War isn't always bombs and tanks. Modern warfare is ongoing in the form of covert operations ("black ops"), espionage, infiltration, demoralization (brainwashing with evil ideologies by control of public education and media), and in many other ways touched on

People need to understand that the "freedom of religion" DOES NOT sanction coercion or proselytization for inherently criminal behavior! (all members of such religions like satanism and islam can and should be arrested on the grounds that their literature proves conspiracy to commit one to NUMEROUS felony offenses)

We must stand up against such wickedness and perversion, such evil intent to demoralize/criminalize innocent children and destroy our nation!

Infiltration occurs when enemies invade a nation on many levels politically, through education, media, and just presence; as they attempt to gain positions of influence to bring about their conspiratorial agendas. America's enemies have successfully infiltrated on MANY levels and are threatening not only the financial collapse of our nation, but widespread dissonance leading to massive bloodshed!

ISLAM IS FUNDAMENTALLY EVIL! <https://www.facebook.com/notes/michael-swenson/islam-is-evil-part-3/698932663519029> Muslims are either deceptively or openly politically subversive and in favor of human rights violations worldwide and as such can and SHOULD BE UNDER ARREST BY ALL THE REST OF HUMANITY! It is LONG overdue to be INTERNATIONALLY BANNED!

These are SO CLEARLY not the actions of a government planning for civility or peace at home. Not by a long shot. Why is that? I can rattle off one of ten things that could cause the unrest, but its clear the D.H.S. is not hear to help us."

But we don't just have islamic infiltration, we have communists, satanists, and national foreign interests buying up media, ports, real estate, businesses, and more! These foreign interests are taking over our nation and if the American people don't realize that it is a threat not just to their freedoms, but to their lives, they will continue to destroy America as it was founded to be and bring our nation to utter ruin!

The communists realized our national Christian heritage built a strong work ethic of motivated godly persons and so planned demoralization became the cold war agenda. IT HAS BEEN SUCCESSFUL! READ THE ABOVE NOTE "THE PLANNED DEMORALIZATION OF AMERICA" and watch the documentaries to see how communists infiltrated our universities, our judges and lawyers, ACLU and such to PURPOSEFULLY ATTACK AND DESTROY AMERICA'S CHRISTIAN HERITAGE thereby creating the ignorance and apathy and wickedness that is destroying our nation pervasively.

Help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>

<http://www.truthandaction.org/former-border-agent-america-attack-via-asymmetrical-warfare/> "asymmetrical warfare" is a direct reference to the fact that America is falling under Divine Judgment and Wrath for so wickedly departing from our Creator, His Instructions to Live By in the Holy Bible, and our national heritage and foundational laws, morals and precepts that established and once made America a great nation! Anyone can look at verse by verse examples and see America is becoming increasingly cursed as a result of the people in our nation becoming more wicked, corrupt, perverse, blasphemous, abominable and even openly satanic! <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> Every terrible thing occurring against us now is specifically listed in the curses (just read the note and look at the verse by verse evidence). We MUST as a nation REPENT and RETURN TO OUR CREATOR AND OUR CHRISTIAN HERITAGE or these things happening against us will only get worse until America lies in ruins, and widespread death and destruction in her borders! Do you really want to see America reduced to ashen rubble? It's cities burning and open atrocities of rapes, murders, cannibalism and worse? REPENT!; WHILE YOU STILL ARE ABLE, or the future of the nation is dire indeed!

<http://sonsoflibertymedia.com/2015/02/veterans-place-corrupt-county-board-under-citizens-arrest-they-laugh-until-the-sheriff-shows-up/> - corruption has gotten so bad in our nation, that it permeates all walks of life. We have to turn back to God and reverse what devils have done to destroy our nation or America is headed for ruin, destruction and bloodshed. We have to remove the devils from all these areas! <https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079>

<https://www.facebook.com/video.php?v=664795200277274> - one of the consequences of departing from our Creator (and America's Heritage as it was founded to be):

American Patriots! UNITE! Spread the Word IMMEDIATELY!<http://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948>

When ANY nation or group of persons allow themselves to be deceived, it ushers in various forms of anti-christian worldviews; otherwise known as satanism. satanism in ALL its forms brings death and destruction to those persons!

<https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-2/633572213388408>

The zionists/satanists infiltrated by taking over our mints and media. (satanists are DECEPTIVE, FURTIVE, so their organizations can APPEAR as if they are decent or even claim to be affiliated with various religions; even CLAIMING affiliation with perversions of Christianity - but to the unlearned these satanists are perceived as actual Christians and in this way devils evilly frame Christ and True Christians with their evil deeds! - <https://www.youtube.com/watch?v=eDrscByKEUQ&list=PLBF23D048D19E0E73>) People all over the world need to understand there are TRUE and false Christians! (Just like the "Two Israels" - <https://www.facebook.com/notes/michael-swenson/the-two-israels/718142568264705> and <https://www.facebook.com/notes/michael-swenson/how-to-tell-the-true-from-the-false/595762863836010> and <https://www.facebook.com/notes/michael-swenson/friend-or-foe/582371811841782>) (Many Jews to this day think the anti-christ Hitler, was a Christian and so they hate True Christians and Christ as a result of this satanic ploy (hitler and the nazi movement was financed by the same satanic families still in power today); they also are currently inciting the conflict between muslims and Christians (hegelian principle provide both sides thesis/anti-thesis, rub them against each other for resulting desired synthesis - (that is the plan of the satanic NWO to implement all kinds of death and destruction on earth and then from the ashes of the poor masses and cities in rubble and ruin, rebuild the world under their rule and desires))

Once the satanists/zionists took control of America's finance and media, they have basically controlled everything else but this has not stopped OTHER foreign invaders!

<https://www.facebook.com/notes/michael-swenson/greed-has-terrible-consequences-not-just-for-the-oppressed-presently-but-lasting/496283710450593>

Currently America is under aggressive attack by militant muslim jihadists that have successfully infiltrated the highest office of our nation (the illegal presence of the obama administration and muslim brotherhood) but what is astonishing is our congress, CIA, FBI, pentagon officials have not deposed this illegal usurper of the highest office of our land!) I can only tell you that I have had Divine Revelations that have shown me that the reason for this is the ones who control the mints (rothschilds, rockefellers, UN, world bank) are testing American patriotic resolve! THEY ARE INTENTIONALLY PUSHING AS AGGRESSIVELY AS POSSIBLE TO PLUNGE AMERICA INTO BLOODSHED AND MARTIAL LAW (to restructure our nation, its laws and the powers worldwide!) This is DEFINITELY A COORDINATED ATTACKED by the satanic NWO!

The intentional perversion of our society through hollywood, media, pop culture music industry and public indoctrination in our so called public schools is a satanic trend to revive baal worship.

[https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=baal%20worship%20temple%20prostitutes](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=baal%20worship%20temple%20prostitutes)

many "churches", many sects of many religions are really nothing more than baal worship, a form of satanism, these days, that ushers in sexual perversion mixed with whatever form of religion that ultimately becomes openly worship of sexual immorality, baal or satan worship. These are end times signs of the "as it was in the days of Noah" and "as it was in the days of Lot" open religious worship of sexual immorality of all kinds was what brought the incineration of Sodom and Gomorrah and the other three cities that had become so wicked to pass.

# THIS IS HOW THE IRAQ WAR HAPPENED

THE LIAR

I will lie about the weapons of mass destruction. War means the price of crude oil will spike from \$25 to \$100 making us very rich.

HALLIBURTON CEO

Halliburton will get the \$40 billion dollar contract (no bid required) and secretly deposit our huge commission checks in our foreign bank accounts.

SAUDI PRINCE BROMANCE

The King will support the war because if the price of crude oil goes up to \$100 he will be the richest man on earth. He will help get all the other Arabs on board.

THE IDIOT CHEERLEADER

I'm for war, any kind of war so I will endorse the war immediately on every TV show. I will overlook Bush & Cheney are profiting from the war.

THE MEDIA MANIPULATORS AND OWNERS OF FOX NEWS

Since Fox News is partially owned by the Saudi Prince and Saudi Arabia, Fox News will be the stage to endorse, promote and cheer the war for profit. We will replay every video that will create fear and scare Americans that if they don't go to war they will die. We co-own Fox News and our goal is to manipulate Muslims and Christians in the name of profit.

THE THIEVES

For as long as Cheney is the VP we will bill the United States billions and billions for shady expenses and nobody will ever do the accounting to see we are scamming the U.S. government. Cheney gave us a blank check.

HITLER'S ENABLING ACT and the OBAMACARE ACT were both signed MARCH 23... NOW THE FINAL SOLUTION BEGINS!!!

Over the last few days I have seen a number of reports about Obama planning to bring in Foreigners with Ebola symptoms to get treated in the USA. So this is an alarming report, but I have held off to share it because it did not seem to be confirmed... it seemed like a far stretch, til now.

Then just now, as I was checking my news feed, I saw 2 ARTICLES within minutes of each other, confirming this report.

The first article came across THE DRUDGE REPORT... REPORT: Obama plans to bring non-citizens to USA for Ebola treatment...

This took me to this article, by FOX News:

Lawmaker claims plans may be in pipeline to bring non-citizens to US for Ebola treatment.

As soon as I started writing this, I rechecked this link, and the title has now been changed to...

Administration denies plan to bring non-citizens to US for Ebola treatment

But minutes later, I saw this report by Jan Markell's Olive Tree Ministries:

House Judiciary Chair: 'Increasing Evidence' Foreign Ebola Patients Coming to US

House Judiciary Committee chairman Rep. Bob Goodlatte (R-VA) reported there is "increasing evidence" that the Obama administration is planning to bring foreign Ebola patients into the US for treatment on Monday's "The Kelly File" on the Fox News Channel.

When asked about the prospect of the U.S. bringing in non-U.S. citizens with Ebola from abroad for treatment, Goodlatte responded, "Well, there's increasing evidence that they're making those plans, the media, members of the media, my office have received confidential communications saying that those plans are being developed and that's why I wrote to the administration last week to Secretary Kerry and to Secretary Johnson asking them to confirm or deny it and to produce any documents related to that. And that he had "received information from within the administration" indicating that plans were being made.

He added that his written requests for information "have not received any response from the administration...."

Breitbart also shared the following article under the same title. Both the Breitbart link and the Fox link have videos of this disturbing interview.

**BORDER CRISIS CONNECTION TO THESE EBOLA PLANS?**

Remember the Border Crisis that everyone has now forgotten about since ISIS and Ebola have taken front stage?

Back on July 7 I started documenting about the Border crisis, and how illegals were being shipped all over the country. Detention centers were being opened everywhere to house them. I can't remember how many there were when I started documenting, but when I was done I had listed 27 DETENTION CENTERS FOR ILLEGALS that had been opened because of the Border Crisis.

**27 DETENTION CENTERS FOR ILLEGALS!!!**

ALL NEWLY OPENED BECAUSE OF THE BORDER CRISIS!!!

Detention Facilities are already operating in all these locations, each city is a link to the articles documenting these facts.

If muslims don't repent of islam and their violent aggression toward others on earth, then this is the correct response to dealing with them and their wicked atrocities. <https://www.facebook.com/.../islam.../747974835281478>The world should unite and internationally ban islam, arrest and confine all unrepentant muslims, and the ones who have gang raped, committed genocides, mutilated and tortured others should be executed as swiftly as possible. Let every mosque be razed, every quran, hadith and related satanic, islamic literature incinerated and muslims confined until they renounce islam PERMANENTLY!!!!!!!

“What does the Bible say about protecting and sheltering our children. I get criticized for sheltering my children. I feel its biblically wise to. Thoughts?? Thanks!” Josh Tiffany Destefano

The ungodly think we live in a monastic bubble, and their counsel to us is that we can't hide our children from the real world. However, the Bible tells us that we are “blessed” if we don't listen to what they say (see Psalm One).

The Scriptures tell us that we (including Christian children) are to be innocent to that which is evil. Romans 16:19: "... I would have you wise unto that which is good, and innocent concerning evil.”

After meeting thousands of teens who have been home schooled (I've spoken at many home school conventions) I can say that they are educated, confident, well-adjusted, refreshingly polite, and have more knowledge of this world than the combined intellect of a dozen of the average teens who have been under-educated by the drug infested, bullying, potty-mouthed, sex-soaked secular education system of this godless world.

**Michael Swenson** slavery did NOT build America and all those so brainwashed they are denigrating our own heritage need to educate themselves! this nation in its short history abolished slavery that still continues among the satanic worldviews all over the world. native americans took sides in the war for independence from the then corrupt ruling powers. Christians through prayer, Divine Acts of Deliverance and bravery and courage broke free from the satanic families of their day in order to found a nation based on the Freedoms found in the Holy Bible. <https://www.facebook.com/notes/michael-swenson/americans-and-citizens-of-the-world-freedom-and-life-comes-from-god/748905988521696> and most today denigrating such miraculous event as the victory that founded the Bill of Rights the freedom to worship the One True God without persecution <https://www.youtube.com/watch?v=YaxGNQE5ZLA> have been listening to people who have infiltrated American universities INTENTIONALLY to destroy our nation by attacking its true history and foundational Christian Godly Heritage. <https://www.facebook.com/notes/michael-swenson/america-is-under-attack/699844766761152> and actually believing their <http://www.blastthetrumpet.org/.../THE%20PLANNED...> are attacking the precepts and persons that keep our nation Free from such evil oppression. <https://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948> and through such intentional evil attempt to

destroy our foundations, are making progress at destroying our nation while people that should be grateful for our Christian heritage and freedoms instead join the bandwagon of ignorance that is leading to more suffering, less prosperity, more oppression and evil in our midst. <https://www.facebook.com/notes/michael-swenson/original-intent-of-the-religious-clause-of-the-first-amendment/553723191373311> our founders knew our freedom comes from knowing our Creator <https://www.facebook.com/notes/michael-swenson/some-quotes-and-thoughts-how-precious-is-freedom/519180841494213> and so it is something that enrages my soul to hear people regurgitate the utter lies and nonsense in attacking our heritage in their ignorance. slavery was practiced by very few in this nation until it was abolished altogether. <http://www.wallbuilders.com/libissuesarticles.asp?id=122> and in the millenniums of human exist America abolished slavery rapidly whereas it is still in practice in various nations to this day. furthermore, the native americans that went to war against Americans and were defeated are often portrayed by enemies of our nation and heritage as innocent victims of genocides but history shows far different accounts. <http://www.historywiz.com/nativesrevolution.html> and [http://en.wikipedia.org/wiki/American\\_Indian\\_Wars](http://en.wikipedia.org/wiki/American_Indian_Wars) ask yourselves what would you do if fleeing for your own survival you risked death in oceanic travel only to land far away and suffer attacks at your landing sight while trying only to survive? would you just lay down and die? It is often depicted by those who attack American history as if the settlers showed up and just started slaughtering native americans but that is not the case at all. Not all settlers were well received and hostilities led to war; a war that native americans lost. So if you want to denigrate American heritage you go right ahead, but I tend to look at the fact that Divine miracles occurred in founding our great nation and say that if America wants to remain free, prosperous and a great nation the people who live in her borders have to stop allowing themselves to be manipulated into slandering and libeling the brave men and women who founded our nation and instead regain patriotic pride that is deserving of our true history and Christian heritage. Christians need to stop allowing themselves to be bullied by such tactics as they try and remove <https://www.facebook.com/notes/michael-swenson/the-ten-commandments-part-1/733691096709852> and all other foundational precepts that made America great and instead stand up and speak out against these attacks on our history, on our nation, and on the brave souls that have bled and died over the centuries in the cause of her liberties and lives within her borders.

PATRIOTS READ AND SHARE REAL HISTORY:

A LITTLE HISTORY THE PROGRESSIVES AND ISLAMISTS WILL NOT TEACH YOU!!

Obama lies about the great relationship between Islam and America!!

READ UP AND SHARE!!

Here is a little history. Including how the term 'Leatherneck' came to be . . .

Most Americans are unaware of the fact that over two hundred years ago, the United States had declared war on Islam, and Thomas Jefferson led the charge!

At the height of the eighteenth century, Muslim pirates were the terror of the Mediterranean and a large area of the North Atlantic. They attacked every ship in sight, and held the crews for exorbitant ransoms. Those taken hostage were subjected to barbaric treatment and wrote heart breaking letters home, begging their government and family members to pay whatever their Mohammedan captors demanded.

These extortionists of the high seas represented the Islamic nations of Tripoli, Tunis, Morocco, and Algiers – collectively referred to as the Barbary Coast – and presented a dangerous and unprovoked threat to the new American Republic.

Before the Revolutionary War, U.S. merchant ships had been under the protection of Great Britain. When the U.S. declared its independence and entered into war, the ships of the United States were protected by France. However, once the war was won, America had to protect its own fleets. Thus, the birth of the U.S. Navy.

Beginning in 1784, seventeen years before he would become president, Thomas Jefferson became America's Minister to France. That same year, the U.S. Congress sought to appease its Muslim adversaries by following in the footsteps of European nations who paid bribes to the Barbary States, rather than engaging them in war.

In July of 1785, Algerian pirates captured American ships, and the Dey of Algiers demanded an unheard-of ransom of \$60,000. It was a plain and simple case of extortion, and Thomas Jefferson was vehemently opposed to any further payments. Instead, he proposed to Congress the formation of a coalition of allied nations who together could force the Islamic states into peace. A disinterested Congress decided to pay the ransom.

In 1786, Thomas Jefferson and John Adams met with Tripoli's ambassador to Great Britain to ask by what right his nation attacked American ships and enslaved American citizens, and why Muslims held so much hostility towards America, a nation with which they had no previous contacts.

The two future presidents reported that Ambassador Sidi Haji Abdul Rahman Adja had answered that Islam "was founded on the Laws of their Prophet, that it was written in their Quran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as Prisoners, and that every Musselman (Muslim) who should be slain in Battle was sure to go to Paradise."

Despite of this stunning admission of premeditated violence on non-Muslim nations, as well as the objections of many notable American leaders, including George Washington, who warned that caving in was both wrong and would only further embolden the enemy, for the following fifteen years, the American government paid the Muslims millions of dollars for the safe passage of American ships or the return of American hostages. The payments in ransom and tribute amounted to over twenty percent of the United States government annual revenues in 1800.

Jefferson was disgusted. Shortly after his being sworn in as the third President of the United States in 1801, the Pasha of Tripoli sent him a note demanding the immediate payment of \$225,000 plus \$25,000 a year for every year forthcoming. That changed everything.

Jefferson let the Pasha know, in no uncertain terms, what he could do with his demand. The Pasha responded by cutting down the flagpole at the American consulate and declared war on the United States. Tunis, Morocco, and Algiers immediately followed suit. Jefferson, until now, had been against

America raising a naval force for anything beyond coastal defense, but having watched his nation be cowed by Islamic thuggery for long enough, decided that it was finally time to meet force with force.

He dispatched a squadron of frigates to the Mediterranean and taught the Muslim nations of the Barbary Coast a lesson he hoped they would never forget. Congress authorized Jefferson to empower U.S. ships to seize all vessels and goods of the Pasha of Tripoli and to “cause to be done all other acts of precaution or hostility as the state of war would justify”.

When Algiers and Tunis, who were both accustomed to American cowardice and acquiescence, saw the newly independent United States had both the will and the might’ to strike back, they quickly abandoned their allegiance to Tripoli. The war with Tripoli lasted for four more years, and raged up again in 1815. The bravery of the U.S. Marine Corps in these wars led to the line “to the shores of Tripoli” in the Marine Hymn, They would forever be known as “leathernecks” for the leather collars of their uniforms, designed to prevent their heads from being cut off by the Muslim scimitars when boarding enemy ships.

Islam, and what its Barbary followers justified doing in the name of their prophet and their god, disturbed Jefferson quite deeply. America had a tradition of religious tolerance, the fact that Jefferson, himself, had co-authored the Virginia Statute for Religious Freedom, but fundamentalist Islam was like no other religion the world had ever seen. A religion based on supremacism, whose holy book not only condoned but mandated violence against unbelievers was unacceptable to him. His greatest fear was that someday this brand of Islam would return and pose an even greater threat to the United States.

This should bother every American. That the Islam’s have brought about women-only classes and swimming times at taxpayer-funded universities and public pools; that Christians, Jews, and Hindus have been banned from serving on juries where Muslim defendants are being judged, Piggy banks and Porky Pig tissue dispensers have been banned from workplaces because they offend Islamist sensibilities. Ice cream has been discontinued at certain Burger King locations because the picture on the wrapper looks similar to the Arabic script for Allah, public schools are pulling pork from their menus, on and on in the news papers....

It’s death by a thousand cuts, or inch-by-inch as some refer to it, and most Americans have no idea that this battle is being waged every day across America. By not fighting back, by allowing groups to obfuscate what is really happening, and not insisting that the Islamists adapt to our own culture, the United States is cutting its own throat with a politically correct knife, and helping to further the Islamist agenda. Sadly, it appears that today’s America would rather be politically correct than victorious.

Any doubts, just Google Thomas Jefferson vs the Muslim World

The First American Military Warriors Who Fought Against Islamic Terrorists From 1801-1805

“From the Halls of Montezuma, to the shores of Tripoli, we fight our country’s battles, in the air, on land, and sea.”- Official Hymn of the U.S. Marine Corps. Have you ever wondered what is Tripoli doing in our

Marines' official hymn? On this memorial day, let us remember those who gave their lives that we might be free from muslim terror!

Ambassador Thomas Jefferson had a wake up call the day he met with muslim leaders. Thomas Jefferson asked why are muslims attacking American ships when we are doing nothing to incite any form of violence. To his shock, he recorded the following words spoken by the muslim ambassador Abd Al-Rahman: "it was written in the Qur'an, that all Nations who should not have acknowledged the authority of mohammad were sinners, that it was the right and duty of every muslim to make war upon nonmuslims they could find and to make Slaves of all they could take as prisoners, and that every Muslim who should be slain in battle was believed to go to Paradise."

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

To the surprise of many in our modern liberal and libertarian false worlds, our nation formed its first national Navy and united beyond individual States to a national force, due to muslim terrorist attacks at the foundational years of our nation. The founders of our nation believed that we needed to be united against the threat of islamic terrorism or we would fall as divided States. Muslims were terrorizing Americans by forcefully boarding American ships and beheading our men and enslaving our women and children. Americans were being sold in the open muslim market.

When they offered America an option to pay a nonmuslim tax of up to 1 million dollars per year so they would "allow" us to sail without their attacks on our ships, sadly, John Adams agreed to pay the bribe according to the European model of that day. At one point, up to 20% of our national budget was dedicated to paying off muslim terrorists. Thomas Jefferson argued that the more you pay a terrorist, the more he'll demand. When he became President, he called on our brave Marines and Navy to go overseas and kick the butt of those muslim terrorists who were ruthlessly attacking our American citizens. {Jefferson used the common colloquialism of his day for this.}

Muslims made the grave mistake of believing that a small nation just formed would not have the power to fight the muslim powers overseas. By the Grace of God, The LORD granted our Marines and Navy great victories and the muslim powers were forced to return several hundred American women children and men. Unfortunately, our first treaty sadly stipulated that America would agree to pay \$60,000.00 for these "slaves". President Jefferson tried to call it "tribute" instead of "ransom", but rightly, William Eaton remained strongly opposed to the State Department diplomat Tobias Lear on this important matter. By 1807, Muslims began to attack American ships once again and terrorize our citizens abroad. In 1815, Commodores William Bainbridge and Stephen Decatur led our military victories to force

muslims to sign ending all “nonmuslim” tax payments by the United States to faithful muslims and that finally put a stop to the muslim attacks on our citizens for a long time.

However, Thomas Jefferson knew the danger of islam was not over. He secured the great Naval Hero rear Admiral John Paul Jones to try to fight off the muslims in Constantinople and return Constantinople to the Christians who had been attacked by muslim ottoman forces and overtaken after several hundred years of failed attempts by previous muslim rulers to attack the peaceful Christians  
Many of our brave men and women have sacrificed their lives fighting off muslim terrorists.

Remember this battle did not begin by us, but it started in the last 1700s against our nation. Prior to that it had started in the beginning of islam by mohammad the false prophet of islam. It has continued for over 1388 years.

I sincerely hope that our generation be the final generation that allow the terror of islam to be passed on to the next generation!

TIME TO PICK THE FIGHT.. NOT WAIT FOR THEM TO WAGE IT!!

**THE TRUTH ABOUT THE CRUSADES**

**ISLAM IS NOT A RELIGION OF PEACE**

The First Crusade began in 1095

460 years after the first Christian city was overrun by Muslim armies.

457 years after Jerusalem was conquered by Muslim armies.

453 years after Egypt was taken by Muslim armies.

443 after Muslims first plundered Italy.

427 years after Muslim armies first laid siege to the Christian capital of Constantinople.

380 years after Spain was conquered by Muslim armies.

363 years after France was first attacked by Muslim armies.

249 years after the capital of the Christian world, Rome itself, was sacked by a Muslim army, and only after centuries of church burnings, killings, enslavement and forced conversions of Christians.

By the time the Crusades finally began, Muslim armies had conquered two-thirds of the Christian world.

So much for being the victim

Michelle Obama received golden earrings, a necklace and a ring all valued at over \$70,000 according to the State Department.

These gifts came from the queen of Brunei in 2013.

Brunei is an oil-rich sovereign state located on the north coast of the island of Borneo in Southeast Asia.

For years, Hassanal Bolkiah, the head of Brunei, has forced Islamic Sharia law in the country and stoned all those against his dominion.

In a time where the Obama administration continues to mock our allies in Israel, it seems to be a bit of a slight to maintain such relationship with Islamic radical leaders.

[Michael Swenson](#) the lies of obama and muslims are so nauseating and ridiculous that he should have been declared unfit for office even after his illegal infiltration into it. from a fb post reflecting his absurd claim:

"Muslims My Ass...

I want to shake the guy's hand that wrote this...

Have you ever seen a Muslim hospital?

Have you heard a Muslim orchestra?

Have you seen a Muslim band march in a parade?

Have you witnessed a Muslim charity?

Have you shaken hands with a Muslim Girl Scout?

Have you seen a Muslim Candy Striper?

The answer is no, you have not. Just ask yourself WHY ???

Barack Obama, during his Cairo speech, said: "I know, too, that Islam has always been a part of America's history."

AN AMERICAN CITIZEN'S RESPONSE

Dear Mr. Obama:

Were those Muslims that were in America when the Pilgrims first landed? Funny, I thought they were Native American Indians.

Were those Muslims that celebrated the first Thanksgiving day? Sorry again, those were Pilgrims and Native American Indians.

Can you show me one Muslim signature on the: United States Constitution?

Declaration of Independence ?

Bill of Rights?

Didn't think so.

Did Muslims fight for this country's freedom from England ? No.

Did Muslims fight during the Civil War to free the slaves in America ? No, they did not.

In fact, Muslims to this day are still the largest traffickers in human slavery. Your own half-brother, a devout Muslim, still advocates slavery himself, even though Muslims of Arabic descent refer to black Muslims as "pug nosed slaves." Says a lot of what the Muslim world really thinks of your family's "rich Islamic heritage," doesn't it Mr. Obama?

Where were Muslims during the Civil Rights era of this country?

Not present.

There are no pictures or media accounts of Muslims walking side by side with Martin Luther King, Jr. or helping to advance the cause of Civil Rights.

Where were Muslims during this country's Woman's Suffrage era?

Again, not present. In fact, devout Muslims demand that women are subservient to men in the Islamic

culture. So much so, that often they are beaten for not wearing the 'hajib' or for talking to a man who is not a direct family member or their husband. Yep, the Muslims are all for women's rights, aren't they? Where were Muslims during World War II?

They were aligned with Adolf Hitler. The Muslim grand mufti himself met with Adolf Hitler, reviewed the troops and accepted support from the Nazi's in killing Jews.

Finally, Mr. Obama, where were Muslims on Sept. 11th, 2001?

If they weren't flying planes into the World Trade Center , the Pentagon or a field in Pennsylvania killing nearly 3,000 people on our own soil, they were rejoicing in the Middle East . No one can dispute the pictures shown from all parts of the Muslim world celebrating on CNN, Fox News, MSNBC and other cable news network's that day. Strangely, the very "moderate" Muslims who's asses you bent over backwards to kiss in Cairo , Egypt on June 4th were stone cold silent post 9-11. To many Americans, their silence has meant approval for the acts of that day.

And THAT, Mr. Obama, is the "rich heritage" Muslims have here in America ....

Oh, I'm sorry, I forgot to mention the Barbary Pirates. They were Muslims.

And now we can add November 5, 2009 - the slaughter of American soldiers at Fort Hood by a Muslim major who is a doctor and a psychiatrist who was supposed to be counseling soldiers returning from battle in Iraq and Afghanistan .

Also, don't forget the Boston Marathon bombing on April 15, 2013 was done by 2 Muslim Brothers. That, Mr. Obama is the "Muslim heritage" in America

EVERY AMERICAN AND CANADIAN MUST READ THIS !!

Be sure to SEND IT TO ALL.

Muslim Heritage, my ass.

And if you don't share this message, you are part of the problem!"

They call them HABSHIS - derived from Abasynnians and in literally every third Saudi home they have a black woman or man used as a slave without any salary or life and this is not new but going on since 13 centuries and yet they are fooling Black Africa for past 13 centuries, sold them as slaves and still control most West Africa hinterland with slave masters. 99% of Afro Americans ancestors were sold by ARAB traders who treated them like cattle. YET some Black Americans have been sold the idea of Islam. A few generations ago Saudis literally bought a wrestler and converted him into Islam which propagated Islam in Americas. African origin people need to be told that Islam will not change their destiny but push them to slavery. "

[Walter Mark Whiteman](#) [to Awaken the public!!! its time for Corruption To be exposed](#)

[December 26, 2014](#) ·

So much stuff about Barack Obama becomes staggering to contemplate. How can a man with so many questions about him become the leader of the free world? I have felt many times things I learned just could not be true. But the truth gets worse the more I learn of BHO. To be sure there have been a lot of spurious things about him. One of those had to do with Jean Paul Ludwig and a social security number, which was a hoax email

~BUT~

042-68-4425 is Barack Obama's SSN. It was revealed on his 2010 tax return. It is a number issued from Connecticut while Obama was living in Hawaii. The social security administration has never recycled an SSN. What has been verified is Barack H. Obama, President of the United States of America, is unable to pass E-verify. The result: POTUS does not qualify to hold a job in the United States. Obama does not qualify to flip burgers!

<http://www.dcclothesline.com/.../homeland-security-bombshell.../>

Linda Jordan is the woman that actually ran the number through E-verify. Hear her story

here:<https://www.youtube.com/watch?v=aoHpg602-MA>

[https://www.youtube.com/watch?v=pMNzupPe\\_Fo](https://www.youtube.com/watch?v=pMNzupPe_Fo)

The SSN has also been tagged with a person named Harrison J. Bounel. Discrepancies show up in database searches done by several private investigators. Some would say the discrepancy is just a mistake in a database, but it was not just one search, several were done by different people. At least three investigators found discrepancies Albert Hendershot, Susan Daniels, and Neil Sankey (you can Google them as well).<http://www.wnd.com/2011/08/336889/> "Barack Hussein Obama and Harrison J. Bounel"

To be fair to Obama, he has never used this SSN posing as anybody other than Barack Hussein Obama. There is no known record of his using the name Harrison J. Bounel for himself.

~BUT~

Barack Hussein Obama, President of the United States of America could not pass E-verify.

Our president does not legally qualify to flip burgers or be a janitor in the White House, he would not pass a security clearance. Do you think for one second the national leaders of nations around the globe do not know this? What does this tell them about the apathy OR gullibility of the American public?

Is it any wonder people say our allies do not trust us, and our enemies do not fear us?

**Michael Swenson** <http://sonsoflibertymedia.com/2015/01/gay-marriage-evil/...> when any nation becomes so perverse that it demands the right to have sex with anyone or anything, that nation is on the brink of total annihilation. such perverse departure from our Creator and His Instructions to Live By come with dire warnings. People say who they have sex with affects no one else but that is delusional. Already some are in jail over the insanity, some have lost businesses and livelihoods thereby. and all to coddle the most perverse and vile among us. when criminals rule, the righteous suffer. it is time Christians stopped shirking their duties and put the foot down on demonic insanity in their midst. it is time we returned to God and the laws that founded our nation. It is time the righteous realized their liberties are only maintained by standing up forcefully for them. (the wicked who belong in jail are changing laws to favor their perversions at the suffering of the righteous).

PATRIOTS READ AND SHARE REAL HISTORY:

A LITTLE HISTORY THE PROGRESSIVES AND ISLAMISTS WILL NOT TEACH YOU!!

Obama lies about the great relationship between Islam and America!!

READ UP AND SHARE!!

Here is a little history. Including how the term 'Leatherneck' came to be . . .

Most Americans are unaware of the fact that over two hundred years ago, the United States had declared war on Islam, and Thomas Jefferson led the charge!

At the height of the eighteenth century, Muslim pirates were the terror of the Mediterranean and a large area of the North Atlantic. They attacked every ship in sight, and held the crews for exorbitant ransoms. Those taken hostage were subjected to barbaric treatment and wrote heart breaking letters home, begging their government and family members to pay whatever their Mohammedan captors demanded.

These extortionists of the high seas represented the Islamic nations of Tripoli, Tunis, Morocco, and Algiers – collectively referred to as the Barbary Coast – and presented a dangerous and unprovoked threat to the new American Republic.

Before the Revolutionary War, U.S. merchant ships had been under the protection of Great Britain. When the U.S. declared its independence and entered into war, the ships of the United States were protected by France. However, once the war was won, America had to protect its own fleets. Thus, the birth of the U.S. Navy.

Beginning in 1784, seventeen years before he would become president, Thomas Jefferson became America's Minister to France. That same year, the U.S. Congress sought to appease its Muslim adversaries by following in the footsteps of European nations who paid bribes to the Barbary States, rather than engaging them in war.

In July of 1785, Algerian pirates captured American ships, and the Dey of Algiers demanded an unheard-of ransom of \$60,000. It was a plain and simple case of extortion, and Thomas Jefferson was vehemently opposed to any further payments. Instead, he proposed to Congress the formation of a coalition of allied nations who together could force the Islamic states into peace. A disinterested Congress decided to pay the ransom.

In 1786, Thomas Jefferson and John Adams met with Tripoli's ambassador to Great Britain to ask by what right his nation attacked American ships and enslaved American citizens, and why Muslims held so much hostility towards America, a nation with which they had no previous contacts.

The two future presidents reported that Ambassador Sidi Haji Abdul Rahman Adja had answered that Islam "was founded on the Laws of their Prophet, that it was written in their Quran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as Prisoners, and that every Musselman (Muslim) who should be slain in Battle was sure to go to Paradise."

Despite of this stunning admission of premeditated violence on non-Muslim nations, as well as the objections of many notable American leaders, including George Washington, who warned that caving in was both wrong and would only further embolden the enemy, for the following fifteen years, the American government paid the Muslims millions of dollars for the safe passage of American ships or the return of American hostages. The payments in ransom and tribute amounted to over twenty percent of the United States government annual revenues in 1800.

Jefferson was disgusted. Shortly after his being sworn in as the third President of the United States in 1801, the Pasha of Tripoli sent him a note demanding the immediate payment of \$225,000 plus \$25,000 a year for every year forthcoming. That changed everything.

Jefferson let the Pasha know, in no uncertain terms, what he could do with his demand. The Pasha responded by cutting down the flagpole at the American consulate and declared war on the United States. Tunis, Morocco, and Algiers immediately followed suit. Jefferson, until now, had been against

America raising a naval force for anything beyond coastal defense, but having watched his nation be cowed by Islamic thuggery for long enough, decided that it was finally time to meet force with force.

He dispatched a squadron of frigates to the Mediterranean and taught the Muslim nations of the Barbary Coast a lesson he hoped they would never forget. Congress authorized Jefferson to empower U.S. ships to seize all vessels and goods of the Pasha of Tripoli and to “cause to be done all other acts of precaution or hostility as the state of war would justify”.

When Algiers and Tunis, who were both accustomed to American cowardice and acquiescence, saw the newly independent United States had both the will and the might to strike back, they quickly abandoned their allegiance to Tripoli. The war with Tripoli lasted for four more years, and raged up again in 1815. The bravery of the U.S. Marine Corps in these wars led to the line “to the shores of Tripoli” in the Marine Hymn. They would forever be known as “leathernecks” for the leather collars of their uniforms, designed to prevent their heads from being cut off by the Muslim scimitars when boarding enemy ships.

Islam, and what its Barbary followers justified doing in the name of their prophet and their god, disturbed Jefferson quite deeply. America had a tradition of religious tolerance, the fact that Jefferson, himself, had co-authored the Virginia Statute for Religious Freedom, but fundamentalist Islam was like no other religion the world had ever seen. A religion based on supremacism, whose holy book not only condoned but mandated violence against unbelievers was unacceptable to him. His greatest fear was that someday this brand of Islam would return and pose an even greater threat to the United States.

This should bother every American. That the Islam's have brought about women-only classes and swimming times at taxpayer-funded universities and public pools; that Christians, Jews, and Hindus have been banned from serving on juries where Muslim defendants are being judged, Piggy banks and Porky Pig tissue dispensers have been banned from workplaces because they offend Islamist sensibilities. Ice cream has been discontinued at certain Burger King locations because the picture on the wrapper looks similar to the Arabic script for Allah, public schools are pulling pork from their menus, on and on in the news papers....

It's death by a thousand cuts, or inch-by-inch as some refer to it, and most Americans have no idea that this battle is being waged every day across America. By not fighting back, by allowing groups to obfuscate what is really happening, and not insisting that the Islamists adapt to our own culture, the United States is cutting its own throat with a politically correct knife, and helping to further the Islamist agenda. Sadly, it appears that today's America would rather be politically correct than victorious.

Any doubts, just Google Thomas Jefferson vs the Muslim World

The First American Military Warriors Who Fought Against Islamic Terrorists From 1801-1805

“From the Halls of Montezuma, to the shores of Tripoli, we fight our country's battles, in the air, on land, and sea.”- Official Hymn of the U.S. Marine Corps. Have you ever wondered what is Tripoli doing in our

Marines' official hymn? On this memorial day, let us remember those who gave their lives that we might be free from muslim terror!

Ambassador Thomas Jefferson had a wake up call the day he met with muslim leaders. Thomas Jefferson asked why are muslims attacking American ships when we are doing nothing to incite any form of violence. To his shock, he recorded the following words spoken by the muslim ambassador Abd Al-Rahman: "it was written in the Qur'an, that all Nations who should not have acknowledged the authority of mohammad were sinners, that it was the right and duty of every muslim to make war upon nonmuslims they could find and to make Slaves of all they could take as prisoners, and that every Muslim who should be slain in battle was believed to go to Paradise."

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

Remember there was no Israel nation at this point and there was no American military bases in Saudi Arabia to blame these muslim terrorist attacks. All America wanted to do was to pass by the open seas and engage in fair trade. Even liberal PBS McNeil/Lehrer reported one day on America's first war by President Thomas Jefferson against the muslim terrorists.

To the surprise of many in our modern liberal and libertarian false worlds, our nation formed its first national Navy and united beyond individual States to a national force, due to muslim terrorist attacks at the foundational years of our nation. The founders of our nation believed that we needed to be united against the threat of islamic terrorism or we would fall as divided States. Muslims were terrorizing Americans by forcefully boarding American ships and beheading our men and enslaving our women and children. Americans were being sold in the open muslim market.

When they offered America an option to pay a nonmuslim tax of up to 1 million dollars per year so they would "allow" us to sail without their attacks on our ships, sadly, John Adams agreed to pay the bribe according to the European model of that day. At one point, up to 20% of our national budget was dedicated to paying off muslim terrorists. Thomas Jefferson argued that the more you pay a terrorist, the more he'll demand. When he became President, he called on our brave Marines and Navy to go overseas and kick the butt of those muslim terrorists who were ruthlessly attacking our American citizens. {Jefferson used the common colloquialism of his day for this.}

Muslims made the grave mistake of believing that a small nation just formed would not have the power to fight the muslim powers overseas. By the Grace of God, The LORD granted our Marines and Navy great victories and the muslim powers were forced to return several hundred American women children and men. Unfortunately, our first treaty sadly stipulated that America would agree to pay \$60,000.00 for these "slaves". President Jefferson tried to call it "tribute" instead of "ransom", but rightly, William Eaton remained strongly opposed to the State Department diplomat Tobias Lear on this important matter. By 1807, Muslims began to attack American ships once again and terrorize our citizens abroad. In 1815, Commodores William Bainbridge and Stephen Decatur led our military victories to force

muslims to sign ending all “nonmuslim” tax payments by the United States to faithful muslims and that finally put a stop to the muslim attacks on our citizens for a long time.

However, Thomas Jefferson knew the danger of islam was not over. He secured the great Naval Hero rear Admiral John Paul Jones to try to fight off the muslims in Constantinople and return Constantinople to the Christians who had been attacked by muslim ottoman forces and overtaken after several hundred years of failed attempts by previous muslim rulers to attack the peaceful Christians  
Many of our brave men and women have sacrificed their lives fighting off muslim terrorists.

Remember this battle did not begin by us, but it started in the last 1700s against our nation. Prior to that it had started in the beginning of islam by mohammad the false prophet of islam. It has continued for over 1388 years.

I sincerely hope that our generation be the final generation that allow the terror of islam to be passed on to the next generation!

TIME TO PICK THE FIGHT.. NOT WAIT FOR THEM TO WAGE IT!!

# American Lives Matter! Death to Islam!

[Roger Mowery](#) to [THE VOICE OF THE AMERICAN INFIDELS](#).

[February 27, 2015](#) ·

I'd really like to know why I have to hate or like Muslims? It wasn't long ago I never gave them a thought. Live and let live. Accept the cultural differences and enjoy the best of both worlds. But now, I have to worry about every frikin' one of them. I have to spend time wondering about the guy in the Ali Baba clothes at Home Town Buffet or the Garbage Bagged Ghost in the Grocery store. Is "this" the way I am supposed to live the rest of my life in my own free country, because of Muslims and some radical barbaric religion?

I think not.

I am quite sure I will revolt and start exercising my right to defend my country from these people and let me tell you why.

Because they are "terrorists".

Every stinking one of them that runs around flaunting their religion in my face. Knowing it is against our laws and morals to cull them as we should. They take pride in instilling fear in the innocent.

I find them to be invaders, insurgents, trying to overthrow our government and oppress our people.

This is what Muslims are; this is what Islam brings.

The true definition of a Terrorist is:

ter·ror·ist

'terərəst/

noun

"a person who uses terrorism in the pursuit of political aims".

and the true definition of Terrorism is:

ter·ror·ism

'terəˌrɪzəm/Submit

noun

"the use of violence and intimidation in the pursuit of political aims".

Now I would have no difficulty exemplifying how CAIR is trying to bring Shariah Law into the United States and place it as the only legal governance and Islam as the only political body.

So once again I ask, Why do I have to hate or like Muslims? The answer is, I don't have to hate them. I want to. I have no interest in liking Muslims. I see everyday what Islam brings to the world. And anyone that tries to convince me that not all Muslims are bad are nothing more than ignorant traitors to our country. They have fallen to the lies of Islam and can not separate the facts that Islam is Islam, there are no factions.

No, I'm done holding my tongue for the sake of offending. I'm through making believe it doesn't bother me that Muslims are doing whatever they want and blaming me for their misery.

I'm tired of paying for their Non-Assimilation into the American culture!

I'm tired of Muslims getting away with Murder of Americans!

And I'm really tired of our elected politicians pretending there is a disease that is spreading throughout our country named Islam.

Joe legal works in construction, has a Social Security number and makes \$25.00 per hour with taxes deducted.

Jose illegal also works in construction has no Social Security number and makes \$15.00 per hour cash, under the table.

Ready?... now pay attention....

Joe legal: \$25.00 per hour × 40 hours = \$1,000.00 per week or \$52,000.00 per year. Now, take 31% away for State and Federal taxes. Joe legal now has \$31,231.00.

Jose illegal: \$15.00 an hour × 40 hours = \$600.00 per week or \$31,200.00 per year. Jose illegal pays no taxes. Jose illegal now has \$31,200.00.

Joe legal pays medical and dental insurance with limited coverage for his family at \$600.00 per month, or \$7,200.00 per year. Joe legal now has \$24,031.00.

Jose illegal has full medical and dental coverage through the State and local clinics and emergency hospitals at a cost of \$0.00 per year. Jose illegal still has \$31,200.00.

Joe legal makes too much money and is not eligible for food stamps or welfare. Joe legal spends \$500.00 per month for food or \$6,000.00 per year. Joe legal now has \$18,031.00.

Jose illegal has no documented income and is eligible for food stamps, WIC and welfare. Jose illegal still has \$31,200.00.

Joe legal pays rent of 1,200.00 per month or \$14,400.00 per year. Joe legal now has \$9,631.00.

Jose illegal receives \$500.00 per month Federal rent subsidy. Jose illegal pays out that \$500.00 per month or \$6,000.00 per year. Jose illegal still has \$31,200.00.

Joe legal pays \$200.00 per month or \$2,400.00 per year for car insurance. Some of that is uninsured motorist insurance. Joe legal now has \$7,231.00.

Jose illegal says, "We don't need no stinkin' insurance."... and still has \$31,000.00.

Joe legal has to make his \$7,231.00 stretch to pay utilities, gasoline.. etc.

Jose illegal has to make his \$31,200.00 stretch to pay utilities, gasoline and what he sends out of the country every month....

Joe legal now works overtime on Saturdays or gets a part time job after work.

Jose illegal has nights and weekends off to enjoy with his family.

Joe legal's and Jose illegal's children both attend the same elementary school.

Joe legal pays for his children's lunches while...

Jose illegal's children get a government-sponsored lunch.

Jose illegal's children have an after school ESL program.

Joe legal's children go home.

Now, when they reach college age...

Joe legal's kids may not get into a State school and may not qualify for scholarships, grants or other tuition help, even though Joe has been paying for State schools through his taxes, while...

Jose illegal's kids go to the, 'head of the class' because they are a minority.

Joe legal and Jose illegal both benefit from the same police and fire services, but Joe paid for them and Jose did not.

Do you get it, now?

If we vote for or support any politician that supports illegal aliens,... we are part of the problem.

Its way PAST time to take a stand for America and Americans!

We need to keep this going -- we need to make changes ASAP!

What are you waiting for?...Pass it on!

**"Death to America," and other quotations from Ayatollah Khamenei's Nowruz speech on March 21, 2015**

**On America**

- "Yes, certainly, **death to America!**"
- "Iran's enemies, particularly America, are moving forward with prudence and diplomacy, I understand them. They know what they are doing. **They need these negotiations. America needs the nuclear negotiations.**"

**On regional hegemony**

- "We are absolutely not negotiating or holding discussions with the Americans over regional or domestic issues and **neither over weapons capabilities.**"
- "We are not negotiating with the Americans over regional issues. **U.S. goals in the region are in complete contrast with our goals.**"
- "Negotiations with the U.S. are **only over the nuclear issue**, and nothing else. Every one should be aware of this."

**On sanctions relief**

- "The lifting of the sanctions is part of the issues being negotiated and **not the outcome of the negotiations.**"
- "Sanctions must be lifted immediately following an agreement."

**On permanency of agreement**

- "The Americans keep saying that there should be **irreversibility** in the terms Iran accepts and the decisions it makes, we do not accept that."

(like the homos have been doing to children... <https://www.youtube.com/watch?v=1dX5vYPzMn0> the gay manifesto <http://www.freerepublic.com/focus/news/3023834/posts> and pedos, scumlims all push the "right" to have sex with whoever or whatever as if it were the same kind of right as the right to life; when clearly it is not. No one has the right to commit actions that are inherently harmful to themselves and others, they might CHOOSE to do so anyway! BUT it is NOT a "right", no more than any other criminal act. <https://www.facebook.com/notes/michael-swenson/contrasts-and-conflicts/823997797679181> The reason why the depraved try so hard to get rid of God and His Commandments, is they WANT the "right" to do wickedly WITHOUT consequences; when no one has such a right and never will. <https://www.facebook.com/notes/michael-swenson/why-care/814117475333880> sexual perversion of any kind (homosexuality, provably opens the door to them all); because doing away with any of the absolutes defined by our Creator does away with them all. Either the ONE TRUE GOD can be known and is the ABSOLUTE DEFINER of right and wrong behavior; OR people can argue that NO ONE is and lawlessness, chaos and bloodshed erupts as all history and current events prove. <https://www.facebook.com/notes/michael-swenson/why-care/814117475333880>

[https://www.youtube.com/watch?v=I\\_To-cV94Bo](https://www.youtube.com/watch?v=I_To-cV94Bo) - you need to be smacked HARD if you dare denigrate Christians and the God of the Holy Bible and His Followers with the evil that FORCED them to take up arms in order to stop such horrendous atrocities on earth! The Christians and godly righteous persons are who you need to THANK you weren't RAPED REPEATEDLY as a small child and enslaved thereafter! <https://www.youtube.com/watch?v=ms9NrdiJHRA> letting these demons into Christian

nations is TREASONOUS!<https://www.facebook.com/notes/michael-swenson/america-is-under-attack/699844766761152>

delusional and/or deceitful muslims like to CLAIM all the islamic terrorists attacks and islamic atrocities and human rights violations are not representative of islam BUT: 1) muhammad did such atrocities 2) his followers did such atrocities 3) 1400 years of such atrocities all done by muslims 4) quran, suras, hadiths teach such atrocities 5) muslims are taught to lie to non-muslims 6) muslims are taught to murder non-muslims 7) the leader of islam taught and did such evil, the followers of islam throughout history to this very day also teach and do such evil THEREFORE:

conclusion! from the foundation of islam to this day it is clearly provably evil and satanic.

<https://www.facebook.com/.../islam.../747974835281478> it is safe to say they have been deceived or brainwashed. <https://youtu.be/kJKJM36IMTE?t=1078> according to experts IT IS VERY DANGEROUS TO ALLOW CHILDREN TO BE BRAINWASHED and the longer they remain in a cult, the MORE DIFFICULT it is to deprogram them! MEANING Christian nations SHOULD NEVER, EVER, EVER allow their children to be subjected to satanic worldviews in public education, until they have matured enough to understand their lying ways and properly dismiss such evil nonsense handily themselves!<https://www.facebook.com/.../satanilevil.../633572213388408> and<https://www.facebook.com/notes/michael-swenson/teach-the-children-truth-teach-them-well/515687638510200>

Another troubling incident of saber rattling by Russia. New reports that two Russian nuclear-capable bombers intruded the U.S. air defense zone near Alaska last week. That's according to defense officials who say that unlike most earlier incursions, no American interceptor jets were dispatched to shadow them.

[Michael Swenson](#) the pre-trib rapture false doctrine seems to be contributing to a lack of proper response from Christians in America against the rising antichrists that are threatening not just our freedoms, but our lives and that of our children. the doctrine seems to put Christians in a false wishful notion of floating away and letting devils destroy our nation and the world; instead of facing them and arresting them like we should be doing. I have a problem with it, a BIG problem. Namely the One True GOD is LORD of Heaven and earth; the fullness of it belongs to HIM; not the devil and his demonic horde! The Earth is the Lord's

1A Psalm of David. The earth is the LORD'S, and all it contains, The world, and those who dwell in it. <http://biblehub.com/psalms/24-1.htm> references to the wicked and perverse "god of this world" is toward those who choose to perish! (in other words the enemies of GOD, YAHOSHUAH choose the devil, allah, and his other aliases, to be their god. And they WILL NOT dominate earth! IT BELONGS to GOD! THE ONE TRUE GOD! but their god does dominate their delusions in their minds THINKING to supplant God and His Children, who are the RIGHTEOUS inheritors of earth! <http://biblehub.com/matthew/5-5.htm> too many Christians have been deceived by end time doctrines; not fully recognizing that CHRIST and HIS WORDS are conquering the demons presently on earth; to the END that the devils will perish while the troops of GOD TRIUMPH!!!!!!!!!! The Seventh Trumpet

15Then the seventh angel sounded; and there were loud voices in heaven, saying, "The kingdom of the world has become the kingdom of our Lord and of His Christ; and He will reign forever and ever." 16And the twenty-four elders, who sit on their thrones before God, fell on their faces and worshiped God, Christ's Coming

...7and to give relief to you who are afflicted and to us as well when the Lord Jesus will be revealed from heaven with His mighty angels in flaming fire, 8dealing out retribution to those who do not know God and to those who do not obey the gospel of our Lord Jesus. 9These will pay the penalty of eternal destruction, away from the presence of the Lord and from the glory of His power, [http://biblehub.com/2\\_thessalonians/1-8.htm](http://biblehub.com/2_thessalonians/1-8.htm) The wise will inherit all things including planet earth, it is the wicked who are to be removed from it. (islam and all satanic worldviews will NEVER dominate this planet!) A New Heaven and a New Earth

...6Then He said to me, "It is done. I am the Alpha and the Omega, the beginning and the end. I will give to the one who thirsts from the spring of the water of life without cost. 7"He who overcomes will inherit these things, and I will be his God and he will be My son. 8"But for the cowardly and unbelieving and abominable and murderers and immoral persons and sorcerers and idolaters and all liars, their part will be in the lake that burns with fire and brimstone, which is the second death." 40"So just as the tares are gathered up and burned with fire, so shall it be at the end of the age. 41"The Son of Man will send forth His angels, and they will gather out of His kingdom all stumbling blocks, and those who commit lawlessness, 42and will throw them into the furnace of fire; in that place there will be weeping and gnashing of teeth.<http://biblehub.com/matthew/13-41.htm> WHEN THE GOD OF GLORY RETURNS THEN YOU CAN BEAT YOUR SWORDS INTO PLOWSHARES BUT UNTIL HE DOES NOW IS THE TIME TO BEAT YOUR PLOWSHARES INTO SWORDS! The wicked are seeking to exterminate the Righteous, let the Righteous Rise Up In the POWER and COURAGE of GOD and cure them of their madness!!!!!!!!!! <https://www.facebook.com/notes/michael-swenson/the-weapons-of-our-warfare/578505248895105>

**Michael Swenson** This is what needs to happen in every state and region, people who are able and like minded must get together and realize the wicked persons who are betraying Americans (our current treasonous politicians, educators and media personalities are all controlled by one common factor (their own greed, ambitions and delusions) which at this point are so great it will take armed patriots to depose them. Their crimes are notorious enough to justify their executions. What must happen afterward is the retaking of the federal reserve from the satanic NWO control and thereby retake control of education, media, military and police powers. Only with people who are DETERMINED and will REMAIN to reestablish proper public elections FROM not the two party system (the rich, greedy, criminals kowtowing to anyone who fills their bank accounts), but from the common masses! Only such persons of honor, and integrity are fit to serve in public office, all criminals as we have today MUST be forcefully arrested and an armed guard in place while our nation regains its proper heritage and standing.<https://www.facebook.com/notes/michael-swenson/america-is-under-attack/699844766761152> these are the factors taking us down, sell-out politicians, educators and mainstream media personalities and they are selling out to any wealthy interests (oil rich sharia nations is buying them up like hot cakes; which is why they are suddenly all so chummy with islam.<https://www.google.com/search...> the satanic NWO is sitting back and watching the dust settle as they instigate the poor into fighting each other through racism, foreign invasion, and conflicting ideologies like demonic islam against delect Christianity.) in other words the scum are attacking us in ALL these way right NOW and it is past time to FIGHT BACK!<https://www.facebook.com/notes/michael-swenson/strategies-of-war/674592165953079> and <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> and <https://www.facebook.com/notes/michael-swenson/islam-is-devil-worship/841353649276929> We MUST <https://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948> Success in that area would be by those who would work with the

media to tell Americans they absolutely have every right to arm themselves and defend themselves, any rioting or looting would be dealt with by issuing a shoot to kill, make my day emergency decree via the main stream media while our nation adjusted and made ready for fair public elections carefully monitored so no tampering or fixing. We shut down the criminals like JFK intended before they murdered him by taking control of the central banks, freezing all their assets and again by media, issuing world's most wanted warrants for all those involved in the satanic NWO. anyone aiding and abetting those most wanted criminals would be subject to execution. I tell what needs to be done in my notes, it will take brave souls to make history and save our nation. Brave, Courageous, Praying souls, like those who founded America to begin with! <https://www.facebook.com/notes/michael-swenson/why-care/814117475333880> and <https://www.facebook.com/notes/michael-swenson/americans-and-citizens-of-the-world-freedom-and-life-comes-from-god/748905988521696> May GOD be with all such persons now and forever and Give them the Victory!!!!!!! The satanic NWO wants to start WWIII and depopulate the world by billions; it is up to the billions to STOP them!!!!!!!<https://www.facebook.com/notes/michael-swenson/solutions/516489485096682> and <https://www.facebook.com/notes/michael-swenson/more-perspective-why-i-am-sounding-the-trumpet/818295364916091>

BREAKING: FOX News has confirmed that the Obama Administration ran guns from Benghazi to Syria before the attack on the U.S. consulate in Benghazi on September 11, 2012 that killed Ambassador Chris Stevens and 3 other Americans.

The report reveals that U.S. Intelligence agencies were fully aware that weapons were moving from the terrorist stronghold in Libya to Syria before the attack that killed four Americans. It also ties the attack to the 9-11 terrorist attacks, and puts to rest the Obama/Clinton narrative that the attack was a "spontaneous demonstration caused by a YouTube video." WATCH BELOW!

**Michael Swenson** <https://www.youtube.com/watch?v=LjGxvCc3qE> - while anti-colonialism and anti-American values play a part in obama's actions, the presentation is actually dissemination of misinformation about obummer's heritage and obvious ideologies. obummer has brought in islam to the west and his own words thinks the islamic call to prayer is the most beautiful thing he has ever heard. obummer is an illegal infiltrator practicing deception to bring down the western Christian civilization. he is an antichrist and an enemy of America and Americans and should be forcefully removed from office and executed for treason if he actually is an American at all, or executed as an enemy of America who has aided enemy nations and threatened the lives of hundreds of millions of Americans by bringing in enemies to our nation and people and not just bringing them here but placing them in power and authority over Americans. the presentation is good in that it points out regardless of obummer's spiritual past, his thoughts and mindset is to bring America down in any way possible and as such must be removed from office and our nation immediately.

[Michael Swenson](#) If Christians seem to weigh heavily on the subject of sexual immorality and perversion, in the areas of homosexuality, pedophilia, bestiality and the likes of such depravity as has been the downfall of civilizations; the incineration of some <https://www.google.com/search...> it is because SUCH IMMORALITY and DEPRAVITY has preceded SUCH DEVESTATION. Divorce to a degree and for the right reasons is allowed, a tragedy of sin, but allowed; whereas condoning such incredible insanity as smearing feces on ones genitals and calling it love is NOT. there is NOTHING commendable about the abominable acts being done these days by persons who care so little about their own souls, let alone the rest of the world and frankly, such maniacs deserve only prison along with other criminals until and unless they come to their senses. <http://sonsoflibertymedia.com/.../founding-fathers.../> people are becoming DISGUSTING, and you want to give them respect? <https://www.google.com/search...> I will respect a soul when and if it is deserved, when and if they actually repent of such incredible madness, and receive the ONE TRUE GOD, JESUS CHRIST as their Lord and Savior; until then such wicked persons, representing the ruin and downfall of civilization; of sanity and all virtues, have my utter contempt, disdain and vehement abhorrence. <https://www.facebook.com/notes/michael-swenson/more-perspective-why-i-am-sounding-the-trumpet/818295364916091>

**Michael Swenson** [http://www.slate.com/.../cake\\_wars\\_oregon\\_did\\_not\\_gag\\_an...](http://www.slate.com/.../cake_wars_oregon_did_not_gag_an...) more and more authorities are becoming treasonous as they attempt to coddle criminals at the persecution and suffering of the righteous. this article if it has accurately cited a supposed law in Oregon proves that the gag order is in effect by law; AN ILLEGAL LAW AT THAT violating the United States Constitution: "That presents a new legal wrinkle, since under Oregon law, businesses may not "publish, circulate, issue or display" any "communication, notice, advertisement or sign of any kind" that suggests they will turn someone away because of their identity. It's this law that prevents a hotel from declaring on its website "no interracial couples." An individual hotelier, of course, retains his private First Amendment right to preach about God's intent to separate the races—as the trial judge in Loving v. Virginia did. But when he's speaking publicly in his official capacity as a hotelier, he may not declare that his business will refuse service to the public based on their identity." such a law is revolutionary and a call to arms for all American Patriots. So your article actually manifests a far more serious offense than just one antichristian judge who has lost all sense of proper judgment and is in fact treasonous as a result, but a more pervasive problem that many people these days are attempting to make what is CLEARLY illegal, legal; to the harm of decent lawful citizens pervasively.

The picture is of the five first line US nuclear carriers docked together in one place.

Just like Battleship Row, Pearl Harbor , December 7, 1941.

This picture was taken in February 2014 in Norfolk , Virginia. Obama ordered 5 nuclear carriers into harbor for "routine" (?) inspections. Heads of the Navy were flabbergasted by the directive but had to comply as it was a direct order from their Commander-in-Chief.

The carriers were all pulled out from the MIDDLE EAST and the Afghanistan support role leaving our land forces naked and exposed without the air support needed to carry out their missions.

NORFOLK, VA. (February 8, 2014). This is the first time since WWII that five aircraft carriers were docked together. (These are all nuclear carriers).USS Dwight D. Eisenhower (CVN 69),  
USS George H.W. Bush (CVN 77),

USS Enterprise (CVN 65),  
USS Harry S. Truman (CVN 75),  
and USS Abraham Lincoln (CVN 72)

These are all in port at Naval Station Norfolk, Va., the world's largest naval station.

Knowledgeable sources stated that this breached a long standing military protocol in the Navy meant to avoid a massive enemy strike on major US forces.

(U.S. Navy photo by Chief Mass Communication Specialist Ryan J. Courtade/Released).

This ordering of most of the Navy's capitol ships into one place is unprecedented since Pearl Harbor!

Since Barack Obama has been in the White House, high ranking military officers have been removed from their positions at a rate that is absolutely unprecedented. Things have gotten so bad that a number of retired generals are publicly speaking out about the 'purge' of the U.S. military that they believe is

taking place. As you will see below, dozens of highly decorated military leaders have been dismissed from their positions over the past few years. So why is this happening? What is going on right now is absolutely crazy especially during a time of peace. Is there a deliberate attempt to reshape the military and remove those who don't adhere to the proper 'viewpoints' ? Does someone out there feel a need to get officers that won't cooperate out of the way?

Throughout world history, whatever comes next after a military purge is never good. If this continues, what is the U.S. military going to look like in a few years? Perhaps you are reading this and you think that 'purge' is too strong a word for what is taking place.

Well, just consider the following quotes from some very highly decorated retired officers:

Retired Army Major General Paul Vallely:

The White House protects their own. That's why they stalled on the investigation into fast and furious, Benghazi and Obamacare. He's intentionally weakening and gutting our military, Pentagon and reducing us as a superpower, and anyone in the ranks who disagrees or speaks out is being purged.

Retired Army Major General Patrick Brady:

There is no doubt he (Obama) is intent on emasculating the military and will fire anyone who disagrees with him.

Retired Army Lt. General William G. Jerry Boykin:

Over the past three years, it is unprecedented for the number of four-star generals to be relieved of duty, and not necessarily relieved for cause.

Retired Navy Captain Joseph John: I believe there are more than 137 officers who have been forced out or given bad evaluation reports so they will never make Flag (officer), because of their failure to comply to certain views.

A Pentagon official who asked to remain nameless, because they were not authorized to speak on the matter said: Even young officers, down through the ranks have been told not to talk about Obama or the politics of the White House. They are purging everyone and if you want to keep your job just keep your mouth shut. Now this trend appears to be accelerating.

General Vallely's comment:

Coincidence? Every communist regime on the planet did this as soon as they gained power. I am doing my part by sending this email, I hope you will do the same.

Paul (General Paul) Vallely

We all know that the celestial pimp, also known as Allah, promises pious Muslims with virgins to have sex with in his celestial red-light district whore house. But what you might not know is the age of those sex mermaids. Well, the following are the literal words of Quran, which clearly says that these virgins are those who have their breasts protrude, aka, little girls!

Since the words are really strong and they simply mean what they mean, it seems that those who translated Sahih International and other versions to English, refused to translate some words, or the exact meaning, because they might not seem appropriate. You can go to the link below and select your own language, or select your favorite English translation from the website itself! The word I'm referring to is:

كواعب

<http://quran.com/78/31-36>

ما فزالا لم تدين إن  
وأعنا باحدائق

أت رابا وكواعب  
دهلقا وكأ سا  
كذابا ولا لغواف يها ي سمعون لا  
حسابا اعطاء ربك من جزاء

Indeed, for the righteous is attainment  
Gardens and grapevines  
And full-breasted [companions] of equal age  
And a full cup  
No ill speech will they hear therein or any falsehood  
[As] reward from your Lord, [a generous] gift [made due by] account,

An-Naba 78:31-36, English - Sahih International

كواعب

literally (kawa'eb) is the plural of (ka'eb) or (كاعب), not that I'm inventing things, but I'm bringing the meaning from this Islamic page that tries to justify this pedophilia <http://islamqa.info/ar/193409> and it says:

"ثديها نأتا" التي وهي (كاعب) جمع أنها (كواعب) لكلمة الحرفية الترجمة إن

The literal translation for kawa'eb which is the plural if ka'eb is "her breast has protrude"

So, in short, Allah will give pious male Muslims, identical copies of little girls who barely had their breasts protrude, and alcohol (from the word كأ سا), and nothing is mentioned what would Allah give female pious Muslims, I wonder why, can you have an educated guess? And you wonder why these people do not have any problem marrying off their children at very early ages, as early as 9! If Muhammad did it, and Allah will give you plenty of them!

The image says:

Kawa'eb that Quran means are little girls

Ka'eb is the little girl who's breasts start to protrude, and Atraab means identical copies

Does the author if these words deserve respect?

14 Americans victims to 2 acts of vicious terrorism in the USA in one month - they sure did not deserve to be massacred and neither did their families deserve this lifelong heartbreak.

In the last month – 9 massacred in a Church in South Carolina and 5 massacred at a military site in Tennessee – all innocents gunned down

As we grieve for the 14 murder victims, we have to ask ourselves, what didn't people see? And this is not to make people wrong who knew the murderers or spent time with them but rather to try step up our vigilance. There are always signs leading up to these vicious crimes and signs that none of us wants to admit after the fact of these horrible murders.

No one wants to turn someone in who may have innocent intentions...no one wants to over react and no one wants to step on civil rights but what about the victims? Where and how do we draw that line? We can't protect from all crime , all vicious intentions, and all acts of violence but we probably could do better. We should at least try to do better. Mourning with the victims' families is just not enough.

We need to have a national dialogue to figure out how best to try to avoid or at least minimize the risk of these terrible injustices to innocent people and their families. There are no easy answers and no perfect ones but we can't take the easy way out and look the other way. We need to be talking more to each other...working on this.

And no, I do not have the answers, but I sure know a problem when I see one.

The video is SHORT & excellent, even if the cover is black and boring.

That there are Radical or Moderate Moslems is a MYTH. ALL share the same Islam & can turn jihadi killer at any time at the inspiration of a verse or imam. With ISIS they are the best and most conforming of moslems because they carry out the Psychopath Mohamd's mandates to the verse and letter, especially since it makes a jihadi the best moslem.

ALL moslems must participate in the Pillar of Jihad, either thru the sword, by giving money, or by creating propaganda/lies. It is the way to further world domination, the caliphate, Islam's main objective.

Moslems are not in any country to enjoy democracy, they are here to invade, infiltrate the government and take over. Another type of Jihad is breeding jihad, and moslems say they will win thru the wombs of their women. Again, this is all for the caliphate.

[Tony Coty](#)

[July 28, 2015](#) ·

Someone added me to a secret Facebook group, so it shall remain secret, and one of the posts whose author I will not share, did some interesting research which everyone should get familiar with, its about how the slow process of muslim takeover of nations works. Its very interesting, and with interesting statistics. Please SHARE

Again, I am not the author of this article, just sharing it.

-----  
The Muslim takeover

We can look forward to this: As long as the Muslim population remains around 1% of any given country they will be regarded as a peace-loving minority and not as a threat to anyone. In fact, they may be featured in articles and films, stereotyped for their colorful uniqueness: United States -- Muslim 1.0%  
Australia -- Muslim 1.5% Canada -- Muslim 1.9%  
China -- Muslim 1%-2%  
Italy -- Muslim 1.5%  
Norway -- Muslim 1.8%

At 2% and 3% they begin to proselytize from other ethnic minorities and disaffected groups with major recruiting from the jails and among street gangs:

Denmark -- Muslim 2%  
Germany -- Muslim 3.7%

United Kingdom -- Muslim 2.7%

Spain -- Muslim 4%

Thailand -- Muslim 4.6%

From 5% on they exercise an inordinate influence in proportion to their percentage of the population.

They will push for the introduction of halal (clean by Islamic standards) food, thereby securing food preparation jobs for Muslims. They will increase pressure on supermarket chains to feature it on their shelves -- along with threats for failure to comply. ( United States ).

France -- Muslim 8%

Philippines -- Muslim 5%

Sweden -- Muslim 5%

Switzerland -- Muslim 4.3%

The Netherlands -- Muslim 5.5%

Trinidad &Tobago -- Muslim 5.8%

At this point, they will work to get the ruling government to allow them to rule themselves under Sharia, the Islamic Law. The ultimate goal of Islam is not to convert the world but to establish Sharia law over the entire world.

When Muslims reach 10% of the population, they will increase lawlessness as a means of complaint about their conditions ( Paris --car-burnings). Any non-Muslim action that offends Islam will result in uprisings and threats ( Amsterdam - Mohammed cartoons).

Guyana -- Muslim 10%

India -- Muslim 13.4%

Israel -- Muslim 16%

Kenya -- Muslim 10%

Russia -- Muslim 10-15%

After reaching 20% expect hair-trigger rioting, jihad militia formations, sporadic killings and church and synagogue burning:

Ethiopia -- Muslim 32.8%

At 40% you will find widespread massacres, chronic terror attacks and ongoing militia warfare:

Bosnia -- Muslim 40%

Chad -- Muslim 53.1%

Lebanon -- Muslim 59.7%

From 60% you may expect unfettered persecution of non-believers and other religions, sporadic ethnic cleansing (genocide), use of Sharia Law as a weapon and Jizya, the tax placed on infidels:

Albania -- Muslim 70%  
Malaysia -- Muslim 60.4%  
Qatar -- Muslim 77.5%  
Sudan -- Muslim 70%

After 80% expect State run ethnic cleansing and genocide:

Bangladesh -- Muslim 83%  
Egypt -- Muslim 90%  
Gaza -- Muslim 98.7%  
Indonesia -- Muslim 86.1%  
Iran -- Muslim 98%  
Iraq -- Muslim 97%

Pakistan -- Muslim 97%

OBAMA

I know there are some of you that are Democrats and love Obama, but this is for Christians first, politics later.

We each have to do what we think is right.

I do pray that it doesn't offend anybody with the truth of the message, but it has to be sent.

If your faith comes first and your politics later, then you will appreciate this message.

If you don't, I'm sorry I judged you wrong.

When we get 100,000,000, that's one hundred million willing Christians to BOND together, voice their concerns

and vote, we can take back America with God's help. Become one of the One hundred million...

Then let's get 200 million. It can be done just by sending this email to your friends.  
Do the math. It only takes a single willing heart and a fed up SOUL.

In 1952 President Truman Established one day a year as a "National Day of Prayer."

In 1988 President Reagan Designated the first Thursday in May of each year as The National Day of Prayer.

In June 2007 (then) Presidential Candidate Barack Obama Declared that the USA "Was no longer a Christian nation."

In 2009 President Obama canceled the 21st annual National Day of Prayer ceremony at the White House under the ruse of "not wanting to offend anyone"

HOWEVER... On September 25, 2009 From 4AM until 7 PM, A National Day of Prayer FOR THE MUSLIM RELIGION Was Held on Capitol Hill, inside the White House.

There were over 50,000 Muslims In D.C. that day. PRESIDENT OBAMA PRAYS WITH THE MUSLIMS!

I guess it doesn't matter if "Christians" were offended by this event - We obviously don't count as "anyone " anymore.

Now President Obama is encouraging schools to teach the Quran for extra credit, while at the same time, they cannot even talk about the Bible, God, pray, or salute the American Flag.

The direction this country is headed should strike fear in the heart of every Christian , especially knowing that the Muslim religion believes that if Christians cannot be converted, they should be annihilated , ie: wiped completely out.

Why are illegal immigrants given incentives and assistance by the U.S. government to invade American soil? Why are dangerous criminals released back into the country after committing heinous crimes against Americans?

Guess who is behind this push to destroy the United States and turn it into a third world nation? YOU WOULD BE RIGHT IF YOU SAID THE LEFTIST PROGRESSIVE CABAL.. TRYING TO CONVERT AMERICA INTO A THIRD WORLD COUNTRY.. WHY?? BECAUSE THEY CAN CONTROL THESE PEOPLE!

The argument that Illegals commit crimes at the same rate as legal residents is a BULLSHIT ARGUMENT.

We do not need double the trouble particularly when the illegals are breaking the LAW!

BREAKING: FOX News has confirmed that the Obama Administration ran guns from Benghazi to Syria before the attack on the U.S. consulate in Benghazi on September 11, 2012 that killed Ambassador Chris Stevens and 3 other Americans.

The report reveals that U.S. Intelligence agencies were fully aware that weapons were moving from the terrorist stronghold in Libya to Syria before the attack that killed four Americans. It also ties the attack to the 9-11 terrorist attacks, and puts to rest the Obama/Clinton narrative that the attack was a "spontaneous demonstration caused by a YouTube video." WATCH BELOW!

Excerpts from an Associated Press article today: Dozens of billboards are sprouting nationwide, proclaiming the true message of Islam and Muhammad: "Peace and Justice" ... "Love not Hate". The Islamic Circle of North America (ICNA) has erected 100 billboards with statements such as: "Muhammad believed in peace, social justice, women's rights" ... "Muhammad always taught love, not hate; Peace not Violence." These billboards have been placed in: Boston, New York, Phoenix, San Diego, El Paso, Austin, Memphis, Cleveland, Las Vegas, Milwaukee, North Bergen (NJ), Portland, Harrisburg (PA), Denver, and other cities.

This is outrageous! The group behind this, ICNA, is a Muslim Brotherhood organization. Their ideology is one of violence—it originated as a violent ideology of jihad against non-Muslims and it continues to be violent ideology to this day.

These billboards are lies. These lies are propaganda meant for those Americans who are still unaware that Islam is not peaceful. This outrageous propaganda is meant for those who still believe Muslim rhetoric spread by CAIR and other Muslim Brotherhood groups. This is very dangerous propaganda because people still believe it!

It is stated throughout the Quran and in Muhammad's teachings that:

Non-Muslims are to be fought until they are either killed or forced to acknowledge their inferior status by either converting to Islam or paying a tax. If they choose to pay the tax they are then forced to accept the second place standing of their own religion as well as a second place standing as citizens in their own native country.

Furthermore: There are no human rights in Islam. No human rights or equality can possibly exist in Islam because the Quran is laid out explicitly stating that people are NOT equal.

There is no other religion that devotes such a large part of its holy text condemning and dehumanizing those who do not follow its ideology.

61% of the Quran is about non-Muslims and continuously makes a distinction between non-Muslims and Muslims, most often with words of hatred and violence.

19% of the Quran is devoted to the violent conquest and subjugation of non-Muslims.

The Quran contains well over 100 verses that call Muslims to war (jihad) with non-Muslims for the sake of Islamic rule and stresses the implementation of Islamic Law on all people throughout the world. The Quran warns that Allah will send Muslims to Hell if they do not participate in jihad and the goal of implementing Islamic Law on all people.

All practicing Muslims must follow the ideology laid out for them in the Quran and the teachings of Muhammad. This means, without a doubt, that they must follow an un-peaceful and violent system of war against non-Muslims. Muslims are taught, via the Quran and the teachings of Muhammad, that they are superior to non-Muslims. Non-Muslims are considered "slave-status". If they pay a tax, they are allowed to exist. But they can be killed or tortured by a Muslim at any time and it is not considered a crime according to Islamic ideology.

The Quran teaches hatred, violence, torture and inhumane treatment of non-Muslims. Various verses in the Quran state that non-Muslims must be beheaded, crucified, burned to death, have their arms and legs torn off, or have their right hand and left foot cut off. Muhammad's life was a continuous series of conquests, torture, violence and booty-taking, including taking people as "booty" and using them as slaves. Mohammad is quoted as saying: "To wage jihad is one of the greatest things a Muslim can do." Mohammad's behavior is used as a role model to all Muslims. He is considered to be the "ideal" Moslem.

Mohammad did not teach “love”, nor did he teach “peace”. These billboards are meant to silence critics—but the critics are the ones who are telling the truth about Islam and the teachings of Islam.

Here is something urgent that you must understand. Islamic Doctrine regarding IMMIGRATION:

According to the teachings of Mohammad, the main principle for a Muslim community in a non-Muslim country is that it must be separate and distinct (in other words—do not assimilate). Mohammad outlined the rules for Muslims who immigrate. Muslims must form a separate body and keep their own laws and eventually make the host country comply with Islamic laws.

Mohammad’s teachings forbid Muslims to immigrate to a non-Muslim country if they are doing it to pursue the goal of their own personal gain. But if they immigrate with the ultimate goal of spreading Islam and making Islam victorious, then they are allowed personal gain. Mohammad said that Muslims who immigrate should never integrate with the native society. Muslim immigration is considered to be a transitional period of preparation for changing the native society from an open society to an Islamic society.

Some of these billboards say Islam teaches “Love not Hate”. Hatred is taught throughout the Quran and is one of the major themes. Even the 5 daily prayers contain words of hatred towards Christians and Jews. Some of the billboards say: “Peace and Justice”. According to the Quran and Islamic Ideology, there cannot be peace in the world until all people are Muslim. And to get to the point where all people are forced to convert to Islam there must be jihad—so again—there cannot be “peace” as long as there are any non-Muslims left in the world. And Justice? The Quran outlines that not only are people not equal, which is an injustice in itself, but it instructs Muslims to do the most inhumane and un-just acts imaginable. ISIS is following the Quran and the teachings of Muhammad to a tee. ISIS does exactly what is outlined in Islamic ideology.

These billboards are blatant lies in order to further the Muslim agenda. Liberals and others will stand behind Muslims when they cry “racism” or “prejudice” or whenever we try to stop them from removing crosses from our Christian universities or when we try to stop them from building a mega mosque in a residential neighborhood. These billboards are part of their strategy.

Warriors are those who choose to stand between their enemy and all that they love or hold sacred.

Democide, 'Death by Government' killed almost 300 million people this last century, those were non combatants, University of Hawaii Study.

1. In 1911, Turkey established gun control. From 1915-1917, 1.5 million Armenians, unable to defend themselves against their ethnic-cleansing government, were arrested and exterminated.
2. In 1929, the former Soviet Union established gun control as a means of controlling the “more difficult” of their citizens. From 1929 to the death of Stalin, 40 million Soviets met an untimely end at the hand of various governmental agencies as they were arrested and exterminated.
3. After the rise of the Nazis, Germany established their version of gun control in 1938 and from 1939 to 1945, 13 million Jews, gypsies, homosexuals, the mentally ill, and others, who were unable to defend themselves against the “Brown Shirts”, were arrested and exterminated. Interestingly, these “Brown Shirts” were eventually targeted for extermination themselves following their blind acts of allegiance to Hitler. Any American military and police would be wise to grasp the historical significance of the Brown Shirts’ fate.
4. After Communist China\* established gun control in 1935, an estimated 50-60 million political dissidents, unable to defend themselves against their fascist leaders, were arrested and exterminated. (\*Chinese Nationalist Party, because of this event, soon became.)

5. Closer to home, Guatemala established gun control in 1964. From 1964 to 1981, 100,000 Mayans, unable to defend themselves against their ruthless dictatorship, were arrested and exterminated.

6. Uganda established gun control in 1970. From 1971 to 1979, 300,000 Christians, unable to defend themselves from their dictatorial government, were arrested and exterminated.

7. Cambodia established gun control in 1956. From 1975 to 1977, one million of the “educated” people, unable to defend themselves against their fascist government, were arrested and exterminated.

8. In 1994, Rwanda disarmed the Tutsi people and being unable to defend themselves from their totalitarian government, nearly one million were summarily executed.

The total number of people killed in the 20th century due to democide, death by government, is fixed at 262 million people. Each and every action of democide was preceded by gun confiscation.

See a pattern? <http://www.hawaii.edu/powerkills/20TH.HTM>

If you are for gun control, then you are not against guns, because the guns will be needed to disarm people. So it's not that you are anti-gun. You'll need the police's guns to take away other people's guns. So you're very Pro-Gun, you just believe that only the Government (which is, of course, so reliable, honest, moral and virtuous...) should be allowed to have guns. There is no such thing as a gun control. There is only centralizing gun ownership in the hands of a small political elite and their minions.

2. Russia claims to be in Syria to fight ISIS and Al Qaeda. To do this they are actually bombing ISIS and Al Qaeda.
3. Syria asked the Russians for help
4. Syria did NOT ask the US for help.

**General Black Jack Pershing** was born September 13th, 1860 near Laclede, MS, he died July 15th, 1948 in Washington, D.C. Highlights of his life include:

- 1891 Prof. of Military Science and Tactics Univer. of Nebraska
- 1898 Serves in the Spanish-American War
- 1901 Awarded rank of Captain
- 1906 Promoted to rank of Brigadier General
- 1909 Military Governor of Moro Province, Philippines
- 1916 Made Major General
- 1919 Promoted to General of the Armies
- 1921 Appointed Chief of Staff
- 1924 Retires from active duty Education West Point.

Just before World War I, there were a number of terrorist attacks on the United States forces in the Philippines by Muslim extremists. So General Pershing captured 50 terrorists and had them tied to posts for execution. He then had his men bring in two pigs and slaughter them in front of the now horrified terrorists. Muslims detest pork because they believe pigs are filthy animals. Some of them simply refuse to eat it, while others won't even touch pigs at all, nor any of their by-products. To them, eating or touching a pig, its meat, its blood, etc., is to be instantly barred from paradise (and those virgins) and doomed to hell. The soldiers then soaked their bullets in the pigs blood, and proceeded to execute 49 of the terrorists by firing squad. The soldiers then dug a big hole, dumped in the terrorist's bodies and covered them in pig blood, entrails, etc. They let the 50th man go. And for the next forty-two years, there was not a single Muslim extremist attack anywhere in the world. Maybe it is time for this segment of history to repeat itself, maybe in Iraq? The question is, where do we find another Black Jack Pershing?

Immediate action request to:

Mitch McConnell - Senate Majority Leader

Frank J. Larkin - Sergeant at Arms United States Senate

Paul Ryan - Speaker of the House

Paul D. Irving - Sergeant at Arms United States House of Representatives

I call for the immediate arrest of President Barack Hussein Obama aka Barry Sortero aka Barry Obama aka Barack Hussein Sortero for the crime of treason.

For repeatedly subverting the constitution of United States of America.

For aiding and abetting our enemies, by giving aid, comfort, material and financial support. For signing into law measures which were not legally passed by congress. For illegally selling weapons of war in Libya to Syrian terrorists now known as ISIS aka ISIL. For engaging in an illegal war in Libya, against the war powers act, and without the authorization of the United States Congress. For implementing rules of engagement for the US Military designed to allow enemies of the United States to continue operations against the US and it's allies.

For felony fraud by providing fraudulent documents concerning his eligibility to hold the office of president. For providing a forged Hawaiian birth certificate. For fraud committed against the Social Security Administration by using a social security number that does not belong to him. For identity theft against one Harrison J. Brunnel (now deceased) whose social security number Obama has been fraudulently using. For blatant fraud in misstating the scope, cost, and details of the Affordable Health Care and Patient Protection Act. If in fact Mr. Obama is a natural born US citizen, for fraud committed against Columbia University for enrolling and attending as a foreign student.

For blatantly violating federal law by allowing and insisting upon the admittance of individuals belonging to organizations who have declared the US as an enemy, access into the United States.

For illegally suppressing and sealing records of cabinet and judicial appointees.

For failure to instruct the Department of Justice to investigate and prosecute the theft of and/or misappropriation of five billion dollars from the US treasury under former Secretary of State Hillary Rodham Clinton. For failure to prosecute former Secretary Clinton for trafficking in classified information

For illegally using the IRS to suppress organizations whose views oppose his.

For illegally using the EPA to suppress free market commerce under the unproven belief of man made global warming.

For granting exemptions to the Affordable Health Care and Patient Protection Act to campaign contributors.

For illegally suspending the enforcement of federal laws on immigration. For illegally implementing de facto amnesty for illegal aliens via executive order. For releasing criminal illegal aliens back into the population of the United States.

For repeatedly attempting to infringe upon the 2nd amendment rights of US citizens to keep and bear arms.

For repeatedly attempting to infringe upon the 1st amendment rights of freedom of speech and freedom of religion of of US citizens.

For violating the Constitution by gathering personal information of US citizens without a warrant.

For violating nearly every condition in his oath of office.

I also call for the immediate removal of all cabinet, bureaucratic and judicial appointees made by President Obama, and that all policies, proclamations and judicial decisions made by said appointees be nullified.

This is but a short list of legal offenses committed by the sitting President and is by no means a complete account. Many more violations and crimes are sure to come to light once thoroughly and honestly investigated. His moral offenses also call into question his ability to hold the office of President and Commander in Chief.

Every single elected and appointed official, whether city, county, state or federal who has taken an oath of office, is bound by his or her oath of office to protect and defend the constitution of the United States of America against all enemies, foreign and domestic. Any and all officials who have failed to take action for the above offenses are in direct violation of their oaths of office.
