<https://www.youtube.com/watch?v=qx4jn77VKIQ> - (Note to Law Enforcement, Eric Cartman is NOT a role model to follow. He is NOT your poster child for abusing and oppressing citizens in the name of the "law"). WE THE PEOPLE HAVE NO PATIENCE OR TOLERANCE FOR RAPISTS, ROBBERS AND MURDERERS IN UNIFORM! CLEAN UP YOUR RANKS IN EVERY CITY, STATE AND NATION, OR WE THE PEOPLE WILL HAVE NO CHOICE BUT TO ASSUME YOU ARE ALL EITHER CRIMINALLY NEGLIGENT IN YOUR DUTIES OR ARE ALL CORRUPT (armed gangs of criminals in uniform)! (No more buddy, buddy covering up the crimes of the men in blue or your conspiracy makes you as guilty as the offender(s))!

Thank God not all cops are criminals, but the ones who are at least trying to enforce righteous laws need to clean out the criminals in your own ranks or it makes you all look bad; like a conspiratorial gang of dangerous offenders. IGNORING THE SERIOUS VIOLATIONS IN YOUR OWN RANKS IS HAVING THE EFFECT OF UNIVERSALLY ERODING AND EVEN DESTROYING LAW AND ORDER.

With a credo like this; it's a wonder it isn't from some prison gang:

DO THIS EVERYWHERE: <https://www.youtube.com/watch?v=YwwUxuBTzQs> As if we need a court ruling to tell us it is the right (and duty) of citizens to hold public officials accountable for their actions. <http://rt.com/usa/162272-police-film-appeals-court/>

We need more honorable men and women doing things like: <http://www.truthandaction.org/texas-cops-model-what-means-actually-peace-officer/>

TO PREVENT THIS FROM CONTINUING <http://thefreethoughtproject.com/state-law-hides-investigations-police-misconduct-real-numbers-staggering/>

<http://usuncut.com/news/1000-cops-lose-badges-for-committing-sexual-assault/> - we have a growing epidemic of crime by authorities in this nation and all over the world because we are raising generations of children who don't know GOD by LYING to them in public education and telling them they came from pondscum and monkeys instead of the fact that they are Divine Creations who will answer to our Eternal Creator for their deeds and choices they made during incarnation! LASTING rewards or lasting consequences!

**ALL HONORABLE AUTHORITIES YOU MUST CLEAN UP YOUR RANKS AND STOP COVERING UP FOR CRIMES BY THOSE IN UNIFORM OR THE PUBLIC WILL HAVE TO CONCLUDE THAT YOU ARE ALL CRIMINALS! I THANK GOD FOR MEN AND WOMEN OF HONOR AND INTEGRITY; BUT YOU MUST STOP THE WIDESPREAD CORRUPTION NOW; LEAVING SUCH CORRUPT OFFICIALS IN POWER IN GOVERNMENT AGENCIES AND IN PRECINCTS IS ABOUT THE MOST LIFE THREATENING SITUATION YOU CAN BRING UPON YOURSELVES AS CITIZENS WILL NOT BE ABLE TO TELL THE DECENT ONES FROM THOSE THAT HAVE BECOME NOTHING MORE THAN ARMED GANGS OF THE VERY WORST CRIMINALS!**

<http://www.thestar.co.uk/news/local/rotherham-dads-were-arrested-after-tracking-down-abusers-1-6807187> - when the government is full of rapists, robbers, and murderers and the police powers are their hired mercenaries, it falls to the people to take up arms and depose all these very worst criminals by force! If the cops defend the rapists, they are conspirators in that crime! (Send them all properly on their way to the everlasting flames of damnation!) LAW AND ORDER CANNOT BE MAINTAINED WHEN CRIMINALS ARE IN UNIFORM! THE ONLY WAY TO GAIN FREEDOM FROM SUCH EXTREME OPPRESSION IS TO DEPOSE ALL CRIMINALS IN GOVERNMENT BY FORCE! Anyone trying to prevent citizens from arresting/deposing rapists, robbers and murderers in uniform must be treated as a mortal adversary!

[https://www.youtube.com/watch?feature=player\\_embedded&v=8jUU3yCy3uI](https://www.youtube.com/watch?feature=player_embedded&v=8jUU3yCy3uI) - all of those law enforcement officers should have gone to prison for assault on innocent citizens. The citizens broke NO LAWS a couple was arrested just for hugging! I don't know what kind of brainwashing those cops have endured but it must've been pretty serious to make them think they can arbitrarily threaten and arrest innocent citizens. Regardless, the public needs to have the right to press charges against officers who violate our laws like these did. Furthermore, citizens should be able to hold them personally accountable for their actions (sue them and press charges and NOT at taxpayer expense!). ENOUGH OF THE DOUBLE STANDARDS!

First of all I want to thank God for each and every citizen who LOVES GOD OUR CREATOR AND RIGHTEOUSNESS, whether or not they are a member of government, law enforcement, military or in civilian occupations. If you are a person who esteems the Virtues of Righteousness, Honor, Integrity, Bravery, Love, Knowledge, Wisdom, Understanding and all those many other High Values that come from our Glorious Creator, Lord and Maker, then I praise you and your efforts at making the world a better place for us all to live in. But if you are an oppressor, criminal, someone who practices vices, deceit, evil, wickedness, whether or not you are in civilian occupations or uniforms; then you belong behind bars until you change your wicked ways!

I am not trying to make myself to be public enemy of cops in writing this letter. I am trying to address a very dangerous situation that is growing not only in America but worldwide. That situation is the result of increasing numbers of police officers and increasing amounts of police power; coupled with a departure from God's Holy Commandments. This is causing an increase in abuse of public trust and authority that threatens to plunge the whole world into anarchy and bloodshed. Decent cops are so "trained" they cannot see how much of the public is viewing them now; in understandably justified ways.

Take everyday occurrences. Cops swagger into local restaurants and I do mean swagger; fully armed, licensed to kill and the decent ones think they represent knights in shining armor; the "good guys" against the bad guys. (which could be anyone else on earth in their minds; but another armed and dangerous cop) They THINK unarmed citizens feel RESPECT for them as they swagger into diners, bars, donut shops; fully equipped to deal out death and destruction without consequence wherever and whenever. But increasingly all an unarmed citizen feels is the great gulf of inequality and disparity that exists between so called law enforcement and decent law abiding citizens. The swagger says more than just mere words, it is a representation that even they know, whether consciously or unconsciously, they enjoy a privileged status over citizens that was NEVER to exist by the foundational, constitutional, highest laws of the United States of America. Our founders fought for INDEPENDENCE FROM SUCH circumstances as common citizens suffer under today!

[https://www.google.com/search?q=what+happens+to+officers+who+cross+the+thin+blue+line&rlz=1C1G1GM\\_enUS535US535&oq=what+happens+to+officers+who+cross+the+thin+blue+line&aqs=chrome..69l57j13879j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=what+happens+to+officers+who+cross+the+thin+blue+line&rlz=1C1G1GM_enUS535US535&oq=what+happens+to+officers+who+cross+the+thin+blue+line&aqs=chrome..69l57j13879j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8) when corruption is so pervasive that decent cops are being fired; citizens MUST UNITE and WITH FORCE! WE CANNOT LET THIS KIND OF TYRANNY WORSEN!!!!!!!  
<https://www.facebook.com/notes/michael-swenson/police-state-prison-big-business-modern-slavery-by-design/619672408111722>

Overt disparities between cops and citizens automatically creates a privileged status for cops and an oppressed status for citizens.

Disparities like:

- 1) Weapons and body armor legal for cops; illegal for citizens.
- 2) Two sets of laws and rules in general: one for cops and one for citizens.

- Examples of this are a daily occurrence. Wrongful arrests if a cop kidnaps an innocent citizen. Whereas, if a citizen were so bold as to make A JUSTIFIED CITIZEN'S ARREST of a criminal cop(s), they put their life in danger to do so (not just from the criminal cops but the entire gang in blue who have been trained with an "us against them" mentality).
- Government and cops seize personal property daily at airports (and scenes of death) and never return the harmless items to those they STOLE such items from by strong-arm robbery or other ill-gotten means.
- far too many cops often seize/steal "illegal substances" like marijuana and cocaine or other "illegal drugs" from citizens only so they can use it themselves
- too many cops these days are too eager to trample the highest laws of our land underfoot, rights they treasure for themselves but deprive the rest of us. for example, if civilians were to show up unannounced at cops homes, or military homes, or politicians homes and break their doors down and yell "civilians!" with loaded weapons to bear, ready to shoot all occupants, how would they feel? But now it is done by IRS agents, enforcing oppressors who are robbing the public at will by treasonous criminals who are otherwise known as the illegally operating federal reserve corporate banksters, who have supplanted the rights of Americans to mint our own national currency and have enslaved us all thereby with a national debt that is impossible to pay back because every dollar put into our economy is LOANED to us by these wicked oppressors with INTEREST.  
<http://www.facebook.com/notes/michael-swenson/treatise-on-greed-and-corruption/517410181671279> so the corrupt politicians use this as a means to target the wealth of individual citizens and keep tabs on all assets that they seize by force at will anytime they choose.
- In addition we have incidents like Ruby Ridge, WACO, etc.<http://drtomoconnor.com/3410/3410lect06.htm> any time citizens feel the need to arm themselves and fight back against growing tyranny, and such outrageous actions of the military on American soil disarming citizens during the Katrina devastation; who were only trying to protect their own homes from being looted. NOT ONE soldier would want that done to them; but they did it to others. NOT ONE cop would want that done to them but they do it to others. NOT ONE politician would want that done to them but they do it to others. They have completely set aside our Constitutional Rights:

#### **Amendment IV**

**The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.**

#### **Amendment II**

**A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.**

**All persons enacting laws or attempting to enforce laws contrary (including judges who are changing historic interpretations of those laws to mean 180 degrees opposite original intent) to the US Constitution are violating the highest laws of our land and these high rights in**

**particular that threaten the very lives of citizens in an attempt to subvert these foundational constructs of our nation are, in fact, treasonous acts of war against all free Americans.**

the soldiers and police that seized weapons during Katrina by breaking into residences should have ended up DEAD as ENEMIES of the United States of America! And ANYONE doing so in the future, it is my sincere hope that such actions or attempts END IN THEIR JUST DEMISE!

- cops have been busted for all kinds of crimes of murder, battery, rape, soliciting sex acts instead of arrests or tickets, bribes, etc. for which citizens go to prison for many years; but criminal cops are often only given reprimands and allowed to remain criminals in uniform
- [https://www.google.com/search?q=cops+and+domestic+violence&rlz=1C1G1GM\\_enUS535US535&og=cops+and+domestic+violence&aqs=chrome..69i57j0l5.6055j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=cops+and+domestic+violence&rlz=1C1G1GM_enUS535US535&og=cops+and+domestic+violence&aqs=chrome..69i57j0l5.6055j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8)
- cops are trained to use comply or die tactics, deceitful inquisitions, perjury in court, and will often and arbitrarily abuse citizen's rights, not just the right to bear arms, but all our constitutional rights in the process of their daily activities; let alone interrogation procedures
- cops beat, spray, arrest even thousands of protesters, rather than defend them, whatever the wealthy want at the moment, like one set of conduct toward muslims in Dearborn, MI and another way of treating other citizens  
present [https://www.google.com/search?q=cops+defend+muslims+in+dearborn+persecute+christians&rlz=1C1G1GM\\_enUS535US535&og=cops+defend+muslims+in+dearborn+persecute+christians&aqs=chrome..69i57.12248j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=cops+defend+muslims+in+dearborn+persecute+christians&rlz=1C1G1GM_enUS535US535&og=cops+defend+muslims+in+dearborn+persecute+christians&aqs=chrome..69i57.12248j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8), or racial or other profiling due to political and popular trends of thought
- cop quotas - fill the coffers of the wealthy oppressors who show us these cops (doing such things) are but hired mercenaries who do NOT represent the public; but only the personal interests of the ultra wealthy who presently are destroying the world and are a real threat to all life on the planet (as my following notes below expose)
- the list goes on and on; until you get to outrageous offenses like the recent attempts by the black-ops, mass brainwashing, false flag operations of 911, Boston Bombing, Sandy Hook; etc. involving many corrupt cops and federal agents in deceiving the public with intent to create even further inequality by disarming everyone from the already limited weapons we are allowed to own under the US Constitution.  
<https://www.facebook.com/notes/michael-swenson/false-flags-lies-deceptions-terrorist-attacks-to-engage-desired-public-responses/616178701794426> These are CLEAR ACTS OF OPEN TREASON against US Citizens; in attempting to subvert our highest laws of our land and the protections they afford us! [https://www.youtube.com/results?search\\_query=sandy+hook+kids+still+alive&sm=3](https://www.youtube.com/results?search_query=sandy+hook+kids+still+alive&sm=3) and [https://www.youtube.com/results?search\\_query=proof+sandy+hook+was+a+fema+drill&sm=1](https://www.youtube.com/results?search_query=proof+sandy+hook+was+a+fema+drill&sm=1)
- Sadly a whole bunch of the so called modern "terrorist" attacks (at least the major ones "mainstream media" covers with the government approved spin) are government staged false flag acts that are designed to further erode civil liberties, enslaving the masses, spying on the masses, by the wealthy oppressors of the world. And sadly, these acts all too often fool even "decent" cops, who (some) do not even realize they are being used by these very wicked people to harm innocent citizens more and more. <http://www.ritholtz.com/blog/2013/12/governments-admit-they-carry-out-false-flag-terror/> and <http://www.infowars.com/a-brief-history-of-false-flag-attacks-or-why-government-loves-state-sponsored-terror/> all these false flag attacks are a polite way of saying governments, agents, cops murder innocent citizens en masse for their own crafty, evil, designs committing treason and mass murder to manipulate the rest of the citizenry. Almost every modern "terrorist" attack around the world had wealthy government insiders trained in such tactics behind them. Those of us who know better increasingly see that the real criminals are our own governments and their mercenary armies who are bought and paid for lackeys of the ultra wealthy families who have started wars and oppressed entire nations through their control of mints, currencies and by evil, bloody, deceitful acts in not only all these crimes but mass brainwashing by taking over public education and media worldwide; as my notes (see paragraphs toward the last quarter of this note below) expose in detail who these people are and their wicked agendas.  
<http://politicalvelcraft.org/false-flags/>

3) Overt militarization of police powers against citizens (in America this is a treasonous act - [http://en.wikipedia.org/wiki/Posse Comitatus Act](http://en.wikipedia.org/wiki/Posse_Comitatus_Act)) but military and military tactics were used in Katrina to disarm innocent citizens regardless. The UN has our own so called US government caving into the insanity of wicked islam (as overtly evil as satanism itself) Again, if you think I am making wild allegations, it is only due to your own lack of knowledge, fear, etc. TRY VERY HARD TO FACE FACTS RATHER THAN DISMISSING THE TRUTH, BY CALLING ALL OF US WHO ARE TELLING IT, CONSPIRACY THEORISTS OR CRAZY - READ THE CITATIONS IN MY NOTES BELOW; VIEW THE EVIDENCE! When one investigates that even further one sees the United Nations exerting influence in all these areas.

[https://www.google.com/search?q=obama+fema+and+the+united+nations&rlz=1C1G1GM\\_enUS535US535&og=obama+fema+and+the+united+nations&aqs=chrome..69i57.9439j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=obama+fema+and+the+united+nations&rlz=1C1G1GM_enUS535US535&og=obama+fema+and+the+united+nations&aqs=chrome..69i57.9439j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8) When one examines the United Nations one finds an elite criminal cartel of wealthy oppressors who are attempting to rule the world in all the ways my notes below expose.

<https://www.youtube.com/watch?v=9NcYDtN1sZs> Ultimately, the satanic NWO, is merely these very wealthy, wicked, bloody families who have been

in power far too long; uniting to reshape the world according to their personal desires. Those desires are to enslave the masses in all the ways they already have and worse to kill off billions because they can't control such numbers of citizens according to their own wills to rule us all as kings and queens in luxury while the rest of humanity does their bidding. (Truth can seem stranger than fiction, but if you have ever been in the presence of the tangible arrogance of some of these people, you will discover I am understanding their delusions of grandeur and their disdain for the masses). <https://www.youtube.com/watch?v=9wMMJkk6fEY> and [https://www.youtube.com/watch?v=nzjsCF\\_kxt8](https://www.youtube.com/watch?v=nzjsCF_kxt8) YOU AND YOUR CHILDREN ARE NOT ONLY TARGETS FOR STERILIZATION, BUT DEATH! READ MY NOTE ON DEPOPULATION (below) AND FOLLOW THE LINK OF CRIMES AGAINST HUMANITY! THE EVIDENCE IS OVERWHELMING THESE WICKED PEOPLE ARE OPENLY ATTACKING THE MASSES! Sadly, they need mercenaries to suppress justified rage over these attacks, and unfortunately since too many cops are distracted by much lesser petty offenses they are told to focus on; these real criminals are getting away with subverting entire nations; including the United States of America! If cops really were the "good guys" they would be organizing Americans and citizens around the world to depose the wicked rulers oppressing them, enslaving them, murdering them; instead of accepting scraps from the wealthy as hired mercenary armies.

Do a little research down through our nation's history and you'll see cops beating, killing, spraying otherwise abusing protesters with legitimate complaints against what has now become a police state as close to Nazi Germany WWII holocaust preconditions as you can get. Many cops won't even look at the evidence to recognize how their abuses are a threat to all of them as it engenders growing JUSTIFIED agitation against them. By this I mean, they don't understand how riding up to innocent citizens in a park and demanding their identification when such citizens were doing absolutely nothing illegal in any way affects public sentiment about just what WE THINK they are supposed to be doing. They simply can't or won't step back and look at the situation objectively. An armed and dangerous stranger suddenly accosts unarmed citizens demanding immediate compliance or arrest or even death and they can't see how that would cause citizens to view them as a real threat? THEY DEMAND to see OUR IDENTIFICATION, who we are, where we live, and yet, absolutely do NOT provide the same information to arbitrary citizens being so accosted. And they can't see how that would be offensive or seem dangerous to us. Furthermore, innocent citizens trying to get to work or some other agenda, collectively stopped by police at road blocks, no crime being committed by citizens, just cops under orders to fill up their quotas. **"The best way to take control over a people and control them utterly is to take a little of their freedom at a time, to erode rights by a thousand tiny and almost imperceptible reductions. In this way, the people will not see those rights and freedoms being removed until past the point at which these changes cannot be reversed."**

— Adolf Hitler, *Mein Kampf*

But these are just the moment by moment erosions I am attempting to address. And why I am for adopting a policy of arming ALL citizens (except the recently smuggled in Islamic terrorists under the treasonous Obama administration) who will pass training; like the Swiss have implemented. <http://www.stephenhalbrook.com/articles/guns-crime-swiss.html> and <http://saf.org/journal/17/CitizensinArms.pdf> As far as I'm concerned COPS nationwide should be uniting in defense of our national sovereignty; instead of harassing citizens. If the highest laws of our land are of no concern to them and the subversion and suppression of them by our present so called governing authorities; then how can they claim to be law enforcement officers; certainly not public servants; and even questionable if they are loyal to American interests! By this I mean cops working with fusion centers that claim no allegiance to the American government connected with FEMA concentration camps and U.N. agendas are now PHYSICALLY present in America! [https://www.google.com/search?q=Fusion+centers&rlz=1C1G1GM\\_enUS535US535&og=Fusion+centers&aqs=chrome..69i57j0l5.3793j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=Fusion+centers&rlz=1C1G1GM_enUS535US535&og=Fusion+centers&aqs=chrome..69i57j0l5.3793j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8) and [https://www.youtube.com/results?search\\_query=jesse+ventura+fusion+centers&sm=1](https://www.youtube.com/results?search_query=jesse+ventura+fusion+centers&sm=1) but again these are all just evidences that there exists OBVIOUS inequality a disparity between everyday citizens and police state powers now manifesting.

[https://www.google.com/search?q=American+police+state&rlz=1C1G1GM\\_enUS535US535&og=American+police+state&aqs=chrome..69i57j0l5.7858j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=American+police+state&rlz=1C1G1GM_enUS535US535&og=American+police+state&aqs=chrome..69i57j0l5.7858j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8)

WHENEVER such inequalities have existed in the past, the WORST abuses, human rights violations have followed, as the information below shows plainly. I AM NOT SAYING ALL COPS ARE EVIL, PRAISE GOD THAT IS NOT THE CASE! What I am saying is that the growing inequality, disparity, abuses, and serious crimes committed by cops has reached such prevalence, such levels of heinousness, such numbers as to be a definite cause of justifiable concern to ALL citizens; not just in America; but worldwide. It is on the verge of a tipping point where cops altogether will be viewed as the criminals and oppressors, rather than what they should be as respected members of society. I suggest that the only way cops are going to restore respect they deserve is to recognize this most dangerous situation and instead of hating outspoken citizens like myself consider our suggestions for how to remedy and restore the respect officers THINK they deserve. And that is 1) TAKE ALL CRIME REPORTS BY CITIZENS SERIOUSLY; LIKE MY CLAIMS THAT COPS I ENCOUNTERED IN THE SANDPOINT, BONNER COUNTY REGION WERE SO CORRUPT THEY FORCED MY NOW EX-WIFE INTO GROUP SEX ACTS INSTEAD OF ARRESTING HER FOR HER PART IN MY OWN HOMICIDE ATTEMPTS AND ESTATE THEFT; THEREBY ALSO LEAVING THE MASS MURDERING DOCTORS AND NURSES I ENCOUNTERED LOOSE IN SOCIETY TO VICTIMIZE OTHERS 2) NO MATTER HOW WILD THE ALLEGATIONS (LIKE satanic ritual abuse or cops or government agents involved locally in serious crimes of drug trafficking, sex violations, or even murder) TO OBJECTIVELY EXAMINE THE EVIDENCE AND DOCUMENT THE EYEWITNESS TESTIMONY EVERY TIME! 3) DEFEND CITIZENS RIGHTS UNDER THE US CONSTITUTION; THAT MEANS IF YOU HAVE ANY YOU CHERISH, YOUR PRIVACY, YOUR ARMS, YOUR LAND, YOUR HOMES, THAT YOU DO EVERYTHING TO MAKE SURE WE ALL ENJOY THOSE SAME RIGHTS! 4) Swagger less (the swagger engenders resentment, loathing and contempt; not fear or respect); greet more in non-confrontational ways. Get to know citizens, wave, say hello, without demanding anything from them. Specifically, I suggest public relations specialists to answer all 911 calls and document all reports of crimes that are trained specifically NOT to disrespect citizens who come forward reporting crimes with the "YOU'RE CRAZY; YOU NEED PROFESSIONAL HELP" routine; anytime the crimes reported are of a nature the cops listening don't want to deal with or don't know how to deal with. 5) REMEMBER THE GOLDEN RULE! <http://biblehub.com/matthew/7-12.htm>

**"Do to others whatever you would like them to do to you. This is the essence of all that is taught in the law and the prophets.**

To say police corruption doesn't exist and so much so, that it's a growing problem and real danger to innocent citizens; is to live in a state of psychological denial that is dangerous to yourself and others. The only way to change our lives for the better is to face current events as they are; to live in reality; rather than wishful fantasies of how we would like things to be. Dreams become reality only when we act. Right now the situation in America and the world requires a call to arms for all law abiding citizens and a call to Repentance and to KNOW our Creator personally. Face Reality and by understanding the problems, enact solutions! Reality today is headed in a very dangerous direction for all persons on the planet; even the ones who think they rule it.

[https://www.google.com/search?q=cameras+help+end+police+misconduct&rlz=1C1G1GM\\_enUS535US535&oq=cameras+help+end+police+misconduct&aqs=chrome..69i57.9671j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=cameras+help+end+police+misconduct&rlz=1C1G1GM_enUS535US535&oq=cameras+help+end+police+misconduct&aqs=chrome..69i57.9671j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8) Every day innocent citizens are suffering more and more due to police abuse of power and public trust as a virtual endless list of crimes and misconduct surface worldwide. The inevitable result is erosion of public trust and confidence in all authorities, because innocent citizens being beaten or shot to death or raped or worse, reveal that there is a double standard in almost all police involved crimes. Judges all too often mitigate the sentences or dismiss legitimate cases. Pervasive corruption is threatening to erode law and order altogether; leaving citizens to fend for themselves. <http://www.copblock.org/tag/double-standards/> and <http://ericpetersautos.com/2014/01/22/step-back-toward-peace-keeping/> Cops are "trained" so they don't even realize they are operating with double standards almost everywhere. If a cop walks down the street, he thinks nothing of it if he is carrying concealed or openly; but citizens can not only be stopped, irregardless of our constitutional rights, but end up dead when approached by hostile authorities. When cops shoot unarmed citizens, do they go to prison for murder? RARELY! The double standard is so ubiquitous, cops don't even consider they enjoy an overtly privileged status over citizens today; so much so, they are now getting away with heinous crimes as the links below plainly show.

Even so called decent cops just won't face the facts that they enjoy a privileged status over citizens and that status is so easily and so often abused. I suggest the remedy is to follow the example of the Swiss and Arm all citizens! Mandatory camera surveillance of all police activities!

**The list of crimes being committed by police are more heinous and more numerous than any decent citizen would want to believe.**

Thankfully not all cops are "Bad Cops"... yet; but pervasive corruption is becoming such a problem that citizens are finding it next to impossible to tell them apart. Naive citizens think of calling the police all too often for problems that all too often end more tragically than if they had refrained from doing so.

Every civilization that has fallen in the past ultimately fell because internal corruption made them vulnerable to every form of adversity. Whether mankind wants to face those facts or not, they are Biblical and plainly evident. <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> That when you raise children outside of the commands of God Almighty, every form of selfish wickedness manifests, which means pervasive corruption that disintegrates and erodes into anarchy and violence, as the very foundation of civilization disappears into every kind of vice.

When politicians sell out, when cops and military become nothing more than hired mercenaries representing the interests of whoever pays them, no matter how evil the agenda, when citizens only selfishly look out for their own interests and care nothing about others, then anyone at anytime can face life-threatening danger from anyone else; especially those abusing power entrusted to them.

Americans and the whole world is at a tipping point due to this level of corruption. Far too many I encounter choose not to believe and rather cling to the wishful notion that there is no way far too many cops are so evil in America and other nations that they have become gangs of armed murderers, rapists, etc. but sadly those are the facts we are facing today. Even "decent" cops don't realize they have a "comply or die" attitude as they draw weapons even on unarmed citizens. The situation is so bad, that if a uniform or government agent shows up at your door, instead of feeling reassured, citizens feel in fear for their lives and that of their family and the need to defend themselves with deadly force. [www.blastthetrumpet.org](http://www.blastthetrumpet.org) When I went to authorities about mass murdering doctors and nurses, I expected an honest investigation into the facts; but what I met was sell out cops, so corrupt, that rather than make arrests, instead accepted group sex acts from now ex-wife who was guilty of attempted homicide upon my own person. Instead of arresting her, the corrupt police forced her to commit sex acts with as many as two dozen of them in my local region. They accepted sex acts,

instead of arresting the mass murdering doctors and nurses also involved in the whole nasty affair. Federal agents supervising the whole situation also frantically worked to discredit me and let all the sex offending cops and mass murdering doctors and nurses go free. Corrupt federal agents at the FBI threatened me when I attempted to submit evidence of all these things at a local branch. They look out for their murdering, raping buddies in uniform. And those that have political oversight of the policies of death now in place look at these atrocities as "throwing their dogs a bone"; so they KNOW these crimes are going on and rather than put the offenders properly behind bars; they victimize citizens to keep their mercenary "bad cops" in place to do their evil biddings. (assassinations, framed arrests of political dissidents, etc.) <https://www.facebook.com/notes/michael-swenson/what-happened-to-me/546254465453517> People think that if you have civil disturbances or witness crimes we are to call the police; but these same citizens who are not aware that in many cities now the police ARE the civil disturbance and criminals! Take a look at what is happening:

CHILD PROTECTIVE SERVICES INVOLVED IN LARGEST PEDOPHILE RINGS OF CHILD SEX TRAFFICKING! Citizens when those we entrust with LETHAL FORCE are abusing that trust to this degree NONE OF US ARE SAFE from such predation!

Decent doctors and nurses are PURPOSELY kept out of the death squad groups in hospitals; so that the mass murderers have an additional cloak of protection as decent doctors and nurses naturally get defensive that they are working with mass murderers in the same hospitals. Likewise decent cops are PURPOSELY kept out of the corrupt gangs in their own ranks, such that most remain oblivious to what is going on in their own precincts by criminals in their own ranks. Other times the decent ones are transferred away, so the entire region can operate in their criminal fashion. But the corruption is becoming so rampant, that unfortunately decent law enforcement will have to face the facts that for their own safety, they MUST investigate allegations of criminals in uniform and take all complaints in that regard MOST SERIOUSLY; otherwise it forces citizens to have to take the ultimate measure to defend themselves! (And if that occurs decent cops could end up dying alongside the criminals in their own ranks that they refuse to even consider exist in far too many cities now worldwide.) Abuse of public trust and power has always led to the very worst human rights violations.

We are at a point where the entire nation could erupt in anarchy due to this level of pervasive corruption! If the police and higher authorities will no longer arrest the criminals in their own ranks, then citizens have no choice but to defend ourselves with deadly force FROM THEM! We cannot make "citizen's arrests" when entire gangs of cops are criminals and federal agents won't even arrest them, judges won't convict them, and politicians actually oversee their crimes and condone them! All that is left for decent citizens to do is PRAY and TAKE UP ARMS! In unity wherever such corruption exists may righteous citizens send them on to the hellfire all such criminals in uniform that have become this evil so richly deserve!

Protests are falling on deaf ears my fellow citizens, these levels of crimes and corruption, mandate house cleaning and since none of the criminals are stepping down willingly and turning themselves in, all that remains for us is to depose them by force! Don't skip over the above links, READ THE THOUSANDS UPON THOUSANDS OF INCIDENTS OF RAPES, MURDERS, CHILD ABUSES, DRUG TRAFFICKING, SEX TRAFFICKING, AND ALL THE MANY OTHER CRIMES GOVERNMENTS, FEDERAL AGENTS AND COPS ARE COMMITTING NOW! These criminals ARE FAR WORSE than most criminals on death row! civilian petty offenses are NOTHING compared to these!

How have we eroded to such a degree? How is the whole world in grave peril from raping armies of uniformed murdering criminals? It is because the children have NOT been taught to follow the commands of God Almighty! They have been TAUGHT to do evil! The evidence is so overwhelming that only the willfully blind and naive can't see it. DON'T SKIP OVER the links and references in these notes that clearly show what the problem is and the only way I know how to restore peaceful, righteous civilization!

I encounter people constantly who are living in such a strong sense of psychological denial that they won't even look at facts; because worldwide public indoctrination systems have brainwashed them now for several decades, and their brainwashing is consistently reinforced through media. I explain who is responsible and why it was done to mass millions of people all over the world in these notes:

The information in the following links contain absolute proof of why there is an increase in sicknesses, wars, and open policies and procedures of death now worldwide (the obvious ones of abortion and the not so obvious ones of genocides in local hospitals as millions of innocent citizens are murdered each year worldwide and even in America and hacked up for their organs) As a rare survivor of hospital homicides, I consider it my duty to warn the unsuspecting public of the horrors I personally encountered by trying to get the mass murdering doctors and nurses arrested. The adversity from sex offending cops and federal agents, threats, harassment, messages like this one on my answering

I have gotten harassment from some who foolishly war against truth on purpose and others who prefer to live in psychological denial of reality (you don't have to remain such, all you need to do is repent and call upon the Living LORD JESUS THE CHRIST, YAHOSHUAH AM MESCHIAH); but devil worshippers are so deceived and self-deluded; they don't seem to realize that the same eugenic fascism destroying mankind with policies of death, holds the same contempt for them. The global elites look at their slave minions who work in buildings like this [https://www.google.com/search?q=nsa+headquarters&rlz=1C1G1GM\\_enUS535US535&espv=210&es\\_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=L8AMU\\_veLcb4yAGr5YDQDA&ved=0CckQsAQ&biw=1067&bih=702](https://www.google.com/search?q=nsa+headquarters&rlz=1C1G1GM_enUS535US535&espv=210&es_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=L8AMU_veLcb4yAGr5YDQDA&ved=0CckQsAQ&biw=1067&bih=702) just as expendable as the rest of humanity and all life on the planet. The evidence is in that the global elites are not just a threat to your lives and that of your children (already under attack) but all life on the planet in their selfish, greedy, arrogant insanity. The people of the world need to FIGHT BACK while you still can and ignore the foolish dissenters that are either the lackeys of the scum of the world who sit in those buildings and fight against whistleblowers like myself trying to save your lives and arrest them all for their crimes against humanity; or are the successful results of mass brainwashing that has been so successful people won't even take a little of their time to look at the facts even when their own lives and that of their children and loved ones depends on it.

We are reaching a level of violence that threatens a complete disintegration of law and order; martial law will bring no comfort either when the people armed with such weaponry are just as corrupt; if not more so.

There is one hope for America and every nation and that is for every Christian and decent law abiding citizen to PARTICIPATE like you never have before! DEMAND Truth be taught in our public schools, DEMAND the arrests of murdering, raping cops, agents and politicians and if no one in authority will arrest them UNITE and arm yourselves and DEPOSE the criminals by FORCE! If we do not regain a status of law and order, proper righteous education, then America and all such corrupt nations on earth are doomed to crumble and fall; and sadly many innocent die in such lawlessness. It is IMPERATIVE we do not let the brainwashing continue in public schools and media. It is IMPERATIVE we do not let the quran be distributed anywhere on earth; let alone to rapists, murderers and pedophiles in prison!

To all decent citizens the world over (that includes any decent law enforcement cops/agents willing to stand up to criminals in your own ranks and corrupt politicians), May the God of all Glory, our Creator, watch over you and all your loved ones for good now and forever and empower and encourage you to boldly stand against all evil and corruption everywhere it manifests! **Vince Campbell** Sorry Michael, we've been FB friends for a while now and while you sometimes get a bit worked up over things, you've gone a bit too far this time. As an ex-soldier, and an ex-cop, I've never done, or even seen done, any of the crap you are alleging. Sorry, if you see all cops as murdering raping thugs, well, I gotta say I feel sorry for you. Honestly, I think you should seek some professional help. You've gone way off the deep end. I hope you take my advice, but somehow doubt you will. Good luck on your travels in life, but you'll be making the trip with out me. Take care.

"Sorry Michael, we've been FB friends for a while now and while you sometimes get a bit worked up over things, you've gone a bit too far this time. As an ex-soldier, and an ex-cop, I've never done, or even seen done, any of the crap you are alleging. Sorry, if you see all cops as murdering raping thugs, well, I gotta say I feel sorry for you. Honestly, I think you should seek some professional help. You've gone way off the deep end. I hope you take my advice, but somehow doubt you will. Good luck on your travels in life, but you'll be making the trip with out me. Take care." Sorry Vince that was cowardly of you to insult an innocent citizen left no option but to warn the public of crimes he has personally suffered from and then run because you couldn't face FACTS! Here is my reply to what you said: Obviously, Vince you couldn't get past the facts or understand what I am stating. I am stating that there is a MAJOR disconnect between decent citizens WISHFUL THINKING and REALITY and it is because the criminals in uniform group together and keep separate from the decent ones; (possibly such as yourself) but to IGNORE the evidence of overwhelming rampant corruption has citizens like myself UNABLE to even talk to YOU or decent law enforcement BECAUSE of YOUR OWN PSYCHOLOGICAL DENIAL that we could POSSIBLY BE TELLING THE TRUTH! And that YOU are simply unable to EVEN LOOK at the FACTS! (as you have stated) in falsely assuming that I am saying ALL cops are evil when I clearly do NOT say that! What I am saying is that IT IS GETTING DIFFICULT TO TELL because of SO MUCH CORRUPTION that citizens are facing and being victimized by. Like the customary men in blue covering up their offenses for one another (<https://www.google.com/search...>), lying in court (<https://www.google.com/search...>), blowing unarmed citizens away (<https://www.google.com/search...>), beating citizens to death (<https://www.google.com/search...>), etc. etc. not to mention the rapists and drug dealers in uniform. (<https://www.google.com/search...>) And the FACT that YOU didn't FACE the FACTS is EXACTLY what I'm talking about! That citizens CANNOT TELL the decent from the corrupt ones, because the so called decent ones won't even CONSIDER there ARE MANY criminals wearing the same uniforms in their ranks; not only in America but all over the world! The WORST CRIMES in the history of the world HAVE ALWAYS BEEN COMMITTED BY THOSE in GOVERNMENTS and their cronies of hired mercenaries; otherwise known as military and police officers or government agents, hired guns serving the wealthy elite rather than the public during times of tyranny and corruption like NOW; not just in this nation, but all over the world. Thank you for making my point about PSYCHOLOGICAL DENIAL Vince, so the whole world can SEE it plainly. I'll be leaving your comment in place as an example of the common PROBLEM citizens face when trying to report the crimes I have suffered from personally to other cops, even so called decent ones. (that problem you have so eloquently given in your own comment SHOWING YOU ARE INCAPABLE OF FACING FACTS THAT CHALLENGE YOUR OWN FICTIONAL WORLDVIEW THAT people in uniform are incapable of mass corruption and crimes; despite all evidence to the contrary past and present.) so INCAPABLE citizens are barred from even being able to REPORT their eyewitness accounts (like the ones you refused to look at before attempting your insulting comment.) Vince, I admit I need help, HELP to arrest MASS MURDERING DOCTORS AND NURSES AND SEX OFFENDING COPS! That I have personally intensely suffered from! (Believe it or not Vince, God fearing citizens like myself, WANT to respect authorities, but the many criminals in uniform and responses like yours in leaving them run loose, are making it increasingly difficult to do so.)

**Jacqui Keogh** Vince, it is sad you would give up a friendship, by defending what is truth. He is not alleging ALL of them are that way, but there are more and more becoming this way. I was MARRIED to one, years ago. He is still an arrogant man, who thinks he is above the law. The police department breeds them to be this way, especially in the bigger cities. Don't put your head in the sand, but be open to the possibility that things are changing in our police departments. Be aware, be awake. heart emoticon

**Michael Swenson** Yes Mykall Ellison I think your latter comment belongs on my note:<https://www.facebook.com/notes/michael-swenson/our-creator-told-us-in-the-holy-bible-all-nations-would-be-deceived-by-pharmaceu/511466405598990> and your earlier comment belongs in the waste can. Christ died trying to change the world for the better and so have many millions of His Followers since. The fact you think it is suicidal to try and wake people up from their delusional thinking is indicative of yet another major problem people trying with all their heart and soul to make a real difference for good in the world face; the PROBLEM OF APATHY and willful misunderstanding. Far too many people have a mindset of what they CANT do and try to get other people to agree with their rather LAME ATTITUDES; rather, if you think we CANT do anything to make the world a better place or don't like the methods others are using to do so; find a better way to do so yourself. I am doing my very best to save and warn lives; as I ought; even if no one listens or responds as I would like them to. I have already survived numerous homicide attempts in my efforts, death or death threats are absolutely no deterrent to me. If I or anyone can't speak or write truth for fear of death or consequences, then we are dead already. I, for one, have written every word of every note with careful thought and prayer before Almighty God who Alone we all must give an account. Before attempting to discourage ANYONE making a righteous effort in the world, you should consider that THOROUGHLY.

**Michael Swenson** My situation requires a miracle from God to resolve. Because of the types of crimes I have suffered from; I do not trust anyone; especially people who do not know and love the Living Lord Jesus Christ. As such, I don't look at hospitals, doctors, nurses, cops, government, or anyone these days who is not a Christian as someone to be trusted, let alone a trigger happy, above the law mentality, like for too many cops, governing officials, and federal agents are demonstrating these days. If there are honest authorities who want to help me; I encourage you to do your homework in looking into these allegations without contacting me directly. If you wish to communicate with me for more details or to examine more evidence; send CHRISTIAN cops and/or agents! The level of corruption is so bad that even "Christians" have been compromised but not to the pervasive degree others have who actually can't even see the evil they are doing any longer (like all who are slaughtering harmless babies, or muslims who marry little kids, rape, pillage, enslave and murder others and THINK that God Created all those other people just so they can maltreat and murder them). In other words, corruption is so bad these days, people don't even know right from wrong any longer. This is the insanity I am trying to address; that when a society departs from the One True God of the Holy Bible and His Absolutes (Ten Commandments and Instructions to Live By), then might makes right corruption follows; which has always ended in ruin, death and destruction.

Cops are slowly catching on to the fact they will be filmed in most capacities but occasionally police employees will harass you for filming. This graphic suggests a few ways to respond to an overzealous officer who fears the accountability a camera provides.

Madison's Militia

March 15, 2014 ·

I have a friend who has worked in law enforcement for most of his life. He despises NY Safe and promised me that the VAST majority of LEOs hate it as well. He also says that since the NYSP are not under elected superiors as Deputies are, they cannot freely take a stand against this tyrannical law. They are all considered employees of the state, period. I am NOT satisfied with that excuse or ANY other. There IS no excuse for violating the Oath and the Constitutional Rights of the People. NONE. State employees are employees of the state Taxpayers, NOT the Governor or any other state employee or elected official. I understand the fear that the NYSP feel for their jobs, they have bills to pay and a lot of time and training invested. HOWEVER, I stand by my statement that there are MANY more Troopers that are anti-Safe Act than Pro-Safe Act, and the power lies in their numbers and willingness to unite, to STAND like strong Americans and say NO. Who in upstate NY would refuse to fight for the jobs of Constitutional Oathkeepers? I KNOW that just about every Patriot in this state would stand FOR the Troopers who are brave enough to stand for what is RIGHT. NO ONE can unite them but themselves, those within their own ranks, and it's time they DO IT. There MUST be a handful of NYS Troopers who are courageous enough to organize their own and take their opposition to their union and Superiors. Time for an epidemic of Gray-Flu ! TALK to every Trooper you know, are related to or even just see in the store or coffee shops. I will be posting a hand-out tonight that you can copy and hand to Troopers, drop off at your local NYSP Headquarters, or post anywhere you wish. In the meantime, PLEASE print and fill the petitions, as we need something to present to the Superintendent to advise him of where we stand and what we expect from our public servants. Message me here when you have filled pages and I will send you the address to mail them to. We MUST get this done, because Connecticut isn't over yet, nor will they be the LAST state to attempt confiscation. If we can stop this in its tracks NOW, we can ensure the safety of civilians and police officers across the entire country!

# Decriminalization will impact budget

One of the real downers for law enforcement agencies with respect to the runaway freight train that is marijuana decriminalization/legalization is the fact that some agencies stand to lose forfeiture funds.

There aren't any standards in place to speak of as far as forfeiture rules, so some agencies stand to lose little and others stand to lose big.

According to National Public Radio: "The decriminalization of 'pot' stands to remove a funding source for police: *property forfeitures from drug dealers.*"

The NPR report suggested that of the \$6.5 billion in asset forfeitures in drug cases from 2002-2012, marijuana accounted for \$1 billion.

According to the *Wall*

*Street Journal*, the 10 states that had the highest amounts of asset forfeitures processed by the U.S. government in that 10-year period stand to lose the most money from marijuana-related forfeitures. The *Wall Street Journal* estimates are below:

**California — \$181.4 million**

**New York — \$101.3 million**

**Florida — \$80.5 million**

**Texas — \$64.3 million**

**Ohio — \$39.2 million**

**Arizona — \$36.8 million**

**Michigan — \$36 million**

**N. Carolina — \$34.9 million**

**Georgia — \$26.2 million**

**Wisconsin — \$24.7 million**

Why do law enforcement agencies oppose legalizing marijuana? One big reason is the forfeiture laws. According to the Wall Street Journal, Texas law enforcement agencies would lose over \$60 million if marijuana was legalized in our state.

## Murdered by police

Noel Polanco, member of US Army, was unarmed with his hands on the steering wheel when police shot him to death.

"Officers appeared irate and flipped him the middle finger," said the passenger next to Noel. Noel was accused of accidentally getting in cops' way on the road. "This is all a case of road rage on behalf of the N.Y.P.D. — that's all this is," a witness said.

"As soon as we stopped — they were rushing the car," said the passenger. Cops instantly shot Polanco to death on approaching his vehicle.

**Michael Swenson** <http://thefreethoughtproject.com/worlds-dumbest-cop.../> too many people are living in a state of psychological denial about how pervasively corrupt our nation has become due to a departure from our Creator and the Instructions to Live By; in the Holy Bible. As such when I told my story to local, state, federal authorities; governors, attorney generals, prosecutors, judges, friends, family, colleagues most all the decent ones would rather believe I wasn't telling the truth about factual events; BUT I AM! mass murdering doctors and nurses are getting away ALL OVER THE WORLD AND IN AMERICA with murdering innocent adults, hacking them up for organ transplant profits! And the cops in my local town at the time were so corrupt; when they found out my ex was involved with homicide attempts; they all blackmailed her for group sex acts rather than arrest her! As a result my poisoning ex wife, mass murdering doctors and nurses and sex offending cops are still LOOSE TO PREY ON INNOCENT CITIZENS!!!!!!! Sadly so many are abusing the public trust and authority given them that they are seeming like the worst criminals rather than honorable citizens that they should be. That said, there are NON-lethal effective weapons and restraints! that are not being used in situations that far too often are ending in the death of citizens unnecessarily. <https://www.google.com/search...> and <https://www.ncjrs.gov/app/publications/abstract.aspx...>

A recent college graduate in Washington says he wants an apology after deputies in Spokane County mistakenly raided his home, with guns drawn, giving him the scare of his life.

Deputies reportedly said Guerrero was trespassing and didn't live there. Not until they looked at his I.D. did they realize Guerrero did live there and they had the wrong home.

Did you ever hear of Isaiah Martinez? Crystal Martinez? What about Mayanah Schneider? No? Serenity Jones then?

Ok. They were children under 5 years old who were murdered by their government at Waco, Texas on April 19th 1993. In all, 76 men, women and children were killed when the ATF and the FBI launched an assault on the Branch Davidian compound to end a siege that had lasted 51 days.

Seven years later in 2000, the US government concluded, controversially, that the Davidians had effectively set themselves on fire. This was laughable then and it's laughable now. The Branch Davidians were murdered by those sworn to protect them. Never forget it.

**Michael Swenson** "Citizens may resist unlawful arrest to the point of taking an arresting officer's life if necessary." *Plummer v. State*, 136 Ind. 306. This premise was upheld by the Supreme Court of the United States in the case: *John Bad Elk v. U.S.*, 177 U.S. 529. The Court stated: "Where the officer is killed in the course of the disorder which naturally accompanies an attempted arrest that is resisted, the law looks with very different eyes upon the transaction, when the officer had the right to make the arrest, from what it does if the officer had no right. What may be murder in the first case might be nothing more than manslaughter in the other, or the facts might show that no offense had been committed."

"An arrest made with a defective warrant, or one issued without affidavit, or one that fails to allege a crime is within jurisdiction, and one who is being arrested, may resist arrest and break away. If the arresting officer is killed by one who is so resisting, the killing will be no more than an involuntary manslaughter." *Housh v. People*, 75 111. 491; reaffirmed and quoted in *State v. Leach*, 7 Conn. 452; *State v. Gleason*, 32 Kan. 245; *Ballard v. State*, 43 Ohio 349; *State v. Rousseau*, 241 P. 2d 447; *State v. Spaulding*, 34 Minn. 3621.

"When a person, being without fault, is in a place where he has a right to be, is violently assaulted, he may, without retreating, repel by force, and if, in the reasonable exercise of his right of self defense, his assailant is killed, he is justified." *Runyan v. State*, 57 Ind. 80; *Miller v. State*, 74 Ind. 1.

"These principles apply as well to an officer attempting to make an arrest, who abuses his authority and transcends the bounds thereof by the use of unnecessary force and violence, as they do to a private individual who unlawfully uses such force and violence." *Jones v. State*, 26 Tex. App. 1; *Beaverts v. State*, 4 Tex. App. 1 75; *Skidmore v. State*, 43 Tex. 93, 903.

"An illegal arrest is an assault and battery. The person so attempted to be restrained of his liberty has the same right to use force in defending himself as he would in repelling any other assault and battery." (*State v. Robinson*, 145 ME. 77, 72 ATL. 260).

"Each person has the right to resist an unlawful arrest. In such a case, the person attempting the arrest stands in the position of a wrongdoer and may be resisted by the use of force, as in self-defense." (*State v. Mobley*, 240 N.C. 476, 83 S.E. 2d 100).

"One may come to the aid of another being unlawfully arrested, just as he may where one is being assaulted, molested, raped or kidnapped. Thus it is not an offense to liberate one from the unlawful custody of an officer, even though he may have submitted to such custody, without resistance." (*Adams v. State*, 121 Ga. 16, 48 S.E. 910).

"Story affirmed the right of self-defense by persons held illegally. In his own writings, he had admitted that 'a situation could arise in which the checks-and-balances principle ceased to work and the various branches of government concurred in a gross usurpation.' There would be no usual remedy by changing the law or passing an amendment to the Constitution, should the oppressed party be a minority. Story concluded, 'If there be any remedy at all ... it is a remedy never provided for by human institutions.' That was the 'ultimate right of all human beings in extreme cases to resist oppression, and to apply force against ruinous injustice.'" (From *Mutiny on the Amistad* by Howard Jones, Oxford University Press, 1987, an account of the reading of the decision in the case by Justice Joseph Story of the Supreme Court.

As for grounds for arrest: "The carrying of arms in a quiet, peaceable, and orderly manner, concealed on or about the person, is not a breach of the peace. Nor does such an act of itself, lead to a breach of the peace." (Wharton's *Criminal and Civil Procedure*, 12th Ed., Vol.2: *Judy v. Lashley*, 5 W. Va. 628, 41

David Crowley had been the lead screenwriter for the movie "Gray State," which depicts a violent police state in post-crisis America, including scenes of US military patrolling American streets, cameras in private homes, the introduction of mandatory RFID chips used for identification. His death comes as a "strange coincidence," given that our current police state is not very far removed from his film.

**This question was asked of me:  
"Why do you have so little respect for cops".**  
There is a court ruling that cops can lie. So they Lie for a living and I am paying.  
They have no responsibility to protect anyone but themselves.  
They kill when they become afraid of anything.  
They are not held to a higher standard.  
They take steroids and act like thugs.  
Heavily armed and too many drama queens.  
Ticket Quotas. Police Unions.  
And I have to tell them I am carrying a fire arm. (This will make them instantly afraid)  
They do not look, act or think like anything I remember as a kid.  
They are not Peace Officers but Law Enforcement.  
Too many Laws are wrong.  
I don't feel "safe" around them.  
**Any Questions???**

UPDATE

New Video Shows Moments Before Deadly LAPD Shooting

A security camera at the Union Rescue Mission captured the events leading up to the fatal shooting of a homeless man by LAPD on Skid Row Sunday.  
Watch > <http://revolution-news.com/los-angeles-residents-respond-t.../>

Community members will be meeting on Tuesday, March 3rd at the Union Rescue Mission on San Pedro between 5th and 6th at 8:00 am to march to the police commission meeting at LAPD Headquarters.

KTLA5 reports: Officers were dispatched to the area of East Sixth Street and South San Pedro Street (map) about 11:36 a.m. after a report of an altercation between two people, said Officer Jack Richter, spokesman for the Los Angeles Police Department.

After the officers arrived a struggle ensued, during which police tazed a man, the LAPD said. The man was then shot by police, the department said. He was pronounced dead at the scene.
