nation has strayed from the One True GOD and His Instructions for life REPENT! Before you all suffer even more or perish!
5. If you and the general populace is living as GOD instructs and you are being persecuted by corrupt authorities; then you either have NOT repented but are practicing sins behind closed doors OR you are not praying for your leaders as instructed OR you have not ENOUGH honorable citizens to arrest criminals WHEREVER they may be (even politicians, judges, war criminals, treasonous officials, etc.)
6. Teach your children (and all citizens everywhere) to LOVE AND OBEY GOD! And the rest of these problems we face will vanish!

<http://www.seawapa.com/> - this site has a comprehensive demonstration of how the spirit in the old world empires is moving on unenlightened, war mongering, greedy megalomaniacs to merge into the modern satanic NWO and some great ideas for the future of humanity. (namely depose those present

SELFISH, ARROGANT, WICKED globalists whose vision for the rest of us is death, destruction and enslavement, and INSTEAD all humanity unite together worldwide to build a utopian life for us all!)

polluting and poisoning the planet has become a crises threatening mass extinctions; including our own. (<https://www.facebook.com/notes/michael-swenson/prophecies-show-divine-inspiration-of-the-holy-bible/520171808061783> and <https://www.google.com/#q=gmos+causing+extinction> and <http://www.youtube.com/watch?v=lf9yzHwOeUc> and <http://www.youtube.com/watch?v=vIMQ5IFF3m4>) However, the overworked populace habitually has shown that they have not the energy to unite until they realize their own lives are in peril if they don't. For some reason, people are getting sick and dying and yet still do not perceive this peril. <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> All who are still healthy need to take a good look at how many are getting sick from diseases that never existed in our past and realize that you are indeed in grave peril if you do not unite and effect changes for the better immediately. I suggest that people tend to rebel against all kinds of legal mandates; however, tend to respond positively if rewarded for their actions. I suggest governments implement monetary (significant) rewards for all who compost their organic waste; for all who separate their inorganic waste.

Waste management needs to be internationally focused on because like it or not the waste of nations affects all of us globally (all that we think, say and do affects one another globally to greater or lesser extents). As such, technology for waste sorting into recyclables needs to be implemented and until then massive hiring of individuals to do the task. Any material not recyclable needs to be incinerated in waste disposal refineries. I would like to see such refineries be solar incinerators constructed of giant magnification lenses that concentrate enough heat to melt even metals almost instantaneously. The heat from these refineries run steam powered turbines for electricity. <http://www.greenfudge.org/2010/04/14/danish-incinerators-are-shining-examples-of-clean-energy-and-waste-disposal/>

these need to be modified and improved until there are zero toxic emissions in the refining process and all that remains are recyclables. I would like to see restaurants given monetary incentives for using all organic waste for composting in nearby agricultural endeavors.

<http://panacea-bocaf.org/cavitationheaters.htm> - please add ingenious innovations, inventions in the comments section below; thank you.

I would like to see free heirloom seeds provided to all citizens to combat this new attack on ecosystems and our lives through the ignorance of genetic modification and giant monoculture farms.

<https://www.google.com/#q=gmos+and+monocultures+threaten+ecosystems+worldwide> All citizens who plant and maintain fruit and nut trees on their property and annual gardens rewarded monetarily. If I hear one more person ask where does money come from; I'm tempted to slap em because they are NOT using the brain GOD gave them. Money is paper and ink, or electronic credits these days. There is enough money to do whatever people agree to do on planet earth; the only reason you think there isn't is that the mints that print the money have been commandeered by very evil, selfish, greedy people who horde it all to themselves to live in luxury and enslave all the rest of us.

Not only do your best to tell others what GOD has done for you but support efforts to make sure everyone on earth has a Holy Bible! <https://www.bibleleague.org/> or fund radio broadcasts, television broadcasts, missionaries of the Gospel of Yahoshuah, aka Jesus Christ! I would like to see those who can engineer a solar powered digital bible in all the major languages of the world (even if each version is a separate device to keep costs down) that audibly reads the Holy Bible on demand to the user. I would like it to have a scroll bar that shows the Word of God in their language as it reads to them. (the device could also help cure illiteracy in the very best of ways) and be used to reach people where populations don't have access to quality education and printed Holy Bibles.

[Michael Swenson](#) When people in this nation were raised with Christian ethics; there was not such a huge disparity between the employer and employee. Small businesses caused both to work closely together and so became familiar with the needs of both to have a successful operation. this generally ensured a livable wage; as even apprentices were paid for learning the skills necessary to work in their chosen profession. But with remote investing, large corporate structures, in a purely profit driven enterprise, such is no longer the case. Corporations actually founded schools of indoctrination and make people actually PAY them (instead of the apprentice system that once existed) and pay them SO MUCH that citizens are turned into indentured servants whereby they have to work for these same ultra-wealthy persons in their corporations and ACCEPT whatever wage is offered. So the greedy wealthy by GREED have turned our entire nation into slaves in this process of creating indentured servants. When people complain about wages; they replace them with another starving slave; while the laid off slave ends up in their corporate prisons full of such slaves who dared to rebel against this GREEDY system they have socially engineered. <http://www.thenation.com/prison-profiteers#> and <http://www.globalresearch.ca/prisons-are-big.../5328757> Face it the corporate structure has become a criminal enterprise whose nature of existence creates ultra wealthy despots at the expense of creating slaves of the masses and destroying the planet; raping, pillaging, plundering greedily for profits and cutting every expense (including all the measures to prevent environmental degradation that now neglected by GREED are causing mass extinctions worldwide - <http://www.youtube.com/watch?v=JHj7XkhMjJE> The wealthy, without Christ, turned to pure GREED in capitalism, and have proven a livable wage MUST be mandated by law in such a society; where money is the god, and in such a detached business structure between the employer and employee. Which is why I propose change making such structures illegal among other changes the greedy have put in place destroying the lives and enslaving the rest of us. <http://www.facebook.com/notes/michael-swenson/solutions/516489485096682>

[Michael Swenson](#) one of the solutions I suggest for better education is to create an international database where elders can share important topics they have learned in life. This would be accomplished by having a semester class in secondary education where young people had to write a thesis on at least one such elder they interviewed. They could go to senior housing facilities or just someone in their neighborhood or many until they found one they thought worth documenting. Frankly personal recording devices, cameras, phones, etc. are so common now the database could not just be searchable text but audio-visual so that anyone all over the world could learn from elders. In this way generational knowledge could be preserved instead of lost in an endless doom of repeating history. <http://scontent-b.xx.fbcdn.net/.../1382149...>

[Michael Swenson](#) Why I don't support: <http://www.realjoeyou.com/>

I'm sorry, I am certain my own proposals are much better than continuing to think that trusting criminals with one penny of our earned wages is going to solve the crises. You really should have read my own proposals rather than thinking we are going to solve anything by tweeking the corrupt system; especially by REDUCING already below slave poverty wages to the vast majority of retirees. TRY AS HARD AS POSSIBLE to realize we can have livable wages for all disabled and elderly persons in America (and the world) if we will just recapture the right to mint our own currency instead of continuing to borrow from those who are causing the recessions and depressions and stealing the money we deposited in the first place! I have read the proposal and it will in no way solve the problem (we have to address mismanagement of funds before sending any more funds into the hands of those absconding with them; we need the public to understand that they must take back the mints! in other words; instead of thinking that you must accept slave wages, slave benefits and poverty retirements; you realize YOU DICTATE TO GOVERNMENT YOUR BENEFIT PACKAGES; just like they now give themselves; because they are in control of the money; instead of we, the people, as our nation was founded to be). You should have read the links cited above; so you accurately understand the underlying issues of WHY we are being told there is not enough money for retirees, for healthcare, for the SLAVE POPULATION; while they luxuriate themselves in unprecedented wealth; before replying: <http://biblehub.com/proverbs/18-13.htm> and <https://www.facebook.com/notes/michael-swenson/solutions/516489485096682>

Michael Swenson I can't believe people are still talking about unarmed protests! YOUR LIVES AND THAT OF YOUR CHILDREN ARE UNDER ATTACK!!!!!!!!!! UNLESS YOU PLAN ON A NATIONWIDE SHUT DOWN OF ALL SERVICES (MAKING GOVERNMENT COMPLETELY INEFFECTIVE UNTIL THOSE WITH THE GUNS ARREST THE INFILTRATORS) THEN AN UNARMED PROTEST IS USELESS! TREASONOUS POLITICIANS IN THE EXECUTIVE, LEGISLATIVE, AND JUDICIAL BRANCHES NEED TO FIND THEMSELVES UNDER CITIZENS ARREST! (TO BE DEPOSED) AND AN UNARMED DEMONSTRATION ISN'T GOING TO CUT IT! [Michael Swenson](#) The main reason each of us needs to be concerned about the rape of the world for natural resources; is that greed is killing entire ecosystems. That means people clearing millions of acres of wildlife all over the planet are effectively not just causing mass extinction events for unrelated species; but are leading to (apart from Divine Intervention) to irreversible damage to our planet. The collapse of ecologies, whether oceans, whether rain forests, represent the death of our planet. When there are no more species but what we cultivate and domesticate left, mankind is then on the brink of global famines and their own extinction. Our planet is essentially an interconnected living organism comprised of interwoven symbiotic relationships upon which all life depends. What few want to address in their cruel observations when they say dominant species survive; is not really what the evidence shows us. What the evidence really is showing us is that selfish greed, is a threat to ALL life on the planet; including our own. Unless mankind learns to concentrate on agriculture and aquaculture; while leaving planetary ecosystems in good health, then at some point in the not so distant future, we will witness such hell on earth as entire nations starving and in that process cannibalism and anarchy. It is imperative that global education begin worldwide to focus on the LIFE of our planet, and on agriculture and aquaculture, even urban tiered farming solutions, underground transit to free up green space on the surface. concentrated superstructures for habitation and business to free up commutes (roads) and more green space between the superstructures to clean up air. crossover to hydro-electric and solar, minimize fossil fuel burning. return to old school methods of fishing (single lines as opposed to dredging, mass netting) clean up the filth out of the oceans, forage DON'T CLEAR the remaining rain forests!

Forage instead for the medicinals and keep the variation of speciation or mankind will fall to the doom of the weakness of monocultures. restore honey bee populations, by criminalizing pesticide use and gmo modifications that are a threat to all life on the planet (if it kills microbes, it is TOXIC, poisonous food, if it kills insects, or larger organisms, IT IS NOT SAFE TO EAT) Instead find out that there are natural solutions, plants that have natural resistance to pests and learn to implement them by integration into protecting diversified crops. Until mankind returns to our Creator, none of your chemical methods as vain attempts to reduce pestilences due to the curse will work; all you will succeed in doing is poisoning the planet and yourselves in the process. People don't want to face that SIN leads to DEATH AND DESTRUCTION; but that is the FACT! Until mankind repents, none of the solutions you attempt will succeed in sustaining your own lives. So REPENT turn to our Creator AND then you will receive knowledge, wisdom and understanding how to PROPERLY STEWARD LIFE (including your own; for all mankind) on planet earth and beyond. International bans on GMOs, cross-over to hydro-electric for all transit, use the fossil polymer resources to make solar power, clean energy. solar boosted vehicles with hydro-electric motors! Educate people in the meantime, that if everyone choose to have as many kids as possible in a lifetime, the whole world will soon be so full of people (especially if they are not involved in agriculture and aquaculture that all that will be left to eat is each other!) PLEASE don't create hell on earth! LEARN FROM OUR CREATOR EVERYONE!<https://www.facebook.com/.../saved-by-grace/584215104990786>

All these COULD BE implemented if we had governments that cared about citizens rather than their pocket books lined by the corrupt dollars of corporate special interests.

Aerogel, also known as frozen smoke, is the world's lowest density solid, clocking in at 96% air. If you hold a small piece in your hand, it's practically impossible to either see or feel, but if you poke it, it's like styrofoam. It supports up to 4,000 times its own weight and can withstand a direct blast from two pounds of dynamite. It's also the best insulator in existence.

Before our white brothers arrived to make us civilized men, we didn't have any kind of prison. Because of this, we had no delinquents. Without a prison, there can be no delinquents. We had no locks nor keys and therefore among us there were no thieves. When someone was so poor that he couldn't afford a horse, a tent or a blanket, he would, in that case, receive it all as a gift. We were too uncivilized to give great importance to private property. We didn't know any kind of money and consequently, the value of a human being was not determined by his wealth. We had no written laws laid down, no lawyers, no politicians, therefore we were not able to cheat and swindle one another. We were really in bad shape before the white men arrived and I don't know how to explain how we were able to manage without these fundamental things that (so they tell us) are so necessary for a civilized society.

HOW TO BEAT THE 1%

Iceland Did It, So Can We

BANKERS JAILED, POLITICIANS REPLACED, NO SHOTS FIRED

2008 - CITIZENS FORCE THE RESIGNATION OF BOTH THE PRIME MINISTER AND THE EFFECTIVE GOVERNMENT.

2010 - THE PRIME MINISTER WAS INDICTED, OVER 200 CRIMINAL CHARGES WERE FILED AGAINST THE BANKERS, AND ALL OF THE FORMER CEOs OF THE 3 BIGGEST BANKS WERE ARRESTED. OTHERS WERE FORCED TO LEAVE THE COUNTRY.

2010 - AN ASSEMBLY IS ELECTED TO WRITE A NEW CONSTITUTION TO AVOID ENTRAPMENTS OF DEBT. TWENTY-FIVE CITIZENS ARE CHOSEN — "WITH NO POLITICAL AFFILIATION". THE ONLY QUALIFICATIONS FOR CANDIDACY ARE ADULTHOOD AND THE SUPPORT OF 30 PEOPLE.

2010 - THE MAIN BANK OF ICELAND WAS NATIONALIZED.

2010 - THE NEW GOVERNMENT FORGAVE DEBT EXCEEDING 110% OF HOME VALUES.

what I want to point out (besides the fact that those who are supposed to enforce laws don't know them); is that THOSE WHO HAVE THE GUNS RULE! not the governors, not the judges, not the legislators, after MILLENNIUMS during confrontations, whoever holds the weapons STILL function with might makes right mentalities! This is WHY I am for universally arming all citizens after proper weapons training and safety courses (similar to the program in Switzerland)
