

Why I Reference the Holy Bible and My Notes

[September 13, 2014 at 6:13am](#)

I refer to thousands of details of evidence about our Creator because it is not by one single detail that people get to know anyone else. If your finger was chopped off and handed to billions of souls all over the world just how many would recognize it as evidence of you and all that you represent as a person? Likewise, it is not by one single observation that we learn of our Creator, but by the bulk of our experiences and knowledge of His Creation.

I have been asked to refer those commenting, on some blogs/debates/groups I participate in, to "reputable" sites; while many of those making such request have only referenced pages with content of outright lies. Like one page that denies the existence of the exodus account with all the historic and geo-physical attributes recorded in the Holy Bible and found exactly as recorded by eyewitnesses. https://www.youtube.com/results?search_query=the+real+mt+sinai In that regard to referring to "reputable sites", I have been studying online content since the early days of the Internet being made public. I have compiled links in my notes/web pages that reference empirical evidence (artifacts, locations, specific verifiable objects and data that prove the historicity of what many today think of as myths, legends and fables contained in the Holy Bible). Those same persons who have been intentionally brainwashed by state controlled indoctrination and media; then point to websites that deny such things even exist (even though they can see with their own eyeballs otherwise). This proves successful indoctrination by the state has taken place; (when you deny your own perceptive abilities in favor of anyone or anything that reinforces your chosen confirmation bias.) I explain who the people are that took over public education and why they have done/are doing this evil to innocent mass millions in my notes.

I also refer to my notes because I can be rather verbose in my replies to those espousing metaphysical fiction/religion in the name of science these days; simply because I am responding to YEARS of forced indoctrination/brainwashing that most people are unwilling to face at first glance. Because I am unaware of any such compiled efforts to the degree of my own research in that regard; I, of course, will reference such material in my effort not to waste any readers time; weeding through the same content I have over my lifetime. My notes/web pages are the most concise content I am aware of online for the Evidence of God; so I refer people to them because I am NOT trying to intentionally deceive anyone; like the many so called "debunkers" are doing in vain attempts to disregard physical empirical evidence of our Creator (which is impossible; because EVERYTHING is such evidence), but more specifically they deny anything that verifies the Biblical account; that is, because the people that own the mints (issue national currencies and control mainstream media and public indoctrination) are INTENTIONALLY suppressing such knowledge from the public in favor of deceptive brainwashing.

There are numerous reasons why those who crave power and attempt to enslave the masses lie to them; but mostly they know that if they can control the way they think, they can control their lives. Knowing our Creator, frees souls from such wicked deceivers, allows mankind to be free, empowers them to righteous living and opens the Door of Eternity and the Wisdom, Knowledge, Understanding contained therein. Since I know of no other more reputable or thoroughly researched, condensed and concise website(s) on the Evidence of God, than my own research, I refer to them not as opinions but as such compiled empirical evidence that they contain.

Likewise, I reference the Holy Bible because out of all literature on planet earth, it has unique qualities proving Divine Authorship as my note <https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493> further elaborates. I reference such notes because they are my comment, replies, supporting arguments to the same tiresome programming I encounter in the minds of the mass millions of successfully deceived/brainwashed citizens that public indoctrination is churning out these days. (All as planned https://www.youtube.com/watch?feature=player_embedded&v=R3nXvScRazg and <https://www.youtube.com/watch?v=VllwRgSECcw> and as my notes so clearly expose

<http://www.blastthetrumpet.org/PublicLetters/AAAUUpdatedPublicAlertsMattersofLifeandDeath/THE%20PLANNED%20DEMORALIZATION%20OF%20AMERICA.pdf> and <https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079>, which contain detailed references of who is deceiving the masses and why in <https://www.facebook.com/notes/michael-swenson/propaganda/528691883876442> and <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> and <https://www.facebook.com/notes/michael-swenson/police-state-prison-big-business-modern-slavery-by-design/619672408111722> and <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886> and many others found therein)

I am not seeking anything for myself other than a better world of enlightened and properly educated people who are kind to one another. I am not advertising, soliciting, or doing anything but presenting facts to those who may not know they have been lied to and intentionally deceived since they were small children by very wicked, arrogant persons who perceive themselves as the "global ruling elite". These persons are guilty of so many crimes against humanity it's difficult to list them all, but I consider leading souls away from personally knowing and communicating with our Eternal Creator, the One True God who brought the Universe into existence, to be their worst offense. It may be difficult to face; that many of you and mass millions of other souls have been deceived by these wicked persons, but when you won't even look at lists of compiled facts proving such, then it only becomes apparent to the rest of us as to the grave danger you are in; as you deny your own senses to cling to the ingrained fabrications you were forcefully taught to believe in over the years. (again, exactly as those guilty of the brainwashing predicted: <https://www.youtube.com/watch?v=n4ZxO5I-s4E> and <https://www.youtube.com/watch?v=0GiAYeWGDTM>; as further explained and exposed in <http://www.blastthetrumpet.org/PublicLetters/AAAUUpdatedPublicAlertsMattersofLifeandDeath/THE%20PLANNED%20DEMORALIZATION%20OF%20AMERICA.pdf>)

As an eyewitness of the Resurrected Christ, having died numerous times and been resuscitated over the years, so that I KNOW beyond all doubt that the Biblical Account about various places souls go to after "death" are factually true, I am motivated by not just present matters on earth, but everlasting destinies to reach those who through no fault of their own have been led away from knowing our Creator and personally learning from Him directly concerning all things. I refer to such websites as my own notes and pages, because I recognize that every webpage that exists is the product of a person or group of persons with their own ideologies; and I know mine to contain fundamental, verifiable facts. I see some people today referring to so called "debunkers" and calling them "reputable"; only because the lies on those particular pages confirm their current chosen perspectives or worldview. I can only encourage you all to break free of your programming; look at the observable evidence, recognize that it doesn't matter if a child, drunk, or chimp happened to film said evidence, either it physically exists or it does

not. Those who control mainstream media often are caught lying (even in newscasts) so "reputable" shouldn't be based on who is presenting said evidence, but on the validity of the evidence itself.

All those so called "myths" in the Holy Bible aren't such at all:

https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#g=ashen%20remains%20of%20sodom%20%26%20gomorrah and if one by one the details are all verifiable (and they are - <https://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756>), then it is by the bulk of said evidence that we begin to know ABOUT and understand facts ABOUT our Eternal Creator.

One of those facts, is that everything in the Holy Bible is fundamentally true; so much so, that we can rely that even those prophecies yet to be fulfilled will come to pass; as so many are happening in front of our eyes all over the world today. <https://www.youtube.com/watch?v=lf9yzHwOeUc> and so much more detailed in <https://www.facebook.com/notes/michael-swenson/prophecies-show-divine-inspiration-of-the-holy-bible/520171808061783> and verse by verse observable examples in <https://www.facebook.com/notes/michael-swenson/end-times-verse-by-verse/625795230832773> and <https://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>) Because I do know our Creator and that we do exist after we "die"; as has been scientifically documented these days with all the doctors that have gone into NDE, beyond and back research; I am motivated; not just by wanting people to know what is true for the sake of Truth itself and its liberating qualities, but so that they will not face the consequences for choosing to remain unrepentant, sinful, wicked and deceive themselves.

Since public indoctrination has turned out compliant minds with the same deceptions universally, I constantly encounter the same fiction by those thinking they are facts (especially any notion related to modern theoretical physics). So rather than retype over and over my truthful replies to such I simply link <https://www.facebook.com/notes/michael-swenson/how-to-know-truth-in-a-world-of-lies/622590531153243> in order to avoid continuing to present yourselves like some so called "scientists" these days as so <https://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551>.

Choosing to not read compiled evidence on the most important topic you will ever encounter: "Knowing our Creator", is to be in favor of practicing <https://www.facebook.com/notes/michael-swenson/stupidity/527894057289558>. Don't be among the stupid people who, when they die, will face every moment our Creator reached out to them, tried to save them from the deceptions, lies, delusions,

that presently cause so much suffering, death and destruction worldwide, and eventually their own damnation. **TAKE TIME TO READ AND RESEARCH! YOU can KNOW AND COMMUNICATE WITH GOD ALMIGHTY DIRECTLY!** <https://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188>

For those thinking that I am claiming something so unique or unusual in my beyond and back experiences, you really should familiarize yourself with the fact that NDEs have now been scientifically studied and documented all over the world. THOUSANDS of documented deaths, and eye witness accounts, many of which were NOT good experiences! this evidence was so convincing that even an atheistic cardiologist was converted - <https://www.youtube.com/watch?v=vQ8TEGMj-jc> but there are many eyewitnesses these days besides myself: <https://www.youtube.com/watch?v=WNqXQ91GlpM>, https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=scientific+study+of+nde and https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=dr%20samuel%20study%20of%20NDE and https://www.youtube.com/results?search_query=nde+heaven+and+hell These people from all kinds of backgrounds had very common experiences of what happened after "death".

For all of us who have seen the Resurrected Lord, face to face, and are telling the world; those who try to deny the existence of Almighty God, appear even more foolish to us than if we were to deny the existence of your best friend, your father or mother, or even yourself (those you claim to be a personal eyewitness of and know).
