### Quotes by Dawkins:

#### His autobiographical introduction:

"I never was much of a naturalist..."

"I had a harmless Anglican upbringing...; no bells and smells and no creationist lunacy..."

"...it was an accident of my birth that I was born into the Christian religion."

"I went to Oxford after having lost my faith...; that was because I discovered Darwinism..."

"My last vestige of my faith disappeared when I finally understood the Darwinian explanation for life."

"I think that religious explanations; although they may have been satisfying for many centuries; are now superseded and outdated. I think moreover that they are petty and parochial and that the understanding that we can get from science of all those deep questions that religion once aspired to explain; are now better more grandly; in a more beautiful and elegant fashion explained by science."

In his focus on self and expressing himself; this man reveals much about his character and personality.

He admits he is not a hands on learner who handles creation and studies it firsthand (doesn't have an affinity for actual scientific procedures); but one who prefers his own intellectual imaginations right away in his opening statement. He further reveals he was born into a manmade religion; that he actually believes is representative of Christianity and that he thinks people can be born into their religions and actually believe they are one religion or another based on the location of their geographical birth; rather than that they actually rationally choose what worldview they adhere to as they mature. (no one is physically born into a worldview or religion; they acquire it through life experience, indoctrination, and learning in general; even as this person admits he clings to the Darwinian and atheistic religions.) He makes it very clear that the religion he was born into is NOT in any way related to Christianity (no one is a Christian, who denies the Creator [http://biblehub.com/1\\_john/2-22.htm](http://biblehub.com/1_john/2-22.htm) and <http://biblehub.com/romans/8-9.htm>, and no "church" or religion is "Christian" that denies Creation/Intelligent Design -

<http://www.blastthetrumpet.org/PublicLetters/AAAUpdatedPublicAlertsMattersofLifeandDeath/Are%2>

[0You%20A%20Christia1.pdf](#), help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>); despite his mistaken suppositions in that regard. His disdain once again for tangible reality "no bells and smells and no creationist lunacy" in favor of intellectual fiction and fantasy is avidly expressed. (If you don't believe in our Creator; not only are you NOT a Christian; you're not even sane; so this person was raised in some irrational manmade religion he calls "Anglican". <https://www.facebook.com/notes/michael-swenson/creation-v-evolution-please-use-your-intelligence-to-recognize-intelligence/566154943463469> and <https://www.facebook.com/notes/michael-swenson/acknowledging-the-eternal-creator-takes-no-faith-it-is-scientific-fact/491948024217495>) He further shows forth extreme ignorance referring to "an accident of my birth that I was born into the Christian religion." Here it is obvious the man equivocates "Anglican" with "Christian" when the two terms are in no way compatible based on his own words of what "Anglican" means. It is no wonder he thinks the God of all Creation doesn't exist; if he truly believes the nonsense, in which he was raised, in any way represents Christianity. Furthermore, the accident of his birth is a rather ignorant statement in that he supposes he could have randomly been born to other parents in some other region of the planet. That poses a conundrum of logistical problems; in presuming that self-awareness/identity would be maintained had the "accident" of his birth occurred elsewhere; again with the fallacy of belief that his own personality would have formed a worldview based on geographic location and that your religion is determined not by rational thought or choice but by physical birth and physical placement on earth. With such false premises as the foundation for this man's conclusions; one hardly needs to listen to them to know they are unsound ramblings of an irrational, illogical man; who has no rational, reasonable truthful knowledge for anything and everything he perceives. Nevertheless, he concludes his introduction; soaked so thoroughly in arrogance (while declaring his ignorance) that it is tangibly felt even through a recording.

By arrogance, I mean the man is boasting that now that he has arrived to set mankind straight; billions and billions of people are his intellectual inferiors, that the Holy Bible and the tried and tested Truth in it; that has survived millenniums of scrutiny by far greater intellects than his own; a Book so magnificent in every way (<https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493>) that modern science, and the rest of modern published literature owes its very existence to; but in Dawkins self-deluded thinking, his version of "SCIENCE" reigns SUPREME, we don't need GOD; after all Dawkins and company has arrived to more grandly explain to all of us poor, ignorant fools still lost in the dark ages that now that fallible scientists claim to have it all figured out; we all can now discard our archaic religions for their far superior current opinions. After all scientists are perfect, and completely unbiased, and purely objective, and base their opinions exclusively on evidence; while ALL religious people only base our opinions on blind faith; with no logical, rational, reasonable thought or factual evidence of any kind. (to summarize Dawkin's view of "religion" and religious people; while personifying what he alleges to so strongly disdain) His presumptions are so fallacious in every

way; I only listened to the rest of the program to warn others of his madness and not to fall into such lunacy anywhere on earth.

**The program continues with stark contrast of humble introduction by Christian, John Lennox, who rather begins with the most prominent statement of his family; recognizing the loving close relations he has plays a very strong role in who he is; by Divine Providence; as opposed to the accidental birth that is Richard Dawkins.** I don't need to praise John in this commentary; as I am convinced his own rationale before Heaven and earth bespeaks of such admirable recognition intrinsically and that, by my own comprehension of his maturation in the Lord, I know he values the Praise that comes from knowing our Creator above anything I could say; which I reiterate would only detract from the most deserved attention others will give him; simply by listening to his shining words that so dramatically put to shame the nonsensical gibberish of Dawkins in this debate.

Dawkins begins the debate:

"...religion teaches us to be satisfied with not understanding..."

"...we all of us share a kind of religious reverence for the beauties of the universe, for the complexity of life, the sheer magnitude of the cosmos, the sheer magnitude of geologic time..."

"...what science has now achieved is an emancipation from that impulse to attribute these things to a Creator and it's a major emancipation..."

"...everything we see around us is a manufactured object and so it's so tempting to believe that living things, or that the stars, the mountains, the rivers have all been made by something..."

"...it was a supreme achievement of the human intellect to realize that there is a better explanation for these things; that these things can come about by purely natural causes..."

"...we still don't know everything..."

"...we now understand essentially how life came into being..."

"...we know that we are all cousins of all animals and plants..."

"...we know that we're descended from a common ancestor; which might have been something like bacteria, we know the process by which that came about..."

"...we don't know the details; but we understand essentially how it came about..."

"...there are still gaps in our understanding..."

"...we don't understand how the cosmos came into existence in the first place; but we're working on that..."

"...religion teaches us to be satisfied with not really understanding..."

"...science says, 'right; let's roll up our sleeves and work on it'..."

"...religion says, 'oh God did it'..."

"...religion provides a facile, easy, apparent explanation; although as we'll see later in the evening it isn't really an explanation and it prevents the further work on the problem."

It is readily apparent that Dawkins looks at the very term of "religion" as an antagonistic opponent of his personal connotations of what he considers to be "science". It is obvious he has a personal bias and agenda to destroy everything he considers to fall under the category of "religion" and he thinks his own misconstrued version of "science" is the weapon to accomplish solving that "problem". But examine his statements objectively just to see if they are fundamentally true or not (in any way actually "scientific").

<https://www.facebook.com/photo.php?fbid=714555015242341&set=pcb.714557221908787&type=1&heater>

Anyone listening to his statements can readily see the man is obviously confused; while posturing as if he is knowledgeable. Back and forth he goes struggling against Truth which lies innately in all creation; even somewhere in the depths of Dawkins dark and willful ignorance that makes up his soul presently. On the one hand he states we all have a "religious reverence for the beauties of the universe..." while in the next breath saying "religion teaches us to be satisfied with not understanding". We then see all that Dawkins does NOT understand; as the all important questions he claimed to have attempted (so obviously unsuccessfully to the date of this debate) to resolve for himself; such as: where the cosmos (everything in the universe) comes from, HOW LIFE BEGAN, attributing humans as related to plants, animals, bacteria; and yet so ignorant about that claim he has to use a similitude "like a bacteria" as our so called common ancestor. He champions "science" and "natural causes" but is there anything really truly "natural" about life? You would think as a biologist, he would have looked into that in detail; but if he has, he admits he still has gaps in his knowledge concerning it; and yet still has the audacity to claim that EVEN THOUGH HE HAS NO RATIONAL EXPLANATION FOR THE EXISTENCE OF THE UNIVERSE, LIFE, LIFE PROCESSES, "NATURAL" CAUSES; that his ideas of "religion" is the topic preventing further work on the problem. (the "problem" from where I sat listening to his madness is that of his own insanity and ignorance) This man supposedly shuns and detests anything he considers religion; claiming it prevents understanding; and yet he is so confused and lacking so much understanding that by his own definition one would have to conclude this man as practicing his notions of religion and practicing it fervently.

**John Lennox aptly responds with some very fine counters:**

**"...that science and modern science; as we know it, exploded in the 16th and 17th centuries and it arose out of a theistic background."**

**"...that human beings became scientific because they expected law in nature and they expected law in nature because they believed in a Lawgiver. I think that is profoundly important because it means; far from religion hindering science, it was the driving force behind the rise science in the first place."**

**"Isaac Newton...it was because he understood the complexity and sophistication of the mathematical description of the universe that his praise for God was increased."**

**"I would like to suggest, Richard, that somewhere down in this you're making a category mistake; because you're confusing mechanism with agency. We have a mechanism; it does x, y, z; therefore, there is no need for an agent."**

**"I would suggest that the sophistication of the mechanism (and science rejoices in finding such mechanisms), is evidence for the sheer Wonder of the Creative Genius of GOD."**

Now here we see sanity, a man who is not confused on any of the topics, who understands very clearly that science itself does not exist apart from our Creator. That science, scientific knowledge, came from persons who knew our Creator and brought forth equations from our Creator as the foundations of modern science itself. Science is the accurate study of Creation; yet knowledge that is truthful comes from our Creator as fundamental Truth. He understands the mechanism of "natural" processes are supernatural in origin and in complexity. Dawkins admits he doesn't understand any of these things and yet vehemently argues against the existence of our Creator; despite his admitted ignorance and that is why I conclude the man is irrational, illogical, clearly confused and insane.

Dawkins is no more a scientist than anyone who writes fantasy stories of purely imagined fiction; people need to listen to the words of actual scientists:

<http://www.facebook.com/notes/michael-swenson/fathers-of-the-sciences-and-great-scientific-minds-in-their-own-words/567609163318047>

Dawkins continues arguing about his connotation of "faith" versus "evidence"; and he might consider that with regards to his own current worldview because:

<http://www.facebook.com/notes/michael-swenson/acknowledging-the-eternal-creator-takes-no-faith-it-is-scientific-fact/491948024217495>

Dawkins rambles on:

"...some nutcases are trying to introduce creationism into American schools; which is obviously very bad for science..."

[http://www.youtube.com/watch?v=Q8DDIe\\_2cHM](http://www.youtube.com/watch?v=Q8DDIe_2cHM) and  
<http://www.youtube.com/watch?v=b8GgrUposII>

"...and the lawyer said, 'Mr. Dawkins, is it true that evolution has led you to atheism?' I should have to say, 'Yes.'..."

<http://www.youtube.com/watch?v=4mxXICZ9mXo&list=PL7F9B57EBDCCEECF8>

"...the ordinary person in the pew; the ordinary, unsophisticated churchgoer believes deeply in miracles; and it's largely miracles that persuade that person into the church in the first place..."

I can hardly imagine the devil himself making such statements with more nauseating, narcissistic, arrogance; mitigated only by the fact that this person who obviously thinks so highly of himself is sadly

making such a pitiable fool of himself. Prayers should be made in his behalf; because in the name of his religion; he would have children brainwashed in public schools to become just as confused and insane as he is.

<http://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983>

What a horrible world and universe this would be without miracles! (it wouldn't exist at all)

[http://www.youtube.com/results?search\\_query=documented+miracles&sm=1](http://www.youtube.com/results?search_query=documented+miracles&sm=1)

I still think the miracle of the Resurrected Christ and thereby how we can call upon the Living Eternal God and Creator of the Universe; is the greatest miracle every soul should experience and every true Christian has experienced! <http://biblehub.com/luke/15-32.htm> and <http://biblehub.com/luke/15-7.htm> and <http://www.facebook.com/notes/michael-swenson/are-you-a-christian/532952590117038>

Dawkins continues:

"...design is dead; otherwise one must explain who designed the Designer ..."

<http://www.youtube.com/watch?v=z0DT6uljSbg>

"...Darwin explains life and no serious scientist doubts that..."

"... in a sense we can say cosmology is awaiting its Darwin..."

Here is the heart of Dawkins "problem" that he and other so called atheistic scientists are still rolling up their sleeves to work on. They CLAIM they have no religion and that their worldview is based on evidence; so they sneer in derision against a Perfect Eternal Creator; while revering a lunatic on par with their own idiocy; like the incredibly fallible Darwin.

1) Darwin never explained the origin of life.

2) Darwin's origin of species contains so many errors that daily revision is necessary to keep up with current scientific discoveries.

3) There are no missing links even with millions of fossils recorded to date.

4) There are no gradual transformations in the fossil record anywhere on earth.

5) There is absolutely not one shred of evidence supporting Darwinian evolution despite the wishful imaginations of acolytes like Dawkins.

6) The Biblical account of creation has never been disproven on any point and in fact such things like giants clearly support the biblical account and clearly disproves the delusions of Darwin, Dawkins and all like minded persons wherever they

exist. <http://www.youtube.com/watch?v=CEmnXV5Qs2Q&list=PLDD19870F568B7818>

7) thousands of species use camouflage, many very specific camouflage to survive. If "gradual processes of small changes over time" were the explanation for their survival, all these species would have perished long before succeeding to magically transform themselves into creatures that look like leaves and twigs, etc.; likewise the millions of symbiotic relationships that exist in ecologies and thousands of which are so specific that two or more species are absolutely dependent on each other for their survival; proving they had to simultaneously exist from the beginning of those species and those relationships. Dawkins calls mitosis, asexual reproduction, sexual reproduction and his fantasy that the millions of life forms came from primordial single celled life forms which inexplicably came to life purely by chance from inorganic compounds as "natural causes". Anyone who examines the detailed complexity of a single cell and life in general of how DNA programs organic material with specific shapes and functions and all intricately working together to comprise creatures people refer to as beautiful and amazing; is in itself supernatural and metaphysical to observe and if he believes such disproven nonsense that the universe exists with no Creator and that creatures came to life from non-living matter and that a single cell metamorphosed into all known life forms; then what he believes is no less miraculous; than those who state our Creator designed each and every living creature with specific form and function.

Leastwise, as Dawkins puts it, such facile rubbish as Darwinian evolution is NOT any explanation at all.

<https://www.youtube.com/watch?v=Gjvuwne0RrE>

<https://www.youtube.com/watch?v=iktmmd7YnD8>

The reason Dawkins appears to be completely insane and unbelievably ignorant is that he is attempting to do the impossible. While claiming there is no Creator; (any such statement indicates a person has lost the use of their perceptive abilities and/or ability to reason and comprehend what they perceive; in other words have gone insane-<http://www.facebook.com/notes/michael-swenson/acknowledging-the-eternal-creator-takes-no-faith-it-is-scientific-fact/491948024217495> and <http://www.facebook.com/notes/michael-swenson/the-eternal-creator-can-be-known/495815193830778>); he does so in such a way that he violates everything he disdains about his own connotations of "religion". That is he believes in something for which there is no evidence (Darwinian evolution); argues against something for which there is overwhelming ubiquitous evidence (God, our Creator, Intelligent Design) and sets aside all scientific facts that have already soundly disproven Darwinian evolutionary theory; especially as it is forced upon innocent children today in public education.

But let's take the man at his own words and look at his idol Darwin and Darwinian evolution; the scientific evidence of what happens to those who like himself believe in that unsubstantiated religious dogma of pure delusion and fantasy.

<http://www.thedarwinpapers.com/oldsite/number1/Darwinpapers1Htm.htm>

<http://www.icr.org/article/112/> (Dawkins seems to be a like progeny to his idol)

If one takes an objective look at Darwin; no one in their right mind would idolize him or any of the nonsense he wrote in light of the facts that there is absolutely no evidence supporting Darwinian evolution and there never will be because, Creation is in fact designed with Divine Purpose by our Creator.

<http://www.facebook.com/notes/michael-swenson/creation-v-evolution-please-use-your-intelligence-to-recognize-intelligence/566154943463469>

<http://www.ann Coulter.com/columns/2011-08-31.html>

Dawkins goes on in his madness to compare and liken the quran to the Holy Bible; showing yet more of his massive ignorance regarding both.

<http://www.facebook.com/notes/michael-swenson/islam-is-evil-and-any-worldview-that-calls-for-genocides-and-extreme-violence-to/560337004045263>

<https://www.facebook.com/notes/michael-swenson/holy-bible-versus-the-quran/719366671475628>

Dawkins has become so depraved in his ignorance and arrogance (in fulfillment of clear prophesy - <http://biblehub.com/romans/1-28.htm> and <http://biblehub.com/romans/1-22.htm>) as to actually liken our Ineffable, Glorious, Wonderful, Holy Creator who Incarnated and walked among us doing only righteous deeds and supernatural miracles, who though severely maltreated only practiced acts of

kindness and words of Truth constantly; to such demonic raping, murdering, child abusing, human mutilating, disgusting filth as comprises those who authored and practiced the teachings of the quran and the bestial mythologies of demonic imaginations such as the scum of the universe of other imagined so called gods. <https://www.facebook.com/notes/michael-swenson/satanilevil-god-of-this-world-vs-the-one-true-god-of-all-creation-part-2/633572213388408> He actually is either so ignorant, so depraved or so deceptively evil as to portray our Awesome Creator with the likes of true evil and evil imaginations of equally insane, deluded, deceived individuals in history and to this current day. He claims and displays contempt for religion and those who hold their world views in blind faith and ignorance; particularly, of those doing wickedly because of their demon false gods and goddesses and vile worldviews/religions; while personifying such evil in every way himself.

Any attempt at likening the very worst of humanity and literature (those adhering to the dictates of the quran or the mythology of so called "gods" who had sexual relations with beasts - <https://www.youtube.com/watch?v=4BMCDV2afgM&list=PL0EF45DDA53AD2190&index=20> and [https://www.youtube.com/watch?v=1zz8\\_MxcnzY](https://www.youtube.com/watch?v=1zz8_MxcnzY)) to the very best (and most maltreated) of humanity and literature (those adhering to the Instructions to Live By in the Holy Bible) is practicing extreme <http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558> and <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> of the very worst kind.

The evil dictates of the quran are CONDEMNED by the Holy Bible; the two are polar opposites and have no likeness at all. The quran calls for genocides; while the Holy Bible tells us we are all Created with Divine Purpose and to love righteousness (<http://biblehub.com/micah/6-8.htm> and [http://biblehub.com/1\\_corinthians/13-6.htm](http://biblehub.com/1_corinthians/13-6.htm) and <http://biblehub.com/psalms/45-7.htm>); arrest wickedness (<http://biblehub.com/matthew/16-19.htm> and <http://biblehub.com/romans/13-4.htm>), as all acts of Love for our Creator and one another; demonstrating a proper regard for the Divine Gift of Life; something the atheists have been minimizing by their delusions to dogma that reduces human life to a level of animals and plants and morals to being purely subjective with no absolutes (and has proven to be one of the most dangerous religious worldviews ever to surface on the face of the globe):

<http://www.youtube.com/watch?v=4mxXICZ9mXo&list=PL7F9B57EBDCCEECF8>

<https://www.facebook.com/FFAF.International/photos/a.392139044163477.91994.390996674277714/838926049484772/?type=1&theater>

<http://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101>

It is the kind of universal ignorance and yet extreme arrogance surrounding his own delusions that enables other dangerous worldviews like islam and satanism and every other evil imagination to propagate; because Christianity is charged with arresting such wickedness and if it weren't for the likes of ignoramuses like Dawkins, we would be doing so in his own nation and most definitely here in America. <http://www.facebook.com/notes/michael-swenson/solutions/516489485096682> and <http://www.facebook.com/notes/michael-swenson/gain-and-restore-freedom/550796821665948> Christians don't believe in genocides or in doing any kind of evil; but we do believe in arresting all evil doers; and that includes insane maniacs like Dawkins; who in their deluded religions think it's acceptable to brainwash innocent children with their hogwash.

Dawkins further complains (and it's no wonder due to the extreme ignorance and madness he so relishes) that he can't see any of these facts about atheism and evolution in that he states repeatedly he can see no logical reason for people doing evil because they insanely choose to believe; despite ubiquitous evidence to the contrary, that there is no God <http://www.cija.ca/interfaith-2/cause-of-death-militant-atheism/> and <https://www.youtube.com/watch?v=3ZSeGp8BwKs> ; when in fact he ignores not only his own incredibly evil words, actions and ways; but all the ubiquitous evidence that when everyone does what is right in their own eyes (by doing away with the absolutes that come directly from our Creator; in trampling upon their own God given consciences; in favor of embracing their own preferred evil delusions and imaginations), that EVERY KIND OF EVIL manifests on earth because of those wicked imaginations in them, chaos and bloodshed results from the might makes right mentality; "survival of the fittest".

Consider thoroughly

have massive rampant abortions, widespread premarital sex, open sodomites marching in our streets, islamic infiltrators illegally in office of the president, massive abuse of legal and illegal highly toxic drugs, open satanism in media and so called entertainment, huge prison populations, extreme wage disparities, growing oppression, increases of diseases, death, destruction, famines, plagues, and every curse in the scriptures <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>; or any of the evils now prevalent in America and other so called modern civilizations and nations until first brainwashing the children with the most evil of all religions: Darwinian evolution and atheism -

The nonsense of Darwin's theory of *evilution*(**evil-u-shun**) and atheism has done more to destroy humanity in modern history than all other deceptive religions of the devil combined worldwide. And it is primarily responsible today that so many Americans are in complete ignorance of actual history, our Christian heritage as a nation, and actual scientific facts for the likes of the twaddle Dawkins purports. He also contradicts his opening statement by acknowledging his own views on life may be very ugly with regards to natural selection (again still not supposedly seeing a logical connection between murdering genocidal maniacs, abortions, rapes, and lawlessness when he and others insist there is no Lawgiver to whom we all will give an account) when he so softly and in such awe opened with how science more grandly, with more beauty and sophistication describes such hideous notions as his own views on life and the irrational, unjustifiable, illogical lack of explanation of where not only life came from; but the entire universe and all it contains. The man is insane, he contradicts himself throughout his arguments and doesn't even need to be debated as such. Religious worshippers of darwinian evolution, like Dawkins; whenever confronted with evidence that clearly disproves their worldview/religion have automatically dismissed it with outright lies; like claiming the human fossilized footprints found with dinosaurs prints were carved!

<http://www.dinosaurc14ages.com/footprints.htm> Dr. Carl Baugh was so vehemently attacked by these so called mad scientists of evolutionary theory, that he went back to a site where the controversial prints were found and followed a set leading into and beneath sedimentary layers of fossilized rock.

WHILE THE CAMERAS WERE ROLLING, pried up those layers revealing that the human footprints continued UNDER THE FRESHLY PRIED UP SEDIMENTARY LAYERS; along with yet more dinosaur tracks.

This evidence along with much more as can be seen clearly by anyone with eyes and sight, disproves evolutionary theory as it is still being forced upon children to this day, and disproves it BEYOND A

SHADOW OF A DOUBT! <http://www.creationevidence.org/carlbaugh/v2ch1.htm> and <http://www.youtube.com/watch?v=HaQqa90e9KQ>

He adamantly persists in his arrogance and ignorance, that even though he has failed to address any of the questions he said were of the utmost importance to him, where the universe came from, where life came from, etc.; even though he acknowledges his own lack of rational explanation for even his own existence thereby; he insists there is no God and certainly not the God of the Holy Bible. People like Dawkins who call themselves scientists; despite all evidence to the contrary, are SO arrogant, they just can't comprehend that perhaps the reason they're "still working on it" is that they are the more mentally challenged individuals; instead of all the "religious" persons they look down upon. They just can't look themselves in the mirror and face the fact that just perhaps the reasons those of us who offer the truthful explanation of "God did it" is because we ALREADY worked that out long ago. Dawkins claims he bases his own beliefs on evidence; while ignoring the fact that millions of human beings have suffered unbelievable torture and death simply for refusing to deny Christ our Lord and Savior, Creator of the Universe. He and all like him must ignore that evidence that ALL those people were so strong in their convictions of what they knew to be absolute Truth; that they accepted horrendous tortures and death rather than even pretend to renounce them! He and all like him while claiming to be scientists ignore the fact that the scriptures are replete with procedures that can be tested and proven and all the rest of such evidence as I have briefly covered here: <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230> Dawkins would rather ignore the fact that more than a billion souls tell him point blank that they KNOW our Creator personally (and that ANYONE can KNOW our Creator and verify absolute TRUTH for themselves - <http://www.facebook.com/notes/michael-swenson/are-you-a-christian/532952590117038> and <http://www.facebook.com/notes/michael-swenson/christ-is-not-seeking-numbers-in-his-ranks-but-only-the-truly-repentant-true-dis/508879595857671> and <http://www.facebook.com/notes/michael-swenson/saved-by-grace/584215104990786> and <http://www.facebook.com/notes/michael-swenson/no-excuses/585649084847388>), and millions have suffered and died rather than renounce Him, than to admit that he is one of the slow learners of the universe and that he has been incredibly arrogant and incredibly ignorant while clinging to his own religious views (that I wager he would gladly set aside before enduring anything like Christians have gone through in all of history to this day). <http://www.homecomers.org/mirror/and> [https://www.google.com/search?q=christian+persecution+worldwide&rlz=1C1GIGM\\_enUS535US535&oq=christian+persecution+worl&aqs=chrome.1.69i57j0l2j69i59j0l2.8638j0i8&sourceid=chrome&espv=210&es\\_sm=93&ie=UTF-8](https://www.google.com/search?q=christian+persecution+worldwide&rlz=1C1GIGM_enUS535US535&oq=christian+persecution+worl&aqs=chrome.1.69i57j0l2j69i59j0l2.8638j0i8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8) But according to the likes of Dawkins, ALL these people do not hold their own views based on evidence and in a rational manner; instead they ALL suffer and die purely because of their lack of knowledge and irrational "blind faith". You furthermore have to consider your own opinions superior to the most literarily and historically accurate Book in all

The scriptures in the Holy Bible are provable by ubiquitous evidence. Knowledge exists now to give ample verse by verse evidence supporting it throughout: <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>

Dawkins and all evolutionary atheists like him are the real danger to children; by opposing fundamental Truth for his wishful, unsubstantiated delusions. He and all evolutionary atheists are the ones that are a real discredit to science and disservice to education.

### **John 3:15-21 Amplified Bible (AMP)**

15 In order that everyone who believes in Him [who cleaves to Him, trusts Him, and relies on Him] may *not perish, but* have eternal life *and* [actually] live forever!

16 For God so greatly loved *and* dearly prized the world that He [even] gave up His only begotten (unique) Son, so that whoever believes in (trusts in, clings to, relies on) Him shall not perish (come to destruction, be lost) but have eternal (everlasting) life.

17 For God did not send the Son into the world in order to judge (to reject, to condemn, to pass sentence on) the world, but that the world might find salvation *and* be made safe *and* sound through Him.

18 He who believes in Him [who clings to, trusts in, relies on Him] is not judged [he who trusts in Him never comes up for judgment; for him there is no rejection, no condemnation—he incurs no damnation]; but he who does not believe (cleave to, rely on, trust in Him) is judged already [he has already been convicted and has already received his sentence] because he has not believed in *and* trusted in the name of the only begotten Son of God. [He is condemned for refusing to let his trust rest in Christ's name.]

19 The [basis of the] judgment (indictment, the test by which men are judged, the ground for the sentence) lies in this: the Light has come into the world, and people have loved the darkness rather than *and* more than the Light, for their works (deeds) were evil.

20 For every wrongdoer hates (loathes, detests) the Light, and will not come out into the Light *but* shrinks from it, lest his works (his deeds, his activities, his conduct) be exposed *and* reproved.

21 But he who practices truth [who does what is right] comes out into the Light; so that his works may be plainly shown to be what they are—wrought with God [divinely prompted, done with God's help, in dependence upon Him].

It is high time we taught people; especially children the TRUTH and showed them the ubiquitous <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188>

so no one ever again so obnoxiously and arrogantly holds their own brainwashing, deceptions and self-delusions in such high regard; making such an obvious fool of themselves in front of the whole world.

Dawkins is a prime example of <http://www.facebook.com/notes/michael-swenson/why-we-all-need-instructions-from-our-creator-to-live-by/533444303401200> and so I urge everyone to demand that the Holy Bible is the primary text book throughout all public education; until every soul everywhere knows our Creator and is learning from our Creator directly concerning all things.

Some might ask why would I attempt to show Dawkins what he looks like in a mirror (give him a taste of his own medicine)? <https://youtu.be/Od4FHHf0OpY> I want him to see that he is exactly what he alleges to despise about others who THINK they are doing something right in the name of their religion; while doing something actually awful. (like brainwashing children away from our Creator so they go through life aimlessly in ignorance and if they die in their sins; experience dreadful and lasting consequences all because they listened to a person like Dawkins and thought he actually knew what he was talking about; when he clearly does not.) I also care about even persons like him; despite the fact that he and others, who are similarly infatuated with the religions of darwinian evil-u-shun and atheism, are largely responsible for very evil developments in subjective secular humanism; in destroying proper values that make for a stable, healthy and prosperous society; blessed by our Creator. I want him to rethink everything he has learned and perchance; like the Apostle, properly count it all the "pile of crap" that it is; so that he can learn directly from our Creator sooner than later and perhaps lead back into the Light of Truth persons everywhere he once led astray into darkness and confusion.

<http://biblehub.com/philippians/3-8.htm>

Virtually everything that comes out of Dawkins' mouth is ignorance and/or delusions. He is one of the many who are presenting their own version of the modern cult of scientism; declaring their fantasies and fiction in the name of "science" and in the process deceiving and deluding not only themselves but all self-destructive, ignorant fools who are likewise in denial of REALITY, our ETERNAL CREATOR. But what is really evil about these people, is that they brainwash innocent little children with their madness; telling such precious souls that they came from apes or ape-like ancestors; instead of the truth and fact that they are intensely wonderful Divine Creations; beloved of our Eternal Creator, Lord and Savior, Jesus Christ.

Dawkins is by his own choice following lies and delusions; so he is willfully ignorant and self-deluded by definition; as he has seen clear evidence that darwinian evolution is absolute nonsense:

I hope before Richard Dawkins dies; he will use the perceptive abilities and brain matter God gave him; to embrace knowledge, reason, logic and truth; but until then may all souls shun the Dawkins Delusion.

**Michael Leinbach** I love reading people like Michael Swenson simply because he has the same exact type of mind I have. It is like reading a mirror of my own thinking. Which proves to me that REAL Christians are taught by GOD! We are able to see the lunacy instantly in Dawkins words...>

"On the one hand he states we all have a "religious reverence for the beauties of the universe..." while in the next breath saying "religion teaches us to be satisfied with not understanding". "

The above comment is so utterly foolish because Dawkins says "Religion teaches us to be satisfied with not understanding" as if just say "BUT GOD DID IT" is enough for us.

What is so absurd about what Dawkins says here is that the Bible does not tell us to not understand! When the Bible tells us to " LEAN NOT UNTO OUR OWN UNDERSTANDING," it is telling us to not accept the first thing which pops into our heads about something!

Which is the very thing Dawkins constantly does over and over again!

The Bible clearly tells us that we need to seek the truth and study to be able to give a defense for the faith that we have! To be ready in season and out of season! So HOW could "lean not unto your own understanding" possibly mean we shouldn't understand? It is telling us that our first thoughts on something alone are not enough! That we must THINK, STUDY, PRAY, LEARN! If we think we know something we know nothing yet as we ought to know! The Bible is full of scriptures leading us to not accept things at face value! If we did we would still all be stuck in what the world teaches us to believe!! The Bible is telling us to engage in Science! The state of knowing!! But above all the Bible calls us to understand and grow in the Grace of Jesus Christ above all things!

For someone to assume that, "Lean not to your own understanding" means "don't think" is total and utter nonsense!!

Let me make this clear, The problem with people like Dawkins, Atheists, is that they Lean on their own understanding and they are all products of what the World system has brainwashed them into believing. They believe everything they learned in schools and refuse to see something else. Yet they say we Christians are the ones who are not understanding! Nothing could be further from the truth!

**[Michael Leinbach](#)** Let me also say that Science does NOT disprove God and the supposed evidences for evolution are absolutely nonsense. Those who believe evolution is how all things came to their current state are fooled by the lies told by atheistic scientists who are the same type of people who years ago said something as foolish as , " The rainbow is not a promise from God to people that he will never destroy the earth again by Flood because it is simply light bending through water causing a prismatic effect."

Why is the above quote foolishness?

Just because they figured out how God created the Rainbow does not mean God did not create it!!!

You can take this simple counter point and apply it to every process in human biology which has been falsely attributed to evolution by atheistic scientists!!

"If a person doesn't think that there is a God to be accountable to, then what's the point of trying to modify your behavior to keep it within acceptable ranges?" —Jeffrey Dahmer

Dahmer, an Atheist, rapist, murderer, cannibalist, brutally killed seventeen men and boys, dismembering them, storing their parts and indulging in cannibalism and necrophilia; sentenced to prison for 900 years, died in prison, but not before confessing his sins, repenting and turning his life to Jesus Christ as his savior.

## [Atheism Fails](#)

[January 8, 2014](#) ·

### DAHMER FOUND SALVATION IN JESUS CHRIST

I've often pointed to Jeffrey Dahmer as an example of what a belief in Atheism can cause in a person's life. Here's a quick look for those who are unfamiliar with his gruesome story of heinous crime.

Jeffrey Dahmer, an Atheist, was arrested and accused of raping and brutally killing seventeen men and boys, dismembering them, storing their parts and indulging in cannibalism and necrophilia. He was determined by the court to be sane and thus, could be tried and ultimately was sentenced to serve 900 years in prison.

Here's what Dahmer said to the court psychiatrist that convinced the court that he was sane:

"If a person doesn't think that there is a God to be accountable to, then what's the point of trying to modify your behavior to keep it within acceptable ranges?"

That is a perfectly sane statement. It is completely immoral, but it is logical and sane. Atheists have no reason to modify their behavior if, as they claim, there is no God to hold them accountable. And if they are as Darwinists claim, nothing more than animals, cousins of primates, descended from pond scum, why shouldn't they be expected to live as animals.

But just because Dahmer's rationale was sane doesn't make his actions right, so he went to trial. He eventually died in prison, but not before confessing his sins to a holy God, asking for forgiveness in the name of Jesus Christ and repenting of his sins. In other words, he was saved.

Curiously, whenever I've mentioned this to Atheists — and the most informed of them already know these facts — they have cried, "Unfair!" saying "What kind of God would forgive that..." or "If that's the kind of person who God lets into heaven then I don't want any part of that and I won't bow to him." Some say even worse things in their self-righteous claims to morality.

But I ask you, Atheists who would think or say that, what is the cause of all that hate in your heart, that you would deny mercy and grace to another person? Don't you say that you would do unto others as you would have them do unto you? And what gives you the right to make such a judgment? You are only god of yourself, no one else. If you doubt this, just ask another Atheist to bow to you.

So, what's wrong with God granting His mercy and grace to a sinner, no matter what the sin he or she has committed? Let Dahmer be an example for you own life, and evidence that you, too, can be saved. Jeffrey Dahmer made many bad choices in his life, but ultimately he made the right one. To use a baseball analogy, he turned a 9th-inning deficit into a win.

Evil exists. So does Satan, who rules the hearts of ungodly men and women. Some are more noticeably evil than others but it is God's desire that all people be saved — IF they will turn to Him for salvation.

God doesn't force anyone — true love is never forced. But God also applies justice to every case, and it's His universe and His rules. Don't let your ending be like Darwin's or Hitler's or Christopher Hitchens', men who, as far as we know, never asked for forgiveness. Jesus Christ provides the only solution for sin and the only source for salvation.

Today may be YOUR day. Now may be your time. Tomorrow is not guaranteed for anyone. God has given you the ability to choose, and you wouldn't want it any other way — you wouldn't want to be forced. He wants the best for you, which is eternal life, but He will honor your choice. That shows his love for you. He is good to his word, and his word says that no person is without excuse. That is evidence of his justice.

Romans 1:20

For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse.

All will be Judged by the God's word, which is the Bible:

John 12:48

He who rejects Me and does not receive My sayings, has one who judges him; the word I spoke is what will judge him at the last day.

#### CHINA LAUNCHED PLAN TO PROMOTE ATHEISM IN TIBET

"The Chinese Communist Party has launched a three-year drive to promote atheism in the Buddhist region of Tibet, saying it is the key to economic progress and a weapon against separatism as typified by the exiled Tibetan leader, the Dalai Lama. The move comes amid fresh foreign reports of religious persecution in the region, which was invaded by China in 1950. Xiao Huaiyuan, the head of the Party propaganda department in Tibet, told a meeting of the regional committee that the new campaign would "help peasants and herdsmen free themselves from the negative influence of religion".

"Intensifying propaganda on atheism is especially important for Tibet because atheism plays an extremely important role in promoting economic construction, social advancement and socialist spiritual civilization in the region," Xiao said in the speech, which was reported by Tibetan TV on January 10th" (BBC). If you are concerned about the suppression of religion by the atheistic government of China, consider supporting organizations that combat this, such as [Open Doors USA](#). Contrary to the atheistic communist propaganda distributed by the government of China, science demonstrates that religion ameliorates society (See: <http://on.fb.me/1atM5sb>).

**North Korean atheists torturing and abusing 50,000 Christians in prison camps**

Posted on 15/01/2011

**Religious freedom denied, over 50 thousand Christians in prison camps**

*Freedom of religion in North Korea is totally denied, as well as of conscience, opinion, religion, peaceful association. According to the testimonies of people who escaped from the country, the regime continues an intense anti-religious propaganda, prohibits religious activities and prosecutes those involved in religious activities, including private activities.*

*The regime states that the "Juche", the official ideology of the state, is the only system of thought and belief allowed in North Korea. Despite the difficult situation, it is estimated that the Christians in Korea are currently about 400 thousand (2% of the population) who, in secret, keep in their hearts the burning flame of faith.*

North Korea is probably the world's only remaining dogmatically atheist state and is the most difficult place in the world to be a Christian. Those two facts are not coincidental.

I have been following Biblical Creation for about a year now and the posts uniformly disprove evil-u-shun; this is just another post showing the many inconsistencies with darwinian evolutionary theory and the so called "evidence" they rely upon. The posts are simultaneously critical of the modern so called dating processes altogether; so the purpose of the post is to show yet another of many errors in evolutionary theory as it is still forced upon innocent children AND that modern dating methods are unreliable for many reasons. <http://www.trueauthority.com/dinosaurs/dinosaurhistory.htm> we still have species that have been given other scientific names as "dinosaurs" sharks still exist but were called megalodons,

crocodiles, rhinos, komodo dragons; ceolocanths, the only difference is the SAME species STILL ALIVE with us are smaller. evidence is in the fossil record that in recent history (as early as only 7000 years ago (before the flood, species were much larger in general) including giants -

<http://www.youtube.com/watch?v=CEmnXV5Qs2Q...> and <http://www.keelynet.com/biology/baugh.htm>

plants and animals in laboratory tests under pre-flood atmospheric conditions have grown to enormous sizes (attributed to so called dinosaurs; in recent

history) <http://www.icr.org/article/4827/365/> and <http://www.genesispark.com/exhibits/early-earth/experiments/>

## THE PSYCHOLOGY OF ATHEISM

"In postulating a universal Oedipus complex as the origin of all our neuroses, Freud inadvertently developed a straightforward rationale for understanding the wish-fulfilling origin of rejecting God. After all, the Oedipus complex is unconscious, it is established in childhood and, above all, its dominant motive is hatred of the father and the desire for him not to exist, especially as represented by the desire to overthrow or kill the father. Freud regularly described God as a psychological equivalent to the father, and so a natural expression of Oedipal motivation would be powerful, unconscious desires for the nonexistence of God. Therefore, in the Freudian framework, atheism is an illusion caused by the Oedipal desire to kill the father and replace him with oneself. To act as if God does not exist is an obvious, not so subtle disguise for a wish to kill Him, much the same way as in a dream, the image of a parent going away or disappearing can represent such a wish: "God is dead" is simply an undisguised Oedipal wish-fulfillment."

#### THE TOBACCO HORNWORM

Each day the tobacco hornworm caterpillar ingests six times the lethal dosage of nicotine for humans!

The creature processes the remaining nicotine to release it through respiratory holes in its skin, to ward off wolf spiders

Until now scientists were unsure of how the tobacco hornworm processed the addictive substance to use as a weapon against hungry spiders.

They have discovered that some of the toxin enters the insect's blood while the remainder is excreted through tiny respiratory holes on its skin and in turn works as an effective deterrent.

This is another living organism that totally defies the evolutionary process. How could this tiny caterpillar evolve to ingest a toxic amount of nicotine? If evolution were true, it wouldn't be here! God made everything in perfect order from the very beginning.

EVOLUTION COUD NOT DO THIS

The ichneumon wasp (*Thalessa*) looks so delicate that the slightest wind ought to blow it over. Yet it lands on a hard tree trunk, and begins thumping with something that looks as delicate and frail as the leg of a daddy longlegs. But that antennae, thinner than a human hair, happens to be a high-power extension drill. The drill is about 4½ inches [11.43 cm] long, so long that it curves up and down as the small insect thumps on the hardwood with it. After thumping for a time, the tiny creature somehow knows it has found the right place to start work. Drilling begins. This little wasp uses that delicate feeler to cut its way down through several inches of solid, hard oak wood! This is totally unexplainable. Scientists have tried to solve the puzzle, but without success. The second miracle is what the wasp is drilling for; the larvae of a special beetle. How can it possibly know where to start its drill, so as to go straight down (it always drills straight down)—and reach a beetle larvae? Scientists cannot figure this

out either. Somehow the initial thumping told the tiny insect that a grub was several inches down, and that it was the kind of larvae it was looking for. The ichneumon wasp lays its eggs on just one larvae, that of the Tremex. When those eggs hatch, they will have food to grow on. Then, before they grow too large, tiny ichneumon wasps come out through that original hole

THIS INSECT LOOKS EXACTLY LIKE THE EUCALYPTUS LEAF IT HIDES NEXT TO..

And this happened by chance? Evolution has no leg to stand on.

Tropidoderus Childrenii

Children's stick insect, *Tropidoderus childrenii*, is a species of stick insect found in Australia. Children's stick insect being about 110 millimetres (4.3 in) long can be quite gracious but when they reproduce they can reach plague proportions and can wipe out eucalypt forests. During adulthood the children's

stick insect mate more than once and this species is parthenogenic so its whole life as an adult, the female children's stick insect is laying eggs. From Winter to Autumn, (winter laid autumn hatched) the eggs will hatch forming an army of baby stick insects

# Why do Atheists lie?

*A better question would be,*

**"Why not?"**

## **Atheists claim...**

1. that truth is relative.
2. to adhere to no certain standards of morality.
3. that morality is subjective.
4. that there is no higher power to which they are held accountable.

**So, why would an Atheist tell the truth... about anything?**

## RELIGION IS NOT THE #1 CAUSE OF VIOLENCE AND WAR!

Liar often claim that religion is the #1 cause of violence and war in the history of humankind. Evidence proves them wrong!

An interesting source of truth on the matter is the *Encyclopedia of Wars*. It chronicles some 1,763 wars over the course of human history. Of those wars, only 123 have been religious in nature, which is an astonishingly low 6.98% of all wars. However, when one subtracts out those waged in the name of Islam (66), the percentage is cut by more than half to **3.23%**.

**NON-religious motivations and naturalistic philosophies bear the blame for nearly all of humankind's wars, over 93%!**

### [Answers for atheists](#)

[April 22, 2014](#) ·

"Love your neighbor as yourself. Love does no wrong to others; therefore love is the fulfillment of the law."

-Romans 13:9-10

If everyone in the world followed Jesus Christ's teachings, this would be a world of peace and love, without violence, without hate and without war.

On the other hand, it has been estimated that in less than the past 100 years, governments under the banner of ATHEISTIC communism have caused the death of 259,432,000 human lives.

For instance:

Non-Religious Dictator Lives Lost

Joseph Stalin - 42,672,000

Mao Zedong - 37,828,000

Adolf Hitler - 20,946,000

Chiang Kai-shek - 10,214,000

Vladimir Lenin - 4,017,000  
Hideki Tojo - 3,990,000  
Pol Pot - 2,397,000

Therefore, the #1 cause of violence and war in human history has been “NON-religious motivations”.

The philosopher has managed to go one step further than his controversial comments on 'date rape versus stranger rape' to voice his opinions on what it would be ethical for a mother who is informed that her unborn child has Down Syndrome to do..

...But after engaging in conversation with a number of users, his ethical values appeared to come a little unstuck."

Mr. Mikhail Mashin, the director of the ZIL, has built a thriving business on the refutation of this particular Dawkinsian myth. Under Soviet rule, ZIL made cars, but the competition ZIL faced from Western automotive manufacturers after the fall of the Soviet Union forced the company to creatively explore other markets. ZIL now manufactures church bells because there is a booming business in church construction due to the fact that from 1917 to 1969, the atheist Soviets destroyed "thousands of churches, monasteries and convents across the country":[http://www.washingtontimes.com/.../apr/24/20040424-105838-4.../...](http://www.washingtontimes.com/.../apr/24/20040424-105838-4.../)

"The Secularization Experiment included not only a wide range of coercive tactics intent on driving the individual from any public expression of religion but also a denial of meeting places for religious groups. In seizing all private property, Communist Party officials were able to determine the fate of all churches, mosques, and synagogues. In 1914, before Communist rule, there were approximately 54,000 functioning Russian Orthodox Churches; by 1941, only 4,200 churches remained open. In 1941, less than 8 percent of the Russian Orthodox Churches functioning in 1914 were still in existence. The number of Russian Orthodox Churches then grew during World War II as restrictions on church activities were briefly lifted; this number subsequently shrank as postwar antireligious policies reemerged. Monasteries and convents were also closed in great numbers; by 1964, only ten Orthodox monasteries and convents were still in existence from the hundreds that functioned before Communist rule. Churches were not only closed but, as an additional insult to the religiously devout, the structures were often converted into Communist offices or other buildings. Most dramatically, Communist officials remade the beautiful St. Petersburg cathedral of Our Lady of Kazan into the Museum of the History of Religion and of Atheism, which provided exhibits to demonstrate the "folly" of religion. In many cases, exquisite church buildings were simply demolished. The ornate and architecturally unique Cathedral of Christ the Savior was blown up to make way for a proposed shrine to Lenin. ... Church bells were confiscated and melted down for their precious metal, and holy relics were ransacked. ... These acts of vandalism display not only a hatred for religious ideology but also an intense loathing of the existence of religious artifacts." - Paul Froese, *The Plot to Kill God: Findings from the Soviet Experiment in Secularization*. Berkeley: University of California Press, 2008, pp. 51-52.

observational, testable, repeatable science...that is what puts man on the moon and electronic gadgets in your hand. Darwinian evolution is not the same, it has very little empirical evidence and is propped up by wild extrapolations and a presuppositions.

There are no "beneficial " mutations- name one single, not "desirable", mutation...a mutation that adds true gain-of-function to the genome. Name one single medical practice or medication which desires "mutation". Mutations are overwhelmingly deleterious yet this is the primary mechanism of evolution.

[Michael Swenson](#) Some astronomers (the "naturalistically" minded) like to claim these days that the stars and galaxies are all just random formations of dust and gas that come together due to gravity; but let us examine the facts. Properties of gas <https://www.youtube.com/watch?v=gez2rmeCpfE> <http://chemed.chem.purdue.edu/.../bp/ch4/properties2.html> Gases have three characteristic properties: (1) they are easy to compress, (2) they expand to fill their containers, and (3) they occupy far more space than the liquids or solids from which they form. Those that leave GOD out of the equation are leaving an aspect that is apparent in everything that we observe - KNOWLEDGE/INFORMATION/DESIGN especially regarding LIFE! The Law of Biogenesis HAS NEVER BEEN REFUTED BY SCIENCE and yet we get posts like this one. Every point in it is fallacious! (goes against science) Note that our Creator tells us <http://biblehub.com/genesis/1-14.htm> that the stars He made serve specific purposes. Certain sectors of so called "naturalists" observe things about our universe and PRETEND like we don't have written explanations for them! (kind of like those who like to CLAIM the Biblical Account came from other ancient civilizations; rather than from GOD, and hence ancient civilizations confirm it all over the world.) or those who dig up artifacts and assign their imagination to it until and unless they get wise enough to read the actual history regarding said artifact that tells them plainly what it is and what it was used for. astronomers (especially of late) are just tossing out laws of science that have been sound for centuries; if not millenniums. They point to super-massive galactic cores of enormous mass and matter and say LOOK! it's a super-massive black hole! (they point to the OPPOSITE of what they are declaring); their observations and declarations are not just unsound, unscientific, but are 180 degrees what they should be! This is prophesied in the Divinely Inspired Holy Bible as a woe upon those doing so; who are doing so BECAUSE they are putting GOD and

the Knowledge of GOD intentionally away from them. 28And just as they did not see fit to acknowledge God any longer, God gave them over to a depraved mind, to do those things which are not proper, (depravity and insanity comes upon those who do not retain a holy union with our Creator, everything they perceive and hence conclude is distorted and in some cases becomes the OPPOSITE in their minds) 20Woe to those who call evil good, and good evil; Who substitute darkness for light and light for darkness; Who substitute bitter for sweet and sweet for bitter! 21Woe to those who are wise in their own eyes And clever in their own sight!... <http://biblehub.com/isaiah/5-20.htm> Notice that most who are teaching such rubbish in the name of science, are starting to hate on Christians more and more, even though Christians were behind the modern scientific explosion and have NEVER opposed true science. We DO OPPOSE the modern fiction and fantasy being taught in the name of science (like this post). <https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/747467775332184> and <https://www.facebook.com/notes/michael-swenson/the-space-time-continuum/833112730101021> Note that life comes from LIFE, specifically the ETERNAL LIFE of our Creator, YAHOSHUAH, who ALSO designed the stars to show forth signs on earth, such that all men, women and children would SEE the Gospel every night before their very eyes; and by reading His Word, the HOLY BIBLE; remain sane, of sound knowledge understanding the Truth about everything they observe! <https://www.youtube.com/watch?v=ff-Gp194XUU> and <https://www.youtube.com/watch?v=BJ6szvfApNM> and <https://www.youtube.com/watch?v=CtJ8Jjma5cM> No one but GOD ALMIGHTY could predict His entire Incarnation in detail (<http://www.accordingtothescriptures.org/.../353prophecies...> and <https://www.facebook.com/notes/michael-swenson/prophecies-show-divine-inspiration-of-the-holy-bible/520171808061783>) And have the STARS TELL the Gospel, AND not just tell the Gospel but coincide DIRECTLY with the Divine Incarnation, Crucifixion and Resurrection. A yellow banner with a black border. At the top, the text 'FRAUD FOUND IN RICHARD' is written in large, bold, black letters. Below this, a paragraph of text reads: 'Marc Hauser was once among the big, impressive names in psychology, head of the Cognitive Evolution Laboratory at Harvard University, author of popular books like *Moral Minds*. That reputation unraveled when a university investigation found him responsible for eight counts of scientific misconduct, which led to his resignation last year.' To the right of this text is a small photo of a man with a beard and glasses, wearing a dark jacket and light-colored pants, sitting in a chair. At the bottom of the banner, the text 'DAWKINS BOOK GOD DELUSION' is written in large, bold, blue letters. A small URL is visible at the bottom left of the banner: 'http://operation013.blogspot.ca/2009/08/richard-dawkins-central-argument-in-god.html'.

**Dinosaur Soft Tissue Preserved by Blood?**

Publishing in the journal *Proceedings of the Royal Society B*, Mary Schweitzer led a team that showed how **iron atoms** from blood adhere to and preserve blood vessels. The team placed ostrich bone blood vessels in water and watched them disintegrate in less than a week. They then treated another set of ostrich blood vessels with concentrated blood, and the treated blood vessels still looked fresh after two years of sitting on the lab bench.

***They postulated that iron generates chemically reactive oxy radicals that help adjacent proteins bond, preserving their overall structure in a process called cross-linking***

<https://www.icr.org/article/7855>

*While the study does show that iron helps preserve soft tissues, the results fall far short of the authors' claim that this explains soft tissue persisting for millions of years.*

- 1- Ancient dinosaur and other fossils did not have the advantage of scientists treating their carcasses with a blood-soup concentrate.
- 2- Researchers have encountered bone cells called osteocytes locked inside dinosaur bones. These cells have fine, threadlike extensions that penetrate the bone's through tiny tunnels called canaliculi. *Could concentrated blood penetrate and preserve those almost inaccessible bone cells?*
- 3- The Royal Society authors kept ostrich vessels in water to watch them rot. Does this resemble the burial conditions of dinosaurs, which are mostly dry today and have been primarily dry perhaps since the day of burial?
- 4- They showed how iron ups resistance to microbes for two years, they did not show that it does so for millions of years.

theory <http://www.icr.org/article/higgs-boson-big-bang/> appear to me to be nothing more than putting new words and terms to old ideas. (kind of like calling "dragons", "dinosaurs" in order to suppress actual history.) GOD has told us for millenniums that what is VISIBLE is presented by what is NOT! [http://biblehub.com/2\\_corinthians/4-18.htm](http://biblehub.com/2_corinthians/4-18.htm) BY HIM! <http://biblehub.com/colossians/1-17.htm> by His Creative Power, Spoken Word (vibrations , frequencies, waves) to bring forth from His Invisible Eternal Self, Visible Creation. To the point where quarks have been discovered and smaller particles still. At some point scientists are trying to define when and how is energy transformed into mass, (HOW DOES GOD MAKE the INVISIBLE, VISIBLE) I encourage them to go on in their search; but what I object to is calling any of these discoveries "natural" when in fact they are both supernatural in origin and essence. I object to those who call these mechanisms "explained" simply because they apply DIVINE attributes to anything observed; especially particles so small it takes imagination to even begin to conceive of them, "discover" them, and define them according to their own presuppositions that discovering tiny vibrations, waves, and particles explains Creation apart from our Creator; when it absolutely does NOT. NO MATTER HOW MANY SMALLER AND SMALLER PARTICLES MAY YET BE FOUND, BOTH ENERGY AND MASS ULTIMATELY EXISTS BY DIVINE PROVIDENCE; OUR ETERNAL CREATOR YAHOSHUAH, commonly referred to in English as our LORD and SAVIOR, JESUS the CHRIST. One thing far too many "scientists" seem unwilling to admit, and that is observable reality TAKES DIVINE INTELLIGENCE NOT ONLY TO CREATE IT BUT TO SUSTAIN AND PRESENT IT MOMENT BY MOMENT! Max Planck comprehended it correctly; why are others trying so hard to present themselves as obtuse to the OBVIOUS. "All matter originates and exists only by virtue of a force which brings the particle of an atom to vibration and holds this most minute solar system of the atom together.

We must assume behind this force the Existence of a Conscious and Intelligent Mind. This Mind is the matrix of all matter."

[The Space Time Continuum](#)

# The Fourth Dimension - Mapping Time and Space

Origin/Beginning Point 0 and with respect to time and space 0,0,0,0 exists within the center of the first spinning tetrahedron/sphere it occupies

Time is non-linear because it emanates in all directions from the origin

The origin of Time and Space is the origin of all matter in the Universe. All matter is constantly moving through Time and Space/The 4th Dimension. If we want to discuss what exists in the 3rd instance of time we would be discussing everything within the green sphere and so on with each passing increment of time more space is defined. So when the Creator brought everything into existence Time and Space had its origin at that instance. All matter was a superheated enormous mass in the Beginning and was set in motion spinning by the Creator. As He spun the superheated mass; molten liquids gases and solids flung outwardly from the origin into the 4th Dimension/Time and Space. So my friends not only is Space/Time Travel possible but everything in the universe is doing just that constantly. The Creator alone occupies all of the 4th dimension which is his House at once. So He experiences all of it past, present and future at once and tells us of the so called future in the form of prophecy. This is what the meaning is of the scripture Ecclesiastes 3:15 and is why the Holy bible always has been and always will be inerrant in prophecy.

One point = 1st dimension Two points/line = 2nd dimension Three points/triangle = 3rd dimension Four points/Tetrahedron = 4th dimension; specifically a spinning tetrahedron that occupies a sphere with radian equal to a instance of time. Interlocking spinning tetrahedrons map all Time and Space thusly.

Why not become a personal eyewitness of the Messiah today, call on YAHOSHUAH and tell Him if He is the ONE TRUE MESSIAH to forgive you your sins and unbelief and to reveal Himself to you, so that you can KNOW Him! Then you will join the billions of us worldwide who already do!<http://biblehub.com/jeremiah/31-34.htm> Those STILL in denial of the Divinity of YAHOSHUAH are dismissing REALITY! (they are choosing to live in their delusions; regardless of history and observable creation) some WRONGLY say if Jesus, a human, could become GOD, why not me? so I reply to them (although it will be a miracle if any such mad fools come to their senses; so I write more hoping no one else chooses to be so delusional) human did not BECOME God! BUT in the FANTASIES of evolutionists, it is hundreds of millions of years old and is prescribed another name to fool themselves and others; rather than what it really is, JUST ANOTHER salamander! <https://www.google.com/search...> ALL OF EVOLUTIONARY crap is that SAME kind of IMAGINARY NONSENSE. NO ONE in the RIGHT MIND believes a single cell magically morphed NO MATTER HOW MANY COUNTLESS AEONS you assign to it (also in your WILD FANTASIES) into all known species today.
