

Religion in the Name of Science

Definition of SCIENCE

1

: the state of knowing : knowledge as distinguished from ignorance or misunderstanding

2

a : a department of systematized knowledge as an object of study <the>science of theology</the>

b : something (as a sport or technique) that may be studied or learned like systematized knowledge <have it="" down="" to="" a="">science</have>

3

a : knowledge or a system of knowledge covering general truths or the operation of general laws especially as obtained and tested through scientific method

b : such knowledge or such a system of knowledge concerned with the physical world and its phenomena : natural science

4

: a system or method reconciling practical ends with scientific laws <cooking is="" both="" a="">science and an art</cooking>

sci·ence

noun \ 'sī-ən(t)s \

: knowledge about or study of the natural world based on facts learned through experiments and observation

: a particular area of scientific study (such as biology, physics, or chemistry) : a particular branch of science

: a subject that is formally studied in a college, university, etc.

Science and the Scientific Method is based primarily on ACCURATE OBSERVATION. Knowledge is acquired through our perceptive abilities. If the conclusions postulated by scientists (those who apply the scientific method) are NOT based on ACCURATE OBSERVATIONS then those conclusions are fundamentally flawed.

There are many examples of this today; so many entire volumes could be written about it, but what I find disturbing is that pointing these many flaws out to purported "scientists" and their students (who boast so strongly to the world of their objectivity) has been met almost universally with so many logic fallacies as to denote religious fervor on their part. I am firmly convinced it is because such persons have been thoroughly brainwashed in our so called public education system.

Persons like Kent Hovind are ostracized mercilessly by religious acolytes of modern so called science merely for pointing out SOME of the many errors being forced upon children in the name of science these days. Children that are knowingly being taught LIES are factually being brainwashed.

<https://www.youtube.com/watch?v=MkI9AkSW1ds>

I admit I AM trying to get evolution out of the schools and Creation in, BECAUSE THAT IS WHAT ACCURATE OBSERVATION (SCIENCE) SUPPORTS!

Help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>

Look at this small list of observable evidence that is intentionally suppressed in our schools and mainstream media:

<http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756>

However, many of those who claim to be objective scientists cannot bring themselves to look at that evidence. I have participated in numerous debates, and when I encounter demoralized (brainwashed) citizens; pervasively in our nation, and is more severe with each successive generation since Rockefeller and company took over public education, my submissions are ignored and, if even glanced at, often censored; because those persons cannot handle deprogramming. (they demonstrate religious zeal over their brainwashing; exactly as predicted)

<https://www.youtube.com/watch?v=rNXmjhHZaY8>

<https://www.youtube.com/watch?v=g5aQI0-SIOo> - I add this additional perspective for those who would question his motives for his commentary on intentional societal demoralization (exposure of mass brainwashing upon citizens by the few in power).

<http://www.blastthetrumpet.org/PublicLetters/AAAUpdatedPublicAlertsMattersofLifeandDeath/THE%20PLANNED%20DEMORALIZATION%20OF%20AMERICA.pdf>

There is factually not one shred of evidence for much of what is taught as science these days. (Brainwashing causes real and lasting injuries upon those being subjected to it).

<https://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551>

Many of those suffering from it, are seemingly incapable of critical thought any longer. (They can't, won't, don't THINK things through)

Example:

$F=ma$ and $e=mc^2$ Many scientists would consider these as fundamental laws, irrefutable theories, postulates so sound that they are facts; but are they?

When people don't THINK it through, they neglect the realization that these formulae were submitted only as a means to suggest a way to calculate the proportion of force/energy ACTING UPON mass/matter. BUT what has happened as a result is people actually thinking force/energy and mass are interchangeable terms! And other fallacies such as thinking mass gets proportionally heavier based on its velocity. MANY WILL ARGUE THOSE POINTS VEHEMENTLY/RELIGIOUSLY despite the fact there is absolutely no evidence anywhere for believing that through accurate observations (actual science).

Simply reading the definitions of force versus mass will tell you they are not synonymous, not EQUAL terms (should not be set as equivalencies in any formulae; simply because FAR TOO MANY neglect to realize those formulae were never intended to imply or do that!) The formulae $F=ma$ and $E=mc^2$ were only suggestions of a means of establishing a way to measure the proportional impact/potential and kinetic energy realized was/is PROPORTIONAL to properties of mass and the velocities/vectors/accelerations/decelerations acting upon that mass. In other words Force is PROPORTIONAL to ACCELERATION/VELOCITY in combination with VECTORS of such velocities; ACTING UPON mass/matter. Force/Energy directly relates to Velocity because Velocity is a way to measure Force/Energy so one can say $F=a$ or $E=c^2$ (again forms of energy) but one CANNOT say $F=m$ or $E=m$ truthfully. THOSE FORMULAE were designed and exclusively intended to describe a measurable result of force/energy ACTING UPON mass/matter; THEY WERE NEVER INTENDED TO claim (as commonly thought by FAR TOO MANY these days) that energy and mass or force and mass are interchangeable terms! or to suggest that mass gets heavier simply by how fast it moves. (THAT IS ABSOLUTELY RIDICULOUS despite how many these days actually think it to be true).

What ACTUALLY defines mass? How is mass weighed? If we claim mass gets heavier or lighter just by how fast it goes WHAT PROOF IS THERE for such a claim?

The Periodic Table summarizes what mass really is. Mass and the weight thereof is SOLELY DETERMINED BY the number of subatomic particles that exist in a given region of time and space (has NOTHING TO DO WITH THE RATE OR VELOCITY those particles are traveling at). That mass is weighed SOLELY as the number of particles in a given region of time and space WITH RESPECT TO THE GRAVITATIONAL CONSTANT those particles exist in. (why our weight increases/decreases when measured in various gravitational fields). Yes, if we travel at other VECTORS with relation to that gravitational constant; those velocities will appear to affect our measurable weight, BUT DOES NOT CHANGE OUR MASS (as the Periodic Table shows and the fundamental definition of mass clearly explains) IN ANY WAY! However, thanks to formulae like $F=ma$ and $E=mc^2$ far too many people actually think it does!

Force and energy ACTS UPON mass and matter, but force and energy ARE NOT EQUAL TO mass and matter. (regardless of who interprets any proposed formulae as such). $F=ma$ suggests only that it takes larger force to bring more mass up to a certain velocity or rate of acceleration and as such that larger force can be measured upon impact or the work generated as a result of that acting force upon said mass. Thus more mass traveling at the same velocity as less mass will generate greater force. The formulae is suggesting that velocity/rate of acceleration at which mass travels is directly proportional to the force it will generate and/or is acting upon said mass. That is something I can agree with; but to say that force and/or energy are equal to mass or that mass becomes heavier based on the rate it travels is something I do not agree with; based on so many reasons; some of which I elaborate further on here:

<https://www.facebook.com/notes/michael-swenson/how-to-know-truth-in-a-world-of-lies/622590531153243>

I firmly believe said formulae are fundamentally flawed; because of the widespread misapplication and misunderstanding of their use and interpretation.

Here's just one example of the resulting confusion from these formulae:

"In physics, mass–energy equivalence is the concept that the mass of an object or system is a measure of its energy content. For instance, adding 25 kilowatt-hours (90 megajoules) of any form of energy to any object increases its mass by 1 microgram,"

So you would say that 25 kilowatt-hours of energy will "add" 1 microgram of mass, but 25 kilowatt-hours of energy also "isn't" 1 microgram of mass?

Correct. It's too vague to make that kind of statement." -

<http://www.thenakedscientists.com/forum/index.php?topic=51970.0>

The Law of Non-Contradiction exists for a reason. Force/Energy defined as ability to do work. Mass is defined as: mass, in physics, the quantity of matter in a body **regardless of** its volume or of **any forces** acting on it. The term should not be confused with weight, which is the measure of the force of gravity (see gravitation) acting on a body. - https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=mass+definition+physics and matter is defined as <http://physics.about.com/od/glossary/g/Matter.htm> (the scientific disciplines have been modifying these definitions over time, as knowledge increases, but mainly due to the vain attempts at trying to justify/support these flawed formulae.)

Can you see how the fundamental definitions are in direct conflict with both $F=ma$ and $e=mc^2$? I personally agree with the definitions! And from all the research I have done on those formulae, conclude they are flawed and extremely misinterpreted and misunderstood; to such a degree, as to create widespread fallacious thinking in many fields of science; especially physics. (virtually all of modern theoretical physics is nothing more than metaphysical fiction, science fiction, imagination, unproven ideas and hypotheses based on inaccurate observations, if they were based on any at all).

"In our experiment, a new single-photon source developed at the National Institute of Standards and Technology in Colorado was used to send photons one by one into an interferometer constructed at Toronto." - <http://www.artsci.utoronto.ca/main/newsitems/quantum-physics> Does anyone else ever have the urge to say SHOW ME?! All kinds of claims are made these days by all kinds of people; and now we have one that claims not only to observe light, but A SINGLE PHOTON and HOW IT TRAVELS from a device that emits A SINGLE PHOTON; one by one. Far too many in physics, these days; if it was told them by a professor, or saw it on TV, or is considered common knowledge and practice; automatically take it as gospel. WHEN I PERSONALLY HAVE LOOKED INTO applying the scientific method THAT ALL THESE PEOPLE CLAIM have been soundly proven (like $e=mc^2$) I found it has NOT been proven, but is false. And much of what is being taught as facts (like all kinds of dating methods; radiometric or otherwise, including the astro-physics methods DO NOT HAVE THE REPEATABLE PROOFS of the scientific methods IN CLEAR OBSERVABLE demonstrations to all the children they are teaching these things to; not even on a collegiate level! (In other words, are telling children, and us all, to accept facts or fiction WITHOUT PROOFS in the name of "science".) I point this out because it is widespread common practice worldwide, that MUCH is taught in the name of science that VIOLATES the very foundation of science; the scientific method!

They further claim a photon is massless, not even considered to be an object, and cite that the reason for that is that it can't exist stationary.

"Photons have no mass, so they are an example of something in physics is *not* comprised of matter. They are also not considered "objects" in the traditional sense, as they cannot exist in a stationary state." - <http://physics.about.com/od/glossary/g/Matter.htm> - By Andrew Zimmerman Jones Physics Expert

SHOW ME ANY STATIONARY OBJECT IN ALL THE UNIVERSE! EVERYTHING is in motion! (Likewise every time anyone poses an "at rest" theory, it is BASED SOLELY ON IMAGINATION because NOTHING has ever been OBSERVED "at rest" (anyone mentioning "energy at rest" is immediately violating both the law of non-contradiction and science/the scientific method.) STOP LETTING THESE PEOPLE GET AWAY WITH "BAFFLING OTHER PEOPLE WITH THEIR B.S." because it is most certain as long as they espouse such nonsense; as most all of theoretical physics these days, that they will never "dazzle 'em with their brilliance"; if you want to shine you need to KNOW our Creator and learn TRUTH from Him!) Every atom of your being and any mass you look at is MOVING, the subatomic particles of those atoms are MOVING; absolute zero is PURELY IMAGINED because nothing has ever been observed at "absolute zero". Teaching something THAT HAS NEVER BEEN OBSERVED AS SCIENCE IS NOT SCIENCE/NOT IN KEEPING WITH THE SCIENTIFIC METHOD; but religious indoctrination of science fiction at best and pure fantasy at worst. So, once again, "massless particle" is in itself an oxymoron that violates the law of non-contradiction. (The list supporting fiction that is being taught as science is virtually endless these days). A particle NO MATTER HOW SMALL by definition has mass; is a form of matter. MASS/MATTER BY DEFINITION IS NOT ENERGY (the formulae suggesting such are intrinsically FALSE and/or the purpose of such formulae is being misunderstood/misinterpreted and/or misapplied/misused).

Frankly, I would keep the definition of energy/force as ability to do work (in other words, ENERGY AND FORCE ARE NOT TANGIBLE! NOT OBSERVABLE OBJECTS IN ANY WAY! and the only way to see the effect of energy/force is to observe matter/mass that force/energy ACTS UPON) but I personally would state that matter is any observable object; regardless how small (whether or not it takes optics or other devices to observe that particle or object - all matter has mass, photons ARE NOT "massless particles"; even if something is microscopic; provides no justification to claim an observable object is NOT matter and doesn't have any mass (those doing so are violating the law of non-contradiction)). And that mass refers to the density of matter within a specified region of spacetime; our universe. The weight of any matter varies based upon the gravitational constant(s) that the measureable/observed object exists in or nearest to. Its actual weight therefore relies upon its mass; density, the number of sub-atomic particles, smallest objects (being weighed) in a specified region of spacetime; our universe. <https://www.facebook.com/photo.php?fbid=451991028213195&set=a.115635768515391.22520.100002069048072&type=3&theater>

The Law of Biogenesis tells us Life comes from Life! (that can be observed constantly and ubiquitously; and has been, countless times all over our world. - ACTUAL SCIENCE) It is considered a law because Life has ONLY been observed coming from Life! We get people these days attempting to deny the existence of God/evidence of God, by denying the existence of Jesus Christ, even though Yahoshuah am Meschiach, aka Jesus the Christ, is the most documented Person in the history of the entire world; BY FAR! No one else in all of antiquity even comes close to having more supporting evidence of their existence! (and I could even argue in all of history to this very day -

<https://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188>)

We know by the very existence of Life that LIFE exists necessarily (Something in the Universe is EVER LIVING, ALIVE ETERNALLY); Jesus Christ came into our world CLAIMING TO BE THAT ETERNAL LIFE! It therefore behooves every soul to find out whether or not His Claim is TRUE!

<http://biblehub.com/john/17-3.htm>

"This is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent."

<http://biblehub.com/john/14-6.htm>

6Jesus said to him, "I am the way, and the truth, and the life; no one comes to the Father but through Me. 7"If you had known Me, you would have known My Father also; from now on you know Him, and have seen Him."

<http://biblehub.com/john/11-25.htm>

25Jesus said to her, "I am the resurrection and the life; he who believes in Me will live even if he dies, 26and everyone who lives and believes in Me will never die. Do you believe this?"

http://biblehub.com/1_john/5-20.htm

"And we know that the Son of God has come, and has given us understanding so that we may know Him who is true; and we are in Him who is true, in His Son Jesus Christ. This is the true God and eternal life."

Some try in vain to argue that He never claimed such things, but He sure was put to death by those stating He did:

<http://biblehub.com/john/10-33.htm>

"The Jews answered Him, "For a good work we do not stone You, but for blasphemy; and because You, being a man, make Yourself out to be God."

The Gospel Story of the Life, Death and Resurrection of Jesus the Christ isn't just written in the most reliable reference book in the whole world, the Divinely Inspired Holy Bible - <https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493> - but IT IS WRITTEN IN THE STARS! OUR CREATOR MADE THE STORY VISIBLE TO EVERY MAN WOMAN AND CHILD ON EARTH! And ancient civilizations have documented the Gospel Account globally!

<http://biblehub.com/psalms/19-1.htm>

"The heavens are telling of the glory of God; And their expanse is declaring the work of His hands.2Day to day pours forth speech, And night to night reveals knowledge...."

<http://www.philvaz.com/apologetics/JesusEvidenceCrucifiedSaviors.htm> - the "pagan" accounts came from observation of the stars! The stars, constellations, were DESIGNED BY OUR CREATOR, for the purpose of:

<http://biblehub.com/genesis/1-14.htm>

Then God said, "Let there be lights in the expanse of the heavens to separate the day from the night, and let them be for signs and for seasons and for days and years;15and let them be for lights in the expanse of the heavens to give light on the earth"; and it was so....

The Constellations and even the names of the stars tell the Gospel Story! (Notice the 13th constellation; in the fullness of the Celestial Clock, shows the serpent as captured and defeated!)

<http://www.bethlehemstar.net/>

<http://biblehub.com/psalms/147-4.htm>

"He counts the number of the stars; He gives names to all of them. 5Great is our Lord and abundant in strength; His understanding is infinite...."

The very stars announced and corresponded directly with the Incarnation; Life, Death and Resurrection of Yahoshuah Am Meschiach, aka Jesus Christ! To deny these facts one has to WILLFULLY TURN THEIR EYES, EARS, PERCEPTIVE ABILITIES away from observing them as empirical evidence of GOD! (Actual SCIENCE supports the Biblical Account and leads to the One TRUE GOD, Creator of the Universe).

Far too many these days have elevated in arrogance their EXTREMELY LIMITED knowledge to the point of religious zeal, setting so called scientific opinions, theories, ideologies, in a realm of the Divine, infallible and perfect; DESPITE THE FACT WE ALL KNOW HOW FALLIBLE WE ALL ARE! and how many scientific theories, laws, and postulates have been discarded as rubbish over the years.

http://en.wikipedia.org/wiki/Superseded_scientific_theories - sadly, those mocking the Biblical account don't realize that the Biblical account countered all those fallen theories; that their own predecessors

once firmly espoused. (they're the ones STILL remaining in a religion of ignorance; while they accuse Bible believers as such).

The actual discovered evidence FIRMLY SUPPORTS the Biblical Account worldwide! (Science CONFIRMS the Biblical Account of Creation)

Earliest recorded language worldwide CLAIMS TO HAVE ORIGINATED from GOD or some call their origins from the gods (those civilizations were the ones that the Biblical Account refers to as the fallen angels, the nephilim, rephaim, etc.). In THOSE ANCIENT CIVILIZATIONS, they have mention of God, God's Son, Death and Resurrection as the presenters Zeitgeist and other global explorers have shown!

<https://www.youtube.com/watch?v=T5DNvYMtkyk#t=668>

Local descendents; regarding ancient megalithic structures, will even tell researchers things like:

"Other legends associated Baalbek with the Biblical figure of Cain - the son of Adam - claiming that he built it as a refuge after his god Yahweh had cursed him. According to Estfan Doweih, the Maronite Patriarch of Lebanon: 'Tradition states that the fortress of Baalbek... is the most ancient building in the world. Cain, the son of Adam, built it in the year 133 of the creation, during a fit of raving madness. He gave it the name of his son Enoch and peopled it with giants who were punished for their iniquities by the flood.'[15]" - http://www.world-mysteries.com/mpl_5b5.htm

but this kind of evidence is suppressed in both public education and mainstream media.

Our Creator told the Gospel Story in the Stars; so clearly, the account has been recorded by ancient civilizations all over the world!

<https://www.youtube.com/watch?v=BJ6szvfApNM>

And we find a global civilization under seas, lakes, oceans all over the world; confirming the flood account and Biblical historicity in general; like many other observable facts; some of which I have included in <https://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188>

Please realize EVIDENCE FOR THE BIBLICAL ACCOUNT IS INTENTIONALLY BEING SUPPRESSED FROM PUBLIC KNOWLEDGE; like my notes expose; just look at the list in parts one and two of this apologetic:

<http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756>

<http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-2/518696871542610>

Discoveries like sea worthy craft the size and dimension (remnants thereof) and date of Noah's Ark have been found, the Exodus Account and all the details of it have been confirmed by actually following the route described in the Bible to the Real Mt. Sinai with blackened/burned mountain top, and all the other details of the Biblical Account, giant skeletons, Ark of the Covenant, sodom and gomorrah, and so much, much more have all been found. In other words, children are being intentionally LIED TO and told those are all myths rather than proven history; as the evidence clearly shows!

<https://www.facebook.com/notes/michael-swenson/why-i-reference-the-holy-bible-and-my-notes/709561849122777>

The EVIDENCE shows dinosaurs and man coexisted and that dinosaurs existed in recent history; some species of which are still present with us today; but children are taught they went extinct millions to hundreds of millions of years ago and a completely fabricated geologic column and religious worldview is forced upon them year after year as if it had been proven; when it absolutely has NOT!

<https://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983>

<https://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551>

Instead all the EVIDENCE isn't even mentioned at all that supports the Biblical Account, like dinosaurs and man coexisting, giant humanoid skeletons, human animal hybrids, horned humanoids, etc.; that

have ALL BEEN FOUND AND DOCUMENTED AS MY NOTES PLAINLY SHOW, and the ashen remains of sodom and gomorrah, the fallen walls of jericho, many sites, mentioned in the Bible, FOUND exactly where the Bible states! (even though no other records were found recording such history - again setting the Holy Bible above all other literature for historicity and validity as a reference book) Just look at SOME of the evidence; WATCH THE DOCUMENTARIES, read the scientific findings! and consider just some of the reasons the Holy Bible is so superior to ALL OTHER BOOKS IN THE WHOLE WORLD!

<https://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188>

<https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493>

I have listened to modern students and even so called "experts", from various scientific disciplines, boast in ways as to disregard the scientific findings and conclusions of even the fathers of the very fields of modern science. These actual scientists, some of the greatest minds the world has ever known, openly acknowledged our Eternal Creator - <http://www.facebook.com/notes/michael-swenson/fathers-of-the-sciences-and-great-scientific-minds-in-their-own-words/567609163318047>; but mass millions of victims of forced public indoctrination think that somehow they are even more intelligent by denying our Awesome Creator. They do not realize they are fulfilling dreadful prophecies concerning their own existence.

<http://biblehub.com/romans/1-22.htm>

*God's Wrath against Sin ...*21For even though they knew God, they did not honor Him as God or give thanks, but they became futile in their speculations, and their foolish heart was darkened.22Professing to be wise, they became fools,

<http://biblehub.com/romans/1-28.htm>

Furthermore, just as they did not think it worthwhile to retain the knowledge of God, so God gave them over to a depraved mind, so that they do what ought not to be done.

AND EVERY SINGLE PERSON I HAVE ENCOUNTERED THAT WON'T EVEN LOOK AT MY NOTES, THE EVIDENCE IN THEM, PRECISELY ARE REPRESENTING SUCH SCRIPTURES AS:

<https://www.biblegateway.com/passage/?search=John%203:15-21>

John 3:15-21 Amplified Bible (AMP)

15 In order that everyone who believes in Him [who cleaves to Him, trusts Him, and relies on Him] may [a] *not perish, but have eternal life and* [actually] live forever!

16 For God so greatly loved *and* dearly prized the world that He [even] gave up His only begotten ([b]unique) Son, so that whoever believes in (trusts in, clings to, relies on) Him shall not perish (come to destruction, be lost) but have eternal (everlasting) life.

17 For God did not send the Son into the world in order to judge (to reject, to condemn, to pass sentence on) the world, but that the world might find salvation *and* be made safe *and* sound through Him.

18 He who believes in Him [who clings to, trusts in, relies on Him] is not judged [he who trusts in Him never comes up for judgment; for him there is no rejection, no condemnation—he incurs no damnation]; but he who does not believe (cleave to, rely on, trust in Him) is judged already [he has already been convicted and has already received his sentence] because he has not believed in *and* trusted in the name of the only begotten Son of God. [He is condemned for refusing to let his trust rest in Christ's name.]

19 The [basis of the] judgment (indictment, the test by which men are judged, the ground for the sentence) lies in this: the Light has come into the world, and people have loved the darkness rather than *and* more than the Light, for their works (deeds) were evil.

20 For every wrongdoer hates (loathes, detests) the Light, and will not come out into the Light *but* shrinks from it, lest his works (his deeds, his activities, his conduct) be exposed *and* reprovved.

21 But he who practices truth [who does what is right] comes out into the Light; so that his works may be plainly shown to be what they are—wrought with God [divinely prompted, done with God's help, in dependence upon Him].

In other words, I have personally found that sexually immoral persons are among some of the most ardent who refuse to look at the ashen remains of Sodom and Gomorrah, and those wickedly deceiving students in public education with outright lies (evilutionists,

atheists, <https://www.youtube.com/watch?v=j7XR9yH2ETk>), likewise continue to intentionally brainwash innocent children EVEN WHEN THEY KNOW THEY'RE PUSHING FRAUDS/LIES (and even perversities - <http://www.freerepublic.com/focus/news/3023834/posts>; which is why they WANT them to believe they came from animals instead of God Almighty our Creator) upon them in the name of science! (It is for that reason, that they are in fact committing crimes in the process and SHOULD BE ARRESTED!)

<http://www.nwcreation.net/evolutionfraud.html>

<http://cavern.uark.edu/~cdm/creation/shame.htm>

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=frauds+of+evolution - the entire theory has proven to only be supported by intentional frauds and those lost in delusionary imaginations! It is absolute NONSENSE! and has no observable support in all creation! I reiterate:

<https://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983>

evil-u-shun should have been discarded as nonsense the moment it originated; but after all that we know these days about genetics and the fossil record, recorded history, observable facts in all kinds of scientific disciplines, there is simply no way this load of crap, complete and total fiction should be taught to children any longer! (the theory of evolution has been SOUNDLY disproven!)

"If any of these were shown to be flawed then the theory would be untenable.

Consequently any of the following would destroy the theory:

- If it could be shown that organisms with identical DNA has different genetic traits.
- If it could be shown that when mutations do occur, they are not passed down through the generations.
- If it could be shown that although mutations are passed down, no mutation could produce the sort of phenotypic changes that drive natural selection.

- If it could be shown that selection or environmental pressures do not favor the reproductive success of better adapted individuals.
- If it could be shown that even though selection or environmental pressures favor the reproductive success of better adapted individuals, "better adapted individuals" (at any one time) are not shown to change into other species." - http://rationalwiki.org/wiki/Disproving_evolution

Consider those points one by one:

the first point - has NOTHING to do with the "theory of evolution" but rather is another OBSERVABLE PROOF of the Biblical Account:

<http://biblehub.com/genesis/1-11.htm> -

"Then God said, "Let the earth sprout vegetation: plants yielding seed, and fruit trees on the earth bearing fruit after their kind with seed in them"; and it was so.¹²The earth brought forth vegetation, plants yielding seed after their kind, and trees bearing fruit with seed in them, after their kind; and God saw that it was good."

and <http://biblehub.com/genesis/1-25.htm>

"Then God said, "Let the earth bring forth living creatures after their kind: cattle and creeping things and beasts of the earth after their kind"; and it was so. ²⁵God made the beasts of the earth after their kind, and the cattle after their kind, and everything that creeps on the ground after its kind; and God saw that it was good."

Each kind of plant, animal, insect etc., produces its own kind as anyone can observe scientifically. (flowers bring forth flowers, dogs bring forth dogs, and so on) With the advent of intentional genetic modification are anomalies/abominations/corrupted flesh/corrupted creation intentionally being produced. Accurate observation once again supports the Biblical Account; not the fictional nonsense known as the theory of evolution.

point 2 "mutations"

https://www.google.com/search?q=frogs+with+extra+limbs&rlz=1C1GIGM_enUS535US535&espv=2&biw=1066&bih=702&source=lnms&tbm=isch&sa=X&ei=L4WVMryBculyAS52IKQCA&ved=0CAYQ_AUoAQ&dpr=1.5

so far all observed "mutations" have been the result of damage to DNA by environmental harmful effects (chemical toxins, pollutants like all the poisons they are spraying in our breathable atmosphere and putting into everything we eat, drink or put on our skin -<https://www.facebook.com/notes/michael-svenson/depopulation-by-intent-or-accident/544721958940101>), or intentional modifications -GMOs. no naturally occurring beneficial "mutation" has ever been observed. All such "mutations" that HAVE been observed were HARMFUL and have resulted in the suffering and deaths of such organisms. Yes, I am aware of the fruit fly experiments/tortures. The fruit flies that survived were still fruit flies. If you take a million people and hold them under water for a minute, many of them will still live, two minutes and so on, there might be a handful of persons out of billions that could reduce their heart rate, to hold their breath for an extended period of time under water, that does NOT support evolution, that only supports the fact that each and every soul is a unique creation by God Almighty, each with their own talents and abilities; again confirming the Biblical Account.

<http://biblehub.com/matthew/25-15.htm> and

<http://biblehub.com/ephesians/4-8.htm>

...7But to each one of us grace was given according to the measure of Christ's gift. 8Therefore it says, "WHEN HE ASCENDED ON HIGH, HE LED CAPTIVE A HOST OF CAPTIVES, AND HE GAVE GIFTS TO MEN."

It is clear our Creator has given each and every one of us different gifts, talents and abilities. He tells us that the reason is that we should all be fit together, to work together as one; TO REALIZE WE ARE ALL INTRINSICALLY CREATED TO NEED HIM AND EACH OTHER for our health and wellness; for us all to be blessed, joyful and prosperous; fulfilled and accomplish good things!

<http://www.biblestudytools.com/web/ephesians/passage.aspx?q=ephesians+4:12-22>

point 3 "mutations pass down" again the only mutations that have ever been observed have been harmful destruction of DNA or intentional alteration thereof. (the evidence in both cases is that such activities brings suffering, death and destruction, and can even lead to runaway extinction events! - <https://www.facebook.com/notes/michael-swenson/crimes-against-humanity-part-1/571080836304213> no naturally occurring beneficial "mutations" have ever been observed, so science again proves the theory of evolution to be false because such mutations as have been observed result in suffering and death to the afflicted organism(s).

point 4 again what intrinsic rubbish in the proposed argument. "environmental factors" suppose a flood wipes out billions of people, animals, plants, etc. or a volcano, or a sudden freeze or massive fire, how do survivors claim to be superior to the ones that died due to those environmental factors? Either you happened to be in the presence of the earthquake, volcano, natural disaster when it occurred or you didn't; your survival of such factors had nothing to do with genetic superiority, natural selection, or the nonsense of macroscopic evolution. (read my notes, I address many of the fallacious arguments of those CLAIMING evolution has been observed. Macroscopic evolution, "the theory of evolution" as it is being taught to children in public schools HAS NEVER HAD ONE SHRED OF SCIENTIFIC SUPPORT AND NEVER WILL, it is all based on fiction, lies, frauds, animations, vain imaginations!)

The actual scientific evidence in all disciplines by the greatest minds, most powerful and influential persons in the entire history of the world, did NOT succumb to such madness as all this religious dogma

forced on children these days in the name of science; instead they acknowledge that it was through their accurate observations that they became more convinced than ever of Intelligent Design by our Eternal Creator!

<https://www.facebook.com/notes/michael-swenson/fathers-of-the-sciences-and-great-scientific-minds-in-their-own-words/567609163318047>

those fine persons did not choose to present themselves as being <https://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> like so many self-presumptive "scientists" and their religious followers these days.

But in modern public education their own conclusions and findings over a lifetime of research are routinely omitted and suppressed from young students throughout public education in America; even at collegiate levels.

Furthermore, our entire history has been so meddled with, rewritten as to contain so many factual errors as to be more fiction than fact these days! (Children are being taught outright lies regarding science and history (provably INTENTIONAL brainwashing)!

[8#q=1892%20ruling%20america%20christian%20nation](#) - anyone who looks at our founding documents, oaths of office, as did these justices, the very reasons we secured our Independence, the Bill of Rights, will learn the Truth!

But we have subversives now that are rewriting American history yet again to claim it was/is islamic!

In all these various fields of scientific disciplines, American children are being brainwashed! (children all over the world, sadly)

It is time for the general populace to become aware that every generation that becomes successfully brainwashed with absolute lies in the name of science, is one step closer to generational insanity, chaos and bloodshed. People that can no longer think, no longer distinguish right from wrong behavior, no longer even care because it actually hurts them to even TRY and THINK, so doped up, drugged out, and deluded are a real and present danger to themselves and everyone they encounter and on the verge of total madness. (as demonstrated in how many westerners have started embracing satanism, islam, atheism and other insupportable, evil, wicked worldviews that have always led to pervasive genocides and societal ruin.)

<https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-1/633571873388442>

<https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-3/656>

When people have been so brainwashed and controlled by <https://www.facebook.com/notes/michael-swenson/propaganda/528691883876442> that they don't even care that they and their children are being systematically enslaved and poisoned

<https://www.facebook.com/notes/michael-swenson/police-state-prison-big-business-modern-slavery-by-design/619672408111722>

<https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101>

They don't even realize they are being intentionally drugged, poisoned, brainwashed, enslaved with both legal and illegal substances

<https://www.facebook.com/notes/michael-swenson/our-creator-told-us-in-the-holy-bible-all-nations-would-be-deceived-by-pharmaceu/511466405598990>

<https://www.facebook.com/notes/michael-swenson/the-worlds-most-wanted-criminals-part-1/674604029285226>

To keep them so doped up and incapable of critical thought they simply remain unaware that their own lives and that of their children are under open attack:

<https://www.facebook.com/notes/michael-swenson/crimes-against-humanity-part-1/571080836304213>

They don't even notice that our nation has been infiltrated by enemies and leaders so corrupt they are selling out America from under us and literally wringing out our land like it was a sponge for every drop of oil they can plunder before the bloodshed begins.

But worst of all; the brainwashing of the masses by the satanic NWO has been so thorough, they openly mock, denigrate, those of us desperately trying to point to all the observable warning signs that not just their lives, but their souls are in grave peril as they remain deceived, deluded, drugged, and arrogantly proud of their so called education; so much so, they now ignore their own perceptions in favor of any lying "expert" they can find anywhere that tells them none of these things I am exposing to you all are true.

For all of you who realize I am telling the truth, I most urgently and seriously call for your fervent prayers for our nation and all souls; especially the little children worldwide. Victims of state (satanic NWO) brainwashing, I have found to be so injured that they can no longer hold a rational conversation, no longer read anything longer than a few phrases, no longer critically think about anything, but laughingly and arrogantly regurgitate the nauseating fiction they were taught to believe is factual; as they ignore observable evidence, their own perceptive abilities; to continue laughing and partying their way; not only into death and destruction on earth, but the everlasting flames of damnation.

My friends, citizens worldwide, this is why it is imperative that we ALL Learn Directly from our Creator! HE will NEVER lie to us! He is fundamental TRUTH! and His Instructions to Live By as contained in the Holy Bible are meant for our welfare! To Bless and Prosper Us; to Keep Us in Health and Wellness all the days of the Journey of our Incarnation and into Eternity. PLEASE STAND UP AND DEMAND CHILDREN ARE TAUGHT ONLY FACTS AND TRUTH, ACCURATE OBSERVATIONS ABOUT CREATION AND OUR CREATOR; NOW AND FOREVER!
