RE: Debate with Ken Ham February 04, 2014 <http://debatelive.org/>

<http://www.breathecast.com/articles/bill-nye-vs-ken-ham-debate-full-video-watch-evolution-vs-creation-debate-online-in-full-here-13807/>

I want to begin with saying I have enjoyed watching Bill Nye and Ken Ham over the years and intend no disrespect to either individual; but when lives and everlasting destinies are at stake, let Truth prevail.

It was probably due to time constraints that Ken didn't refute every fallacious argument Bill presented but I am under no such constraints and so will do so here. (Thank you Ken for standing for the fact that we live in Creation as designed and Made by the God of the Holy Bible!

<https://www.facebook.com/photo.php?fbid=722907594407083&set=pcb.722908231073686&type=1&theater>)

Fallacious arguments presented by Bill Nye as "science":

1) Layers of ice in arctic and antarctic regions are equivalent to summer and winter and thus appropriate for determining years.

ACTUAL OBSERVABLE SCIENTIFIC FACT proves such a presumption is FALSE!

<http://www.icr.org/article/355/272/> and <http://www.talkorigins.org/indexcc/CD/CD410.html> and just to provide an opposing view: [http://www.oldearth.org/argument/G531\\_creation\\_science.htm](http://www.oldearth.org/argument/G531_creation_science.htm) and [http://evolutionwiki.org/wiki/WWII\\_airplanes\\_are\\_now\\_beneath\\_thousands\\_of\\_annual\\_ice\\_layers](http://evolutionwiki.org/wiki/WWII_airplanes_are_now_beneath_thousands_of_annual_ice_layers)

Why have I provided both views? To show all the assumptions and presumptions BOTH sides are making in claiming ice layers can be equivocated to elapsed years in history; especially the prehistoric past. All kinds of assumptions are plainly shown by the stated observations as FALSE. Observable facts, precipitation falls in microclimates and specific regions of the larger arctic and antarctic areas in vastly different quantities. Due to other climatic conditions, like wind, erosion, sporadic warming; deposited layers and thicknesses of those layers vary DRAMATICALLY. To this day we see erratic weather conditions all over the planet! Thus the only facts one can surmise from ice cores are such that can be

justified and that is that ice cores have layers of melted snow and layers of compressed snow within which are trapped elements and other data significant to that layer or layers in which those elements are trapped; which can be caused NOT JUST BY ANNUAL FLUCTUATIONS due to the seasons BUT BY fluctuations in weather and climatic conditions sufficient to form said layers; even many layers within one year's time. Snow storm followed by warm weather, followed by another snow storm and warm weather with high winds intermittent can form ice layers rapidly and drifts, and layers of compression, these facts we can observe EVERY WINTER worldwide! So to equivocate ice layers with annual deposits is simply fallacious "science". In other words, neither side is making a point here; the ice cores show layers of ice; and can not 100% conclusively be construed as each layer = 1 year by factual science.

2) Nye goes on to claim some trees are 6000 years old and cites one in Scandinavia as being over 9000 years old. Here again a similar error in presumption is being made to that of the ice layers and that error is tree rings automatically equivocate to elapsed years when they factually DO NOT; despite claims that SOME species generally only form such rings annually!

- not all species of trees are suitable for dendrochronologies:

<http://www.plosone.org/article/info%3Adoi%2F10.1371%2Fjournal.pone.0054730>

<http://www.ltrr.arizona.edu/lorim/bad.html>

Even among species that are; environmental conditions can skew the rings and findings:

<https://www.theforestacademy.com/tree-knowledge/annual-growth-rings/#.UvJkSvldV5Y>

<https://www.icr.org/article/7058/>

BUT let's say for arguments sake that we conclude that ONE tree on planet earth has been found to be 9000+ years old. Would that really conclusively argue against a global flood? NO!

If the whole world was full of such trees then someone claiming a global flood occurred after the age of those worldwide trees would then be making an extraordinary claim, BUT to find only ONE such tree in all the world (or let's say they might find a few more somewhere, to give them the benefit of the doubt) argues in FAVOR of a global flood; not against it. Like a sole survivor of catastrophic events today! Example: some plants can be rooted in water and then planted; who's to say ONE tree or a few didn't get dislodged in a large pile of organic debris, in the flood, of soil/peat (have you ever seen uprooted trees HUGE quantities of soil are found in the roots), other trees, etc. and then when the waters receded take root again? Some might claim that is unlikely; but which is more unlikely that finding only ONE tree that old on planet earth disproves a global flood; when the very lack of billions like it confirms the account; or that particular tree would be among the very rare survivors of that event. We know large amounts of materials float from catastrophes (<http://www.realnatural.org/wp-content/uploads/2011/10/US-Navy-trash-pile-comp.jpg>); it is therefore easy to visualize, seeds, plants, trees, leaves, twigs, peat, moss, and all kinds of vegetation living on top of the water until the waters receded again.

(Especially when there are petrified trees found embedded through multiple sedimentary layers all over the world, some toppled some upright; again overwhelmingly proving the flood account.

[https://www.google.com/search?q=petrified+trees+toppled+in+stratified+layers&rlz=1C1GIGM\\_enUS535US535&espv=210&es\\_sm=93&source=Inms&tbm=isch&sa=X&ei=WYPyUu3xGcLCyQGd0YG4BQ&ved=0CAkQ\\_AUoAQ&biw=1067&bih=702#q=petrified+trees+through+strata&tbm=isch](https://www.google.com/search?q=petrified+trees+toppled+in+stratified+layers&rlz=1C1GIGM_enUS535US535&espv=210&es_sm=93&source=Inms&tbm=isch&sa=X&ei=WYPyUu3xGcLCyQGd0YG4BQ&ved=0CAkQ_AUoAQ&biw=1067&bih=702#q=petrified+trees+through+strata&tbm=isch))

<http://www.youtube.com/watch?v=0FOtMOazpJg> look how fast the earth recovers from catastrophes; it is easy to see how vegetation could fill the world after the flood in just thousands of years.

3) Nye emphasizes his knowledge of ship building and mocks the very notion of Noah's Ark as if he is completely oblivious to the three findings of such craft already in the biblical region that Ark came to rest in and of size and date corresponding to the biblical account. Argument moot and fallacious! Observable scientific fact; such a craft of the size and dimensions in the Bible have been found in the region the Bible states! Furthermore; all other rubbish Nye believes has been proven fallacious regarding his view that the flood never occurred at all when it has been overwhelmingly scientifically proven as factual history!

<https://www.facebook.com/photo.php?fbid=922427591169534&set=pb.100002069048072.-2207520000.1461105027.&type=3&theater>

<http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756>

<http://creation.com/hundreds-of-jellyfish-fossils>

The global flood is documented worldwide; those in denial are presenting themselves as completely ignorant of world history.

<https://www.youtube.com/watch?v=lktmmd7YnD8>

4) I'm not sure why Ken Ham didn't blast Nye for his ludicrous claims (perhaps he was just being polite; but in my view when someone believes fallacies and is in danger of perishing in such notions; we as Christians MUST point those fallacies out; not only for Bill's sake but for all those listening) as he continued. Bill snickered on about how thousands of kinds of creatures couldn't possibly propagate to the hundreds of millions we have today in just thousands of years. REALLY? despite the fact we have BILLIONS of people on earth today; you find the geometric sequence of reproduction population growth among species difficult to comprehend? REALLY? despite the fact that in the lab tens of thousands of generations of fruit flies have been observed in only a few decades? thousands and thousands of generations of bacteria likewise? The reproductive rate is ASTOUNDING! When Nye snickers about 11 new species every day; what modern biologists call "species" these days (just offspring with variations within the original kinds) FAR MORE THAN JUST 11 every day come into existence! (by their definition of species)

<http://www.ldolphin.org/popul.html> look at the formulae showing population growth rate for humans who typically only birth one offspring at a time. Now consider the growth rate for species that birth many offspring at once! IT IS EASY TO GET TO CURRENT POPULATIONS ON EARTH FROM ONLY THOUSANDS OF YEARS AGO! In fact such populations actually are another proof of the flood account!

5) Nye talks about boulders somehow disproving the flood; when just the opposite is true. Look at any riverbed, glacial melt, washout, etc. the fine sediments settle at the very bottom, while the larger grains, rocks, boulders end up on top. (this goes for fossils as well, large and small creatures that all drown together will have the larger creatures on top while the smaller ones fall down between all the cracks and crevices with all the other fine sediments) By pointing out lots of boulders in a huge region, he just pointed out even more evidence for the flood account.

In fact Nye should familiarize himself with <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and actual science as soon as possible, because everything I heard him state was either proof against what he believes or completely fallacious.

<https://www.facebook.com/photo.php?fbid=977229375689355&set=pb.100002069048072.-2207520000.1461105024.&type=3&theater>

<https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/74746775332184>

6) He kept wanting Ken to make predictions; to which I am astonished Ken didn't respond to the fact THAT THE ENTIRE UNIVERSE AND ALL EVENTS TRANSPILING ON EARTH ARE "PREDICATED" UPON WHAT THE SCRIPTURES/THE HOLY BIBLE/THE WORDS OF GOD ALMIGHTY OUR CREATOR RECORDS!

[https://www.youtube.com/watch?v=3\\_2T47PAIkM](https://www.youtube.com/watch?v=3_2T47PAIkM)

He should have said Bill, are you really asking me for what predictions are found in the world's most accurate book on prophecy? TAKE A LOOK AT CURRENT EVENTS! (the ones written millenniums ago, that you keep snidely remarking about) <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> and <http://www.facebook.com/notes/michael-swenson/prophecies-show-divine-inspiration-of-the-holy-bible/520171808061783> and <https://www.facebook.com/notes/michael-swenson/observable-divine-judgments/732720553473573>

<https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493/> - This Divinely Inspired Record traces history to the Beginning of ALL creation.

It should be noted that RECORDED HISTORY (the technology of writing) traces to the time of the flood; a sudden appearance of communication AND IN THOSE EARLIEST WRITTEN RECORDS we have accounts of the FLOOD Nye denies AND that KNOWLEDGE (including writing) came from GOD or in some cases the records refer to "gods", the fallen angels, nephilim recorded in the Bible and for which we have hard evidence of; to support the veracity of the Historicity and Truth in the Divinely Inspired Holy Bible now available in over 5000 languages worldwide. It is the most published and referenced Book in the entire history of mankind and people like Nye SHOULD study it; rather than falling for modern fairy tales in the name of their pseudo-science.

<https://www.youtube.com/watch?v=lktmmd7YnD8>

7) Nye went on further to mock, if the likes of the Grand Canyon aided in draining the global flood, then canyons like that would be found all over the world! To which Ken should have responded THEY ARE FOUND ALL OVER THE WORLD!

<http://www.environmentalgraffiti.com/news-deepest-canyons-earth?image=4> AND

[https://www.google.com/search?q=the+largest+canyons+in+the+world&rlz=1C1GIGM\\_enUS535US535&espv=210&es\\_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=cG\\_yUoySA6GlyAGJwYGAAQ&ved=0CFYQsAQ&biw=1067&bih=702](https://www.google.com/search?q=the+largest+canyons+in+the+world&rlz=1C1GIGM_enUS535US535&espv=210&es_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=cG_yUoySA6GlyAGJwYGAAQ&ved=0CFYQsAQ&biw=1067&bih=702)

and

heck such canyons are found even under Antarctica!

<http://www.sciencedaily.com/releases/2014/01/140114090831.htm>

and the oceans:

[https://www.google.com/search?q=oceanic+ridges+and+trenches&rlz=1C1GIGM\\_enUS535US535&espv=210&es\\_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=JXDyUortEs64yAGNuIHIAQ&ved=0CCKQsAQ&biw=1067&bih=702](https://www.google.com/search?q=oceanic+ridges+and+trenches&rlz=1C1GIGM_enUS535US535&espv=210&es_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ei=JXDyUortEs64yAGNuIHIAQ&ved=0CCKQsAQ&biw=1067&bih=702)

again my note indicates where some of the water that drained from the flood might be:

<http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756>

8) Then Nye flashed a shot of supposedly humanoid skulls on the screen as if to make some point regarding the nonsense of human evolution. <https://www.facebook.com/photo.php?fbid=724539820910527&set=a.361018770595969.88428.286013238096523&type=1&theater> Most all of the illustrations were drawings and renderings from a few tiny fragments (in other words, Nye put on the screen fictional artistry to support his religious beliefs in the name of "science"). [http://www.youtube.com/results?search\\_query=human+evolution+frauds&sm=3](http://www.youtube.com/results?search_query=human+evolution+frauds&sm=3)

Ham should have put up these guys and asked Nye where they fit into Nye's obviously religious beliefs: <http://www.youtube.com/watch?v=CEmnXV5Qs2Q&list=PLDD19870F568B7818> the disproved religions of evolution and atheism don't address these observable scientific facts because these facts support the accurate biblical account; whereas their disproven worldviews do not.

In other words, it is as foolish to put a bunch of human skulls or dog skulls or cat skulls on a screen of all different shapes and sizes and say SEE evolution as it is to take LIVING humans, dogs, cats, of all different sizes and shapes and make the same nonsensical claim! Nye's argument here is complete rubbish! The very same rubbish all zealously adhere to who fall for <http://www.facebook.com/notes/michael-swenson/the-dawkins-delusion/588126314599665>

It's folks like Nye that think different shapes of skulls represent different levels of "evolutionary development" in species that led to stoking the fires of extreme racism around the world and of genocidal maniacs like Hitler!

<http://www.youtube.com/watch?v=4mxXICZ9mXo&list=PL7F9B57EBDCCEECF8>

<https://www.youtube.com/watch?v=QbNpi2d5oEs>

9) Regarding the fossil record Nye would have people believe that creatures like this <http://www.utaot.com/2013/11/09/mysterious-sea-creature-caught-off-the-coast-of-borneo/> perished millions of years ago. In fact, most marine biologists claim we know less than 1% about all the marine life in the oceans; as such species are being found constantly that evolutionists claim went extinct millions of years ago. <http://listverse.com/2010/05/14/top-10-prehistoric-fish-alive-today/> There are many more species still alive today, and those that died in recent history, that defy the millions and billions of years postulated by those who cling to the religions of atheism and darwinian evolution. <http://kgov.com/dinosaur-soft-tissue> While Nye claims they are found neatly, in separate layers (in support of the fictional evolutionary tree and geologic column they still are brainwashing innocent children with in the name of "science"); not many species all bunched together, this is just another lie. <http://www.latimes.com/science/sciencenow/la-sci-sn-animal-pompeii-china-fossils-volacnoes-20140204,0,1152707.story#axzz2sVMGzZie> and <http://www.livescience.com/8340-world-largest-dinosaur-graveyard-linked-mass-death.html> Nye kept chuckling about if you found fossil evidence of them swimming and drowning then bring it on; you mean like all these?

[http://creation.com/death-](http://creation.com/death-throes)

[throes](http://creation.com/death-throes) and <http://www.fulfilledprophecy.com/bb/viewtopic.php?f=18&t=26481> and

<http://www.genesispark.com/exhibits/trivia/death-pose/> and

<http://www.freerepublic.com/focus/chat/2812721/posts> and even fossilized footprints have been

found showing they were running from rapidly rising water

[https://www.google.com/search?q=dinosaur+footprints+running+from+rapidly+rising+water&rlz=1C1GIGM\\_enUS535US535&oq=dinosaur+footprints+running+from+rapidly+rising+water&aqs=chrome..69i57j15106j0j8&sourceid=chrome&espm=93&ie=UTF-8](https://www.google.com/search?q=dinosaur+footprints+running+from+rapidly+rising+water&rlz=1C1GIGM_enUS535US535&oq=dinosaur+footprints+running+from+rapidly+rising+water&aqs=chrome..69i57j15106j0j8&sourceid=chrome&espm=93&ie=UTF-8) and

[https://www.google.com/search?q=dinosaur+footprints+running+from+rapidly+rising+water&rlz=1C1GIGM\\_enUS535US535&oq=dinosaur+footprints+running+from+rapidly+rising+water&aqs=chrome..69i57.15106j0j8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=dinosaur+footprints+running+from+rapidly+rising+water&rlz=1C1GIGM_enUS535US535&oq=dinosaur+footprints+running+from+rapidly+rising+water&aqs=chrome..69i57.15106j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8) so not only have dinosaur fossils shown massive drowning worldwide; but even fossilized footprints have been found showing them running toward high ground with rear prints vanishing from some four legged creatures before the front (as if rising water lifted them off the ground)!

[http://www.youtube.com/watch?list=PLv1rbD886yCbjUM3d1XVCEN9GTOclZNXD&feature=player\\_detailpage&v=hmMlpglyOnY#t=141](http://www.youtube.com/watch?list=PLv1rbD886yCbjUM3d1XVCEN9GTOclZNXD&feature=player_detailpage&v=hmMlpglyOnY#t=141) and <http://www.creationevidence.org/> and

[http://www.youtube.com/results?search\\_query=dinosaurs+and+man+coexisted&sm=1](http://www.youtube.com/results?search_query=dinosaurs+and+man+coexisted&sm=1) Evidence of such footprints of dinosaurs and other creatures running from rising water has been found and presented; but Mr. Nye is either in denial of this or unaware. I feel the need to insert here my note <http://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983> and another paragraph or two on why brainwashing is a form of aggravated assault against children; as is going on currently in our public education system by censoring ALL these facts in order to cling to animations and fiction in the name of "science". Yesterday, I had a rather sad experience of encountering yet two more persons who were so thoroughly brainwashed that they no longer even trusted in their own perceptive abilities.

I showed them overwhelming quantities of evidence PROVING deep time allegations regarding dinosaurs are FALSE.

<https://www.facebook.com/notes/michael-swenson/the-religion-of-evolution-versus-the-science-of-creation/729829070429388>

irrefutable proof set in stone of man and not just dinosaurs but trilobites (according to evolutionists one of the most primitive "pre-historic" life forms) COEXISTED! (and actually STILL COEXIST)!

<http://www.youtube.com/watch?v=Bh9YoMFO38g> - (and advised that they were in serious need of watching the entire archives of "Creation in the 21st Century" with Dr. Carl Baugh (as in fact should be used to aid the deprogramming of ALL who have been brainwashed in public education around the world with evolution and atheism))

They were not only shown these facts that clearly disprove evolutionary theory forced upon children in the name of "science"; they were given opportunity to look at the plethora of factual evidence supporting the Biblical Account of Creation. <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> current events ANYONE can SEE for themselves and archeological sites on earth that can be visited and observed first hand (as well as the above artifacts) that ALL disprove evolutionary hogwash and deep time assumptions. [http://scontent-a-lax.xx.fbcdn.net/hphotos-ash3/t1/1794705\\_722908154407027\\_6646380\\_n.jpg](http://scontent-a-lax.xx.fbcdn.net/hphotos-ash3/t1/1794705_722908154407027_6646380_n.jpg) and <http://www.facebook.com/photo.php?fbid=722908154407027&set=pcb.722908231073686&type=1&heater> Yet like Dawkins they chose to ignore their own perceptive abilities and rational thought in favor of clinging to their ludicrous religions of evolution and other anti-christian fabrications/lies. They kept chiming on and on about dating methods. And even though I pointed out that ALL such dating methods have been shown to be fallacious and DRAMATICALLY so; they insisted upon the accuracy. "we can observe the ratios!" they insisted! and I replied SO WHAT! We can take any subject and analyze it in

part and say it has a certain percentage of whatever elements are discovered in the test subject; how does that in any way tell anyone how OLD it is. BUT.... BUT.... we KNOW half lives SCREEEECH! put on the brakes! what do YOU know about "half-lives"?! ONLY WHAT YOU ARE TOLD BY THE SAME PEOPLE CENSORING ALL THE ABOVE INFORMATION! Information that PROVES the biblical account as accurate throughout is CENSORED from mention in public education in favor of animations and fiction supporting evolutionary and deep time brainwashing! So READ and learn <https://hps.org/publicinformation/ate/q8270.html> (translation- you've arrived here because you accurately realize none of us can tell how old a lump of metal or dirt or rock is just by looking at it; especially when we claim it is radioactive; but WAIT let us throw up a bit of letters and numbers and voila our magic "formulae" PROVES it is millions or billions of years old! these deceivers love to practice "if you can't dazzle 'em with your brilliance, baffle 'em with your b.s.!" taking advantage of the trusting innocence of little children and the lack of knowledge and critical thinking skills of far too many.) I told them it is OBVIOUS that when ANYONE alive only a few decades starts to talk about "millions" or "billions of years ago" they are AUTOMATICALLY engaging in imagination and fiction as THEY WERE NOT THERE! It is the same with those who claim they know the "half-lives" of ANY substance beyond recorded history. <https://www.youtube.com/watch?v=TVuVYnHRuig> I told them plainly which is more logical to believe that mankind has been on earth for hundreds of millions of years with the dinosaurs and trilobites (as the evidence plainly shown to us all set in stone) and yet, we find written history that only supports thousands of years; OR that radio active dating methods are simply FALSE based on FALSE ASSUMPTIONS and therefore full of radical errors that ANYONE can fabricate to suit their own chosen worldview. Which is more rational to set aside abundant, current observable evidence proving the Biblical account is accurate or presuppositions about radio-active dating methods that violate all the hundreds of delimiting factors of deep time they falsely claim? [http://scontent-a-lax.xx.fbcdn.net/hphotos-ash3/t1/1794705\\_722908154407027\\_6646380\\_n.jpg](http://scontent-a-lax.xx.fbcdn.net/hphotos-ash3/t1/1794705_722908154407027_6646380_n.jpg) But they were SO thoroughly brainwashed they chose to cling to LIES like those who claim the easily observed sandalprint with the trilobites isn't really a sandal print at all. (laughable insanity, the stone has been analyzed it is authentic and not only are the compressions indicative of a human footprint but remnants in the stone show the stitching of the sandal.) but religious adherents to evolution and deep time have proven themselves to be anything but logical, rational, reasonable individuals; instead, fall into categories ranging from legitimate ignorants to downright evil, intentional deceivers in lying to children in the name of science and history.

Face the facts people dinosaurs are STILL with us today. If alligators, crocodiles, rhinos, hippos, elephants, bears, komodo dragons etc. etc. were ALL extinct evolutionists would have assigned dinosaur names to them and included them in their fantasy of "once upon a time; very long ago..." despite the fact we have written history showing dinosaurs and man coexisted and still do to this day.

evolutionists want to dismiss ALL that evidence that they falsely accuse Christians of doing in order to remain in their depraved state of denial of the God of the Holy Bible, Creator of the Universe and all therein. To do that they systematically LIE about ALL of it; but there is so much evidence (READ and WATCH the links provided in this and all my notes and RESEARCH this topic THOROUGHLY- you were LIED to in the name of "science" and "history" for many years; during the critical development years and as such it might be difficult but you really need to look at OBSERVABLE evidence and weigh it against the animations you were shown in grade school and are still being forced upon children today); as I was saying there is SO MUCH evidence (ubiquitous) in support of the Biblical Creation Account; that if children were allowed to SEE the TRUTH for themselves NO ONE would grow up believing the facile rubbish of evolutionary fiction!

Nye mocks and scoffs at all kinds of things that have been verified in the Scriptures; even laughing about kangaroos. The "science guy" needs to acquaint himself much more thoroughly with the science of archaeology: <https://www.youtube.com/watch?v=z1OufLYhMw>

[https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM\\_enUS535US535&ion=1&espv=2&ie=UTF-8#q=1982%20fayum%20find%20of%20kangaroo%20bones](https://www.google.com/webhp?sourceid=chrome-instant&rlz=1C1GIGM_enUS535US535&ion=1&espv=2&ie=UTF-8#q=1982%20fayum%20find%20of%20kangaroo%20bones)

We know there were gigantic herds of buffalo here in North America and yet outside of recorded history and a few bones, we have no fossil evidence of it; so NOT EVERY CREATURE ON EARTH is going to leave behind a fossil signature showing their migration.

10) Nye and his "science" lies, arrogantly had the audacity as if to presume his worldview that contradicts ACTUAL science, AND the infallible Holy Scriptures that has been the model of the Creation account for the entire history of mankind, is somehow to be on trial as valid by his own totally fallible worldview based on all his stated false premises and likewise then, obviously false conclusions. In actuality it is Nye who is making the outrageous claims, the extraordinary ones! It is therefore upon him to prove them. Not only did he fail to prove them; he only succeeded in disproving them! Showing once again that those who reject the knowledge of our Creator are in favor of practicing <http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558> and are in danger of being found as all who cling to <http://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983>.

I state in this video that our Creator showed me how He Created and Made the Universe; but I need to be more specific. I had a series of dreams (not saying they all are true or prophetic, just as an explanation for what I saw) ; in these dreams the sun burnt out or went out; there was no sunlight on earth but complete darkness. There was not even moonlight or starlight. The whole world was enveloped in a darkness as tangible as the deepest cave! People started going insane, burning anything and everything just to have some light. And I thought to myself this truly is the END... unless... (as I thought "the LORD makes it all anew..."); it was then, in that simultaneous thought, that I saw the following: <http://www.youtube.com/watch?v=ri3R6vFVfEg> It was only my assumption that our Creator formed our present universe in this manner; when He could have done it some other way. I state this because Nye's science lie of the "big bang" does not explain why so many celestial bodies are spinning, revolving traveling in spirals through space and time and what I saw in the dream does. <http://www.youtube.com/watch?v=SbK34NaMnQ4> this is closer to the mark but it fails to show that the sun is also traveling in spirals, so are the galaxies in general. Keep in mind as they flung off in

greater and lesser densities from the central enormous molten mass that they all exploded like fireworks (and still are doing so to this day) such that scatterings of matter have occurred even some that headed back toward the origin of matter in time and space. Thus not one big bang; but a vast multitude of smaller ones; as spinning matter separated and flew off the formerly gigantic spinning molten sphere at the origin of the universe. <https://www.facebook.com/notes/michael-swenson/so-you-think-the-big-bang-is-scientific/620654451346851>

<https://www.facebook.com/notes/michael-swenson/the-space-time-continuum/833112730101021>

So we are looking at the past and the scientists who think they found data proving it to be accelerating; have simply misinterpreted their data; which actually proves the opposite, that it is in fact slowing down, cooling off. The further one looks into time and space, that is the further into the PAST one looks into time and space, the faster the bits of matter, (galaxies and stars), were moving then; their findings prove that. Regardless, science confirms the matter in the universe is expanding or stretching out (again confirming the biblical account -<http://biblehub.com/jeremiah/10-12.htm>)

**In fact, science has confirmed all the Biblical Account and is just plain easily observable FACT!**

<https://www.facebook.com/notes/michael-swenson/the-religion-of-evolution-versus-the-science-of-creation/729829070429388> So if Nye actually believes what he OBSERVES then he should be a creationist. (instead of coming across as he did in this debate as one who is extremely <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> and still in need of learning the Truth!<http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> )

But here is where I ask of the young earth and young universe creationists to list with an actual list ALL the reasons they can think of (with scientific support) for why they think the earth and the universe is less than 10,000 years old. I have read many articles by Ken Ham's and other creation ministries but have yet to see an easy to follow comprehensive list in this regard.

I know our Creator personally, and I have not met many who remember pre-incarnation as I do <http://www.youtube.com/watch?v=OltULVOajtg>; yet for all my experiences and direct Divine Revelations; I am not persuaded either way as to the actual age of the universe (I personally don't think it very important). **I think knowing our Creator is important, living in the present is important, fulfilling**

**ones calling moment by moment is important. The whole world lies in wickedness and is on a current path toward global extinction events!** <http://www.facebook.com/notes/michael-swenson/crimes-against-humanity/571080836304213> I think these are FAR more important matters than whether the universe is young or old; because of <http://www.facebook.com/notes/michael-swenson/propaganda/528691883876442> and <http://www.facebook.com/notes/michael-swenson/treatise-on-greed-and-corruption/517410181671279> and <http://www.facebook.com/notes/michael-swenson/satanism-fools-who-want-to-burn-forever-represent-a-threat-to-themselves-and-all/554580804620883> that brings about <http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558> and <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> for the purpose of <http://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> and the only remedy is <http://www.facebook.com/notes/michael-swenson/why-we-all-need-instructions-from-our-creator-to-live-by/533444303401200> to be taught everywhere; especially to the children; so they mature into such persons of integrity; necessary for a peaceful, strong, stable, prosperous society; as I propose: <http://www.facebook.com/notes/michael-swenson/solutions/516489485096682> and until then all who love freedom and especially all who love GOD need to <http://www.facebook.com/notes/michael-swenson/there-is-no-pre-tribulation-rapture-prepare-for-war/533858466693117> and <http://www.facebook.com/notes/michael-swenson/the-weapons-of-our-warfare/578505248895105>; help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> and <http://www.facebook.com/notes/michael-swenson/you-will-know-truth-truth-will-set-and-keep-you-free/551134041632226> and <http://www.facebook.com/notes/michael-swenson/islam-is-evil-and-any-worldview-that-calls-for-genocides-and-extreme-violence-to/560337004045263> and <http://www.facebook.com/notes/michael-swenson/the-dangers-of-remaining-ignorant-about-the-times-we-are-living-in/557410497671247> and <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> and <http://www.facebook.com/notes/michael-swenson/warning-weve-been-invaded-and-infiltrated-our-nation-is-under-attack/566322743446689> and <http://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948>

But let's acknowledge the Truth; everything in the visible universe is moving at various velocities in time and space. If you find a faster moving object it may have been something accelerated from an explosion, or from gravity, it may not be something that had that initial velocity that was flung from the origin of the universe; (keep in mind whole galaxies can be results of series of explosions, and entire galaxies can be accelerated by gravitational forces; not just stars and planets, asteroids and comets). So in viewing light streams of all these objects moving through time and space; how can anyone accurately

fix the location of the celestials (state without error and absolute certainty how many light years away those objects are from each other and one another) when none of our optics are up to the task (only view the light streams or paths such objects once went through); in order to make such precise mathematical computations? (trigonometric parallax only works at relatively close distances- <http://www.answersingenesis.org/articles/arj/v6/n1/astronomical-distance-light-travel-problem>) We can only rely on our observations in the moment which are as our Creator intends when viewed from earth (even though we are looking into the past when we view the celestials) which again, is another irrefutable proof of our Intelligent Creator who has timed the celestial bodies, stars, to coincide with events transpiring on earth; exactly as He tells us:<http://biblehub.com/genesis/1-14.htm>. <http://www.youtube.com/watch?v=BJ6szvfApNM> and <http://www.bethlehemstar.net/>

**AGAIN, IT IS VERY CLEAR, THAT THE UNIVERSE IS DIVINELY DESIGNED!**

**the SIGN**

(<http://biblehub.com/isaiah/7-14.htm> - The Sign of Immanuel

...13Then he said, "Listen now, O house of David! Is it too slight a thing for you to try the patience of men, that you will try the patience of my God as well? 14"Therefore the Lord Himself will give you a sign: Behold, a virgin will be with child and bear a son, and she will call His name Immanuel.

**of GOD Incarnating was TIMED BY HIM; according to and coinciding with the SIGNS He made for mankind:** (<http://biblehub.com/genesis/1-14.htm> - The Fourth Day: Sun, Moon, Stars

14Then God said, "Let there be lights in the expanse of the heavens to separate the day from the night, and let them be for signs and for seasons and for days and years; 15and let them be for lights in the expanse of the heavens to give light on the earth"; and it was so....)

**Such that when YAHOSHUAH Incarnated** (Immanuel - The Birth of Jesus

...22Now all this took place to fulfill what was spoken by the Lord through the prophet: 23"BEHOLD, THE VIRGIN SHALL BE WITH CHILD AND SHALL BEAR A SON, AND THEY SHALL CALL HIS NAME IMMANUEL," which translated means, "GOD WITH US."<http://biblehub.com/matthew/1-23.htm>)

**people all over the world would KNOW this is GOD in the flesh!** <https://www.youtube.com/watch?v=ff-Gp194XUU> and

<https://www.facebook.com/notes/michael-swenson/god-part-2/830858016993159> thus all those teaching nonsense regarding the origin and essence of creation (like Mr. Nye) need to stand aside for those who properly understand the universe in which we exist like Mr. Ham. And it is Biblical Creation that science supports, not any of the delusions Nye espouses. As such, it is Biblical Creation, that should be properly taught all children in public education! Nye, is also either in ignorance about the literary accuracy and historicity of the Holy Bible or he is intentionally deceiving listeners when he alleges the words in the Holy Bible are brought to us like a game of telephone. <http://blogs.answersingenesis.org/blogs/ken-ham/2014/02/21/the-bible-is-not-like-the-telephone-game/> According to apologists like Josh McDowell, the veracity of the scriptures had such supremely uncommon practices in writing and recording what are now the contents of the Holy Bible that they had very specific time consuming rituals for even recording just the Name of God. <http://www.yahweh.com/The-Name-Of-Yahweh.html> When talking about the Holy Bible we are not talking about imaginations, myths, legends, or the many other claims of modern day ignoramuses and blasphemers <https://www.facebook.com/notes/michael-swenson/refutations-of-the-false-accusations-made-by-worldviews-against-christ-and-his-f/735623916516570>; we are talking about Divine Revelations straight from our Creator to persons who recorded each and every word EXACTLY under strict commands and ordinances; with very dire consequences for disobedience! <http://biblehub.com/revelation/22-18.htm> and <http://biblehub.com/revelation/22-19.htm> and <http://biblehub.com/deuteronomy/4-2.htm> and <http://biblehub.com/deuteronomy/12-32.htm> Thus the literary accuracy of the Holy Bible surpasses all other ancient literature BY FAR (and even modern reference works) as far as preserving original content and reliability. <http://www.angelfire.com/sc3/myredeemer/Evidencep3.html> and <http://carm.org/manuscript-evidence>

<https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493>

If one observes the reality in which we all exist; it is unmistakably and irrefutably proof (true science confirms and supports the contents recorded in Divinely Inspired Holy Writ) of what is written clearly in the Holy Bible; and as such it is Mr. Nye's worldview that is totally unsupportable; not Mr. Ham's. Regardless, of whether or not the universe and earth is young or old <https://www.facebook.com/notes/michael-swenson/understanding-the-holy-bible-part-1/611082142304082>, the evidence is in that it was in fact Created and Made by the God of the Holy Bible and, as such, I am concerned that the rubbish Mr. Nye believes is being taught in the name of "science" in public education [https://www.youtube.com/watch?v=3Q0qC4\\_uTVU](https://www.youtube.com/watch?v=3Q0qC4_uTVU); instead of what is actually observable and rationally supported by all the sciences in plain view of all souls - the Biblical Creation Account.

## [Biblical Creation](#)

### UNDERWATER CITY DISCOVERED

This time off the coast of India.

A major discovery of submerged ruins was made in April of 2002 offshore of Mahabalipuram in Tamil Nadu, South India. The discovery, at depths of 5 to 7 meters (15 to 21 feet) was made by a joint team from the Dorset based Scientific Exploration Society (SES) and marine archaeologists from India's National Institute of Oceanography (NIO). Investigations at each of the locations revealed stone masonry, remains of walls, square rock cut remains, scattered square and rectangular stone blocks and a big platform with steps leading to it. All these lay amidst the locally occurring geological formations of rocks.

Based on what at first sight appears to be a lion figure at location four, the ruins were inferred to be part of a temple complex. The Pallava dynasty, which ruled the region during the 7th century AD, was known to have constructed many such rock-cut, structural temples in Mahabalipuram and Kanchipuram.

Underwater investigations were carried out at 5 locations in the 5 – 8 m water depths, 500 to 700 m off Shore temple.

Investigations at each location have shown presence of the construction of stone masonry, remains of walls, a big square rock cut remains, scattered square and rectangular stone blocks, big platform leading the steps to it amidst of the geological formations of the rocks that occur locally.

Most of the structures are badly damaged and scattered in a vast area, having biological growth of barnacles, mussels and other organisms.

The construction pattern and area, about 100m X 50m, appears to be same at each location. The actual area covered by ruins may extend well beyond the explored locations.

The possible date of the ruins may be 1500-1200 years. Pallava dynasty, ruling the area during the period, has constructed many such rock cut and structural temples in Mahabalipuram and Kanchipuram.

The last claim is questioned by underwater archeologist Graham Hancock, who says a scientist have told him it could be 6,000 years old.

Durham University geologist Glenn Milne told him in an e-mail: "I had a chat with some of my colleagues here in the dept. of geological sciences and it is probably reasonable to assume that there has been very little vertical tectonic motion in this region [i.e. the coastal region around Mahabalipuram] during the past five thousand years or so. Therefore, the dominant process driving sea-level change will have been due to the melting of ice sheets

**\*\*more accurately, sea levels rising after Noah's flood\*\*.**

Looking at predictions from a computer model of this process suggests that the area where the structures exist would have been submerged around six thousand years ago. Of course, there is some uncertainty in the model predictions and so there is a flexibility of roughly plus or minus one thousand years is this date."

**\*\*6,000 years minus one thousand years lines up quite nicely with Noah's flood approximately 4,500 years ago, also taking into account some time for global processes to change the face of the Earth sea levels changing etc.\*\***

If that were true, it would be a spectacular development. Previous archaeological opinion recognizes no culture in India 6,000 years ago capable of building anything much.

**\*Once again demonstrating man's high intelligence that has been overlooked by mainstream science. Notice the words "capable of".\***

Hancock says this discovery proves scientists should be more open-minded. "I have argued for many years that the world's flood myths

**\* Noah's flood isn't a myth but all cultures passed down stories from the actual event\***

deserve to be taken seriously, a view that most Western academics reject. "But here in Mahabalipuram, we have proved the myths right and the academics wrong."

**\*The Bible is always proving secular scientists wrong\***

**Michael Leinbach** "Face the facts people dinosaurs are STILL with us today. If alligators, crocodiles, rhinos, hippos, elephants, bears, komodo dragons etc. etc. were ALL extinct evolutionists would have assigned dinosaur names to them and included them in their fantasy of "once upon a time; very long ago..." despite the fact we have written history showing dinosaurs and man coexisted and still do to this day."

I got a kick out of this!! The fact is the reason the argument came up regarding dinosaurs is because science for years has always assumed that these bones and skulls they found were Huge scaly creatures when it fact it has been found that they all had feathers like a bird and not all of them were huge as was considered by most.

So what you say makes even more sense! Gators crocs rhinos hippos elephants komodo dragons and others are exactly the types of skeletons they would be claiming are millions of years old and extinct! That said I am sure that most extinct animals are considered millions of years old dinosaurs.

There is no talking to evolution queens.

**MAMMOTHS ATE FLOWERS**

Scientists are just discovering that mammoths ate flowers. They didn't live in a frozen environment through some ice age lasting millions of years at all. Many mammoths are found perfectly preserved with food still in their mouths. Inspecting stomach contents we also find tropical plants.

This shows us they were killed quickly. The Earth's processes aren't slow and methodical like we were lead to believe but rather catastrophic and sudden. What do we learn from this? The Earth is young.. which certainly voids out evolution.

And a side note to all of this, mammoths lacked sebaceous glands to keep their fur insulated. They weren't at all capable of living in freezing temperatures.

THE TOBACCO HORNWORM

Each day the tobacco hornworm caterpillar ingests six times the lethal dosage of nicotine for humans!

The creature processes the remaining nicotine to release it through respiratory holes in its skin, to ward off wolf spiders

Until now scientists were unsure of how the tobacco hornworm processed the addictive substance to use as a weapon against hungry spiders.

They have discovered that some of the toxin enters the insect's blood while the remainder is excreted through tiny respiratory holes on its skin and in turn works as an effective deterrent.

This is another living organism that totally defies the evolutionary process. How could this tiny caterpillar evolve to ingest a toxic amount of nicotine? If evolution were true, it wouldn't be here! God made everything in perfect order from the very beginning.

EVOLUTION COUD NOT DO THIS

The ichneumon wasp (*Thalessa*) looks so delicate that the slightest wind ought to blow it over. Yet it lands on a hard tree trunk, and begins thumping with something that looks as delicate and frail as the leg of a daddy longlegs. But that antennae, thinner than a human hair, happens to be a high-power extension drill. The drill is about 4½ inches [11.43 cm] long, so long that it curves up and down as the small insect thumps on the hardwood with it. After thumping for a time, the tiny creature somehow knows it has found the right place to start work. Drilling begins. This little wasp uses that delicate feeler to cut its way down through several inches of solid, hard oak wood! This is totally unexplainable. Scientists have tried to solve the puzzle, but without success. The second miracle is what the wasp is drilling for; the larvae of a special beetle. How can it possibly know where to start its drill, so as to go straight down (it always drills straight down)—and reach a beetle larvae? Scientists cannot figure this

out either. Somehow the initial thumping told the tiny insect that a grub was several inches down, and that it was the kind of larvae it was looking for. The ichneumon wasp lays its eggs on just one larvae, that of the Tremex. When those eggs hatch, they will have food to grow on. Then, before they grow too large, tiny ichneumon wasps come out through that original hole

Is Bill Nye an Expert in Astronomy?

AiG astronomer Dr. Danny Faulkner, has written an article to point out problems with a number of statements by Bill Nye on astronomy at the recent debate.

Dr. Faulkner concluded:

"...some of the things that I criticized here could be simple misstatements, and hence might amount to nit-picking. However, many are more difficult to explain as simple misstatements. In fact, I find the errors Bill Nye made to be remarkable and troubling.

Taking these points together, I suggest that Nye may not know nearly as much about astronomy as the general public thinks he does. The incorrect information that he presented about astronomy in the debate ought to be a bit embarrassing for the executive director of the Planetary Society, let alone "the Science Guy."

I encourage you to read the entire article at the link provided.

<http://www.answersingenesis.org/.../debate-astronomy-errors>

Dr. Danny R. Faulkner has a B.S. (Math), M.S. (Physics), M.A. and PhD (Astronomy, Indiana University). For over 25 years he was on the faculty of the University of South Carolina Lancaster, where he taught physics and astronomy. He was Chair of its Division of Math, Science, Nursing, and Public Health (2009–2012). Dr. Faulkner retired as a full professor and now holds the title of Distinguished Professor Emeritus. In January, 2013 he joined Answers in Genesis and its Creation Museum full time. He has published more than a hundred papers in various astronomy and astrophysics journals

## Tropidoderus Childrenii

Children's stick insect, *Tropidoderus childrenii*, is a species of stick insect found in Australia. Children's stick insect being about 110 millimetres (4.3 in) long can be quite gracious but when they reproduce they can reach plague proportions and can wipe out eucalypt forests. During adulthood the children's stick insect mate more than once and this species is parthenogenic so its whole life as an adult, the female children's stick insect is laying eggs. From Winter to Autumn, (winter laid autumn hatched) the eggs will hatch forming an army of baby stick insects

# THE CHANCE OF THE GAPS FALLACY

“Statistical reasoning must be capable of eliminating chance when the probability of events gets too small. If not, chance can be invoked to explain anything. Scientists rightly resist invoking the supernatural in scientific explanations for fear of committing a god-of-the-gaps fallacy. Yet without some restriction on the use of chance, scientists are in danger of committing a logically equivalent fallacy—one we may call the “chance-of-the-gaps fallacy.” Chance, like God, can become a stop-gap for ignorance.

Some points on your ship building post where I think you are going off the evidence trail:

"3) Nye emphasizes his knowledge of ship building and mocks the very notion of Noah's Ark as if he is completely oblivious to the three findings of such craft already in the biblical region that Ark came to rest in and of size and date corresponding to the biblical account. Argument moot and fallacious! Observable scientific fact; such a craft of the size and dimensions in the Bible have been found in the region the Bible states! Furthermore; all other rubbish Nye believes has been proven fallacious regarding his view that the flood never occurred at all when it has been overwhelmingly scientifically proven as factual history!"

I am leery, NO I am TOTALLY convinced there have NEVER been any ARK's found anywhere, and I don't expect there ever will be. I am NOT adamant about that.

HOWEVER nothing found to this date is the ark. There is NO doubt of that - the original was probably used for habitation and repurposed as there would be NO trees available to build with for years.

That is a sidenote

The falsity of Nye's silliness about the ark should have been OBVIOUS even to him, as an engineer on Jet propulsion muffling systems (sarcasm - he's NO more qualified to opine than I am) The 5 masted schooners carry an incredible amount of kinetic energy in their sails, not always from the same direction, and are levered against the resistance of the water creating incredible twisting moments. The hulls are long and very thin for increased speed. Small wonder they are inherently fragile.. The propulsion force coming from so far above the fulcrum (the deck) was BOUND to destroy it.

The ark on the other hand was a thick square box - with NO propulsion system to stress it. ERGO any comparison is irrational and irrelevant.

Think sheet of paper vs 2 X 4.

NOW the Greek war ships of the same size as the ark have NO recorded longevity records. HOWEVER, they had their propulsion from WITHIN - many rows of oars - providing propulsion without stress, carrying 7500 + soldiers plus arms (maybe horses?) and designed to RAM opposing navies.

SO Nye MAY claim to be an engineer, but he surely isn't using even BASIC engineering in his statements.

I MAY revise and add to this later - I have more material on this.

[Michael Swenson](#) bottom line you don't have to be a scientist to know the evolutionary paradigm is clearly NOT scientific. Nothing regarding evolutionary cosmology (origin of the universe has been observed or replicated in a lab), nothing regarding chemical evolution likewise (how the quarks became all the various elements) and nothing regarding stellar evolutionary claims, abiogenesis claims, and macro-evolution claims has ever been observed or demonstrated and replicated in a lab. UNDERSTAND the evolutionary paradigm is IMAGINARY! NOT scientific. 1) EVERYTHING came from nothing - <https://www.google.com/webhp?sourceid=chrome-instant...> It doesn't matter what their excuse for such mental acrobatics and nonsensical imaginations are, when ANYONE VIOLATES THE FOUNDATIONAL LAWS OF KNOWLEDGE AND SCIENCE itself to believe something so OBVIOUSLY FALSE, they have passed the state of willful ignorance, stupidity, and are well on their way to total insanity! - The "universe from nothing" violates the Laws of Non-contradiction and Causality; which as Aristotle put it, must exist for anyone to know anything at all. (Evolutionary Cosmology as is being taught in the name of science today is OVERTLY RELIGIOUS; not even remotely rationally supportable, and is MOST DEFINITELY NOT scientific.)

2) They go on to claim the Causeless EVERYTHING universe not only came from nothing, BUT that includes ALL forms of energy and matter! (Chemical evolution of how atoms formed, molecules, and all the various elements and forms of energy, have yet to be demonstrated by anyone and as such the "theories" fall once again outside the realm of science and the scientific method and are purely religious). YET is all being taught as FACT even though those teaching such things cannot demonstrate what they BELIEVE by blind faith. (everything causeless came from nothing and without directed cause mysteriously assembled itself into separate forms of energy and elements).

3) Atheists and evolutionists further go on to espouse their religious beliefs regarding stellar evolution. How not only the causeless universe that came from nothing causelessly assembled itself into all known forms of energy and matter, BUT that those forms of energy and matter were so balanced as to combine into stars, planets, asteroids, comets, etc. and even our earth. WHY are there larger galaxies, smaller galaxies, larger stars, smaller stars, etc. IF it all began with ONE form of energy and undefined massless particles, HOW did assembly not only atomically occur, the elements, but VARIED concentrations of elements in stars and planets? AND why did assembly occur at all and HOW are these various masses of various elements and properties held together; in clear violation of the Law of Entropy and the scientific properties of those various elements and isotopes? With every step one takes in the modern popular evolutionary paradigm, one gets further and further away from TRUTH and reality into the depths of abject delusions, deceptions and irrational fantasies!

4) Abiogenesis - the nonsense being forced on mass millions in the name of so called science, DISREGARDS SCIENCE and WHAT WE ALL OBSERVE to make ANOTHER IMPOSSIBLE CLAIM! The Law of Biogenesis alone is IRREFUTABLE EVIDENCE of our ETERNAL CREATOR! LIFE COMES FROM LIFE - <https://www.facebook.com/notes/michael-swenson/god/719346771477618>; it absolutely does NOT

come from the nothing that became everything that causelessly defined itself into elements and forms of energy, and to top it all off those causeless, chaotic particles and energy not only assembled themselves together but without any reason whatsoever SPRANG TO LIFE one day!!!!!!! WHAT IS BEING FORCED ON CHILDREN as the evolutionary constructs taught in the name of science today IS TOTAL MADNESS!!!!!!!!!! <http://biblehub.com/romans/1-22.htm> and <http://biblehub.com/romans/1-28.htm>

5) SO FAR, the IMPOSSIBLE hurdles that atheists and evolutionists mentally jump are: a) everything came from nothing b) forms of energy and defined atomic structure "evolved" into existence without any rational explanation as to why or how c) in defiance of entropy and elemental properties these invisible particulates assembled themselves into visible matter of galaxies, stars, planets in various sizes and dimensions, in various concentrations from the causeless "cosmic inflation" event. d) life sprang into existence from non-life. ALL OF THESE MENTAL GYMNASTICS VIOLATE THE LAWS OF SCIENCE, KNOWLEDGE AND REASON!!!!!!!!!! everything from nothing, order from chaos, life from non-life are ALL DIRECT CONTRADICTIONS! otherwise known as IMPOSSIBILITIES!!!!!!!!!! Conversely, Creationists KNOW our Eternal Creator and learn directly from Him. The Creationist worldview is BASED on what we OBSERVE! Recorded history regarding the Incarnation of our Creator and Creation confirming that history. Thus the Creationists are on the side of WHAT IS OBSERVABLE and VERIFIABLE and REPEATABLE, in that ANYONE can KNOW our Eternal Creator and learn from HIM and in the learning from HIM, both by studying His Creation, His Written words and by His Spirit, we receive direct confirmation of the Creation account (as I have posted but few seem to take the time to read even though it is about such pre-eminently important topic and knowing and learning from our Creator directly!) <https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/747467775332184> and <https://www.facebook.com/notes/michael-swenson/the-space-time-continuum/833112730101021>

was considered the "smallest building block of matter" but when protons, neutrons and electrons came along, we started to see the rabbit holes of modern physics go on virtually endlessly. To the point where quarks have been discovered and smaller particles still. At some point scientists are trying to define when and how is energy transformed into mass, (HOW DOES GOD MAKE the INVISIBLE, VISIBLE) I

encourage them to go on in their search; but what I object to is calling any of these discoveries "natural" when in fact they are both supernatural in origin and essence. I object to those who call these

mechanisms "explained" simply because they apply DIVINE attributes to anything observed; especially particles so small it takes imagination to even begin to conceive of them, "discover" them, and define them according to their own presuppositions that discovering tiny vibrations, waves, and particles

explains Creation apart from our Creator; when it absolutely does NOT. NO MATTER HOW MANY SMALLER AND SMALLER PARTICLES MAY YET BE FOUND, BOTH ENERGY AND MASS ULTIMATELY EXISTS

BY DIVINE PROVIDENCE; OUR ETERNAL CREATOR YAHOSHUAH, commonly referred to in English as our LORD and SAVIOR, JESUS the CHRIST. One thing far too many "scientists" seem unwilling to admit, and that is observable reality TAKES DIVINE INTELLIGENCE NOT ONLY TO CREATE IT BUT TO SUSTAIN AND PRESENT IT MOMENT BY MOMENT! Max Planck comprehended it correctly; why are others trying so hard to present themselves as obtuse to the OBVIOUS. "All matter originates and exists only by virtue of a force which brings the particle of an atom to vibration and holds this most minute solar system of the atom together.

We must assume behind this force the Existence of a Conscious and Intelligent Mind. This Mind is the matrix of all matter."

[The Space Time Continuum](#)

# The Fourth Dimension - Mapping Time and Space

Origin/Beginning Point 0 and with respect to time and space 0,0,0,0 exists within the center of the first spinning tetrahedron/sphere it occupies

The origin of Time and Space is the origin of all matter in the Universe. All matter is constantly moving through Time and Space/The 4th Dimension. If we want to discuss what exists in the 3rd instance of time we would be discussing everthing within the green sphere and so on with each passing increment of time more space is defined. So when the Creator brought everything into existence Time and Space had its origin at that instance. All matter was a superheated enormous mass in the Beginning and was set in motion spinning by the Creator. As He spun the superheated mass; molten liquids gases and solids flung outwardly from the origin into the 4th Dimension/Time and Space. So my friends not only is Space/Time Travel possible but everything in the universe is doing just that constantly. The Creator alone occupies all of the 4th dimension which is his House at once. So He experiences all of it past, present and future at once and tells us of the so called future in the form of prophecy. This is what the meaning is of the scripture Ecclesiastes 3:15 and is why the Holy bible always has been and always will be inerrant in prophecy.

**Time is non-linear because it emanates in all directions from the origin**

One point = 1st dimension Two points/line = 2nd dimension Three points/triangle = 3rd dimension Four points/Tetrahedron = 4th dimension; specifically a spinning tetrahedron that occupies a sphere with radian equal to a instance of time. Interlocking spinning tetrahedrons map all Time and Space thusly.

This is too funny not to share...

So retired neurosurgeon Ben Carson recently confirmed that he believes that God created the world in six literal days, just as the Bible records.

What's funny about that? Well not long ago, arrogant atheist Bill Nye the "Science" Guy appeared in a video saying to creationist adults (like Ben Carson): "If you want to deny evolution and live in your world that's completely inconsistent with everything we observe in the universe, that's fine. But don't make your kids do it because we need them. We need scientifically literate voters...We need engineers that can build stuff, solve problems."

Solve problems like...oh I don't know, being the first doctor to ever successfully separate Siamese twins joined at the head? At 33, Carson was the youngest physician to head a department at John Hopkins. He is also credited with the revival of a medical procedure known as a hemispherectomy, an operation where half a patient's brain is removed in order to cure certain brain diseases that cause seizures.

Yet Bill Nye, a man who failed a career in standup comedy before becoming an engineer and kiddie television show host who holds no PhD in anything calls Ben Carson scientifically illiterate.

This is what happens when you are a fervent religious zealot for the Darwinian faith. You can't help but say the stupidest things to try to defend your foolish worldview.
