

The cult of modern scientism versus the Science of Biblical Creation

[August 11, 2015 at 9:40am](#)

Public

In my previous notes on this subject and this one, I wish to emphasize the far too prevalent tendency these days of the successfully demoralized, brainwashed, deceived masses who attended coerced public indoctrination; funded and maintained at present by proven antichrists, of thinking virtually ANYTHING a "scientist" says is the equivalent in their thinking of gospel fact. Rather it is prudent to realize that ALL scientists are just as fallible as anyone and everyone else on earth and should never be deified to the point where their proposals, theories, ideas are AUTOMATICALLY considered to be scientific facts.

<https://www.youtube.com/watch?v=CvDqrSTCcmA>

Religious acolytes of modern scientism will cite their "peer reviewed" sources with great delight, thinking they are making some kind of point; while they disdain the Divinely Inspired Holy Bible simultaneously. The only point these foolish and unlearned persons are actually making is that they reverence a handful of persons out of billions and their cult of imaginations in modern scientism above the HOLY BIBLE; scrutinized for millenniums and made public not to a handful of persons as in the sources they cite; in a vain effort to find confirmation bias for their religious beliefs in the Name of Science, but by the whole world; over the recorded history of mankind.

<http://www.creationmoments.com/radio/transcripts/peer-review-fraud-strikes-again-and-again>

For many thousands of years the Holy Bible has been correct; while the then religious acolytes of scientism were not and it is STILL so to this very day.

Virtually every time I refute the religious beliefs of these modern worshipers of fiction in the name of science, I get their harmonious "but you just don't understand science..." in response. I gather in my decades of study on the subject I factually understand a whole lot more than they surmise.

Robert Jastrow

“For the scientist who has lived by his faith in the power of reason, the story ends like a bad dream. He has scaled the mountains of ignorance, he is about to conquer the highest peak; as he pulls himself over the final rock, he is greeted by a band of theologians who have been sitting there for centuries.”

1) scientific theories, postulates; even laws not only change rapidly, but have been discarded altogether over the course of VERY BRIEF spans of human history. This is because they are ONLY IDEAS and opinions put forth by FALLIBLE persons.

https://en.wikipedia.org/wiki/Superseded_scientific_theories - as you can see this is not a complete and exhaustive list on the subject BUT suffices to make my point THAT IF YOU ARE CITING A "peer reviewed" scientific opinion that appears to be in opposition to the timeless Truth contained in the Holy Bible, it is almost as or even more meaningless than citing popular clichés of the "hip" crowd of the day. IF YOU CONSIDER such sources MORE authoritative than those who cite the HOLY BIBLE; then you are in fact a modern acolyte of the religion of scientism. These are people who deify "scientists" and their opinions above the timeless FACTS of history AND EVEN THE FUTURE; as recorded in the Divinely Inspired Holy Bible. BUT NOTABLY these religious persons of modern scientism ONLY deify a "scientist" IF their opinion contradicts in some way the FACTS recorded in the Holy Bible; all scientists confirming the Biblical Account of Creation are NOT considered scientists at all by these persons.

The list of incorrect theories, postulates, laws, etc is almost as long and numerous as there are "scientists" in history and the world today.

<http://scienceblogs.com/startswithabang/2013/05/31/most-scientific-theories-are-wrong/> - scientists acknowledge this is part of the scientific method! SO STOP THINKING their theories are FACTS when they openly acknowledge they ARE NOT and are subject to change and even discard altogether based on "newly discovered evidence or observations".

<http://www.irishtimes.com/news/science/william-reville-something-has-gone-very-wrong-with-science-1.2245846>

Since the world bank and central banks were taken over by corrupt antichrists, the funding for public education, the sciences, and media has all been skewed to satisfy their evil agendas.

<https://www.facebook.com/notes/michael-swenson/conspiracy-theories-or-plain-truth/662377083841254>

This means that for several generations public education has become nothing more than antichristian brainwashing; hence the rise in those that believe they are apes rather than Divine Creations.

<http://www.blastthetrumpet.org/PublicLetters/AAAUpdatedPublicAlertsMattersofLifeandDeath/MoreUpdates041215/The%20religion%20of%20evolution%20versus%20the%20Science%20of%20Creation.pdf>

<https://www.facebook.com/notes/michael-swenson/evolution-and-atheism-intertwined-religions-of-the-insane/492209810857983>

By taking over national currencies, antichrists have replaced sound education and science with absolute nonsense.

<https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/74746775332184>

such that mass millions of adults now actually think their antichristian lies are "scientific facts". (rather than the real fact, that all these millions have been deceived, successfully demoralized to their own harm and the harm of everyone they encounter.

<http://www.blastthetrumpet.org/PublicLetters/AAAUpdatedPublicAlertsMattersofLifeandDeath/MoreUpdates031315/THE%20PLANNED%20DEMORALIZATION%20OF%20AMERICA.pdf>

look at the evidence! The Holy Bible has remained true over the entire history of mankind; while "science" changes by who can seem to present the most convincing arguments of the day; even when those opinions are fallacious in every way (like darwinism).

https://www.google.com/search?q=how+many+incorrect+scientific+theories+have+there+been&rlz=1C1G1GM_enUS535US535&oq=how+many+incorrect+scientific+theories+have+there+been&aqs=chrome..69i57.15447j1j8&sourceid=chrome&es_sm=93&ie=UTF-8 - like I said the list is almost as long as the number of fallible scientists espousing their opinions publicly; SO IT IS RIDICULOUS to deify "science" and "scientific theories, laws, postulates, hypotheses" OVER and ABOVE the timeless attributes of veracity and accuracy in the contents of the Divinely Inspired Holy Bible!!!!!!!

Every time I read ANYTHING on the "big bang" theory I don't know whether to laugh at the fact that it is such OBVIOUS FICTION; that the story changes depending on who is telling it, or to PITY the people who actually BELIEVE it. The TRUTH is virtually ALL of modern theoretical physics is nothing more than the wild imaginations of persons who have attended public indoctrination institutions long enough to be considered a "scientific expert". Scientism is the epitome of the expression: "If you can't dazzle 'em with your brilliance, baffle 'em with your bullshit."

https://www.google.com/search?q=big+bang+theory+has+now+been+proven+wrong&rlz=1C1G1GM_enUS535US535&oq=big+bang+theory+has+now+been+proven+wrong&aqs=chrome..69i57.13255j1j8&sourceid=chrome&es_sm=93&ie=UTF-8 - again the opinions of modern theoretical physicists are as varied as the unique people espousing their beliefs. Just conduct a survey and research any modern topic like

the big bang theory among primary, secondary and collegiate educators and text books worldwide today and you will see some commonality but MUCH discrepancies and discord on any of these so called subjects religiously supported by those who wrongly THINK these topics are "scientific facts".

In fact, virtually all of modern theoretical physics is nothing but fiction/fantasy/imagination; most of it doesn't even reach the merit of commendable science fiction.

CONTRARY to what religious persons of scientism THINK, they have NOT entered "the Age of Reason" at all, but rather departed from it to embrace madness. BECAUSE IF THIS REALLY WAS THE AGE OF REASON THE WHOLE WORLD WOULD KNOW OUR ETERNAL CREATOR AND EVERY MAN, WOMAN AND CHILD WOULD BE LEARNING FROM JESUS CHRIST PERSONALLY.

Anyone NOT CONFIRMING the Biblical Account of Creation and Life; the scientifically, factually supported recorded history and future of mankind, is WRONG/INCORRECT/DELUDED/DECEIVED/IN ERROR about the origin of the universe and REALITY that we all can plainly observe. Some might ask how can I express such confidence in the Holy Bible and I respond because I have personally studied it and world history, present day and even "future" events sufficiently to recognize it is, in FACT, DIVINELY INSPIRED and because the TRUTH it contains led me to learning from our Eternal Creator directly and will do the same for anyone who follows the instructions recorded therein on how to know GOD ALMIGHTY themselves.

2) Modern Scientism, as I have just plainly shown with thousands of specific examples over recent history of fiction in the name of science; EVEN ones still popularly adhered to today, is NOT "scientific" BUT the Biblical Account of Creation and Life, the recorded history, current events and future of mankind most definitely is.

<https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493>

<http://www.eternal-productions.org/101science.html>

http://rationalwiki.org/wiki/Science_Confirms_the_Bible - I reference this to SHOW the arrogance and ignorance of modern religious believers in scientism. It is astonishing to me how they SHOW their ignorance prolifically while attempting to refute the Holy Bible.

first of all they say "the Bible is rife with scientific error" and give the link http://rationalwiki.org/wiki/Scientific_errors_in_the_Bible that lists eight nonresponsive and clearly misinterpreted supposed errors. THE HOLY BIBLE MAKES THOUSANDS OF STATEMENTS ABOUT REALITY ALL OF WHICH ARE TRUE, but in the IMAGINATIONS of these persons "rife with scientific error" = 8, count EIGHT (as of 08/15/2015), very poor and twisted examples in order to attempt in VAIN to allege that the Holy Bible contains any scientific error at all; when it doesn't.

all of the examples given ALLEGING error are not FACTUALLY in error at all. take the grief about mathematical Pi; they choose to claim is in error. "Circular" shape in NO WAY means a PERFECT CIRCLE

with meticulous precision. Ever seen how molds were made? Just watch a craftsman making an earthen vase:

https://www.google.com/search?q=pottery+by+hand&rlz=1C1GIGM_enUS535US535&es_sm=93&tbm=isch&tbo=u&source=univ&sa=X&ved=0CDcQsARqFQoTCMD44uGbocCFYgtiAodnr8Drg&biw=1280&bih=622

or a smith at work:

<https://www.youtube.com/watch?v=7e6Z9QQieAk>

<https://www.youtube.com/watch?v=NKcTU7NA5Lc>

or casting molds:

https://en.wikipedia.org/wiki/Lost-wax_casting

no matter which of these techniques you observe we can all see that such processes did not yield PERFECT circles EVEN WHEN starting with an outline of one; thus "circular shape" with its respective dimensions as given are NOT scientific error; just another desperate attempt of those who WANT to TRY and FIND SOMETHING, ANYTHING at all wrong in the Holy Bible, and all of the cited examples are OBVIOUSLY such a sad display of such ungodly desperation in order to cling to present ignorance in denial of Reality; in denial of Jesus Christ, the ONE TRUE GOD. http://biblehub.com/1_john/5-20.htm and <http://biblehub.com/colossians/1-16.htm>

https://youtu.be/3_2T47PAIkM?t=3096 - this is another view or explanation of the passage.

None of the allegations listed in this citation of false claims that the Holy Bible has any scientific errors on that wiki link are true at all. All the accusations are typical of the foolish and unlearned persons of today; who DESPERATELY want to THINK so.

"stars" in all locations of the Holy Bible that discuss dreams, visions and revelations are DEFINED as, spirits/angels/people:

<http://biblehub.com/genesis/37-9.htm>

9Now he had still another dream, and related it to his brothers, and said, "Lo, I have had still another dream; and behold, the sun and the moon and eleven stars were bowing down to me." 10He related it to his father and to his brothers; and his father rebuked him and said to him, "What is this dream that you have had? Shall I and your mother and your brothers actually come to bow ourselves down before you to the ground?"...

<http://biblehub.com/revelation/22-16.htm>

16"I, Jesus, have sent My angel to testify to you these things for the churches. I am the root and the descendant of David, the bright morning star."

<http://biblehub.com/revelation/1-20.htm>

20"As for the mystery of the seven stars which you saw in My right hand, and the seven golden lampstands: the seven stars are the angels of the seven churches, and the seven lampstands are the seven churches.

Likewise any reference to the moon, makes NO STATEMENT one way or another as it being a source of or reflective of Light, only that it provides light by night; which it does. In fact, since the moon spiritually represents the Bride of Christ, the scriptures make it very clear that we derive our Light from Jesus Christ, Lord and Creator of the Universe, who while present is like the DAY STAR or SUN but while absent only His People shine in the darkness like the moon and the stars.

http://biblehub.com/2_peter/1-19.htm

We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:

<http://biblehub.com/malachi/4-2.htm>

The Great Day of the Lord 1"For behold, the day is coming, burning like a furnace; and all the arrogant and every evildoer will be chaff; and the day that is coming will set them ablaze," says the LORD of hosts, "so that it will leave them neither root nor branch." 2"But for you who fear My name, the sun of righteousness will rise with healing in its wings; and you will go forth and skip about like calves from the stall. 3"You will tread down the wicked, for they will be ashes under the soles of your feet on the day which I am preparing," says the LORD of hosts....

(all those denigrating Holy Writ in vain; like the author of this wiki FALSE claim of scientific errors in the Holy Bible, should be warned by such passages) and likewise the moon and stars are the People of God, the Spirits of God, the Angels/Messengers of God, who give Spiritual Light to illumine the souls of those still in darkness of ignorance and wickedness on earth:

<http://biblehub.com/isaiah/30-26.htm>

King James Bible Moreover the light of the moon shall be as the light of the sun, and the light of the sun shall be sevenfold, as the light of seven days, in the day that the LORD bindeth up the breach of his people, and healeth the stroke of their wound.

This passage refers to LENGTH OF TIME of mankind from the passage of Jesus Christ ascending until His Glorious Return and it is MARKED by SEVEN Prominent Prophets/Messengers of which Paul was the first. That during the ABSENCE of the GREATEST LIGHT, the SUN, DAYSTAR, JESUS CHRIST, HIS PEOPLE as the moon and stars would STILL be on earth Preaching Truth, enlightening humanity, UNTIL HIS RETURN when ALL will KNOW the LORD!!!!!!!

To take verses or even a passage OUT OF CONTEXT to FALSELY CLAIM some kind of ASSUMED ERROR is the devil's work and VERY EVIL; all those doing so like the author of this wiki page, should repent or grave consequences are coming their way.

<http://biblehub.com/revelation/22-18.htm>

Nothing May Be Added 18I testify to everyone who hears the words of the prophecy of this book: if anyone adds to them, God will add to him the plagues which are written in this book; 19and if anyone takes away from the words of the book of this prophecy, God will take away his part from the tree of life and from the holy city, which are written in this book.20He who testifies to these things says, "Yes, I am coming quickly." Amen. Come, Lord Jesus....

LIES taught in the name of science; especially in coerced public indoctrination institutions is <https://www.facebook.com/notes/michael-swenson/brainwashing/643617432383886>

Biblical Creationists not only have been among the founders of the modern fields of science, but its greatest achievers and supporters of them. <http://www.viewzone.com/dnax.html> We are certain that ACCURATE OBSERVATION, TRUE SCIENCE, of Creation leads directly to our Eternal Creator.

<https://www.facebook.com/notes/michael-swenson/fathers-of-the-sciences-and-great-scientific-minds-in-their-own-words/567609163318047>

Dr. Popp exclaims, "We now know, today, that man is essentially a being of light." - <http://www.viewzone.com/dnax.html> If life is indeed comprised of aspects of Light, and if energy

cannot be created or destroyed, and furthermore if light interacts with DNA to form matter, then scientists are in fact observing what the Holy Bible has plainly stated for millenniums. By studying Creation, it would seem those who do so are studying also our Creator without even realizing it, or in many cases without acknowledging Him.

<http://www.transpersonal.de/mbischof/englisch/webbookeng.htm>

<http://biblehub.com/john/1-9.htm>

9There was the true Light which, coming into the world, enlightens every man. **10**He was in the world, and the world was made through Him, and the world did not know Him.

<http://biblehub.com/john/8-12.htm>

Jesus the Light of the World**12**Then Jesus again spoke to them, saying, "I am the Light of the world; he who follows Me will not walk in the darkness, but will have the Light of life."

<http://biblehub.com/colossians/1-17.htm>

The Supremacy of Christ...**16**For by Him all things were created, both in the heavens and on earth, visible and invisible, whether thrones or dominions or rulers or authorities-- all things have been created through Him and for Him. **17**He is before all things, and in Him all things hold together. **18**He is also head of the body, the church; and He is the beginning, the firstborn from the dead, so that He Himself will come to have first place in everything.

In laymen's terms, scientists are observing energy affected by information and some are effectively stating that DNA (information) controls energy to present matter/living organisms. These experiments are showing INTELLIGENCE is working with energy (invisible) to form, present and hold together what is visible; even to form LIFE.

http://biblehub.com/2_corinthians/4-18.htm and

Hebrews 11:1-3Authorized (King James) Version (AKJV)

11 Now faith is the substance of things hoped for, the evidence of things not seen. 2 For by it the elders obtained a good report. 3 Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

In my other citations I provide links to how sound, frequencies and words have been observed affecting energy and matter.

<https://www.biblegateway.com/passage/?search=John+1:1-14> - essentially the more scientists observe Creation the more they are verifying the Biblical Account of Creation - GOD SPOKE and ALL THINGS exist in Him, by Him, for Him. By HIS WORD are the worlds framed and held together. GOD in all, through all and above all. The universe is anything but "natural" and cannot be explained apart from our Eternal Creator who not only made it all, but sustains it all moment by Divine Moment.

I personally am extremely skeptical of anyone claiming they have observed the behavior of various kinds of photons; whether destructively or constructively; when they are invisible to the naked eye and considered so small as to be thought of by some as "massless". In addition, these "massless particles" are supposedly traveling at extraordinary velocities; so "observing" them is also an extraordinary claim. In all these many "experiments" claimed by "scientists" today; my response is... SHOW ME!!!

But the truth is it is obvious that energy holds together and presents mass and it is further obvious that Intelligence is absolutely necessary to coordinate both energy and mass to make living organisms. There is NO DOUBT whatsoever there is an Eternal Creator and in the recorded history of mankind, Jesus Christ, stands out so far above all other claims of Divinity; that there is simply no real comparison between them; other than to show all other claims totally preposterous.

Based on my research, what many are attempting to define as "natural"; such as "gravity", "light", greater and lesser forces, DNA, etc. namely **the WHOLE universe; all forms of energy and matter, is not just SUPERNATURAL IN ORIGIN, BUT SUPERNATURAL IN ESSENCE.** And I don't conclude this from a state of ignorance and apathetic complacency but on a lifetime of research and in personally learning from our Creator about His Creation, the universe in its entirety.

<https://www.youtube.com/watch?v=5d2WebdMpBQ> - consider all the efforts of mankind to create and make things that our Creator has. In all the experiments I've seen scientists apply everything they THINK makes (the desired object), they apply matter and energy, but every experiment I have seen they leave

out the critical element INFORMATION. The fact that INFORMATION is necessary to make life, and as far as I can tell to make even such things as gems, PROVES beyond reasonable doubt that the universe was created by INTELLIGENCE; and not just created but sustained and presented moment by moment by that INTELLIGENCE. Examine all their experiments in this regard, most all of them require seeding life, seeding something already Divinely Created, APPLYING INFORMATION. I have not examined ALL experiments in this regard, just the many that I have viewed I have seen REQUIRE INFORMATION to succeed.

I have had persons who are willfully in <https://www.facebook.com/notes/michael-swenson/denial-of-reality/874509385961355> FALSELY CLAIM I do not cite empirical scientific evidence to support my theses; they can only make such false accusations if:

1) they do not read them

2) they do not look at the references by clicking the links within them and in the supporting comments of ALL my facebook notes.

3) they are delusionary

4) they are lying

5) have the mentality or spiritual cognizance about the same as ALL those denigrating the Holy Bible in extreme ignorance; that is so great it borders on or at times even epitomizes the definitions of stupidity, insanity and/or complete depravity.

<https://www.facebook.com/notes/michael-swenson/which-translation/723637674381861>

So leave the ignorance and wickedness of the religion of modern scientism, for the REALITY OF KNOWING AND PERSONALLY LEARNING FROM OUR ETERNAL CREATOR, THE EVER-LIVING LORD AND SAVIOR OF MANKIND, JESUS THE CHRIST.

Swenson <https://www.facebook.com/photo.php?fbid=10153182258559403&set=gm.1147224928626317&type=1&theater> - there is NO probability, not 1 in 10 to the googolplex, there is NO PROBABILITY; not even infinitesimally small, that the universe causeless came, and especially NO PROBABILITY that LIFE

causeless came. IT IS IMPOSSIBLE (no ifs, ands or buts about it - FUNDAMENTALLY AND TRULY IMPOSSIBLE that the universe and life causeless came), and scientists need to stop giving ANY probability statistic NO MATTER HOW SMALL to the absolute nonsense of the evolutionary paradigm espoused by antichrists today.

HAVE Progressive creationist
Really done their homework.

Old Earth Creationists are varied on this point when Adam and Eve came into existence, with estimates ranging somewhere between 30,000-70,000 thousand years ago.

We are going to help old Eathers out, I am going to go 5,000 years earlier than their lowest assumption also give them huge break on population growth rate using 1/10 of a percentile, which is 10 times lower than ever before seen in recorded history. Because the model has exponential growth this is overly generous help to their philosophy.

(.1) of percentile and 2 people x 25,000 years is 1.44×10^{11}
(answer being 22x what population is today)

So please stop pushing Old Earth agenda, Saying science trumps the scriptures.

"Adjusting" your data to fit your conclusion, hiding your data so others can't examine it, and slandering those who dare to question are mighty transgressions against science.

Team warming has much to atone for.

Our friend Ryan shared this and our friend Rob requested we elevate it, so here it is.

How can we restore rigor and honor to science?

LIAR LIAR, PANTS ON FIRE!

Peer review is clearly an imperfect process

According to a recent analysis published in *Proceedings of the National Academy of Sciences*, about 67 percent of 2047 studies retracted from biomedical and life-science journals (as of May 3, 2012) resulted from scientific misconduct.

<http://www.pnas.org/content/109/42/17028.abstract>

suspected fraud (43.4%), duplicate publication (14.2%), and plagiarism (9.8%). Incomplete, uninformative or misleading retraction announcements have led to a previous underestimation of the role of fraud in the ongoing retraction epidemic.

The next time an atheist call you a liar remind him of his own fraudulent teachers

What is a lie?
A false statement deliberately presented as being true.
Something meant to deceive or give a wrong impression.

What is a hypothesis?
a supposition or proposed explanation made on the basis of limited evidence as a starting point for further investigation.

TELL ME YOU KNOW THE DIFFERENCE?

THESE ARE OUTRIGHT LIES, NOT HYPOTHESES!

- On February 14, 2001, Prochazka was found to have fabricated data after a Frankfurt University panel ruled he had "fabricated data and plagiarized the work of his colleagues" (see "Antropologischer Rastgänger in Uding (Dresden)," 2005).
- Mark D. Hauser is an American evolutionary biologist. In 2008, Harvard found him guilty of scientific misconduct and a year later he resigned.
- Massachusetts immunologist Scott Fagerlin fabricated data that appeared in some or all of 21 journal articles he's written since at least 1996.
- The *Guard* suggested that the British parliament form an inquiry into the fraudulent research of Andrew Wakefield, whose 1998 article linking MMR vaccinations to autism was found to be "an elaborate fraud."
- Korean researcher Shuang Xiao faked the creation of stem cells that he reported in the journal *Science*. Also, his 2005 claims of having cloned the world's first dog was proven false, though both patient-specific stem cells and dog cloning are now realities.
- And November 2003 saw the dramatic arrest and brief jailing of Judy Mikovits, prominent for her work (now partially retracted) linking chronic fatigue syndrome to a virus.

<http://www.fox.com/article/scientific-misconduct-rise/>

In 2008, it was reported that researchers "uncovered extensive fraud" committed by two groups of Chinese chemists from Fuzhou University. The groups had submitted 70 published papers, and The *Wall Street Journal* reported that more work filed on their behalf may yet be discovered.

Many are now aware that illegitimate conclusions and leaps in logic were used by political and scientific leaders, as well as others, to twist global temperature trends into what *American Thinker* called "the scientific basis for prosperity-killing international climate policy," now popularly known as "climategate."

In 2005, MIT fluid immunologist Luk Van Parijs for "making up data in a published scientific paper, grant applications, and manuscripts."

Also in 2005, Loma University sociology professor Thomas Brown discovered that University of Colorado professor Ward Churchill simply made up historical accounts of Native Americans in his book *A Little Matter of Genocide*.

Utrecht University in the Netherlands suspended Dutch psychologist Diederik Stapel in September 2011 after discovering that he had faked research for many years. Stapel admitted in a statement posted on the Internet, "I have adjusted research data and faked research. Not just once, but many several times, and not just briefly, but over a long period of time." He had just published in the journal *Science*.

I HAVE SOME 50 SUCH YELLOW POST!

[Luke Lefebvre to The Word](#)

[November 15, 2015](#) ·

When an atheist calls you a liar remind him of the premeditated lies found in peer reviewed journals and the Academy of science now says it's a plagued. Unobservable science is going to bring hypothesis. Guesses speculation Scientific words like probable, maybe, perhaps. It's part of unobservable science.. That's not the same thing as purposefully lying like the plague that now curses peer reviewed journals. Beginning with Piltdown man to the more recent fraudulent purposeful lies now found in peer-reviewed journals, you simply can't trust an atheist. You can love science but you better be sure you remember the words in the bible book of Timothy warning people about science falsely so called.

February 28 ·

Evolutionists are answering irreducible complexity problems with what they call “secondary functions.” They know the primary function, and sometimes they can find secondary functions for the components. They claim that this solves the problem; as if having all the parts of the mousetrap being used for various things around the kitchen means that there is no problem with a mousetrap being made from those parts without a designer. The problem is again, the blueprint. Having some or all of the available components doesn’t explain how they got coded into a different process. And claiming that they functioned in an unknown secondary function is akin to claiming “turtles all the way down”.

Secondary systems don’t solve the problem of irreducible complexity, since they quickly become dependent on hypothetical changes and are not provable. They just avoid the problem. The idea that secondary systems could explain the rise of all irreducibly complex systems in biology is not plausible.

The fact that irreducible complexity exists in life cannot be explained by natural processes. Its not turtles all the way down, life was intelligently designed.

[Michael Swenson](#) The entire evolutionary/atheistic worldview is built upon fiction/fantasy of those DESPERATE to believe there is no GOD. the evolutionary nonsense of "random mutations" producing anything like even one living organism; let alone all of them; is SO INCREDIBLY IGNORANT; SO OBVIOUSLY AGAINST WHAT IS PLAINLY OBSERVED REALITY; that these people are making themselves look like they belong in institutions for the insane. Delusions like this should not be endured by any society. Their worldview defies the laws of science; even the foundational laws of knowledge, and observable reality in general. The very notion of "random mutations" would imply virtually countless examples in history, in the fossil record and still observed presently of FAILED organisms, with NEEDLESS mutations that serve no function whatsoever. Instead each life form has its own EXTREMELY precise and EXTENSIVE information that defines it. evolutionists and atheists like to pose themselves to the world as if they have built their worldview on facts and evidence but it is just the opposite; their lunacy is built on wild imaginations; in COMPLETE DENIAL of the accumulated knowledge of mankind to date; in COMPLETE DENIAL of FACTS and EVIDENCE; and virtually TOTAL WILLFUL IGNORANCE of REALITY in general. Not one of these deceived and self-deluded persons could with all their efforts bring even a quark into existence from nothing; NOT ALL OF THEM COMBINED could do such a thing, EVER; not in ENDLESS amounts of time. Yet they insist that Creationists who acknowledge our Eternal Creator and stand upon the most tried and tested PROVABLY DIVINE RECORD, the Holy Bible; inerrant scientifically to date (science is STILL catching up with its contents), inerrant in thousands of detailed prophecies to date (PROVING AUTHORSHIP BY INTELLIGENCE THAT TRANSCENDS TIME AND SPACE), historically verified, the most PUBLISHED, the MOST QUOTED, the MOST RELIABLE REFERENCE BOOK of all

literature on earth BY FAR, are the ones who are not being rational and reasonable; when we conclude, BY EXAMINATION OF ACTUAL FACTS AND EVIDENCE, THAT ALL HISTORY AND ALL CREATION OVERTLY AND OBVIOUSLY DECLARES THERE IS A GOD and HIS NAME in English is JESUS the CHRIST!!!!!!! He gave mankind testable and repeatable instructions on how to know Him; those REFUSING to do so are provably wicked. (they actually know better but desperately try to pretend otherwise) If people want to act like lunatics and claim they are apes that randomly mutated from spontaneously generated chaotic molecules of matter and energy that came from absolutely nothing; the rest of us should properly put them in

cages! <https://www.facebook.com/photo.php?fbid=846072128805081&set=pb.100002069048072.-2207520000.1459456673.&type=3&theater>

The recorded history in the Holy Bible is not to be so lightly set aside and dismissed by those who open its contents and try to redefine the terms and meanings so as to assuage their own delusions. Divine Definitions within the Holy Bible tell us how to correctly interpret it.

<https://www.facebook.com/notes/michael-swenson/the-ineffably-awesome-holy-bible/621311364614493>

and when it is correctly understood, it has the backing of the accumulated knowledge of mankind to date;

and tells us specifically that our Eternal Creator Incarnated, Showed and Proved His Divinity and can be KNOWN personally by every man, woman and child.

<https://www.facebook.com/notes/michael-swenson/god-part-2/830858016993159>.

As such, those in denial of our Creator, thereby denying the reality of ubiquitous, plainly observable Creation are not only presenting themselves as extremely <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> they are demonstrating such strong deception and delusion as to show their worldviews belong in a category of insanity.

Contrary to the atheists' claim that the default is "no God", "no knowledge" (no Intelligent Design); everything we observe and know declares otherwise:

Foundational Laws of Epistemology - <http://plato.stanford.edu/entries/plato-metaphysics/>, <http://plato.stanford.edu/entries/causation-law/>, <http://plato.stanford.edu/entri.../aristotle-noncontradiction/>

the study of knowledge (science) and how it is acquired tells us KNOWLEDGE EXISTS NECESSARILY, INTRINSICALLY, INHERENTLY, ETERNALLY for it to be discovered and exist at all. In other words, from the time we are born our senses are DISCOVERING KNOWLEDGE processed by our consciousness/self-awareness; THAT MEANS Knowledge EXISTS BEFORE we do and that it EXISTED prior to the first created man. In other words, mankind is NOT CREATING KNOWLEDGE, he is DISCOVERING IT in creation (from our Eternal Creator).

From our earliest historic records, GOD and gods (fallen angels) are mentioned AND THROUGHOUT RECORDED HISTORY; as such, the DEFAULT IS GOD! the DEFAULT IS ETERNAL INTELLIGENCE! the DEFAULT IS ETERNAL KNOWLEDGE; the DEFAULT IS OUR ETERNAL CREATOR!!!!!!! It is the atheist that is defying sound rationale and reason, logic and knowledge, facts and evidence, showing not just their ignorance, but propensity to prefer their delusions and madness. (i.e. their ludicrous claims of EVERYTHING from NOTHING, KNOWLEDGE from IGNORANCE, FUNCTIONING ENGINEERED DESIGNS from CHAOS, ORDER from randomness, LIFE from non-life, and so on). Their entire worldview is based on false pretenses, assumptions, and extreme ignorance that have no place in observable reality; only in their wicked God-hating imaginations.

So please don't choose to be stupid and in denial of reality.

Instead call upon the One True God and then tell others how to KNOW and Learn directly from Him also.

Michael Swenson <https://www.youtube.com/watch?v=nkwCl0ymTfg&feature=youtu.be> - <https://www.facebook.com/notes/michael-swenson/the-modern-evolutionary-paradigm-is-not-science-it-isnt-even-good-science-fictio/747467775332184> I cite this presentation because sacred geometry is factually built into the construct of creation. Mathematics is necessary to describe coordinates in space time. <https://www.facebook.com/photo.php?fbid=451991028213195&set=pb.100002069048072.-2207520000.1459652932.&type=3&theater> the spinning tetrahedron is depicted in sacred geometry <https://www.google.com/search?q=tetragrammaton...> but this is also one of the reasons why I disagree with his statement of saying creation is 6000 years old approximately. So I am citing his presentation for his accurate understanding that creation and mathematics is only rationally explained because it exists by the Intelligence, Providence and Power of our Eternal Creator. In my own understanding the more creation is understood and observed the more we see the aspects of our Eternal Creator; as such the line between finite creation becomes blurred simply because even though our Eternal Creator transcends it; He also pervades it. In other words, observable creation takes on apparently infinite aspects both microscopically and macroscopically. Only God could Begin it and only God can End it; but all things are according to His Word. And I have not found anywhere in any literature; not even in His Divinely Inspired Holy Bible, where He tells us the exact age of His Creation.

Christians don't deny Science,
they deny bad science. It's not
religion vs science but good
science vs bad science.
Christians don't deny the
evidence, they deny the atheist's
"interpretation" of the evidence

QUESTION: Have you noticed that many professed atheists like to consider themselves logical and scientific? Next time you run into such a person please remind them of the following :

Without God, you have no justification for the necessary preconditions that make the laws of logic and science intelligible *smile emoticon*
