Atheists are the most religious/sacrilegious (their negative connotations regarding the term of "religion" is what they are guilty of practicing) of all! <https://www.facebook.com/notes/michael-swenson/the-religion-of-evolution-versus-the-science-of-creation/729829070429388>

(for BOTH the individual that espouses them and the society that allows this madness to grow!)

(especially anything having to do with the Truth - Christianity).

If "atheism is a religion, like off is a TV channel", why are they starting churches?

Evolution and Atheism Intertwined Religions of the Insane

1. in-san-i-ty

/in'sanitē/

Noun

1. The state of being seriously mentally ill; madness.
2. Extreme foolishness or irrationality.

Synonyms

madness - lunacy - craziness - derangement - dementia

1. fool

/fool/

Noun

A person who acts unwisely or imprudently; a silly person: "what a fool I was to do this".

Verb

Trick or deceive (someone); dupe.

Adjective

Foolish or silly.

Synonyms

noun.

simpleton - dolt - tomfool - ninny - nincompoop

verb.

cheat - deceive - dupe - bamboozle - hoodwink - kid

adjective.

foolish - daft - goofy - fatuous - idiotic - asinine

I write the following in the hope that if there are to be any future generations of mankind they will consider the act(s) of intentionally deceiving/brainwashing innocent children a felony crime because it fits the definition of aggravated assault and should be punished with incarceration.

<https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>

I also hope that if there are to be any future generations of mankind upon the earth that never again will such mass lunacy take hold of them but will know and acknowledge our Creator from whom we all come and by whom we all exist openly from the time they are born and forever.

aggravated assault

Web definitions

a reckless attack with intent to injure seriously (as with a deadly weapon)

A person is guilty of aggravated assault if he or she attempts to cause serious bodily injury to another or causes such injury purposely, knowingly, or recklessly under circumstances manifesting extreme indifference to the value of human life; or attempts to cause or purposely or knowingly causes bodily injury to another with a deadly weapon. In all jurisdictions statutes punish such aggravated assaults as assault with intent to murder (or rob or kill or rape) and assault with a dangerous (or deadly) weapon more severely than "simple" assaults.

This is not an attempt to reason with the truly insane religious adherents to Darwin's Theory of Evolution and atheists as it is impossible to reason with an irrational mind which is argumentative proof that childhood brainwashing has caused them irreversible serious harm outside of Divine Intervention and supernatural healing, but is written to expose what has happened to them has been intentional and has successfully turned them into fools. Their madness is obvious to all persons still in their right minds by God's grace; but my many vain attempts to reason with them show that the brain damage by programming in our public education system is so severe they are simply incapable of rational thought and understanding simple concepts any longer.

"The Law of Cause and Effect states that every material effect must have an adequate antecedent or simultaneous cause. The mass of a paper clip is not going to provide sufficient gravitational pull to cause a tidal wave. There must be an adequate cause for the tidal wave, like a massive, offshore, underwater earthquake ("Tsunamis," 2000, p. 1064). Leaning against a mountain will certainly not cause it to topple over. Jumping up and down on the ground will not cause an earthquake. If a chair is not placed in an empty room, the room will remain chairless. If matter was not made and placed in the Universe, we would not exist. There must be an adequate antecedent or simultaneous cause for every material effect. Perhaps the Law of Cause and Effect seems intuitive to most, but common sense is foreign to many when God is brought into the discussion." -

To paraphrase something MUST exist to act upon anything else.

"Aristotle on Non-contradiction

First published Fri Feb 2, 2007; substantive revision Wed Jan 26, 2011

According to Aristotle, first philosophy, or metaphysics, deals with ontology and first principles, of which the principle (or law) of non-contradiction is the firmest. Aristotle says that without the principle of non-contradiction we could not know anything that we do know. Presumably, we could not demarcate the subject matter of any of the special sciences, for example, biology or mathematics, and we would not be

able to distinguish between what something is, for example a human being or a rabbit, and what it is like, for example pale or white. Aristotle's own distinction between essence and accident would be impossible to draw, and the inability to draw distinctions in general would make rational discussion impossible. According to Aristotle, the principle of non-contradiction is a principle of scientific inquiry, reasoning and communication that we cannot do without." - <http://plato.stanford.edu/entries/aristotle-noncontradiction/>

"Law of noncontradiction

From Wikipedia, the free encyclopedia

This article uses forms of logical notation. For a concise description of the symbols used in this notation, see List of logic symbols.

In classical logic, the **law of non-contradiction** (LNC) (or the **law of contradiction** (PM) or the **principle of non-contradiction** (PNC), or the **principle of contradiction**) is the second of the three classic laws of thought. It states that contradictory statements cannot both be true in the same sense at the same time, e.g. the two propositions "*A is B*" and "*A is not B*" are mutually exclusive." -

http://en.wikipedia.org/wiki/Law_of_noncontradiction

- 1) Something must exist to act upon anything else.
- 2) Something cannot act upon itself before it actually exists.

By these two obvious principles the Universe did not create itself or bring itself into existence.

u·ni·verse

/ˈyuːniːvərs/

Noun

1. All existing matter and space considered as a whole; the cosmos...
2. A particular sphere of activity, interest, or experience.

Synonyms

cosmos - world - macrocosm - space - creation

Creation did NOT bring itself into existence! (despite the absolute madness these fools have embraced <http://www.youtube.com/watch?v=fWq0lahNNyY> AND http://www.youtube.com/watch?v=vlvZ_oqV1w) It is obvious to all sane persons; but religious adherents to Darwin's Theory of Evolution and Atheism have proven incapable of grasping this simple truth. The ones who have not gone completely raving mad; drooling on themselves in their own waste; can still acknowledge the use of their primary perceptive abilities such as seeing, hearing, touching etc. and yet at the same time while acknowledging the existence of creation through their use adamantly deny the existence of the Creator. They fail to grasp even with whatever critical thinking that might still remain to them how this violates the above two scientific laws. **Laws that are so critical that without them; as Aristotle put it "...we could not know anything..."**. This fact proves these persons have gone insane and become fools just as our Creator tells us. <http://biblehub.com/romans/1-22.htm>

But to be more specific regarding how it is being forced upon children during the years of their development and growth intentionally <http://www.foxnews.com/opinion/2014/01/14/first-grader-told-to-stop-talking-about-bible/?intcmp=latestnews>, I will discuss some of the most obvious problems showing the madness they embrace and yet are seemingly incapable of realizing it.

1) The Big Bang Theory - no matter how many times you ask them just what exploded and where did it come from they cannot declare it; let alone agree on it. Nevermind that it fails to explain why so many celestial objects are rotating, spinning, revolving instead of just flying outward from the explosion. And nevermind that in all of known history we have never once observed an explosion anywhere making something more complex but by ubiquitous evidence and definition disintegrates something complex into less complex, smaller particulates.

ex·plo·sion

/ik'splōZHən/

Noun

1. A violent and destructive shattering or blowing apart of something, as is caused by a bomb.
2. A violent expansion in which energy is transmitted outward as a shock wave.

Synonyms

burst - detonation - blast - outburst - outbreak

Their initial premises on the theory of their own existence (and that of the whole universe) is obviously ludicrous as NOT ONE of them can explain this very first principle of the complete load of crap they

believe in let alone then acknowledge the truth that what they believe in is clearly religious in nature and in no way "scientific". But these fools want everyone else to believe their chosen insane worldview is just that.

2) Abiogenesis - According to the worldview of these adherents to metaphysical concepts in the name of science fools, life came from inorganic substances that coalesced and became the first single living cell. This occurred from the something that they cannot define; nor tell us where it came from; that exploded in the void of space; which is an environment that we know from observation is so hostile that it brings virtually instantaneous death to all known life forms on our planet; especially and even to single celled organisms.

3) And their religious belief in the name of science goes on... that from that single cell all the myriad of species we know today came into existence. Plants became animals, animals became plants, fish became reptiles, reptiles became fish, some fish became mammals, some mammals became fish, and somewhere in the figments of their wild imaginations bananas became the chimps that eat them which turned into the fruit bowl upon their necks within their cranial region for what should be a brain. Nevermind in the fossil record not ONE transitional form exists. Nevermind the fossil record clearly disproves the so called "geologic column" which is just fiction created by Charles Lyell, who was a lawyer; not a geologist. Nevermind that every attempt by evolutionists to claim they found the missing link has failed though they have searched frantically in all the world. Nevermind all of the things they still force on innocent children has been proven fraudulent with regards to so called "human evolution". <http://www.nwcreation.net/evolutionfraud.html>

No matter how you slice it or dice it everything these persons believe and claim is scientific fact has been proven FALSE not only by the sciences; but by ubiquitous evidence. No one in all of history has seen macroscopic evolution. All the mutations ever recorded by toxins, radiation, have not resulted in new life forms but death to the mutation. Any actual modifications that have taken place have happened by intentional alteration of genetic material which took many advances in science even to discover; let alone record some of that information encoded in the genetic makeup of species. Information that is so complex and lengthy it has taken supercomputers to even attempt to store the data. This presentation has a way of showing just how ludicrous atheism and evolutionary religions really are: <https://www.youtube.com/watch?v=mtBz1roiQR8>

In short, virtually everything the persons who call themselves evolutionists and especially atheists believe in regarding the origin of the Universe and of Life in general has been proven by the sciences; they want everyone else to think that they champion, as FALSE. They are incapable of seeing it all as the

load of crap that it is and mock people who try to bring them out of their insanity and obvious brainwashing.

When professors of evolutionary theory are confronted about all the lies published in text books for children in our public schools they acknowledge that they know what is being taught the children is false. http://www.youtube.com/watch?v=b8GgrUposII&list=PLImVnuWDQ6_JNBH7TGMLVV5Pd6OgmOrF7

Furthermore, some evolutionists; when confronted, have at times even stated why they are lying to the children as <http://archive.org/details/DarwinsDeadlyLegacy> aptly points out.

<http://www.youtube.com/watch?v=4mxXICZ9mXo&list=PL7F9B57EBDCCEECF8> and even more astutely <http://www.youtube.com/watch?v=j7XR9yH2ETk> (teaching your kids to think they are nothing more than animals and to act like it; to satisfy their own perversions https://www.google.com/search?q=teachers+having+sex+with+students+and+minimal+sentences&rlz=1C1GIGM_enUS535US535&oq=teachers+having+sex+with+students+and+minimal+sentences&aqs=chrome..69i57.18404j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8) and <https://www.facebook.com/notes/michael-swenson/the-planned-demoralization-of-america/632305113515118>

Remember that our modern public education was taken out of the Church into government control by Rockefeller and such wealthy oppressors/exploiters of the masses like him. http://en.wikipedia.org/wiki/General_Education_Board In other words, our so called education system was set up by the ultra wealthy to socially engineer the masses and force their own opinions upon them regardless of scientific facts or truth. <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886> These same wealthy persons who exploit and intentionally enslave the masses <http://www.youtube.com/watch?v=oygBg6ETYIM> ; need slave mentalities; and have socially engineered it successfully as the existence of evolutionists and atheists prove. Funding puppets in politics but especially secretive agencies and practices of government such as all the mass Psy-Ops programs http://www.google.com/#sclient=psy-ab&q=funds+american+Psy-Ops&oq=funds+american+Psy-Ops&gs_l=serp.12...26002.33862.1.36126.14.14.0.0.0.155.1144.7j4.11.0...0.0.0..1c.1.17.psy-ab.GkexrS5n-XU&pbx=1&bav=on.2,or.r_qf.&fp=4c4cd8b5332e1507&biw=1067&bih=702 ; the wealthy openly state their desire to control populations and recently their desire to reduce the number of persons by over 6 billion <http://www.youtube.com/watch?v=MljrirW3Gno> ; but people who have had their brains apparently turned to unthinking mush are incapable of understanding that brainwashing has

been successfully used on them by these wealthy, evil individuals. <http://www.youtube.com/watch?v=i46RI2twVao> I put only one of many Psy-Op programs and only one link not because there are not many more <http://www.youtube.com/watch?v=uOoR5D73Huo> but because I want sane persons to research on their own these topics such that the enlightenment that follows will eradicate the cruelty of intentionally brainwashing innocent children (and other people in general); especially in the name of science. <https://www.facebook.com/notes/michael-swenson/too-many-are-turning-science-into-a-religion/711197568959205>

<https://www.youtube.com/watch?v=meIg-TyDm-g> In this debate the evolutionist makes a statement that no way does a single pair of horses etc. produce all the variations we see today, but that is because he is drawing his conclusion from a false premise and lack of knowledge. <http://biblehub.com/genesis/7-2.htm> notice all clean animals had SEVEN pairs and unclean had one pair. <https://www.youtube.com/watch?v=lktmmd7YnD8> Further the math behind population growth rates of species easily arrives to current population numbers on earth from just thousands of years ago, while the evolutionary claims of long time would have filled this world with species beyond the total living and fossilized remains "BILLIONS" OF TIMES OVER. (evolutionary "deep time" claims is disproven by mathematics) And he furthermore must be lacking knowledge behind observations of the silver fox: <https://www.youtube.com/watch?v=ZEOjlsUd7j8> widespread variations in short time proves the BIBLICAL ACCOUNT; NOT evolution! (evolutionists think creationists are denying variations within the kinds WHEN WE ABSOLUTELY DO NOT; what we are OPPOSED TO is teaching that a single cell produced all the billions of multi-celled organisms on earth today or that cats became dogs or a common carnivore produced both when the DNA for each KIND felines vs. canines is radically different. horse kinds can breed and produce other horse kinds - <http://www.dailymail.co.uk/news/article-2118901/The-strangest-zoo-Britain-See-zedonk-zorse-Zonkey-cross-bred-horses-show.html> but a donkey and cat no, a cat and walrus no, etc. the KINDS can breed and produce variations, but a single cell CANNOT and DIDNOT ADD DNA INFORMATION TO ITSELF TO BECOME A MULTI-CELLED ORGANISM (no matter how many "scientists" choose to foolishly espouse such incredible nonsense!) If evolution were true (it is NOT) but IF then throw out entropy! and if what they teach regarding the origin of life is true, then throw out the Law of biogenesis! Another snide comment by the evolutionist is that all the public universities teach evolution and none teach creation while IGNORING HOW THAT CAME TO PASS, (they systematically FIRED creationists), and removed prayer and the BIBLE from public education through corrupt persons in the courts; formerly for the majority of public education in our nation they would have laughed (and still should at the nonsense of evolutionary theory) all one has to do is look at the funding behind public education to see that these people have INTENTIONALLY placed such fools in public education to brainwash the masses!
<http://www.blastthetrumpet.org/PublicLetters/AAAUpdatedPublicAlertsMattersofLifeandDeath/THE%20PLANNED%20DEMORALIZATION%20OF%20AMERICA.pdf> and <https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079> (this is foolish! NOTHING IN ALL THE WORLD supports as "evidence" evolutionary theory; except their wild

imaginations!) - <https://www.youtube.com/watch?v=ED32UZT06sc> and (repost) WATCH IT!
<https://www.youtube.com/watch?v=GjvuwneORrE>

Attempting to censor even the mention of God in public education, automatically leads to promoting ignorance, lies and deceptions. Who or what defines what is knowledge? and who or what defines what is truth? it can't be popular agreement; as we see great numbers of people have been in error in history even though they were in agreement. all the superseded scientific theories http://en.wikipedia.org/wiki/Superseded_scientific_theories also show that it cannot be defined by those the masses may esteem as their most intelligent. <http://biblehub.com/romans/1-22.htm> Without an ULTIMATE AUTHORITY, "truth" and "knowledge" clearly remains purely subjective in the minds of observers. (Mentally imagining and vainly, intentionally putting "God" out of mind, has the effect of attempting to do away with the very definitions of absolutes; does away with the ability to KNOW and UNDERSTAND TRUTH). Doing away with GOD results in endless debates, uncertainty, ignorance, and ultimately leads to insanity <http://biblehub.com/romans/1-28.htm>, suffering, death and destruction. <http://biblehub.com/hosea/4-6.htm> The only way to absolutely be certain about KNOWLEDGE and TRUTH is to KNOW GOD, because HE DEFINES and is THE SOURCE of KNOWLEDGE and TRUTH! <http://biblehub.com/john/14-6.htm> and <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188>

I hope very soon people all over the world will cast off the many deceptions in the world and Repent and Call Upon the One True GOD, our Eternal Creator, LORD and Savior!!!!!!!

<https://www.facebook.com/notes/michael-swenson/how-to-know-truth-in-a-world-of-lies/622590531153243> and <https://www.facebook.com/notes/michael-swenson/the-eternal-creator-can-be-known/495815193830778> In the meantime, I ask people who do know our Creator to pray that He will either save the many insane fools the brainwashing in our public education system has produced and supernaturally give them all sound minds or remove them from the earth so they don't cruelly do so to innocent little children of the coming generations of mankind. Many of those who cling to their religions of evolution and atheism; I have personally noted, are the modern sodomites (which is exactly why the Messiah says they refuse to come to Him and be enlightened <http://www.biblegateway.com/passage/?search=John+3%3A15-21&version=KJV>); so their transformation or removal is absolutely necessary before they destroy the whole world in their madness. They are already intentionally ignoring all the warning signs. http://www.youtube.com/watch?v=e_nlAswAEG0, <http://www.youtube.com/watch?v=z1TS9C2bi-0>, http://www.youtube.com/watch?v=t6WVZJ_CFHQ,

<http://www.youtube.com/watch?v=lf9yzHwOeUc>. The Theory of Evolution (used in public education to brainwash children by the satanic NWO to keep them from KNOWING GOD - <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-1/633571873388442> and <https://www.facebook.com/notes/michael->

FALSE <http://www.youtube.com/watch?v=4mxXICZ9mXo&list=PL7F9B57EBDCCEECF8>. Not only is this LIE called the Theory of Evolution sowing death and destruction in all the world; it's deceptive evil is robbing souls of fulfilling their Divine Purpose and leading them into the everlasting flames of damnation (a deception that not only destroys physical beings; but attempts to destroy souls); as they dwell in such stupidity they are a danger to themselves and all life on the planet.

<http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558>

The use of Psy-Ops on innocent children who have grown up and are demonstrating they are incapable of rational thought any longer proves that brainwashing/programming is a weapon that causes great bodily harm (to the brain). https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=cia%20mass%20mind%20control

This damage is so severe that even when the whole world is fulfilling dreadful prophecies of their own destruction they remain oblivious and in denial.

<https://www.facebook.com/notes/michael-swenson/conspiracy-theories-or-plain-truth/662377083841254> and <https://www.facebook.com/notes/michael-swenson/end-times-verse-by-verse/625795230832773> In other words, intentional brainwashing, is life threatening to the victims fulfilling the definition of aggravated assault clearly. For those of us who know better the self-deluded, willfully ignorant, or otherwise deceived are not just a threat to their mortal bodies and other life forms on the planet but to their everlasting souls. <http://biblehub.com/matthew/24-22.htm>, <http://biblehub.com/revelation/20-15.htm>.

If any mortals survive the coming desolations, make certain the little children are never lied to by the complete nonsense of "The Theory of Evolution" and atheistic insanity; like what has occurred in recent history and is still in process, despite all the sciences have done to try to bring them out of their strong delusion, to this day - Yes, we who KNOW our Creator and are taught by the Creator directly beseech you, NEVER ALLOW THIS TERRIBLE CRUELTY FORCED UPON INNOCENT LITTLE CHILDREN IN THE NAME OF AN EDUCATION TO HAPPEN EVER AGAIN! http://biblehub.com/1_john/2-27.htm If there is anyone anywhere still sane enough to care about your own soul as it exists now and into eternity you must act as quickly as possible and obey this commandment from our Creator right away!:

Acts 2:38-39

King James Version (KJV)

38 Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

39 For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.

An evolutionist replied: "So talking snakes, making a women from a rib bone, virgin birth, putting every kind of animal on a boat, turning water into wine, walking on water is believeable but, a species evolving from one from into another is unbelievable? I can see your point."

To which I replied: talking snakes = satanically influenced beings <http://biblehub.com/luke/3-7.htm>, women from rib bone = http://stemcells.nih.gov/info/Regenerative_Medicine/Pages/2006Chapter4.aspx (if modern scientists can utilize raw organic material and modify it by programming with DNA <http://healthland.time.com/2013/06/06/5-discoveries-that-will-change-the-future-of-organ-transplants/slide/stem-cells/> and <http://janmeador.wordpress.com/teachings-2/why-god-used-adams-rib-to-create-eve/> why do you find that impossible for the Creator of the Universe)?, virgin birth (if mankind created in the image of GOD was given sperma/seed for the process of procreation from the Creator, what makes you think the Almighty is incapable of producing His own)?, GMOs on countless varieties of species these days and you think that difficult for the Creator of the Universe (water into wine)?, we have people walking on the moon, performing tasks in outer space; is walking on water so unbelievable?, but despite ALL that you can observe today proving these things are not only possible by technology and mankind (let alone the Creator of the Universe), you don't just believe in one kind of species such as a plant becoming an animal or an animal becoming a plant, but to actually believe the nonsense of evolution you are believing life itself came from non-life and that one life form became ALL life forms, but worse by denying Intelligent Design of the Universe by an Eternal Creator, you have no rational explanation for the existence of EVERYTHING as the entire line of atheistic and evolutionary thought is IMPOSSIBLE in concept let alone the stages of it's scope.

so another atheist writes: "The one thing I will say, and this will be it, is that I will never believe in the Bible as it was written by man from stories handed down for generations. We already know that one sentence passed down through 20 folks will be completely changed. Also there was stories held out of the Bible (by man) so that in itself is telling that the story was fixed to relate a certain tone throughout.

because if you can not believe the Holy Bible which has been scientifically proven to be the most accurate reference book in the whole world; its literary authenticity surpassing all other historical records of mankind BY FAR; then you really can't believe anything your senses perceive at all and have found yourself in a state of irrational madness. the Holy Bible, the most literary accurate record on earth BY FAR has been published and translated among all major languages and dialects on earth; so much so that even small tribes WHO HAD NO WRITTEN LANGUAGE AT ALL were given a HOLY BIBLE in their written language; which was created for them; JUST SO THEY COULD HAVE GOD'S RECORD! If you disdain the Holy Bible you are doing so to your own peril and in great ignorance as to the magnificence of it's unique qualities! It has been inerrant in thousands of prophecies to date, it has scientifically encrypted messages (the Bible Code series by Drosnin and you can even get the software that shows encrypted messages even dates of current events that have taken place in recent history), it has thousands of original manuscripts pre-dating all others in the whole world to compare its modern translations to, it is the only book in the whole world that if you were able to destroy completely could be reassembled just from all the quotes to it from other books and reference materials in history, its historicity scientifically proven and actually utilized by archaeologists to discover long ago buried cities such as Jericho and the walls that fell; Noah's Ark; Sodom and Gomorrah's ashen ruins, and countless other artifacts, cities and sites in the world, it is a Book like NO OTHER and deserves more than just the marxist' philosophy brainwashed into children these days as a brush off. In Josh McDowell's Evidence that Demands a Verdict series there are so many unique aspects as to why the Holy Bible is the Greatest Book in the World BY FAR that an entire

apologetic set the size of encyclopedias have been written regarding those aspects. I would challenge anyone who thinks to so casually sweep aside the Holy Bible to even read a few chapters of <http://www.angelfire.com/sc3/myredeemer/Evidence.html>

(this is NOT about free speech, this is about printing libelous false accusation about our Creator and his followers) A class action suit should list everyone personally involved in the publication and distribution of this pamphlet and should be enforced to bankrupt them completely!)

ultimately, the rubbish of atheism and theory of evolution has demonic/satanic origins and funding behind propagating such evil nonsense: <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-1/633571873388442>

atheism is in fact another form of satanism - <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-2/633572213388408> it is another anti-christian worldview that is responsible for oppression, death and destruction everywhere that religion/worldview predominates. it attempts to elevate self as the sole determiner of right and wrong; which automatically creates chaos, death and destruction as people disagree and then vie for domination in the resulting might makes right mentality. Any attempt at doing away with Truth, our Eternal Creator, is a form of deception; deception is a tool of satanil: atheism is factually a form of satanism.

<https://www.facebook.com/sharer/sharer.php?u=http%3A%2F%2Fgnli.christianpost.com%2Fvideo%2Fatheist-saved-by-the-truth-of-the-sovereign-god-27520> - notice the inevitable conclusion and WHY atheism and evolutionary fantasies are SO DANGEROUS (life threatening); because the conclusion like others have drawn:

https://www.google.com/search?q=dahmer+quotes+atheism+as+an+excuse+for+his+behavior&rlz=1C1GIGM_enUS535US535&oq=dahmer+quotes+atheism+as+an+excuse+for+his+behavior&aqs=chrome..69i57&sourceid=chrome&es_sm=0&ie=UTF-8 It ends in chaos and might makes right mentalities as each soul vies for their own definition of right and wrong by intentionally disregarding the absolutes defined by our Creator. <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-2/633572213388408> Placing one's own ego, elevating your own will above that of our CREATOR, is the very essence of satanism. <http://biblehub.com/isaiah/14-14.htm>

There is no doubt that atheism is satanic in origin, thought and practice; as are the prolific lies of the popular evolutionary paradigm being forced upon mass millions of innocent children.

<http://biblehub.com/john/8-44.htm>

<https://www.facebook.com/467083139976777/photos/a.468456309839460.112956.467083139976777/727109717307450/?type=1&theater> - just because people CLAIM to be irreligious; doesn't mean in practice that they actually are. atheists are demonstratively some of the most religious people on the planet. <https://www.facebook.com/notes/michael-swenson/too-many-are-turning-science-into-a-religion/711197568959205>

I submit the existence of God Almighty is scientifically provable; so help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> ; therefore, atheism and evolution actually consist of people who believe in unprovable fiction; metaphysical fantasies and the like; or what is otherwise known in their most derogatorily expressive connotations of "religion". (atheists/evolutionists are the

worst examples of everything they claim to deplore about "religion"; as they so often wantonly announce to anyone willing to listen to their facile gibberish.)

If only all such delusions and deceptions were actually forcefully banned internationally! (or rather people FINALLY came to the knowledge of TRUTH!) -

<https://www.facebook.com/bluenationreview/photos/a.268624786652737.1073741828.268311603350722/293004187548130/?type=1> freedom of religion as defined in our constitution was never

intended to become what it is (a defense for criminal behavior and propaganda):

<https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-2/633572213388408> i am for freedom to do righteously; including arresting those

doing wickedly. (that means all those brainwashing little kids with fiction turning them into irrational "atheists" in the first place:<https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>

if we were actually concerned only about teaching Truth; helping people not to present themselves as

<http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by instruction of facts instead of fiction in our public

schools<http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and

<http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> we wouldn't even have terms like

"atheists"; let alone the state genocides that have resulted in the deaths of hundreds of millions as a result. (read the cited notes for the historic facts). I personally am NOT for freedom to distribute

genocidal literature, NOT for freedom to incite human atrocities, NOT for freedom to intentionally deceive, rape, harm little children; but many "religions" of the world encourage such horrific atrocities; including the evil that is

<https://www.facebook.com/notes/michael-swenson/islam-is-evil-and-any-worldview-that-calls-for-genocides-and-extreme-violence-to/560337004045263> now being forcefully

indoctrinated in various places all over the world and even here in America!

<https://www.facebook.com/notes/michael-swenson/what-is-happening-to-america/573663929379237> the founders intended (being predominantly Christian) that people would

be free to choose their denomination of Christianity and Spirituality under the One True God, our Creator, they in NO WAY intended to spawn devil worship that is so evil that it would have meant their

own enslavement, torture and demise! <https://www.facebook.com/notes/michael-swenson/original-intent-of-the-religious-clause-of-the-first-amendment/553723191373311> So please be careful and

more knowledgeable about supporting "freedom of religion" as it has been perverted to promote all kinds of <https://www.facebook.com/notes/michael-swenson/satanism-fools-who-want-to-burn-forever-represent-a-threat-to-themselves-and-all/554580804620883>.

People fail to understand how anything that leads them away from knowing our Creator (including atheism) automatically results in suffering, death and destruction. (God has given people the freedom to choose to do righteously or wickedly; but

no one is free from the consequences of those choices); so for my part I am all for banning the insanity of

<https://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983> as historically and currently all over the world it results in lawlessness,

corruption and oppression and even persecution and death of innocent persons.

In response to all the ridiculous lawsuits filed by atheists to remove crosses, ten commandments, etc. why don't people countersue every atheist that complains and turn their own complaints against them? WE ARE OFFENDED THAT THEY DO NOT HAVE A CROSS ON THEIR LAWN! THEY DO NOT HAVE A CROSS over the vast majority of land on earth! There LACK of FAITH in the ONE TRUE GOD is OFFENSIVE! The ABSENCE of religious expression of Christian symbols in a Christian nation is HIGHLY OFFENSIVE! and if the courts continue to favor atheists, satanists, islamists, and all other worldviews over Christianity, then DEBENCH THE JUDGES PERMANENTLY FOR VIOLATING THE HIGHEST LAWS OF OUR LAND (that are so clearly subverting our Constitutional Rights with such treasonous acts)!

<https://www.facebook.com/notes/michael-swenson/original-intent-of-the-religious-clause-of-the-first-amendment/553723191373311>

We should not let ignorant (people lacking so much knowledge that they fail to acknowledge or have any rational explanation for the existence of the universe; that is they have no logical, rational, reasonable explanation for what we all observe ubiquitously), insane or wicked persons shape our culture by claiming to be "offended" every time they see a cross or hear someone acknowledge our Creator. If being offended is all it takes to change the world, then know that I am personally offended by all things satanic, including and especially those so willfully ignorant that they believe in evolution and atheism. <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-2/633572213388408> I am offended by every person at every location on earth that does NOT honor the One True GOD, all buildings and places that does NOT bear a reminder of the Most Awesome Display of Love and Great Sacrifice for us all (the Cross of Christ)! If the insanity of atheism is valid to bring law suit over seeing a cross, then Christians can; by that same incredibly irrational intolerance, bring law suits at all locations where a cross isn't displayed and claim that those locations are establishing the insanity of atheism! If there is any reason to be offended on earth, it is virtually everything an atheist, thinks, says and does!

<https://www.facebook.com/video.php?v=10153084284774899>

Some people would STILL ask "HOW is atheism and the theory of evolution a religion?"; due to a lack of reading comprehension of all that has been stated thus far and in regarding the definitions of religion.

Atheists have a set of beliefs (irrational, illogical and insupportable, but nevertheless beliefs) about the origin of the universe, the origin of life, and choose to willfully ignore any facts or evidence contrary to those beliefs. In so doing, each and every atheist is willfully making themselves the "supreme being", gods and goddesses in their own mind that shape reality according to their own self-delusions (willfully turning eyes and ears away from reality and facts). They support just about any theory or idea that comes along that in any way seems to ratify any part of their chosen cognitive dissonance (they exist

and some still are sane enough to acknowledge the universe exists; but they insist on denying the logical and rational facts proving as to WHY it exists - <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188>), in a vain attempt to try and go on believing "there is no God". Thus they make an idol out of any "scientist" or any idea or thought that would seem to pose confirmation bias for their delusions. That is a belief system that takes monumental faith indeed! Likewise, there is not one shred of evidence in support of the constantly changing theory of evolution (constantly changing because of all the actual science that disproved it as originally stated) and so it morphs constantly in a vain attempt to try and hold on to another belief system or worldview or religion that takes the ONE TRUE GOD out of their consciousness; willfully to place any idol of their choosing in His stead (in this case darwin or even the theory itself becomes the idol or supreme being for them; providing them with their religious beliefs that they cling to; despite ubiquitous evidence to the contrary.) Idolatry is such because such religious persons make idols out of themselves or others or objects or ideas, ANYTHING but rationally and reasonably acknowledge the reality of our Eternal Creator. <https://www.facebook.com/notes/michael-swenson/too-many-are-turning-science-into-a-religion/711197568959205> and <https://www.facebook.com/notes/michael-swenson/religion-in-the-name-of-science/710078699071092> and <https://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> So, by definition, both atheism and the theory of evolution are religions; religions that are perhaps the most irrational and insupportable ever in the history of the world.

Trent Steele I'm a Christian and who wrote this may want to reconsidered how they are arguing their point. First, evolution isn't a religion. It is simply a theory based off numerous observations and experiments. It is not saying there is no God. Science only deals with the natural, not the supernatural. The reason being is the supernatural is not testable or falsifiable. Science's goal is just to understand the natural phenomena that occur. It is not out to disprove religion, and it can't. The next problem I have with this article is you can reverse it to go against religion. What is to stop them from saying that you are the brain-washers? That you are committing aggravated assault against children by teaching them something that they consider false and harmful. Another problem I saw is you attacked the big bang theory. This theory was created by a Christian and actually can be used to support religion. God creating the universe would have happened in an instant. Lastly, my biggest problem with this is it not written in a Christian like manner. It uses insults, has an angry tone, and is attacking others. Christians are supposed to be loving, understanding, and patient. How is this supposed to convert non-believers? This will only make them reject religion. It makes us come off as ignorant hateful people. This is a weak argument.

Trent Steele There is no superhuman agency/agencies, devotional/ritual observances, or moral code conducting human affairs involved with evolution. There are those who believe it without it being a 100% proven, but their goal isn't for it to be blind faith. Just because it fits one part of someone's definition of religion doesn't make me see it as a religion. I also saw that they used wikipedia as a source. Using poor sources such as these lowers the credibility of what you are writing. I didn't read the whole thing either. This is due to me giving up on it as something worth reading. I am a Christian and makes me sad that someone thinks being hateful will help us. Regardless if you think evolution is a religion or not, There is still all the other problems I found with this, whatever this is.

Michael Swenson you really need to work on your reading comprehension. The theories/worldviews/religions (evolution, big bang, supporting the religion of atheism CLEARLY ADDRESS "a set of beliefs concerning the cause, nature, and purpose of the universe") and are presented NOT with natural processes but clearly supernatural ones. (especially since there is not one shred of evidence to support them) So on the one hand while attempting to do the impossible (claim creation came into existence without our Creator) scientists are postulating that nothing created everything (read the notes, this is their OWN WORDS; not a false accusation). Furthermore, they postulate that "natural" causes brought about abiogenesis, that a single life form like a bacteria, protozoa, had within itself the capacity to transform itself into all life forms on the planet that have ever existed. Furthermore, evolutionary "scientists" today are claiming that fungi, and other lower life forms, actually prognosticate the future, anticipating what is necessary for their survival and then effect species wide macro-scopic transformations. (again read the notes for the cited evidence) It does no good to CLAIM you don't believe in a supernatural cause; while most definitely espousing one. Your own attempts at a rabid defense for your own worldview shows the same clearly religious fervor both atheists and evolutionists posses.

[Trent Steele](#) I don't think you realize that I'm not trying to argue that whoever wrote this is write or wrong, but that the overall effect of it makes Christians come off as ignorant, angry people. I'll also add arrogant to the list. If I as a believer see these problems with it, how much more so will non-believers? I am recommending that they rewrite in a more christian like manner with the problems that stuck out to me kept in mind. I find it odd that the thing I pointed out that supports religion is something that you are going out of your way to prove as false.

You have no idea the scope of the audience(s) involved; unless you are thinking you are GOD Himself and are able to predict the future accurately; who will read and who will not and how they will respond. Your concerns are duly noted and discarded as nothing you have said is based on any facts; only your clearly stated adverse opinion to declared fundamental truth. for example, how do you say nicely that attempting to

claim there is no God while viewing the universe (actually saying and believing that "nothing created everything"; and everything else that goes along with the religions of atheism and evolution) fits the definition of insanity? YOU assume that pointing that out is hateful; but I could argue sugar coating the truth when people are in a state of madness; due to overt brainwashing, is even more so. In addition, you made false statements and felt no remorse in falsely accusing and misunderstanding another person who follows and serves Christ; issued no apologies; only continued animosity to my efforts; which are to address the arrogance of presumed intellectual superiority (like you have so aptly demonstrated) and say that such unsubstantiated beliefs (like atheism and evolution) DO NOT JUSTIFY that pride in their so called intellects; as our Creator states:<http://biblehub.com/romans/1-22.htm> and <https://bible.org/seriespage/fool-proverbs-261-11> You took the position without reading of ASSUMING there are not facts to support the premises and arguments in my notes. You even assumed wrongly that science has nothing to do with the supernatural or cannot observe supernatural events; when we live in a supernatural universe fundamentally and what is labeled as "natural" processes that scientists observe constantly can arguably be called supernatural!<http://biblehub.com/ephesians/4-6.htm> and <http://biblehub.com/colossians/1-17.htm> Furthermore, you denigrated our own worldview that is based on TRUTH and facts; in likening it to as something that could be construed as evil as forcing the fiction of evolution on children; which has led to the religion of atheism; like no other theory, worldview or religion on earth. The two religions (that persons like yourself attempt to separate) are observably and factually linked and some of the evidence is cited in the notes (help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth!<http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>); that you haven't read, and yet feel worthy to criticize out of ignorance. You have no idea; unless GOD reveals it to you, what the future holds; or the intent of the writer. You have stated only YOUR VIEW and false accusations based on your chosen opinion; rather than facts. You; while calling yourself a Christian, argue in favor of scientifically disproven theories. When one of the marks of a Christian is to love Truth and eschew falsehood and deceit of every kind.<http://biblehub.com/romans/12-9.htm> and <http://biblehub.com/john/16-13.htm> so your ultimate objection is not whether or not the note is truthful; just in how you have perceived the delivery of it. To which I can only say; <http://biblehub.com/hebrews/4-12.htm> and <http://biblehub.com/hebrews/12-11.htm> and http://biblehub.com/1_corinthians/1-19.htm. These persons espousing these beliefs and they are beliefs (atheism and evolution); are perhaps some of the most arrogant persons you will ever encounter and just PERHAPS the ALMIGHTY is using someone in an attempt to humble them for their own good and SALVATION; before that arrogance (misplaced as it is over utter foolishness) sends them to the everlasting flames of damnation. (Often anger serves to motivate some people to actually THINK to attempt to do some research in an attempt to defend their views (and in the process discover other views, knowledge); as such, you may think telling the truth in this manner is hateful, bigoted, prejudicial, or whatever you like; but the Almighty knows it is done out of fervent love as a desperate attempt to reach even the most hard-headed, stubborn fools in the world today. But every time you were corrected concerning your false allegations, you rejected them and failed to acknowledge them; so perhaps you are correct; that the impulse in others to perceive hatred is

so strong; they don't care if what is written is true or not. That does not change our responsibility or duty to declare it. If you read the Holy Bible throughout, you will find the prophets did some things I'm sure your self-righteous piety would criticize; like naked prophets <https://www.google.com/search...> and many other things our Creator inspired His Messengers to do. Likewise, if you find false doctrine; it is fitting to say so; but to say you have no grievance with facts; just the way they are presented; is to be one of the many religious persons who strain at gnats; while swallowing camels. The heart of the message is to get people to REJECT atheism and evolution as the pure nonsense that such worldviews are; and to do so in a way that shines a mirror of how MANY of these people arrogantly hold all religious people in derision. It is a way of saying to them that their attempts at denigrating all of us; their attitudes of self-presumed intellectual superiority are MOST unjustified and that between the Biblical Worldview and theirs; theirs is the one they SHOULD be holding in their displayed contempt.

Trent Steele This is my last point I want to make about your argument. You can disregard everything I pointed out before, and there is still one thing wrong. It is not feasible. You want to make the teaching of evolution illegal, but you also want it recognized as a religion. If it is a religion then you can't make it illegal. We have freedom of religion. Something has to change about your argument because it defeats itself.

March 19 at 7:05pm · [Like](#)

Michael Swenson Now this last point at least shows some thought to the issue. Thank you, I appreciate that point. I have addressed the intent of the First Amendment in this note: <https://www.facebook.com/notes/michael-swenson/original-intent-of-the-religious-clause-of-the-first-amendment/553723191373311> and I am wanting to make it illegal to be taught in public education as science. Rather it should in the future find it's way under the history of the many superseded so called scientific theories; or better... how religion crept into public education under the guise (in the name) of "science". Not all "religions" or worldviews are protected under the First Amendment; those that promote genocides such as islam, satanism, and such wicked speech that advocates to conquer our nation (and all nations) such as certain religions... <http://www.facebook.com/notes/michael-swenson/islam-is-evil-and-any-worldview-that-calls-for-genocides-and-extreme-violence-to/560337004045263> and <http://www.facebook.com/notes/michael-swenson/the-dangers-of-remaining-ignorant-about-the-times-we-are-living-in/557410497671247> and <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> and <http://www.facebook.com/.../warning-weve.../566322743446689> can no more shelter them than any dogma can shelter rapists, robbers, murderers, and worse from justice. So to say that all people are inherently religious in nature (short of having virtually no beliefs at all, or at least none that they feel are worth advocating or defending); is not to say ANY ACTION (including those that cause brain damage; like black ops methods of mass brainwashing; forced indoctrination) can be condoned simply because it is linked to the occult; satanism or some other religious worldview. I cover the whole gamut of such arguments (being unfortunately all to used too them) in these notes: <http://www.blastthetrumpet.org/documents/PoliceState.htm> (all those cited in that note). Crimes are crimes, and doing crimes; in the name of any religion, will not excuse the criminals from the consequences of their crimes. (especially of the most damaging nature to others; like intentional brainwashing put in place by very wicked persons in the name of mass social engineering).

[Trent Steele](#) So if we get the government to recognize it as a religion, then it has to be banned from schools.

[March 19 at 7:25pm](#) · [Like](#)

[Michael Swenson](#) no, I am not advocating religions or the knowledge of religions be banned from public education. I am saying that specifically the fiction of the theory of evolution should not be taught as science. If religion is banned from schools, then knowledge is banned from schools. If there is any forum for education (including "religions") it should be public schools. (not banned, supported or forced to adhere to - just knowledge of; like knowledge of cultures, world history; from an objective view). What I advocate teaching to everyone; especially children is factual truth; not perceived truth; not wishful thinking; not conjectures or hypotheses, just facts. The facts presented in my notes; especially <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> support the Biblical Account verse by verse in places of the text and if I had the right team we could do so with virtually the entire Bible (except for such prophecies as yet to be fulfilled). If the scientific evidence supports the Biblical Account and it does; then that is what should be taught; instead of intentionally rewriting history, and suppressing that evidence to propose complete fiction like the evolutionary tree(s) - they have morphed numerous times; in a vain attempt to try and continue to justify the theory that should have been discarded as rubbish when it was first postulated) and the so called geologic column, etc. Suppression of the giant skeletons found all over the world; while they show animations of apes becoming humans (because they have no actual evidence to support the disproven theory) is still being forced on innocent

children. I want truth to be taught. And since truth crosses all kinds of terminologies; including the term of "religion" and religious connotations; I do not want religion banned just because a worldview or even a single factual, truthful concept could be categorized under, associated with or labeled as such. What I do want banned is teaching fiction of any kind as scientific fact or in the name of science.

Why do Atheists lie?

A better question would be,

"Why not?"

Atheists claim...

1. that truth is relative.
2. to adhere to no certain standards of morality.
3. that morality is subjective.
4. that there is no higher power to which they are held accountable.

So, why would an Atheist tell the truth... about anything?

RELIGION IS NOT THE #1 CAUSE OF VIOLENCE AND WAR!

Liars often claim that religion is the #1 cause of violence and war in the history of humankind. Evidence proves them wrong!

An interesting source of truth on the matter is the *Encyclopedia of Wars*. It chronicles some 1,763 wars over the course of human history. Of those wars, only 123 have been religious in nature, which is an astonishingly low 6.98% of all wars. However, when one subtracts out those waged in the name of Islam (66), the percentage is cut by more than half to **3.23%**.

NON-religious motivations and naturalistic philosophies bear the blame for nearly all of humankind's wars, over 93%!

Cognitive Dissonance

“Sometimes people hold a core belief that is very strong.

When they are presented with evidence that works against that belief, the new evidence cannot be accepted.

It would create a feeling that is extremely uncomfortable, called cognitive dissonance.

And because it is so important to protect the core belief, they will rationalize, ignore and even deny anything that doesn't fit in with the core belief.”

f The Illogical Atheist

THE CHANCE OF THE GAPS FALLACY

Statistical reasoning must be capable of eliminating chance when the probability of events gets too small. If not, chance can be invoked to explain anything. Scientists rightly resist invoking the supernatural in scientific explanations for fear of committing a god-of-the-gaps fallacy. Yet without some restriction on the use of chance, scientists are in danger of committing a logically equivalent fallacy—one we may call the “chance-of-the-gaps fallacy.” Chance, like God, can become a stop-gap for ignorance.

Dear atheist,
Christians don't believe in a "sky-fairy", whatever that might be, and if you believe that is what theism entails it's no wonder you're an atheist. We just simply don't believe that human minds capable of rational thought and aesthetic and ethical judgement are simply random collocations of molecules existing in a Universe randomly thrown out into time and space going nowhere, meaning nothing, and slowly succumbing to entropic heat death.

**ORIGIN OF PROTEINS:
'CLOSE TO A MIRACLE'**

Overall, what the field of protein evolution needs are some plausible, solid hypotheses to explain how random sequences of amino acids turned into the sophisticated entities that we recognize today as proteins. Until that happens, the phenomenon of the rise of proteins will remain, as Tawfik says, “something like close to a miracle.”

"most rational christian" equals to "most loving murderer". oxymoron. You cant be rational when you believe in "god". Fairy tales have no legitimacy in school. Religion shouldn't even be allowed anywhere near school grounds.

Mike Chavez This is an "argument from authority" logical fallacy: "look at all these Christian Nobel Prize winners! They must know what they're talking about so God must exist!"
And by that logic it means since Stephen Hawking, the smartest man on the planet, is an atheist, then he must be right and god doesn't exist right?
It's so CUTE seeing apologists try to puzzle out how basic logic works!

This bigoted atheist thinks being a Christian and being rational are antithetical. Does he/she not know that the fathers of modern science like Copernicus, Galileo, Kepler, Newton and Boyle were all Christians?
According to 100 Years of Nobel Prizes a review of Nobel prizes award between 1901 and 2000 reveals that (65.4%) of Nobel Prizes Laureates, have identified Christianity in its various forms as their religious preference [9] Overall, Christians have won a total of 78.3% of all the Nobel Prizes in Peace [10] 72.5% in Chemistry, 65.3% in Physics [10] 62% in Medicine, [10] 54% in Economics [10] and 49.5% of all Literature awards [10]
