

Angels Of Death

THE NAZI DOCTORS

The Nazi doctors at the [death camps](#) tortured men, women and children and did medical experiments of unspeakable horror during the Holocaust.

Victims were put into pressure chambers, tested with drugs, castrated, frozen to death. [Children](#) were exposed to experimental surgeries performed without anesthesia, transfusions of blood from one to another, isolation endurance, reaction to various stimuli. The doctors made injections with lethal germs, sex change operations, removal of organs and limbs.

At Auschwitz the Angel Of Death, Josef Mengele, carried out twin-to-twin transfusions, stitched twins together, castrated or

sterilized twins. Many twins had limbs and organs removed in macabre surgical procedures, performed without using an anesthetic.

Only a few of the children survived Auschwitz. They later recalled how they were visited by a smiling Uncle Mengele who brought them candy and clothes. Then he had them delivered to his medical laboratory either in trucks painted with the Red Cross emblem or in his own personal car.

The victims were usually murdered after the experiment was over ...

Holocaust Victims

These camp doctors - masterminds of the horrors of Holocaust - were found to be psychologically normal. They were men of fine standing, cultured, husbands who morning and night kissed their wives, fathers who tucked their children into bed ...
