if you don't think this prime is pertaining to be you, or you don't want facebook to review it, please let us know.

Thanks,
The Facebook Team

The subjective and arbitrary enforcement of facebook "community standards" has resulted in the unwarranted censorship of my posts. To the best of my knowledge I have never posted anything that isn't factually true. The censorship, which as a citizen of the United States of America, that appears to be illegal has become a standard of practice by facebook personnel. At no time is any business or person in the United States not subject to its laws; censoring posts simply because you disagree with the content is illegal. I urge all facebook personnel to cease and desist in such behavior. I understand blocking posts that are of adult content since children are on facebook, but what I do not understand is the continued censorship of things that are factually true, like warning people that islam and muslims are very dangerous. Muslims are trained by islam to lie to and deceive non-muslims for the purpose of violently conquering them when their numbers suffice. Muslims have murdered all non-muslims in sharia nations or tortured and enslaved such persons. Muslims to this very day admit that islam is a culture where rape is so common that they intentionally cover their wives and daughters and accompany them whenever they go out in public. Imams and others openly practice child rape and forced child marriages, muslims admit openly that they have no intention whatsoever of abiding under western laws, but want to force sharia (which is intrinsically a violent code of forced criminal conduct of some of the worst human rights violations in the history of the world) they want to force this evil on every man, woman and child, even if it means murdering every last non-muslim on earth! Islam is that evil. It was founded by rapists, child abusers, slavers, robbers and murderers, their quran is a manifesto of such criminal oppression on earth! The reason there are so many muslims is that they are born into this evil cult and more than half of them are illiterate and so don't even know these facts about the criminal organization of islam. When we have a 1400 year history of muslims invading and then murdering innocent people all around them, it is EXTREMELY imprudent to allow them to "immigrate" into our nations only to do what they have already done to innocent people by the hundreds of millions... kill them.

https://www.youtube.com/watch?v=D4hT_jIAKQ, https://www.youtube.com/watch?v=7y7oKLBATqQ, I wish Mr. Zuckerberg and everyone there at facebook would properly realize that islamic terrorist groups are not the exceptions to islam such as off groups like the kkk is to Christianity, but such islamic terrorist organizations are actually the result of islam and is islam in doctrine and practice. Muslims who are not actually violently attacking non-muslims fund terrorism in their mosques through zakat which is similar to the the Christian tithe except in Christianity the tithe funds charities that feed the hungry, clothe the poor and helps humanity. Islam is the antithesis of all things moral and lawful, it is fundamentally evil, fundamentally criminal in doctrine and practice and muslims are factually subversive criminals by evidence of their own books and 1400 year history. People worldwide need to understand that islam represents the largest deceitful and violent warmongering criminal gang in the history of the world and stop attacking and censoring those of us who understand these facts about islam and muslims. https://www.youtube.com/results?search_query=former+muslims+wam+the+west it is common for those who escape islam to dedicate much of their life thereafter trying to educate the public who seems to fail to grasp that islam is not a protected religion, but rather a very dangerous insidious, deceitful, conquering totalitarian political system, that has attracted the most violent and wicked men since muhammad and his gang of rapists, robbers and murderers began it 1400 years ago. https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=murderers+and+pedophiles+join+islam& When the very worst of humanity is joining an organization the rest of humanity needs to recognize that organization is fundamentally evil, unlawful, and as such should be properly banned and its gang members properly arrested! PLEASE EXAMINE THE FACTS about islam in doctrine and practice and stop illegally censoring those of us who are volunteering our time and energy in an effort to save innocent men, women and children from islam and the muslims who actually understand and practice its evil instructions in the manifestos of destruction, oppression and death in the quran and hadiths. https://www.youtube.com/results?search_query=islamic+sexuality+a+survey+of+evil islam in history traces to ancient baal worship pagan sex cults and islam is so evil that the highest aspiration of muslims is to murder for their devil allah or die trying to murder for their perverted and depraved notion of paradise and molest virgin boys and girls endlessly. There is of course no such place, and even murderer and racist

One True God tells us all such wicked persons will be properly confined so they never again harm innocent people! http://biblehub.com/revelation21-8.htm PEOPLE NEED TO COMPREHEND THAT ISLAM TEACHES MUSLIMS FROM THE TIME THEY ARE BORN TO HATE, LIE TO, AND MURDER NON-MUSLIMS! Christ said that liars and murderers are CHILDREN OF THE DEVIL!
John 8:44-45 King James Version (KJV)

44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

45 And because I tell you the truth, ye believe me not. so islam is so evil that in doctrine and practice it actually turns people into being so evil that the Lord of Creation called them devils! Muslims should not be loose in our nations; it is a shame that mankind hasn't already banned islam worldwide.

and practice it actually turns people into being so evil that the Lord of Creation called them devils! Muslims should not be loose in our nations; it is a shame that mankind hasn't already banned islam worldwide.

Those of us who know better and have researched the facts involved recognize that islam is the antithesis of law and order, it is so evil that it teaches and practices breaking every Holy Commandment found in the Holy Bible! (in other words, islam is as demonic in doctrine and practice as you can get!) IF there are any "decent, lawful, muslims" it is because they ARE NOT PRACTICING islam! and only call themselves muslims out of a state of ignorance! All muslims that PRACTICE islam, are dangerous liars, rapists, child molesters, slavers and murderers! They are subversive evil criminals of the worst and most dangerous kind BECAUSE they believe it is their divine mission to do these evil acts against innocent people!
