

Commentary on Genesis Ch. 1 Part 2

Understanding original Divine Intent and Purpose; helps us to understand all things. Our Eternal Creator; decided to make Creation for the Purpose of Fellowship/Communing with His Creation; Uniting With it in Purity and Holiness forever and ever. It is Divine Will and Purpose for His Creation to exist harmoniously not only with each other, but with Him forever and ever. However, certain creatures He made, chose/choose NOT to do so; but rather to hate, to murder, to do every kind of evil and wickedness; these are NOT in fellowship with Him or others; but are bent on death and destruction. As such those who by free will choose/chose to do so wickedly and want nothing to do with our Holy Creator; but to destroy His Creation and do so without repentance; are not only separated from knowing and communing with our Creator at present; but will be permanently separated from Him and the Rest of Creation by being perpetually confined in the Lake of Fire; which is the manifestation of Divine Wrath and Vengeance for having set themselves to do every kind of evil to His Own Children and His Own Creation. It is permanent arrest of deceivers, rapists, robbers, murderers, child abusers, and every wicked imagination and deed that has ever existed. For the rest of humanity and creation, not only can we presently unite with our Creator as He intends and fellowship with Him now; but we will do so forever as the rest of Creation becomes filled with His Glory and Virtues and Paradise becomes manifest throughout the universe; except where those who do evil; without repentance, will be confined (the Lake of Fire). In the manifestation of these things we observe what we think of as events in time and space. For the Eternal Creator, these are all just states of being in Eternity. From our incarnate perspectives the duration of these things have a Beginning and an End and a measureable amount of time in between. Genesis Ch.1 and the rest of the Scriptures define that measurable amount of time and how the End will reflect the Divine Intent of the Beginning.

I hear of those who think the "days" in Genesis refer to 24 hour periods; and is only talking about things long past; not moment by moment manifestations; but I think they would find it difficult to explain how seven twenty-four hour periods fit into just one twenty-four hour period. <http://biblehub.com/genesis/2-4.htm> and <http://biblehub.com/interlinear/genesis/2-4.htm> and <http://biblehub.com/interlinear/genesis/2-2.htm> and <http://biblehub.com/interlinear/genesis/2-1.htm>

If Genesis is only talking of things past, already done, then we either have to conclude that everyone pre-exists before they are born or incarnate (which many of these same persons refuse to acknowledge who think that Genesis is talking about events long ago rather than the duration of Creation; the process of what our Creator thinks of (Creates) and then manifests (makes visible in space over "time"). The same word for day is used for the seven days as the one day in which all generations of the heavens and

earth come into and have their being. So to be consistent; if you are going to call those "days" of Genesis chapter 1: "24 hour periods"; ALL of them, then you are attempting to somehow cram 7-24 hour periods into one-24 hour period. It is as obvious as newborns that come into being every moment of every day, that this perspective of understanding Genesis is an incorrect one (7 literal 24 hour periods of events long ago). But when we find the definitions in our Creator's Record given to us of "days" and of all terms; it all makes perfect sense. If the basis of your interpretation is so obviously flawed, find the correct one(s). For example, by this same error, these persons conclude that the universe and the world is but 6000 years old or so; but even by their obvious misunderstanding of Genesis they would be left to explain much with very little to go on based on their false premises. Like when did Lucifer and the angels come into being? If they say it was one of the 24 hour periods, then Lucifer and the fallen angels, demons and devils, were but hours old, or days old at best when they became satan and dark, foul and unclean spirits. And but days old, entered into the Garden of Eden, seduced Eve, and thereafter the daughters of mankind, to create the nephelim and rephaim. In just a few days of existence, they had knowledge of music, of cosmetics, of metallurgy, of genetics, of all the many arts and sciences AND how to use them for doing evil. Furthermore, they would have to account for how Adam named ALL the creatures on earth <http://biblehub.com/genesis/2-19.htm> in just a few hours or days at most (before He was even cast out of the Garden of Eden) and how without even the knowledge of darkness, he would be aware of 24 hour periods. (the Garden of Eden had no night, death, darkness, sorrow, weakness, fatigue, etc. and I can tell you as a result there is no sense of time there from personal experience.) They would have to explain all these things to hold onto such a view. Holding that Genesis Ch.1 is talking about 7 literal 24 hour periods of events that transpired long ago, whether thousands of years or longer, is not a supportable view or interpretation. Keep in mind our Creator tells us He created ALL these things BEFORE they were MADE manifest in the earth (so the manifestation of Creation; which is the Genesis Account occurs with the passage of "time"). <http://biblehub.com/psalms/90-2.htm> and <http://biblehub.com/genesis/2-5.htm> Some try to think the two accounts of Genesis Ch. 1 and Ch. 2 are describing the same thing and so then they find those who go AHAA! plants before man or man before plants and claim a contradiction because of these misunderstandings. http://creationanswers.net/goodies/BN_crcontradict.pdf When Genesis Ch. 1 is but a Table of Contents of all Creation, all things that will become manifest in Space over Time, and Genesis Ch. 2 begins with the details of HOW that occurred/occurs. Genesis Ch. 1 is describing an overview of all Creation; Genesis Ch. 2 begins with the methodology of How Creation became/becomes manifest; absolutely no contradiction(s); just misunderstandings.

Is it possible for God to have shown Adam all Creation and inquired of His Responses to each in a matter of seconds by Divine Revelations; sure; but my point here is that one would still have a difficult time convincing me that they know with absolute certainty; how much time elapsed from the first visible matter in the universe to the point the earth was ready to be inhabited, how much time elapsed from when the time Adam was brought into existence (and he named every creature) until the time Eve was brought into existence (if you are thinking "EASY, both of them were brought into existence within the 24 hour period of the 6th day; then you are still left to explain how your view of 7-24 hour periods were

crammed into 1-24 hour period (Gen 2:1-5)), how much time elapsed in the Garden of Eden BEFORE they fell and were cast out, how much time elapsed from when Lucifer came into existence, until he and all his followers became dark, evil, wicked spirits, of satanil and his devils, etc. We can count the years from when Adam and Eve were cast out of the Garden of Eden into this dark and fallen, cursed world; by the biblical details given of such generations; but I personally think no one can accurately determine how much "time", or years passed in Creation, PRIOR to Adam and Eve being cast out of the Garden of Eden; simply by reading the contents of the common, compiled 66 books of the Holy Bible. (And frankly with all that is happening in current events, I think it rather unimportant comparatively). Since we have written details of what has transpired on earth since the fall of Adam and Eve; it seems to me that our Creator intends for us to focus on those details; (using the history of mankind applied to our present day to day living); rather than imaginations and doubtful disputations of how long visible Creation of time and space has been. <http://www.youtube.com/watch?v=OltULVOaJtg> There are accounts such as the Book of Enoch, Secrets of Enoch, and others that tell more specifically of all these things, and I find those who think the 7 days in Genesis 1, are 7-24 hour periods, universally ignore those accounts because they contradict such misinterpretation(s). So what would be a correct way (of the many) of looking at Genesis Ch. 1? I suggest that one sound method for truthful, accurate understanding is accomplished by FINDING THE DEFINITION OF TERMS GIVEN TO US BY OUR CREATOR IN THE HOLY SCRIPTURES THEMSELVES.

I reiterate, I am NOT saying that Genesis is not overtly discussing the fact that our Creator brought all things; ALL things visible and invisible into existence. I am saying more particularly, it is discussing the length of the duration from Beginning to End, the fall of mankind unto the manifestation of the Redemption of Mankind, that with the passage of time all things come full circle; such that in the End it is manifest what our Creator INTENDED from the Beginning; irrespective of those who chose to war against Him. That in the interim, our Creator, has determined a fixed period of time for the manifestation of those who are FAITHFUL to Him from those who are NOT, and that is the separation of the Light and the darkness, the wheat from the tares, the SEED of GOD, sons of men, from the seed of the serpent, sons of belial, the sheep from the goats, etc. etc. and they meet on this Battlefield of this bloody world that is passing away; consumed by the Fire of Truth! Wars are determined unto the End and the last of the wicked spirits are permanently confined in the Lake of Fire. When the scriptures talk of ALL things must be fulfilled; it means ALL things, ALL the manifestations written in Genesis throughout the scriptures. Genesis is an overview and Revelation is a recap of the duration of events from Beginning to End; specifically with regards to the history of mankind and the destination of every soul to abide peacefully with our Creator or to be cast into the Lake of Fire, permanently confined as one of His self-proclaimed enemies, by following wickedness, selfishness, pride, greed and every vice. Like the self-deluded lucifer who became satanil, his followers are also self-deluded; and cannot be reasoned with; only arrested. They will NEVER repent of their evil ways; who take pleasure in their evil ways, are the MANIFESTATION of the falling away, and their leaders that sow death and destruction; especially against the Children of the Most High God, our Creator, are the heads of the beast, anti-christs on earth. There is no harmony or peace between devils and angels, between the children of the anti-christ filled with the

spirit of error and those who KNOW and LOVE the One True God, our Creator. If the Children of the Most High do not arrest and confine such wicked persons, then the Children of the Most High God suffer because these wicked persons are loose; seeking to destroy them all. Until "Jews", "Christians" and all sane citizens who esteem Truth and Virtues on the planet, realize that DEVILS HATE THEM, WANT TO MURDER THEM, CANNOT BE REASONED WITH, ARE NOT RATIONAL AT ALL, BUT ARE SELF-DELUDED FOOLS WHO WANT TO ANNIHILATE EVERY MENTION OF GOD AND RIGHTEOUSNESS, then all who remain naive will only be victimized by these wicked devils loose on planet earth. YOU MUST FIGHT BACK AND ARREST THEM ALL UNTIL THE RETURN OF OUR LORD AND SAVIOR; OR YOU WILL BE MALTREATED AND SLAUGHTERED BY THEM; FORCED TO RUN AND HIDE FROM GENOCIDAL MANIACS OUT OF CONTROL. These wicked persons are NOT "lost sinners" they are those who with INTENT HATE GOD KNOWINGLY and HATE all who Love Him. They are bloody, violent, deceitful and delight in every kind of vice and wickedness and have no desire whatsoever to repent. They are insane, irrational, cannot be persuaded by even supernatural miracles, they knowingly with malice and intent HATE GOD and every form of righteousness. They are so self-deluded and arrogant that they think they can war against GOD ALMIGHTY and the IMMORTAL HEAVENLY HOST that have more POWER than all the suns in the universe combined; they are so incredibly deranged that they think they can win! They DON'T think they will be confined in the Lake of Fire; instead they think by murdering Christ and Christians, they can rid themselves of the restraints that keep them from turning earth into hell itself, with every kind of evil done day and night without consequence. (All in their deluded thinking) I know these things, not only because I have encountered such wicked individuals, but by Divine Revelations that showed me who they are even before they incarnate. And I tell the Church it is time to face reality; not all people on earth are "lost sinners" that can be saved; some are incarnate devils that will never repent no matter what is said or done, naturally or supernaturally. Anytime such persons are encountered, they can be legitimately arrested for their crimes against humanity; because all such incarnate devils have committed them.

But back to how Genesis tells us that the duration of darkness on earth has a specific set time limit. <http://biblehub.com/interlinear/revelation/13-8.htm> This verse tells us plainly that the Lamb was Slain at the Foundation of the World; such that we know that the whole world prior to the Incarnation, Life, Death and Resurrection of Christ existed in darkness. (Spiritually, still undergoing formation, the manifestation of the DAY STAR, the Sun of Righteousness who Dawned upon mankind with His Incarnation.) http://biblehub.com/2_peter/1-19.htm and <http://biblehub.com/malachi/4-2.htm> and http://biblehub.com/1_peter/2-9.htm and <http://biblehub.com/isaiah/9-2.htm> and <http://www.biblestudytools.com/1-john/5-19-compare.html> and http://biblehub.com/1_thessalonians/5-5.htm.

I remind you of what our Lord has stated to show you that until the incarnation of Christ, the whole world was in darkness; as the Spirit of our Creator moved upon the seas of humanity, selecting a prophet(s) at appointed times; but when HE CAME the SUN of Righteousness Appeared such that the Day has Dawned, shining into ALL souls (who will receive Him). That is why the GENERATIONS of mankind are all referred to as ONE DAY (there was evening= time of spiritual darkness on earth;

followed by morning= time of spiritual enlightenment on earth; thus evening and morning makes ONE DAY); that prior to Christ was a time of darkness in which all mankind could not KNOW GOD; save a few chosen anointed souls who were filled with His Spirit; the most Prominent of these Messengers appeared approximately 500 years apart and would mark times of Divine Deliverance from slavery and persecution of those who at least were willing to listen to and read God's Words (the Israelites). The time of Darkness and Night is nearly full spent, when the Bright Day Star Appears in Glory it will be OVER as the DAY will be fully manifest and all will then KNOW the LORD our God, our Maker, Ruler of Heaven and Earth. (<http://biblehub.com/jeremiah/31-34.htm>) But how are there 7 days in this ONE DAY? Again, I refer you back to the Scriptures to understand this.

in the DAY the LORD GOD CREATED AND MADE... = in the AGE (From Beginning to End that the invisible thoughts of GOD, the spoken Words of God are MADE manifest (invisible becomes visible, celestial beings incarnate, stars shine upon the earth, some lights are extinguished as they fall into wickedness (apostasy from our Creator), and yet in this AGE/DAY - Beginning to End we have 7 days/ = 7000 years or 70 weeks or the length of Grace and Forgiveness on earth (70 x 7) This is ALL a way of saying That from the Beginning (Adam and Eve) of mankind, to the Resurrection/Perfection of mankind(End) There will be 7 Great Days within that ONE AGE of the Generations of Mankind. <http://biblehub.com/psalms/12-6.htm> and <http://biblehub.com/malachi/3-3.htm> And within the 7th Great Day there will be 7 Trumps, Messengers, Angels, Scrolls, Thunders, Vials, Lights, Stars sent from our Creator. So we have the 1 day = 1000 years and evening/morning= 1 day that means about every 500 years there are dark beings and anti-christs, world empires on earth, and about every 500 years God sends major Prophets, Lights, Stars, Deliverance for His People. So the Egyptian, Babylonian, Medo-Persian, Assyrian, Grecian, Roman empires were THESE EVENINGS on earth at the time the Revelation was given to John and ROUGHLY gouged out 500 year episodes of darkness (in between the Deliverers/Lights/Stars/Prophets HE would send and put an end to such dark evenings), evenings for the Israelis of persecutions, enslavements, and grief for sins and rebellion against our Creator. Or rather I should say, that the continual efforts of the spirit of anti-christ to rule the world, oppress, enslave and even destroy God's People altogether (darkness, night, evenings on earth) have been broken up approximately every 500 years to indicate a time of Morning, Deliverance, Enlightenment, as Lights would be sent by GOD our Creator to shine brightly at these intervals. All through the Books of Judges and Kings we see the cycle that these evenings and mornings indicate. How God's People would be Blessed and so fall into sin, while living in luxury unmolested from enemies, and falling into licentiousness, idolatry, idleness, sins and vice, their enemies would be encouraged to defeat them in their weakness and would do so. So then God's People (those to whom the Word of GOD came), murdered, crushed, oppressed, enslaved would repent and mourn and realize their sins had made them weak and susceptible to be ruled by those of the night, of darkness and vice. Repenting they would Cry OUT to our CREATOR to SAVE them, Rescue them, Deliver them, and Our Merciful Creator would from the ashes of their ruin; raise up Messengers filled with His Holy Spirit. The Most Prominent of Such Messengers have appeared approximately every 500 years; hence the reason some Sacred Texts refer to these Beings as Phoenixes. And True to His Word He

Provided Abraham (ROUGHLY 2000 B.C.), Moses/Joshua (ROUGHLY 1500 B.C.), David (ROUGHLY 1000 B.C.) and Daniel (ROUGHLY 500 B.C.) <http://www.oldtestamenthistorytimeline.com/>

Of course we have CHRIST as the Marker between the one evening of darkness, until that Great Morning in which now ALL can be enlightened and unite by His Grace and Work with the One True GOD; but He also came at a 500 year interval (5500 years) the morning of the 6th Day; as the First Adam (Son of GOD) foreshadowed. Look at the the Apologetics now in print around the year 2000 (7500 years= time of the 8th Morning; End of the 8th and final evening); some of them have written volumes more prolific than all the books written by Messengers of Light in previous generations on earth! We have more Divinely Inspired Literature at this moment in history than all generations previous! If not for the overspreading of so many lies and deceptions; or rather if not for the ignorance of how many have not read the volumes of Divinely Inspired Books; especially the Holy Bible; everyone would know the One True GOD by now; or at least know about Him (only the most wicked refusing to repent). God has been providing these times of Light on earth at 500 year intervals for the generations of the history of mankind. Around the 1500s we had pervasive "dark age" ignorance addressed by our Creator; as the Bible was being made available to the masses by Gutenberg's Press, and the efforts of such men like William Tyndale.

Prominent reformers like Martin Luther and John Knox came on the scene. But since Christ we look not just at 500 year intervals for the 7 Messengers, the 7 Stars, the 7 Lights, 7 Lamps, 7 Candles, 7 Angles, 7 Spirits, but we look for such as were Apostles with Signs Following; with Scrolls (wrote or dictated to be written books of Divine Inspiration; as True as the Canonized Holy Bible) Messengers that rebuilt the Church upon the True Foundation, Delivered the oppressed from darkness, lies and deceptions, restored the Church to right living before our Creator. <http://endtimemessage.info/wmb.htm> and <http://endtimemessage.info/scab.htm> I know 7 Messengers have come; I have not seen who they were by Direct Divine Revelation; nor, when I read Branham's work did He claim to have seen exactly who they were; but by combination of Divine Revelation of the Seven Church Ages; he claimed to have identified them. (As the links show) Again, the Most Prominent Messengers have Apostolic Signs confirming their Ministry, and Scrolls opened (Divinely Inspired Books) and their impact on the Church is so noteworthy as to be recorded in history for posterity. (The Holy Bible records Paul was the First of the 7, but the others Branham mentions might not be as familiar to most, so they should do research on them. Branham states he prayed, meditated and did not idly conclude who these Messengers were:

<http://www.williambranhamhomepage.org/airen.htm#MESSENGER>and <http://www.williambranhamhomepage.org/amartin.htm#MESSENGER>and <http://www.williambranhamhomepage.org/acolum.htm#MESSENGER>and <http://www.williambranhamhomepage.org/aluther.htm#MESSENGER>and <http://www.williambranhamhomepage.org/awesley.htm#MESSENGER>and <http://www.williambranhamhomepage.org/abranham.htm#MESSENGER>

When you read things like <http://biblehub.com/hosea/6-2.htm>

"He will revive us after two days; He will raise us up on the third day, That we may live before Him."

that the Hebrew word for day has other meanings in the scriptures than 24 hours. You have to think on the context and find out if that is an AGE or EPOCH and furthermore, you have to remember GOD talks about things past, present and future from the Perspective of Eternity. So the first DAY in this case is the world that existed from Adam to Noah and perished in the Flood (In that DAY there were 7 prominent men and the 8th came through the water that purged and cleansed the world from sin and entering into the Ark with GOD, came out upon a new creation cleansed from all kinds of demonic evil that had ensued upon earth at the end of that 1st Great Day/Age/Epoch then followed a 2nd Epoch of 6 dark world empires, Judges, Prophets, Deliverers, World Wars against God's People and the LAW (Torah) Old Covenant Prevailed from the Beginning until the SON of GOD, YAHOSHUAH, came down and Incarnated upon the Earth (5500 years altogether from the Beginning) to Mark the MORNING of the 6th GREAT DAY on earth at the Precise Time Appointed. (see bethlehemstar.net) So after two epochs/days MESSIAH came and with that DAY STAR now ALL MANKIND can KNOW HIM "live before Him" HE IS THE RESURRECTION AND THE LIFE! The whole of mankind are as the walking dead until they come to LIFE EVERLASTING; by receiving into their own person HE WHO IS THAT LIFE ETERNAL! But can you also understand how this is also showing the ONE GREAT DAY? How that PRIOR to Christ Incarnate the WHOLE WORLD WAS IN DARKNESS, EVEN the ISRAELIS only had the Light of Prophets, not the Presence of the HOLY GOD within and upon them! (because at that time the world was void, darkness was upon the "face of the deep" (the sea of humanity was in darkness, sin, wickedness) BUT the SPIRIT OF GOD MOVED UPON the face of the waters, (HE WOULD ANOINT WITH HIS SPIRIT Prophets, Kings, Deliverers, but not all the people) So prior to Christ; Law, (death reigned) darkness, ignorance, the whole of humanity; but for a few chosen, mass humanity did not KNOW GOD personally and unite with Him in Holiness. So AFTER those TWO DAYS/EPOCHS (1-the world that perished before Noah the 8th man/Messenger since the Beginning, 2- the Old Covenant Law/Moses and DEATH upon all mankind thereby reigned) UNTIL CHRIST! He Sent His Word and Healed the Breach! He Sent His RESURRECTING POWERFUL WORD such that EVERYONE can now approach our HOLY CREATOR and KNOW HIM PERSONALLY! AND EVEN BETTER, after being washed by the HOLY SHED BLOOD OF CHRIST CRUCIFIED (SPIRITUALLY CLEANSED FROM ALL SINS) ALL OF US CAN NOW UNITE WITH THE HOLY GOD; BY HIS HOLY SPIRIT AND BE ANOINTED WITH THAT VERY SAME SPIRIT THAT WAS UPON AND WITHIN THE GREAT PROPHETS, THAT VERY HOLY SPIRIT OF OUR CREATOR! NOW WE ALL CAN LIVE IN HIS PRESENCE BEFORE HIM!

WHEN CHRIST SHOUTED "IT IS FINISHED!" This is what our CREATOR SAID at the close of the 6th DAY! and then HE RESTED on the 7th Day! The earth due to those who are choosing to rebel is a Battlefield a WAR ZONE the darkness is resisting the LIGHT of the DAY STAR that is sweeping lies and deceptions away such that all mankind, every man, woman and child can KNOW and communicate directly with the Creator of the Universe. This means the devils that have been deceiving mankind will no longer enslave and have power over them; they are desperate now for they know their time is short and is why the satanic nwo is frantically moving on with their agenda at unprecedented haste. So Genesis is talking about all these things that our Creator expounds on in His Word. This is Why in the 7th day of Joshua

there were 7 trumpet blasts; to show us AFTER YAHOSHUAH Incarnated and Showed us the Way to the PROMISED LAND, HE WOULD SEND 7 Messengers (Paul was the First) IN THE 7th GREAT DAY (but I am being redundant you can read all these things in <http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/MansChronologicalExistenceExplained.pdf> and <http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/TheFirstResurrection.pdf> and [http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/Explanations%20\(2\)%20\(2\).pdf](http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/Explanations%20(2)%20(2).pdf) and <https://www.facebook.com/notes/michael-swenson/christ-is-the-fulfillment-of-the-law-torah-and-prophets/579365918809038>; in which, I cover these things in detail and show some visual aides to convey what our Creator taught me concerning these things. I suggest you download them, print them off, keep copies as I am keeping all these things online by much prayer and effort due to the dark forces that have come against me; I fight daily to make these things known to the Church and the whole world at this time. (fight to stay incarnate long enough to make them known and fight for the means to keep them online and available to you all)

The attacks on my life have left me extremely health challenged, I need your prayers, even though I am a Web Design Specialist the energy it takes to type all the reams God had me write is much for me to say the least and it has become even difficult for me to upload documents. I have pages of visual aid charts in writing but I wanted to use software to clean them up and make them more legible for all, but the software I had (Adobe professional suite) the company decided to unilaterally declare it obsolete and so expensive software I can't even use because the company wanted to make more profit in selling new software by rendering perfectly good ones obsolete. (It would work just fine on my system but they no longer provide the "authentication code" to activate it, even though we paid for it we can't use it because of their GREED!) Crime is becoming so rampant businesses defraud the public openly like this now. Anyway, I have not been able to afford the new version and not really wanting to do business with swindlers; but unfortunately they have virtually monopolized this quality software and lead the way in the industry. (sadly; because their business ethic is obviously terrible) Anyway, I may upload my unedited scribbled notes and charts as visual aids regardless, I have been praying about it. (I am loathe to present anything that is not the best I can do under the circumstances; so I am frustrated that; as a professional web designer, very expensive software I paid for I can no longer use; for no other reason other than illegal action on the part of corporate GREED! (which is why www.blastthetrumpet.org is so amateur looking (extreme physical suffering and loss of my tools/software of one of my professions (I had to remove all the sites I had previously designed as I could no longer afford to keep them up on my limited income.) sorry about the side note - I just hope people realize that I fight with all my strength daily just to remain incarnate and as such download my notes and videos please; as I don't know how long I can manage to keep them online. I am of course trusting our Lord and His Word for a full recovery

to good health; but it has not happened yet. - <https://www.facebook.com/notes/michael-swenson/i-am-humbly-asking-for-your-prayers-and-your-help/512370302175267> and <https://www.facebook.com/notes/michael-swenson/what-happened-to-me/546254465453517>) I am grateful for your prayers for a return to good health! (for all who are suffering on earth; many through no fault of their own; but due to reasons of very wicked and evil people attacking our lives: <https://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101>)

http://godandscience.org/youngearth/six_days_of_creation.html In writing this brief explanation, I find myself incapable of finding the words to accurately explain what our Creator has shown me over the years in so many dreams and visions; which is why when I write these things I know I will be misunderstood and I am not taking sides between young or old creationists - I present the link only to encourage thought, prayer and meditation and to realize we are ALL students before the TEACHER (our Creator). I am only attempting to share enough to encourage others to PRAY, to SEEK TO KNOW AND LEARN FROM GOD DIRECTLY! To have Him SHOW you personally such things and many more! <http://biblehub.com/jeremiah/33-3.htm> I so wish (especially in Christ) people would not take up an attitude in such things of "I'm right! you're wrong!" but realize the depth of what GOD is telling us in His Word really is not so narrowly defined as many adamantly assert; but covers a great many connotations in even one word, one phrase, one sentence, one verse, etc. throughout all He Breathes, and All He Says. Some correctly look at the YOM of Hebrew and see multiple definitions, and I am saying that at times GOD is covering ALL of them AT ONCE! So you have to LOOK INTO HIS WORD for DEFINITIONS AND AT HIS CREATION for the matching correlations! As such Genesis when looking at the physical connotations of all that is written and made manifest in Creation, we see new plants, new animals, new people, all being born day by day. (showing us Genesis IS YET BEING FULFILLED; not EXCLUSIVELY talking about things long past) AND we see the "genesis" or beginnings of ALL that is mentioned in the days of Creation Account in Genesis Ch. 1 coming into manifestation simultaneously! (yet so many that think FIRST THIS, THEN THIS, THEN THIS, etc. and they read Revelation that way also Ch. 1 Ch. 2 etc and think those are chronological orders rather than just visions (many visions) all telling the SAME STORY, the SAME STORY that is being told in Genesis and throughout the Scriptures, but in different ways. THAT STORY TO TELL THE GIST OF IT IS THAT ALL CREATION WAS BROUGHT INTO EXISTENCE BY OUR CREATOR. HE INTENDED FOR US ALL TO GET ALONG, LOVE EACH OTHER, AND FELLOWSHIP WITH HIM AND ALL CREATION PEACEFULLY AND AFFABLY; BUT DARKNESS MANIFEST IN THAT SOME OF THE CREATURES HE MADE CHOSE NOT TO GET ALONG, CHOSE NOT TO FELLOWSHIP AFFABLY AND PEACEFULLY AND ACTUALLY BECAME EXCEEDING WICKED BY THEIR OWN CHOICE. SO GOD OUR CREATOR HAS BEEN SEPARATING THE LIGHT FROM THE DARKNESS, HAS BEEN SEPARATING THE TREE OF LIFE AND THE TREE OF THE KNOWLEDGE OF EVIL, THE VINE OF HIS GARDEN FROM THE WILD VINE, THE WHEAT FROM THE TARES, THE ANGELS FROM DEMONS, THOSE WHO LOVE HIM FROM THOSE WHO HATE HIM, AND THERE IS A FIXED AMOUNT OF TIME TO THAT PROCESS THAT HAS BEEN OCCURRING SINCE THE BEGINNING! HE TELLS US THERE WILL BE AN END! AN END IN WHICH THAT SEPARATION WILL BE PERMANENT AND EVERLASTING! THAT THE RIGHTEOUS WILL NO LONGER BE

MALTREATED BY THE WICKED; BECAUSE THE WICKED WILL BE PERMANENTLY CONFINED! And Genesis tells us these things in all the various ways I will now show you, just like the Feasts in the Law, just like the Book of Revelation and just like we observe moment by moment in Creation. <https://www.facebook.com/notes/michael-swenson/christ-is-the-fulfillment-of-the-law-torah-and-prophets/579365918809038>

To think the "7 days of Creation" were 7 periods of our now 24 hour day that occurred thousands to billions of years ago, is not in keeping with what we observe at all. Each moment, seeds are sown, trees grow, fires consume, babies are born, and species observed. Birth, genesis, mitosis, asexual and sexual reproduction of all kinds, while described by natural scientists when it is REALLY examined it is easy to see the SUPERNATURAL origins. A life form that was not visible prior to conception, suddenly has its own genesis moment! Instant by instant countless manifestations of genesis (from the categories of the 6 days of making the visible from the invisible are observed) Thus a proper understanding is not that the Biblical Account of Genesis happened in the past, but is describing the ongoing occurrence of how visible creation comes into existence by the Supernatural Auspices of our Eternal Creator; Intelligent Design SEEN or MADE VISIBLE in the former void of space over our perception of time.

I will insert a side topic here. Within the VISIBLE CREATION of SPACE TIME, which has a BEGINNING, an ORIGIN that can be ascertained simply by extrapolation from which all the galaxies are expanding from (look in the opposite direction of universal expansion by observing the direction of travel of many, MANY galaxies) <https://www.youtube.com/watch?v=u-xUAC9ya3o>. While there are invisible properties (forms of energy) within SPACE TIME; acting upon VISIBLE matter and respective masses, there STILL exists VOID absolute VOID beyond the outer perimeter of SPACE TIME (the visible universe). Please don't misunderstand me, I am not saying a magic fixed boundary exists around the universal space time expansion, I am only saying that no matter how far or how long the expansion of space time continues, that beyond those outer reaches exists VOID (no matter, mass, energy, time, visible creation). I know because I have personally been there and because our Creator tells us this in His Word (beginning at 14 minutes in this video https://www.youtube.com/watch?v=UHR1tkYC_6Q and continues <https://www.youtube.com/watch?v=AimvzvFnM0E> and our Creator tells us of this void in <http://biblehub.com/matthew/8-12.htm> and <http://biblehub.com/matthew/25-30.htm>) and because He revealed to me the process of how He Created the visible universe (or a method I should say for how a new visible universe could be accomplished) <https://www.youtube.com/watch?v=ri3R6vFVfEg>. Even proponents of the many "big bang" theories (the many versions of them floating around the imaginations of those who struggle against reality; by attempting, in vain, to deny even the existence of our Eternal Creator; let alone His Revealed Truth declared in the Holy Bible to us all) realize there is such a thing as void (a region that has nothing of the visible universe; space time; in it); or I should say, at least some of them do. But again, when you are attempting to do the impossible (explain the existence

of the universe; while denying our Eternal Creator who Made it); then all kinds of laughable nonsense is presented like thinking a "big bang" of anything explains what we observe ubiquitously. <https://www.facebook.com/notes/michael-swenson/how-to-know-truth-in-a-world-of-lies/622590531153243>

So the ability to observe ongoing genesis moments of all the many things listed in Genesis Ch. 1 tells us the SEVEN DAYS OF CREATION, as described therein, have not been fulfilled yet (from our perspective in created space time, visible universe). From the perspective of Eternity, all things have been fulfilled (<http://biblehub.com/romans/4-17.htm> and <http://biblehub.com/ecclesiastes/3-15.htm>) and we have His Book that tells us how; but from our perspective ALL THINGS are still yet to be fulfilled. <http://biblehub.com/matthew/5-18.htm> and <http://biblehub.com/acts/1-16.htm> and <http://biblehub.com/luke/24-44.htm> So when I was having dreams and visions regarding the first chapter of Genesis, the Creation Account, I was seeing Huge Storehouses in Heaven that rained down visible manifestations of each of the "days" of Creation, (basically EVERYTHING our CREATOR has thought of; is MADE manifest in space over our concepts of time) And they each APPEAR in their own due season according to His Predetermined Will! Such that all the plants that become visible are like little drops of the third day rain (invisible creation - Creative Thought) that fall into earth (visible creation - process of MAKING Creative Thought have substance) so all the plants have been thought of BEFORE they are MADE visible in earth <http://biblehub.com/genesis/2-5.htm>; but with each one that does; (the predetermined number of them are closer to being fulfilled); the entire "third day" is closer to being completed or coming visibly to pass. And it is this same way for each of the "days" of Creation (manifestations of everything discussed by our Creator in Ch. 1 are coming into existence moment by moment until ALL is FULFILLED; like little drops of rain of everything about the 1st day, 2nd day, 3rd day, etc. fall from Creative Thought and into Visible Manifestation; until all those drops fulfill the predetermined limit of visible creation He has set - numbers of sand, stars, etc. even hairs are all counted and known by our Creator https://www.google.com/search?q=he+numbers+the+stars&rlz=1C1GIGM_enUS535US535&oq=he+numbers+the+stars&aqs=chrome..69i57j0l2.4696j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 and https://www.google.com/search?q=even+the+hairs+on+your+head+are+numbered&rlz=1C1GIGM_enUS535US535&oq=even+the+hairs+on+your+head+are+numbered&aqs=chrome..69i57&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 Anyone who learns from Him realizes that this level of omniscience is not imaginary (only seems like that to those still lacking knowledge) <https://www.facebook.com/notes/michael-swenson/the-omniscience-of-our-creator/603749679703995>. BUT in saying this, I AM NOT SAYING this is the ONLY meaning to Genesis! The order of the days are significant, they are not just talking about how God makes the invisible become visible in space over time; but about MANY other things!

My commentary on the meaning(s) of Genesis Ch. 1 is by NO MEANS exhaustive! The reason God uses dreams and visions to teach us; is because it is so much more efficient in conveying concepts than just hearing or reading words; so much more knowledge can be conveyed by doing so and so much more rapidly. As such my commentary fails to convey all I was shown; but I make the attempt; in order to get people curious enough to ASK OUR CREATOR to teach YOU personally!!!!!!!!!!!!!!!!!!!!!!!!!!!! <https://www.facebook.com/notes/michael-swenson/are-you-a-christian/532952590117038>

Genesis 1:1 - In the Beginning (Aleph-Tscet/Alpha-Omega), GOD created the heaven and the earth (all things invisible and visible were created by and within our Creator). Yahoshuah Am Meschiach, aka Jesus the Christ, said, "I AM the Beginning and the End..." <http://biblehub.com/revelation/22-13.htm>, <http://biblehub.com/revelation/1-8.htm>, <http://biblehub.com/isaiah/44-6.htm>, <http://biblehub.com/revelation/21-6.htm> and visions were given to the prophets to show creation as being one with our Creator: <http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/MansChronologicalExistenceExplained.pdf> like a Bride and Bridegroom. (this is also how I can easily assert that scientists who deny GOD's existence; claiming that they observe only natural processes (yet, none can explain the fundamental how or whys who hold such views) are actually looking at supernatural ones of how our Creator is present fulfilling His Word; throughout the universe (His Creation). Discovering enormous amounts of energy holding mass together is the evidence of <http://biblehub.com/colossians/1-17.htm> and <http://biblehub.com/hebrews/11-3.htm>. And when they look at the miracle of tiny seeds storing information like 4d (I use 4d, because 3d, 2d, 1d are all just imagined dimensions in our 4d reality) DNA models of such vast quantities of information that even modern supercomputers fail at grasping it all. One of the most ignorant and downright evil things mankind can do is alter those Intelligent Designs, by meddling with things they THINK they understand; but really do not (none of them are remotely knowledgeable enough to comprehend how such actions (setting off a chain of events like the creation of killer bees and invasive, devastating monocultures, and changing food supplies until they are poisonous, toxic or not even bio-available to us any longer) these meddling actions of altering DNA(genetic modifications) have FAR REACHING ramifications that threaten not just isolated ecosystems, but all life on the planet)! <https://www.facebook.com/notes/michael-swenson/crimes-against-humanity/571080836304213> What I am getting at is these people who attempt to foolishly deny the existence of our Creator are not just a real danger to themselves, but to all the rest of us; and even a danger to all life on the planet! <http://biblehub.com/hosea/4-6.htm> and <http://biblehub.com/matthew/24-22.htm> This is the reason all my notes plead with everyone to please choose to learn directly from our Creator!

Since Yahoshuah the Messiah, aka Jesus the Christ, was known also as "the Lamb that was slain" BEFORE or AT the Foundation of the World <http://biblehub.com/revelation/13-8.htm>; we KNOW that the Beginning began with the laying down of His Incarnate Form (the chief cornerstone of the NEW HEAVENS AND NEW EARTH - http://biblehub.com/2_corinthians/5-17.htm and <http://biblehub.com/ephesians/2-20.htm> and http://biblehub.com/1_peter/2-5.htm (this is what the Divine Revelation of Jerusalem the Bride, the City of GOD, the New HEAVENS AND EARTH really is - GOD in us, His Creation, and He in us, united as ONE - <http://www.biblegateway.com/passage/?search=John+17>; that's what the vision means or signifies. But it has ties all the way to the first words God had recorded for our instruction; in Genesis.

So Genesis has layers of Wisdom, Knowledge and Understanding in it; just like the rest of the Divinely Inspired Scriptures; such that we see many beginnings, or genesis events, moment by moment but two very prominent ones: the BEGINNING of all space time, the visible universe, and the Beginning of how our Creator is making it all NEW, HOLY, PURE, as HE INTENDED from the BEGINNING. Our Creator selected an exact moment in space time to declare Himself and become visibly incarnate. The timing was so precise as to be easily identified in the Scriptures, in all of history, and even the very stars He made; announced the Event! Not only do the stars tell the Gospel that is plainly written also in the Holy Bible; <https://www.youtube.com/watch?v=BJ6szvfApNM> but they CLEARLY declared the precise moment of our Creator's Incarnation; <http://www.bethlehemstar.net/> Again, just as He tells us in His Word: <http://biblehub.com/genesis/1-14.htm> and <http://biblehub.com/psalms/19-1.htm> and <http://biblehub.com/genesis/37-9.htm> (the celestial ties to the terrestrial are not just observable scientific fact; but so much so; it is ridiculous to attempt to deny them any longer: <http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/MansChronologicalExistenceExplained.pdf>) The Seers have known of the link between the 12 tribes (mankind) and the Celestial Clock (stars, constellations) for millenniums. The reason why mainstream strays from this knowledge is they rightfully ascertain demons have perverted it (like they do with all knowledge) in their deceiving ways of creating false attributes and astrological concepts; rather than just astronomical timing linked to historic and current events of mankind. There is deeper knowledge regarding the Celestial ties to mankind; but it must always come from our Creator; so as not to be misunderstood in the many ways of what is now become the practice of people who profit from meddling with modern astrology; rather than the knowledge of the Seers/Prophets of God on this subject. Then you also get scientists who discover the existence of astronomical cycles, motions of stellar and planetary bodies, even motions of dark matter, but while discovering the mechanism fail to acknowledge the Agency behind it all. Those who know our Creator see the clear ties between His Instructions not only in His Word, the Holy Bible, but throughout His Creation.

When you combine the knowledge of the Genesis account of Creation, history, and what we observe in Creation (not just the prophecies, the Celestial Clock, constellations) but all the many conditions (the passing of five heads of the beast, dark kingdoms, the existence of the then sixth (Roman empire) the actual counting of days from the Beginning of the history of mankind to the INCARNATION of CHRIST our CREATOR; you will see how the LAW remained for 5500 years (the 5.5 cubit measurement total to hold the Commandments) AND the 6 evenings (1 day = 1000 years= 5500 years) and the fact Adam was made on the 6th day and so the 2nd ADAM appeared on the 6th day, etc. WHEN YOU SEE ALL THE MANY LAYERS OF KNOWLEDGE COMBINED, then you understand more fully the meanings of the Genesis Account (and all things). Take a closer look at this chart; only visualize the 7th day beginning with the Resurrection of Christ (the top of the step line should begin at the cross) and then the 7 Trumpets/Scrolls/Vials/Stars/Angels/Spirits/Thunders/etc. that have followed.

and <http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/TheFirstResurrection.pdf>

In one respect we see the Genesis Account of our Invisible Creator BEGINNING the 7 GREAT DAYS of 7 millenniums of generations of mankind (and yet an eighth; again, read my cited expositions for an understanding of this) and in another respect we see HIM personally Beginning the 7 days IN THAT 7th GREAT DAY and the 8th brings the Glorious Resurrection, the Manifestation of God's Children, the New Heavens and New Earth! (This is what the events of Joshua and Jericho signify); that Yahoshuah, the LORD of HOSTS would lead us into the PROMISED LAND, that in the 7th GREAT DAY of Creation, He would send 7 Messengers (Paul was the First) and when they appeared scrolls, books from God would become manifest! judgments poured out! warnings trumpeted! thunders heard! Lights from Above would Shine on Earth! and this would only occur by Divine Timing and Predestination; Ordination; even the stars in the heavens bearing witness! But this was not just shown by the historic event of Joshua and Israel marching around Jericho (Christ would come into this World, his followers would announce to the world the Gospel and then after the 7 trumps, would SHOUT and ascend in the Glorious Resurrection)! (It's amazing how many people laugh at the idea of the Resurrection, even though each day they lay down and take on the semblance of death, and each day they arise revived, and each year, the trees, and many green things wither, only to be revived with the coming of Spring; but more than this, we now have many thousands of documented cases of death experiences, beyond and back experiences, near death experiences in which people have medically died and been resuscitated; so if our Creator shows us it is obviously His Intention to Resurrect the Dead at the End of the Age of Darkness and the Beginning of the Everlasting Age of Enlightenment and Glory; then to disbelieve not only His Own Resurrection, but all to come; is really rather baseless, groundless; hopeless and yet

another one of the plethora of examples of willful ignorance far too many hold; while thinking they are educated; even intelligent and audaciously and arrogantly hold those of us who assert Truth in disdain and denigration.)

Our Lord tells us that the 7 days in the 7th day would not occur until His Incarnation and Work of Redemption and Healing; in which He would empower and fill His People with His Own Spirit to Enlighten them; so they could Shine in this world of darkness during His Ascension into the Heavens and before His Glorious Return. <http://biblehub.com/isaiah/30-26.htm> So we know this occurred when He Suffered for us all to heal us and make us whole again! <http://biblehub.com/isaiah/53-5.htm> and http://biblehub.com/1_peter/2-24.htm His announcement on the cross "IT IS FINISHED!" showed our INCARNATE CREATOR was entering into His Rest and Millennial Reign (during which time ALL His Enemies would be put under His Feet; the LAST Enemy to be Destroyed is death) The Genesis Account tells us GOD Rested on the 7th day... "IT IS FINISHED!" Christ only spoke GOD's WORDS! <http://biblehub.com/john/12-50.htm> and <http://biblehub.com/john/12-49.htm> and https://www.google.com/search?q=whatsoever+i+hear+the+father+speak+i+speak&rlz=1C1GIGM_enUS535US535&og=whatsoever+i+hear+the+father+speak+i+speak&ags=chrome..69i57.9951j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 but for those who think I am stretching His meaning out of context; we have confirmation of this doctrine: <http://biblehub.com/hebrews/4-10.htm> SO FROM THE TIME CHRIST FIRST APPEARED UNTIL HE RETURNS IN GLORY IS ONE DAY IN WHICH THERE ARE 7 DAYS to FULFILL ALL THE LAW! and to FULFILL ALL THINGS! and that is what <https://www.facebook.com/notes/michael-swenson/christ-is-the-fulfillment-of-the-law-torah-and-prophets/579365918809038> and <http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/MansChronologicalExistenceExplained.pdf> and [http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/Explanations%20\(2\)%20\(2\).pdf](http://www.godempowersyou.com/documentation/HistoricalTestimonyandMinistry/Explanations%20(2)%20(2).pdf) are all barely touching on. If I were to type everything our Creator has revealed to me on this topic it would be a rather large set of volumes of many books; so I am only revealing what I think is sufficient to make my points and to encourage others to become students of the Greatest Teacher in the Universe - Our Eternal Creator; the ONE TRUE GOD!

William Marrion Branham touched on who he believed the 7 Messengers were in <http://www.biblebelievers.org.au/7chindx.htm> and <http://www.williambranhamhomepage.org/presca.htm> The reason I refer the Church to re-examine his controversial life and doctrines, is that I myself received direct Divine Revelations BEFORE I EVER EVEN HEARD OF THIS PERSON, that fall in line with much of his own writings. Like when He describes a vision he had of the 7 messengers in the form with the middle one tallest and the 3 on either side shorter. The 7 golden horns I saw in the open vision of the Glory of the LORD had that same shape as he described; only I had the vision BEFORE I ever read anything or even heard about Branham. I knew and had written about these things BEFORE I ever came across even one mention of William Marrion

Branham. So I refer you as in the mouth of two witnesses let such be confirmed (EVEN THOUGH I KNOW MUCH OF MAINSTREAM has rejected him and his doctrines; sadly)

I will nonetheless acknowledge that while so many are distracted with the cares of this world GOD has been fulfilling HIS WORD; including sending those 7 Messengers referred to in the Book of Revelation. They have come already; the time is far spent; we are about to see the manifestation of the 8th and final anti-christ and the 8th Messenger of GOD! (your lack of knowledge about events already past does not mean I'm a preterist) I'm a realist who has, more than likely, studied these topics considerably more than those who level false allegations against me. So if prophecies have been fulfilled or partially fulfilled I will say so; and prophecies that have yet to be fulfilled I will acknowledge. I believe in Truth and find it a rather loathsome tendency of some to lump you into labels and categories; that no one actually fits perfectly into. http://biblehub.com/1_corinthians/3-3.htm and http://biblehub.com/1_corinthians/3-4.htm and http://biblehub.com/1_corinthians/3-7.htm such labeling and boxes or categories are a way to neatly create divisions and also a way to falsely conclude that individuals believe all things associated with those labels or categories, when that is simply not true. (Try to avoid placing people in categories or boxes; especially when it is most often done to minimize or denigrate or despise them). In saying that, I will say the vast majority of the scriptures have been fulfilled. There is no doubt we are living in the end times and watching the end time events rapidly coming to pass before our eyes! <https://www.facebook.com/notes/michael-swenson/prophecies-show-divine-inspiration-of-the-holy-bible/520171808061783> and <https://www.facebook.com/notes/michael-swenson/our-creator-told-us-in-the-holy-bible-all-nations-would-be-deceived-by-pharmaceu/511466405598990> and <http://www.blastthetrumpet.org/documents/PoliceState.htm>

If you take the time to correlate the years of history, the world empires, the mathematical equivalences in God's Word, with the Genesis Account and the rest of the scriptures, you will understand more fully what I am explaining in this commentary and in the cited references within it. (about the 7 GREAT DAYS and how After Christ's First Appearance, there would be 7 days within the 7th GREAT DAY; fulfilling all things) If you at present disagree with this, I can only say READ, PLEASE READ, the cited references prayerfully.

The Scriptures also record that "Heaven is my Throne and the earth is my footstool..." <http://biblehub.com/isaiah/66-1.htm> and <http://biblehub.com/acts/7-49.htm> thereby meaning that the first verse of Genesis also holds that connotation. In the BEGINNING, GOD CREATED His Throne and His Footstool. Which lets us know that when we read He must reign until He makes all His enemies His footstool or places them under His Feet http://biblehub.com/1_corinthians/15-25.htm and <http://biblehub.com/psalms/110-1.htm> and <http://biblehub.com/luke/20-43.htm> and <http://biblehub.com/hebrews/1-13.htm>, <http://biblehub.com/hebrews/1-14.htm> (those who are Faithful to GOD, our Creator, minister to His Creation (are for life, proper stewardship of

creation, tending to creation compassionately in that regard); while the enemies of GOD appear in earth (incarnate), hating GOD, our Creator, and so rape, pillage, plunder the earth; sowing death and destruction, murdering His Children greedily in that hatred of Him and His Creation. These Scriptures and what we observe taking place in the world that our Creator is telling us satanil and devils/demons will become incarnate, earth, visibly manifest; and when they do times of darkness, wickedness, death, destruction will follow (manifestations on earth of their dark hatred and vices within their evil wicked dark souls, wicked imaginations of pure evil causing deeds to be done that no one should conceive of). http://biblehub.com/2_thessalonians/2-3.htm and <http://biblehub.com/isaiah/14-16.htm> and <http://biblehub.com/john/8-44.htm> and <http://biblehub.com/james/4-1.htm> and <http://www.biblegateway.com/passage/?search=Jude+1> (God's Children, holy spirits, minister, edify, build-up His Creation, tend to Life on the planet wisely; satanil and all devils, spirits of error, deceive, destroy and do every kind of evil sowing death and destruction foolishly and those wicked people are the manifestation of the falling away. They ARE NOT poor lost sinners; they are THOSE WHO HEAR THE GOSPEL AND KNOWINGLY REJECT CHRIST, THE GOD OF ALL CREATION; and instead openly HATE HIM and HIS INSTRUCTIONS FOR LIFE CONTAINED IN THE HOLY BIBLE; they plot to lie, deceive, murder, enslave, rape, are greedy and unrepentant from every kind of sin and vice.
