

Stop Making Our Enemies Wealthy

Buying oil from sharia nations is enabling these wicked people to bribe politicians and universities. ANYONE accepting islamic bribes/donations in such positions SHOULD BE UNDER ARREST for participating in the subversion of their own nations.

The logical solution is to stop sending any money or buying any products, goods, services, or resources from sharia nations. Regarding oil, simply cross over to clean energy worldwide, and solar boosted, hydro-electric transit (non-polluting vehicles that run on sunlight and water).
