

NO MORE BRAINWASHING! NO MORE LIES! SCIENCE PROVES WHO GOD IS! Part 1

Public

I'm outraged at just how many innocent children have been deceived in our public education system <http://www.facebook.com/notes/michael-swenson/teach-the-children-truth-teach-them-well/515687638510200> I hope this effort will serve to help deprogram all of them and prevent any further brainwashing to continue on earth anywhere. It might seem as if I have chosen poorly to be so aggressive in my writing and what some might find critical; but my anger stems not from those who were so deceived by the theory of evolution, and atheism they thought it acceptable and even pleasurable to murder me by incompatible blood transfusion and when that failed by suffocation; (and all the evil I have suffered intensely from because of such widespread corruption these worldviews have caused www.blastthetrumpet.org); but from the fact that innocent little children are being brainwashed with that garbage in the first place; and that if somehow the Lord doesn't shine into their lives; they will remain in the miserable existence of the darkness of ignorance that leads to the everlasting flames of damnation. So my passion, whether it comes through by giving those so arrogant they disdain all who testify of the Creator, a taste of their own medicine <http://biblehub.com/psalms/18-26.htm>, or when I am so truly motivated toward the Salvation of all souls that I beseech everyone to seek to KNOW THE CREATOR here and now and forever, in such a way that it seems to be practically begging; it is all because http://biblehub.com/1_corinthians/9-22.htm that I will do anything honorable, God allows, to try my best to persuade all souls to call upon the Resurrected Messiah, Yahoshuah, aka the LORD JESUS CHRIST, right now everywhere until they KNOW beyond all doubt He has answered them to their present and Everlasting Joy!

The scientific, legal, factual ubiquitous evidence overwhelmingly supports the reality we exist in by observation in the following ways: (In this list I am not claiming it to be exhaustive; only partial and yet I still hope it is sufficient to persuade all souls to come into their right minds and true understanding of the Universe and the Power that Created It All)

1) epistemology (ɪˌpɪstɪˈmɒlədʒi) — n

the theory of knowledge, esp the critical study of its validity, methods, and scope

[C19: from Greek epistēmē knowledge]

A) The Law of Cause and Effect - <http://www.icr.org/cause-effect/> By this one scientific principle we know with absolute certainty that something caused the Universe to come into existence.

B) The Law of Non-contradiction - http://en.wikipedia.org/wiki/Law_of_noncontradiction - and by this scientific precept we also know the Universe did NOT cause itself to come into existence; for it would have had to existed before it actually did in order to bring about causal force upon itself.

To paraphrase something MUST exist to act upon anything else.

"Aristotle on Non-contradiction

First published Fri Feb 2, 2007; substantive revision Wed Jan 26, 2011

According to Aristotle, first philosophy, or metaphysics, deals with ontology and first principles, of which the principle (or law) of non-contradiction is the firmest. Aristotle says that **without the principle of non-contradiction we could not know anything that we do know**. Presumably, we could not demarcate the subject matter of any of the special sciences, for example, biology or mathematics, and we would not be able to distinguish between what something is, for example a human being or a rabbit, and what it is like, for example pale or white. Aristotle's own distinction between essence and accident would be impossible to draw, and the inability to draw distinctions in general would make rational discussion impossible. According to Aristotle, the principle of non-contradiction is a principle of scientific inquiry, reasoning and communication that we cannot do without." -<http://plato.stanford.edu/entries/aristotle-noncontradiction/>

Scientific FACT: The Universe did NOT Create Itself

<http://www.facebook.com/notes/michael-swenson/acknowledging-the-eternal-creator-takes-no-faith-it-is-scientific-fact/491948024217495>

?So what did bring the Universe into existence?

2) 2nd Law of Thermodynamics (Entropy Aspect)

<http://hyperphysics.phy-astr.gsu.edu/hbase/thermo/seclaw.html> "Since entropy gives information about the evolution of an isolated system with time, it is said to give us the direction of "time's arrow" . If snapshots of a system at two different times shows one state which is more disordered, then it could be implied that this state came later in time. For an isolated system, the natural course of events takes the system to a more disordered (higher entropy) state." The visible universe is slowing down, disintegrating, cooling off, reaching a state of equilibrium.

3) Newton's Third Law

<http://www.physicsclassroom.com/class/newtlaws/u2l4a.cfm> "For every action, there is an equal and opposite reaction." By the above scientific laws we know the universe was brought into existence by a Power equal to or greater than all the combined power in the universe. That Power must be invisible, must be eternal, and of such a magnitude to create all the visible and invisible contents of the universe.

This is what the Holy Bible states about God, the Creator. http://biblehub.com/1_timothy/1-17.htm "Now to the King eternal, immortal, invisible, the only God, be honor and glory for ever and ever. Amen." <http://biblehub.com/john/1-3.htm> "All things were made by him; and without him was not any thing made that was made." <http://biblehub.com/colossians/1-16.htm> "For by Him all things were

created, both in the heavens and on earth, visible and invisible, whether thrones or dominions or rulers or authorities-- all things have been created through Him and for Him." It even states what the sciences have observed with the advent of optics through microscopes that visible objects are made up of things that are not seen.<http://biblehub.com/hebrews/11-3.htm> - "By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible" instead the Creator through the Divinely Inspired Holy Bible tells us that it is Him, that invisible Power that brought everything into existence is also what is that invisible energy holding it together.<http://biblehub.com/colossians/1-17.htm> "He existed before anything else, and he holds all creation together." However, as aforementioned He tells us that all things visible are passing away (and is how we know for Him to be Eternal, He must be invisible).http://biblehub.com/2_corinthians/4-18.htm "So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal."

Science has confirmed these biblical statements as true in the aforementioned.

4) archeology- and just plain visible discovery anyone who is able to travel to these locations can make

<http://www.youtube.com/watch?v=3PSZNYdfawQ&list=PLBD9B9FDCB6D5F4AA>

<https://www.youtube.com/watch?v=MaXAgJ3sOvw&feature=youtu.be>

I provide controversial links; even links that some "Christians" might criticize for the sole purpose that by providing them; some claiming that there is absolutely no evidence for God the Creator (despite the existence of the Universe), and the accuracy of the biblical accounts, might see that in fact there is an abundance of evidence; however, controversial it may be. In addition, if any of it is factually proven fraudulent I want the world to know that my knowledge of our Creator is not based on physical artifacts, buried cities, ruins and remains of lost civilizations, monuments or anything that could be construed as only possessing knowledge about a concept or topic; but that my personal knowledge of our Creator; comes from personally knowing our Creator, communicating with our Creator, learning directly from our Creator and that the reason I am showing such physical evidence of the validity of the Divinely Inspired Scriptures is for the sole purpose that I want everyone else to personally know and learn directly from our Creator as well. I recognize that until the last of the liars are thrown into the Lake of Fire there will always be fools denying all the evidence presented herein; but I am attempting to enlighten those who through no fault of their own were indoctrinated with garbage in the name of science; with the hope that they will be so enraged when they realize it that they will never again allow such nonsense to be taught to innocent little children all over the world, but that people everywhere will have Joy in communing with our Creator forever. Some of us, Christians included, are concerned about sharing

such things, artifacts and such, because they are afraid that if someone claims to be able to prove it false that it will somehow hurt the weak in faith; but my point is that once a soul is actually filled with the Holy Spirit of God Almighty; they will no longer believe; or no longer have an intellectual construct of our Creator; they will no longer rest upon an artifact here or there in all the world; but they will know with their entire being the One True God. If in that effort, we are unable to humble ourselves, to risk ridicule, mockery, the chance to be proven wrong concerning a single aspect of our efforts to lead souls to the Eternal God, the Eternal Truth; then, in my opinion, for personal pride we risk a soul suffering now and perhaps forevermore. I am therefore willing to present knowledge that is in fact controversial; including such persons as believe in ancient astronauts, extraterrestrials and the like; because how can I claim to love our Creator and truth, and sweep under the carpet such things as might challenge preconceived notions that we have already comfortably embraced when in fact that is exactly what I am adamantly against in that so many evolutionists and atheists I have met are so religious they refuse to even look at any evidence contrary to their chosen worldview that in my opinion is causing grave damage and peril to the planet and all life on it (And as I have stated has been directly responsible for my own severe suffering and apart from a miracle(s) from, God an early demise www.blastthetrumpet.org). That stated, having seen the risen Christ numerous times, and having had death experiences, I personally testify that I have experienced that the Holy Bible is Divinely Inspired and so much so that it is accurate about existence after "death" of our incarnate bodies; to such a degree that I ended up in a place I had never even heard of or read about and didn't even know what it was called until almost a decade after it happened to me. I read about the place I went to when I temporarily died as a young man (a then professing atheist) and was then resuscitated; only many years later; in the Holy Bible. As such, it doesn't matter what people talk about; what they show me; how many might talk of demons, devils, extra-terrestrials, UFOs, ancient astronauts, billions of years, etc. because I know beyond all doubt that whatever exists, wherever it exists, was all made by the One True God; the Creator of the Universe, our Creator, Lord, Maker, Redeemer, Provider, Healer and Savior who has the Pre-eminence in All Things; anything Honorable, Glorious, Virtuous, He Holds the Highest Titles of All; Ineffably Amazing and Astounding; whom I personally know and is so Truly Wonderful I want everyone else to know as well.

A) Noah's Flood- <https://www.youtube.com/watch?v=iktmmd7YnD8> (this link has a map of the approximate region of "the mountains of Ararat"<http://creationrevolution.com/2010/10/does-noahs-ark-still-exist/> and is why Arch Bonnema ended up not in the traditional location lower down of a large sea going petrified vessel; but found one at over 13,000 feet! Amazingly, another find has apparently been discovered at similar elevation on Mt. Ararat! <http://stevenmcollins.com/WordPress/?p=2185>)

1. I wish these finds were not so hidden from the eyes of the world but that honest scientific analyses would be done thoroughly on any and all candidates for Noah's Ark that perhaps one might shine forth above them all! https://www.youtube.com/watch?v=o6G2_2gSY3o Evolutionists ask us to believe animations and drawings as science because there is factually no observable evidence for macro-evolution of one kind to another (plants becoming animals, animals becoming plants, fish becoming horses, trees becoming tadpoles and the like of which trash they brainwash children to believe until they

become completely insane enough to deny; (turn their eyes, ears, and all perceptive abilities including rational thought away from becoming aware of reality so they can go on living in their fantasy world of animations and drawings); what we can actually observe such as all the scientific evidence validating the accuracy of the Holy Bible); but when OBSERVABLE EVIDENCE IS PRESENTED TO THEM THEY HAVE THE AUDAUCITY TO CALL ALL WHO ACKNOWLEDGE THE CREATOR "religious" IN DEROGATORY FASHION AND WHILE STILL CLINGING TO A WORLDVIEW THAT HAS NO SUPPORTABLE EVIDENCE ANYWHERE IN THE UNIVERSE arrogantly CLAIM that they're "scientific". A very large ancient sea going vessel is found on a mountain top in the location the Holy Bible states Noah's Ark came to rest, the boards the vessel was made of date commensurately with the account in the Holy Scriptures; there are still people who claim there is no scientific evidence. All who are making such claims are choosing to remain willfully ignorant. All who are interested in truth, continue to view all the overwhelming scientific evidence proving the historical accuracy of the scriptures.

<https://www.youtube.com/watch?v=Iktmmd7YnD8> - the dimensions of Noah's Ark have been scientifically tested.

Multiple finds (I have not personally visited the sites but have examined enough media evidence of those who have and listened to their testimonies to be sure that something in fact of their claims actually exists in those locations; but let's say the real one was found; it would be just like the NWO agenda to disseminate false data of additional finds; such that people when looking for such evidence; finding none or something obviously not true would possibly conclude that all other evidence is not worth examining); as I was saying... Multiple finds of very large sea going craft in the region of the mountains of Ararat; might leave some pondering which is the real Noah's Ark and some claiming none of them, etc. Some might claim it could not have petrified; but we know petrification can occur rapidly as these many examples prove. <https://www.google.com/search?q=petrified+pickle&tbm=isch&tbo=u&source=univ&sa=X&ei=ktMVUpSOAY2ujALih4HQBA&ved=0CdsQsAQ&biw=1067&bih=702> Others might ask me why would I present more than one large sea going craft <https://www.youtube.com/watch?v=iCyOVGBnNp8&list=PLedgj2YVsQTy1QGYuPrgDb21GV6pXRSqI> found near the top of mountains of the Ararat region. It is this very fact large sea going vessels, dating prior to modern oceanic crossings by Magellan, Ericson, Columbus, etc. and so much prior as to exist around the historic flood account that clearly counters all those claiming it is impossible or complete myth. Perhaps one of the candidates for Noah's Ark will outshine all the rest if scientific analyses is allowed of them extensively. But the fact that these large vessels dating appropriately exist in the biblically described region at all is sufficient physical evidence to share with the world. I have encountered these brainwashed religious fanatics who; while denying such sea craft exist at all and especially at over 13,000 ft. near mountain tops just like the biblical account states; then claim the fossil record has transitional forms by pointing to illustrations, and fossil reconstructions already scientifically proven fraudulent, as the basis for their faith in the name of so called science. I am linking such finds not

with 100% certainty that Noah's Ark has been found; but just showing that it is not only possible; such craft dating appropriately exist in the geographical region the actual Ark Noah built is stated to have come to rest and that what we read in the Holy Bible has actual verifiable physical evidence; while what evolutionists and atheists believe does not and yet they constantly insult and make zealous efforts to discredit us even to the point of blatantly lying; arrogantly. It is as ridiculous to claim a living creature having four appendages, called legs, is transitionally related to one having four appendages called fins as to claim that because the sky, and water, and many sapphire stones are all blue (false premise intentionally given to prove just how far from the mark these people have fallen, citing false premises constantly themselves and most definitely then coming to their insane, completely irrational false conclusions; for which the only reason they actually believe such ludicrous notions is the fact they were shown the same animations over and over again in public education in proven brainwashing fashion until they believe something that is such obvious fiction is actually factual) they must have all evolved from a common blue ancestor like "O look something shiny!" perhaps that blue star up there somewhere "billions of years ago..." ("Once upon a time..."). There is a common SCIENTIFIC, OBSERVABLE factor in all the universe and that is: it was CREATED by the CREATOR who has declared Himself plainly in all creation and in the written compilation of Divinely Inspired Books called the Holy Bible. It has obviously happened to these religious adherents of evolution and atheism just as our Creator tells us, <http://biblehub.com/romans/1-28.htm> "Furthermore, just as they did not think it worthwhile to retain the knowledge of God, so God gave them over to a depraved mind, so that they do what ought not to be done." and <http://www.biblegateway.com/passage/?search=Romans+1%3A22&version=KJV> "Professing themselves to be wise, they became fools,"

2. After the Flood -<http://www.creationism.org/books/CooperAfterFlood/CooperAFEndnotes.htm> I hope to include the scientific category of genetics and the human genome later on which has proven what they call the human bottleneck of the fact all modern persons alive today have come from one mother and some of the "secular" (I find the term "secular" misleading perhaps I should refer to them as non-Christians; because I have yet to meet a person in all the world who could not be factually described as religious (there is no doubt the ardor of devotion of adherents to unsubstantiated atheism and the theory of evolution constantly show forth zeal that fits the description of religious worship

when attempting to defend their irrational worldview); it seems to be a characteristic our Creator has imbued us with; otherwise, if you claim to be irreligious you are telling the world you lack a worldview, a set of beliefs and convictions about anything; in other words, rather describing yourself as an unreasoning, wishy-washy, simpleton; so fickle and ignorant that you can hardly make a decision for yourself concerning anything; this is also one of the reasons I argue separation of church and state is as impossible as separating the Creator from Creation. It is easy to observe by ubiquitous evidence that everyone is subjective to a greater or lesser extent and in that observation therefore, one religion or another prevails according to the dictates of those in power and authority; it is why I point out that of all the world's religions; including atheism and evolution, that the time has come to acknowledge the One True God and the Truth of His Words, His Laws, and the Reality of His Creation; such that we may all live and be blessed; instead of suffer and die; being cursed) scientists state one and some state two fathers; just as the scriptures state. It is reasonable to conclude that a POSSIBLE reason that there is a flood account, anthropologically speaking, worldwide is that the descendents of Noah told their children; who told their children; etc. who filled all the world.<http://www.apologeticspress.org/apcontent.aspx?category=9&article=64>,<http://creation.com/m-any-flood-legends>

3. The Global Flood Layer - (Geology) - <http://www.answersingenesis.org/get-answers/features/worldwide-flood-evidence>, <https://www.youtube.com/watch?v=KGeULHljDn8>, <https://www.youtube.com/watch?v=jwGgSNDPh00>, <https://www.youtube.com/watch?v=5v7TQAEfAC4&list=PLv1rbD886yCbjUM3d1XVCEN9GTOclZNXD>, <https://www.youtube.com/watch?v=gt8J38vtzHA>, <http://dictionary.reference.com/browse/sedimentary+rock>, The same sedimentary layer found in North America has been found in Eurasia! I hope people understand that just the very existence of the sedimentary layers worldwide; is evidence that at some point in time the world was covered by water. Some might then argue that only regional floods happened at various times in the history of the world but to do so, once again, they must deny the evidence that the same geologic flood layer has been found all over the world indicating irrefutably a simultaneous global flood. I also hope people noticed that the professor of fluid dynamics was pointing out that these particular sedimentary flood layers we observe could not have been formed by a world covered with water deeply over a long period of time; but rather in order for such formations required rapid moving catastrophic deluge of large waves close to surface particulates; otherwise the waves at the surface would have little to no effect at the sediments deep down. Also note that worldwide they have found fossilized footprints of creatures running from rapidly rising water https://www.youtube.com/watch?v=QOx7yMDbt_Y and even fossils where many creatures were obviously gasping in their final death throes. <https://www.youtube.com/watch?v=2iUpKepDuJc> In various locations; fossils are all found heaped together as if by rushing flood swept them at once to their deaths heaped against existing hillsides or mountain sides and yet so fast unable to prevent their drowning. <http://www.s8int.com/boneyard5.html>

4. The Springs of the Deep - <http://biblehub.com/genesis/8-2.htm>, https://www.youtube.com/watch?v=2FFnrW_SUdM, <https://www.youtube.com/watch?v=WQ4UE63tJNl>, significant scientific advancements had to occur in order to confirm that "springs of the deep" even existed; as our Creator told us millenniums ago. (Oceanography, Photography, Computer Sciences, Marine Biology, 20th and 21st century submersibles, metallurgy, tempered glass, hydrodynamics, fields of engineering in designing the submersibles and equipment necessary and MANY more scientific advancements just to prove to mankind the evidence that fountains of the deep actually exist just like our Creator has told us all for millenniums. But you go on claiming your unsubstantiated worldview is scientific and those who acknowledge the Eternal Creator aren't; but all the rest of us know you are ignoring reality and the sciences in the process.) And for those who wonder where all the water went that we know flooded the world they are ignoring reality yet again of just how much water is present on the surface of the earth; how much is frozen in ice, how much is present in the atmosphere, and those huge deep oceanic ridges that those same modern scientific advancements have just shown us. <https://www.youtube.com/watch?v=d0td79QuxpA>, <https://www.youtube.com/watch?v=NkAHEPXaw4M>, keep in mind that the very deep sea where these fountains of the deep have been found is some of the most hostile environment to mankind on the planet; we need all kinds of special equipment to even see it for a short duration; but God told us of these things in such a way that it has been recorded in writing for thousands of years (and handed down verbally even longer) for us all to plainly read. With 75% of the surface of the earth presently covered by water of various depths and volume; and with mankind only knowing about 1 or 2 percent of what is in that portion of the earth (the oceans and the depths); perhaps; just perhaps, that where all that water is spewing forth from these fountains/vents means that somewhere down below them there is also perhaps even more water. <http://www.livescience.com/1312-huge-ocean-discovered-earth.html> And since we still have not explored the very deepest chasms in the floor of oceans; perhaps just perhaps those chasms opened up just like sink holes all over the world and drained the water that once covered the world as shown by the sedimentary layers on every continent. I know to people who have been taught since they were very young that it takes extremely long lengths of time for mountains to form and for life to appear but once again they deny reality in thinking such things. <https://www.youtube.com/watch?v=1q29FjphM1g>, <https://www.youtube.com/watch?v=k5yVgxXXDZ0&list=PL0122A1D15ED58683>, <https://www.youtube.com/watch?v=03wCIN2mmUs>, <https://www.youtube.com/watch?v=TkAG2avvRI4&list=PLelzbbAejmLEcGg6lck1qfKrAUNBI-Z9z> What if geologic sites like canyons were actually not just washouts from the flood; but what if they were huge earthquakes that caused gaps that significant or brought about the rapid and massive washout that removed all the sediment/delta that we don't find at the base of the Colorado River (as should be there if those who believe the canyon was carved over "millions of years" was the true explanation for its existence). Just like the people claiming such are obviously wrong; perhaps they are wrong also about the time it took to form mountains. What if catastrophic events caused the formation of mountain ranges, simultaneously with the chasms, earthquakes, that drained the flood? (In what some today call plate tectonics) I can still remember in grade school seeing a film where they showed us the evidence for plate tectonics and that Africa and South America were once connected. The clinching evidence they showed us in the film was a tree that was split in half; according to the film half of it was on the continent of South America while the other half was on the continent of Africa. I remember it clearly because the same film was claiming

that it took "millions of years" and as soon as they showed the split tree as proof the land masses were once joined, I immediately asked the teacher, "Are they saying that tree is millions of years old?" I wish I could find that film to find out if it was just complete fiction (like so much they taught us in public education) or if that tree actually did exist. My point is, anyone, anyone at all, that talks about "millions or billions or trillions of years ago", is immediately talking about imagination and fantasy; pure fiction. In fact, people who discuss prehistoric topics (beyond documented recorded history) are beginning to enter the fictional realm by definition. When a person digs up anything; without a recorded explanation from a person that was there when the discovered item was buried; without such explanation being found with the item being dug up (as in the case of some time capsules), the excavator automatically engages their imagination in order to explain the find. So when people claim the big bang theory is scientific; please call them a liar. <https://www.facebook.com/notes/michael-swenson/how-to-know-truth-in-a-world-of-lies/622590531153243> You and I know they were not there and they really do not have a clue therefore about "billions of years ago". I have shown you videos of reality, floods, earthquakes, sink holes, volcanoes, mountains, can all happen quite suddenly! And I have also shown that life soon recovers the ashen cover all over the ground from a volcanic eruption; that it only took a few decades; not "millions of years". So please stop calling your theories of evolution and origins "scientific". The only scientific evidence that actually exists proves Intelligent Design by the same Creator who Inspired the contents of the Holy Bible.

The evidence for the factual global flood is overwhelming; and sadly, these days have the same kind of laughing scoffers that mocked Noah as He built the Ark.

Underwater civilizations have been found off the coasts of all the continents on earth. The evidence of the global flood is so overwhelming that only those lacking knowledge of these facts still believe otherwise. To this day, people still mock and say things like "Where did all the water come from?" or "Where did all the water go?" http://www.newscientist.com/article/dn25723-massive-ocean-discovered-towards-earths-core.html?utm_source=NSNS&utm_medium=SOC&utm_campaign=hoot&cmpid=SOC%7CNSNS%7C2013-GLOBAL-hoot#.U56XLldU9Q; as anyone can read, <http://biblehub.com/genesis/7-11.htm> The Bible had it covered for millenniums and once again, science is finally catching up.

People laugh and scoff at the idea about dinosaurs living with mankind (even though there is ample factual evidence showing it).

https://www.youtube.com/results?search_query=man+dinosaurs+coexist&sm=3 And so they think how did Noah get dinos on the Ark. I have often thought; with all the "corruption" spoken of regarding those days; of nephilim, rephaim, human/animal hybrids, who's to say part of that "corruption" didn't include "abominations" in the form of genetic alterations of God's Designs? (In other words, who says that one of the reasons the flood came upon the earth was to eliminate the dinosaurs that just perhaps the nephilim and rephaim were creating through corrupting all flesh. https://www.youtube.com/watch?v=S8kIRj_hyyA&list=PLDD19870F568B7818 In other words, who's to say they were supposed to be on Noah's Ark at all; but not destined to be destroyed with the nephilim, rephaim, and hybrid abominations; all the "corruption" on earth.

B) The Ashen Remains of Sodom and Gomorrah-

1. <http://www.pinkoski.com/sodom-a-gomorrah.html> - the cities in the Bible that were destroyed by fire and brimstone have been found and the visible remains can be seen by travelers to this day. <https://www.youtube.com/watch?v=oG3QsisQrkc&list=PL86F56C259B75C886>

http://www.arkdiscovery.com/sodom_&_gomorrah.htm

2. <http://www.biblearchaeology.org/post/2008/04/the-discovery-of-the-sin-cities-of-sodom-and-gomorrah.aspx#Article>

God, Our Creator tells us why He has given us this example of His Power and Righteousness in the Book of Jude in the Holy Bible:

"7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

8 Likewise also these *filthy* dreamers defile the flesh, despise dominion, and speak evil of dignities.

9 Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.

10 But these speak evil of those things which they know not: but what they know naturally, as brute beasts, in those things they corrupt themselves.

11 Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gainsaying of Core."

these ashen remains serve as a warning to all the modern wicked persons who are taking every opportunity to blaspheme, denigrate, our Creator, His Instructions for Life in the Holy Bible, and His Messengers, Followers, in all the world. We warn you all to repent swiftly; if you do not want to experience consequences great and small for your wickedness; if you do not want to be on the receiving end of Divine Wrath and similar annihilation as what was done to these wicked persons; the remains of which still testify to this day of the need for us all to call upon our Creator for mercy and to change us into beings that thirst and hunger after righteousness instead of wickedness!

"Satanil, the LORD Rebuke you!"

C) The Exodus Account-

<https://www.facebook.com/notes/michael-swenson/the-ten-commandments-part-1/733691096709852> and

1. The Holy Bible records Divine deliverance for the Israelites from the Egyptians and describes geophysical specific details that have been confirmed and documented in history even with erected monuments still visible for anyone to see as this video points out. <http://www.youtube.com/watch?v=-mB5Aw14e4M> this video shows the evidence in step by step fashion proving the biblical account as

accurate. If anyone watches this video and still claims that it is not Mt. Sinai confirming the biblical record as factual history; there is no doubt they are in a state of psychological denial and willful ignorance. <http://www.youtube.com/watch?v=XU25s2xrfc> in addition they found chariot wheels <http://www.100goodmen.com.au/other/redseacrossing/img20.html> and even a wheel claimed to belong to the Pharaoh's chariot at the bottom of the crossing location in the Red Sea. <http://www.youtube.com/watch?v=tD7hL3kKrRw> and the pillars of Solomon still mark the crossing site. <http://www.100goodmen.com.au/other/redseacrossing/img25.html> <http://www.100goodmen.com.au/other/redseacrossing/img14.html>

D. Goliath's skull - <http://iamisatthedoors.wordpress.com/2012/06/20/2011-goliaths-skull-found-in-holy-land/> Even if we're so inundated with information and misinformation these days that we immediately are tempted to disregard anything we perceive based on assumptions made about the source of the data; especially if such information/misinformation is in anyway contrary to our present chosen worldview; atheists and evolutionists have been denying the existence of giants altogether; claiming that as absolute reason to deny the biblical accounts; including the fight between David and Goliath. That is why they (evolutionists) have to claim that none of these are real and why NWO money interests try and cover up such discoveries and keep them from public knowledge by not covering them in major media or using major media to discredit such finds if they become publicly known (<https://www.youtube.com/watch?v=E1RD49XG12Y&list=PLB4AA57115499DE65>) So, let's say one takes the position that this image of a giant skull with an embedded stone in it is a complete fabrication of digital technology or even 3d modeling. I have been using software and graphics software for many years and computers since they were monochrome monitors with "basic" programming as the language of the day, I watched them when they were still using punch cards for operations and huge tape reels for memory and data storage; as such, I would personally acknowledge that if that image is only digitally created, whoever did it, did an amazing job! It would be one of the best imaginary digital creations I have ever seen; better than most Hollywood productions! Likewise, if it's only a 3d model; whoever constructed it would easily be on par with such professionals in Hollywood who are deemed some of the best in the world. So just like those who argue the ancient ship found at over 13,000 ft isn't Noah's Ark, and the ashen remains of Sodom and Gomorrah with brimstone still in the ruins are just some kind of elaborate hoax, and the burnt Mountain in Saudi Arabia isn't the real Mt. Sinai despite all the surrounding detailed evidence and its own unique properties unlike any other in the entire world, they also would here be left with a giant skull with a stone in it; while claiming consistently that even though all these artifacts, locations, city remnants etc. were found exactly where the accounts in the Holy Bible state they would be; that it is all still only myth and legend. The rest of us know that in order to hold such a position any longer you are in a state of psychological denial; and in refusing to acknowledge your own perceptive abilities choosing to remain in a state of irrational insanity; a land of make believe, a snow globe world of fantasy; irrespective of the reality in which we all actually exist. Let us take a

moment and say okay, suppose, just suppose, that even though we have original codices dating over centuries and even millenniums, manuscripts of the Holy Bible; that has preserved details all these unbelievers were systematically brainwashed into believing were complete myths; and yet even though the actual physical remains of these so called myths have been found and are available for people to visit and see for themselves; (provided the satanic NWO hasn't somehow covered up or destroyed the evidence); if they can afford to do so; despite that even though every detail leading up to the discovery of Mt. Sinai http://www.arkdiscovery.com/mt_sinai_found.htm, like the bitter springs, the palms and the twelve springs, the chariot wheels at the bottom of the Red Sea at the crossing site marked by the Pillars of Solomon; the split rock <http://www.paradisecafediscussions.net/showthread.php?tid=7750> where God provided by the faith of Moses; who struck that stone with his staff; water in the desert of such abundance that significant erosion is there for all to see the scientific proof clearly visible to this day; but let's just agree to ignore all that detailed information provided in the Holy Bible and visible in reality so you can go on in your comfortable state of insane denial of overwhelming observable evidence; thinking there is no God and that the Holy Bible is only stories and myths rather than historical fact. And under those false assumptions and premises, you tell me and the whole world; if you can, just how all these things came about that just happen to coincidentally match the scriptural accounts in detail. You tell me just why you disbelieve objective physical evidence; reality, in favor of illustrations, animations and fantasies (supporting your imaginary scientific evidence for your so called scientific theory; that has been proven to be pure fiction; by actual science and observable facts about anything real, time and again; known as the theory of evolution); yes, please tell us why you choose to believe fallible people who dream-like talk about billions of years ago as if they were there over clearly observable facts. You have the right to choose to ignore the real scientific evidence that supports the biblical account throughout and that science is actually still catching up with in understanding the Divinely Inspired and Revealed Knowledge therein and to go on living in your self-deluded fantasy world of evolution and atheism; for which there is no scientific support of any kind and never will be; as the sciences have already disproved the theory you were brainwashed to believe in by government controlled public education and propaganda; funded by the satanic NWO. **You have the absolute right to firmly hold onto your religions of atheism and evolution; but understand that all sane, rational minds the world over will never acknowledge that your beliefs in such foolish, irrational and insane notions are in any way scientific.** (but satanil is just another being they brainwashed you so thoroughly into denying his existence that you deny the observable reality in which we exist in order to remain in such a state of willful, deceived and self-deluded ignorance). Since satanil means adversary of God, by stating such a being does not exist is once again ignoring the obvious that unfortunately it is easy to encounter people that claim to hate God, especially the God of the Holy Bible, and so much so they ignore reality and the use of their own senses to adamantly deny He even exists. The progenies of our NWO public education have been taught; despite easily observable facts about reality, that neither God, our Creator, or satanil exist; in that way those who know better can control you, manipulate you, as in self-pride, everyone then thinks no one else can tell them what behavior is right or wrong, but that everyone can do whatever they want; (regardless of who or what is hurt or even killed in the process). The NWO satanists that brainwashed you into believing that complete load of crap know it results in bloodshed and chaos (that is the result of everyone thinking no one else (not even the actual God and Creator of the Universe) has the right to tell

them what to do and that they alone are their own moral judge of right and wrong behavior). It is one of the most destructive worldviews ever to manifest on planet earth and has resulted in an increase of racism, wars, infanticide by the tens of millions worldwide as abortion is the number one killer of innocent babes now; more slaughtered in recent history under the religions of atheism and evolutionary thought than in all the ages past! Many aptly link the insanity of these religions to communism, marxism, that have resulted in the deaths and oppression of mass millions, and such other philosophies and worldviews devaluing human life, creating slavery and even leading to euthanization and the NWO global practices of genocide https://www.youtube.com/watch?v=UHNck5UnP_Y currently underway in all their poisoning of our food https://www.youtube.com/watch?v=g4Op1_LFys8, https://www.youtube.com/watch?v=KNCgkprGW_o, water <https://www.youtube.com/watch?v=dbj4zdYZnJc>, air <https://www.youtube.com/watch?v=gR6KVYJ73AU>, medications https://www.youtube.com/results?search_query=medications+with+lethal+side+effects&q=medications+with+lethal+side+effects&gs_l=youtube.3...108294.116052.0.116372.36.36.0.0.0.121.3412.26j10.36.0...0.0...1ac.1.11.youtube.ZIPEPelb6oU and destruction of the environment greedily to such an extent mass extinctions are underway around the world <https://www.youtube.com/watch?v=XM1g9lQkWU>. As a personal victim/survivor of what I have found has been going on worldwide of local hospital homicides <http://chriskresser.com/medical-care-is-the-3rd-leading-cause-of-death-in-the-us>; in which millions of innocent citizens have been murdered and hacked up for their organs <http://www.infowars.com/horror-as-patient-wakes-up-in-ny-hospital-with-doctors-trying-to-harvest-her-organs-for-transplant-profits/> (yes, right here in the USA, Great Britain and European block countries; not just China, and other Asian nations, <http://www.blastthetrumpet.org>, I am earnestly motivated to see these destructive worldviews of atheism and evolutionary thought come to a permanent end! So if I sound upset, enraged, throwing their arrogant sarcasm back in their faces; you better believe it; because as I see it; their worldview of atheism and evolutionary thought is by far the greatest danger to the survival of humanity and all life on the planet the world has ever witnessed! Dr. James Kennedy and many others in agreement. <https://www.youtube.com/watch?v=sBcLiy4N8U&list=PLC5FDA68518EABE1E> And since it is the NWO satanic agenda and openly espoused belief https://www.youtube.com/results?search_query=nwo+depopulation+agenda&oq=NWO+depopulation&gs_l=youtube.1.3.0l4j0i5.35654.211271.0.215091.17.17.0.0.0.127.1602.15j2.17.0...0.0...1ac.1.11.youtube.AH9WDL3IHCO and practice (again poisons in food, water, air, medication, environment causing deaths to millions prematurely as ubiquitous evidence; there is no way any can claim the people in charge don't know what they are doing when they scientifically study how to manufacture these things and purposely add poisons to feed <https://www.youtube.com/watch?v=mKj6fWEWaMI> of not only what we end up eating but directly into processed foods and beverages; not to mention toxic GMOs; so it is obvious the so called rulers of the world are openly practicing genocide upon the populace; as they openly have stated is their intent and belief to depopulate the planet <https://www.youtube.com/watch?v=9wMMJkk6feY>, https://www.youtube.com/watch?v=kVeA07d2F_I, <https://www.youtube.com/watch?v=IPBotpbZ1v8>, <https://www.youtube.com/watch?v=S48Qq-6WaNE>, https://www.youtube.com/watch?v=UHNck5UnP_Y, https://www.youtube.com/results?search_query

[c.1.11.youtube.UZz0uX7dpYY](#) (why not counter carbon dioxide with planting trees, hunger by fruit and nut trees, etc. in suburbs and city blocks, instead of killing people?)) to murder citizens in genocidal fashions, to reduce the global population and rid the world of all they consider inferior (like everyone they are brainwashing with the crap of evolution and the insanity called atheism,
<https://www.youtube.com/watch?v=xg2SsVGbJkA>(it's not just arrogant or prideful persons in the Jewish faith but in any and all faiths all over the world the wealthy have been murdering poor people in hospitals for their organswww.blastthetrumpet.org), the satanic NWO consists of persons all over the world who consider themselves superior to everyone else (just like the pride of lucifer/satanil in them moves them to be <http://www.biblegateway.com/passage/?search=Isaiah%2014&version=NIV>; while they ignore the fact we all piss, shit and bleed the same and especially ignore these verses: **16Those who see you stare at you, they ponder your fate: "Is this the man who shook the earth and made kingdoms tremble, 17 the man who made the world a wilderness, who overthrew its cities and would not let his captives go home?"**

that aptly point out that even though these wealthy oppressors think of themselves like gods and goddesses superior to everyone else; that they look upon like cattle, sheep to be slaughtered; that they are in fact just human beings like all the rest they so disdain), they are usually ultra wealthy (by that I mean those who own the mints; that print the money; that they force all the rest of us to work/slave for on seemingly lower and lower slave wages day by day until we drop dead from their depopulation methods (I am NOT opposed to honest work, proper education (instead of brainwashing; teaching children the value of stewarding the earth and life on the planet by giving children a small garden patch each year for each of them to plant and lovingly care for; speaking over their gardens in faith and having the joy of eating the harvest thankfully; by having them visit elders as part of their education and glean the wisdom and knowledge of the previous generation into huge databases that would exponentially increase innovations, inventions and quality of life on the planet I cover other solutions for what I think should be done; as opposed to what the satanic NWO is doing to destroy children and life on the planet here:<http://www.godempowersyou.com/documentation/Ideas.pdf>,<http://www.facebook.com/notes/michael-swenson/solutions/516489485096682> etc; I am opposed to treating anyone like a slave and when they clearly have the means; instead pay wages so low people have to work multiple jobs just to pay the same ultra wealthy for their greedy hold on commodities and energy) they are the same persons who are so ambitious for power they systematically murder anyone that threatens their idolatry of self worship in prideful arrogance, and is why even the Messiah, Yahoshuah, aka Jesus Christ, was murdered by their efforts and influence on the general populace and those who they pay as mercenaries to enforce their will), you are only openly showing them and their brainwashing to be successful by ignoring physical evidence proving the Divinely Inspired scriptures; that lead you and all mankind to the One True God http://biblehub.com/1_john/5-20.htm , our Creator; Salvation and to be free of the genocidal maniacs of the NWO now and forever! Because they know this, they practice dissemination of misinformation (lies) to keep you from knowing the One True God and thereby dethroning their stranglehold on the people of this world once and for all!

There are not just hundreds of accounts, not just thousands but tens of thousands of accounts of giants! Artifacts, Giant Skeletons, heiroglyphs, newspaper articles, burial mounds, etc. HISTORY is being hidden by those who are BRAINWASHING children with evolution, instead of showing the support of the Biblical Creation Account! <https://www.facebook.com/notes/michael-swenson/the-serpent-seed-nephilim-rephaim-bestials-hybrids/570496899695940> and <https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/74746775332184>

E. The Shroud of Turin - I have encountered people on and offline that actually argue that none of the biblical figures, places, etc. ever even existed; so much so they claim to sincerely believe that the Holy Bible is a compilation of nothing more than fairy tales. When pointing out that people have been using those so called fairy tales to find long buried cities and artifacts; they of course have to completely ignore the evidence to remain in their self-deluded willful ignorance. For two millenniums people acknowledge the modern age and the Lordship of Yahoshuah the Messiah every time they wrote the date A.D.;http://en.wikipedia.org/wiki/Anno_Domini. In the year of our Lord; only with the modern advent of satanic brainwashing in our public education have fools arisen who deny such obvious acknowledgement of truth. I, for one, will continue to use A.D. when referring to present dates; for His Reign is Forever! <http://biblehub.com/luke/1-33.htm>,<http://biblehub.com/isaiah/9-7.htm>, <http://www.biblestudytools.com/parallel-bible/passage.aspx?q=daniel+2:39-49&t=rsv&t2=niv> . But to keep their chosen worldview they work as hard as possible not only to deny the overwhelming evidence themselves but to encourage everyone else including children in public education to do the same. F. The Titulus - http://en.wikipedia.org/wiki/Titulus_Crucis - I am well aware of people who readily dismiss relics by thinking modern dating methods are inerrant but to them I point out that in fact modern methods have been shown repeatedly to have large variations of error in their practice, such as errors caused by bio-plastic coating <http://www.historian.net/shroud.htm>; <http://www.angelfire.com/mi/dinosaurs/carbondating.html>. Not to mention human error in general; so do I believe a relic that was on display in the middle ages could have accumulated dust, debris, and biological agents that could skew modern dating methods?; absolutely.

G. The Top 10 Relics - <http://listverse.com/2012/10/17/top-10-relics-of-jesus-christ/> While I place no faith in relics; but in the Creator only; to deny the relics even exist is ludicrous. It is one thing to assume a skeptical position regarding authenticity; but quite another to ignore the reality of their existence. Even more preposterous to deny Christ; when a person of such magnitude as the Messiah and the resulting spread of the Gospel <http://www.svherald.com/content/lifestyle/2012/12/24/343929> (small nations have been given Holy Bibles that never even had a written language!) worldwide <http://www.baptisttranslators.com/content/view/53/53/> (we still need to keep up the good work; if you are going to donate to any cause; making the Holy Bible available to all souls is one of the

best! By declaring the Gospel to the whole world as our Lord instructed, eventually the prophecy that I am looking forward to more than any other; regarding the souls on planet earth; will be fulfilled:

"No longer will they teach their neighbor, or say to one another, 'Know the LORD,' because they will all know me, from the least of them to the greatest," declares the LORD. "For I will forgive their wickedness and will remember their sins no more."<http://biblehub.com/jeremiah/31-34.htm> (I am fervently hoping that the fulfillment of this does not come about by unrepentant wicked souls continuing to provoke the Creator until they are all annihilated (as in the days of Noah) leaving only a few wise souls left that all know and worship the One True God; but that I am hoping the fulfillment is rather great Mercy from our Creator as He enlightens billions upon billions of us worldwide by pouring out the Spirit of True Repentance and the Holy Ghost upon us all; so that we KNOW and experience the Spirit of our Creator with all that we are visibly and spiritually; such that every cell of our being rejoices in the presence of our God and we all become transformed glorious beings! The biblehub.com is one of my favorite websites because it has the verses in many versions of the bible so you can see even better the intent/meaning. <http://www.biblegateway.com/versions/> you can find the Holy Bible online these days in virtually every major language of the world, however there are still an estimated 2,000-3,000 smaller tribes, and peoples, that still don't have bibles in their own language; please pray our Creator moves powerfully upon all the rest of us who know Him to make sure that everyone soon has a chance to hold the Word of God in their own hands; in their own language; all over the world and that if they can't read that they have a solar powered bible (like a small digital calculator that they can carry with them in their pockets or purse at all times; not as expensive as a complex smart phone; but rather, at a minimum, just the text to keep expense down and lasting function up; and on up to more expensive digital, hand-carry, solar powered bibles; that include full multi-media presentations and interactive links with information on the Internet in larger databases or servers than the hand-held unit could contain); with a narrator that reads the Word of God to them whenever they want; just by pushing a button! I have envisioned such a device that has button arrows that scroll left and right through the books and chapters of the Bible that show on a small screen like modern cell phones; such that people can look at the words as the narrator speaks them and perhaps even see pictures or video clips of parables, etc. That way, these digital bibles could actually help people learn to read and write as well! I am aware of course that the Bible is on media that can be played by existing devices <http://www.audiotreasure.com/indexKJV.htm> but as far as I know to date no dedicated solar powered, hand-held, text display with audio accompaniment, units exist like I would like to see flood the whole world by the billions. I hope Christians everywhere will fund such a project such that so many could be manufactured that costs could be kept very low; like the 1-2\$ solar calculators these days; but perhaps might cost more like \$5 because of the digital content and audio/visual screen with waterproofing technology. But if enough were made (hundreds of millions to billions) the cost for each one would go down substantially. Since the software already exists (as you can see the links showing the Bible online in many languages and software that reads text aloud - translators like <http://imtranslator.net/translate-and-speak/> or <http://paralink.com/> which work very well especially since they are free. As you can see the software exists, solar powered calculators exist; so a solar powered bible in every language that reads to people is possible to make with today's technology and I wish was already everywhere all over the world.) is presently observable with more historic and current documentation than any other event in

history http://www.goodreads.com/book/show/1129533.Evidence_That_Demands_a_Verdict (all the volumes <http://www.amazon.com/Evidence-Demands-Questions-Challenging-Christians/dp/0785242198> point out such extraordinary aspects regarding the Holy Bible; setting it apart from all other books; that it is an apologetic series that all should become familiar with and peruse at length); to deny the life, death and resurrection of Yahoshuah the Messiah, aka Jesus the Christ, even happened is the height of programming, deception and insanity. <http://beginningandend.com/jesus-exist-historical-evidence-jesus-christ/>, <http://www.angelfire.com/sc3/myredeemer/Evidencep7.html> more manuscripts, more documentation acknowledging the life, death and resurrection of the Living Lord Yahoshuah the Messiah, aka Jesus the Christ; exist BY FAR over any other person, place, or thing in antiquity; in all literature; in the entire world.

H. Joseph/Imhotep controversy -

<https://www.google.com/search?q=joseph+imhotep&tbm=isch&tbo=u&source=univ&sa=X&ei=TwvWUtDLD-eliwK864GIDQ&ved=0CEIQsAQ&biw=1067&bih=702> <http://www.arkdiscovery.com/joseph.htm> Once again, while taking no side to the argument; I point out that critics who claim the Holy Bible is nothing but unsubstantiated fables; must acknowledge (or remain in their chosen state of psychological denial of reality and evidence presented them) that one of those so called fables tells about such details that coincidentally resembles the account of the non-biblical history relating to "Imhotep" <http://www.s8int.com/joseph.html>, <http://josephandisraelinegypt.wordpress.com/page/2/>.

I. Walls of Jericho - <http://christiananswers.net/q-abr/abr-a011.html> Once again I mention these things because I have encountered people who like to pose themselves as educated and intelligent (instead of the truth that most anyone who has attended US public education over the past few decades have been victimized by brainwashing to a greater or lesser extent); who actually sincerely believe Jericho <http://www.answersingenesis.org/articles/cm/v21/n2/the-walls-of-jericho>, Kind David, Solomon, etc. biblical figures, places and things never even existed! And I am pointing out that people actually use the Holy Bible historically and to this day to find such cities <http://www.biblearchaeology.org/post/2008/06/the-walls-of-jericho.aspx#Article>, relics and artifacts, exactly where the Bible states they are located! (In other words; you have to choose to remain a fool and in denial of your senses to believe such things as these modern atheists so snidely hold in derision; such as, ridiculously claiming that the Holy Bible is nothing more than a book of fables and that none of the biblical characters and sites ever actually existed.) Anyone with eyeballs can see such places exist to this day! <https://www.google.com/search?q=jericho+and+its+walls+were+found+exactly+as+the+bible+description&tbm=isch&tbo=u&source=univ&sa=X&ei=-QEXUqj8BqOMigLV24HoCw&ved=0CCwQsAQ&biw=1067&bih=702>

UNDERWATER CITY DISCOVERED

This time off the coast of India.

A major discovery of submerged ruins was made in April of 2002 offshore of Mahabalipuram in Tamil Nadu, South India. The discovery, at depths of 5 to 7 meters (15 to 21 feet) was made by a joint team from the Dorset based Scientific Exploration Society (SES) and marine archaeologists from India's National Institute of Oceanography (NIO). Investigations at each of the locations revealed stone masonry, remains of walls, square rock cut remains, scattered square and rectangular stone blocks and a big platform with steps leading to it. All these lay amidst the locally occurring geological formations of rocks.

Based on what at first sight appears to be a lion figure at location four, the ruins were inferred to be part of a temple complex. The Pallava dynasty, which ruled the region during the 7th century AD, was known to have constructed many such rock-cut, structural temples in Mahabalipuram and Kanchipuram.

Underwater investigations were carried out at 5 locations in the 5 – 8 m water depths, 500 to 700 m off Shore temple.

Investigations at each location have shown presence of the construction of stone masonry, remains of walls, a big square rock cut remains, scattered square and rectangular stone blocks, big platform leading the steps to it amidst of the geological formations of the rocks that occur locally.

Most of the structures are badly damaged and scattered in a vast area, having biological growth of barnacles, mussels and other organisms.

The construction pattern and area, about 100m X 50m, appears to be same at each location. The actual area covered by ruins may extend well beyond the explored locations.

The possible date of the ruins may be 1500-1200 years. Pallava dynasty, ruling the area during the period, has constructed many such rock cut and structural temples in Mahabalipuram and Kanchipuram.

The last claim is questioned by underwater archeologist Graham Hancock, who says a scientist have told him it could be 6,000 years old.

Durham University geologist Glenn Milne told him in an e-mail: "I had a chat with some of my colleagues here in the dept. of geological sciences and it is probably reasonable to assume that there has been very little vertical tectonic motion in this region [i.e. the coastal region around Mahabalipuram] during the past five thousand years or so. Therefore, the dominant process driving sea-level change will have been due to the melting of ice sheets

****more accurately, sea levels rising after Noah's flood**.**

Looking at predictions from a computer model of this process suggests that the area where the structures exist would have been submerged around six thousand years ago. Of course, there is some

uncertainty in the model predictions and so there is a flexibility of roughly plus or minus one thousand years is this date.”

****6,000 years minus one thousand years lines up quite nicely with Noah's flood approximately 4,500 years ago, also taking into account some time for global processes to change the face of the Earth sea levels changing etc.****

If that were true, it would be a spectacular development. Previous archaeological opinion recognizes no culture in India 6,000 years ago capable of building anything much.

Once again demonstrating man's high intelligence that has been overlooked by mainstream science. Notice the words "capable of".

Hancock says this discovery proves scientists should be more open-minded. “I have argued for many years that the world’s flood myths

*** Noah's flood isn't a myth but all cultures passed down stories from the actual event* deserve to be taken seriously, a view that most Western academics reject. “But here in Mahabalipuram, we have proved the myths right and the academics wrong.”**

The Bible is always proving secular scientists wrong

EVOLUTION COUD NOT DO THIS

The ichneumon wasp (Thalessa) looks so delicate that the slightest wind ought to blow it over. Yet it lands on a hard tree trunk, and begins thumping with something that looks as delicate and frail as the leg of a daddy longlegs. But that antennae, thinner than a human hair, happens to be a high-power extension drill. The drill is about 4½ inches [11.43 cm] long, so long that it curves up and down as the small insect thumps on the hardwood with it. After thumping for a time, the tiny creature somehow knows it has found the right place to start work. Drilling begins. This little wasp uses that delicate feeler to cut its way down through several inches of solid, hard oak wood! This is totally unexplainable. Scientists have tried to solve the puzzle, but without success. The second miracle is what the wasp is drilling for; the larvae of a special beetle. How can it possibly know where to start its drill, so as to go straight down (it always drills straight down)—and reach a beetle larvae? Scientists cannot figure this out either. Somehow the initial thumping told the tiny insect that a grub was several inches down, and that it was the kind of larvae it was looking for. The ichneumon wasp lays its eggs on just one larvae, that of the Tremex. When those eggs hatch, they will have food to grow on. Then, before they grow too large, tiny ichneumon wasps come out through that original hole

The Making of a "Local Flood"

This image of a local flood has been used by Answers in Genesis speakers for years to show what Noah's Flood was not. Here are the steps I took to make this fictional picture of a local flood.

UNDER SEA SETTLEMENT FOUND IN SWEDEN

Divers have found a harpoon, tools, and horns and the bones of ancient cattle..The bones belonged to the animal auroch last seen in the early 1600s..

Archaeologists believe these relics date back to the "Stone Age" ..(Biblically there was no stone age)

It is said to be the oldest settlement in the area - dubbed Sweden's 'Atlantis'

It has been suggested the settlement may have been swallowed whole by the sea..which would make sense in the Biblical point of view. Whether from Noah's flood or post flood rising sea levels. Many sites have been found around the world such as this one, deep under the sea.

FOLDED ROCK..PROOF OF A BIBLICAL FLOOD

This folded rock is in the Museum of Natural History in New York. There is no other way rock can fold unless it was wet when it formed. It took dirt and water to do this. Tons of water plus dirt equals..a huge flood. It's no surprise that all around the world we find folded rock. Even on the highest mountain tops..evidence of a global flood is everywhere.

FOSSILS DISPROVE OLD EARTH THEORIES

Christian geologists have disproven the idea that fossils are laid down slowly over millions of years as believed by secularists and believers in evolution, but are instead attributed to one single event. Noah's flood.

The discovery of an 80-foot long fossilized baleen whale in a diatomite deposit at the Miguelito Mine in Lompoc, California, indicates rapid deposition, as documented in a paper by Dr. Andrew Snelling. If this diatomite was deposited gradually, as claimed by uniformitarian-biased old-earth geologists, the diatomite would not be pure, as it is. (Similarly, the extraordinary purity of some limestone deposits should be sufficient to falsify claims of million-year depositions.) And most significantly for this creature, a slow deposition rate would result in corrosion and scavenging of the whale's bones, because the rib cage, for example, would have been awaiting burial for eons. Rather, this whale was buried rapidly in diatomite along with fish, sea lions, birds, and other whales.

[Michael Swenson http://thearrowsoftruth.com/ooparts-smithsonian-we-have.../](http://thearrowsoftruth.com/ooparts-smithsonian-we-have.../) there is no doubt "dinosaurs", "dragons", not only co-existed with mankind; THEY STILL DO! granted many species have gone extinct; but certainly not all. If there were no crocodiles or alligators today; scientists would have given such creatures dinosaur names and if they hadn't been clearly documented as being present in modern history make the claim they went extinct millions of years ago. I have researched all dating methods known to mankind and have yet to be convinced that any of them are valid; especially with those that claim to date "millions of years" or longer. There is no scientific proof to date that anyone on earth can pick up a rock off the ground or dig one up and accurately determine its age (especially when discussing spans of time such as millions or billions of years). likewise; virtually all dates beyond say thousands of years (like 10000 years) without corroborating empirical evidence HAVE NOT BEEN SCIENTIFICALLY PROVEN regardless of who makes claims otherwise. written history came on the scene with current finds of thousands of years; not millions of years. NO ONE ON EARTH CAN ACCURATELY DATE (prove such claims) beyond written history (for the most part; they might be able to go slightly beyond) but all such dating of millions and billions of years; are pure conjecture. I CHALLENGE ANYONE TO SUBMIT ABSOLUTE PROOF THAT THEY CAN DATE ANYTHING AT ALL ACCURATELY DETERMINE ANYTHING IN THE UNIVERSE TO "millions of years" or more. I have read all the dating methods I could find in the international database of mankind on the Internet; all the astrophysics claims, the geologists claims, etc. and NOT ONE of the so called dating methods is convincingly accurate much beyond recorded history. dendrochronology is one of the more accurate dating methods but again that is only because it spans time within recorded history and not beyond it. all other dating methods have been proven time and again as wildly inaccurate. What I am saying is petrification can occur in a matter of days! solidification of sediments likewise, metamorphosis likewise, etc. that's a scientific

fact!<https://www.google.com/webhp?sourceid=chrome-instant...> and <https://www.google.com/webhp?sourceid=chrome-instant...> as such all these claims of millions or billions of years are as far as I can tell by years of research; purely fictional.

The fossil record shows diversity of species many of which have become extinct; but the BILLIONS of intermediaries are NO WHERE TO BE FOUND! Contrary to evolution, the Biblical Account DOES HAVE OBSERVABLE EVIDENCE, DOES HAVE SCIENTIFIC SUPPORT THROUGHOUT! Creation is the REALITY in which we exist (hands down! no contest whatsoever between Biblical Creation and imaginary evolution!) - evolutionists instead of throwing up ad hominem and their usual nonsense need to consider the FACTS cited in these two presentations <https://www.youtube.com/watch?v=Gjvuwne0RrE> and <https://www.youtube.com/watch?v=lktmmd7YnD8> You see, Creationists DO NOT DISMISS THE RECORDED HISTORY of mankind that tells us PLAINLY about Creation and is FACTUALLY supported by what we observe, but evolutionists SWEEP history aside COMPLETELY and assign their own fairy tales to what we observe. <https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/747467775332184>

PART OF THAT MOST SIGNIFICANT HISTORY BEING IGNORED IS HOW THE CREATION ACCOUNT IS TOLD IN THE STARS AND EVEN HOW AND WHEN OUR CREATOR WOULD COME AND SAVE MANKIND! <https://www.youtube.com/watch?v=EUQEMqF5dL8>

<https://www.facebook.com/notes/michael-swenson/god-part-1/719346771477618> and <https://www.facebook.com/notes/michael-swenson/god-part-2/830858016993159>

GET THIS CLEAR; VERY, VERY CLEAR; LET IT SINK IN! SCIENCE OVERWHEMINGLY SUPPORTS THE BIBLICAL ACCOUNT; SCIENCE DOES NOT SUPPORT the entire evolutionary paradigm currently being forced upon innocent children in coerced public indoctrination and reinforced through deceptive media programming on television; from cosmic evolution on through to biological macro evolution! LET ME REPHRASE THIS; SCIENCE SUPPORTS, CONFIRMS, PROVES AS VALID THE BIBLICAL ACCOUNT (IS WHAT WE ACTUALLY OBSERVE); SHOWING BEYOND ALL REASONABLE DOUBT, THAT IT IS MOST DEFINITELY THE CREATIONISTS THAT ARE THE ONES WHO BASE THEIR FINDINGS, CONCLUSIONS AND WORLDVIEW ON REASON AND SCIENCE; NOT ANY of those who cling to and espouse evil-u-shun!

JERICHO (Jos 6:12-20),
DOES THE EVIDENCE DISPROVE OR PROVE THE BIBLE?

- The city was strongly fortified (Joshua 2:5,7,15, 6:5,20).
- The attack occurred after harvest time in spring (Josh 2:6, 3:15, 5:10).
- The inhabitants had no time to flee with their foodstuffs (Joshua 6:1).
- The siege was short (Joshua 6:15). **NO TIME TO FLEE**
- The walls were leveled, (Joshua 6:20). **WALLS DID FALL.**
- The city was not plundered (Josh 6:17-18). **CYPRriot JARS FOUND**
- The city was burned (Joshua 6:20). **JARS LEFT WITH GRAIN.**

Pottery found by John Garstang. This pottery, with red and black geometric patterns, was in use only in the later part of the 15th - 14th century BC, the time of the Israelite story.

The cemetery outside Jericho has yielded a continuous series of Egyptian scarabs from the 18th through the early-14th centuries B.C.E., contradicting Kenyon's claim that the city was abandoned after 1550 B.C.E.

(Jos 6:12-20),

JERICHO

- DOES THE EVIDENCE DISPROVE OR PROVE THE BIBLE?

Kathleen Kenyon died in 1978. However, detailed reports on her findings at Jericho weren't published until 1981-1983. Several years later, when archaeologist **Bryant Wood** then professor at the University of Toronto—examined her findings, he was surprised to find that "Kenyon's analysis was based on what was *not* found at Jericho rather than what was found"

Pottery found by John Garstang. This pottery, with red and black geometric patterns, was in use only in the later part of the 15th - 14th century BC, the time of the Israelite story.

The cemetery outside Jericho has yielded a continuous series of Egyptian scarabs from the 18th through the early-14th centuries B.C.E., contradicting Kenyon's claim that the city was abandoned after 1550 B.C.E.

He realized she had based her dating on the fact that she did not find a particular kind of imported pottery found at other sites in the Near East. CYPRIOT JARS. John Garstang, had found painted pottery from the time of the conquest. Egyptian amulets he found at a nearby cemetery around the Biblically derived date . C-14 found in burnt charcoal dates 1400 bc.

Michael Swenson <https://www.facebook.com/notes/michael-swenson/the-space-time-continuum/833112730101021> quantum mechanics and quantum field theory <http://www.icr.org/article/higgs-boson-big-bang/> appear to me to be nothing more than putting new words and terms to old ideas. (kind of like calling "dragons", "dinosaurs" in order to suppress actual history.) GOD has told us for millenniums that what is VISIBLE is presented by what is NOT! http://biblehub.com/2_corinthians/4-18.htm BY HIM! <http://biblehub.com/colossians/1-17.htm> by His Creative Power, Spoken Word (vibrations , frequencies, waves) to bring forth from His Invisible Eternal Self, Visible Creation. http://biblehub.com/1_timothy/1-17.htm and <https://www.biblegateway.com/passage/?search=John+1> and <https://www.facebook.com/./the-religion.../729829070429388> and <https://www.facebook.com/notes/michael-swenson/understanding-the-holy-bible-part-1/611082142304082> when the atom was first discovered it was considered the "smallest building block of matter" but when protons, neutrons and electrons came along, we started to see the rabbit holes of modern physics go on virtually endlessly. To the point where quarks have been discovered and smaller particles still. At some point scientists are trying to define when and how is energy transformed into mass, (HOW DOES GOD MAKE the INVISIBLE, VISIBLE) I encourage them to go on in their search; but what I object to is calling any of these discoveries "natural"

when in fact they are both supernatural in origin and essence. I object to those who call these mechanisms "explained" simply because they apply DIVINE attributes to anything observed; especially particles so small it takes imagination to even begin to conceive of them, "discover" them, and define them according to their own presuppositions that discovering tiny vibrations, waves, and particles explains Creation apart from our Creator; when it absolutely does NOT. NO MATTER HOW MANY SMALLER AND SMALLER PARTICLES MAY YET BE FOUND, BOTH ENERGY AND MASS ULTIMATELY EXISTS BY DIVINE PROVIDENCE; OUR ETERNAL CREATOR YAHOSHUAH, commonly referred to in English as our LORD and SAVIOR, JESUS the CHRIST. One thing far too many "scientists" seem unwilling to admit, and that is observable reality TAKES DIVINE INTELLIGENCE NOT ONLY TO CREATE IT BUT TO SUSTAIN AND PRESENT IT MOMENT BY MOMENT! Max Planck comprehended it correctly; why are others trying so hard to present themselves as obtuse to the OBVIOUS. "All matter originates and exists only by virtue of a force which brings the particle of an atom to vibration and holds this most minute solar system of the atom together.

We must assume behind this force the Existence of a Conscious and Intelligent Mind. This Mind is the matrix of all matter."

[The Space Time Continuum](#)

The Fourth Dimension - Mapping Time and Space

Origin/Beginning Point 0 and with respect to time and space 0,0,0,0 exists within the center of the first spinning tetrahedron/sphere it occupies

Time is non-linear because it emanates in all directions from the origin

The origin of Time and Space is the origin of all matter in the Universe. All matter is constantly moving through Time and Space/The 4th Dimension. If we want to discuss what exists in the 3rd instance of time we would be discussing everything within the green sphere and so on with each passing increment of time more space is defined. So when the Creator brought everything into existence Time and Space had its origin at that instance. All matter was a superheated enormous mass in the Beginning and was set in motion spinning by the Creator. As He spun the superheated mass; molten liquids gases and solids flung outwardly from the origin into the 4th Dimension/Time and Space. So my friends not only is Space/Time Travel possible but everything in the universe is doing just that constantly. The Creator alone occupies all of the 4th dimension which is his House at once. So He experiences all of it past, present and future at once and tells us of the so called future in the form of prophecy. This is what the meaning is of the scripture Ecclesiastes 3:15 and is why the Holy bible always has been and always will be inerrant in prophecy.

One point = 1st dimension Two points/line = 2nd dimension Three points/triangle = 3rd dimension Four points/Tetrahedron = 4th dimension; specifically a spinning tetrahedron that occupies a sphere with radian equal to a instance of time. Interlocking spinning tetrahedrons map all Time and Space thusly.

The amount of archaeological evidence surrounding the life of Jeremiah is astronomical. That's not to say that, tons of other evidence for the other men and stories mentioned in the Bible is as equally impressive. Familiarize yourself with the stories then you'll see clearly how archaeology demonstrates the Bible to be a book of history

The Ipuwer Papyrus is an ancient document that provides a possible independent record of the ten plagues in Egypt. It describes a great disaster that took place in ancient Egypt. The record only dates to around 1850 BC, placing it close to the time of the Exodus (circa 1485 BC). The Ipuwer Papyrus is the only surviving manuscript of an ancient Egyptian poem, possibly designated as Papyrus Letter 1344. The poem is known as "The Admonitions of Ipuwer".

It describes a time when Egypt was in a state of chaos. The author, Ipuwer, laments the destruction of the land, the death of the king, and the suffering of the people. The text is written in a style that is very similar to the descriptions of the plagues in the Bible.

The letters are the correspondence between the Egyptian pharaohs and the vassal states of the Levant and the Aegean. The letters are written in Akkadian, the common language of the region at the time. The Amarna Letters provide a window into the political and diplomatic relations of the time. They also mention the Hebrews, who are referred to as "Habiru" or "Apiru".

The Flood

<https://www.google.com/search...> - animals would have naturally been running from flood waters. The Biblical Account has the flood rising for forty days and nights until the Ark began to float and then continued to rise thereafter.

A Supernatural event with over a century of warning (with often animals sensing such danger long before people); while people mocked and laughed; all the while claiming it would never happen. Many today are also laughing and mocking though Divine Warnings are plain for all to see globally; not just in black and white print in the Holy Bible.

<https://www.facebook.com/notes/michael-swenson/observable-divine-judgments/732720553473573>

Even most evolutionists will acknowledge that the presence of sedimentation and marine fossils worldwide on every continent and even on the highest mountains means that all land, the crust of the earth was at one time UNDER WATER.

evolutionists however claim that this occurred regionally at different times and epochs; while Biblical Creationists, while not denying regional events did and do occur, claim that the universal flood upon the ungodly is historic fact. Creationists worldwide today have been subjected to the same evolutionary coerced indoctrination during all their years of public education SO WE HAVE ALL HEARD THE evolutionary claims, THEIR side of the story FOR DECADES.

<https://www.youtube.com/watch?v=QbN...>

<https://www.youtube.com/watch?v=Gjv...>

IT IS THEREFORE EXTREMELY OFFENSIVE (because evolutionists are constantly presuming we don't already KNOW the crap they believe in and CALL IT CRAP BECAUSE IT IS SUCH; so they mock and laugh at creationists in arrogant presumption that we simply don't understand THEIR stories; when we have HEARD THEM DURING THE COURSE OF OUR ENTIRE LIVES; enough to make us nauseous from listening to all the many thoroughly indoctrinated regurgitate them without critical thought)... as I was saying it is therefore extremely offensive that the successfully brainwashed WON'T take a little of their time to CONSIDER and LEARN about WHY many Biblical creationists REJECT such evolutionary stories altogether!!!!!!!!

(it is EXACTLY as mass brainwashing experts predicted - <https://youtu.be/kJKJM36IMTE?t=1089> ("...facts mean nothing to them..."))

THERE ARE SO MANY REASONS THE HISTORICITY OF THE HOLY BIBLE CAN BE TRUSTED AS VERIFIED

THAT IT IS OVERWHELMING AND YET STILL evolutionists THINK otherwise due to their successful brainwashing.

UNDERSTAND both evolutionists and creationists SEE THE SAME data, but interpret them according to two completely different worldviews and ideologies. (namely PREDOMINANTLY it boils down to GOD v. no god and HOLY BIBLE is historically accurate throughout from the origin of the universe to present day v. those that think it's not.)

HERE ARE JUST SOME OF THE REASONS THOSE WHO WEIGH BOTH SIDES REJECT THE no God/no Holy Bible evolutionary hogwash altogether:

1) From origin of the universe to present day the evolutionary paradigm is FICTION and not even SCIENCE fiction; it is SIMPLY FALSE.

<http://www.blastthetrumpet.org/Publ...> - the cult of evolution versus the science of Biblical Creation

<https://www.facebook.com/notes/mich...> - part 1 summarizes modern evolutionary origin theories of the universe and how life on earth emerged and why it is all nonsense and explains that the only reason the masses THINK such obvious rubbish is true is due to intentional MASS BRAINWASHING through coerced public indoctrination and controlled mainstream media by fascists/antichrists in order to "dummy down" the general population; control the way they think; so they can more easily control them all their lives.

<https://www.facebook.com/notes/mich...> - part 2 puts nails in the coffin of the entire evolutionary worldview as none of it coincides with observable facts and the accumulated knowledge of mankind but is supported by successfully brainwashed, cultic acolytes desperately.

<https://www.facebook.com/notes/mich...> - the cults of evolution and atheism are not just cults of ignorance but insanity.

<https://www.facebook.com/notes/mich...> - when you choose not to know our Eternal Creator, you present yourself to the world as if you are in favor of practicing stupidity to your own doom and destruction.

<https://www.facebook.com/notes/mich...> part 3 transfers into the fact that the EVIDENCE/WHAT WE ALL CAN PLAINLY OBSERVE supports the Biblical Account of Creation THOROUGHLY.

<https://www.facebook.com/notes/mich...> part 4 continues with the fact that recorded history and empirical evidence supports the historicity and veracity of the Biblical Creation account; not the evolutionary fairy tales told often in the name of science today.

<https://www.facebook.com/notes/mich...> - part 5 also taps into some of the reasons why the Biblical Flood is historic FACT but let us look into more of the evidence in that regard because AS PROPHESED people these days are in complete denial of it.

http://biblehub.com/2_peter/3-5.htm

Christ's Coming Judgment ...4and saying, "Where is the promise of His coming? For ever since the fathers fell asleep, all continues just as it was from the beginning of creation." 5For when they maintain this, it escapes their notice that by the word of God the heavens existed long ago and the earth was formed out of water and by water, 6through which the world at that time was destroyed, being flooded with water....

other translations tell us THEY WILL INTENTIONALLY DENY the flood, WILLINGLY CLING TO THEIR IGNORANCE!

Parallel Verses

Young's Literal Translation for this is unobserved by them willingly, that the heavens were of old, and the earth out of water and through water standing together by the word of God,

so finding persons that VEHEMENTLY DENY the global flood is fulfillment of prophesy and only lends credence to the Divine Inspiration of the Holy Bible due to its inerrant prophecies over millenniums; but I write hoping the reader will not be among them.

<https://www.facebook.com/notes/mich...> - the Holy Bible is the most reliable reference book on earth BY FAR!!!!!!!

Before citing the facts and showing the empirical evidence for why creationists approve of the Biblical Account; including the historicity of the flood; I want to reiterate again that it all boils down to GOD v. no god mentalities and worldviews (predominantly; yes there are exceptions; minorities who try in vain

to merge the fiction of the evolutionary paradigm with the facts of Biblical creation.) They will never succeed at such an endeavor; because as I just pointed out, if you bothered to read the citations, the entire modern evolutionary paradigm from origin of the universe to darwinism's explanation of present day life on earth; is all absolute imaginary twaddle/gibberish/rubbish of such extreme nonsense it'd be laughable; if it wasn't so sad that so many actually believe it.

SO FIRST OF ALL IT IS VERY CLEAR; VERY, VERY, VERY CLEAR; IN THE ACCUMULATED KNOWLEDGE OF MANKIND THAT THERE MOST DEFINITELY IS AN ETERNAL CREATOR AND HE HAS MADE HIMSELF PLAINLY KNOWN AND THAT HE CAN BE PERSONALLY KNOWN AND COMMUNICATED WITH BY EVERYONE!!!!!!!!!!

THERE ABSOLUTELY, POSITIVELY; BEYOND ALL DOUBT, IS A GOD, AN ETERNAL CREATOR!!!!!!!!!!

<https://www.facebook.com/notes/mich...> - Acknowledging our Eternal Creator is rational, reasonable and scientific fact!

<https://www.facebook.com/notes/mich...> - use your God-given intelligence to recognize Him!!!

OF ALL THE CLAIMS TO DIVINITY THROUGHOUT THE ACCUMULATED KNOWLEDGE OF MANKIND, JESUS CHRIST, RISES SO FAR ABOVE ALL THE REST THAT THERE IS REALLY NO COMPARISON WHATSOEVER. HE IS IN FACT THE ONE TRUE GOD, CREATOR OF THE WHOLE OF CREATION (VISIBLE AND INVISIBLE REALMS IN THE ENTIRE UNIVERSE), LORD AND SAVIOR OF MANKIND.

<https://www.facebook.com/notes/mich...> - JESUS CHRIST saves mankind from destroying themselves due to ignorance and wickedness (IF THEY HAVE THE SENSE TO CALL UPON AND RECEIVE HIM AS THEIR PERSONAL LORD AND SAVIOR); not just from hellfire to come for those who refuse to repent. JESUS CHRIST IS THE ANSWER, THE WAY TO ETERNAL LIFE, THE ABSOLUTE TRUTH AND CALLING UPON HIM WILL RESULT IN RIPPING AWAY THE CHARADES, ILLUSIONS AND DEMONIC DECEPTIONS THAT CLOUD THE THOUGHTS OF THOSE WHO STILL DO NOT KNOW HIM. (you may vehemently be defending the evolutionary paradigm religiously and zealously today; but the moment you encounter the Creator of the universe and begin learning from Him; that entire worldview pulls away from blinding your perception of reality like a curtain that has been in front of you your entire life such that you could not see the TRUTH it was hiding from your vision behind it all along.)

ONCE YOU KNOW THE AUTHOR, THE CREATOR, JESUS CHRIST, only THEN do you BEGIN to perceive REALITY accurately and understand the contents of the Holy Bible correctly.

<https://www.facebook.com/notes/mich...> - it takes KNOWING GOD and LEARNING FROM HIM DIRECTLY TO CORRECTLY UNDERSTAND THE HOLY BIBLE.

<https://www.facebook.com/notes/mich...> - you cannot understand the Spiritual Truths of the Holy Writ without learning them from our Creator.

In fact, for most that come to KNOW the LORD and learn from Him; their enlightenment and awakening is so dramatic that they wonder at how they didn't perceive the Truth prior; some even for decades of

their existence. Many are AMAZED and ASTOUNDED at how strong the deceptions and delusions they were under were at how they could not SEE what they then come to know as almost BLINDINGLY OBVIOUS; that creation, EVERYTHING we behold, is PROLIFIC EVIDENCE of our ETERNAL CREATOR.

<https://www.facebook.com/notes/mich...> - GOD IS SO EVIDENT IN HIS CREATION, SO UBIQUITOUSLY PRESENT THAT IT ASTONISHING WHEN YOU FINALLY COME TO KNOW HIM, that anyone still does not.

And that what we observe so thoroughly confirms the Biblical Account of Creation and the history of mankind, that it is only by demonic deceptions that people all over the world don't comprehend it as yet.

<https://www.facebook.com/notes/mich...> - study of Creation leads to our Creator.

<https://www.facebook.com/notes/mich...> - if you are a scientist and still do not know Him, you need to apply yourself to observing Creation more intensely until you do.

<http://www.blastthetrumpet.org/Publ...> - the Evidence of God and how to know Him is overwhelming. If it wasn't actively censored from public education; virtually everyone would.

<https://www.facebook.com/notes/mich...> - outright lies are being taught instead; to the point where many think they are educated; rather than brainwashed by antichrists to hate God and pass on disinformation regarding the contents of the Holy Bible.

please remember the comments section of the notes continue to list supporting facts and arguments in defense of the topic.

For those of us who know our Eternal Creator, the God of the Holy Bible, JESUS CHRIST, and have weighed the evidence for the veracity and historicity of the contents of the Holy Bible (to original sources) to have people who deny any of it; especially the flood, would be laughable; if not so sad. It demonstrates a phenomenal lack of knowledge and most doing so THINK of themselves as intellectuals.

<https://www.facebook.com/notes/mich...> - the unique properties of the Holy Bible PROVE BEYOND ALL REASONABLE DOUBT that it is most definitely DIVINELY INSPIRED.

2) The facts supporting the reliability of Truth in the Scriptures are so prolific and so strong that those who deny its accuracy are practically shouting to the world that they're an ignoramus. I have at times been so nauseated by the arrogance of such foolish persons that I called them as much publicly; so I now also publicly apologize to anyone I may have addressed in such a manner; as I know that it is only by His Saving Grace and Power I am not still blinded by demonic deceptions also. Truly I am sorry for letting anger and frustration get the better part of me when trying to reason with persons who adamantly refuse to read my citations and theses and then claim I haven't made my point (only because they willfully ignored that I did).

I think of WILLFUL ignorance as stupidity and I think honestly such persons are self-destructive ignoramuses; BUT if I tell them as much; it might seem to them as only resorting to ad hominem attacks

rather than the fact I am stating what I honestly believe of such persons who REFUSE to read and learn ONLY for the purpose of continuing to claim they have seen no evidence.

<http://biblehub.com/matthew/13-15.h...>

15FOR THE HEART OF THIS PEOPLE HAS BECOME DULL, WITH THEIR EARS THEY SCARCELY HEAR, AND THEY HAVE CLOSED THEIR EYES, OTHERWISE THEY WOULD SEE WITH THEIR EYES, HEAR WITH THEIR EARS, AND UNDERSTAND WITH THEIR HEART AND RETURN, AND I WOULD HEAL THEM.'

<https://www.youtube.com/watch?v=0d4...>

Actually the few times I have called someone an ignoramus or fool, I did so HOPING to make them so ANGRY they would AT LEAST READ MY NOTES; if for no other reason than to criticize them. That way I would at least have peace in my soul knowing I did my best to save them from going on their way in self-destructive ignorance and wickedness toward the everlasting flames of damnation. Perhaps not the best strategy though; as some then just don't talk at all; but I figure if we're not conversing anyway because they shut their eyes and ears to perceiving anything that isn't confirmation bias for their present beliefs; that the desperate attempt to wake them up was called for.

As was the case one day when someone mocked me for citing talkorigins and on another occasion zeitgeist; accusing me of ignorance for citing opponents of creationism and the Biblical Account specifically.

I call such persons who actually think the material of zeitgeist or talkorigins is reliable for making their claims and conclusions IGNORAMUSES; because both are presenting overwhelming evidence IN SUPPORT of the historicity of the Biblical Account and then simultaneously denying what is in their knowledge and before their very eyes!

Our Creator does not make fools and ignoramuses; but He gives people the free will to turn themselves into such.

God's Wrath against Sin ...20For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse. 21For even though they knew God, they did not honor Him as God or give thanks, but they became futile in their speculations, and their foolish heart was darkened. 22Professing to be wise, they became fools,

Furthermore, He warns that those choosing to be idiots, fools, ignoramuses in their arrogant delusions, mocking and scoffing derisions of Holy Writ and idolatries of placing the vain opinions and deceptive stories of devils above God's Holy Word, His Divine Record given to mankind, the Holy Bible, are in danger of eventually becoming insane; completely depraved.

28And just as they did not see fit to acknowledge God any longer, God gave them over to a depraved mind, to do those things which are not proper,...

So if a Messenger of GOD, like myself, tells you that you are acting the fool; turning yourself into an ignoramus (by REFUSING TO LEARN AND LOOK AT THE EVIDENCE SUPPORTING THE BIBLICAL ACCOUNT SO THAT YOU CAN COME TO KNOW OUR ETERNAL CREATOR PERSONALLY); we are doing so because we CARE ABOUT YOU and see that you are headed on a course that may soon cost you your sanity and even your soul!

<https://www.facebook.com/notes/mich...> - rejecting JESUS CHRIST and the TRUTH of PERSONALLY LEARNING FROM OUR ETERNAL CREATOR, to your own peril and doom is STUPID!!!!!!!!!!

The blindness of the presenters/publishers of both is ASTONISHING and for those of us who know better, is so obvious that we (or at least I) can make the mistake that everyone can see it, and there is no way anyone would actually believe their conclusions and denials of the evidence they themselves are presenting!

It's as ridiculous (even more so) than someone taking all the time to list every airline in the world, every plane manufacturer and airport worldwide. ACCUMULATING ALL THAT PERSONAL KNOWLEDGE but then arguing there are no planes, no craft that ever flew! That's how preposterous it is for zeitgeist to put on a painstaking presentation that shows cultures all over the world recognized the Gospel Account in the stars and then claim that isn't evidence that GOD, CREATOR OF THE UNIVERSE, IS TRYING TO TELL THE WORLD SOMETHING. They REDUNDANTLY SHOW that regardless of language, literacy, etc. ancient people from all over the globe RECOGNIZED THE GOSPEL IN THE STARS!

<https://www.youtube.com/watch?v=EUQ...> but then the presenters actually try and argue against the universal message they just told us all about! IT'S WILLFUL BLIND IGNORANCE, to deny the very evidence for the existence of Intelligent Design that ancient cultures all over the world recognized to be telling the EXACT SAME MESSAGE and then make the claim that there is no God, and go even further into preposterous foolishness and deny Jesus Christ, who came in fulfillment of that Message; even existed at all. Jesus Christ is the most documented person on earth; not just in antiquity, but in the entire history of the world!!!!!!!!!! to attempt to deny His Existence is LAUGHABLE; if not so sad!

The Fourth Day: Sun, Moon, Stars 14Then God said, "Let there be lights in the expanse of the heavens to separate the day from the night, and let them be for signs and for seasons and for days and years; 15and let them be for lights in the expanse of the heavens to give light on the earth"; and it was so....

<http://biblehub.com/psalms/19-1.htm>

The Heavens Declare the Glory of God 1For the choir director. A Psalm of David. The heavens are telling

of the glory of God; And their expanse is declaring the work of His hands. 2Day to day pours forth speech, And night to night reveals knowledge.

Same thing with talkorigins they make the effort to document flood "legends" from all over the world.

<http://www.talkorigins.org/faqs/flo...>

BUT they operate from the FALSE premise that none of them are historic accounts, none of them exist because of actual flood or massive global flood. (in other words, finding flood legends worldwide IN THEIR THINKING is not evidence for an ACTUAL FLOOD) - here's another perspective on that mountain of evidence they are in denial of:

<https://www.youtube.com/watch?v=ikt...>

yes, there are localized accounts BUT THERE ARE ALSO MANY that tell of a WORLDWIDE FLOOD in their language that closely resembles the Biblical Account (as that presentation points out).

Understand I am an eyewitness of the Resurrected, EverLiving LORD JESUS CHRIST, Creator of the Universe; Savior of mankind. SO I AM COMING FROM A PLACE OF ABSOLUTE CERTAINTY; not JUST a reasonable conclusion based on examination of accumulated knowledge and facts.

From the position of those of us who are ABSOLUTELY POSITIVELY CERTAIN BEYOND ALL DOUBT OF THE DIVINITY OF JESUS CHRIST, flood deniers appear SUPREMELY ignorant and foolish; not just for dismissing empirical evidence proving it, not just for dismissing the recorded history of mankind, not just for being in denial of reality, facts, evidence, global testimony of billions today and for millenniums on earth BUT BECAUSE THEY ARE CALLING GOD ALMIGHTY A LIAR by so doing!!!!!!!!

<https://www.biblegateway.com/passag...>

Matthew 24:37-39 King James Version (KJV)

37 But as the days of Noah were, so shall also the coming of the Son of man be.

38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark,

39 And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.

THE DIVINITY OF JESUS CHRIST IS THE MOST CERTAIN FACT IN THE UNIVERSE!!!!!!!!!! NOTHING MORE SURE IN THE ACCUMULATED KNOWLEDGE OF MANKIND!!!!!!!!!!

<https://www.facebook.com/notes/mich...> - ONLY THE ONE TRUE GOD, JESUS CHRIST, CAN SAVE YOUR SOUL!!!!!!!!!!

And HE, GOD ALMIGHTY, referred to the flood as HISTORIC FACT; a FACT so certain that He warned the whole world of, that in the end times those denying it would suffer a similar sudden demise!!!!!!!!!!

<http://biblehub.com/luke/17-26.htm>

26" And just as it happened in the days of Noah, so it will be also in the days of the Son of Man: 27 they

were eating, they were drinking, they were marrying, they were being given in marriage, until the day that Noah entered the ark, and the flood came and destroyed them all....

BUT let us examine the evidence and see if we can at least remove some of the modern skepticism; so that some might come to a Saving Knowledge of Truth in the realization that the Biblical Account is RELIABLE HISTORY; FUNDAMENTALLY TRUE; so much so, IT CAN BE 100% trusted EVEN ABOUT FUTURE EVENTS!!!!!!!!!!

since some actually follow the madness of talkorigin's view of dismissing ALL accounts globally of the flood as nothing but myths and legends; let us see if any of their reasons are genuine justification for doing so.

So let's examine their mathematical presentation for why they claim (DESPITE HISTORIC RECORDS THEY DOCUMENT THEMSELVES WORLDWIDE) that the flood never happened.

<https://www.youtube.com/watch?v=5sv...> - to those who don't examine every false premise used for the presenter's conclusions, it might actually seem convincing. BUT let us examine those premises of his. average radius of the earth -

<https://www.google.com/search?q=pla...> that the average diameter is not only accurate, but is accurate for the diameter of the earth in the past is FALSE. his very first statement in an attempt to defy global recorded history is FALSE.

height of the tallest mountains - "They've also determined that the Himalayan Mountains are still growing higher, at a rate of about 2.4 in/6.1cm per year. That's twice as fast as previously thought. A growth rate of 2.4 in/6.1cm per year doesn't sound like very much. But, if you think about it, that means in the last 26,000 years the Himalayans have risen almost a mile into the upper reaches of the earth's atmosphere!" - <http://www.extremescience.com/evere...> premise number 1 and number 2 ARE SO INACCURATE that there is NO WAY his calculation on the volume of water necessary to flood the world in Noah's day is even close to accurate. Just these first two errors alone would suggest his claim of 3 times the volume of the oceans is more like 1.5 times or even less. HUGE ERROR IN THE PREMISES RESULTS IN EVEN LARGER ERROR IN THE CONCLUSIONS.

then he argues that the current volume of water on earth is known; when in fact it isn't -

<http://www.livescience.com/29535-wo...> - "With 95 percent of the ocean unmapped, more is known about the moon's surface than the ocean depths, said aquatic filmmaker Fabien Cousteau, grandson of ocean diving pioneer Jacque Cousteau."

<https://www.google.com/search?q=we+...> - not only are the oceanic floors largely unmapped, but claims we know the deepest trenches are false; no one has traversed to the bottom of the superheated vents in the vast chasms beneath our oceans; as such any attempt to calculate the volume of water in our oceans is most definitely only conjecture!

BUT even if he were not presenting false information to justify his erroneous claims, sufficient water has been found on our planet to account for even his dramatic error!

<https://www.google.com/search?q=hug...>

<https://www.google.com/search?q=3+t...>

so his arguments/premises are not only erroneous; but even if it were remotely true, still moot in the false claim that it makes a global flood impossible.

so let's further examine his nonsense; that unfortunately others believe in without critical examination of.

then he side steps the Biblical Account to claim the water came exclusively from rainfall when in fact it came from the springs of the deep (A FACT THE BIBLE HAS MENTIONED FOR MILLENNIUMS BUT ONLY RECENTLY PROVEN TO EXIST).

<http://biblehub.com/genesis/7-11.ht...>

11In the six hundredth year of Noah's life, in the second month, on the seventeenth day of the month, on the same day all the fountains of the great deep burst open, and the floodgates of the sky were opened.

the presenter further errors in that he claims that the rain only fell for 40 days when in fact that's how long it fell before the Ark began to rise

<http://biblehub.com/genesis/7-17.ht...> and then it continued to pour down for a total of 150 days

<http://biblehub.com/genesis/7-24.ht...> and then the rain ceased and the fountains no longer surged from the depths. Only after 150 days of rainfall AND the fountains of the deep bursting open did the water cease and begin to recede.

2Also the fountains of the deep and the floodgates of the sky were closed, and the rain from the sky was restrained; 3and the water receded steadily from the earth, and at the end of one hundred and fifty days the water decreased.... <http://biblehub.com/genesis/8-2.htm>

but to continue with his delusions he claims the heaviest rainfall recorded in history was over 6 feet in a day; but does that have anything whatsoever to do with a Supernatural event over 5000 years ago? when the earth's atmosphere was completely different; conducive to tropics and lush jungles that supported huge life forms and longevity such that even modern insects were enormous; an atmosphere so rich that it supported even "dinosaurs".

<https://www.google.com/search?q=the...>

<https://www.google.com/search?q=the...>

so where did all the water go? as I just showed you above, it exists underground; even under the oceanic floor and in vast quantities some claim more than 3 times the amount of water on our surface worldwide. So talkorigins and this presenter are in denial of reality and the accumulated knowledge of mankind; don't follow in their footsteps.

where does he get the ark was loaded in a single day from? certainly not the Biblical Account... it's just more of his delusionary rant. I personally can't stand his arrogant smugness and condescension in his voice; while demonstrating such monstrous ignorance; it's sickening! BUT I am suffering through viewing it for others who may follow these self-made idiots on their way to hellfire; hoping the vast majority will not choose to do so.

modern definition of "species" DOES NOT EQUAL Biblical "kinds"

<https://www.facebook.com/notes/heat...>; such that only two kinds of dogs, cats, etc. DOES NOT EQUAL all the modern speciations of dogs and cats, etc. so his numbers are WAY OFF and erroneous and oblivious to the fact that the VAST MAJORITY of those numbers of species are marine organisms (he only mentions a tiny portion; deceitfully), plants and insects, such that the amount of land-dwelling; air-breathing creatures that needed to actually be on the ark to survive was MINIMAL AND EASILY FIT WITH PLENTY OF ROOM TO SPARE.

<http://www.christiananswers.net/q-e...>

<https://answersingenesis.org/noahs-...>

<http://www.icr.org/article/how-coul...>

<http://creation.com/how-did-all-the...>

So the presenter on the video and talkorigins derive their conclusions from not one true or actual premise; no one should follow such delusions or deceptions regarding anything they claim. I ONLY CITE the archive of flood legends on talkorigins to show that even some of the naysayers against the proven Biblical Account of Creation and History of Mankind at least acknowledge flood records exist worldwide; even if they don't learn anything worthwhile from reading them!

They might try viewing someone who actually has learned something appropriate from them:

<https://www.youtube.com/watch?v=lkt...>

So let's set aside the willfully ignorant delusions of far too many on earth today and look at the hard evidence the FACTS supporting the historicity and veracity of the contents of the Holy Bible; even regarding the global catastrophic flood.

Remnants of an oceanic vessel has been found dating appropriately (so to suggest that such a craft was impossible to build is almost as delusionary as those claiming God doesn't exist or Jesus Christ never incarnated.) THESE PERSONS ARE IN DENIAL OF REALITY; don't choose to be among them. Candidates for "Noah's Ark" have been discovered PROVING the construction of such sea vessels at that time MOST DEFINITELY was possible; indeed the hard evidence makes those in denial of it look like they belong in a straight jacket and rubber room. Since I give the references in the following theses; I will cite them rather than be redundant.

<https://www.facebook.com/notes/mich...> - the evidence for God and the veracity of the Holy Bible is overwhelming when you examine the verse by verse support throughout its contents. part 1

<https://www.facebook.com/notes/mich...> - the evidence for God and the veracity of the Holy Bible is overwhelming when you examine the verse by verse support throughout its contents. part 2

<https://www.facebook.com/notes/mich...> - part 1

<https://www.facebook.com/notes/mich...> - part 2

<https://www.facebook.com/notes/mich...> - part 3

<https://www.facebook.com/notes/mich...> - part 4

<https://www.facebook.com/notes/mich...> - part 5

Let's go down talkorigins list of objections to the global flood (actually since the first argument is moot because remnants of the Ark have been found and verbal history maintained from its deposition there is no reason to examine the rest of his ignorance):

<http://www.talkorigins.org/faqs/faq...>

A. Building the Ark - Evidence of the Ark has been found in the Biblical location - All three claims have those that argue for and against them; BUT not examining the evidence and drawing your own conclusions would be to ignore gaining knowledge and choosing to remain ignorant. I myself have not visited these locations; so as a creationist, I look at these claims from the perspective that believers want to find evidence supporting the Biblical Account and as such may be hasty in their excitement and conclusions. For me, the anchor stones and/or grave stones engraved with reference to the flood account that appear to be ship weights would be something to consider; in addition to the claim of the general location of where the Ark came to rest.

<http://wyattmuseum.com/the-search-f...> - more than likely a natural formation

<https://youtu.be/uPRo7Q-7yQQ?t=695>

<https://www.youtube.com/watch?v=oPp...> - needs further documentation and examination even though claimed to be a hoax.

<http://www.godtube.com/watch/?v=KDL...> - I personally think that this site deserves global scientific scrutiny.

According to Arch Bonnema, Bob Carnuke and others that have seen the mountain site in Iran, the wood of a petrified ship dating commensurately with the Biblical Account was found in the Mountains of Ararat, on Mt. Suleiman.

<http://www.lifeandland.org/2013/12/...>

<http://www.noahsarksearch.com/iran....>

Furthermore claims that tests were done on the samples of the find and that animal and plant DNA from various parts of the world today were all found in that one location; that experts have traced the origin of certain species to that location as well.

<https://www.youtube.com/watch?v=o6G...>

Currently some in power are suppressing this information from coming out in full (like so much other evidence they have suppressed verifying the Biblical Account); but the people of the world need to demand answers on a discovery of this magnitude.

<http://news.nationalgeographic.com/...>

When you combine Ron Wyatt's find of what he considered to be huge anchor/counter balance stones that could have been tied to stabilize the giant barge with the facts of this recent find on Mt. Suleiman (the mountains of Ararat according to ancient maps covered the region of what is northern Iran and Iraq today); then evidence mounts for the credibility of the Biblical Flood historicity. NOTICE the Biblical Account states the Ark settled in this mountain range!

<http://biblehub.com/genesis/8-4.htm>

So finding the petrified remains of an ancient ship (the oldest samples of manmade cut ship wood to date on earth!) with fossilized marine organisms on the hull; over 13000 feet up on Mt. Suleiman AND with first hand eyewitness that placed it over 15000 feet up prior to an earthquake AND finding animal DNA (of animals not found together today) and plant DNA from various regions of the world all in the remains; would lend credence that indeed "Noah's Ark" has been found!

<https://www.youtube.com/watch?v=VZt...>

I'm aware that for every claim in support of the Biblical Account there are those who will argue against them. I myself am not saying any of the three popular sites are factually the remains of "Noah's Ark" I ONLY reference them for personal examination for each soul to make their own determination. THOSE THAT CLAIM the ancients could not build such a craft are setting aside the evidence that they not only lived longer than we do; but in the process developed skills that are superior to even most modern technologies. For example, the history that the descendants of Cain built Baalbek and other megalithic structures:

<https://www.google.com/search?q=caj...>

<https://www.google.com/search?q=caj...> - the size and precision of the massive stones alone have many on earth still wondering how they built these structures; so by comparison the Ark would be entirely feasible for the ancients.

Those of us who know the facts of geologic flood layers that span continents; know that only can happen in a flood of equal vastness carrying those sediments for millions of square miles.

"Scientists" that argue against the Biblical Account typically do not argue that sedimentary layers globally prove that at one time the current land masses were under water; WHERE THE DISAGREEMENT COMES in is the claims of deep time and that there was never a universal global flood; but rather regional ones at various times, ice ages, etc. SO THE EVIDENCE states that sedimentary layers exist worldwide on every continent; BUT THE ARGUMENT is over when and how those layers were actually formed. And I argue that when we have the Holy Bible with MASSIVE QUANTITIES OF VERIFIED

HISTORICITY AND INERRANT IN MANY THOUSANDS OF PROPHECIES; to set aside THAT DIVINE RECORD in favor of the imaginations of persons WHO HAVE ONLY LIVED A FEW DECADES ON EARTH is FOOLISH!!!!!!!!!!

<https://www.facebook.com/photo.php?fbid=929196810492612&set=a.115635768515391.22520.100002069048072&type=3&theater>

<https://www.facebook.com/notes/mich...> - there is NO OTHER BOOK IN THE WORLD MORE WORTHWHILE STUDYING DAILY LIFELONG THAN THE HOLY BIBLE!!!!!!!!!!

B. I will cite empirical evidence gathered on a topic, EVEN BY THOSE WHO OPPOSE THEMSELVES AND SOUND KNOWLEDGE BY IRRELEVANT CONCLUSIONS, like talkorigins. Do you understand why such persons don't deserve point by point rebuttals to their madness and obvious false conclusions based on their personal delusions?

a) BECAUSE GOD CAN BE KNOWN! (denying our Eternal Creator, JESUS CHRIST, is the depth of madness and self-destructive stupidity!)

<https://www.facebook.com/notes/mich...>

<https://www.facebook.com/notes/mich...>

<https://www.facebook.com/notes/mich...>

<https://www.facebook.com/notes/mich...>

b) BECAUSE those who don't recognize the DIVINE INSPIRATION OF THE HOLY BIBLE are demonstrating close to a willfully incurable ignorance of the accumulated knowledge of mankind, the history of the world, and of creation before their very eyes. The AUTHORITY OF THE HOLY BIBLE TOWERS ABOVE ALL MADNESS, DELUSIONS, DECEPTIONS, so powerfully that it hardly needs a defense or defenders against self-destructive lunatics who challenge it's veracity. EVERYTHING KNOWN TO DATE AS FACT IS VERSE BY VERSE MANIFESTATION OF ITS CONTENTS!!!!!!!!!! (including the worldwide flood)

"To argue with a man who has renounced the use and authority of reason, and whose philosophy consists in holding humanity in contempt, is like administering medicine to the dead, or endeavoring to convert an atheist by scripture."

— Thomas Paine, The American Crisis

I personally don't care how many degrees a person has, IF THEY ARE CLAIMING ANYTHING CONTRARY TO THE DIVINE RECORD IN THE HOLY BIBLE, IT IS THEY WHO ARE MAKING THE EXTRAORDINARY CLAIM; and the burden of proof therefore lies with them!

HONEST scientists will tell you carbon 14 dating much past 5000 years (recorded history) becomes increasingly unreliable! PEOPLE SHOULD THINK CRITICALLY OF ANYONE WHO CLAIMS THEY CAN TELL YOU FACTS CONCERNING PRE-HISTORY!!!!!!!!!! By that I mean, NO MATTER WHAT DEGREES; NO MATTER HOW MUCH OF AN "expert"; he or she claims to be or may even be recognized by others to be; WE ALL

KNOW THAT EVERYONE is FALLIBLE!!!!!!! So this urge by some to idolize "scientists" that mock and scoff at the Biblical Account of Creation and the history of mankind; borders on cultic beliefs; rather than rational thought, reason and facts!

<https://www.facebook.com/notes/mich...> - idolizing a scientist or scientists and their opinions over the contents of the Holy Bible is not just foolish; it is idolatry!!!

"scientists" are NOT GOD; NOT infallible and time and again the evolutionary paradigm has been shown to be FALSE; to be nothing more than fantasy and fiction; like the fictional evolutionary geologic column.

<http://ianjuby.org/geologic-column-...>

<https://www.google.com/search?q=geo...> - Creation in the 21st Century and Genesis Week have put out worthwhile viewing documentaries on why they believe the geologic and fossil evidence supports the Biblical Account. When examining the evolutionary story next to their presentations, the evolutionary paradigm crumbles as we see the evidence actually supports the Biblical Creation Account.

<https://www.google.com/search?q=the...> - creationists have had to listen to evolutionary rubbish throughout all their years of coerced public indoctrination; it is high time that the Biblical Perspective was presented side by side against such utter rubbish being espoused in the name of science these days. WE SHOULD HAVE EQUAL TIME IN PUBLIC EDUCATION TO SAY THE LEAST!!!!!!!

<https://www.facebook.com/notes/mich...> - their STORIES versus REALITY!

<https://www.facebook.com/notes/mich...> science, accurate observation of creation proves the Biblical Account as true and the God of the Holy Bible is our Eternal Creator!! part 1

<https://www.facebook.com/notes/mich...> science, accurate observation of creation proves the Biblical Account as true and the God of the Holy Bible is our Eternal Creator!! part 2

<https://www.facebook.com/notes/mich...> - rejecting JESUS CHRIST and the TRUTH of the contents of the Holy Bible is to put yourself willfully in denial of reality; it is an act of choosing to be delusional.

3) When the evidence supporting the Biblical Creation Account is presented coherently; it buries the lack of evidence supporting evolutionary cultic madness so thoroughly that no one would be an evolutionists; perhaps that is why evolutionary antichrists have been firing creationists from public settings.

<http://www.godofcreation.com/essays...> - thus the so called modern consensus apparently supporting darwinism has only come about by firing the dissenters.

(we have evil people in charge of national currencies and governments; thereby controlling public education - <https://www.facebook.com/notes/mich...>)

There's been a recent attempt to compromise and claim that perhaps Noah's Flood was just a massive regional flood; not a cataclysmic event covering the entire inhabited world.

<http://www.nydailynews.com/news/wor...>

Does GOD know whether or not the flood was regional, local or global?

http://biblehub.com/2_peter/3-6.htm

Christ's Coming Judgment ...5For when they maintain this, it escapes their notice that by the word of God the heavens existed long ago and the earth was formed out of water and by water, 6through which the world at that time was destroyed, being flooded with water. 7But by His word the present heavens and earth are being reserved for fire, kept for the day of judgment and destruction of ungodly men.

NOTICE THE COMPARISON is the ENTIRE WORLD to present modern day ENTIRE WORLD. the ENTIRE WORLD inhabited by mankind today compared to the ENTIRE WORLD inhabited by mankind then!

<http://biblehub.com/luke/17-27.htm>

27they were eating, they were drinking, they were marrying, they were being given in marriage, until the day that Noah entered the ark, and the flood came and destroyed them all.

Do we find ancient civilization ONLY under the Black Sea? NO!

<http://blog.world-mysteries.com/mys...>

I'M ONLY LISTING A FEW OF THE LOCATIONS BUT ANYONE LOOKING INTO THESE UNDERWATER ANCIENT MEGALITHIC STRUCTURES CAN SEE COMMON ARCHITECTURE DATING BACK OFTEN TO THE TIME OF THE BIBLICAL FLOOD. IT IS CLEAR THERE WAS A GLOBAL CIVILIZATION SOME OF THE PYRAMIDS AND MEGALITHIC STRUCTURES REEMERGED AFTER THE FLOOD BUT MANY OF THEM ARE STILL UNDERWATER WORLDWIDE!!!!!!! (some of course built after the flood through the knowledge of those who survived and generated the flood record to the descendents ALSO worldwide!)

<http://www.icr.org/article/why-does...>

sure there have been regional floods, smaller floods, but the flood of Noah was judgment against the entire world; like the judgment coming upon modern man; if they don't repent of their ignorance and wickedness in departing from our Eternal Creator, LORD and SAVIOR, JESUS CHRIST!!!!!!!!!!

<https://www.youtube.com/watch?v=V3irPqCV-1Y> - I appreciate the diligence in study of the Scriptures and Creation of Hugh Ross; so I can appreciate his point of view on many topics. However, we definitely would be considering the flood a Supernatural event to selectively sweep all of mankind and all the

animals away according to the scriptures and cover the tops of the mountains; but ignore various continents altogether. <http://biblehub.com/interlinear/genesis/6-13.htm> all flesh. I think scientists and Hugh is no exception, try to reconcile what they THINK is true about science with declared TRUTH, the Divine Word of GOD. I do not think that is always possible, because often what is THOUGHT to be true in science is not. Nor am I claiming inerrancy in my own views and interpretations. Noah had over 100 years to build the Ark; it would have been far easier to travel to an uninhabited region of the planet; if the flood was limited to shorelines or geographic region(s) only where the rest of existing humanity dwelt. again note "end of all flesh" in the text. <http://biblehub.com/interlinear/genesis/6-13.htm>

Furthermore the Divine Covenant made with Noah and his descendents is also clearly global in scope.

<http://biblehub.com/interlinear/genesis/9-11.htm>

The Covenant of the Rainbow

...9"Now behold, I Myself do establish My covenant with you, and with your descendants after you; 10and with every living creature that is with you, the birds, the cattle, and every beast of the earth with you; of all that comes out of the ark, even every beast of the earth. 11"I establish My covenant with you; and all flesh shall never again be cut off by the water of the flood, neither shall there again be a flood to destroy the earth." 12God said, "This is the sign of the covenant which I am making between Me and you and every living creature that is with you, for all successive generations; 13I set My bow in the cloud, and it shall be for a sign of a covenant between Me and the earth.14"It shall come about, when I bring a cloud over the earth, that the bow will be seen in the cloud, 15and I will remember My covenant, which is between Me and you and every living creature of all flesh; and never again shall the water become a flood to destroy all flesh....

the fact we have regional floods throughout history to this very day, would therefore be reason to conclude that this language clearly is global in scope.

<https://www.facebook.com/notes/mich...> - Divine Judgments are so OBVIOUSLY on earth worldwide, that only lack of knowledge keeps people from recognizing them.

Ask yourselves all you who mock and scoff. Is it wiser to believe modern fallible man posing as "scientists" in their vain opinions; or the tried and tested Divinely Inspired Record Given to Mankind; infallible in all respects for millenniums!!!!!!!!!!

<https://www.facebook.com/notes/mich...> - the Holy Bible towers above all other literature and is the foundation of which all others are tried.

The HOLY BIBLE HAS BEEN RIGHT even when virtually the whole world has been WRONG!!!!!!!!!!

<https://www.facebook.com/notes/mich...> - prophecies coming to pass in front of our eyes written millenniums ago in detail are a Divine Signature that only the most foolish ignore to their own peril and destruction.

It has been TRUE EVEN ABOUT FUTURE EVENTS; EVEN ABOUT CURRENT EVENTS foretold for millenniums!!!!!!!!!!

<https://www.facebook.com/notes/mich...> - we can see plainly those incarnate today are living in the end times.

It's historicity and veracity has been proven over and over again in astonishing details!

<https://www.facebook.com/notes/mich...> - do not set aside FACTS for opinions of those in denial of them!

<https://www.facebook.com/notes/mich...> - the empirical evidence supports the contents of the Holy Bible THOROUGHLY!!!

THOUSANDS OF DETAILS OF HISTORY AND ESPECIALLY REGARDING THE MOST IMPORTANT EVENTS GLOBALLY!!!!!!!!!!

<https://www.facebook.com/notes/mich...> - EVERYTHING is evidence of GOD!

So I ask the whole world are you willing to stake your soul; to risk dying in your sins and hellfire on the vain opinions and imaginations of persons calling themselves scientists (while ironically they so obviously set observable science aside)?

EXAMINE THE EVIDENCE AND THINK FOR YOURSELVES!!!!!!!!!! GOD CAN BE KNOWN AND COMMUNICATED WITH HERE AND NOW BY ANYONE!!!!!!!!!!

Over and over again evidence for the flood is laughed at; even though it is right in front of their faces. (Again these mockers and scoffers are fulfilling prophecies to their own harm)

http://biblehub.com/2_peter/3-3.htm

Christ's Coming Judgment ...2that you should remember the words spoken beforehand by the holy prophets and the commandment of the Lord and Savior spoken by your apostles. 3Know this first of all, that in the last days mockers will come with their mocking, following after their own lusts, 4and saying, "Where is the promise of His coming? For ever since the fathers fell asleep, all continues just as it was from the beginning of creation."...

<http://biblehub.com/romans/1-22.htm>

God's Wrath against Sin ...21For even though they knew God, they did not honor Him as God or give thanks, but they became futile in their speculations, and their foolish heart was darkened.22Professing to be wise, they became fools,

IF YOU REALLY EXAMINE WORLD HISTORY, philology, and the fact that recorded history ALL traces straight to the FLOOD; then you will see that those in denial of it are making fools of themselves indeed!

WATCH IT AGAIN!

physicists and chemists say evolution is impossible -

<https://www.google.com/search...> even only a few thousand years ago the atmosphere of the earth was considerably different than it is today. especially prior to the flood. much more conducive to life, people and other life forms grew larger, lived longer and generally were anything but the evolving cave man evolutionists imagine.

so while they brainwash the masses with evolutionary BS, they desperately put geoengineering into place trying to save our planet because they are too ignorant to do it the right way

<https://www.facebook.com/notes/michael-swenson/crimes-against-humanity-part-1/571080836304213>

those thereby making themselves the enemies of GOD and all sane persons are only succeeding in hastening our demise and are CAUSING extinction events in the process

their chosen paths to save the world are DESTROYING IT

We are witnessing exactly what our Creator told us -

<http://biblehub.com/matthew/24-22.htm>

Matthew 24:22 "If those days had not been cut short, no one would survive, but for the sake of... And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

and it is due to the ignorance and wickedness of mankind

<http://biblehub.com/hosea/4-6.htm>

My people are destroyed for lack of knowledge: because you have rejected knowledge, I will also reject you, that you shall be no priest to me: seeing you have forgotten the law of your God, I will also forget your children.

the RIGHT way to save our planet is for every soul worldwide to return to our Creator and learn from Him IMMEDIATELY

thereby they would see His first instruction was to take care of this world by replanting and resupplying it as they go (instead of greedily raping it for every last resource; while they poison it, genetically modify (destroy) it, and otherwise selfishly consume it until mankind is left with nothing but their pets, rodents, bugs and each other to eat

we are witnessing the demonic madness of humanity destroying our world and all life on it

<https://www.facebook.com/notes/michael-swenson/end-times-verse-by-verse/625795230832773>

as their madness increases in departing from our Magnificent Eternal Creator, JESUS CHRIST, their ignorance, vices and hatred leads to societal breakdown, anarchy, chaos, until the cities burn and crime is in broad daylight as people roast corpses of the dead for food...

that is the direction humanity is RAPIDLY headed in if they don't universally come to their senses and call upon JESUS CHRIST to save them from this self and pervasively destructive ignorance and wickedness

<https://www.facebook.com/notes/michael-swenson/jesus-saves/881062118639415>

this generation needs to break free of their demonic deceptions and focus on saving the planet the RIGHT WAY

namely restocking the pollinators, and all other species dying off thanks to monsanto, GMOs, geoengineering madness

<https://www.facebook.com/notes/mich...> - both ignorance and wickedness is destroying life on earth; including mankind. part 1

<https://www.facebook.com/notes/mich...> - both ignorance and wickedness is destroying life on earth; including mankind. part 2

namely changing construction to huge multi-tiered above and below ground with tiered farming integrated, crossover to hydroelectric transit and clean energy, open up green space, green roofs with live vegetation, as much reforestation as possible and renewable, sustainable aquaponics instead of dredging oceans into extinction and nothing left to eat but one another as mankind watches the world burn

IDIOTS! GOD did not make stupid people; but IF by their free will they CHOOSE to put GOD out of their knowledge they can become stupid; they can even become beyond foolish to a state of delusional depravity!

<http://biblehub.com/romans/1-28.htm> - thus we have some people today parading around in supreme arrogance while demonstrating supreme ignorance; even some people wearing suits and acting like professors, scientists and politicians!!!!!!!

we have the world's WORST people in charge

<https://www.facebook.com/notes/michael-swenson/the-worlds-most-wanted-criminals-part-1/674604029285226>

<https://www.facebook.com/notes/mich...> the world's most wanted criminals are loose in the highest offices of governments and pulling the strings of the same as they clench world currency tightly that they make everyone else slave for.

<https://www.facebook.com/notes/mich...> the world's worst criminals are not just the lunatic murderers who may go on a shooting rampage but they are the ones poisoning our food, water, air, medicine, hygiene products and virtually everything we touch, ingest or put on our skin.

who think killing off billions; while they destroy their own food supply, will somehow save the world

<https://www.facebook.com/notes/michael-swenson/conspiracy-theories-or-plain-truth/662377083841254>

I'll say this: every man, woman and child on earth needs to return to agriculture and aquaculture and push non-toxic organic biodiversity right now; with sustainable construction; maintaining green space for maintaining our atmosphere AND/OR THEY NEED TO MAKE CERTAIN THEY ARE READY TO MEET OUR MAKER because that is most definitely going to happen sooner than later if this generation and the next doesn't unite to address these issues WISELY right now.

THE IPUWER PAPYRUS, EVIDENCE OF THE EXODUS PLAGUES

In the early 19th Century an ancient papyrus was found in Egypt. It was taken to the Leiden Museum in Holland and interpreted by A.H. Gardiner in 1909. The papyrus describes violent upheavals in Egypt, starvation, drought, escape of slaves (with the wealth of the Egyptians), and death throughout the land. The papyrus was written by an Egyptian named Ipuwer and appears to be an eyewitness account of the effects of the Exodus plagues. The account parallels the Book of Exodus. Read the comparison to scripture down below.

o Papyrus 2:10 - The river is blood.

§ Exodus 7:20 - ...all the waters that were in the river were turned to blood.

o Papyrus 4:14, 6:1 - Trees are destroyed. No fruit nor herbs are found.

§ Exodus 9:25 - ...and the hail smote every herb of the field, and brake every tree of the field.

o Papyrus 2:10 - Forsooth, gates, columns and walls are consumed by fire.

§ Exodus 9:23-24 - ...the fire ran along the ground.... there was hail, and fire mingled with the hail, very grievous.

o Papyrus 9:11 - The land is not light....

§ Exodus 10:22 - ...and there was a thick darkness in all the land of Egypt.

o Papyrus 4:3, 5:6, 6:12 - Forsooth, the children of princes are dashed against the walls. Forsooth, the children of princes are cast out in the streets.

§ Exodus 12:29 - And it came to pass, that at midnight the Lord smote all the firstborn in the land of Egypt, from the firstborn of Pharaoh that sat on his throne unto the firstborn of the captive that was in the dungeon.

[Atomi Alexandra to The knowledge of God leads to true scientific understanding](#)

[December 17, 2015](#) ·

In 1953 , molecular biologists James Watson and Francis Crick published a discovery that has drastically changed our scientific understanding of life.

They had discovered the double -helical structure of DNA which contains encoded or "written" information making cells living libraries.

This discovery opened up a new era in molecular biology considering that information was the key factor in describing the intricate functionality of the cell.

But why do cells need information ? Information requires design , an intelligent agency of some sort to generate and process functional data.

Nearly all cells contain DNA . The human Genome alone contains approximately 3 billion chemical "rungs" - base pairs.

In 1957 Crick proposed that the linear sequence in the chemical rungs form the coded instructions. Information can be processed in many ways and in the case of cells it is stored and processed chemically through DNA as the key compound.

German scientist Bernd-Olaf Kuppers stated :

" carried over the realm of human language the molecular text describing the construction of a bacterial cell would be the size of a thousand page book".

David Dreamer (chemistry professor) wrote :

" one is struck by the complexity of even the simplest form of life " .

To describe the writing in DNA as "molecular -genetic language" is more than " mere metaphor " said Koppers.

" Like human language the molecular genetic language also poses a syntactic direction". Put simply DNA has a "grammar" or a set of rules , that strictly regulates how it's instructions are composed and carried out"- Koppers.

The "words "and "sentences" in DNA make up the various " recipes" that direct the production of proteins and other substances that form the building blocks of various cells that make up the body.

" The filament of DNA is information, a message written in a code of chemicals , one chemical for each letter.

Even Richard Dawkins admits : " it is almost too good to be true , but the code turns out to be written in a way we can understand " .

So the writing is there and you wonder how it got there?

No one was there to directly observe how coded information was generated into the DNA molecule so we need to draw our own conclusions.

One might say a Designer cannot possibly gain reality within the realm of empirical science but one should dig a little deeper and realize that such a conclusion is not at all speculative.

~In 1999 fragments of very ancient pottery with unusual markings or symbols were found in Pakistan. The marks still remain undeciphered but nevertheless they are considered man -made.

~ A few years after Watson and Crick the structure of DNA , two physicists proposed searching for coded radio signals from space and this the modern researchers for extraterrestrial intelligence had begun.

The point is people attribute information to INTELLIGENCE (some might admit it some might not makes no difference), no matter what form it takes.

And yet at the site of the most complex and sophisticated code known to man some choose to leave aside all logic attributing DNA to mindless processes?? Some might even say that's reasonable When In fact this very conclusion has no real basis within the realm of empirical science .

Dr Gene Huang and professor Yan Der-Hsuuw seem to think otherwise.

Randomism that produces intelligent outcomes and functional data does not have a basis in science .

Hsuuw (director of embryo research at Taiwan National Pingtung University of Science and technology) said : " " the right cells must be produced in the right order and at the right places . First they assemble into tissue that in turn will assemble themselves into limbs and organs.

What engineer can even dream of writing instructions for such a process? Yet the instructions for embryo development are superbly written in DNA. When I consider the beauty of it all I am convinced that life was designed by God " .

So why did the brightest minds that ever lived believed in an intelligent agent as the cause of functional

information? Because all thinking people long for satisfying answers .
