Images of Democrat in Iowa show 'beastly' number all over TV screen

Was it a biblical warning or just imaginations running wild?

ABC News shows Kerry in a sea of sixes during Iowa campaign stop

During his presidential campaign in Iowa today, Democrat John Kerry was surrounded by a sea of handheld signs displaying the number six on them.

That caught the attention of WND reader Michael of Kaufman, Texas, who happened to record this evening broadcast of ABC's "World News Tonight."

"You can imagine my surprise, when they broadcast a video of John Kerry finishing a speech in Iowa to the acclaim of hundreds of people waving signs with the number six on them," he said. "The imagery of 666 appearing everywhere was too much to be ignored. I had to rewind my TIVO and shoot these photos of the TV screen."

According to the book of Revelation in the Bible, the number "666" is associated with an end-time beast power.

"Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six." (Revelation 13:18.)

The signs actually are part of a final-week campaign countdown, and read: "6 More Days To A Fresh Start."

Kerry, himself, was photographed with six fingers in the air, reminding supporters that time is short until Election Day, which is next Tuesday.

Is Kerry's 666 just a coincidence or more illuminati language?

Fascinated by symbolism and numerology, the globalist's favorite tactic is to leave blueprints to their plans "hidden in plain view." From messages delivered to the masses through the media and films to Time Warner's all-seeing eye, we are repeatedly reminded by the illuminati themselves that they are controlling us and are omnipresent. World leaders from Clinton to Prince William have been photographed proudly flashing the sign of the devil. Architecture around the globe is laid out to represent their occult icons or structured based on occult numerology (like the pyramid Mitter and had constructed at the Louvre, which is made of 666 pieces of gold glass). The New World Order's symbolism is everywhere and there are globalist fingerprints all over the September 11th attacks as well as the Madrid train bombing. -[Alex Jones](#)

## THE EXECUTION OF THE SEPT. 11 ATTACKS

Favorite Illuminati Symbol: The All-Seeing Eye. New World Order Currency: The all-seeing-eye on the dollar bill. Below the illuminati pyramid/eye symbol are the words: "Novus Ordo Seclorum," which can be translated as: "A new order of the ages"

The Serpent promised Adam and Eve that their eyes would "be opened" if they ate of the fruit of the tree of knowledge of good and evil. The key word in this passage is eyes, which in Hebrew can be translated "knowledge." Opened can be translated "broadened." What the Serpent promised Adam and Eve was that knowledge would be broadened if they ate of the forbidden fruit.

But the most foreboding aspect of this scripture emerges from the fact that the Hebrew word for "eyes" is not plural, but singular. What the Serpent actually told Adam and Eve was that their "eye" would be broadened by knowledge.

The "eye" that Scripture wants us to consider is not the physical organ of sight, but the eye of the mind or the soul. This singular "eye" is called the "third eye" of clairvoyance in the Hindu religion, the eye

of Osiris in Egypt, and the All-Seeing Eye in Freemasonry.

(John Daniel, *Scarlet and the Beast*, Vol. III, pp. 6-7)

The all-seeing eye is the elite's favorite symbol. It represents the eye of **Lucifer** seeing all and is usually atop a pyramid, the symbol for a top-down command and control system of compartmentalization.

Below are just some examples of the all-seeing eye hidden in plain view from the US and UK government and in corporate logos:

## The Road to Tyranny

## US and UK Government Examples of the All-Seeing Eye

This absurdly in-your-face example of illuminati symbolism (and intent) is the logo for a new Orwellian DARPA division, "Total Information Awareness." When the logo and the office became public, outrage led to DARPA's saying they were canceling the project.

of course, the project is still in force, just under different guises.

The logo depicts the all-seeing eye at the top of a pyramid beaming down on the globe.

yes, this poster is real and was put out by the UK government. It could have been

a 1940's movie poster for 1984, but this image was distributed across London to publicize London Transport's increased use of CCTV on buses.

The art is reminiscent of the propaganda posters of WWII or of totalitarian regimes, and portrays multiple all-seeing eyes stylized along the lines of the eye of Osiris below the words, "Secure beneath the watchful eyes."

The all-seeing-eye on the dollar bill, which Americans see every time they make a cash transaction. Below the illuminati pyramid/eye symbol are the words: "Novus Ordo Seclorum," which can be translated as: 'A new order of the ages'

So what affiliation does Prince William Have with Texas UT?

Prince William gives familiar Satanic signal

Silvio Berlusconi? Paul McCartney? Bill Clinton?

### *Horned Hand or The Mano Cornuto :*

This gesture is the satanic salute, a sign of recognition between and allegiance of members of Satanism or other unholy groups.

The first image Represents the horned god of witchcraft, Pan or Cernunnos. Note the thumb under the fingers and given by the right hand. The next image is a sign of recognition between those in the Occult. When pointed at someone it is meant to place a curse. Note the thumb over the fingers and given by the left hand.

Take a look at the photos and decide for yourself.

This was CBS's original logo -- it's no stretch to see the eye here.

The CBS logo has changed over time, but the eye has remained the central theme.

Founded by illuminati Rupert Murdoch, AOL's logo is a stylized eye inside a pyramid.

The membership of Freemasonry, by and large, is made up of average men. Its ranks include laborers, clerks, merchants, tradesmen, lawyers, enlisted and commissioned members of the armed forces, doctors, statesmen, farmers, salesmen...the whole spectrum.

**George Washington:** The only President to serve as Worshipful Master of his lodge during his presidency, Washington laid the cornerstone of the United States Capitol, acting as Grand Master pro tem for the Grand Lodge of Maryland. He was buried with Masonic honors. Masons of the United States have erected a granite monument in his memory on Shooter's Hill, at Alexandria, Va.

**James Monroe:** Except for records of his membership, little is known of Monroe's Masonic life.

**Andrew Jackson:** Grand Master of the Grand Lodge of Tennessee, Jackson was the first of two Presidents to have so served Freemasonry.

**James K. Polk:** Known to have served as Junior Warden of his lodge, there is no record of Polk ever serving as Master. During his Presidency he assisted in laying the cornerstone of the Smithsonian Institution with Masonic ceremonies.

**James Buchanan:** Master of his lodge in 1823, Buchanan also served as a District Deputy Grand Master in Pennsylvania. He delivered the address at the Masonic dedication of the statue of Washington, Washington Circle, Washington, D.C. He was buried with Masonic honors.

**Andrew Johnson:** During his Presidency Johnson participated in five Masonic cornerstone ceremonies... in Chicago, Baltimore, Boston, Antietam (Md.) and Washington. He was buried with Masonic honors.

**James A. Garfield:** Eventually holding membership in three different lodges (Masons may move membership from one lodge to another or, in some states, become dual or plural members), Garfield was Chaplain in the second of these. Many Masonic groups attended his funeral.

**William McKinley:** Our 25th President was prompted to seek Masonic membership when he observed the fraternal kindnesses being exchanged among Masons in the Union and Confederate Armies during the Civil War.

**Theodore Roosevelt:** Often expressing his interest in Freemasonry, Roosevelt visited lodges at home and abroad. He participated in Masonic ceremonies on several occasions while President, delivering the principal address on one occasion and wearing Masonic regalia on another.

**William H. Taft:** Taft was another of the Presidents that took part in various Masonic activities while in office. On one occasion he posed for a picture while wearing Washington's Masonic regalia at the White House.

**Warren G. Harding:** Becoming a Mason only three years before his death, Harding nevertheless became very active Masonically and joined a number of the appendant orders.

**Franklin D. Roosevelt:** A Mason for thirty-four years, Roosevelt participated in numerous Masonic activities, including his son Elliott as a Master Mason in 1933.

**Harry S. Truman:** Becoming a Mason in 1909, Truman was the second President to have served as a Grand Master, being elected Grand Master of Missouri in 1940. He was probably the most active Mason of any President since Washington. Millions of Americans witnessed his Masonic funeral service on national television

**Gerald R. Ford:** Still living at this writing, it is perhaps too early to summarize Ford's Masonic life. In addition to the Presidents listed, it is widely believed that Thomas Jefferson and James Madison were Masons, but documentation of their Masonic memberships has never been discovered. Lyndon B. Johnson received the first degree and was thus an Entered Apprentice, but he never became a Master Mason.

Truman and Ford were each honored by the Scottish Rite when they were elected to its Thirty-Third Degree.

## U.S. President's and Freemasonry

Some have said that 99% of all American Presidents have been Freemasons. That may or may not be true. Most Freemasons do not acknowledge their affiliation outright. However, we do know that about 14 U.S. presidents have openly admitted to being Freemasons.

### George Washington

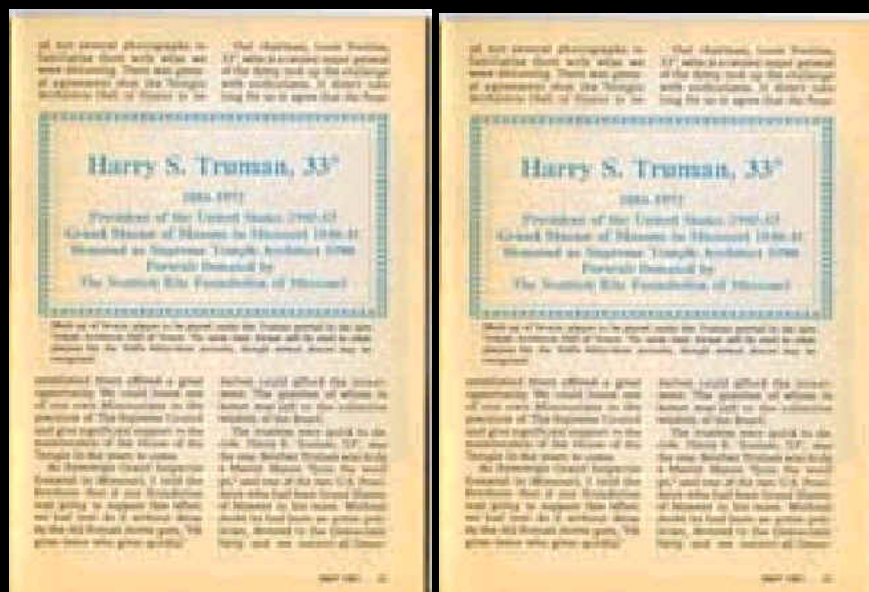

(George Washington's Masonic Apron)

### J. Edgar Hoover

33° Scottish Rite Freemason, J. Edgar Hoover. The F.B.I. Director set-up a Masonic Lodge inside F.B.I. Headquarters. It was said that the chance of career advancement within the Bureau were next to nil for non-masons during 'Illustrious' John Edgar Hoover's reign.

## Harry Truman

## Ronald Reagan

Reagan (and frequent visitor to the Bohemian Grove before he was president) took his inaugural oath to presidency facing the Washington Monument, the occult obelisk! That was on January 20, 1981. This picture was taken as President Ronald Reagan took his Inaugural oath on January 20, 1981. Reagan startled the occult world by taking his oath of office from the West Wing of the Capitol, and not the East Wing as all his predecessors had done. When

President Reagan decided to become the first U.S. President to take his oath from the West Wing of the Capitol, he faced the obelisk, as you can see. This fact meant that he was sending the strongest possible signal to fellow Illuminists the world over that, after 205 years of pursuing the goal of establishing the New World Order -- the plan was entering its final phase.

## George Bush ?

While it is not confirmed that George Bush is a freemason, the links and associations to freemasonry are astounding. What we do know is that George Bush and George W. Bush BOTH were members of the Skull and Bones Society at Yale which is known for it's morbid fascination with Hitler and the Thule cult which forms a basis of modern Freemasonry.

George Bush sits surrounded by Freemasons in the picture above. The photo is believed to have been taken while George Bush was governor of Texas.
