

Some Quotes and Thoughts - How Precious is Freedom?

John Thomas Duelge so we should do away with laws against speeding and just let everyone drive as fast as they want???

Michael Swenson <http://edition.cnn.com/2013/07/17/us/aclu-license-plates-readers> and <http://gpsandtrack.com/starter-disable/> what I'm more concerned about than the dangers of speeders (which is more and more difficult simply because of the presence of so much traffic) is the growing big brother surveillance mechanism, technology that can take images, send tickets in the mail, shut off your vehicle by remote control (not you the user but police powers, government - https://www.google.com/search?q=remote+shut+off+on+cars+is+causing+accidents&rlz=1C1GIGM_enUS535US535&oq=remote+shut+off+on+cars+is+causing+accidents&aqs=chrome..69i57&sourceid=chrome&es_sm=0&ie=UTF-8) and this notion that somehow government and law enforcement is perfect and so perfect they deserve lethal force over everyone else and this level of constantly increasing surveillance and control. <https://www.facebook.com/notes/michael-swenson/police-state-prison-big-business-modern-slavery-by-design/619672408111722> I for one, once enjoyed not having some fallible being(s) constantly watching my every waking and sleeping moment; frankly, I believe only God Almighty deserves that position.

ACLU raises privacy concerns about police technology tracking drivers

<http://edition.cnn.com/2013/07/17/us/aclu-license-plates-readers>

Police around the U.S. are recording the license plates of passing drivers and storing the information for years with little privacy protection, the ACLU says.

John Thomas Duelge i do not think speeding is a "catch me if you can" game. if you are on the public roads and you speed, you are breaking the law and endangering my right to a safe road.

Michael Swenson I agree, but the technology today is not just being used to catch speeders; but is storing and tracking people not just on roads, but in their homes, where they shop, how much they spend and what they purchase at retail outlets, groceries stores, etc. information is being compiled into huge databases and by other fallible beings that exploit citizens by mind control in media

https://www.youtube.com/results?search_query=mind+control+in+media&oq=mind+control+in+media&gs_l=youtube.3..0.2005.6947.0.7684.21.13.0.8.8.0.114.1318.6j7.13.0...0.0...1ac.1.11.youtube.gTff45vHseY ; targeted advertising; and even wrongful arrests and incarcerations by frame jobs. I am not for speeding; I am against this kind of invasive technology that I see as a violation of our God given and constitutional rights. And definitely, privacy,

autonomy,http://www.law.cornell.edu/constitution/fourth_amendment the technology; bypasses all of that to be able to see into cars, homes, etc. via the use of infrared scopes; smart tracking devices linked to GPS in cars and cell phones; and to build a profile that could be exploited if powers so chose to make virtually anyone look like a criminal (violating any one of the thousands upon thousands of laws in existence these days; by design.

Fourth Amendment | U.S. Constitution | LII / Legal Information Institute

John Thomas Duelge i am less worried about "government" (which is still us ,esp at a local level) gathering this info. the real danger is walmart etc. gathering the info. the only way to prevent that data collection is to go cash only.

Michael Swenson Once again we're in agreement. However, the plutarchy taking over our nation and the world is not. With every camera, with every surveillance device; with every smart card, inventory scan and tracking device, they're only tightening their grip on each and every one of us; bringing about

enslavement of the masses. All government surveillance devices; appearing to ever increase in numbers and use; only forge more links in our chains.

The line between the walmarts of the world and the governments of the world are virtually non-existent.

We should raise children to know God;

<http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756> ;

instead of big brother;

<http://www.george-orwell.org/1984> and <http://www.idph.com.br/conteudos/ebooks/BraveNewWorld.pdf>

and a world of growing terror subject to tyranny and oppression.

If we did, we would have citizens of integrity and wouldn't need to be weighing surveillance and big brother and the growing control of the corrupt plutarchy ruining our nation and the world against the freedoms we all cherish as defined by our Creator and the Bill of Rights that once made America the land of the free and the home of the brave. If we do not repent and return to our Creator; it is most obvious that America will become the land of wannabes and the home of slaves. (i.e. wannabe = want to be free)

Regarding "oaths of office": WHILE IT IS NOT REQUIRED, NO ONE SHOULD BE PROHIBITED FROM CALLING UPON OUR CREATOR TO AIDE THEM IN ANY RIGHTEOUS CAUSE "SO HELP ME GOD" let's all the rest of us know that the person at least acknowledges there is one (unlike the deceived and self-deluded who now exist due to <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>); done by very wicked persons who are socially engineering the masses and churning out people who no longer know or even are willing to acknowledge the GOD of all Creation, the ONE who governs not just the affairs of all mankind, but the entire universe. <https://www.facebook.com/notes/michael-swenson/acknowledging-the-eternal-creator-takes-no-faith-it-is-scientific-fact/491948024217495> Our founders who bled and died to bring America into existence, deemed acknowledging and knowing our Creator, Lord and Savior of such great importance that they openly stated that any who would not do so, is not fit for public service, offices of power and authority. (hence the universal practice of "oaths of office" throughout our American history - <http://www.airpower.maxwell.af.mil/airchronicles/apj/apj02/win02/keskel.html> in fact these oaths throughout America and the history of our founding documents were brought before the Supreme Court who by examining the abundance of evidence concluded we were a "Christian nation" - <https://supreme.justia.com/cases/federal/us/143/457/case.html>; So the open acknowledgment of GOD was pervasive - as the accurate records clearly prove <https://shop.wallbuilders.com/the-american-heritage-series-10-dvd-boxed-set>; until recently when such practice has been so denigrated by the most wicked among us) It could therefore be surmised that opponents of this patriotic and wise practice would be enemies of America and all Righteous Americans. **Our Founders (those who brought this nation into existence) stated that our laws were designed for such righteous and moral citizenry and indeed could not be governed without!** <http://www.liberty1.org/virtue.htm> (According to them that the doing away with such as they instituted would be an overt attack on our nation and people!) So, like them, I am not for forcing anyone to openly acknowledge and call upon our Creator to aid them to competently keep and fulfill their duties but I am MOST DEFINITELY for the FREEDOM that ALLOWS THEM TO DO SO!

"It will be found an unjust and unwise jealousy to deprive a man of his natural liberty upon the supposition he may abuse it."

George Washington

"In circumstances as dark as these, it becomes us, as Men and Christians, to reflect that whilst every prudent measure should be taken to ward off the impending judgments, ...at the same time all confidence must be withheld from the means we use; and reposed only on that God rules in the armies of Heaven, and without His whole blessing, the best human counsels are but foolishness."

John Hancock

"Among the natural rights of the colonists are these: First a right to life, secondly to liberty, and thirdly to property; together with the right to defend them in the best manner they can."

Samuel Adams

Men must be governed by God or they will be ruled by tyrants.

William Penn

"I want you to imagine a conversation between Joshua and God. "Now Joshua, I have called you to take the leadership from Moses, and I want you to take My people across the Jordan River into the Promised Land. However, once you cross the Jordan River, I want you and all your people to sit down. your mission is done."

"Ridiculous!" you may say. I would agree with you. But in many ways, this is exactly what the American church has done in the last fifty years. We have preached the gospel of salvation, but we have not taught the people to apply the message of the gospel to their everyday life. This is the difference between the gospel of salvation and gospel of the kingdom. This is the second reason I believe we have been losing the culture. Jesus did not come merely to give us a ticket to heaven. he came to bring us

much more-the kingdom of God on earth. Nowhere in the Bible will you find the phrase 'gospel of salvation'. The church does not exist for heaven but for earth. If it existed only for heaven, then upon conversion, each of us would immediately be taken to heaven. Oswald Chambers said, "It is not a question of being saved from hell, but in being saved in order to manifest the Son of God in our mortal flesh." There would be no reason for us to remain on earth if there was not work to be done. So why has God allowed us to receive this new birth and remain on earth? It is so that we might bring the kingdom of God into our world-to our families, or workplace, and our communities."~Os Hillman - <http://www.marketplaceleaders.org/os/testimony/>

OUR FOUNDERS KNEW TRUE LIBERTY, TRUE FREEDOM, COMES FROM KNOWING OUR CREATOR!

<https://www.youtube.com/watch?v=IkRxTa1a7qc#t=314> So rather than being offended when leaders take serious offices of public trust and authority and call upon our CREATOR to aid them in the performance of their duties; to keep them on the path of honor and integrity, to make certain they perform their functions, competently; the phrase, "...so Help Me GOD!" should be cherished by the public; in that at least those persons sanely recognize that ultimately our CREATOR is to whom we are ALL accountable and that HE ALONE is PERFECT, truly RIGHTEOUS and has the POWER to TRULY AID us above all others. (Stop letting deceived and self-deluded persons drive us away from the very rights and wise precepts our founders bled and died for!!!!!!!)

"While we give praise to God, the Supreme Disposer of all events, for His interposition on our behalf, let us guard against the dangerous error of trusting in, or boasting of, an arm of flesh. ...If your cause is just, if your principles are pure, and if your conduct is prudent, you need not fear the multitude of opposing hosts. What follows from this? That he is the best friend to American liberty, who is most sincere and active in promoting true and undefiled religion, and who sets himself with the greatest firmness to bear down profanity and immorality of every kind. Whoever is an avowed enemy of God, I scruple not to call him an enemy of his country."
