

Tried and Tested

Questions are posed all the time to those of us who know the Biblical Account to be Truth in a world of such overspreading lies and deceptions as exist at present this day. Questions like, "just what did all the animals eat after the worldwide flood?"

<http://www.nwf.org/Wildlife/Wildlife-Conservation/Disturbance.aspx> I wish people would understand that although the depths of the meanings in the scriptures; even the encrypted messages, are more extensive than anyone could expound on in our brief lifetimes; it is still not remotely a compendium of everything that has taken place in detail (**the Holy Bible is the public Record our CREATOR has given to mankind; by which all other knowledge(books) are tried- It's Purpose; while teaching Truth, is to lead us all to KNOW our Creator personally; who is that COMPENDIUM of TRUE OMNISCIENCE**). Some plant and seed varieties can survive underground (come back from roots), some species only propagate in flood situations -

https://www.google.com/search?q=seasonal+flooding+in+australia&rlz=1C1GIGM_enUS535US535&oq=seasonal+flooding+in+aus&aqs=chrome.1.69i57j0.7981j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8, some need fires for the seeds to break out of their shells, some species are actually designed by our Creator to be the very first forms of organic composition of soil AFTER devastations of floods and fires!

I know my notes are already so controversial that I will add here how people roll their eyes at the flood account (even though there is worldwide evidence of it - <https://www.facebook.com/notes/michael-svenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756> and how they laugh about dinosaurs and man living together; when it is a clear fact of history and even so to this day! <http://www.biblebelievers.org.au/giants.htm> (just do a little research - <https://www.youtube.com/watch?v=CEmnXV5Qs2Q&list=PLDD19870F568B7818> and https://www.youtube.com/results?search_query=dinosaurs%20and%20man%20coexisted&sm=1) But what I want to say is this. THERE IS NOTHING NEW UNDER THE SUN, we have genetic modification today (and achieved that level of technology RAPIDLY from the scientific explosion of the 16th and 17th century) as such when there are monoliths all over the world and under water that are cut more precisely than any tools we have today, are larger than any blocks we move today, have precise bore holes through solid stone, it is QUITE feasible that CONTRARY to popular opinion those who perished in

the flood of Noah's day had achieved similar technological advancements! (human skulls with horns have been found, evidence of half human half animal hybrids and other evidences of genetic corruption was going on in the PAST - https://www.youtube.com/watch?v=w_e_T1C9fM&list=PLDD19870F568B7818) most all the myths and legends regarding vampires, cannibals, strange humanoids, even so called "aliens" have the potential of being based on genetic modification technologies. Ask yourself all you who know GOD, did GOD have less knowledge in the past than He does today? <https://www.facebook.com/notes/michael-swenson/the-omniscience-of-our-creator/603749679703995> what about the fallen angels/demons who taught the children of cain metallurgy, and other sciences, occult knowledge? Who thinks in this fashion today? (<http://www.facebook.com/notes/michael-swenson/propaganda/528691883876442> and <http://www.facebook.com/notes/michael-swenson/treatise-on-greed-and-corruption/517410181671279> and <http://www.facebook.com/notes/michael-swenson/satanism-fools-who-want-to-burn-forever-represent-a-threat-to-themselves-and-all/554580804620883> that brings about <http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558> and <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> for the purpose of <http://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101>) those who are filled with foul and unclean spirits have such wicked imaginations AND THEY ARE COMMITTING THE SAME ABOMINATIONS NOW! https://www.youtube.com/results?search_query=human%20animal%20hybrid%20experiments&sm=1 and https://www.google.com/search?q=darpa+human+animal+hybrid+experimentation&rlz=1C1G1GM_enUS535US535&oq=darpa+human+an&aqs=chrome..69i57j69i59.6378j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 and https://www.google.com/search?q=genetically+modified+humans&rlz=1C1G1GM_enUS535US535&oq=genetically+modified+humans&aqs=chrome..69i57j0i5.5791j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 (there is hardly anything more wicked than ALTERING THE DESIGNS OF OUR CREATOR!) So my point here is we already KNOW the mindset of these people (movies like Jurassic Park tell us) and with all the soft tissue specimens of "dinosaurs" it is VERY LIKELY that is REALITY; not just science fiction! Human organs have already been bio-engineered! https://www.google.com/search?q=bio-engineering+lab+created+human+organs&rlz=1C1G1GM_enUS535US535&oq=bio-engineering+lab+created+human+organs&aqs=chrome..69i57.18255j0j8&sourceid=chrome&espv=210&es_sm=93&ie=UTF-8 To clarify, in the scriptures GOD talks about mankind "corrupting" all flesh <http://biblehub.com/genesis/6-12.htm> that is not just referring to wickedness or sin, it is referring to what the spirit of error is doing once again today, genetic modification of dna in species and is perhaps the most serious threat to all life on the planet in our time! <https://www.facebook.com/notes/michael-swenson/crimes-against-humanity/571080836304213> But in staying on topic, genetic splicing, genetic modification could bring into existence species that GOD did NOT design for LIFE but rather for DEATH and DESTRUCTION. (like GMOs are actually accomplishing) So to continue AS CONTROVERSIAL AS IT MIGHT BE, with all the theories being postulated, who's to say that dinosaurs weren't the result of this kind of genetic meddling? we already know the nephilim were NOT GOD's designs, but wicked corrupt creatures of the darkest origins from rebellious, evil spirits.

[swenson/the-serpent-seed-nephilim-rephaim-bestials-hybrids/570496899695940](https://www.google.com/search?q=ancient+machinery+and+gears+found&rlz=1C1G1GM_enUS535US535&og=ancient+machinery+and+gears+found&aqs=chrome..69i57j0l5.5946j0j8&sourceid=chrome&es_sm=93&ie=UTF-8) Keep in mind what they teach in schools as science and history is NOT consistent with what we find on earth (that actually confirms the Biblical account rather than the indoctrinated fiction still being taught. like the lie that mankind in the past did not have sophisticated technologies - https://www.google.com/search?q=ancient+flying+machines&rlz=1C1G1GM_enUS535US535&og=ancient+flying+&aqs=chrome.1.69i57j0l5.5946j0j8&sourceid=chrome&es_sm=93&ie=UTF-8 and https://www.google.com/search?q=ancient+flying+machines&rlz=1C1G1GM_enUS535US535&og=ancient+flying+&aqs=chrome.1.69i57j0l5.5946j0j8&sourceid=chrome&es_sm=93&ie=UTF-8 and there is much more to be found if anyone does even cursory research on that topic) I'm not saying ALL dinosaurs were created by wicked demonic knowledge, I'm only saying PERHAPS some of them were the results of genetic modifications and experimentations (take a good look at all the modified humanoid skulls and giants that have been found all over the world). With all the genetic modification today AND proof that it happened during the days of Noah; how do we KNOW Noah took such modified "corrupted" flesh on board the ark at all? IT MAY VERY WELL BE THE PRIMARY REASON THE GLOBAL FLOOD WAS NECESSARY; to destroy the giants, the human-animal hybrids, altered species of plants and animals and yes, perhaps, killer dinosaurs. I AM NOT SAYING THIS BY DIVINE REVELATION; I am only presenting a viewpoint as a POSSIBILITY to all those who LAUGH at the evidence that man and dinosaurs co-existed AND at the global flood account AND at the factual giant skeletons found all over the world and everything else that confirms the Biblical account.

There may have been some highly concentrated compost on board the ark when Noah and the animals departed from it, or some of the animals may have had semi- dormant reactions under the circumstances and had slowed digestive systems; in which seeds could have been stored until they eliminated their bowels upon departure from the ark.<http://arkencounter.com/> plenty of room to feed the species on board for the duration and until vegetation reappeared on land. There are many possibilities for revegetation; if one really thinks on it; rather than ways to make excuses for not repenting from ones wicked ways in a vain effort to deny the Truth of the scriptures and the reality we observe in creation.

In addition to all the so called "natural" ways our Creator maintains life on our planet; He is more than capable of destroying the entire universe and starting a new one all over again; let alone regenerating any life forms on our world, "supernaturally". Nothing states Noah was disobedient to our Creator's first instruction to mankind to properly steward Creation, replant, resupply, replenish this world as we go; to be a proper Gardener in the Garden of Eden (**this is PRIMARILY what humanity should be doing on earth - PROPERLY STEWARDING THIS WORLD IN PREPARATION FOR EXPANDING INTO THE UNIVERSE - How do you expect our Creator to give you your own world(s); when you don't take care of the one you are already living on?**) Adam, was told point blank -<http://biblehub.com/genesis/3-17.htm> and it would be a very good thing therefore when our LORD returns in Glory to find mankind DOING THAT! -

<http://biblehub.com/isaiah/2-4.htm> - we are destined for the most part to be tried and tested by how well we take care of this world we are on and to be concerned with what makes for life (bringing forth from the earth; mankind is supposed to focus on LIFE (Spiritually by KNOWING our CREATOR through the Grace and Acceptance of the Sacrifice in our Behalf of our LORD and SAVIOR, YAHOSHUAH THE MESSIAH, aka JESUS THE CHRIST -

<http://www.biblegateway.com/passage/?search=Matthew+13>, <http://biblehub.com/revelation/12-11.htm>, <http://www.facebook.com/notes/michael-swenson/are-you-a-christian/532952590117038>

AND concentrate on LIFE in the physical, temporal realm by focusing on agriculture and aquaculture)! NOT RAPING, PILLAGING, PLUNDERING, GREEDILY CONSUMING, HOARDING, DESTROYING OUR WORLD AND ALL LIFE ON IT; AS IS CURRENTLY WELL UNDERWAY! - (because of

about <http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558> and <http://www.facebook.com/notes/michael-swenson/blasphemy-and-idolatry/568026456609651> for the purpose of <http://www.facebook.com/notes/michael-swenson/depopulation-by-intent-or-accident/544721958940101> and the only remedy is <http://www.facebook.com/notes/michael-swenson/why-we-all-need-instructions-from-our-creator-to-live-by/533444303401200> to be taught everywhere; especially to the children; so they mature into such persons of integrity; necessary for a peaceful, strong, stable, prosperous society; as I propose: <http://www.facebook.com/notes/michael-swenson/solutions/516489485096682>).

Since Noah was in charge of preserving such species during the flood; it is most probable he had a seed supply on board as well. In addition, the flood while devastating would still have acted in a way rising water naturally does, (wood floats, and other organic matter; just look at the tons of bio-mass floating in our oceans presently (as well as all the inorganic tonnage floating)) such that spores, pollens, seeds, could have very well subsisted under such conditions as necessary to produce vegetation as soon as the waters receded.

IF you really want ANSWERS to your questions in sincere quest of TRUTH; seek to KNOW our CREATOR; who has all of them; if your intent is only to mock; do not be surprised if a reflection of your own ignorance is all you get in reply. help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by
