

JESUS the CHRIST is the Most Documented Person in the History of the World.

I am writing this hoping the entire world will come to their senses and cease to descend into complete depravity and insanity. By that I mean I have encountered far too many people that are choosing to become so willfully ignorant/stupid that they are in denial of the most important facts of history, the accumulated knowledge of mankind and even reality in general.

Some so foolish they hurl insults at me from their present monumental ignorance in denying Jesus Christ's existence. This denial is the very definition of self-destructive stupidity and insanity because it in fact requires dismissing as stated the most important facts of history on through to current events, science, knowledge, and effectively becoming so willfully stupid and delusional as to be in open denial of reality.

Let me explain:

Yahoshuah Am Meschiach, JESUS the CHRIST, is in fact the most documented Person in the entire history of the world. Perhaps some definitions might help those who laugh and mock at such a statement:

doc•u•men•ta•tion

ˌdäkyəmənˈtāSH(ə)n/

noun

1. 1.

material that provides official information or evidence or that serves as a record.

"you will have to complete the relevant documentation"

o

2. 2.

the process of classifying and annotating texts, photographs, etc.

"she arranged the collection and documentation of photographs"

The Holy Bible is the most quoted reference book on earth. It is therefore considered by the sane majority of all knowledgeable and reasonable persons as THE MOST RELIABLE DOCUMENTATION IN THE HISTORY OF THE WORLD.

It factually contains the genealogy of Jesus the Christ, details of His Pre-Incarnate Existence, His Incarnation, and Post-Incarnate Existence. The Holy Bible is in fact historical record of GOD in detail!!!!!!! That GOD incarnated as the Person Jesus the Christ, YAHOSHUAH AM MESCHIACH. I give enough evidence of these facts in:

So please pass this information on to your children; so we never have anyone on earth again denying the existence of the Most Documented Person in the entire history of the world!!!!!!!

BILLIONS of Holy Bibles in every major language on earth; in over 5000 languages now available!!!!!!!
Holy Bibles have even been the very first book given to tribes that never even had a written language!
Written language was created for them, JUST TO GIVE THEM THE INFORMATION OF THE MOST
DOCUMENTED PERSON IN THE HISTORY OF THE WORLD!!!!!!! JESUS THE CHRIST!!!!!!!

http://www.gracechapelsomd.org/books/The_New_Evidence_That_Demands_A_Verdict.pdf

Much more than this, Jesus Christ has been referenced in billions of other books by billions of people in an ongoing account of His deeds to this very day!!!!!!!

So we have the most published genealogy and most complete; transpiring the entire history of mankind, the most unique and studied artifact on earth, the most broadcast biographies, the most referenced, the most venerated, the most supernatural evidence, the MOST DOCUMENTATION BY BILLIONS AND BILLIONS of publications of any person ever to exist on earth.

So I invite every man woman and child on earth to examine these facts; and when you come to the realization of them; no longer listen to those that are in willful and obvious denial of reality by denying these facts about the Living Lord Jesus Christ, the One True GOD.

It is past time the whole world understood these facts and it is past time to come out of the darkness of ignorance, wickedness, lies and deceptions and recognize the Truth, recognize Jesus the Christ, YAHOSHUAH AM MESCHIACH, the One True GOD; to your Everlasting Joy Now and Forever.

Michael Swenson The Holy Bible isn't missing any Gospels. To claim otherwise; is to say God Almighty had no knowledge of its composition and compilation. <https://www.youtube.com/watch?v=5ZsZLDWWZMs> That does not mean; that God hasn't inspired other Gospels; other Books; it just means He foreknew that the Holy Bible would contain the books it contains; the books that have now been published in over 5000 languages worldwide so that all

· [March 29 at 11:12am](#)

Michael Swenson No, it is the lack of fanaticism for Jesus Christ that is responsible for making the world mad. <http://biblehub.com/revelation/3-16.htm> - It is clear that if a person is not zealous for the One True God, and mankind's desperate need to be Enlightened and Empowered by Him; that they simply do not know Him as He is. How could any be apathetic about the fact that every second that ticks by

another soul enters eternity still in their sins; still apart from our Holy Creator; still suffering in darkness, ignorance and wickedness. If I am perceived as a "fanatic" more than others; then I think it shameful as I am not nearly zealous enough in my own opinion for the absolute need of mankind to repent of all evil and call upon our ONLY HOPE and SALVATION, JESUS CHRIST, the ONE TRUE

GOD. <https://www.facebook.com/notes/michael-swenson/you-must-be-born-again-of-the-holy-spirit-of-god/533516303394000/>

[Michael Swensonhttps://www.youtube.com/watch?v=Rt-UtiUXRzo](#) - I cite this for numerous reasons.

Mostly because I want those that are so far departed from reality to see even one of the world's leading skeptics at least acknowledges the fact Jesus Christ really incarnated; that there really is an historic Jesus. That said Mr. Ehrman would do well to research the apologists on every topic he raised in the debate. Every single so called "discrepancy" has been soundly addressed ad nauseam; which means he holds such a high opinion of his own perspective that he may as well be declaring ehrman's gospel or that he hasn't taken the time to research the answers to his ASSUMED discrepancies. For example, his outright denial of the census recorded in the Gospel of

Luke:<http://www3.telus.net/trbrooks/firstcensus.htm> Just because Mr. Ehrman is a historian; doesn't mean he is infallible. In fact I find it almost impossible to listen to Mr. Ehrman; and his wild assumptions like claiming Jesus was in shock according to the Gospel of Mark when the context of Mark makes no such statement anywhere. (it's nothing but an unsubstantiated assumption on the part of Mr. Ehrman) I notice almost every single time he made a claim of a discrepancy it was due to his premise and notions of LOOKING FOR THEM. (seek and you shall find) He should spend some time looking at the myriads of apologetics that explain every single one of his assumed objections to historic accuracy via the proper

perspective of harmonization; that is if he cares about his own soul and the direction he is presently headed in. There is NO WAY I would have that man teaching at any seminary on earth in his present mental and spiritual state. For example, go to ANY public event today that a crowd is present at and begin asking them what they heard, what they saw, etc. (experiment: try it for a traumatic event like a car accident in a busy intersection asking the drivers and passengers for details of what happened and then ask the passer bys.) Also ask people at a public lecture what was said and what they saw (not so traumatic events). Now imagine a public execution with a crowd shouting all along the way. Obviously those closest to the events MOMENT BY MOMENT are going to hear more and see more than other eyewitnesses. So it doesn't mean that two eyewitnesses aren't telling the truth or that their biographies/ historic records necessarily should be viewed as being in disagreement just because one is more detailed than the other. What he calls "discrepancies" and makes a HUGE deal out of are rather minor details between eyewitnesses; THE SAME KIND OF dissimilarities you find between any two people on a daily basis. IF THOSE minor details didn't exist THEN he could argue collusion and fiction; but finding those minor details GIVES MORE HISTORIC CREDIBILITY and VERACITY to the accounts; not less. In other words, every place where you find ABSOLUTE CONGRUENCY is SOLID support for that event occurring (Christ Crucified and Resurrected) and everywhere you find minor details that are more specific in one account than another STILL lends historic credibility to the Gospels. Ehrman's perspective on historic accuracy is based on faulty notions of just what that actually means; as you can't find two people on earth today that are eyewitnesses to anything that TELL WHAT THEY HEARD AND SAW VERBATIM OR EXACTLY ALIKE (core issues YES; eyewitness to an accident will SAY that they saw an accident BUT ON THE DETAILS people tend to either slightly differ or will sometimes even argue and oppose each other even though both or many believe they are telling the absolute truth and each may actually be doing so based on their perception and perspective (historically ACCURATE even though they differ on details). He ASSUMES and MAKES a FALSE ACCUSATION that the accounts are CHANGING over time; when there is no record of such "changes" for millennia. In fact, textual accuracy can be verified against all versions in print today BECAUSE we have manuscripts dating TO THE EYEWITNESSES of those events. So the Divine Record HAS NOT "changed"; that is purely an unsubstantiated and disproven assumption on Ehrman's part. His entire perspective is so warped on his comparison of the Gospel of Mark and Luke; that someone somewhere along the way should have sat him down and told him to close his mouth and learn something worthwhile because what is coming out of his mouth makes him look extremely foolish and that he shouldn't be trying to teach anyone anything anywhere! Jesus Christ in all the Gospels is not portrayed as a man who didn't know what was happening to him; even in Mark He knew full well in advance what He would do and say. His cry on the cross is fulfillment of Messianic Prophecy; even in death He was showing the world He is the ONE TRUE GOD.<http://www.accordingtothescrptures.org/.../353prophecies...> Ehrman's perspective is almost as arbitrary and uniquely outrageous as those claiming Jesus Christ doesn't even exist or was nothing but a myth. I personally feel like stuffing a sock in his mouth; just to keep him from saying anything else that indicates he lacks so much important knowledge. His claim of being a former evangelical sounds like the many who THINK they are Christians for any reason other than what actually makes someone a TRUE CHRISTIAN; and that is that the KNOW JESUS CHRIST personally by the presence of His Holy Spirit/Divine Conciousness in Holy union as ONE with those who ACTUALLY are CHRISTIANS.<https://www.facebook.com/photo.php?fbid=1008509479228011&set=pb.10000206904807>

If you do not have the Spirit of Christ, you are NOT a Christian!<http://biblehub.com/romans/8-9.htm> It is obvious to all who know the Lord, that Mr. Ehrman never has.<https://www.facebook.com/photo.php?fbid=937958472949779&set=pb.100002069048072.-2207520000.1461652366.&type=3&theater>

@zahira rodriguez she is one of many these days that abuse Holy Writ when convicted by it. Instead of repenting of her own sins and wicked ways, people like her are quick to point the finger at God, His Messengers or anyone but themselves mostly by abusing the proper connotations of "Judge not,..." <http://truthbygrace.org/top-5-most-misquoted-misused-and-misunderstood-bible-verses/> and <http://www.jasonstaples.com/bible/misinterpreted/misinterpreted-bible-passages-3-judge-not-lest-you-be-judged/> and <https://quitepossiblythelongestinternetaddressofalltime.wordpress.com/2011/06/26/twisted-scripture-worldly-wisdom-judge-not-that-you-be-not-judged/>

[Michael Swenson](#) <http://biblehub.com/hebrews/5-14.htm> many people refusing to repent abuse the "judge not" to the point where they expect others to not even identify behavior or acts as "right" or "wrong", "good" or "evil; such demonic twisting of the scripture leads to insanity, confusion, lawlessness, destruction, death and perpetual doom. We are most certainly to tell the differences between good and evil and choose to do what is good and avoid doing what is evil. <http://biblehub.com/psalms/34-14.htm> and <http://biblehub.com/isaiah/7-15.htm> This same person considers my deliberate intent to save lives and souls from the everlasting damnation and suffering in this life as "fanaticism"; some like her even go so far as to claim those fighting evil are evil themselves; but God rebukes such deranged and perverse judgment, such lunatics by plainly telling us that those who expose evil and evil doers are of the Light, of the Truth. <http://biblehub.com/ephesians/5-13.htm> and <http://biblehub.com/ephesians/5-11.htm>
